INTRODUCTION

We appreciate God for His goodness, kindness and mercy that endures forever. All we are today and shall be is the handy work of the Almighty. He alone is our stronghold, our present and future. We want to thank God for the just ended month that has given to our lives a mark of announcement that shall never be forgotten. Having been announced it is now for the sons and daughters of God to abide by the precepts of the Lord to show case and bring forth the standard mandated by the Almighty God. I want to let you know that having gone through the new trend of Divine Manna, a potential resides in you which has to be released to establish a standard in this generation. Get your mind set, lift up your hands, walk into your Canaan land, get the zone cleared and establish a throne or a tabernacle for the living God where your light shall pull those that are under the shadow of dead to plunge in as living oracles that will forever live as true worshippers before the living God.
As Joshua set a standard in the land of Canaan when he invaded it, the children of Israel set a standard in the land of Goshen, Abraham and other sons of God who did the same in their dispensation, in this month, there comes a command to arise and set a standard in your generation. You are the light sent by God into the world, be graced and be empowered and wake up from every slumber for glorious days, weeks, months and years await to see you break forth. Once more welcome to this season of raising a standard for God in your generation. Stay blessed as we move into the Manna of the month.

CHAPTER 1

PROPHESY TO THESE BONES

Looking at dry bones in the context of our study, it has to do with human beings that have been deprived of life, God's given privileges for example inheritance, authority, provisions, protection, living a life worth celebrating, rest that brings stability for establishment. Because of man's separation due to disobedience, our God's given nature has been ruined by the devil thereby bringing us to a point of only existing but not living. What does that mean? It means living a life void of the agenda of your creator wherewith the leading factor of your being is governed by your mind which is full of instincts that are void of reality and truth. This has turned lives, nations and generations to dry bones but thank God for Jesus who has paid the price on the cross of Calvary for our resurrection. If you are not yet born again, you simply need to believe in Jesus Christ the son of God, repent from your sin and surrender your life to Him. Then the breath that will need to revive your person will blow upon you for your resurrection. Once you are resurrected, God will pass through you to resurrect other dry bones through the power of His Word and the Holy Spirit.

Dry bones are just as articles; existing but not living. Being disconnected from God or living a life void of God's leading and directives, your life goes worst as the days go by. But when in connection with God, you are now a living soul and that makes your life glorious and better as the days passes by. ***Proverbs 4:18, Genesis 2:7 "And the Lord God formed man of the dust of the***

ground, and breath into his nostrils the breath of life; and man became a living being." So the substance of your living is in God's command and control. When you live a life out of this command, you are void of His provisions that are there to make you excel. God is committing the influence and announced vessels of His to step into the valley of dry bones or any caldrons accommodating dry bones. This may have to do with the horrible situations humans are going through because of lack of fellowship with God, union with God and a walk with Him. As God spoke to Ezekiel in his days, a living oracle that was announced by God, He is talking to you today His sons and daughters, instruments in the house of God, to take a walk round your vicinity, identify those things that have gone wrong in your life, family, nation and prophesy for them to live. As God asked Ezekiel a question in his days, "Son of man can these bones live? Ezekiel 37:3 the same question is been directed to us today. If Ezekiel was able to do that much in his dispensation, we are to do much more as resurrection of dry bones are concerned because we live in a better dispensation than Ezekiel. For he came under the law but we are not under the law as written in ***John 1:17 "For the law was given through Moses, but Grace and truth came through Jesus Christ."*** The law limits men's potentials but Grace triggers men's potentials for explosion. How do we know that? The law says on the Sabbath, make just a Sabbath journey, that is a distance less that 3 km on foot but Grace says you can make a journey from city to city as Christ did in His days with His disciples even on the Sabbath day. The law makes the Sabbath your lord but grace makes you the lord of the Sabbath.

Mark 2:27-28 "And He said to them the Sabbath was made for man, and not man for the Sabbath. Therefore the Son of Man is also Lord of the Sabbath."
There is a place God is expecting you to stand and standing on that ground and pronouncing every prophetic word will bring a Divine outbreak.

The ground on which you stand before lifting up your voice to prophesy as an instrument of Grace matters. Pick up your mantle and locate a ground of intercession. ***Ezekiel 22:30 "So I sought for a man among them who will make a wall, or stand in the gap before me on behalf of the land, that I should not destroy it; but I found no one."***
The Almighty God is in search of instruments or agents of restoration that will bring the message from above to breath the breathe of resurrection for the dying world. Our systems were not made corrupt but it was corrupted by humans and God is only going to use humans to eradicate corruption. We can only put an end to decay if we rise and say NO! to corruption. Corruption cannot cure corruption; it takes the incorruptible to subdue corruption. In the above scripture, the Lord says I sought for a man. But in the chapter that follows, we see a man who stood for a change in his world. Sons and daughters of God should be burdened to see a change come to our dying generation. Healing our land is not an impossible thing but God is looking for men and women who will make themselves available to see a change come to their dying generation. God declares in His Word that if we make ourselves available, there is nothing impossible for Him. He also declares His sovereignty over all flesh to make the impossible possible when all men turn to Him. ***Luke 1:37***

Jeremiah 32:27 "Behold, I am the Lord, the God of all flesh. Is there anything too hard for me?"

God is committed to change the unchangeable, to break the unbreakable. There is one thing I have read in scripture that there is something which God cannot do "God cannot lie". We are told in God's Word that, it is time for us to take Him by His Words and see His actions actualized in our lives as we see in

Jeremiah 33:3 "Call to me, and I will answer you; and show you great and mighty things, which you do not know."

God is about to do great things that will go beyond your wildest imagination. He says call on Him and He will answer. Many at times we expect answers without calling and this calling is done in the act of prayers, intercession and supplication. Get yourself stationed on the ground of intercession as earlier said.

The second step you need to take note of is allocating a ground of holiness that will provoke genuine deliverance and give you access and lasting inheritance as we see in the book of

Obadiah 1:17 "But on Mount Zion there shall be deliverance, and there shall be holiness; the house of Jacob shall possess their possessions."

The Lord Jesus is our Rock of safety. The picture in the above scripture gives a figurative look of the Lord Jesus Christ. So anything that is wrong in your life, family and the society at large, station in Christ Jesus, lift up your voice unto Him. Start to prophesy over those things that were not working to start working; those things that were supposed to work for your well being, the well being of your family, carrier, destinies that were dormant to come alive. The Lord is commanding you in this season to

prophesy to these dry bones. Don't stop speaking to that situation until it succumbs to you. What are the dry bones that are now packaged in the churches? Is it the dry bones of wickedness, corruption, falsehood, blasphemy, immorality, drug addiction, held bound in afflictions and infirmities of diverse sorts? God says; My children, lift up your voice and prophesy to these dry bones. As He commanded Ezekiel, He is commanding us today to prophesy to these bones and as we do, the dry bones will rise up as a great army of God's worshippers.

This is your season to speak out. Speak out to that mountain, to that wrong thing that has been going on in your life, your family, your career, your destiny. Before you know it, what happened to Ezekiel will happen to you. This is because as soon as he started speaking there was a move for a change as written in ***Ezekiel 37:1-10***

Ezekiel 37:1,2,5 &10 "The hand of the Lord came upon me and brought me out in the spirit of the Lord, and set me down in the midst of the valley; and it was full of bones. Then He caused me to pass by them all around, and behold, they were very many in the open valley; and indeed they were very dry. Verse 5 Thus says the Lord God to these bones: surely I will cause breath to enter into you and you shall live. Verse 10 so I prophesied as He commanded me, and breath came into them, and they lived, and stood upon their feet, an exceedingly great army."

You can't handle a situation well until you must have taken a proper survey in handling or addressing it. We just read that God took Ezekiel and he took a walk round what was going on and he was attentive to get the command that God was giving to him. I don't know what must have been going wrong; take a survey with God and He will

order you on what to declare for the resurrection of the good things concerning your life that has been dormant or dead. For the resurrection of what have been good or dead will come up more stronger than what you knew it to be. So you must not relent your efforts to speak out. As you know, life and death are in the power of the tongue. Exercise your talking to resurrect your values that have been dormant.

I want to let you know that as you stand your ground and go into real action in executing the instruction in this teaching, I assure you the wind will blow and great things will happen. As Ezekiel did and saw the wonders of God, wake up today and do the same. Once more, prophesy to these bones, plunge out in faith and action and let nothing hinder or stop you from doing or following this command. Checklist your life, your land, your environment, your family, lift up a whole lamentation, cry out in prophecy, the Heaven is about breaking loose in your life. Let your action in this season give the devil a lesson of his life; that you have caught the fire from God and nothing will quench it. The Heavens are looking forward to see the new you in celebration of the family status, societal status and generational status of yours, rising in the image and blessing of the Almighty God. Congratulations in advance.

PRAYERS

1- Father, receive all the glory.
2- Oh Lord, loose my mouth for prophetic utterances.
3- Oh Lord, endow me with grace for resurrection.
4- Father establish Your standard within me and around me.
5- Let all evil devices that kept me bound for all these years expire by fire!
6- Thank You Lord for the answers in Jesus Mighty Name.

CHAPTER 2

UNTIL I BECOME A SIGN

Isaiah 8:17-18 "And I will wait on the Lord, who hides His face from the house of Jacob; and I will hope in Him. Here am I and the children whom the Lord has given me! We are for signs and wonders in Israel from the Lord of Hosts, who dwells in Mount Zion. "

You were made a sign and a wonder by God and whatever has deprived you is nothing but satanic manipulation that must be addressed and overthrown. When we take a look at our day's activities from various altars that are being called by the name of the Lord, it will make onlookers to question a lot of things that are coming out of the church called by the living God and newly born babies in the faith. All professed being sent by God but we realize that our activities do not tie on the platform that shows that we are all from one source. This has birth confusion and the question that rises from the mind of a right thinker is who is right and who is wrong since all profess to be from the same God? Who is the true prophet and who is the wrong one? But let the Bible talk for itself for we are not to add or subtract from the Bible which God has given to us as our manual.

When you look at the above scripture, focusing on the 17th verse, the Prophet Isaiah said he will wait on the Lord who hides His face from the house of Jacob. The Lord will hide His face from His people if they don't go according to the Word He has placed before them. So when we fail to yield to His ways, He will hide His face from us. When He hides His face from us, confusion and darkness takes over our lives. The confusion that is going

on in the churches today is a sign that the Lord has hidden Himself from His people and the devil has invaded the church with lying signs and wonders. It is now time for true worshippers to return to the Lord in total obedience and walk with God. Every propagator of signs and wonders without a God's given life is a messenger of the devil and hell. These signs may go to portray and manifest anything physical which may not tie with the spiritual norms from God; which has to do with a righteous and a holy living that goes along with total obedience and fear for God. The absence of these attributes mentioned open doors to satanic devices to gain grounds in the house called by the name of the Lord. This portrays a picture like that which Jezebel did in Israel in the days of Ahab the king of Israel who ravished the land with idolatory. But we discovered that a man named Elijah sought the Face of God, went through the process and put an end to idol worship in Israel.

Sons and daughters of God are called upon to arise, seek Him, wait upon Him, receive His command and live by that command until you break forth as a sign. You are breaking forth to handle issues in this generation that are going off hand and the Good Lord will take delight in you. Someone going through this message is speaking to himself, Lord, I will not keep silent until I become that sign for You in my generation. For this to happen, we are called upon to manifest the God's kind of life expected of us by our Lord and Saviour Jesus Christ.

Therefore you are called to go through the pathway laid down by the Lord. When this is properly done, there will be an unstoppable move of God through you as a sign. Child of God, you have been saved by God to be a sign and your fulfillment and celebration is

embodied in the content of God's provision and agenda for your life. You provoke this by your hunger and thirst to see Divine purposes being made known and accomplished in your life. What many Bible readers will ask themselves about the man Elijah is where was this man when the prophets of Baal invaded the whole territory of God's people?. I want to believe he was not just born the same day that he confronted Ahab; he must have been through some pains and argument. While beholding all the errors and idol worships that was being done in the land of Israel in the name of an idol god, I believe Elijah was going through the process of Isaiah's prophecy as stated in ***Isaiah 8:17.*** The enemy cannot possess the church of God when the eyes of the Lord are focused on His church. Heaven breaks into silence when the church plunges herself into deliberate sinning against God like it happened in the period between Malachi and Mathew and also during the captivity of Judah taken into exile in Babylon. The church can only be possessed by evil spirits when God's eyes are hidden from His people. The Lord is looking for those few remnants that are dotted in different houses of worship to turn to Him in their whole lives and seek His face as Elijah did. God will do to them what He did to Elijah in his days. You are coming up as a sign to establish a true worship of God in your world. I know that someone somewhere going through this teaching will rise up with holy anger and declare, "Lord, I will not be an error in my days. I will seek your face until I become a sign." For Isaiah declares behold I and the children that God has given to me are for signs and wonders.

Child of God, ask yourself, oh Lord where is my sign, where is the wonder of my living as prescribed by your

Word? Having asked yourself these questions, look up to God and cry for Grace "Oh Lord, let me become a sign for my generation for Your glory". If Elijah answered in his generation as a sign, you will do much more for Jesus Christ is the same yesterday, today and forever. ***Hebrews 13:8***

There is a hidden agenda that you have been brought forth into this world by God as a sign and a wonder to showcase. My prayer is that you will not die without manifesting. Many things may come your way to get that purpose aborted but your faith and your standing with God will guarantee your victory.

1 John 5:4 "For whatever is born of God overcomes the world. This is the victory that overcomes the world – our faith."

your faith and your right standing guarantees your victory to possess and manifest that sign that is prescribed just for you as a God sent on earth. You need to rise as Apostle Paul did in his days "I can do all things through Christ that strengthens me". The resistance that you may face on your pathway is not stronger than the potential in you. A young man was born by name Jabez with a lot of limitations and shortcomings. But I want to believe that it dawned in his spirit one day that he was created for signs and wonders and not for calamity and reproach. The forceful advancement of Jabez through God overthrew every obstacle that was to disrupt his destiny. Same too, whatever must have been lingering around your destiny, hindering it not to break forth because of foundational issue, I prophesy, that you will forcefully go through God and get that foundation broken. Just like the widow in ***Luke 18:1-8*** that Jesus did made mentioned of. She went through forcefully to the unjust

judge and her petition was granted and her judgement established. Rise up and call on God today "Oh Lord, I will not keep silent until I become a sign as destined by you" let's get the scriptural references.

1 Chronicles 4:9 "Now Jabez was more honorable than his brothers, and his mother called his name Jabez saying because I bore him in pain."

Luke 18:3 "Now there was a widow in that city; and she came to him, saying, get justice for me from my adversary."

1 kings 17:1 And Elijah the Tishbite, of the inhabitants of Gilead, said to Ahab, as the Lord God of Israel lives, before whom I stand, there shall not be dew nor rain these years, except at my word."

There is always a situation that surrounds us as humans which are resistant and at times they become more intense. The "why me" in life is the sole reason for your greatness, but I have good news for you, God is before and is always before your "why me". If you station on Him He will turn your night to day and you will showcase your manifestation of you being a sign for God. I believe when Elijah was confronted with the challenges of his day the question was God why me to behold all these nonsense invading the land against the true worship of the Almighty God?. I also want to believe that the way Jabez's mother named him sorrow, he also turned to ask God "why me"?. The widow too in ***Luke 18*** was also at the juncture of "why me". Child of God no matter the matter that surrounds you, you will matter when it matters most as often said by one servant of God. Those that must become a sign must arm themselves to go through issues. For God cause the negativity that

surround you to draw attention to yourself in order to announce you.

If Jabez rose from a sorrowful child to a sign, you will do much more. If Elijah rose and break down all the barriers as a single person not with any brother or sister to encourage him you will do much more. God is involved in the making of your person. Elijah went through, established the altar of God and was carried to heaven as a living sign, Arise, break through those limitations as your dream, your sign, activate and showcase it for God's glory. God bless you as you stand and speak to yourself, I shall not give rest to myself until I become a sign. God bless you.

PRAYERS

1- Oh Lord, thank you for the reawakening of my person in Christ Jesus.
2- Father, activate me to be alive with your spoken word.
3- Father, I break limits to press forth in the name of Jesus.
4- Father, connect me up to values that will keep me alive until I meet you face to face.
5- Receive the glory Lord for in Jesus name I pray.

CHAPTER 3

LEARN THE RULES

2 Timothy 2:15 "Be diligent to present yourself approved to God as a worker who does not need to be ashamed, rightly dividing the word of truth."

In as much as the Lord has given us an open call of reconciliation to Him through the death of His son, we have to be mindful of this one thing which I call "learning the ways of God" which are governed by principles. It is only by this that one can be approved by God or God approving the things you are doing for a reward or a trophy that He will give to you. Many at times, we guarantee our standing with God by how we yield ourselves to our instincts and emotions. The Bible declares our heart is wicked and so many of our instincts and emotions do not qualify us to work with God. Rather we need to yield them to God for circumcision so that the Holy Spirit will drive us in yielding to God's pathway. We should not depend on our instincts and emotions in our walk with God.

Jeremiah 17:9 "The heart is deceitful above all things, and desperately wicked; who can know it."

When one's mind gets independent to live without God, that individual must get his/herself into real error that ushers him to damnation. The heart is talking about the content of our mind as a human that is void of God's Word and direction. The heart by nature finds it difficult to forgive, to love, to bear with one another, to be humble, to be meek and therefore we are not to allow our heart go alone by its convenient. It should be commended to succumb to God's Word in order to save our souls. This

is because our hearts act as a steering box to govern our souls. So what governs your mind will determine where your soul will end.

Proverbs 14:12 "There is a way that seems right to a man, but its end is the way of death."

Because our carnal nature lusts for evil, whatever derives itself from our carnal nature will always birth destruction. That is why learning the rule; you should know that you must always crucify your carnal nature to learn the ways of God. So depending on your carnal nature is quite destructive. If you learn this rule and abide by it then that is good for you. There were men like Cain, pharaoh of Egypt, Ananias and Sapphira who allowed their carnal nature to rule them and they ended up in God's judgement. Get circumcised and be regenerated as we get in

Galatians 5:17 "For the flesh lust against the spirit, and the spirit lust against the flesh; and these are contrary to one another, so that you do not do the things that you wish."

There are two fronts in every human being, the carnal front and the spiritual (the urge to do evil and the urge to do good). In every human life; one takes dominance over the other. When you are not born again the carnal front that is ruled by sin takes control over the spiritual front of your life but when you are born again, the spiritual front rules the carnal front which is ruled by sinful natures. There are things that you need to know as we get the next scripture

Genesis 6:1-5 "Then the Lord saw that the wickedness of man was great in the earth and that every intent of the thoughts of his heart was only evil continually. And the Lord was sorry that He had made man on the earth, and He was grieved in His heart. So the Lord said I will

destroy man whom I have created from the face of the earth

An evil imagination and an evil lifestyle provokes a sudden end to destiny. God created your assistance in life before creating you. When you live in sin, you do not only suffer the present penalty of that sin, when God is cutting you off, He is cutting off the things that He sent into your life to assist you and make you complete and fulfilled. We are told in Genesis that sin that was propagated by the imaginations of men brought an end to their lives and existence on earth. Even the animals and other living things that did not sin, God brought an end to them. So when you sin against God, don't expect Him to applaud you, be it humans, angels and other living things. When you sin against God, the things and people that God designed to attend to you will revolt against you and anyone who sides with you is just an indication that the one is not in the right stand with God. There is only one thing that will make you free from God's judgment and that is if you will repent from your sins.

The Bible says Noah found favour and it was not by chance. There is a testimony that Noah was righteous and just in that generation. Nowadays many claim favour but favour will meet you on the lane of obedience and favour will meet you in righteousness. Learn the rules today and preserve your purpose. Let grace answer for you and let the Heavens be committed to order your steps. Learning the rules of the Lord goes along with absolute discipline in obedience to the standard that the Lord has laid down in His Word, not the standard approved by men. You will become a hero not because of men's approval but by God's approval. For in the days of Noah, the men of his days did not approve him but because God did, while the whole world sank in the flood, Noah was lifted

by the flood. Once more my readers learn the ways of God for it is profitable for us to learn and yield to the ways of God.

As earlier said, man in his sinful nature does not appreciate the commands of God. There are some virtues that if we must succeed as sons and daughters of the living God, we must give in to this seed which God has commanded us to possess. The very first seed is the seed of love. It is unfortunate that the devil has misinterpreted love and applied it wrongly in the lives of men. I want to look at a scripture that portrays the manifestation of love by God

John 3:16 "For God so loved the world that He gave His only begotten son, that whosoever believes in Him should not perish but have everlasting life."

The true love that God expects us to possess as His children is that love that is able to give in to the well being of persons when they are in desperation. The love of God demands our very best in assisting those who are in need of our love. Love is not in extracting from people but love should be in giving to people to better their lives and for their wellbeing. When true love is given out, it replaces a dead situation that was to take place and grant the individual who was about to die in a situation to rise again in hope. For when God loved, He gave. He did not only give anything that had no value but He gave the most valuable that was at His disposal.

Child of God, if we truly love, why will someone confide in our love and end up in pain and tears? Everything we project to be love that cannot turn a hopeless situation to a hopeful one is lust in the guise of love. We are commanded to love God with all our hearts, souls and minds that is total trust in God, dependence on

Him and carrying on with the responsibility that He has entrusted on us. Then loving others as ourselves, has to do with contributing in the individual's life for the well being of that individual. If your participation or contribution in an individual's life in the name of love will not give a glorious end to that life, then that is wickedness. For the effect of true love preserves value and guarantees the future.

Mathew 22:37-40 "Jesus said to him, you shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and the great commandment. And the second is like it: you shall love your neighbor as yourself. On these two commandments hang all the laws and the prophets."

And the second virtue the Lord wants us as children of God to possess is the act of forgiveness. You should know everyone created by God is a value and you should always see their values greater than their mistakes. With this you will always see them on a ground to forgive rather than to take vengeance. If we can't forgive, we will not be forgiven. In other words, forgiving one another guarantees our preservation with God. if you don't forgive other peoples' sins, God will not forgive your own sin.

Mathew 6:15 "But if you do not forgive men their trespasses, neither will your father forgive your trespasses."

If you can't let go the sin of your brother against you, God will not also let go of your own sin. So see your brother, sister, mother and father's values more than their mistakes or their weakness and by so doing the third virtue will follow which is longsuffering. As it is written, bear one another.

Galatians 6:2 "Bear one another's burden and so fulfill the law of Christ."

For us to be saved, God bore with us for the longsuffering of God led us to repentance.

Lastly, we will be looking at meekness or humility. To access grace that will make you extraordinary, you must cultivate the spirit of humility and meekness. Humble before God and before men, you must get rid of arrogance and pride. In as much as humility sponsors a lifting, arrogance and pride also sponsors a falling. Moses became great because he humbled himself and this brought him to talk face to face with God. Only his humility could qualify him to reach such a level of communion with God. Your meekness will open the gateway to your inheritance. If you cultivate the passion for humility, God will grace you to access it and you will never regret its worth. I want to let you know that humility and meekness goes hand in globes with obedience. You can't separate these two, in fact they are inseparable. We have many times become victimized and suffer casualties even as God's children. This is because in as much as we want to do the work of God and celebrate in the glory of the work, we keep on breaking Divine rule in the name of doing Divine work. You cannot break spiritual rules to do spiritual work. So we need to learn this rule in order to be effective in our services in the vineyard of the Lord.

If we walk by these rules, nothing will keep us away from the peace and the rest that comes from God. And all the values tagged to our lives will keep on growing from strength to strength and from glory to glory. God bless you as we join hosts of sons and daughters of God round the globe to learn the rules and yielding fruits unto

everlasting life. Receive grace as you rise up in your walk with God.

CHAPTER 4

RESPONDING TO CHALLENGES

Job 14:1 "Man who is born of woman is of few days and full of trouble."

Challenges can be defined as a degree of confrontation, a difficult task that an individual or group of persons may be faced with to test their abilities or skills. There are some challenges that you get involved in or you engage in and others come unnoticed or without your consent. Challenges appear on different grounds and different roots. One thing is certain; every living creature is subject to face challenges irrespective of your person. There is no one under the sun, no matter who you are or in the situation you may find yourself that does not face challenges of life. It differs from person to person. There are some challenges that your ability can subdue them and there are others that your ability can't answer to them. If challenges therefore become part and parcel of our daily lives, then there is need for us to know how to respond to them because your approach towards anything called a task (challenge) may either end you on a good note or on a bad one.

The book of Job declares that man born of a woman is of few days but full of trouble (challenges). As earlier said, there are different degrees of challenges. The very first degree of challenge is in you as an individual. There are some demands that life may place on you as a real challenge to your person. For example, being addicted to evil inclination is a challenge because in as much as that inclination takes root in your life, it only puts to birth pain, shame and regrets. There are people that

acknowledge their behavior and their character are not good but they find themselves in that circle of doing wrong things and unable to deliver themselves. This is the situation that met Apostle Paul. He was a vibrant person but had these challenges within him and he confessed to the Romans that the character only reduced him to a wretch.

Romans 7:15&19&24 "For what I am doing I do not understand. For what I will to do that I do not practice; but what I hate that I do. For the good that I will to do I do not do but the evil I will not to do, that I practice." Verse 24 "Oh wretched man that I am! Who will deliver me from this body of death? I thank God through Jesus Christ our Lord!"

It is more difficult to control inward challenges than outward challenges. Every impurity within you can only be dealt with through God. Your human ability can work with things without but with the inward challenges, there is no amount of education that will help you to overcome them. You can only overcome the challenges within you through God. You can run away from challenges without by changing grounds but you cannot run away from challenges within. This is because they dwell and live in you, walk with you and everywhere you go they follow you. For example if you have bitterness, immoral anxiety, Unforgiveness, anger, they reside within you and wherever you go they go with you. In fact they sleep and wake up with you. But only God can bring about your deliverance and grant you salvation when you call on Him as it is written "Whosoever shall call on the name of the Lord shall be saved". There are many held bound by evil habits. These are all challenges that live within a man. Let us look at the first point and how to respond to them.

If you are able to overcome the challenges within you, I bet you, you will be able to overcome any other challenge without. How do I respond to character and habitual challenges within me?

The very first thing you need to do is to know and acknowledge those challenges. Having acknowledged that you are a victim of them, you should know that God has made all provisions to prone you and make you good. You will not respond to challenges by your instincts or emotions but you will respond to it by the prescribed laid down principles given by God in His Word.

Let us take for example a man with a bad eating habit, a prostitute, a drunkard, a smoker, a thief, those given to anger, bitterness, Unforgiveness, a drug addict, naggers, a sluggard, idler, talkative, busy bodies, liars and cheats etc. For such individuals to break that yoke, they must be able to know the damage it has caused in their lives and their destiny and look into the future the damage the habit may still cause in them. This will stir up an irritation in them that will birth discipline for a change. For every vital change inside an individual, it can't be perfectly done without knowledge and discipline because knowledge acquired must be applied before its effects can be seen. Never you have the feeling that when somebody talks into your life, it is an act of envy or jealousy. People may talk into your life to provoke you take a step that will better your life. So for every rebuke you receive, you should be objective of the judgement you have for yourself. There are many that have not become potential carriers because they don't know how to respond to challenges. Some challenges are very insulting and unless you submit to them, you can't be an insult. Use every form of insult as a provocation to wake

up from slumber and whatever character you may be having that is making people see you as a problem, go into it and get it cut off. When your life has responded well to this kind of challenges, the glory and the favour of God will rest on you. How will you know that? When people talk about you and go forever, then you are a problem. But when they talk ill about you and still come to you for assistance, you should know you have a value.

One of the greatest errors men commit is to give in to challenges for it to take control over their lives instead of them taking control over the challenges. Never yield your mind to the command of a challenge. Rather, gather strength, respond to it and overcome it. Whatever situation you are faced with in every direction within your life, that makes you walk with your head down, you need to talk to yourself, I won't live my life this way, I must overcome it in order for my head to be lifted up. Every effective result cannot be gotten in a man's life if he will not go through God especially when it has to do with issues within your life. Most of us, if not all are where we are today because of character challenges. Each time you identify something that draws people's attention to your life negatively, and makes you appear negative before people with effects, you should know it is a sign for you to arise and do something concerning that attitude. For every good work to be done in one's life, the individual has a great portion of work to do. If you feel comfortable with a lifestyle that does not credit you, you are not doing yourself any good.

So challenge your life today to overcome the "BUTS" that are almost making your value valueless. It may be laziness, talkative spirit, it may be uncleanness,

gossip, anger, bitterness, inability to package yourself, inability to discern the kind of people you interact with, a disordered and scattered life, a quarrelsome or nagging attitude. Whatever is the habitual challenges you are going through that has made you to send away your helpers, lost your marriage, your children, your job, challenge yourself today and go through God and get yourself build up and all the values that left you because of the inability to go through the challenges you met, you will recover from them.

In as much as we have challenges within, we have much more challenges without. But challenges without can be overcome by running away from the environment, stay silent for some time, talk back etc. challenges without are more pronounced than challenges within but challenges within are more deadly than those without. When confronted with any physical challenge, you should be able to know the lasting period of that challenge and the timeline for it to expire. There are some challenges that have a short life span but they can kill a generation. There are some challenges you handle them by making people walk out of them and there are some you handle by people walking into it. There are some you handle by making people fellowship together. There are some you handle them by breaking into silence and some by you talking back immediately. With these numerous grounds mentioned, the question you should be asking is which one is of what degree and how should it be handled.

As earlier mentioned, God remains our gateway out of challenges in all circumstances because He is the Omniscience, the Omnipotent, and the Omnipresent God.

Psalms 23:4 "Yea though I walk through the valley of the shadow of death, I will fear no evil; for You are with me; your rod and your staff, they comfort me."

The Lord is the way out of every form of challenge that may meet any human, known and unknown, visible and invisible.

For both cases mentioned, there is something that God said to Joshua which I want to mention. Courage, Divine directions and Divine timing are the recipes to handle any challenges. There are lessons you should know that challenges carry, most challenges God allow to meet us physically or spiritually are to make us; in other words, bringing out the better you. You should know as a child of God, no matter the depth of your revelation of enlargement or God bringing you to prominence, making you a voice, this project announced by God upon your life can never be realized until you are able to respond to challenges well and overcome them. For Moses will not be Moses until he faces Pharaoh and the Red Sea and prove his encounter genuine. Joseph will not be Joseph until he responds to the challenges in Potiphar's house and the prison before he is being led to the throne.

Each time you are confronted with any situation and you realize that you don't have what it takes to handle that situation at the moment, retreat to the presence of God, and get counsel from your leader to confront that challenge. If the challenge meets you and you know you have what it takes to overcome it, give it a prompt response. This is because for every life, there is a potential that is embedded in you that can respond to every challenge positively. For all other counsel may fail but the counsel of God will stand.

Isaiah 40:8 "The grass withers, the flowers fade but the Word of our God stands forever."
This will draw our attention to the situation that met David in his days on earth in
1 Samuel 30:2,5,6&8 "And had taken captives the women and those who were there from small to great; they did not kill anyone but carried them and went away. . . And David's two wives Ahinoam the Jezreelitess, and Abigail the widow of Nabal the Carmelite, had been taken captive. Now David was greatly distressed, for the people spoke of stoning him, because the soul of all the people were grieved, everyman for his sons and daughters. But David strengthened himself in the Lord. So David inquired of the Lord, saying, shall I pursue this troop? Shall I overtake them? And He answered him, pursue, for you shall surely overtake them; and without fail recover all."

When we look at the above scripture, we can have a study guide of how David responded to the challenges that met him in his days. He made himself available and encouraged himself. Above all he invited God into the challenges, then God made the way out for him and he subdued and got the trophy. For your faith in God will trigger courage and it will command the substance in you to be released for action that will bring recovery and victory. So for every challenge you are going through, have enough courage, go through God's counsel and the good Lord will see you through. My dear reader, I don't know what may be the challenges you are facing now, but I have good news for you. Jesus declares "I am the way, the truth and the Life" John 14:6. You may be going through spiritual challenges, the inability to see your faith

work for you, maybe you don't see yourself standing in the faith as you were doing before, maybe you have lost the joy of your salvation, or you might have lost your first love, facing spiritual dryness in fellowship with brethren, with the Word of God and in fellowship with the Lord in prayers. May be you are going through financial challenges, marital challenges, career challenges, health challenges, family challenges, societal challenges no matter the name or degree of your challenges, Mighty through God, every stronghold will be brought down. I pray for you that grace will locate you to go through every challenge that stands your way. Receive unction to triumph in Jesus name.

PRAYERS

1- Father, deliver me from ill character.
2- Father, prone me and make me a praise.
3- Oh God, give me a quickening to be a living vessel in your Temple.
4- Fill me Oh God with all I need to overcome challenges.
5- Equip me with knowledge and understanding that will issue the plan of God for my life.
6- Thank You Father for the answers in Jesus name.

CHAPTER 5

NOT YET GOOD ENOUGH

Man was made to exploit his world and make it a paradise with his God's given ability. This instinct in man is something that he needs to go into for a thorough search in order to acquire the right knowledge and maximizing its potential. Not yet good enough is the brain behind the speedy technological advancement of our world. Each time you feel you have arrived, progress stops but each time you realize that much still needs to be discovered, you put progress and development to work that will birth ideas for further inventions and discoveries. True discoveries and inventions come up to better the living of human kind and other creative beings. If we are not still in the Stone Age, it is because people came up at different intervals of life to challenge what was, by making it better.

There is something the Lord wants you to look into now that was brought into existence by your ancestor or predecessors and you should speak to that thing, "Not yet good enough". You can still make it better. There is a voice in our technological world that runs through the minds of philosophers, scientists, academicians and a lot more. They may act consciously or unconsciously to it but when you look at the things that surround you, you will hear "Not yet good enough; we can still get things better". I can put in my contribution to make it good enough and today God is telling you that you have something to put in to make that life, your generation, the house of God, your world good enough. I pray the

hidden potential you were created with will make your world good enough in this season in Jesus name.

The lapses and shortcomings that exist in our days are the reason why you are alive to respond to them. Somebody is waking up from sleep today to say no more slumber because my world is not yet good enough. It would differ with people from different walks of life as the various needs in life are in demand from different domains. I pray that round the globe, men and women will arise to respond to the different demands and domains to make our completeness that will portray our God's given potential. Are you a student, a medical doctor, are you an engineer, an administrator, a nation leader, a church leader, a farmer, awake and respond to your domain of activities and make it much better than you met it. I am here to make it better and when you make yourself available, the impossible will become possible. I want to cite an event that took place in the world of aeronautics that I have made mentioned of in many of my write ups about the two sons of a clergy in the 20th century. They had a linked name called the Wright Brothers. Whatever they achieved in life, they had a provocation within "it is not yet good enough". They began producing kites for children that could lift up a little weight and fly up in the air. From there they went to the production of bicycle and from bicycle, the idea came into their minds that if objects can fly, then distances will be shorter. They were the first human beings to produce an aircraft and the first aircraft they produced covered a distance of about 300KM and above.

Where they ended, some men came after them and said what they produced was not good enough and they had to improve on their technology. Today we have

planes that go without pilots; we can now have live chat with somebody even in our bedrooms from distant places. Your restlessness for a change will bring an unarguable manifestation to show case for a change beyond your world. There are still a lot of questions to be answered and God is calling on you to rise and stand the gap and bring about a solution. These are no more days to sit and murmur but these are days to rise and act rightly. In as much as the Heavens appreciate what you are doing, the Heavens are still saying much more is expected of you. Science has proven that man has not been able to use $1/10^{th}$ of his I.Q (Intelligence Quotient); that is, the speed one has for reasoning.

From the spiritual to the physical world, there are a lot of things that are still pending waiting for the right addresses and the Lord is looking for the value that is available for use. In as much as you have gained territory, there are still more territories that have not been exploited. You can better your dreams and your world. Alexander the Great in his days conquered and conquered and he was still looking for more land to conquer. I don't know the area that God has called you to operate in, get on your feet and invade that domain. If others have not handled well, that is the reason you are seeing the loopholes you are seeing. The Lord has a classic way of addressing His children.

When Jesus was addressing the church in Asia Minor, specifically the church in Ephesus, in

Revelation 2:1-4 "To the Angel of the church in Ephesus writes, these things says He who holds the seven stars in His right hand, who walks in the midst of the seven golden lampstands: I know your works, your labour, your patience and that you cannot bear those who are

evil. And you have tested those who say they are Apostles and are not, and have found them liars; and you have persevered and have patience and have labored for my name sake and have not become weary. Nevertheless I have this against you, that you have left your first love."

You are not living for nothing, you are living for something. What you met that was not good, God wants you to make it better and what was better, God wants you to make it best and that thing that was best, the Lord wants you to make it excellent for your generation. The church in Ephesus did much in her walk with God but the Lord said there is still something that is left undone. That is your first love. You must not end at this level, go through a complete circle and be a best man and a best woman. You came at this time in your family, in your nation, in your generation because God wants to use you to address particular issues in your nation and to make it a better place. Child of God, the fact that you are there in your nation is to make what was good to become better. The ability God invested in us was not for it to be dormant but to be active. There is so much at our disposal that has not been exploited and what we are to exploit is to guarantee our stay. If we fail to exploit, we will suffer many things that we were not meant to suffer. I pray today, all that God made us to be, we are rising to be just that. That talent, that ability in you is that land you must till for its fruitfulness to come up to the maximum. Oh God, help me till my land.

Proverbs 12:11 "He who till his land will be satisfied with bread, but he who follows frivolity is devoid of understanding."

I pray today, we are rising as an army of the Lord; as the "Do It" generation for when God commanded Joshua, he

obeyed. Today, we are carrying an operation invasion for the Lord has given us what it takes to invade and to possess. If we must leave a legacy for our generation, we must arise and breakthrough in all domains of life that is in demand for solutions. Let every act of your life bring relevance, even sleep. We will not be the ones to turn or make our lives silly when we were made by God with a great content. Your advancement will trigger as you keep on challenging your life for the better. I urge you; it is not yet good enough. You can still do better than what you have been doing,. As Apostle Paul rightly said to the Philippians "I can do all things through Christ that strengthens me".

If you have been limiting the strength of God in you, don't limit it again. Get your life expanded in knowledge, wisdom, power, and wealth with a dignified living. Don't let any man or situation look down on you but mount up to subdue every situation meant to intimidate you. You can do it and you will do it in the name of Jesus.

PRAYERS

1- Oh Lord, help me spot out my shortcomings in the name of Jesus.
2- Father, ignite a fresh fire for advancement in my life.
3- Lord, empower me to influence my generation for good.
4- Lord, join me with people connected with this fresh fire from your throne so that we can better our world.
5- Thank you Lord for hearing and answering me in Jesus Mighty name.

CHAPTER 6

MOUNTING UP IN FAITH

Faith is an inevitable substance for greatness. Mounting up in faith is an action that God wants you as His child to indulge into for Him to give His attention in bringing the invisible to the visible. On all we are and can attain to, we can't become those things as children of God without the virtue of faith. Your faith will trigger actions. I want you in this season to sum up all the lessons studied in this edition and bring yourself to the realization of all that is expected of you. Your faith is one key you must not play with. In as much as God has given us promises, you need to wake up in faith and apply every step as commanded by the Lord. You need to know that God is totally involved in actualizing all that He has promised you. For all the set projects, plans, dream of your life, you have a command "mount up in faith".

The invasion of the Promised Land was given to those who were able to exercise faith to possess it. The defeat of the enemies by the children of Israel was done through those who exercised faith. In fact a cup bearer by name Nehemiah while in exile serving in the palace of Artaxerxes a Persian ruler did not have physical weapons, he did not even have money or human supporters but he had faith in God in rebuilding the broken walls of Jerusalem and in raising up its gates that were brought down as the book of

Nehemiah 1:3 "And they said to me, the survivors who are left from the captivity in the province are there in great distress and reproach. The wall of Jerusalem is broken down and its gates are burned with fire."

You may be receiving an evil report now as Nehemiah did in his days. I pray that you should respond to that evil report as Nehemiah did in his days. It is true that whenever you are confronted with something negative, it will tamper with your emotions but get settled down, retreat into God's presence and after retreating, don't retire, but refire. When Nehemiah got the situation that was at Jerusalem being a survivor, one in exile in a strange land serving as a servant in the domain of food in the palace, his surrounding did not limit him in mounting up. Same too you may be living in an environment that it seems like nothing is actually coming out of it for your good. The situations that surround you should not limit you from mounting up in faith. You are only permitted to retreat and refire, you are not permitted to retire regardless of the circumstances that may surround you.

Everyone that rises to show faith in the Lord towards every situation will be honoured for God has always honoured the faith of His children. I want to assure you, as you rise up in faith, God will honour you. In Nehemiah's days, in as much as he refired, the enemy also reinforced and possessed people like Tobiah and Sanballat who were there to oppose his faith towards building the walls of Jerusalem and raising up its gates. But he did not allow their provocation to give him direction or to hinder him from building the walls and raising the gates of Jerusalem. Anyone that may rise to oppose you as you mount up, you should not allow their insults, intimidation, and provocation to give you direction. But stay focused. If the work you are heading towards was not a great work, it will not attract envy. The fact that what you are about doing or you are about to become have posed an envious attraction of

terminating your goal is a sign that you are on the lane of becoming great. If we cite some of the insulting words that were given against Nehemiah and his men, the words did not penetrate them. They allowed just the Word of God and their faith to rule them. I pray you should be in place for something great is about to happen to that broken life of yours. Mount up in faith and get yourself recovered for I can hear the sound and see the glimpse of the cloud of His presence coming down so powerfully and gloriously with the latter glory of this house; which house you are. In Nehemiah chapter 4 the opposition came to Nehemiah as you can also face oppositions today from false brethren and false teachers but child of God, stay true to your vision in God.

Nehemiah 4:2-4 "And he spoke before his brethrens and the army of Samaria, and said, what are these feeble Jews doing? Will they fortify themselves? Will they offer sacrifices? Will they complete it in a day? Will they revive the stones from the heap of rubbish – stones that are burned? Now Tobiah the Ammonite was beside him and he said whatever they build, if even a fox goes up on it, he will break down their stone wall. Hear, O our God, for we were despised; turn their reproach on their own heads, and give them to plunder in a land of captivity! Do not cover their iniquity and do not let their sin be blotted out from before you; for they have provoked you to anger before the builders. So we built the wall and the entire wall was joined together up to half its height for the people had a mind to work."

When we look at the above words of insult, provocation, the intention of the enemy was to use the present situation to deviate Nehemiah and his crew from their God's given goal. Many of us must have been going through like things in different areas of life. But

Nehemiah was true and faithful to his purpose and he didn't allow any situation to deviate him. Child of God in your walk with God, avoid deviation for it will end you up in a slump or in a mess. The enemy ridiculed every effort of Nehemiah but he refused to become a ridicule. He rather mounted up in faith and when the enemy saw that they couldn't resist his faith, they surrendered. There is a resistance you must give the devil in order to secure your purpose and goal in life. If you fail to do this, you may end up a casualty but you were not called by God to become a casualty; you were called by God to fulfill.

Every plot that the enemy has plotted against you through whosoever, I speak it will not survive. The good Lord will bring their plots to nothing. Nehemiah's faith did not only bring him to prominence but it brought rest and fulfillment in the lives of his brethren. As you mount up in faith today, I may not know the River Jordan or Red Sea that is before you, but the Good Lord will cross you over to the shame of the devil. The same wall that was being fought not to be built, it was built, completed and dedicated. The project you may be carrying out, you will take it to completion just like Nehemiah completed and dedicated the wall of Jerusalem. He rose from a cup bearer to a governor. I want to let you know the rumbles you may be seeing today will be given another name when you pass it through God. Like issues happened in the days of Prophet Haggai just like in the days of Nehemiah and God commanded the governor and the high priest to mount up in faith to build the broken walls. Child of God, whatever situation is broken down in your life, rise up and get the broken walls built. As God commanded Zerubbabel and the high priest to build the wall, God is

commanding us to rise and build that broken situation of our lives.

Haggai 2:6-9 "For thus says the Lord of Hosts: once more (it is a little while) I will shake heaven and earth, the sea and dry land; and I will shake all nations and they shall come to the desire of all nations and I will fill this temple with glory says the Lord of Hosts. The silver is mine and the gold is mine, says the Lord of Hosts. The glory of this latter Temple shall be greater than the former, says the Lord of Hosts. And in this place I will give peace, says the Lord of Hosts."

For everyone in the Lord going through any kind of issue, the good news from heaven concerning your life is your latter shall be better than your former. That enemy pursuing good things not to meet you is just making a fool of himself for God is committed to honour your faith. Keep mounting and mounting until you see His glory fill the Temple.

PRAYERS

2- Lord, keep me on focus not to be deviated.

4- Oh Lord, mount me up to be established.

6- Thank You dear Lord for the answers in Jesus name.
