PROPHETIC WORD

"YOUR MONTH OF DIVINE COMPENSATION"

WATCHWORD:

ISAIAH 62:3
"YOU SHALL ALSO BE A CROWN OF GLORY IN THE HAND OF THE LORD, AND A ROYAL DIADEM IN THE HAND OF YOUR GOD"

INTRODUCTION

Loved ones in the Lord welcome into the month that the Lord has designed to engage and to bring you on the ground where you will be positioned to survey and take over your possession. We want to celebrate God for ascending us through the month of "Higher Grounds" to a point where we can take a look from the past years to the past months, to the past weeks and days. And to look at the future on the platform of advancement and recovery of treasures that the Almighty God destined for you as an individual and for us as a generation. Loved ones, much care has to be taken in this month of "Surveying and Taking Over" because a wrong evaluation will put to birth a wrong and unexpected result. It is not a month to rush, it is a month to be keen, taking each step at a time and being punctual and seasonal for everyday's given assignment. When we look from the past to the future, it will provoke within us an inner quest to break down, plunge deep into the Word of God and station our lives on the grounds of prayer for empowerment.

This prayer will cut across every barrier that may tend to hinder our request from reaching God for Divine engagement as it was in the days of the Apostles and the Holy Prophets of old. Therefore loved ones take stock and be objective with your stock taking. You must also be very optimistic as you arise in the arm of God's strength and

power to overtake and recover. In your recovery, you will not only stand on one spot, but you will be empowered to keep moving forward until the Lord will tell you ***"Well done thou good and faithful servant".***

I pray that your profile will be opened before you by the Hand of the Living God. For you to read through and get God engaged to address all areas of your life. For amendments to be made for repentance and restoration where needed. This will enable forgiveness and putting away every filthy life style and any excess foreskin of carnal mindedness to be circumcised. And as this is done, Divinity will get itself involved when you are concerned as a person.

CHAPTER 1

SURVEY THAT ENGAGES DIVINITY

(GOD'S STRENGTH)

Survey that engages Divinity has to do with a purposeful look of something. This means looking into a whole of something for the right description of it. Haven gotten the right description, you'll be able to know the necessary things or persons to be in place to answer to the said project or to get the said assignment rightly done. You will come to notice that no matter how brave, how intelligent, or how powerful you may appear to be, there will always be a question that needs an answer, there will always be problems that need solutions, and there will always be an assignment that needs to be done. So the activities and challenges in life are ceaseless as long as one walks on the planet earth. There is always a need to make a survey and get to a ground where you can be empowered by knowledge or by Divine impartation. This will put to birth an inspiration to get things done in the right way. The earth has been in work and is still in work till the present day as one of the Biblical legend; the king of Israel, King Solomon looked at the world and saw that the whole humanity was in travail

Ecclesiastes 8:17 "then I saw all the work of God, that a man cannot find out the work that is done under the sun. For though a man labours to discover it, yet he will not find it; moreover, though a wise man attempts to know it, he will not be able to find it."

Taking a keen look into your life and situations that surround you will help you notice what is wrong within your capacity. As a man you may have certain assets that will help you to answer to life's problems but you can never have all it takes. But with the engagement of God on your side, you will be able to go through the thin and thick of life and at the end of the day, celebrate good success. Life is not worth living if it is not given to development or progressive changes. Life becomes appealing and worth living when we have the hope of a better tomorrow than today. If there can't be a better tomorrow, then everybody will aspire that his /her living should end today. Since it has been God's design for humanity to always have a better tomorrow, there comes a need to survey and have things done through God.

Each time God engages a man in a walk with Him, He pronounces words of a better future and a better life that releases a future glory that surpasses the present one. We could see this even in our contemporary world in all walks of life, be it the medical, the economy, the media, education, social and sports etc. we will realize that the knowledge that was given some 50years ago in these fields named, there is a vast gap of development and progress as of now. Some survey and engage their God's given abilities for things to work to an extend but we should know that our God's given ability may end us on an alternative ground but the involvement of God's strength in our lives will end us in an ultimate ground.

Man may be capable to solve a wide range of the problem without, but he is so limited to solve the problem within him. We should be able to take an inward look into our

lives because it becomes unprofitable that we are able to secure things out of our lives but we can't secure things in our lives to ensure our well being. If we are able to acknowledge our limitations and shortcomings as humans, we will be able to break down and look unto God for the salvation of our lives.

It becomes unprofitable for you to preach freedom to somebody when you are bound. So take a look and be able to point out those things you know are not going right in your life for which if they continue with your life, it may plunge you into the lake of fire for eternal damnation. The Apostle Paul having gone to one of the best theological schools of his days studied under Gameliel the great professor. He was honest to himself and when he took a survey of his life, he realized that many things were wrong with him and he knew he couldn't save his life. He had this to say when he was writing to the Romans; he said there was a law of sin waging war in him, that the good thing he ought to do, he didn't do them but the evil things he ought not to do, he found himself doing them and he cried out to God as a wretched man and Divinity came to his rescue.

Romans 7:17-19 &, 24-25 "But now, it is no longer I who do it, but sin that dwells in me. For I know that in me (that is, in my flesh) nothing good dwells; for to will is present with me, but how to perform what is good I do not find. For the good that I will to do, I do not do; but the evil I will not to do that I practice. Verse 24 O wretched man that I am! Who will deliver me from this body of death; I thank God - through Jesus Christ our Lord."

Here we realize that without acknowledgement, it will be difficult for absolute deliverance to come into one's life. You can only be delivered when you have taken a survey from the inside of you to the outward appearance of your person. The pathway for us to be saved is to call upon the name of the Lord. Having taken a survey, we call upon His name for forgiveness, for salvation, for restoration, for empowerment to advance us deeper into His presence. For as it is written, ***"For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13***

The true foundation of one's life, ties on the individual's spiritual walk of obedience and submission to the Lord. That acts as a pillar and the true foundation to sustain you as a child of God. Once man is out of fellowship with God His Maker, no matter the physical achievements the individual may be in possession of all those achievements plus his life has no guarantee for the future. Your spiritual well being in Christ Jesus is what will guarantee your physical outbreak and stability that will rise on the foundation that is Christ Jesus to subdue and overcome all storms of life. It is on this ground that the Apostle John in his general epistle wrote to the body of Christ in

3 John 1:2 "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers."

There should be no need for any celebration when you know that you are a victim of secret sin. Rather there should be a call for lamentation and repentance for the Bible says for godly sorrow leads one to repentance. As you survey through your life these days, there are things

that you need to break off from. This things wage war against your soul and your God's given salvation and that is the act of denouncing the hidden works of darkness and having no fellowship with them as

Ephesians 5:11 -12says "And have no fellowship with the unfruitful works of darkness, but rather expose them, for it is shameful even to speak of those things which are done by them in secret."

Loved ones, Abram was told by God to break off from his father's house and from the idol of his father's house in order to attain to God's given life that was to embody him. When that was done, the promises of God's blessings were released upon him and all that was with him. Later on this promise gave birth to a covenant between Abram and the Almighty God. Abraham's walk with God was a progressive one. There is something so outstanding with his walk with God. You will realize that the identification of God with Abraham was a guarantee of his tomorrow, an achievement which led this legend into winning and gaining new grounds. This was made possible when God brought him on a ground of taking responsibility to see that the promise of God over his life come to pass. In like manner, child of God you must rise to take responsibility in order for you to experience God's promises spoken into your life. As you do this, the Almighty will not fail in doing His part as we look at what happened to Abraham in:

Genesis 13:14-15 "And the Lord said to Abram, after Lot had separated from him: "lift your eyes now and look from the place where you are – northward,

southward, eastward, and westward; for all the land which you see I give to you and your descendants forever."

As you separate yourself from all the unfruitful works of darkness, there will be an upliftment from God that will empower you to take responsibility and this responsibility will enlarge your scope to see what God has deposited for your well being. I pray, get God's strength involved and break forth in a new dimension as apportioned by His word over your life. Get provoked, get empowered, get God involved and things will turn around as you show responsibility as a mature son or daughter of God. Be blessed!

PRAYERS

1- Oh Lord, I repent from all hidden sins that have kept me bound in all these years.

2- Oh Lord, forgive me and deliver me as I pray.

3- Lord, heal my broken foundation by making it new today with fresh oil from your Presence.

4- Oh Lord, I call for your intervention for my break out and celebration.

5- Oh Lord, let my change come as I wait upon you in the Mighty name of Jesus.

6- Thank you my God for saving me in Jesus name.

CHAPTER 2

PRIZE TAG FOR OVERCOMERS

The overcomer's life is a life worth celebrating because it is a life that keeps on emerging with a trophy after every confrontation or conflict. To be called an overcomer, there are battles you must fight and win .No one wins a battle anyhow, or anywhere. For every battle to be won, there are laid down rules that must be strictly followed before victory can be guaranteed. For everyone to succeed in anything, you must overcome something. It is just like to succeed an entrance into heaven; you must surrender your life to Jesus and overcome the seduction and the pleasures of sin. An overcomer's life is a life embodied to confront the battles of life and bring them under control. For this to be done; an overcomer therefore must place or add a prize tag to his Christian life by setting goals and pursuing them. This means that God's laid down principles for His children must be followed without compromise in order for the overcomer to achieve or obtain a crown of glory.

As a child of God, it takes self denial, for you to overcome the war within you. If you are able to overcome the war within you, I bet you, you will be able to overcome all the wars without by directives from God's Word. You were made as an entity, possessing God's given natural ability, which may go on operationally as God gave it and these abilities are able to make things happen when the individual develops and empowers it for effectiveness. But there are issues also in life that if you don't put in the prescribed prize tag expected of you from God; it will be difficult for you to live an overcoming life. When Jesus

walk through His days on earth, many followers and onlookers actually took delight on the manifestation of His overcoming life. Many were anxious to follow Him but they were not conscious of the prize tag of becoming an overcomer or possessing a grace of becoming an overcomer. He looked at His audience and He began listing the principles that it may take for one to live an overcoming life above sin that will lead the individual to spend eternity with God in Heaven.

Luke 9:23 "Then He said to them all, if anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me."

So Christ was letting the people to know that God may not put new wine in an old wineskin that contains old wine. The old wineskin must empty itself of the old wine before it can access the grace that gives birth to the overcoming strength that comes from God. That is why the Lord pointed in the gospel that anyone that must come after Him and celebrate victory over victory must let his/herself for the will of God to take possession and total control over his own life. This exercise is not just supposed to be an act but it has to be a habit for all those who are seeking God. The Lord went further to explain that anyone who will want to live by the content of his own ability without surrendering to Him totally will lose his own life. You cannot preserve or keep what God is not preserving. Christ Jesus is the Saviour and that is why many who attempt to be the saviour of their own life end up losing it. But if you make Him the Saviour of your soul, He will end up saving it for you. There are many Christians that profess Christianity and they are

still suffering and cannot access an overcoming grace. This is because self pride is still in the proper ground of their lives and has not yet died. Jesus illustrated a picture of how a child of God can possess an overcoming grace of fruitfulness in

John 12:24 "Most assuredly, I say to you, unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it produces much grain."

Christ said when you have come to Him, you have come to Him as a grain of corn and your ability from God has been able to help you attain a level or a position. That is why the Lord defines you figuratively as a grain of corn. The Lord says that grain of corn in its position of standing will remain unproductive and abide alone if something is not done to it. The Lord said, for that wheat or corn to be productive, it has to fall down. That falling down is an aspect of breaking, humbling or denying yourself. Of course, this process humanly is painful and that is why it is called a prize tag. Many Christians over the years have made this confession to me or have been making this statement "since I gave my life to Christ, things have become tougher for me" they thought that if Christ met them when they were in level two, meeting Christ would have taken them to level three or four. But most often, that is not always the case. For Christ will always deal with the old before laying a foundation for the new to start.

The level in which Christ met you, you must be brought low or lower from that position as a grain of corn falling into the ground and die to self into the soil

allocated by God for you. This should be done before you can manifest a resurrection that will overtake and lift you above the previous level, you were in before God met you. But if you refuse to fall into the soil, you will experience spiritual stagnation and retrogression. The corn stepped from its position in breaking down before it could be able to manifest unlimited fruitfulness. Each time you have a vision or prophesy from God, you should know that the prophesy will first take you down before ever raising you up. But if the prophesy met you at a point in life where you are already broken down, you will not go down again, you will just rise from that position to another level. We need to be equipped with this knowledge in order for us to escape the trap of the enemy. Remember that when Joseph got a dream, his expectation as a man was that he will rise up from his dream to a higher altitude but the opposite happened to him. The Bible says Joseph was taken down to Egypt and that was the prize tag he had to give in order to overcome in his mission of greatness. It was after he went down to Egypt and went through situations that were painful that he became great. God usually does this to deliver us from Adamic characters that we were born with.

Hebrews 5:8 "Though He was a Son, yet He learned obedience by the things which He suffered."

So your expectation as a child of God when God meets you is to arm yourself to breakdown before situations start to break you. And more often than not human beings will never breakdown by themselves but God will use situations to break them down. Many of us might be going through this situation. Loved ones access

grace and go through it for if that is not done, you can't rise to the peak of your destiny. The Apostle Paul was telling Timothy his son and the Corinthian church of the laid down principles that overcomer's must possess and he had to use a picture of athletes in competition in

1 Corinthians 9:24-27 "Do you not know that those who run in a race all run, but one receives the prize? Run in such a way that you may obtain it. And everyone who competes for the prize is temperate in all things. Now they do it to obtain a perishable crown, but we for an imperishable crown. Therefore I run thus: not with uncertainty. Thus I fight: not as one who beats the air. But I discipline my body and bring it into subjection, lest, when I have preached to others, I myself should become disqualified."

So child of God learn the rules and get yourself empowered with truth and if you do and go through this process, your end will speak better things than your beginning. Know that it takes a breaking down before a rising up; that is God's principles. For Jesus came from Heaven above to the earth and from the earth to the cross and from the cross to the grave and today He is highly lifted up as it is written in

Philippians 2:8-11 "And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross. Therefore God also has highly exalted Him and given Him the name which is above every name, that at the name of Jesus every knee should bow, of those in heaven, and of those on earth, and of those under the

earth, and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father." And 2 Timothy 2:5

If we will arm ourselves with the laid down principles and go through it, we will be overcomer's and celebrate an overcoming life. There is a ground that God has made every overcomer to locate and if they do they will also overcome as our Saviour did and is seated at the right hand of God the Father. The Bible has urged us to walk in the very rule that He walked in; the will of God in Christ life was his prime purpose of living on earth. Let the will of Christ be our prime purpose too and as we do we will celebrate victory upon victory and we will be able to sit with our Saviour.

Revelation 3:21 "To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne."

PRAYERS

1- Father, empower me to grow in Your will and in the knowledge of Your plans for my life.

2- Father, help me to be like minded as my Saviour Jesus Christ.

3- Lord, give me the ability to breakdown and locate me on the ground of my resurrection.

4- Lord all these I ask in the name of Jesus.

CHAPTER 3

UNDERSTANDING GOD'S COVENANT POWER WITH MEN

The covenant of God made with men is different from the covenant that men make between themselves. The covenant of God does not come to share ideas with men but it reveals the intention of God for men's life while the covenant between men has to do with equal view and conditions that may suit both parties. If not, both parties could annul it. God brings man into a covenant for man to enjoy fellowship, Divine intervention, provision and an outstanding significance. The covenant of God brings men to an allocated pattern of life and it guarantees particular things that the individuals or particular group of people will see the covenant strength of God, working for their well being. There are covenant words that carry covenant power for execution and every covenant of God with man has specific rules and regulations to follow for its enforcement to be active in the purpose for which it has been sent.

God in history with humanity has always established a covenant with mankind and this covenant has always from the days of old till today carried symbolic signs be it altars of sacrifice, or a ground of worship that makes the covenanted unique in their generation. From the Garden of Eden, God was in covenant with man; He gave man all the rights in the garden but commanded him on certain rules that was to guide his pathway in order to make him unique among other creatures. But when man break the rules given him, the covenant strength was

annulled. Each time you violate a given covenant, don't expect the results that the covenant was suppose to give because it will fail to manifest. God was in covenant with Adam, Noah, Abraham and this covenant was what made them outstanding in their generation.

As a child of God, you should know you have not been saved to live an ordinary life. The people that walked with God in the old were called Old Testament or Old Covenant and people under this dispensation are the New Testament. In all these Testaments God endorses it by an oath. Covenant constitutes the heart or the core of all God's special revelation to man in respect to his dealing with man. We have to see the strength of God's covenant and see God's involvement and commitment. You will realize that having a proper understanding of His covenant power with you, will make you understand all the precepts given by God to keep the strength of that covenant living and active. The covenant of God carries special revelation as earlier said. It is the believer's weapon of war that commits God for action. Once you are in a covenant with God you are no more an ordinary person. You become an embodiment of the mystery of God. It is the effect of this covenant that the book of 1 Peter outlines your peculiarity as God's people and indeed you are peculiar.

1 Peter 2:9 "But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light;"

Covenants were endorsed in the Old Testament by the blood of animals, and bulls but the endorsement of the

New Testament was by the Blood of His own Son. This makes the New Testament powerful to anyone who dares to work by its contents.

Hebrews 10:8-10 "Previously saying, sacrifice and offering, burnt offerings, and offerings for sin you did not desire, nor had pleasure in them (which are offered according to the law), then he said, behold I have come to do your will, O God. He takes away the first that he may establish the second. By that will we have been sanctified through offering of the body of Jesus Christ once for all."

The letters of the Old Testament were in script or written on tablets of stone but in the New Covenant, the Word of God is dwelling in the hearts of believers for God has made a New Covenant with the church. For the Lord says in the book of

Hebrew 10:16 "This is the covenant that I will make with them after those days, says the Lord: I will put My laws into their hearts, and in their minds I will write them."

With this, you have been sought out by God to live in a new way consecrated or separated for holy use and knowing that Jesus stands under the New Covenant as a high priest of God, you being that house. The Bible instructs us that we should draw near to God having a pure heart and a body washed with pure water. The water here stands for the Word of God which has to act as a laundry soap to cleanse every lust and works of the flesh. Man has always been the concern of God, we can't see anywhere in the scripture that God covenanted Himself

with Angels, or other living creatures except man. The Word of God says you have to declare the praise of God for that is what the Word is covenanted to do for you as a people.

One thing we will see from the Old to the New Testament is that we will find peculiar actions rendered by the Covenant. That is, God being a friend to your friends and an enemy to your enemies. Anyone that places a curse or fights covenanted people places God to fight for them. That is why Israel was a threat to Egypt and the whole world. The church of God is the covenanted people of God today. You are the Israel of today.

As covenanted people, you are to be a news maker for your generation. If Abraham was a threat in Canaan, it was because of the covenant that God established with him. So were the Israelites, the Prophets and the men of old. The covenant of God in your life embodies everything you can think or feel about life. Let us hear what God told Abraham when He made a covenant with him

Genesis 22:16-18 ". . . And said: by Myself I have sworn, says the Lord, because you have done this thing, and have not withheld your son, your only son – blessing I will bless you, and multiplying I will multiply your descendants as the stars of the heaven and as the sand which is on the sea shore and your descendants shall possess the gates of their enemies. In your seed all the nations of the earth shall be blessed because you have obeyed my voice."

When you know you are in covenant with God, there is an attitude you must possess in order to activate that covenant. Abraham's walk can be traced by the numerous altars he built for God; it talks of his sacrifices and reveals the consciousness of the person that he was in covenant with God. God reinforced His covenant over Abraham when he raised another altar of sacrifice. So covenant people are givers and are sacrificial. We are told that after the generation of Abraham, Isaac, Jacob, Joseph had passed away, by this time the Israelites had settled in Egypt. The scripture tells us that because of their alarming fruitfulness in Egypt, their existence became a threat to all Egypt. Abraham, Isaac, Jacob had died but their covenants were living. God's covenant in your life will not only end with you, it will spread forward to affect your generation. In ***Exodus 1:6-7*** we are told of the exceeding greatness of the Israelites in Egypt which became a threat.

Exodus 1:6-7 "And Joseph died, all his brothers, and all that generation. But the children of Israel were fruitful and increased abundantly, multiplied and grew exceedingly mighty: and the land was filled with them."

The covenant of God upon our lives is to cause us to fill the land. Israel was in Egypt, their influence and affluence filled the land. So in this dispensation, the influence and the affluence of God's children must fill the land. God told the children of Israel a word in Isaiah 49 about the deliverance from every oppression that may befall his children because of their waywardness or careless living.

Isaiah 49:25-26 "But thus says the Lord, even the captives of the mighty shall be taken away, and the prey of the terrible be delivered; for I will contend with him who contends with you, and I will save your children. I will feed those who oppress you with their own flesh, and they shall be drunk with their own blood as with sweet wine. All flesh shall know that I, the Lord, am Your Saviour, and your Redeemer, the Mighty one of Jacob."

God has also passed a verdict concerning His covenanted people to those who have not yet identified with His covenanted by saying "Touch Not"

Psalms 105:15 "Saying, do not touch My anointed ones, and do My Prophets no harm."

As you understand the covenant power, walk by its precepts and its power will render to you an all round answer. For under the Old Testament, the bull stood as the testator to establish it but under the New Testament, the Blood of Jesus stands as the testator as the Bible declares in

Hebrews 8:6 "But now He has obtained a more excellent ministry, inasmuch as He is also mediator of a better covenant, which was establish on better promises."

It is on the basis of this covenant that the church of God must live happily, walking over every strategy of the devil and living triumphant lives. For if the Israelites could live a triumphant life by the blood of bulls, and then the church of Jesus will live a better life by His Blood as the Bible declares in

1 Corinthians 2:9 "But as it is written: eye has not seen, nor ear heard, nor had entered into the heart of man the things which God has prepared for those who love Him."

The covenant of God is there for you to do exceedingly, abundantly above all that you can think or ask. I do pray today, celebrate grace and walk in the dignity of His power and worth.

Ephesians 3:20 "Now to Him who is able to do exceedingly, abundantly above all that we ask or think according to the power that works in us."

Beloved, understanding puts to birth power to do exploit. Walk therefore with all assurance in the power of His covenant sent into your life. Grace!

PRAYERS

1- Father, empower me to manifest the mandate of Your covenant upon my life.

2- Lord, I pray for grace to consciously walk with the knowledge of my covenant in Christ Jesus.

3- Lord let me subdue and fill the earth with living wonders in Your name.

4- Lord, cause me to celebrate covenant and grace as I wait upon you in this season.

5- Thank You Lord for hearing our prayer in Jesus precious name.

CHAPTER 4

THE POWER OF PAIN

Life under the sun is full of travail. Some travail comes as a result of a bad cultivated lifestyle. While others are as a result of a life well lived but found in the midst of corrupt people. Both lives may go through travail but the one that is sponsored by iniquity and sin will birth reproach and destruction if change or repentance does not take place. But there is another pain which people go through because they want to propagate and foster truth. Such life that goes through such pain is what we will be looking at in this chapter.

There are men that are looked upon with an evil eye because they carry the message of the living God. Others are looked upon with an evil eye because they point out the evil of their generation and ask men to change their ways. Such are men like Abel who underwent pain because he was righteous, Joseph who underwent pain because of his right living. We also have men like Moses, David, Jeremiah, Daniel, John the Baptist, Peter the Apostle, Paul etc. These were people that went through pain not for the evil they committed but their right living and message called for envy that brought them into a point of isolation and rejection. These are the kind of vessels embodied with the content of God. When you break them up, their breaking down will mess the kingdom of darkness.

Jesus being the captain of our salvation could not be the Redeemer of the whole world until he went through

pain. This pain released power that caused rocks to split into pieces, caused the veil of the temple to break in twain, took command over nature, and in broad daylight power was released that caused darkness to cover the earth for over three hours. It also caused the tombs of the saints that died to break open, set captives free and released gifts into men's life. Child of God, if you have been rightly walking with God with the conscience void of offence before God and before man and you find yourself into a situation of acute pain, by the time this pain breaks off, power will be released that will marvel the world. The greatest error that Satan ever did was to make Jesus go through all the molestations that he went through. If the devil knew that this molestation will birth many Jesus', he wouldn't have done it. I see you going through the same pain and by the time you go through, power will be released that will break the kingdom of darkness. I do pray that as you go through this pain in this season, power will be released from Heaven to break the gates of hell.

From the Old to the New Testament, all those who ever served God and went through indescribable pain, at the end of the day immeasurable power was displayed by them. It was because of the pain that Shedrach, Meshach and Abednego went through in Daniel 3 that caused the fourth man to appear in the fire, and when he appeared, there was a cry from Nebuchadnezzar. I pray that in whatever situation you are going through walk in your sanctity as God's child and at the end of the day this pain will put to birth power. The power that is birth by such pain carries unction and promotion.

Daniel the prophet went through pain when he was being framed up by his enemy, he went through psychological torture and finally he was dropped into the lion's den. The pain birth power that sent an Angel into the lion's den to shut the mouths of the lions.

Daniel 6:22 "My God sent His Angel and shut the lions mouth so that they had not hurt me, because I was found innocent before Him; and also, O king, I have done no wrong before you."

Your pain will release an unquestionable power from God that will make His finger over your life visible to every onlooker. Let us look at the picture of the Apostle Peter in the pain that Herod plunged the church into

Acts 12:1-2 "Now about that time, Herod the king stretch out his hand to harass some from the church. Then he killed James the brother of John with the sword."

Child of God, the early church never went through this pain because of sin but because of the life they were living for God for the scripture says if you suffer as a Christian, then you are blessed. The situation you may be going through is not because of sin but because of the services you are rendering for God. The church was harassed because of the services they gave to God but all such pain put to birth the power of God.

1 Peter 3:13-14 "And who is he who will harm you if you become followers of what is good? But even if you should suffer for righteousness sake you are blessed. And do not be afraid of their threats nor be troubled."

This is because their threats will open the doors for the expected favour and promotion you have been looking for. Peter was arrested but cries were made unto God. When this was done, there was a power released that an Angel appeared into the inner court of the prison and gave Peter a tap. That tap was an evidence of power that came through pain and every chain was broken, every limitation was taken away and even the ancient gate of the city break open. And the church expanded. This is the kind of pain that released power that in the midst of adversity expansion is inevitable. Jesus went through pain and that pain had breathe power that has made the Christian world dominant of the whole world today. Reasons being that the testator of the testament went through pain that released power that cannot be conquered.

Even in our circular world, the people that went through pain have brought some codes that people will live to obey. For example Nelson Mandela was imprisoned for 27 years because he was fighting for his people. Today the government of South Africa has been restored to the blacks for a man went through pain and that pain has put to birth power for freedom. So loved ones whatever pain or degree of pain you may find yourself in, go through it because at the end of that pain there will be a power released that will put to birth a power for your generation to excel. Bear this in mind that for all you go through, you are not alone. The Lord is with you, His name is Emmanuel (meaning God with us). ***Mathew 1:23***. For all you are going through, don't get that child aborted

(your God's given vision) go through it for by it men will be delivered.

CHAPTER 5

THIS DARK CLOUD MUST VANISH

The dark cloud in our subject has to do with obstruction, hindrances, obstacles that appear as a nightmare to the well being of life. Life is full of these ups and down as Job the servant of God once said "Man born of a woman is of few days but full of troubles" Before the existence of every opposition that you grow to notice or live to discover, there is an ordained pathway to get it destroyed or removed. Dark clouds are clouds that carry messages of threats, insecurity but in this season, whatever has been your dark cloud, in the name that is above every other name, that dark cloud must vanish in order for you to celebrate your God's given rest. There are two laid down principles which gives a command in your life in accessing a living faith in God and engaging yourself to fight. Firstly, your sense of belonging that is, being born again by the Word of God and secondly being led by the Spirit of God. ***John 3:3, Romans 8:14, and 1 Peter 5:4-5***. We are told by the Lord Jesus about the common phenomenon of taking over and we will be looking at some principles to get the dark cloud of our lives vanished away.

1- **HAVE FAITH AND KNOW YOUR IDENTITY AS A CHILD OF GOD**: This faith says, to everyone that believes he can do; he can make things happen through God. To that individual, all things are possible.

Mark 9:23 "Jesus said to him, if you can believe, all things are possible to him who believes."

For anyone to get something done, the journey begins within the Spirit of the individual, talking to him/herself "I can do, I will go through, and I will do away with this" before a physical manifestation can actually take place. But if you can't see yourself becoming, even if people want you to become, you will not still become. So the way you see yourself and the way you see things will actually determine how those things could be handled by you. If you see God's ability in you subduing situations, you will actually subdue the situations but if you see yourself in situations handling you, situations will actually handle you. If you can believe that the dark cloud or situations can be dealt with, then you will go for the procedure in dealing with that situation.

This brings to reminder the walk of Moses and the children of Israel through the wilderness to the promise land. Twelve spies were sent by Moses to view the land of Canaan and bring him results. Two saw themselves possessing the land in the persons of Joshua and Caleb, from the tribe of Judah and the tribe of Ephraim. The remaining ten spies didn't believe they could conquer Canaan and they all perished. I pray today believe the right things as Joshua and Caleb did. But the other ten believed the wrong thing and when they did the enemy took advantage and the dark cloud that was before them swallowed the other ten spies. As for Joshua and Caleb because of their determination, the dark cloud vanished away and they took possession of what was theirs from the Almighty God.

Same today, there are some people that believed in living with their dark cloud till death. They end up being buried by the dark cloud. Child of God, the dark cloud is a stranger and a parasite on your highway of walk with God that must be dismissed or dealt with. With all determination and holy anger; you must arise and address the dark cloud until it vanishes. Many are deceived to believe that they were created in problem, to live in problem and would one day be killed by problem. But the right seed that carries the seed of God knows that they were created with solution to subdue any kind of problem on their way. Child of God, with the knowledge within you, that dark cloud is not to kill you but for you to put an end to it for your rest. What you believe will either make or mar you. What you confess will either create your world or ruin your world for dishonor. Let us look at the report the other ten spies brought to Moses;

Numbers 13:32-33 "And they gave the children of Israel a bad report of the land which they had spied out, saying, the land which we have gone as spies is a land that devours its inhabitants, and all the people whom we saw in it are men of great stature. There we saw the giants (the descendants of Anak came from the giants); and we were like grasshoppers in our own sight and so we were in their sight."

Their reports became their lives and becoming; just as the report you carry about will become your life. I pray today you start carrying about positive reports concerning your life.

These ten spies became what they thought they were, so in every direction that you take, God will help you to become. Since they saw themselves as grasshopper, they ended up like that. The dark cloud you see should never make you see yourself as a grasshopper same as the other two spies. With God they got their dark cloud vanish away by how they saw themselves and what their mouths professed. Let us get their own confession:

Numbers 13:30 "Then Caleb quieted the people before Moses, and said, let us go up at once and take possession, for we are well able to overcome it."

Every promise of fruitfulness from God into your life, no matter the obstacles you encounter, it can never be above God's Covenant Word spoken over your life and with that Covenant Word, you will take over your possessions.

2- **HAVE FAITH IN GOD AND BE DETERMINED FOR A CHANGE**: Daniel said they that know their God shall be strong and in doing that, he said they will do exploits. Shedrach, Meshach and Abednego knew their God and the knowledge of God in them empowered them with the substance of faith to do exploits. Your faith in God will usher you to be connected to all Covenant Word of God released into your life and you will anchor to it. The Covenant Word of God is out to dismiss any intruder of your life that was not ordained by God for your life. Like what happened to Zerubbabel that a mountain of failure, harassment and intimidation stood his way but the covenant word declares in

Zechariah 4:7 "Who are you, O great Mountain? Before Zerubbabel you shall become a plain! And he shall bring forth the capstone and shouts of grace, grace to it!"

You need to be determined through God to cause every dark cloud to vanish. (The dark cloud may have different names attached to it), dark cloud to your success, your sanctity, your marriage, your ministry, the dark cloud to your health, your fruitfulness: let your determination carry the message to your dark cloud that you will not keep silence or relent your efforts until it vanishes as the Bible says resist the devil and he will flee from you.

James 4:7 "Therefore submit to God. Resist the devil and he will flee from you."

So your commitments and steadfastness gives the devil a message that you know what rightly belongs to you and you can't give it up.

3- **IT TAKES A WELL ARMED LIFE WITH GOD'S ARMOUR TO FIGHT THROUGH:** So you need to arm yourself with the armour of God and be ready to revenge all disobedience when your obedience is fulfilled.

2 Corinthians 10:6 ". . . And been ready to punish all disobedience when your obedience is fulfilled."

Your dark cloud will not disappear if you are a rebel or a recalcitrant fellow for such attitude disqualifies you from handling dark clouds. You can only avenge through God when your obedience is fulfilled. In the state of your right

walk with God, you will be able to boldly access grace and exercise authority and dominion over every satanic gang up and all scriptures declared to you will answer for you on the path of your declaration for as the Lord Jesus declares

Mathew 15:13 "But He answered and said, every plant which My Heavenly Father has not planted will be uprooted."

As you have been equipped today to know all these, it is in your place now to rise and fight in the name of the Lord until all the enemies set against you are crushed down. For it takes violence for dark clouds to vanish away. For something happened to king David in his days in ***1 Samuel 30:7-8*** he was covered by a dark cloud by his enemies but he went through God and got out of the enemies and got all the things taken from him. Rise with this holy anger to get this dark cloud removed. IT IS A MATTER OF MUST!

1 Samuel 30:7-8 "Then David said to Abiathar the priest, Ahimelech's son, please bring the ephod here to me. And Abiathar brought the ephod to David. So David inquired of the Lord, saying, shall I pursue this troop? Shall I overtake them? And He answered him, pursue for you shall surely overtake them and without fail recover all."

So child of God, be determined as David was and what was to be done for his favour was done through God. What has to be done for your favour will be done through God in the name of Jesus. Whatever silly things are turning

around you to mess you up, get that thing messed up and destroyed before it messes you. Like it is always said, mess them before they mess you up and kill them before they kill you. The fact that you have noticed something wrong is a sign that there is a way out, so engage and go through.

PRAYERS

1- Oh Lord, let every dark cloud on my way, vanish by fire.

2- Lord, I take my position in the Blood of the Lamb and I destroy my destroyers in the name of Jesus.

3- Oh Lord, empower me to overtake and possess my possessions in the name of Jesus Christ.

4- Father, open my eyes to see and my ears to hear and train my hands to fight.

5- Oh Lord, let my highway be made whole these days in Jesus name.

6- Thank You Lord for the answers in Jesus name.

CHAPTER 6

PRAYING AND PRAYING THROUGH

Mathew 11:12 "... And from the days of John the Baptist until now the kingdom of Heaven suffers violence, and the violent take it by force."

For somebody to become violent, something must go wrong. And if you can't identify what has gone wrong, the attitude of being violent will sound stupid and unreasonable. Something goes wrong before something is taken; and something must happen to recover what is taken. Locating yourself on a ground of praying and praying through is locating you on the ground of making things to happen through God as the Bible declares in

Luke 1:37 "... For with God, nothing will be impossible."

When you have an issue that could not be addressed within the context of your human strength, go on the ground of prayer to get God involved and when He gets involved every impossibility will become possible. When we talk of praying and praying through, it means what you engage through God, you will not relent your effort until He gives you an answer. This calls for determination and commitments until results are put to birth. You don't stop praying while waiting for results, but it is result that will cause you to change your prayer point. The servant of God Job engaged into a praying life which was persistent and consistent. He was not just praying for praying sake, he was praying to see results.

For prayer is not prayer until it births an answer and Job had this to say in

Job 14:14 "If a man dies, shall he live again? All the days of my hard service I will wait, till my change comes."

Job was not ready to change his position in God because of the situation he was going through and at the end of his prevailing prayer life, his expected results came and even double. If Job had ended up in the brokenness in which the devil lured him into, most Bible readers and students will not celebrate his life as they do today. The result of your consistency with your prayer life will put to birth results that will celebrate you and make you an icon for others to copy. The early Apostles of Jesus did the same when they were waiting for the promise of the Holy Spirit on the day of Pentecost. In fact Pentecost means fifty. Each time you write down a prayer point to God, be sensitive enough for the results of that prayer. For if you keep on praying and not been observant for the effect of those prayers, the enemy may take advantage to sift you away from the faith. But when your change comes through your prayer, it will fortify your faith and empowers you for greater venture in the kingdom of God.

The prayer lives of many people today have crumbled because they were praying and were not conscious and diligent to see that their prayers bring the expected results. To engage a prayer you won't go through, don't even engage it. For whatever spiritual journey you engage and does not complete gives the enemy an advantage to introduce strange doctrines and

satanic ones of course into your life. This subject is to enable you my reader to know that prayer was meant by God for human beings to get themselves engaged with it and harvest answers from the Throne Room of the Almighty God. What the Lord has promised to do for you; that He will do for He is too faithful to fail.

For every fruitful prayer engagement, you should know the enemy will always appear to fight. He will fight you with the spirit of unbelief in order to stop you from praying persistently. He will also face you with fear and uncertainty making you feel you can't make it. With such situations, you must conquer with this phenomenon:

By the testimonies of others and the testimonies of your life tell that devil that God who did the little things will still do the great ones. Be under anointed messages by anointed servants of God. Cultivate and build an addicted prayer life. Build your life on the Word of God and let the principle of His Word govern the affairs of your life. Locate an altar of prayer by the leading of the Holy Spirit (a prayer ground) and pray with men and people with a living life for God. When you must have done this, watch over to see the results of the prayer request tabled before God. And for each answer, go to God in thanksgiving and at times you could do that with a gift offering on the altar of God.

Jesus was explaining a parable to His disciples how men ought to give themselves to prayers to see their prayers work.

Luke 18:1 "Then He spoke a parable to them, that men always ought to pray and not lose heart."

You are not permitted by God to lose heart on the ground of prayer when you are engaged for a said prayer program. Get counseling and spiritual advice from your mentor or spiritual leader when you are to go into a long dry fasting and prayers. When Jesus cited the case of a widow that met a judge to avenge her of what her enemies were doing to her, the judge did not answer that woman immediately. But the woman was persistent. This persistence is an act of praying and praying through. If you fail to pray through, you are like a student who enrolled in a school but never came out with a certificate. The certificate of this woman in the school of prayer was to get her request granted. That request will be granted if you pray and go through. In all prayers, you need the leading of the Spirit of God for a prayer without the Spirit will be abortive. Prayer being a spiritual phenomenon must be driven by the Holy Spirit as you make your vessel available to Him. At the end of the day, the widow's prayer was answered. The picture of the widow gives a picture of your feeble nature as humans but in that nature the Strength of God will be made available to you and so you will celebrate the answers to your prayer. For Faithful is He that has called you. Walk in faith and you will celebrate. I will draw your attention to the testimonies of some men who prayed and celebrated their lives through prayers.

A man by name John Height waited upon God for the deliverance of the Indians that were sold into satanic practices. He prayed persistently and India was changed under the influence of his prayer and after the result, he was nick named "prayer Height". I will also draw your attention to another legend, John Knox who went to God and said "Father give me Scotland or I die" God paid attention to his prayer and granted his request. Scotland experienced a revival as a result of a man who was able to pray through in the place of prayer. We are praying and looking up these days that Heaven will raise up fire prayer band Christians like Baba Joseph Babalola, in Nigeria. We also want to thank God for men like Prof Zach Tanee Fomum who also trilled men and women in the place of prayer in the nation of Cameroon. He became a role model in his walk with God; in fact he was a disciplinarian.

You should know the weapons of prayer are the strongest weapons that God has entrusted at the disposition of men to use for great and mighty things to happen. Station on the tower of prayer and get issues controlled and handled through God and the same God that worked in the lives of the people of old is still the same. I pray that God will grant you the grace to pray and pray through and will also grant you the grace to live to see the results of your prayers. Don't stop praying for the widow never stopped until the judge gave her an answer. I don't know what you may be going through but as you pray like the widow, your story will turn around. Pray until the result of your prayer start to follow you everywhere you go as the Lord did to Hannah the

wife of Elkanah, and to Daniel, and many more. So you should know you are not an exemption.

For every nation to experience the genuine move of God and the revival for a mighty soul harvest into God's kingdom, agents of prayers must stand on their feet and seek the face of God until the Heavens pay attention to them. The Lord says "call upon Me and I will answer you and show you great things that you know not of." God bless you as you step through the ground of prayers for your commitments. ***Jeremiah 33:3*** God bless you and remain blessed.
