TESTIMONIES FOR MARCH 2014 EDITION OF "MANNA FEAST"MONTH OF ENTHRONEMENT YAOUNDE

After praying "Manna Feast" with my neighbours, a great compassion came upon me for my disunited family that has been apart for long. I was moved to call them and to God be the Glory they saw the need for reconciliation. Hallelujah!

Bro Christiana: 77 29 86 24

After going through the sixth chapter of the booklet, I out grown childishness. Praise God!

Pastor Belmond: 76 43 45 15

BALI

After reading the "Manna Feast" for "The Month of Enthronement", I was enthroned. The Lord gave me authority and I saw the power of God overcoming evil forces in a land that was highly suppressed with the gross agents of darkness. At the end of the day, power changed hands and many people gave their lives to Christ. Glory be to God, Power must change hands.

Pastor Roland: 75 10 40 40

During the "Month of Enthronement" I experienced the healing power of God over my life. I had been hypertensive of 18years but this month I was healed. I now do things I had not been able to do for the past 18 years. Also, my children

who had been jobless were blessed with jobs. Glory be to God!

Mama Anastasia Taka.

I thank God for the "Month of Enthronement". During one of the prayer sessions of this month, I've been a patient suffering from cardiac problems and arthritis for many years. The Lord visited me during one of the prayer sessions and healed me of these diseases and I'm strong and doing fine. Glory be to God.

Mama Nji Ruffina.

My month of enthronement. The bed, mattress, and blanket rejected me. Each time it was time to do a 'Divine Assignment' I would have unbearable body pains if I'm sleeping. When I got up from bed, all pains disappeared. If I'm awake I will have no peace until I'm through. I thank God for leadership.

Mama Njiforti.

KUMBA

Sister Doris who had been living in secret sin of masturbation for six years got heavily convicted when she got the "Manna Feast". This was followed by her confession and complete deliverance. Praise the Lord!

JAKIRI

"Manna Feast brought a mighty revival in our prayer lives and evangelism commitments individually and collectively as a church.

Each time we prayed “manna Feast”, I felt a strong refining power of the Holy Ghost at work in me. This imparted me with an unusual faith and grace for evangelism. I experienced a great soul harvest as a result. My brother and sister got blessed as well. May God increase richly his servants as they release more manna upon us. Amen.

Sis Adeline: 77 22 89 67

NTAMRU- NDU

“Manna Feast is a challenge in my life. It brought holiness and increase in my prayer life. Oppositions I had at my job site and family got silenced. I experienced financial breakthrough also. Bless God for the producers of this treasure that has brought out the value in me.

BAYELLE

“Manna Feast” I will say is my true companion and source of blessings in this pilgrim walk. I got breakthrough on issues I have been praying on for long after using the booklet. “The Strive for maturity” also exposed and dealt with many evil seeds in me. Thank you Lord.

Bro Celestine: 732 01 62 42

In this month of Enthronement, "Manna Feast was a pathway to the throne. Chapter six moved me most. In fact it was a mirror that exposed some childish seeds in me that were a hindrance to my walk with God. Oh Lord, Grace thy servants as they feed us (your flocks) in Jesus name. Amen.

Sis Judith: 75 52 85 66

Praise God, this month with "Manna Feast" I experienced spiritual growth. After fasting and praying with the booklet, the good Lord revealed to me the source of my financial problems and other related satanic manipulations which God dealt with this month.

Ma Margaret: 72 16 36 09

The out break of "Manna Feast" brought settlement in my marriage as my husband took a bold step to go and pay my bride price after we had three kids with countless problems and separations. My home is restored, I am legally married now. Thank you Jesus.

Sis Priscillia Y. 73 57 68 15

The blessing I got from partaking in this "Manna Feast" are so evident as people like my mother-in-law who did not recognize me to be anything, came looking for me with food stuffs to bless me. Thank you Lord.

Bro Emmanuel N. 75 04 45 87

Bless the good Lord for this commission and "Manna Feast" revelation. After fasting and praying with the booklet as my pastor led me, I experienced enthronement in my career. I was sent for the first time for pedagogic inspection tour. The Lord used me to solve problems I never thought I could

attempt; besides I was greatly honoured in the tour. Now I know when God enthrones you, he equips you for the throne. Thank you Jesus.

Sis Priscillia E. 75 58 55 59

BAMBILI

The first two chapters of "Manna Feast" got me greatly inspired in my teaching practice. Most of my pedagogic inspectors congratulated me and commented that my score was the best of all the students they have evaluated. As a result of this I was recommended to take part time classes at G.T.H.S Nkwen while waiting for posting. Glory be to God.

Bro Zifac Divine: 77 96 54 28

In "Manna Feast" this month, Psalms 46:10 was my watch word. A limited time was given to us to do research in school without a supervisor and submit. On the day of the defense my presentation was so accurate that the jury was amazed. They asked me where I was working and graded me 20/30. Hallelujah

Sis Noella: 74 21 89 50

"Manna Feast" blessed me greatly with the chapter "Opposition". It silenced oppositions that were coming my way from a lecturer that is a problem in the school. God withstood him from evaluating me when I was not prepared. To God be the Glory other inspectors I was prepared for came from Yaounde and evaluated me. Hallelujah.

Sis Prisca: 79 59 06 84

INTRODUCTION

With gladness of heart and joy, it has been my earnest expectation seeing you going through the month of Enthronement which could only be possible by the Finger of the Living God. For it so pleased the Lord to be so. Every throne has a function attached to it. These functions may have different activities attached to it. And having prayed yourself to the place of your Divine design, it is therefore very vital to respond positively towards all Heavenly desires and plans kept in stock for you. I do pray that the Almighty in His unfailing love and faithfulness will be your source of supply at all times. Stay focused and remain faithful and Glory and Praise will be your real words.

As you sit on where you have been positioned by God, whether in Spiritual services or physical works, you are reminded again to stay faithful in all God has committed into your trust. Pay attention to the Master's command for when He says yes upon your life, no one can say no. When he approves you, no one can disapprove you. When He lifts you up, no one can bring you down. When He blesses you, no one can curse you. In this season, the Lord is speaking to us all to move into the Harvest Field and as God's children, rise upon your feet and answer to the Master's command. Say No! to distraction, delay, or procrastination. We are moving into the world with the message of the Gospel of the everlasting Kingdom.

The redemption of man will bring liberation upon all other creatures as we rise this day to demonstrate and manifest His plan for this season. These are the days to bring souls into God's kingdom and as that is done, followed with the righteousness of the kingdom, all other things, good things of course shall locate you, in the name of Jesus. What will trouble others who are not connected to the saving Grace of

our Lord Jesus, will not trouble you, because, your source is called the Everlasting Father, Ancient of Days, the Rock of Ages, the Beginning and the End. He has neither beginning of days nor end of days. From Everlasting to Everlasting, He remains the same. He is not just the Mighty, but He is the Almighty. That is who your source is. All other sources will fail but He abides forever.

I want to let you know in this season, anything waging war against your life, no matter the magnitude of their threats, stand firm with your source. He will surely answer, by turning every stumbling block to a stepping stone. Stay blessed as you move into the Manna of the month.

Your harvest will speak the strength of Him that called you. Your harvest, shall keep you far from drought, your harvest will bring about a future of security, your harvest will bring values to identify with you. Every opposition or confrontation should not be your point of concern. Let God at all times be and remain your source of concern. As you move into the field of harvest, all challenges will be God's own ways of showing Himself to you in a way you've never known, and the change that speak Glory would live within your habitation. Once more I say **"IT IS HARVEST TIME, HARVEST, AND HARVEST, AND HARVEST, AND HARVEST AGAIN FOR THE GLORY OF THE LORD". The field is plentiful but the labourers are few. Beloved arise and join other heirs and co-labourers to advance the kingdom of our God with all determination in the name of Jesus. (Mt 9:37-38)**

HELL MUST BE DEPOPULATED AND HEAVEN POPULATED. Make use of all Divine materials on the throne to maximize the purpose of God in this season from the Spiritual to the physical in the Mighty name of Jesus Christ.

CHAPTER 1

A CITY ON A HILL

Mt 5:14 "You are the light of the world. A city that is set on a hill cannot be hidden".

Once upon a time, as Jesus walked on the surface of the earth, there were men and women that paid keen attention to his words, and received Him and His words. The reception of His words in their lives gave them a new name and Jesus looked upon these multitudes of persons whom He called His disciples and he told them in a few words, "you are the light of the world, a city on a hill . . ." Looking at these two phrases, the disciples were informed by the Lord to be conscious of their position of relevance, and looking at the word "light of the world, and a city on the hill", these are top most words that bring about meaning, progress, advancement and vital change in any generation.

God is saying here that the transformation of the world and the beauty of the world is tied to the church. The church therefore is supposed to be the role model in every generation, in purpose, in beauty, well set out organization, a peaceable and Joyful kind of people, a generation that will render Hope to the hopeless and Life to the lifeless. Come to speak more closely to this, let's get back to the scriptures.

Genesis 1:1-2 "In the beginning, God created the Heavens and the earth, the earth was without form and void: and darkness was upon the face of the deep. And the spirit of God was hovering over the face of the waters."

The formation of a hopeless and useless world, originated in this order. The Bible says the earth was empty and formless, and covered with darkness. Until the Spirit had to move upon the surface of the deep, this is to say surface means top, and deep means bottom. If anything is to go from

the top to the bottom, it means the whole unit can be affected. This implies that this entire world can be affected for God. At the move of the Holy Spirit, the formless human without purpose can receive a dynamic formation. An empty human, without any vital function can receive treasures that will make him complete for Glorious service.

After the moving of the Holy Ghost in all the nooks and corners of the world, the Lord said, "let there be light". It was this light which God says you are that exit darkness out of the world and brought meaning and relevance into the world. The relevance of one's life originated from God and that relevance can only have its peak if the individual totally remain loyal to God. I speak upon every life that Grace should fall on you and receive this Grace to ever remain loyal to God, and your peak will stand as designed by God. You are or were made or designed by God to take mastery of the earth and that is why there are three nouns that God has used to figuratively denotes your person.

1- As earlier said, the Lord said you are the **light** of the world.
2- You are the **salt** of the earth.
3- You are a **city** on a hill.

Looking at these three sentences, you'll come to understand that without light, progress and development become difficult. Every effective work can only be realized in the light. Every substance that is genuine can never be ashamed under the light, rather it gets its strength in the strength of light. Only light can give the true picture or image of any true substance. Light gives energy for growth and work. Light ushers strength to terminate confusions that lead to stagnation. The woman of Samaria in the Gospel of John has been confused in life and in her confusion, she made

prostitution her source of living. And in attempt, the syndrome of "use and dump" became her portion and for this reason, her inborn potential was shut down and she could never understand or use the ability that was lying waste within her. But on one said day, while moving, in her confusion and stagnation, she met the King of all Glory, Jesus Christ, the son of the Living God, the source of true light. And her life was turn around. Her potential was quickened, brought alive, she was able to stand on her feet again as a person with focus and direction. It was this effect of light that met this woman and she became a light, and a salt with savour which compelled her to move a whole city from where they have been stagnant to meet Jesus to have a like experience.

SPEAK OUT THESE WORDS IN FAITH UNTIL YOU ARE SATISFIED IN YOUR SPIRIT.

- In the name of Jesus, I command every darkness to loose their grip over my life.
- In the name of Jesus, I command the Divine savour of my life to come alive.
- In the name of Jesus, I command my life to locate the hill of its reigning in the name of Jesus.
- I am a city of the Lord; I refuse to settle in the valley, I refuse to stop mid-way.
- I say no to distractions and discouragement.
- I am not a countryside, I'm not just a town, but a town with special rights given by a king, not any kind of king but the King of kings and the Lord of lords.
- I am a city to embody all of God's goodness and blessings.
- O ye city of my life, break forth now and shine forth your savour and your light.

Isaiah 33:20-22 "look upon Zion, the city of our appointed feast: your eyes will see Jerusalem a quiet home, a tabernacle that will not be taken down: not one of its stakes would ever be removed, nor will any of its cords be broken . . ."
The Lord is committed for your security and fulfillment as a city.

Hebrew 12:22-23"But you have come to mount Zion and to the city of the Living God, the heavenly Jerusalem, to an innumerable company of Angels, to the general assembly and church of the first born who are registered in heaven, to God the judge of all to the spirit of just men made perfect …" progress is inevitable under the leadership of the Spirit of God. Stay in the place of your person in Christ.
Psalms 87:3 "Glorious things are spoken of you, oh city of God!" Glorious things shall be spoken of you that is your expectation and manifestation. You can name or prophesy to your life now as God's city! You know what, you are the city of Glory. Don't shy again, but chill out in Jesus name.

John 4:7-26, 39-42.
Verses 13-14 "Jesus answered and said to her, whoever drinks of this water will thirst again, but whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water, springing up into everlasting life".

When you meet the source, the true source of living (Jesus Christ), He will make you a sub-source. It is a mistake for any human to think or ever think that the visible things on earth, be it houses, be it money, be it career, etc are the source of their living. For you cannot be an eternal being and a

temporal substance become your source. God and God alone is your source. That is why Jesus thought the disciples to pray what we commonly call the Lord's Prayer. It goes thus:

"Our Father, who art in Heaven . . ."

The word Father comes from a Greek word "Abba", which is been interpreted the source, which in literal sense we can say our source who art in Heaven and not on earth. You are not to hallow the earth, but to Hallow He that is seated in the Heavens. You don't serve a place because it is your source; you serve a place to contribute your God given talent in that place. So never you take your place of material influence to be your source of living. They will go but God will remain. Let people's gifts and assistance to your life not make the people a god in your life.

Luke 12:15 and He said to them" take heed and beware of covetousness, for ones life does not consist in the abundance of the things he possesses".

The scripture says your life consists in God and not of material, go for God and you will have life. Material things don't threaten or frighten the devil, but a God given life does. The devil can never be harassed because you are wealthy, beautiful, have many family members, many friends, because you were the first son or the last child, because of your position in the world, but one thing, one kind of life, the God's kind of life, dwelling in you will make you a terror to the devil and his hosts. Receive Grace for a victorious God's living life.

PRAYERS

- Lord I thank you for speaking into my life as a person. Receive all Glory and Honour.
- I station myself at the foot of the cross to receive a Christ-like transformation.
- I denounce all forms of entanglements that have haunted me for all these years. Lord, let mercy and Grace speak upon me now in the name of Jesus Christ.
- Lord, I receive your word into my life; let the entrance of this word bring light, lasting light upon my destiny in the name of Jesus.
- Lord savour me now as the salt of the world. Let my life bring taste and preservation to my generation.
- Let my life which is God's city never be found in the valley.
- Oh God! Let my life which is your city shine in its brightness.
- Thank you Lord Jesus for doing this for me. Receive the Glory in Jesus Mighty name.

CHAPTER 2

REACH OUT IN LOVE

The content of a vessel can be known by what that vessel can reach out with or reach out for. Being born of God and made by God, you're an embodiment of love. The Hebrew word for love is "Ahavah" and the Greek word "Agape". The scripture presents this as God's own very nature and the greatest of Christian virtue. It can be defined by the sum of its numerous attributes. Love lies at the heart of Christianity being the most essential substance building relationship for God and man. Many in the world have used this word or interpreted this word in many different ways and aspect, which in many circumstances, they turn to abuse the word in meaning and purpose. Every act or behavior taking the caption "Love", that does not meet up with the God given virtue for love is demonic and satanic or being self flesh human. Therefore, no one is qualified enough to teach us love than God who is love Himself. And we can take a picture of God's demonstration of love through the sacrificial offering of His only begotten son on the cross.

John 3:16 "For God so loved the world that He gave His only begotten son, that whoever believes in Him should not perish but have everlasting life".

- Looking at the above scripture, God did not give any condition for the world to attain to before He loved her.
- God's love for the world was to contribute for the world's betterment.
- The demonstration of His love explains that His love for the world prompted or moved Him to give the only beloved or begotten son of His for the redemption of the world.
- His love had a life given future for the world.

- His love brought forgiveness to the recipients without any condition.
- His love offered eternal value, recognition and life everlasting to its recipients.
- His love appears to give and giving the best and not to take.

In ***Matt 22:37-40 "Jesus said to him, you shall love the Lord your God with all your heart, with all your soul, and with all your might. This is the first and great commandment. And the second is like it: You shall love your neighbour as yourself. On these two commandments, hang all the law and the prophets".***

You have to display love towards God, love for yourself, and love for others. That which is born of love is of God. And everything that is love proceeds out of a pure heart. The journey of genuine love never ends in regret. Let's look at some attributes of love:

1Cor 13:4-8

- ***"love suffers long and is kind:***
- ***love does not envy;***
- ***love does not parade itself;***
- ***love is not puffed up;***
- ***love does not behave rudely,***
- ***love does not seek its own***
- ***love is not provoked,***
- ***love thinks no evil;***
- ***love does not rejoice in iniquity, but rejoices in truth;***
- ***love bears all things,***
- ***love believes all things,***
- ***love hopes all things,***
- ***Love endures all things.***
- ***Love never fails".***

Looking at the above attributes of love, does it portray what we manifest as love towards God, towards ourselves and towards one another? The one you love, you can't betray, you can't destroy, you can't provoke to hurt through any means. Love preserves values and protects them. Longing and wishing the very best of themselves, to God, and to one another. My love for God or our love for God demands the best from us to God. I can't love God and keep on provoking God by sinning against Him. And I can't love myself and rejecting God's provision for my life by not submitting to His instructions. And I can't love others by bringing actions that will bring about regrets, pain and lost in their lives, but rather, I will lay down my life for their well being and for the praise of God upon their lives. My contribution in others lives should go in line with what I will like to contribute in my own life. It is written in

Romans 13:10 "love does no harm to a neighbour, therefore love is a fulfillment of the law".

Working in love is living for a future. If anyone talks of love when he or she is not born of God, that is born of the word of God, and born of the spirit of God such may not be love but lust. The journey of lust end up in pain but the journey of love end up in joy and peace.

John 3:5-6 "Jesus answered most assuredly, I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God That which is born of the flesh is flesh ,and that which is born of the Spirit is spirit."

Everyone born of love will only approve and do the things that God's word and Spirit approve; he will not dare break the word of God but will subject himself to the governance of God's word and Spirit. The passion and affection you desire God to show to your person, do desire

the same to others. Live to see the well being of your life now till eternity. Because one who loves his life or her life will not think of a suicide act or go into committing suicide. One who loves will not go on deforming people, but he will contribute until the individual becomes purposeful. Love does not create problem, but rather, love solves problems. Love opens up to genuine forgiveness because love knows the future holds better things than the error of the past. It is on this basis that the Almighty God still bears with the earth. It was on this account that the father of the prodigal son in ***Luke 15:11-32*** received the son without bringing the past error in the present. His love for his son manifested by contributing to correct the scar the son brought from a far country. He asked him no questions; he gave him no conditions as a point for a party to be made for him. Here we can see clearly the demonstration of true love. The father gave him the best suits, a ring, which signifies embodying himself to his lost son, though from a far country. Then the fattest of his calf, I mean the very best was slaughtered in showing his gratitude for his lost son from a far country who at last returned. What we call love in our live now, does it outline with God's status, if not, it is counterfeit or something else and not love.

True love will preserve relationship for eternity. You exercise love by giving out the best, the very best. You appreciate love by receiving its offer with gratitude. If we could work in love in this our world, then the devil and his hosts will go on exile. I pray this day that you will stretch forth and show forth your love for one another. True love will even stretch forth his hand to the enemy, I don't mean the devil, but a human being you call your enemy. As you work out in love these days, let the following principles see you through:

1- Know that God does not only love, but He is love.
2- Love expresses itself in genuine sacrifice. ***John 15:13 "Greater love has no one than this, than to lay down one's life for his friends".***
3- Love is void of hypocrisy. ***Romans 12:9 "let love be without hypocrisy".***
4- Love stretches forth its arm to serve and not to be served.
5- Love delivers praise in all its acts.
6- Love pictures the future and goes for it.
7- Love is being true and not deceptive.
8- Love brings forth fruitfulness.
9- Love preserves values.

As we reach out in love these days, things will never be the way they used to be. Watch and pray, aspire and desire to be an embodiment of love.

- If you're up, look down to that one who is low and the Lord will move through you to download meaning to those that are low to be brought up.
- Pray for one that is down as if you were the one that is down.
- Assist the sick as if you were the one that was sick.
- Assist the poor as if you were the one that was poor.
- Pray for the ones that don't have salvation as if you were the one that was in desperate need of salvation.
- Pray for one bound as if you were the one that was bound.
- Do your all to bring peace in troubled zone.
- Cloth the naked as if you were the one that was naked.
- And feed the hungry as if you were the one that was hungry.
- Comfort the comfortless as if you were the one that needed comfort.
- Sacrifice for peoples well being until your sacrifice starts to speak.

- Love your world and love your nations, and you shall be the sons and daughters of the universe.

PRAYERS

- O Lord, make me an embodiment of love.
- Father as you desire my life to be, O Lord, make my life to be in your desire.
- O Lord deliver me from all fake love syndrome.
- Lord let the attributes of love dwell with me and remain within me.
- Lord increase my love for you, increase my love for one another, and increase my love for myself.
- Lord thank you for hearing me, receive all the Glory for granting to me all my petitions.

CHAPTER 3

WALKING IN KNOWLEDGE

KNOWLEDGE: Fatal errors in life are as a result of lack of knowledge. The success of a life would depend on the knowledge that exists within the individual. So everyone who wants to live a constructive life must go for knowledge. Knowledge is based on 3 keys; **information, understanding and skills.** For a man to be formed, information is very important, secondly is understanding. Understanding helps to facilitate the journey of life and skill brings about your ability and expertise in life's issues. And this could be achieved through education or experience. True knowledge is what will guard your work and secure all goals that are destined for your being. And what ever is true is what comes from God. Many who try to acquire knowledge out of the context of God's leading, end up in disappointment. Many have exalted themselves with a small God given talent within them and in their arrogance, tend to minimize their link with God and their dependence on God. You can notice one thing that such individuals end their lives in regrets and sorrow.

In Prov 1:7 "the fear of the Lord is the beginning of knowledge, but fools despise wisdom and instruction."

This is a major key in acquiring true knowledge and working in it. Your human ability minus God's leading is short lived. Many who build their empire out of God realized that at the end of the day, their efforts were wasted. What you fear makes you to respect and who you respect; you commit him to lead you. Every God fearing servant will respect and honour God and in that respect, the Almighty will be committed to direct the steps of the individual.

Prov 3:5-7 "Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways

acknowledge Him, and He shall direct your paths. Do not be wise in your own eyes; fear the Lord and depart from evil".

You are incomplete without God. The counsel of God is the counsel that should rule all other counsels. And we get the mind of God and God's instructions from His Holy book, the Bible. And everyone whose life is governed by His words, is called a wise man. You are called today to submit yourself to the wholesome truth of the Word of God so that you can grow in knowledge to guard your purpose and plan.

Wise men ask counsel from God before they act. But everyone that neglects the counsel of God shall perish. Many have erred because they guarantee themselves with the support of men rather than the support of God. But true knowledge teaches us that God's support first, before the creations own can follow. Every nation, people or race with God's support, would live and reign in victory. Joseph excelled in Egypt because he did walk in the knowledge of God. And it was this knowledge that took him from the dungeon to the throne. His walk in knowledge excelled the intelligence of Egypt because his life was praise worthy before the Almighty God. Many of us are brave and intelligent, but void of the leading of God and as a result, we end up as failures. Daniel also excelled in Babylon because he walked in knowledge.

Dan 1:3-4 "then the king instructed Ashpenaz, the master of the Eunuchs, to bring some of the children of Israel and some of the king's descendants and some of the nobles, young men in whom there was no blemish, but good-looking, gifted in all wisdom, possessing knowledge and quick to understand, who had ability to serve in the king's palace, and whom they might teach the language and literature of the Chaldeans".

Looking at the above scriptures three categories of intelligent men were selected;

1- The group of Israel (the Worshippers of the living God).
2- The king descendants (with ability approved of the palace).
3- Nobles of the land (with ability approved of men).

These three categories of persons were all acknowledged having knowledge. One group took each step under God's leading and directives. The other two groups solely depended on their natural ability in understanding and wisdom. Let's now look at the conclusions of the competition of knowledge between the three persons:

Dan 1:18-20 "now at the end of the days, when the king had said that they should be brought in, the chief of the Eunuchs brought them in before Nebuchadnezzar. Then the king interviewed them, and among them all, none was found like Daniel, Hananiah, Mishael, and Azariah; therefore they served before the king. And in all matters of wisdom and understanding about which the king examined them, he found them ten times better than all the magicians and astrologers who were in his realm".

Looking at the above scripture, we can draw the conclusion by ourselves, you may appear great, but without you walking in the knowledge of the fear of God, the effect of your natural efforts will not be able to stand the test of time. But to everyone that walks in God's knowledge, your end product shall speak from generation to generation. Because Daniel and his fellows, they walked in knowledge not the corruptible knowledge of our time, but the knowledge that proceeded from the Almighty God, their results and impact in their world was ten times better than that of their rivals.

I come to speak in the name of the Lord, are you a child of God? I urge you to continue steadfastly walking in the knowledge of the word, and God will use you to author a new move in this your generation for His Glory. Every one that stands to challenge the knowledge of the word of God, this very word is capable to challenge that individual, or groups of persons or nations. The lack of the knowledge of this word drowned Pharaoh and his army in the Red Sea. This same word, brought judgement upon Nebuchadnezzar when the Lord gave him the heart of an animal due to his disobedience to His word and he ate grass for seven years. This very word silenced Voltaire, and not Isaac Newton as was cited in the March publication, the French infidel who in his days challenged its power. It ended him dead and after 50 years of his death, where he was occupying became a printing press to print the Bible material. For God is God and no power can challenge His authority. Herod in his days tend to challenge the believers of God's word and made himself to be looked upon as a god and was eaten up by worms while alive and ended up dead. So too was Kwame Nkrumah of Ghana, with his error of "Young Pioneer Movement" and a lot more that took upon themselves not to fear God or to walk in the knowledge of his word. You are making an error with your life by living your life contrary to God's commands. Divine assistance will locate you as you submit your life to the obedience to His Holy Word.

Jer 17:11 "As a patridge that broods but does not hatch, so is he who gets riches but not by right; it will leave him in the midst of his days and at the end he will be a fool".

Mt 26:52 "But Jesus said to him, put your sword in its place, for all who take the sword will perish by the sword".

As you're reading through this leaflet, if you have been brain washed by a sect or an individual not to fear God or serve God, then you need to repent and give your life to Jesus Christ our Lord and Saviour. No cult, no sect has a free gift for your life. Only God has a free gift for your life. If you have been deceived that you can rob people to make your life better, or kill physically or spiritually, or living on people's blood as a witch or a wizard in order to better your living, know you that you shall not go unpunished says the Lord. For it is written **"they that live by the sword, shall perish by the sword"**. And all wealth gained by corruption shall only download curses on your down line. That is why some that were called 'great' yesterday, are nowhere to be found today. I say walk in the knowledge of God and your becoming shall be great and genuine.

PRAYERS

1- O lord empower me to go for true knowledge that will save my soul and preserve my person.
2- O Lord let me buy the truth and sell it not.
3- O Lord make me an embodiment of knowledge to affect my world for your Glory.
4- Lord deliver me from every fake so-called knowledge and establish my life on the platform of Divine knowledge.
5- Thank you Lord, receive the Glory for hearing me.

CHAPTER 4

HARVEST

There can't be harvest without sowing. For every fruitful result, labour is unavoidable. In our subject, we are going to look at harvest on three phases. Harvest in general, being the end product of a venture and we are looking at three ways here

1- The general harvest of crops in their harvest season, and other physical activities in the natural world.
2- The harvest of souls into the kingdom of God, by the preaching of the Gospel.
3- The last harvest of souls, when the saints shall be raptured where the Angels of the Lord shall be the harvester.

Every harvest will derive its proper results on the following factors;

1- The quality of the seed sown
2- The ground upon which the seed is being sown
3- The season in which the seed was sown.
4- The quantity of seeds being sown.
5- The attitude in which the sower sowed the seeds.

Looking at the above factors, in the right mode and the right time, and the right worker go through this, there will be beyond doubts, a bountiful and wonderful harvest.

Matt 13:18-23 "therefore, hear the parable of the sower; when anyone hears the word of the kingdom and does not understand it, then the wicked one comes and snatches away what was sown in his heart. This is he who received seed by the way side. But he who received the seed on stony places, this is he who hears the word and immediately received it with joy; yet he has no root in himself, but endures only for a while. For when tribulation or persecution arises because

of the word, immediately he stumbles. Now he who received seed among the thorns is he who hears the word, and the cares of this world and the deceitfulness of riches choke the word, and he becomes unfruitful. But he who received seed on the good ground is he who hears the word and understands it, who indeed bears fruit and produces; some a hundredfold, some sixty, and some thirty."

Having been born again we are expected to grow in the knowledge of the word of God to enable our fruitfulness to be outstanding, for a bountiful harvest in the days of harvest. And our level of faith will be worked out in our relationship to God's services and humanity. In this respect, we are not to render worthless services unto the Lord but services that will honour the Lord and the Lord himself will take pleasure in them. Some grounds will not be able to produce harvest. Harvest though seeds were sown in them (the word of God) because these grounds presented a wrong location for the seeds which were sown in them and the above mentioned scriptures outline to us four calibers of people that are within the framework of the church. We are told that people who treat and handle the word of God in their lives very shallowly, these are people who pay little or no attention to God's instructions, so the devil through their characters drain all the words out and they become empty.

Another group also are those who are very hard-hearted. No matter the rebuke from God's words, they don't allow anything to penetrate them. These are people that do not believe the wholesome truth of the word of God. What suits them they obey and what do not suit them they disobey. Such calibers of persons can never bring a harvest because there is no room for the word of God to grow within them. They are natural, canal and unfruitful.

Another group are those who take the God given life in them to places Angels of God are afraid to pass on. They compare the living word with the modern pleasures of the world and value the things of the world more than the word of God at the expense of their soul. They value vanity and thereby they become vanities too. For the in dwelling presence of God's word and His spirit in your life is what makes you a value before God.

The last group of persons are those fruitful vessels that are made fit for the master's use. They open up for the truth of the word of God to rule their person. These are people that listen and follow the master's instructions at all times. Their prime purpose of living is God first in all they do for other things then to follow. They don't bargain God's portion in their life for any other thing or person. These are such calibers of persons that are declared saved. These are earthly vessels with Divine treasures. And these treasures are able to put to birth other treasures. That is, these are the disciples of the Lord that are qualified to make disciples for the kingdom. These are true ambassadors of Christ. And in their various capacities, as they receive Grace from God, they would bring about a massive soul harvest. As a multiplicity into God's kingdom, some in thirty fold, some in sixty, and some in hundred fold. Until you are transformed, you can't transform a life.

In this season, we are called upon by the Lord to arise and win souls for the kingdom. Let your days and years of unfruitfulness come to an end in the name of Jesus Christ. Arise and shine in your fruitfulness for these are your days of harvest. The heart beat of the Almighty is to see men and women that will turn sinners to repentance by the preaching of the Gospel. Sow into the work of the kingdom bountifully, joyfully, and your harvest shall speak greatness.

Gal 6:7-8 "do not be deceived God is not mocked; for whatever a man sows that he will also reap. For he who sows to his flesh will of the flesh reap corruption, but he who sows to the spirit will of the spirit reap everlasting life".

He that sows to have the praise of men and the acknowledgement of men is he who is sowing of the flesh, and he who sows in the spirit is he that sows for the acknowledgement of God. They work for men to see them and not for God to see them. I want to let you know that whatever you are doing in the vineyard of God, do it with this consciousness that you are doing it for the Lord Jesus. Journeying miles on foot, beaten by rain, or being scorched by sun or being spent and be spent days and nights of prayers, charity gifts, know you that it is to God you are doing all these. With this mindset, you will not dare to do to God that which cost you nothing but the living substance within you, you will flow it out for the Lord. Know you that in this age, you shall reap a hundredfold and in the world to come everlasting life. Today's harvest is as a result of yesterday's sowing and tomorrow's harvest will be determined by the intensity of your seed you'll lay on the ground.

Gen 8:22 "while the earth remains seed time and harvest, cold and heat, winter and summer, and day and night shall not cease".

PRAYERS

1- O Lord lead me into the field of my harvest in the name of Jesus.
2- O Lord fill my barns with the fruits of the harvest.
3- Lord let my harvest bring life and hope to somebody.
4- Let any devourer of my harvest be devoured in the name of Jesus.
5- Thank you Lord for the harvest season.

CHAPTER 5

BEWARE OF LITTLE FOXES

Jude verse 3 "***beloved, while I was very diligent to write to you concerning our common salvation, I found it necessary to write to you exhorting you to contend earnestly for the faith which was once for all delivered to the saints."***

Many strange practices seem to be going on in the Body of Christ. Looking at the picture of the church and the lives of individuals much has to be done for us to re-address our status and function assets. If this would not be put in place, we may labour that hard all in the name of the Lord and the labour in a moment be soiled by little foxes.

In Songs of Solomon 2:15 " catch us the foxes, the little foxes that spoil the vines, for our vines have tender grapes."

As we go through the books of Songs of Solomon, it reflects a picture of Jesus Christ and His church and we are made to understand that all will go well between Christ and His church if we catch and expel the little foxes from our midst in order to preserve the vine of the Lord which is the church. If we allow little foxes to mingle in the Lord's vine, the vine will end up being corrupt. The foxes are not there to build, they are there to spoil. This draws our attention to focus on Jesus addressing the seven churches in Asia Minor. All these churches bore the name of the Lord and the Lord was not that happy with most of them. But I want in our lesson to cite two of the churches. Let's look at what the little foxes did in Pergamos and Thyatira.

In Rev 2:12-17 "And to the Angel of the church in Pergamos write, 'these things say he who has the sharp two-edged sword: "I know your works, and where you dwell, where satan's throne is. And you hold fast to my name, and did

not deny my faith even in the days in which Antipas was my faithful martyr, who was killed among you, where satan dwells. But I have a few things against you, because you have there those who hold the doctrine of Balaam, who taught Balaak to put a stumbling block before the children of Israel, to eat things sacrificed to idols, and to commit sexual immorality. Thus, you also have those who hold the doctrine of the Nicolaitans, which thing I hate. Repent, or else I will come to you quickly and will fight against them with the sword of my mouth. He who has an ear, let him hear what the Spirit says to the churches. To him who overcomes, I will give some of the hidden manner to eat. And I will give him a white stone, and on the stone, a new name written which no one knows except him who receives it."

The above scripture is telling us about one of the church that bore the name of the Lord but something strange came out of this church, same as we have churches that bear the name of the Lord in our days, and we could also behold strange manifestations in our midst today that does not reflect a picture of Heaven. In Pergamos, the Lord said there were people in Pergamos that held to the doctrine of Balaam. So Balaam has a doctrine. The Balaams of our days in the church are people that have had the knowledge of God, and knows what God expects of them, but they teach younger ones to handle the things of God with disrespect. They encourage practices that were to be discouraged and expelled out of the House of God. Leaders that lure flock that they were to preserve for the kingdom into idolatry and sexual immorality. They use their position to frighten and threaten the flock to submit into their wickedness, thereby turning the House of God into a synagogue of the devil. These are men and women that physically they appear very spiritual but inwardly they

are hidden graves. They can be tongues speaking, conducting a kind of deliverance, prophesying, propagating prosperity and faith, but still walk where Angels can't pass. With such attitudes, foxes have taken over the vine and there is a call for repentance. These things begin little by little and before we know it the whole house is inflamed. Let's walk out of the doctrine of Balaam and the Nicolaitans. My brothers and sisters, strife to be among the few that shall walk in white robes, before the Lord. Keep away from everything that defileth.

Let us cite the church of Thyatira. Everything permitted will either have a negative or positive effect. So what we permit, it may grow little by little to become either positive or negative. The fall of great men and women begin with little things when being ignored. That is why the scripture calls it little foxes. In the church in Thyatira writes

Rev 2:18-29 "And to the Angel of the church in Thyatira writes, "these things says the son of God, who has eyes like a flame of fire, and His feet like fine bras: I know your works, love, service, faith, and your patience; and as for your works, the last are more than the first. Nevertheless I have a few things against you, because you allow that woman Jezebel, who calls herself a prophetess, to teach and seduce my servants to commit sexual immorality and eat things sacrificed to idols . . . "

This was a church with works of faith to show before the Lord but her garments were soiled because of the little foxes that existed in her vicinity. This is one plague that have plagued the church. The Lord used the picture of Jezebel as the one in charge of seducing God's servants into immorality. Let us look at the history of who this Jezebel was;

Jezebel was the daughter of the king of Zidon by name Ethbaal, who got married to Ahab, the king of Israel. She did

groom Ahab in the wickedness that came from her lineage through Baal worship. As we all know, Ahab is among the wicked kings that ruled Israel. Nowadays, the spirit of Jezebel is still ruining the church, this is the spirit in charge of seduction and enticement into evil and this was the very spirit that ruined the church in Thyatira. It is also recorded in ***2 Kings 9:30,*** there the Bible tells us about the attire of Jezebel, the woman with the painted face. She painted to attract and seduce into immoral practices.

The marine spirit network is at heavy duty in our churches today. Painting and decoration of women from head to toe and men dressing feminine have been the marine spirit network in the churches to foster the framework of seduction, thereby ushering the sin of immorality on God's altar and Sanctuary. Many of us preachers of the Gospel have been carried by this error and have approved it normal in God's house for many reasons best known by us but not approved by God. The kingdom of darkness has plagued the church; lure her into compromise, so terrible. There are attires and activities that portrays God's kingdom just like there are attires and activities that portray the devil; for every attire has a message. There is this slogan that says and it is true "the way you dress will determine the way you will be addressed". In ***Gen 38*** we are told of the story of a woman who was not a harlot by name Tamar, the daughter-in-law to Judah, the son of Jacob. Tamar was a widow, the Bible says Tamar put off her widow cloth and veiled herself and stood in an open square and her appearance gave an address as a harlot and that attire of hers lured a lawgiver into a terrible sin that day that put to birth an abominable down line.

Gen 38:15 "When Judah saw her, he thought she was a harlot, because she had covered her face . . ." verse 18 "then he said, what pledge shall I give you?" so she said, "your

signet and cord, and your staff that is in your hand". Then he gave them to her, and went into her, and she conceived by him."

The spirit of Jezebel in the church ushered by her attire and decoration had done a terrible havoc in the temple of the Lord. The sin of immorality comes in; in demand of your God's given authority, position and possession. All the articles that the woman asked Judah were all articles of power and that is exactly what happens in the spirit realm when a man falls into this trap of immorality. Your signet, your cord and staff are all articles of authority that license you to your possession and when these things are taken from you, you are just a puppet on the pulpit performing drama. If you've been caught in this trap of the enemy, the way out is to genuinely repent and come out from that vomit and meet the Lord with your broken life and He will build it up again for you. While other standing sons of Jacob stood, Judah the law-giver ceased from giving law to Israel until the coming up of David from that tribe. I pray my loved ones Grace and Grace to stand on your watch.

Idolatry and sexual immorality go hand in gloves. The spirit of Jezebel has to do with seduction and immorality, and we know the spirit of Jezebel fosters her mission, her painting and sexy attire to pull God's servant into immorality, there by desecrating (to damage a holy thing) the Altar of the Living God. We are told from scripture that Jezebel was in the act of painting when God sent Jehu to execute judgement on her (***2 kings 9:30***). Painting exercise and sexy attires are weapons of Jezebel spirit that have possessed our present day churches with the doctrine of Nicolaitans. We are called by God to return to the old landmark of the church, with repentance or else a pending judgement awaits us though we stand firm calling the name of the Lord holding firm to the

faith as the church in Pergamus. Our philosophy and ideology can never be a substitute of God's word. The daughter –in-law of Judah dressed like a harlot. Her inspiration of course came from the pit of hell because on that said day, a warrior for God became a captive in the hands of the enemy because of what we call attire and a destiny was destroyed. There is nothing the devil will introduce that will not have a negative impact on the kingdom's growth. Let's stop playing with the fire of compromise, warriors are being killed everyday and some having a name that they are alive when they are spiritually dead. The Jezebel, the Baal and the Nicolaitan syndromes are the syndromes that are destroying the church. All these have form the doctrine of "it doesn't matter" in the church and souls are perishing on daily basis. Let us arise and do that which God expects us to do and we shall enjoy the splendor of His Glory in our churches.

1 Pet 5:8-9 "Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. Resist him, steadfast in the faith, . . ."

PRAYERS

1- O Lord search me through, as I repent, Lord have mercy on me and forgive me.
2- O Lord any door I've opened to the enemy in my life and my ministry, father let those doors be closed now in the name of Jesus.
3- O Lord destroy the little foxes damaging my vine in the name of Jesus.
4- Lord shower Grace upon me to live a triumphant life for your Glory alone in Jesus name.
5- Thank you Lord for hearing me and answering my prayers in Jesus name.

CHAPTER 6

UNDERSTANDING THE LEADERSHIP OF THE HOLY SPIRIT

Understanding comes through teaching and experience. Without understanding, it will be difficult for one to know how something works or operates. As a child of God, you are not capable enough to lead your life and all go well without the Holy Spirit. The effect of things in the life of God's creations are as a result of the impartation received from the Holy Spirit. The Holy Spirit is your teacher and your number one cardinal leader in the things that pertain to life. You cannot understand somebody well until you have a close intimate relationship with the person, because the Holy Spirit is a person.

In Rom 8:14 "for as many are led by the Spirit of God, these are the sons of God."

So being led by the Holy Spirit is also a factor to guarantee your son ship. The Holy Spirit moves well with sons and not with children that are childish. So understanding a person well you must be born of that seed that that person possesses (God). You must grow to learn His nature and His ways. The Holy Spirit number one is a gentle spirit. So if you are living a life which will not agree with the nature of God's spirit, it will be difficult for you to be led by the Spirit. The Holy Spirit also is righteous and Holy, and without a right living, it is difficult to understand Him. The Holy Spirit teaches and acknowledges the Lordship of Jesus. So if you fail to acknowledge the Lordship of Jesus, it will be difficult for Him to direct you. The Holy Spirit is the writer of the inspired word of God, the Bible, so for Him to dwell in you, you must allow the word of God to dwell in you richly. The Holy Spirit

is the Spirit of intercession. So if you are one that hates the place of prayer and waiting upon God, His indwelling presence will be shallow with you.

Col 3:16 "let the word of Christ dwell in you richly, in all wisdom, teaching and admonishing one another in Psalms and Hymns and Spiritual songs"

Rom 8:26 "likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercessions for us with groanings which cannot be uttered."

We have to know the attributes of the Spirit of God in order to know how He works with men. The men that walked with God in the old and were directed by the Holy Spirit left behind a legacy for the generation behind. They were taught by God through the Holy Spirit and they were also led by God through the Holy Spirit at different intervals and in different ways. Some of them audibly heard God while some of them were led by God by figurative images and interpretations. This occurred through dreams or visions, trance, prophesy etc. the Holy Spirit being a person you must wait upon Him, you must give Him the honour due to him. The following points should be strictly followed:

1- All leading by the Holy Spirit abides and confirms what the scripture says. The Holy Spirit can't lead a person to contradict what He wrote. So if you have a leading in your spirit man and it does not tie with the scripture, it is of the devil and not of God.

   2 Pet 1:21 "for prophesy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit."

2- You can understand the leading of the Spirit when your spirit man is pushing you to go a particular direction

without you seeing, without you hearing, but you will have an unusual sensation and excitement within your spirit man. It gives you also an inner strength to execute its purpose.

3- You may also understand the leading of the Holy Spirit by an audible instruction in your spirit man that takes your spirit man unawares and any atom of doubt moves him to release more precise detail of what He's leading you to do and how to do it.

4- You may understand also the leading of the Holy Spirit by a revelation, that is seeing that goes along with explanation for execution. The seeing may either be through any medium or visual.

5- The leading of the Spirit can also be understood by the whelming authoritative force that overtakes you to go just the direction which He's leading you to speak out the mind of God without fear or favour or respect of persons. This is the kind of authority that came upon Balaam's ass or donkey and she spoke with a man's voice not knowing what was happening.

6- All leading by the Holy Spirit bring out an undoubted result and at the end so speaking peace and Glory to the Lord. Its fulfillment is unavoidable.

7- The Holy Spirit can use any medium of His choice to lead you. So as a vessel, you need to purge yourself and make yourself holy for the master's use.

Many that have obeyed the leading of the Spirit can testify at all times that its fulfillment is always beyond natural or spiritual obstruction. I know of a servant of God who was instructed by God to leave his nation. He hadn't even transport to travel, but that spoken word became his supply. All he had to do was to believe God, so that

God could act on His words. And before this servant of God could know it, he was making progress in that nation and he was succeeding as the Lord said. And many other Biblical legends.

8- All God's leading upon a life always deposit a conviction on an individual that never losses its strength but remain alive at all times unless that individual turns away from God. Joseph got a dream from God, and all the circumstances he went through never made him to compromise, so too was Daniel and many others. What kept them steadfast was the strength of God's powerful, authoritative leading by the Holy Spirit.

1 Cor3:16 "do you not know that you are the temple of God and that the Spirit of God dwells in you?"

You will agree with me that there are things you have thought within yourself to oppose as a child of God but to no avail. When ever you turn down the leading of God as a child of God you lose the peace of God. Some people testify and said "I found peace doing this, I found peace going there" so long as that peace is confirmed by God's righteousness, know that leading is of God and I advice you to obey it and follow hard after it. I pray in this season, let the Holy Spirit influence your life and you will never regret it. Obey His leading as you go through this season and it shall be well with you as you do so. God bless you.

PRAYERS

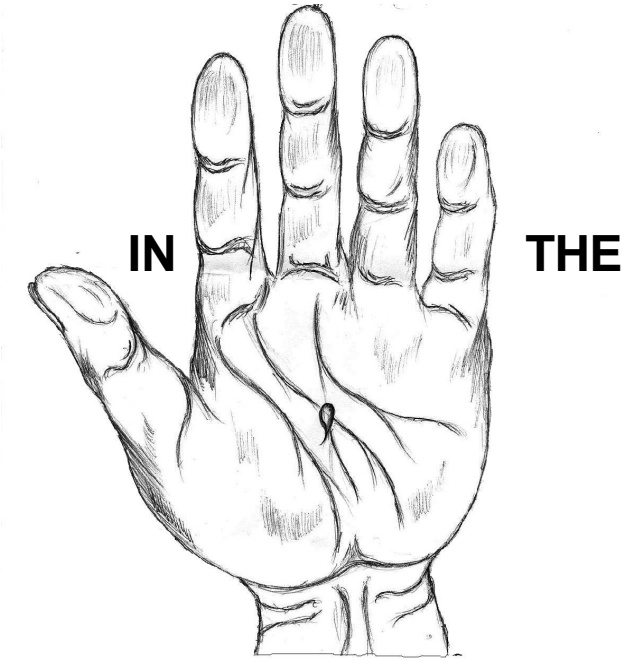

1- O Lord, purge me with the blood of Jesus.
2- O Lord, make me a prepared vessel for your use.
3- Holy Ghost Lord come take control over the affairs of my life.
