TESTIMONIES FOR JULY PUBLICATION OF "MANNA FEAST"

KUMBA

Praise the Lord. I was terribly sick and a lump was found in my breast. After being booked for an operation, I came in contact with "Manna Feast". As I placed my hand on the hand in the booklet, the lump disappeared. Thank you dear Lord.

Mama Agnes: 77 97 27 22

DOUALA

I want to bless the good Lord for since I was introduced to "Manna Feast" everything in my life changed. Things I could not do, I now do them with ease. A project I undertook on several occasions and failed is now near completion, done under a stress free atmosphere. Glory be to God.

Brother Sammy: 70 90 97 86

After reading Chapter 4 of the "Manna Feast" I started using my tongue positively to declare the word of God over my life. I also gained strength over my weaknesses where the devil use to overtake me. Thank you Jesus.

Brother Patrick: 75 38 84 80

ALAKUMA

I worship the God of Papa Pius, this month, my husband (whom I call my son) and I received a Divine touch from God. Our yesterday's page has been burnt by Jehovah and what we could not do as one body, we began doing it

beginning from this month and I know it will continue. We are advancing in value to the Glory of God.

Sister Mabel: 73 19 81 23

BAYELLE

"Manna Feast" has been a blessing to my life. After gaining new grounds last month, this month of "Advancing in Value" I was called up to lead in praises in church. Since I became born again, I have never had the opportunity to hold the microphone in church if not to give testimonies. Thank you dear Jesus.

Sister Felicia: 70 56 11 17

"Manna Feast" brought a great advancement in my spiritual life and business this month. I used the hand in chapter 7 more than ever before in the shop and ended up recording sales I have never recorded since the inception of the business. Thank you Lord Jesus.

Brother Emmanuel: 53 84 61 41

Praise the Lord, the month of "Advancing in Value" brought my family to the table of reconciliation. My father who for more than five years was in terrible disagreement and separation from his brothers and sisters were reconciled. My mother got delivered from demonic attacks after praying with her hand on the booklet. Praise you Jesus for your servant you are using to impart and feed your flock with such a despicable wisdom and grace. May he grow from grace to grace in Jesus name.

Sister Judith: 75 52 85 66

Praise the Lord! I had been for four years without any sign of menstruation. After laying hold of "Manna Feast" July edition and praying with it, I started experiencing my flow again. Thank you Lord.

Sister Judith (Ntembang Bambili): 77 14 95 71

Hallelujah! I ministered the "Manna Feast" on a co-worker at my job side who had been seeing terrible serpents in his dreams. He complained that it started after he ate in a neighbour's house on a Christmas day. After ministering all became well and he is now at rest.
Also, a colleague's daughter who developed a swollen stomach and every midnight she will have a dream of a voice calling her, such that she will get up and be opening the door to go out, got delivered after I ministered the "Manna Feast" to her last month. She is now fine. I want to bless God for all these. Amen!

Pa Jonathan: 77 21 96 76

BALI

INTRODUCTION

Praise God it has been an exciting moment "Advancing in Value" and changing status, for the Glory of God. I give all glory to God for His thoughts and plans for humanity His faithfulness is never ceasing. The Lord is bringing us into another month of Hope and restoration to everyone who has been in the house of God feeling all is forgotten, concerning God's promises. All is not forgotten for the Lord's word has been sent forth to address those areas of your life that has been called waste, destroyed without hope, God would be addressing such issues in this season. The waste and desolate lines or portions of your being that has become virtually useless like abandoned ashes of the wood, the Almighty in this season is stepping in to beautify it. So every ashes of your life will contact the beauty of heaven. Rise up in faith and be on focus to join the saints to tell another story on the awesomeness of God and the greatness of His Majesty. God bless you as we journey into the month.

CHAPTER 1

RESTORATION

For every God given value or potential that has encountered blows and attacks of life, and by reason of torture turned to be wasted or destroyed, the Almighty God has given hope and attention to such individuals that turn to look upon their lives as wasted personalities. God is sending a message of hope and restoration upon your life. Receive it and your missing and destroyed values will receive restoration from the Almighty. For the power of the Almighty God and the word of His purpose for your life is stronger than what the enemy through the Palmer worms, the caterpillars, the locusts and the canker worms have destroyed. God has declared, so it must stand.

Joel 2:25 "So I will restore to you the years that the swarming locusts has eaten, the crawling locust, the consuming locust, and the chewing locust, my great army which I send among you".

We should all know disobedience to God's commandments is what brings separation between man and his maker. Each time a person falls out with his maker, rottenness of value begins immediately and this gives entrance to the devil, the chief waster to waste you. But here comes the promise of restoration which the Almighty Himself is bringing to pass upon your life. I want to let you know that as long as you are ready for God and prepared for His word, there is no degree of wastefulness that the Lord won't attend to.

John 5:25 "most assuredly I say to you, the hour is coming, and now is, when the dead will hear the voice of the Son of God, and those who hear will live."

So every thing that has been wasted and called abandoned, you are charged in this season to turn that thing and let the ear of that situation hear the voice of the Lord. Cause everything in your life and upon your destiny that has been called wasted to hear God's voice in this season and there shall be regeneration. You should utter these words with a vehement prayer in the Holy Ghost; OH YOU WASTELAND OF MY LIFE, HEAR YE THE WORD OF THE LORD AND BECOME FRUITFUL NOW IN THE MIGHTY NAME OF JESUS.

God's word at all times has been the raw material to bring into existence what has not been. Understanding this, we need to pay keen attention to the saying of the Lord for God's word is truth, embodied with facts. It is the origin of all things, both visible and invisible. The Lord caused the earth to exist out of nothing, just by the power of His word with all that is in it now and every provision for your redemption and restoration and all vital issues about your life, it is in the volume of God's word. The word of God at all times remains the pivot to order one's steps to restoration through all ages. As earlier said, as you open your ears to God's voice, hope and restoration are coming upon you.

Divine restoration goes along with effects. This will draw our attention to the Israelites journeying through the wilderness into the promise land. The fall of the Israelites was a provocation to God to do a greater thing through them, than what the devil destroyed. Restoration

of the Lord is glorious and carries a heavy wealth of values. We are told in the book of Numbers that Balaak hired Balaam to curse the Israelites. When Balaam knew he could not stop the advancement of the Israelites, Balaam told Balaak to bring out prostitutes who at the end seduced the Israelites to whoredom and in the valley called the valley of Acacias, the Israelites were wasted there because of the sin of whoredom (other translations may call it grooves of Shittim) ***Numbers 25:1.***
In this valley where the children of God were wasted, God in His infinite supremacy brought the Israelites to that very valley under the leadership of Joshua and by this time, there was a restoration where the wasteland and the waste life had become potential values. It was from this very place that spies rose to spy Jericho that finally led to the destruction of Jericho which stood as a mountain before the children of Israel. For those ashes of your life, God is introducing a new thing. As He did for the Israelites in the valley of Acacias, He will do it for you for He is the same yesterday, today and forever. ***Joshua 2:1***

For every one of you whose value has been burnt to ashes, there is a rain of restoration coming upon you from the Almighty God, where everything about your life shall usher out substance of values. After several years when Israel left Acacias and they were already settled in the promised land, God the ultimate still reminded them of their backsliding in the days of prophet Joel, of the wonders He did in Acacias restoring beauty for ashes, He is still the same God that did it in the days of the prophet and that same God is still to do it in this

generation for you and me. Let us look at the response of God and the provision of God for every fallen giant. I don't know what the devil did to you in the valley of Acacias, I don't know what you lost, but in that very Acacias God is coming for your restoration. As the devil messed you up in Acacias, God will make you up and bring you forth as he did to the Israelites. Let's look at the mandate of God's provision in your Acacias:

Joel 3:18 "And it will come to pass in that day that the mountains shall drip with new wine, the hills shall flow with milk, and all the brooks of Judah shall be flooded with water; a fountain shall flow from the house of the Lord and water the valley of Acacias"

The Lord has declared in His word, that as He did in Acacias, He will do it for you in this season.

Isaiah 61:6-7 "But you shall be named the priest of the Lord, they shall call you the servants of our God. You shall eat the riches of the gentiles and in their glory you shall boast. Instead of your shame, you shall have double honour, and instead of confusion they shall rejoice in their portion. Therefore in their land they shall possess double; everlasting joy shall be theirs"

The Lord says that you shall be called a priest and you will be given a possession. For your shame He will give you double honour. When we look at the story of Job, a God fearing man who virtually lost everything and was clothed with shame and reproach, the Bible declares that the end of Job was glorious, more glorious than his beginning. So for every shame of your life, God is promising you double honour.

Job 42:12 "Now the Lord blessed the latter days of Job more than his beginning . . . "

As the word of God spoke for Job and for the Israelites, these are the days for you to receive same words and spring forth. During the reign of prophet Haggai, when the house of God laid in waste, God promised them double honour for their shame. And the gateway to this honour will come from your total obedience.

Haggai 1:12 "Then Zerubbabel the son of Shealtiel, and Joshua the son of Jehozadak, the high priest, with all the remnants of the people, obeyed the voice of the Lord their God, and the words of Haggai the prophet, as the Lord their God had sent him; and the people feared the presence of the Lord"

Your gateway of restoration ties in your total obedience to divine leading and instruction. If you do not obey, then restoration will be impossible. In ***Ezekiel 37:1-10*** the resurrection and restoration of the dry bones was possible on their obedience to the voice of the Lord that was spoken through the prophet Ezekiel. When the leaders of Israel in the days of Haggai obeyed the voice of the Lord that came through His prophet the end result was double honour from the Lord for their shame.

Haggai 2:7-9 "And I will shake all nations and they shall come to the desire of all nations. I will fill this temple with glory; says the Lord of hosts. The silver is Mine, and the gold is Mine, says the Lord of hosts. The glory of this latter temple shall be greater than the former, says the Lord of hosts. And this place I will give peace says the Lord of hosts"

The Lord has promised us that the glory of the latter house shall be more than the former, so restoration is what everyone should go for; for it carries a greater glory in the latter than the former. So in your restoration, there must be an outstanding break out of your person than the former that you used to know. We are told of a judge by name Samson who was sent by God to destroy the Philistine. In the resurrection of Samson, his mission was more fulfilled than in his former days when he had not yet had resurrection ***Judges 15:30.*** So an outstanding glory awaits you. Rise with determination and set out for you shall all rejoice when all is set and done in the name of Jesus.

PRAYERS

1. Oh my father, I know I have sinned and fallen short of your glory, have mercy on me and forgive me.
2. Spirit of the living God set me on focus for recovery.
3. Every waster assigned on my destiny, be wasted now in the name of Jesus.
4. Ashes in my life, receive beauty now in the name of Jesus.
5. Lord I pray my restoration to be permanent for the rest of my life in the name of Jesus.
6. Thank you Lord for the answers in Jesus name. Amen!

CHAPTER 2

WALKING IN NEWNESS OF LIFE

Many people by their confession or attitude have claimed to have a walk with God but more often than not the expected results are never seen or realized. There is a standard of living that heaven expects the children of God to possess and they can term that standard of living the Newness of life or the God's kind of life. We need to possess a regeneration mindset with all commitments that will separate us from the past life of error and agony and the recipe for this victorious living for the sons and daughters of light are all in the word of God. You were saved by God to be a subject or substance of admiration for yourself and others, for what is new provokes attention for admiration.

Colossians 2:6 "As you therefore have received Christ Jesus the Lord, so walk in Him"

Looking at God's instruction, we are commanded to walk in Christ because your identification and the ability to possess a life that will always be new is in Christ and can only be maintained in Christ. Many questions raised in the lives of believers are as a result of spiritual stagnancy that gives birth to the devil's manipulation. The reason is many have received Christ by believing and confession, but they don't pay keen attention to follow His ways and instructions. We are told in the gospel of a man who came to Jesus and he was asking the Lord Master, good master, what shall I do that I may inherit eternal life? This man wanted to become a citizen

of heaven but he was not willing to go the way of the kingdom.

Mark 10:17 "Now as he was going out on the road, one came running, knelt before Him, and asked Him; good teacher, what shall I do that I may inherit eternal life?"

This man admired the kingdom and he wanted to know the condition that permits one to inherit the kingdom and of course his question was posed to the right quarters. Let us look at the Master's response to him and the Master's condition to be a partaker of eternal life.

Verse 21-22 "Then Jesus looking at him, loved him, and said to him, one thing you lack go your way, sell whatever you have and give to the poor and you will have treasure in heaven and come take up the cross and follow me. But he was sad at this word and went away sorrowfully for he had great possessions".

Many people in several cases have attended a level of obedience, but partial obedience is not a guarantee for a newness of living. Many of us as the rich man that ran to Jesus for eternal life obeyed God in some areas but we don't obey in all areas. Walking in newness of life entails obeying God totally. The young man left grieved because he didn't see himself obeying God totally and at the end the God life that was positioned for him, he deliberately walked away from it because of things that were in his possession. The master told him let these things go and he said Lord I won't let them go. As you watch through your life, you should ask yourself this question, what are the bad habits that the Lord is asking me to sell off and I'm still dragging with them? For the young rich man,

his own was his riches that were standing in the gap between him and God. I don't know what may be standing between you and God, the Lord says you should arise in this season sell it off and walk in the newness of life where you will be compassing with surpassing glory.

Whatever God has declared in His word that is not good for your life, whether you understand or you don't understand know that it is not good for your life. The young man left grieved because of temporal possession and many are living grieved because of temporal possession. I don't know the temporal possession in your keeping that is sending you away from eternal life; give it up now before it becomes too late for you to make things right with your maker. Many have walked away from everlasting life because of temporal possession. I will have this to ask and let us reason together, have you at any time asked yourself the question that these things I'm doing, this life I'm living is offending God, for how long shall I last with it? The second question is in the world to come; will I still maintain and be able to live and to commit such offence? If your answer is **YES**, then keep on doing it but if your answer is **NO** turn away from it and pay in to the master's command. God commanded man to do what was to ensure him look glorious on a day to day basis. And he led man to understand that not everything seen or heard was good for his living. So God did spell what was good for his living and what was not good for his living. And the day man broke that law, he lured himself into rottenness and pain.

Genesis 2:9 "And out of the ground the Lord God made every tree grow that is pleasant to the sight and good for food. The tree of life was also in the midst of the garden and the tree of the knowledge of good and evil".

In the middle of the garden God made every tree that was pleasant to the sight but it was not every tree that was pleasant that was good for man. That is to say it is not every thing that is pleasant to your eyes that may be good for your life. In other words your instincts should not give you direction, rather let the word of God order your steps.

Verse 16-17 "And the Lord God commanded the man saying, of every tree of the garden, you may freely eat; but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall surely die"

God told Adam about the forbidden fruit that was in the midst of the garden and the Lord declared to Adam, the day you shall eat of this fruit, you shall die. In ***Genesis 3*** the devil through the serpent enticed the woman to eat of the tree that they were forbidden not to and let us look at the comment of the woman concerning the tree and its fruit.

Genesis 3:6 "So when the woman saw that the tree was good for food, that it was pleasant to the eyes, and a tree desirable to make one wise, she took of its fruits and ate. She also gave to her husband with her and he ate"

When we look at the above two events and statements in chapters 2 and 3, God declared in chapter 2 that the tree was not good for food and any attempt to

eat of that fruit was dead. In chapter 3, the devil enticed the woman and deceived her to see that the tree and its fruits were good. And that the tree was to make man be like God and Eve's conclusion was, she gave into the deception of the devil and came out with her own conclusion. Her conclusion was that God said the tree was evil but Eve said the tree was good for food the devil did not want her to see the evil that was in the tree. She also saw that the tree was pleasant to the eyes and a tree to make one wise. Both Eve and her husband bought the devil's deception and the God's life they had, they lost it that very day. At the end of the day both of them regretted making such an error and only what God said stood. Child of God I don't know what you might be going through, I don't know the enticement the devil has put in your life, but know that only what God has for you is what will stand.

If Adam's family would have continued in obedience to God, they would have continued having the life of integrity, honour and glory. The oppression of the devil over your life, your inheritance and over your family shall be destroyed by your total obedience. We will be able to silence all disobedience of all kinds only when our own obedience is fulfilled.

2 Corinthians 10:6 "And being ready to punish all disobedience when your obedience is fulfilled"

The fulfillment of our obedience keeps our status in glory and purpose. Most of the things we suffer may come from our instinct that opposes the word of God. I pray today that we will settle it at the foot of the Lord and lay all forms of disobedience to the Lord at the foot

of the cross. The Lord commands us that blessings shall follow us and overtake us if we diligently hearken to all His commands. Receive grace for obedience. As you have been rooted out of the life of disobedience and disorder, be thou built now and rooted and grounded, established on the ground of obedience. Jesus obeyed and became the Lord over all and by His obedience He spoiled principalities and powers and made a show of them openly, triumphing over them in it. For in obedience you shall triumph.

Colossians 2:13-15 "And you being dead in your trespasses and the uncircumcision of your flesh, He has made alive together with Him, having forgiven you all trespasses, having wiped out the handwriting of requirements that was against us, which was contrary to us. And he has taken it out of the way, having nailed it to the cross. Having disarmed principalities and powers, He made a public spectacle of them, triumphing over them in it".

As you stand to walk in newness of life, Jesus called you to follow him and take every step in a way He will be instructing you to do and if you do, your life will portray an unfaded glory for Jesus called you to follow Him. The pain of following Him is called the cross and the cross is on you to bid off the old person and follow the new person that is formed after Christ. So walk in your newness and the enemy will not smell your borders.

PRAYERS

1. O Lord empower me to walk in newness of life.
2. God endow me with grace to silence all disobedience and submit myself to your leadership.
3. O Lord I come against all forms of deceptive instincts in my life to die in the name of Jesus.
4. Lord I pray your hand upon my life for the fulfillment of my obedience that I may arise and silence all disobedience of the enemy.
5. O Lord endow me and cover me with the unfading glory that follows the new life in Christ Jesus.
6. Thank you Lord for hearing me, receive the glory and honour in Jesus name.

CHAPTER 3

BALANCE THE SCALE

We will be looking at the provision of God to govern human life with the various properties that make up a human being. A complete human being on earth comprises of three distinct departments embodied in a unit called the body. That is the body, the soul and the mind. The scripture spells out these three distinct personalities and each of these departments has its distinct way of operation. The absence of each of these brings a handicap to the human life. Looking at the chapter Balance the Scale, we will be drawing inspiration from the word of God on how to entail to these vital members of the human being. The body was formed from the dust by God, while the soul and mind proceeded out from God and entered the body. When these three live together, that is what makes up a visible man to exist and handle things pertaining to life. The soul and the mind are spirit beings while the body is an earthly being. For every given assignment upon a man on earth, such assignment can only be attained to when the body the soul and spirit are together. This means that all the three departments of man needs attention and care. Let us look at the creation of man

Genesis 2:7 "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breathe of life and man became a living being".

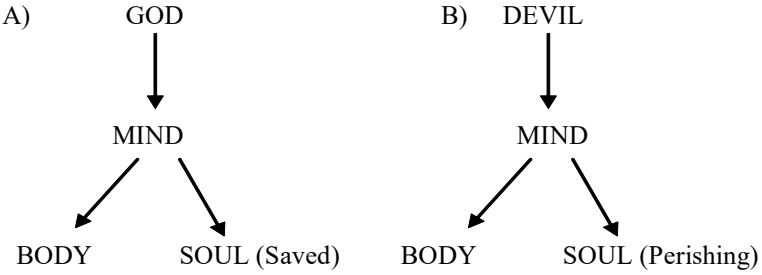

The body was formed of the dust and the body remained motionless with all the parts formed and being

in place. It was until God's breath went through the nostrils of the formed man that made man a living soul. So from that day, the proper functioning of a man on earth began. In the Garden of Eden before the fall of man, human beings were in possession of the body, the soul and mind. The mind of man was under the influence of God's word and that influence kept the soul of man saved from damnation, and with the influence of God's word upon man's mind, the body was in subjection to obey what was commanded by God through the mind of man and that also preserved the body from decay and wastefulness. We can realize that human life is built up or destroyed through information because with information from God, human life was in safety and total peace and rest. But when the devil assessed the mind of man, and man received the information from the devil, it was that same format of information that destroyed the safety and took away peace from man, thereby bringing death to the body and separation between man and his creator.

We are told in Genesis 3:8 that when Adam and Eve heard the voice of God walking in the garden in the cold of the day, the information within the content of man which by this time was satanic oriented could not agree with the information that was embodied in the walking voice of God in the garden. This is the reason why you may see many people when they are not in the right relationship with God, feel threatened by those who are in the right stance with God. When man was in right relationship, the voice of God was never a problem to man, neither was God's word a problem to man but when

man fell short of the word of God that he was created for, because of the devil's information an act that he accepted, became a conflict between God's words and man's content.

Now looking at our scale, the mind of somebody determines who that person should be. That is why it is commonly said, your mind is your person. We are going to consider two illustrations below:

We are going to consider diagram A and B your mind is the general coordinator of your entire being. It is the receiver of information and what he commands will determine what the body will become or what the soul will become. When your mind is connected to God and His word, it gives preference to the health and the salvation of your soul thereby sending the word of God into the body for healing and strength. Likewise when your mind is under the influence of the devil, your entire life will be sin influenced thereby bringing condemnation to your soul and various kinds of sicknesses and diseases to your body and oppression upon your mind and your soul, coupled with all kinds of depression. So take your mind into the mirror of God's word and allow the glorious gospel light to radiate it for the upkeep of your being.

When you got born again, it was your soul that was born again through the decision of your mind. Your body was not born again. The regenerated mind needs to be connected to the God of Salvation in order to savour and protect the salvation of the soul and with the connection of the mind to God, the mind thereby takes control over the sinful body by bringing it under subjection. In other words stopping the body from giving in to anything that is not approved by God.

Apostle Paul in ***1 Corinthians chapter 9*** was analyzing the grace of God that was working in his mind to subject the body and discipline the mind gave him victory not to be a looser of eternal values.

1 Corinthians 9:25-27 "And everyone who competes for the prize is temperate in all things. Now they do it to obtain a perishable crown but we for an imperishable crown. Therefore I run thus not with uncertainty. Thus I fight not as one who beats the air but I discipline my body and bring it into subjection, lest, when I have preached to others I myself should become disqualified"

We would realize that this was the very Paul when his mind was not connected to God, to discipline himself was difficult but when he did open to the Lord and His word, grace was given him and discipline had its course in his life. There are many who are toasted to and fro by sin and its pain and there is a deep cry of the soul within them. They don't like doing what they are doing but they can't help themselves from not doing it. Let us look at the Apostle's words in

Romans 7:14-25 ". . . verse 19 for the good that I will to do, I do not do; but the evil I will not want to do, that I

practice. . . .oh wretched man that I am who will deliver me from this body of death? I thank God through Jesus Christ our Lord. So then, with the mind I myself serve the law of God but with the flesh the law of sin".

When God oversees and governs your mind, righteousness is bound to govern and take leadership over your life. And this is only made possible through Jesus the bridge or the mediator between man and God. You cannot serve God by your own strength. That is why it is written, by grace you are saved. The love is of God but grace comes through Christ. So receiving Christ is receiving grace. Before, Paul longed to live a life of righteousness by himself but he couldn't and when grace came through Christ, he lived the life of righteousness and at the end made heaven. That is the reason why Romans 8:1 declares

Romans 8:1-2 "there is therefore now no condemnation to those who are in Christ Jesus who do not walk according to the flesh but according to the Spirit. For the law of the spirit of life in Christ Jesus has made me free from the law of sin and death".

So everyone in Christ Jesus goes after the leading of the Spirit of God, while everyone out of Christ will be influenced to go and live by the dictates of the fleshly desire. Looking at the word of God having being born again as you take nutrients to keep your body functioning, your mind needs daily nutrients from the word of God for its renewal and strength and once your mind gets renewed, it refreshes your soul. You have to renew your mind on daily basis with the word of God and prayer as a platform of fellowship between your being and God.

Romans 12:2 "And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God".

Every God's renewed mind is able to discern between good and evil, so he can't be a victim of situations and that makes the renewal of your mind a paramount issue to scale your balance.

Proper care and attention must be given to the body too in order for the body to carry the mind and the soul to places of service for the kingdom of God. so you have the responsibility to give to the body the right kind of nutrients, protecting it from every devices that may bring injury to it physically. Give the body food when it needs food and water when it needs water, warmness when it needs warmness. Don't be careless with your body on the grounds that God has taken control. There are things God will do for you in your body when He knows you can't do it. For God will not brush your teeth or clean your body for you. Jesus raised the dead to life and told the people to give them food to eat. He did not tell them that he would pray for food to enter their stomach. When the body needs medication, give it medication for it is written for the leaves shall be used for the healing of the nation so let's balance the scale. If you allow the body broke, your soul will leave the body and your mission will end untimely. Though you make heaven, but you may end up leaving many lives that were looking up to you in suspense. Make sure, no attention given to the body should violate God's words.

Looking at the creations, man's life came from God and could only be handled well by God. The fall of

man licensed him to experience death. This act takes place when the mind and the soul go out of the body as stated in

Ecclesiastes 12:7 "Then the dust will return to the earth as it was, and the spirit will return to God who gave it". Ezekiel 18:4 "Behold all souls are Mine. The soul of the father as well as the soul of the son is Mine. The soul which sins shall die".

It is on this context that makes it sinful and criminal for a human to terminate a life on earth, whether through murder, or abortion, it is evil. Only the owner of the soul has the right and power to decide on matters pertaining to it whether to live on earth or not, not the human being. So there is a life span where your body expires on earth and that act is called death but the soul belongs to God and the state that you give to your soul will determine where God will finally place it.

3. Lord renew my mind and make it fresh for your glory.
4. Lord I dismiss and disconnect from all forms of evil mindset from the devil.
5. Lord grant me a ceaseless flow of heavenly manna into my soul.
6. Thank you Lord for hearing me.

CHAPTER 4

SPIRITUAL DECAY

When we are talking about spiritual decay, what is spiritual is what exist and may not be visible with human naked eye; although not visible, its effects could be felt. We are looking at this word spiritual decay in context of the content and manifestation of those who claim to have been called and saved by God. We all know that a human separation from God introduces spiritual death into human circle that mean disconnection of fellowship between man and his maker. We all make boastings as God's children and His offspring but in many cases we have lost purpose, function and influence over things and people that were to be governed by God's potential with us. So many of us carry a figurative picture of a dead lion and the Bible says a living dog is better than a dead lion. ***Ecclesiastes 9:4***

No matter how small something is, so long as that substance is living, it is far better and greater than something that is big and looks frightful but is dead. People pay attention to what has life than something that is big and has no life. What a living dog can do, a dead lion cannot do. A day old young Christian convert that gets into fellowship with the Almighty God is better than an old international prophet that is dead, living in sin or who have broken fellowship with God. A man rising out of his mess to make peace with God is better than a title holder in the kingdom living and rubbing himself with sin not wanting to repent. There are people with

wonderful living names and titles and positions but spiritually dead. So too Christian gatherings but the fruit of their lives may either prove whether they are spiritually decaying or maintaining a living life for God. it is the content of your living that will make you either dead or alive. Many have been caught up with this syndrome of spiritual decay. One will ask how do I know I am a victim of spiritual decay?. Jesus gives us a list of such manifestation that when we see men or a church body start doing such things, we should know decay has taken over that system.

When you see a man that causes problems everywhere and behaves as if he causes no problems, know that the individual is caught up with the syndrome of spiritual decay. When you see a man exaggerating something because he wants men to know that he did it more than any one else, you should know that individual is caught up with the syndrome of spiritual decay. If you see a man that can blaspheme and blackmail people because they want to attain a position in life, you should know such people are caught up with the syndrome of spiritual decay. When you see people telling lies because they want to possess a present gain offer at the expense of eternity like Ananias and Sapphira, you should know that they are caught up with the syndrome of spiritual decay. When you see people using their position or title to threaten other people from their freedom and their God given liberty, like Nebuchadnezzar did to Shedrach, Meshach, and Abednego, you should know that they are caught up with the syndrome of spiritual decay. When you see men using money and other material things to

buy peoples conscience so that they can support them in their selfish plans and giving all kinds of promises, just to achieve their aims, you should know they are caught up with the syndrome of spiritual decay. When you start to see men faking testimonies and miracles because they want to gain fame for themselves, you should know that they are caught up with the syndrome of spiritual decay. When you start to see people looking at the money of God to be their money and they feel that they can walk in and out of God's account, that is dangerous and it is a sign to show that they are caught up with the syndrome of spiritual decay. When you see people dressing frightful as clergy so that they may entice people and lure them in their direction and using the name of the Lord for their personal gain that is a sign to show that they are caught up with the syndrome of spiritual decay. When you see leaders using Christians for material gain, not minding the suffering and pain those Christians may be going through, but turning them around as his personal estate, that is a sign of spiritual decay. When the shepherd looses the true sense of looking at the well being and taking the flock in the pathway of righteousness that is a sign of spiritual decay. Jesus told the church. Shepherds, you are called by God to nurture the flock and not to exploit them for personal gain.

Revelation 3:1-2 "And to the Angel of the church in Sardis writes, these things says him who has the seven spirits of God and the seven stars; I know your works, that you have a name that you are alive but you are dead. Be watchful, and strengthen the things which remain, that are ready to die, for I have not found your works perfect before God".

We have names and positions as great men and women of God, but we should be honest to ourselves and carry ourselves before God and deal with those secret sins that are dealing with us in the secret before they finally take us to hell. When the above elements become part of your life, you are vulnerable for an untimely collapse of purpose. This would draw my attention to this famous Baobab tree that was in a certain town that everybody admired its fright. There were other small trees that the people were not afraid of but little did the people know that the big tree had undergone a total decay process from the inside and one day, a serious wind blew through that town and that baobab tree experienced a collapse and its fall was a surprise to everybody. So people ran to the tree to see what has been the cause of a large tree of that size to have been pulled down by the wind when other smaller trees were not affected by it, just to discover that the tree had undergone decay unnoticed by men. I know many too who will be reading this booklet may have undergone decay too unnoticed by men. Don't allow the wind to blow you, go to God in repentance and He will restore you. Once more, a living dog is better than a dead lion. Small trees that were living withstood the wind that the baobab tree that had undergone decay could not withstand.

Mathew 23:13-36 Jesus lamented with agony over men and religious people that appeared to be healthy but rotten inside. It is not your title that is the substance, rather it is your content that will influence and govern in the purpose that God designed you for. We are challenged to deal with every gene of rottenness before they deal with us.

PRAYERS

1. Father any seed in my life generating decay within me let it die in the name of Jesus.
2. Any evil source connected to my life, parading my life with substance of decay, I break off from that source in the name of Jesus Christ.
3. O my Father, I come to you now in true repentance. Search me through O God and forgive me from every form of life that has carried me to be enlisted with the yoke of spiritual decay.
4. O Lord deliver me and restore me and put me on fire as a living oracle of the Almighty God.
5. Thank you Lord for enriching my life, grace me Lord to grow from strength to strength in the Mighty name of Jesus.

CHAPTER 5

NO BUSINESS WITH THE DEVIL (SATAN)

By business, we are talking about a platform where there can be an exchange of goods or services rendered for money. Many are dealing with the devil because they have not known the truth about the devil. Today we'll be looking into knowing deep truths about this personality called Satan, his nature, mission against man. All that ever made effort to company with the devil live their lives and end up in pain and the Bible explains to us the reason why. Since the fall of the devil, man got to where he is today because of Satan's influence and ideas that man bought and executed. From that time man has not ceased from having regrets and lost influence by Satan and his demons. The Bible tells us in the book of ***Revelation 12:12*** that the devil was cast down to the earth by the Angels of heaven and he came down with great wrath. Looking at this, how can you in any way partner with a person who has come against you with great anger?

The Bible also tells us Satan's attribute as a deceiver and indeed he is because it was with this nature that he deceived man and lured him into pain and sorrow. So how do you partner with somebody whose mission in your life is to deceive you? In ***Genesis 3:15*** and also ***1 Peter 5:8,*** the Lord spells out to us that the devil is our enemy. What dealing can I have with the one the heavens have declared as an enemy to me? The scriptures go further to explain that we have to be vigilant and watchful against every move the devil takes against us. People

keep away from their enemies and distant from their personalities because the gift of somebody into your life gives a room for that person to access and govern you, for the Bible says a man's gift makes a way for him. So any idea you buy from the devil permits him to order your steps and the bible tells us he is not only a deceiver, he is a father of all lies and a murderer.

In ***John 8:44*** if I am companying with a murderer, it means I am that foolish to allow the murderer to kill all the vital values of my life. The bible also introduces the devil as a thief, a killer and a destroyer ***John 10:10***. The devil's attention will not be drawn towards me until he has seen a value in that life to steal, to kill and to destroy. It is on this note that all human beings that are right thinkers must do all to keep away from the devil and his seed of iniquity and sin. The dethronement of the devil came by the reason of his pride. ***Ezekiel 28:15-17*** spelt that the devil was perfectly made by God until the day the sin of pride came into his life. Every man that partners with the devil will also be a possessor of the seed of pride and when any man carries such a seed that originated from the devil, you'll be cast down by God himself for every proud man is an enemy of God. Pride is one sin that initiates other sins to follow. Pride then becomes the nature of the devil and it is God that resists the proud man and multiplies grace upon the humble.
In ***Isaiah 14:12***, Lucifer was brought down because of his pride and God gave man power to kick the devil to and fro and that is made possible by the individual walking and living in the image of God.

In conclusion, if we look in all that is spoken about the devil, you can say to yourself I was created never to

have any business with the devil. Let your life be a fruitful ground for the works of God and for God. If the devil has been trying to intrude your life as he did with Adam and Eve, you should rise with holy anger and rebuke the devil "I have no business with you". For what relationship has a saint who is living in the light of God with a created being whose mission and purpose is enmity, stealing, killing, destruction, a liar, deceiver, a proud and arrogant?. You realize the content of your person from God has nothing to do with the devil. So with all vehement rejection, with a holy anger, you can speak "I have no business and will have no business with the devil"

In ages past, and even in this present age, many argued this truth and pierced their soul into pain and sorrow. The devil deceived Cain and in that deception, the lone brother that Cain had, with his own hands he killed him. The devil let Cain understand that when he would kill Abel, he will inherit a blessing but the opposite was the case. Instead of the blessing show cased by the devil, Cain received a curse with a mark on his forehead. The devil also manipulated Pharaoh the king of Egypt by instigating him to follow the children of Israel into the Red Sea. With his deception, he let him know if he brings them back, Egypt will keep on reigning but the contrary happened when Pharaoh watched his army all drowned in the Red Sea and the enemy is using temporal pleasure of the flesh to deceive man with it, thereby leading man into eternal destruction.

A famous pop dancer known by the world was also carried by this terrible deception of the devil. The devil made him to understand that with his fame and money, he could make it without God. I heard this pop dancer confessed

"I have sold my soul to the devil" and I believe the devil let him to know if you are to serve God he will restrict your flesh from not doing certain things but if you serve me I will allow your flesh to do what it wants to do. The devil made his word more comfortable to the hearing of this young man which at the end landed him in sudden death and regrets. This boy made boasting of himself, his talents, and his money, as I learnt he said he was going to live for 200 years. That deception only came from the devil, but surprisingly this man died at the age of 50 years, spending only a quarter of the life he had hoped to live on earth. Keep away from the deceits of the devil because God has said he is a deceiver. As he deceived those who worked with him yesterday, so too is he deceiving those who are working with him today. This famous musician was no body else than Michael Jackson. He also deceived De Lawrence of Chicago the famous magician that he will cause him to die as Christ died, and to resurrect after 3 days as Christ resurrected and he will cause him to ascend into heaven as Christ ascended. On the day of his resurrection and ascension, De Lawrence was scattered by lightening and that landed his soul to hell.

PRAYER

1. O Lord forgive me for keeping company and doing business with the devil.
2. Lord I pray out every seed and character of the devil living in my life.
3. Lord I am made a co-heir with Christ Jesus, so Lord empower me to function with Christ.
4. Thank you Lord for the love and goodness upon my life in the name of Jesus Christ.

CHAPTER 6

FAMILY CLINIC

We will be looking at the word family and the word clinic and we will be looking at the origin of the family and who is the originator of the family. We all know that only the manufacturer of a product can best know how to orientate and manage that product. So looking at the word family clinic, we'll derive and say something that there can't be a clinic for the family if it does not have a project to realize. People go to clinic for medical treatment and for counseling in order to protect and preserve and bring to being what they are carrying. While family is a union of father, mother, and children we will be looking at how it all began.

Genesis 2:18 "And the Lord God said, it is not good that man should be alone; I will make him a helper comparable to him".

God did not mould another earth as He did with man at the first, but God took a rib from the man and with that rib he formed a woman. In this scripture we have not learnt that God breathed into the woman another life. God only caused the life that was in Adam to grow in another life called the woman. That is why the Bible commands us as men to love our wives just as we love our own body because of a truth they are our body. There is also an exciting issue in verse 23 of that scripture. We can see the excitement of Adam when he found Eve and such excitement is expected of us who are in Christ Jesus. Because we have not been able to experience such

excitement, there is need for a clinic. The Lord says in verse 24 that therefore a man shall leave his father and his mother and be cleaved to his wife and they shall become one flesh.

We cannot be talking about a healthy society without a healthy home or family. We cannot be talking about a peaceful nation without a peaceful home. It is a pity that many nations leaders tend to look down on the teaching of the word of God in schools and other areas of administrative services. The absence of morals in our society will bring violence and destruction to order the activities of the day. There is a need for the nations with all humility to turn back to God for a true nation building to start at home, cultured and nurtured by the word of the living God.

In knowing your position as a husband, wife or children is only spelt out by God through His word. Also your function and duty as a husband, wife or children is only spelt out in the word of God. Without God's words leading us, we cannot boast of a healthy family or a healthy society. There are terrorist groups all over the world. The origin of this terror all began at the family circle. A morally brought up child cannot end up in the street or be a terrorist. Children learn by imitating what they see from their parents and other people. You cannot be practicing evil and expect that your child will grow up out of your loin and following your foot path and automatically become a saint. God being the originator of the family, the family must place God at its centre for the direction of its affairs. From creation we can see that the direction of God over man's life brought excitement,

joy, peace and harmony. Your psychology and philosophy is inadequate to produce a healthy family. Not even your money and what you've learnt in this circular world is capable of giving you a healthy family. Today we see children of the people we call great personalities in the eyes of men involved in horrible activities. The children of the rich and well educated getting into harlotry, scamming with a high morally declined life. The Bible spells to us in the book of

Psalms 127:1 "unless the Lord builds the house, they labour in vain who build it. Unless the Lord guards a city, the watchman stays awake in vain"

The Almighty God has spelt here that only him is qualified to set up a healthy family and he will do this as we turn back to him and his word to direct our path. The things you have not overcome in life will be directed to your children to suffer the effect. So every family under crisis, only God and God alone is the way out for such a family. If our family will get into God's setting, then we will obviously enjoy the peace that we have been looking to have in different places for the year. For peace to come into our families, Jesus the prince of peace must be involved, must be called upon and must be invited.

Today we hear about Boko Haram and other terrorists groups. These are children that were mal informed with a wrong cultured family set up and the result is the numerous lost of lives that nations of the earth are losing everyday. It is a spiritual problem and can only be well addressed spiritually with mandated vessels that are in position to reveal the mind of God about family crack

down in this generation. For anybody to be a trainer, that man must be trained and approved.

Proverbs 22:6 "Train up a child in a way he should go and when he is old he will not depart from it"

As parents, we have the responsibility to train our children in the ways of the Lord. This training all starts in the womb, learning to feed the child on what you are feeding on and if what you are feeding on is bringing good results, it is also a sign that your child will bring good results. If what you are feeding on does not bring good results, don't think that your child you are feeding will bring good results on that thing. You cannot teach or expect somebody to overcome what you have not overcome. The family therefore was designed by God to be a place of peace, love, fellowship and fellowship will put to birth unity. There is a blessing that these qualities produce over a family and also an ever growing glory.

Psalms 133:1-3 "Behold how good and how pleasant it is for brethren to dwell together in unity! It is like precious oil upon the head, running down the beard, the beard of Aaron, running down on the edge of his garment. It is like the dew of Hermon, descending upon the mountains of Zion; for there the Lord commanded the blessing life for evermore"

We can see the glory of the product that a God set family can produce. There is a call for all the families of the earth to go for counseling in God's clinic for treatment and advice in order for her to produce the glory created for her. We are all witnesses to the chaos that our families are experiencing in this generation. That a man will prefer a beer parlour than going home to be with the family

after work. Children may desire to live by the street sites than going home to be with their families. With all these confusions going on in the family, our world is bound to be in pain. If the men will take their rightful position in the family, women doing likewise and children following suit, then God taking the lead, the peace and serenity of our world will be great.

Woman, the man is not your rival, God did not say so. Man the woman is not your slave and children, your parents are not your equals. Woman stay in the place of submission, doing it joyfully, and man stay in the place of love taking it as a commitment, having respect for one another. Children stay in the place of respect and honour to your parents and the blessings of the Lord shall be poured upon us and overtake us if we shall obey all God's instructions for the family setting. Parents live an exemplary life for your children to copy. Address your children as a unit not as a divided factor and that will keep them from confusion. In case of any family illness that may come from your mind or your psychology, there is a healing balm in Christ Jesus. Let's arise and build with God and where there has been no peace, there shall be peace, and where there was no hope, the Lord will bring hope and restoration. With all this wisdom and understanding can never depart from your dwelling, for wisdom and understanding will play a role in our world that war weapons can never attain to for the safety of our generation.

Ecclesiastes 9:18 "Wisdom is better than weapons of war; but one sinner destroys much good"
