PROPHETIC WORD

YOUR MONTH TO OF ADVANCING IN VALUE

WATCHWORD

ISAIAH 40:31

"But those who wait on the Lord shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint".

INTRODUCTION

You are once more welcomed into another month of excitement embodied with manifestations of love, peace, and the power of the Lord sent forth to decorate the excellency of His purpose in your life. Having gone through the month of "Gaining New Grounds", the earth is earnestly waiting to see you in the portion of the grounds you have gained. The Glory of such a ground could only be defined in the context of God's ultimate plan for your life. And standing on your grounds of victory, let the Lord be Lord over all that concerns you.

Gain adds value that has to do with exciting results that bring happiness to people. Human nature, get excited over everything that appears new and beautiful. So the Almighty is letting you know that in the month of "New Grounds", He initiated it to make you excited which could only be possible by you acknowledging the word, that He positioned in your life and you forcefully engaging in it; for you were not to sleep with the word but work with the word. The provisions of all Heavenly Armour were placed at your disposal for you to willingly place them on your body and these were factors to guarantee your safety on the New Grounds. For no giant or people could withstand the complete armour of God which you never hesitated to cloth yourself with.

Stay covered and fashioned with the armour because we are not stagnated on new grounds, but we are advancing in new grounds. In your

advancement, be aware of what is expected of you from the Lord. You are expected to spring forth from Glory to Purpose and Purpose to Glory. A kind of glory that will be colourful on a day-to-day basis. The colourfulness of such a glory will be ordered by God depending on your submission to His leadership. Let your value in this season outweigh the previous one. Advance in your quality, develop to invade and maintain values. Like the ladder of Jacob stepping from the earth to the Heavens, your ladder too have been set up by the Almighty God. Each step of your ladder carries a distinct value. Step two will speak a greater weight of glory than step one and step three will speak greater than step two. This will provoke a relentless taste for the peak of your value where until they meet the Lord to be encircled with the Saints never to part again. Let no day de-value you but each day, let new values be added to your person for the Glory of God in the name of Jesus. Remain Blessed!

TESTIMONIES FOR "MANNA FEAST" JUNE 2014 EDITION

NDOP

To God be the glory who put my name on the list to be one of the GCE O/L Examiners this year. I bless Him for the month of "Gaining New Grounds".

Pastor Lewis: 75 93 94 47

BAMBILI

June publication was meant for me. I got my vision and focus back after studying and praying with the booklet. Healing came to my family through the medium of the hand in chapter seven. "I LOVE MANNA FEAST" praise God!

Sister Delphine: 73 59 05 48

Praise God for I gained New Grounds this month. I was called up to mark the CAP Examinations and as I collected my invitation, I thought it was to mark commercial exams only. To my surprise it was a double invitation for commercial and Industrial. And without any physical connection I was also called to mark the GCE O/L. I pray God to keep replenishing His servant the G.O everyday with new virtues for this publication. Amen!

Sister Mirabel: 75 42 65 94

BAYELLE

Thank God for the month of "Gaining New Grounds". I was convicted of sin this month more

than ever before. The Lord took me to chapter four of the "Manna Feast" and after meditating on this chapter, some seeds in me were exposed and left me. My mother also got healed from eye problem after laying the Manna Feast on her head and praying with her. To Him be Praise!

Sister Judith: 75 52 85 66

I use to have terrible nightmares before I joined this commission. I saw dead people and men making love to me in my dreams. The first day I set foot in JEBM Bayelle branch, I bought the May edition of the "Manna Feast". I read it and kept it under my pillow. I slept like a baby and since then I have never been having those kind of dreams again. Every time I sleep with the booklet under my pillow, I feel protected. To God be the Glory!

Sister Doris: 70 24 41 79

ALAKUMA

"Jehovah jump protocol" has done it again. "Gaining New Grounds", I gained new grounds in my career. I have been transferred from Akwaja Integrated Health Centre to Bamenda Regional Hospital. Thanks be to God.

Sister Blessing: 77 94 56 81

KUMBA

I Praise God for June "Manna Feast". When I stumbled on chapter one, that says "Get the Vision

open", my long forgotten vision came back alive and right now I am working on it.

Sister Frida: 75 09 40 51

I thank God so much for "Manna Feast". It is another medium God is greatly using to talk to me and to teach me His ways. For this reason, I study "Manna Feast" word for word.

Brother Divine: 75 39 40 21

JAKIRI

I appreciate God for this month of "Gaining New Grounds". I encountered open heaven one night and a glorious light came into my home, after praying with the prayer points in the booklet. Hallelujah!

Sister Sivorine: 78 71 71 65

To God be the glory, I had suffered persecution from my family especially my father. Thank God for the month of "Gaining New Grounds" my father and family members are calling and asking me to pray for them. My father even gave me a phone as a gift so I can communicate with the other family members.

Sister Honorine: 70 40 02 31

I give God all the glory for His word this month in the "Manna Feast" that enabled me to face and override some challenges. To God be the glory.

Sister Adeline: 77 22 89 67

Cancer that has troubled me for more than five years was healed after I was prayed for with the hand in the Manna Feast on my chest. After visiting the hospital thrice, the doctors no longer saw signs of cancer. My husband who separated from us 26 years ago came back after requesting for a reunion. Thank you Jesus!

Mama Theophina: 52 68 48 48

SANTA

When I read the introduction of "Manna Feas"t I got that it is a "month of gain where loss is forbidden". As I was confessing this phrase, I recovered 500.000 Frs. that I had forgotten in a taxi a few days later. After my pastor preached on Chapter one, "Get the Vision Open", God opened my vision immediately. From that day I am usually empowered by my pastor in my encounters. I give Him the praise.

Sister Colette: 77 24 89 60

CHAPTER ONE

CREATED A VALUE

I want to challenge you today, no matter the circumstances that may surround you and make you look into your life and even men looking at you as a common person, child of God, you are not common but you are created a value. A Divine project in the hand of the Almighty. You are just very special. Among the billions of people living, there are not two of you in this planet. You are just very special. You may like to ask this question, if I am peculiar, why all the mess that I see myself into? Your peculiarity is so outstanding in God to provoke the enemy to jealousy and envy. It is in the designing of the Master Architect and you also need to understand that you have an enemy called the devil and your design from the beginning makes you more outstanding in His side than the devil. So the devil becomes an intruder to destroy who you are in God which he does not have. That is the reason for all the struggles that you find yourself in. But Jesus stood the answer, for in Him was life and that life was the light of men.

To also have an understanding of your person, let's look into our day–to–day living; when a value of a nation let's say a president or a top government official is held bound in a situation, the nation will get the top most value to rescue the value that is held bound. For Jesus being the only begotten son

of God, top most value with God, God sent Him to save you (His value) that the enemy out of jealousy was attempting to spoil in you. I want to let you know that you are the top most value of the planet earth and God did send you the Highest value in Heaven (Jesus) to rescue the top most value on earth who you are. You can see that values mingle with values, so stop looking down on yourself. You are not a slave, you are not an outcast, you are sons and daughters of the living God. You are as dear to God as Jesus is dear to Him.

Romans 8:32 "He who did not spare His own son, but delivered Him up for us all, how shall He not with Him also freely give us all things?"

Your importance can be from the several provisions made available to guard and sustain your value. In our day to day life, when anything durable is made by men, they don't hesitate to produce the hand manual. But things of little or no value may go without a hand manual. Once more I want to remind you reading this Manna now, that you are a value that must not be underestimated. The provision of God to guard your person or your purpose is enough evidence that spells out your value especially those that have been born by the word of God in this age, (governed by God's word and Spirit) you are not only a value, you are a super value. God created man and did not leave him without a hand manual, there by informing you of the importance of the value within you. The word of God (the Bible) is the manual of your life given by God to guide, protect

and forward or advance the value in your content. This hand manual of your life, called the word of God, took God closed to 4000 years for its preparation and publishing using almost 40 writers to inscribe it at intervals. No book or manual on earth has taken such a duration and number of writers as the Book of Books which is the manual of your life. Not only did God give you the manual without a teacher, He himself stands as the teacher of the manual. He has also trained human vessels to attend to the value in an office called the church, who are to ensure that the value keeps growing. Even Angelic beings are also at work to ensure the safety of God's value who you are. It is the content of this value that with our human eyes, we can see the rapid development of the world from one generation to another.

The advancement of the world will depend on the advancement of the value within the context of human life. Every visible structure that appears beautiful and good got its origin from the value that the being carries. There are a lot more challenges in our world today, both circular and spiritual that are earnestly waiting for the manifestation of your value, to answer to all these challenges. The moral decadence of our time will only be answered on the basis of values in manifestation. Know that you are here as a value to bring meaning to your world for the Glory of God. All values are from God and could only come to surface through God. As we hold unto God, the true content of our values will be made

manifest, thereby making us fulfilled as carriers of values. The heavens with its host are all at work to see that the value does not remain stagnated or dormant but that it should wake up and be at work to recreate what has been deformed. So you can recreate as it is written; the heaven is the Lord's throne and He has given the earth to the children of men.

Whether consciously or unconsciously, the activities or events that follow us on a day to day basis, raises information of reminder of our God given power. The animal world have no courts, they have no hospital of their own and in their own kingdom, they can kill themselves but none of the animals will sentence another one for justice, but it's not so with humans. When one human passes out, there is a cry because a value has passed out of the world. I pray that you rise and let the impact of your value be felt for the Glory of God in your generation.

The Angels of God asked a question to the Lord Almighty that "who is man that you are too mindful of?" They noticed that the attention of God was so drawn to man and they wanted to find out why. They came to discover that it was because of man's value; for the Bible says, where your treasure is, there will your heart be. Know from this day that you are a treasure of the Lord.

Hebrew 2:6 "But one testified in a certain place, saying; what is man that you are mindful of him, or the son of man that you take care of him?

Looking at the above scripture, the Angelic beings were disturbed about God's attention to man, and became more outstanding on the basis that God had to send His son the greatest value to rescue a value of His on earth. All these is to let you know that you are created a value, walk in the mindset of your value and for this value to be made manifest, it takes a process which must be diligently followed.

CHAPTER 2

ACTIVATING VALUE

For every person to become an identity that could affect lives for God, such an individual must be prepared to know and to learn the process of his becoming. In the natural world, all valuable minerals are never admired at their crude stage. But even at their crude stage, men that know about their substance don't relent their efforts going for them. And when they are gotten they are never brought for public exhibition until they undergo their process. God's word and the men of God will keep preaching to mankind because they were created as values. But sin made man to become as crude gold ore. And preaching of the gospel and prayer is the purifying fire.

Romans 3:23 "For all have sinned and fallen short of the glory of God"

Since the fall of man, sin has remained the canker that has made values dormant and ineffective. This has helped the devil or the enemy to take an advantage over the glory that was man's. So knowing process is coming into a close walk with God that starts with genuine heart repentance. Your act of repentance brings God's attention to vindicate you and reconcile you back to Himself. You should know that God has made and provided everything for the salvation of your entire being through His son Jesus Christ. Your continuous stay in sin will keep you

and your value in the state of rottenness but in your repentance, restoration will be given to every missing or destroyed value.

Romans 6:23 "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord"

The payment of sin is death on one hand while on the other hand the gift of God is eternal life that comes through repentance. Loved one, go for eternal values for if you do, you will never regret it.

Every sinner is like crude gold ore that needs to be refined and the refining fire is to deal with the sin nature through Jesus, the sacrificial Lamb of God that was sent to take away the sins of the world.

John 1:29b "Behold! The Lamb of God who takes away the sin of the world!"

He is by you to freely carry you through. God did not spare Jesus, He allowed Him to go through all torture so that the value you were created with should go through His process and be properly refined for the Master's use and for the glory of His name. As the clay does not order the porter, but the porter orders the clay, so everyone that will be purposeful in life must not draw programs that will contradict God's word and think he will bring God into it. Let God program your life and you will never regret it. The mistake we commit today which is grievous and fatal; we want God to bring us to public recognition and public use without being refined. That is why there is all kind of noise on the Altar of God today. Even at times, when we make up our minds to be

refined, instead of abiding on God's principle to refine us, we go for men's words and standards that have no stance.

During the building of the Lord's Temple by Solomon, every material that was to be used for the building was brought to the quarry in order to avoid noise and confusion at the Temple site. We logically escape this process today and we can see that because our applications are wrong, thousands are being trained today with little or no impact to affect our generation for God's kingdom. This is because we replace the training of God with the literal words of men all in the name of the Lord and that is why in most of our assignments, little or no impact is felt when we are carrying out works in God's name. The training of God leads to encounters with God that ties with divinity and guarantees ones steadfastness in his walk with God. God needs vessels to use but He will never use unprocessed vessels. Vessels not only word trained, but character and habit transformed, that will reflect the image of God in their person.

1 kings 5:17 "And the king commanded them to quarry large stones, costly stones, and hewn stones, to lay the foundation of the Temple"

For everyone set forth to lay the foundation in the kingdom work you'll need to tell me your experience in the quarry. History has proven that for every God sent work, it takes decades, for God's formation for that particular vessel to be approved for public usage by God. Even with the revelation

you may receive today from God, that revelation must take you first to the quarry of the living God. Many today are asking questions like: why is my vision delaying? Am I stagnated? Integrity is the answer to every right walk with God. All you need to do is enforce your commitment with integrity. Moses was in Jethro's house for forty years in a strange land with no pastor, no yoke fellow and no sign of vision fulfillment yet with no stain of sin recorded of him. At the appointed time, when he went through the process, (God's quarry) the heavens opened up. I urge you today, to go through your process loved ones. This is not to conclude you with head knowledge about God but with a genuine heart experience with God. The Pharisees and the Sadducees had God in their brain but the disciples had God in their heart. You are not a disciple or a servant of God with your head knowledge about God but you are a disciple and a servant with a heart experience for God, for He knocks at the heart and not the head. What comes from the heart rules a man but what comes from the brain may not rule somebody's life. You may give people what is in your head; and that thing does not govern your life, but what comes from the heart governs you.

1 Kings 6:7 "And the temple, when it was been built, was built with stone finished at the quarry, so that no hammer or chisel or any iron tool was heard in the temple while it was being built".

The fact that there is little or no unity in the body of Christ today is a clear indication that some

never even went to the quarry. Some went but did not finish its course and escaped, they became quarry drop outs. The Bible says the Temple was built with finished stones from the quarry so that no noise could be heard at the temple side, but today a lot of noise is heard at the temple of the Lord at individual and collective levels. The noise of "me" and "My" where people use God's name for their personal gain, the sales of objects in the temple that is called by God's name, the fight in the church today is not all about God. The division and confusion we see in church today is not all about God, the racism and tribalism we see in church today is not all about God, politics on the Altar and a lot more is not all about God, it's all about our pride and our stomach. That is why the result only brings out the fruits of darkness and not the fruits of righteousness which we were born and created for. At times people take advantage of people's weakness to break off and open new churches not because God has sent them and on their altars they have no message to preach than to preach people. All these are signs that we have not undergone the process of God in order to be used without mistakes in His Temple.

More often than not, if our personal gain will be met, we can allow sin to ruin the Altar of God and the people of God. This is why today people give bribes to officials to open and to run churches. People tell lies to maintain their position. These are all signs to tell us that there is crisis in the temple as a result of not going through God's process. Even when people

are rebuked of their errors and sin they find it difficult to repent. Many have become bended sticks which are difficult to be straightened; their consciences are hardened with hot iron.

1. GATEWAY TO RESCUE

Know you that there is no condition or situation that you find yourself in that God can't attend to; except the blasphemy against the Holy Spirit. If you know the foundation of your spiritual life or walk with God was wrongly laid, get it demolished through repentance, restitution and confession and the mercy of God will be yours. Once God's mercy is available for you, the Bible says whosoever shall call upon the name of the Lord shall be saved.

Romans 10:13 "For whoever calls on the name of the Lord shall be saved".

Call upon the Lord, go His way, learn His ways and you will be fit and smoothened in the hands of the master

2. FAITH AND PATIENCE

It is as a result of lack of faith and patience that many go to God's quarry and do not go through the process. Most at times because they have set their minds on a particular duration for a particular thing to happen, not because God gave them the duration. Looking at the word faith, it is the substance of things hoped for, evidence of things not seen. There is evidence within your being that can't be seen now but will be seen tomorrow. This places you on a platform of unquestionable trust in God.

Looking also at the word patience, it is defined as the ability to stay calm and accept a delay or something annoying without complaining. Most values that rescued nations and sustained generations cope in their days because they possessed the above virtues. Today, many believers celebrate the life of Joseph. Joseph believed God, had faith in God and did believe God to do what He had promised to do with him. He went through annoying, heartbreaking situations and Joseph in none of the circumstances complained, but stayed calm for God to work out things in His own way and at His own timing.

If you are in a haste to make things happen, I want to tell you, you will not be innocent of the damages you will cause. I pray that the grace that worked for Joseph, the good Lord will release it upon us too. He was deprived from his native land for hatred for his dream. He was sold as an article, sent into prison, yet he remained calm without complaining. He blamed no body but he did stay true to God and at the end of the day he became a testifier. I pray, don't fail in your process; go through it, in Jesus name.

Every being that successfully go through God's process will hardly fail in the day of adversity. Moses went through the process and ended with God, so too was Joshua, Samuel, Elijah and even the Apostles of the Lord and in no case were they seen as victims of situations, but they ended up as victors in all conflicts of life. **GOING THROUGH YOUR PROCESS GUARANTEES YOUR SAFETY.**

CHAPTER 3

THE EFFECTS OF VALUES

Every true value is a threat to the devil because it offers a potential agenda. The entrance into the world, of many Biblical legends that carry values was a threat to the kingdom of darkness. In most of the cases, the kingdom of darkness came out with a network to stop them but the content of their values prevailed against all such networks. The devil uses men to bring men into bondage as well as God uses men to bring men out of bondage. At the time that God set in His power to deliver Israel from Egypt, a value was born by name Moses. At the time this value was born, unwanted circumstances arose to terminate his existence. Are there also some things that you notice around you trying to terminate your existence? That should revitalize you by informing you that you are a value sent forth to liberate the people of God. ***Exodus 1:22 & 2:3 "So Pharaoh commanded all his people, saying, every son who is born, you shall cast into the river and every daughter you shall save alive" verse 3 "But when she could no longer hide him, she took an ark of bulrushes from him, daubed with asphalt and pitch, put the child in it and laid it in the reeds by the rivers bank"***

The appearance of every value will cause an atmosphere of opposition. It may sound different in various situations but you always see people that will stand in their might to oppose and kill. So for every

value carrier, be aware of this, stand on your watch and stay faithful to God. Moses was born at such a time that the king's decree went out to terminate all male children but the value he was carrying was more than the decree of the king. For every value, there will always be opposition so when you are a value carrier, don't count it strange when opposition rises against you. You should endeavour to stay faithful to God and the content of the value you carry would speak and not lie. Joseph was opposed but not killed, so too was Moses. May be you are also opposed, you will not be killed only remain true to God and the God of all grace will preserve you.

One sign you must be conscious of is to know that value will always project you to the place of prominence consciously or unconsciously. The pathway to the place of your value might become very cruel and unpleasant, but know that the Almighty God is the Master Architect. Moses was taken from the river bank to the palace of Pharaoh the most prominent kingdom in that age and he was to dine on the very table with the princes of Egypt. You will accept with me that most of the pain of your life calls the attention of authorities over your life.

Your value will also create identification with other values to identify with you. Daniel was identified with top values of Babylon but you will notice that it was through war that he entered Babylon as a war prisoner. Even so the syndrome of enslavement could not take command of the value

that was upon him. There in Babylon, he caught identification with other values that were in the land of Babylon, and his value spanned and governed with three different kings.

Value will give command and take control. Every where Joseph was, even in humiliation by men, consciously or unconsciously, Joseph gave commands and took control over situations. He was a voice in his father's house because he was the only one who had a dream that embodied the safety of his generation. He was a voice in Potiphar's house because through his leadership, Potiphar's house prospered. He was a voice in the prison, by his values, the prisoners were led to go according to the time interpreted by him and their purpose. By him, Egypt and the world at large were saved from the famine that was to destroy humanity in his days. He actually gave commands to the Egyptians and took control over the situation that was to deform his nation and his generation.

Value will give relevance for rescue. The value of God in the life of Elijah rescued the nation Israel from idolatry and false worship of Baal. Elisha also became relevant because of the values that he embodied, cursed and barren lands were rescued, the dead were brought to life, those that were indebted were freed from debts and much more can values do in the life of an individual and the entire system.

Lastly, value will bring attention for security. This can even be seen from our day to day life. Every value of a family, a region, a nation and a generation,

no matter where you are coming from there is always a keen attention to such values to their security. So being a value, you command security and attention to be at work. Child of God if the above is not the platform working for you, then you go to the process to get what was dead to come alive and to start working for you.

As a summary to all what have been said, get this to your mind again

1. Values will bring you to a place of prominence.
2. Values will bring other values to identify with you.
3. Values will give command and take control over situations.
4. Values will offer relevance that will bring rescue and solution to problems.
5. Values will command attention for security.

CHAPTER 4

THE TONGUE

The tongue is one of the little members of the body, but plays a vital role to the entire body. One's tongue used can either lift an individual up or bring him down. With the tongue, words are uttered out of the body and with the tongue, the taste is felt and food goes into the stomach. As little as it is, it possesses great power of life and death. The tongue operates with the mouth as the loud speaker of the body. If you are a value and cannot peddle your tongue and discipline it on what it should handle and what it should not handle, the tongue can turn out to be a weapon of destruction to your value.

Proverbs 18:21 "Death and life are in the power of the tongue, and those who love it will eat its fruits".

The tongue stands like a scale balance. It can issue both life and death depending on its usage. So as a child of the living God, you should be careful on how you use your tongue. Some use their tongue and ascend on the throne of promotion and some use their tongue for dethronement.

James 3:2 "For we all stumble in many things. If any one does not stumble in words he is a perfect man, able also to bridle the whole body".

The scripture says if you will lack knowledge in using your tongue, you will stumble in many things. And the things that you may find yourself falling into will be hurtful things. So you have to scale yourself and

control the tongue. It is also an instrument of power, because it actually tunes the sounds of words. If death and life can spring from one fountain called the tongue, then the tongue is a member of our body that must go into training by the word of God in order for it to have proper usage. For every value carrier, there are things that you must deprive your tongue from doing and there are things you must commit your tongue to do because with the power of the tongue, you can erect your life for beauty, into authority, recognition, you can send information for deliverance, for hope, for healing and the binding together of shattered minds. But if you can't separate the vile words from the precious word from your tongue, your life may end up in a mess, though created a value. Many are in jail because of their tongue and many too in a progressive life only because of their tongue. Child of God, do all to utilize this great instrument of power to empower your life.

Psalms 34:13 "keep your tongue from evil, and your lips from speaking deceit".

We have the r***e***sponsibility to keep our tongue from evil. One will ask what kind of evil? All wrong usage of the tongue is an act of evil, be it lies, deformation, or assassination of characters, be it immoral or seductive words, rebellious words or disrespectful words, all such and many others are wrong ways of using your tongue and every wrong application with your tongue will issue a death warrant to your destiny.

James 3:6 "And the tongue is a fire, a world of iniquity. The tongue is so set among our members that it defiles the whole body and sets on fire the cause of nature; and it is set on fire by hell".

So if the tongue is left by itself without taming it with the word of God, it will destroy every good about our lives. Many have lost good relationships, trust because of the wrong usage of their tongue. Many are injured and tormented because of the wrong usage of their tongue. Many are being abhorred and rejected because of the wrong usage of their tongue. While some use their tongue constructively for their well being, for the praise and worship of the Lord, which leads to lives' decorations.

This will draw our attention to a story I learnt from a servant of God; of a particular man who was living in a particular nation and he spent the whole of his life using his tongue to criticize the government of his nation. After several offences to the nation, his punishment was that they were to execute him by hanging. On the day of his execution, he was brought to the public square and when they lifted him to hang him, the rope cut and the law of the nation states "if on the day of one's execution, an eventuality takes place, the man was to go free". But as the rope cut the man rose up, instead of thanking God, he bashed on the nation again with another insult saying "look at this nation; they can't even make good ropes". The anger of the king rose against him and he was brought back and hung because of his tongue, he

terminated his life. Child of God, don't allow your tongue to cause you loose your person. You can know the folly of somebody by the expression of his words through the wrong usage of the tongue.

There are people you ask them one question and in response, they go beyond limit to narrate the story of their house, who they saw on the street, how the person was dressed- the tongue. You tell somebody "good morning", instead of simply replying "morning", he will tell you about Mary and John, the size of his television, the colour of the car he has imported. The tongue! Jesus, our Lord and Saviour was not a talkative, he rightly used his tongue and he is teaching us to rightly use our tongue.

Let your tongue be used to praise God, to utter words of wisdom, to propagate words of righteousness and purity, to generate power for work, let that tongue be used for excellent work.

Proverbs 10:20 "the tongue of the righteous is choiced silver; the heart of the wicked is worth little".

The tongue cannot be properly used in the power of your own strength but will be properly used if you as an individual give in for the seed of God to take its rightful place in your life because the mouth speaketh from the abundance of the heart.

Mathew 12:34 "Brood of vipers! How can you, being evil, speak good things? For out of the abundance of the heart the mouth speaks".

The tongue gets its source from the heart. So a well cultured heart for God will give a healthy

utterance for the tongue. If our innermost being is not alright, our speaker which is our mouth will utter evil, but that is not God's will for our lives. In this season use your tongue to speak well about your life. Prophesy good about your life, confess His covenant power over your destiny and train yourself in all good things so your tongue shall utter good things and the good things will be your becoming. Use your tongue for your recovery, your advancement and your well-being and disconnect from every form of usage that are not praise worthy.

CHAPTER 5

MAKING AND KEEPING COMPANY (ASSOCIATES)

Life will be very smooth and healthy if we are making the right choices at the right time with the right kind of people. Most cry and cracks in relationships is as a result of wrong matches. It will be a mistake for a goat to make a match with a lion, and it will also be a mistake for a sea creature to make a match with a land creature. It will be absolutely difficult for an elephant to make a match with an insect. So the subject of making and keeping company is one of the most crucial subject matters in life when it comes to fulfillment and possessing a platform of victory. Looking at every creature of God, there is an aspect an individual is bound to admire in a God created being. That one or two points of admiration are not a yes for a match in ones life. Making a match, you should know you are a creature, having a creator. You just realized yourself the way it is and take it the way it is because there are things in you that were created to be so by God. So acknowledging God's sovereignty over your life, it means in all acts of making company, God's act of sovereignty over your life must take the lead, reasons being that you didn't determine what sex you were to be. You only found yourself in the sex in which you find yourself in. So in order to flow without

friction with your match, let God take the first place as stated in

Colossians 1:16-18 "For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through him and for him. And he is before all things, and in him all consist. And He is the head of the body, the church, who is the beginning, the first born from the dead, that in all things he may have the preeminence".

There are three basic things that must be considered in taking basic steps, in making companies or keeping companies:

1. Know God's word for your life.
2. Know the specie of your person.
3. Know the purpose of your living.

Looking at the above mentioned points, you must go in for persons that are of like passion. Living for what you are living for, this will call for a close examination by the help of the Almighty God by your own permission. If you are a God fearing and God loving child, and you go to make friends with somebody who does not fear God as much, you are leading your life into a minus. It is not the title we carry as Christians that make us God's children, rather it is the fruits that we bear because every fruits yielded is as a result of the life that we live. Paul told the Romans that not all Israel are Israel. And even in understanding purpose and fulfillment, if you want to be a nurse, only advanced trained nurses need

to train you. If you want to be a doctor, only advanced trained doctors need to train you. An army will not go to a medical training center to receive training as an army. As rightly said by a man of God, one nation trained two departments of services. One department called the medical are trained to treat and preserve lives while the other department called the armed force trained and are licensed to kill the very lives in the battle field by the very nation. And both departments are all organs of the same nation, serving different purposes for the same nation. In the book of

Ephesians 4:11 "And he himself gave some to be Apostles, some Evangelists, some pastors and teachers for the equipping of the saints for the work of ministry, for the edifying of the body of Christ".

As a minister of God, you should know your office of calling, associate and learn from those who were called ahead of you in that very lane where you are called, who carry fruits of that office and go and submit to them for your equipping. Are you an Apostle? Look for those with apostolic grace. Are you a prophet? Look for those with prophetic grace. Are you an Evangelist? Look for those with Evangelistic grace, are you a teacher? Look for those with teaching grace, are you a pastor? Look for those with pastoral grace. There must be men of integrity who have walked through the ages past with proven ministry as Paul told his son in the past, prove the ministry because the one you follow, you will soon become like him.

A pastor cannot train a prophet, just as a doctor cannot train an army. There are a lot of arguments in the body of Christ today because of wrong alignment of mission and purpose and only those of the apostolic grace can be able to be good coaches for the five fold ministries. In the lane of your ministration, have a quest for excellence and go for it. If you are a living oracle, go for living oracles of the Lord. Don't be a living oracle and go to an oracle that is already dead for that may destroy your purpose.

Romans 9:6 "But it is not that the word of God had taken no effect, for they are not all Israel who are Israel nor are they all children because they are a seed of Abraham; but, in Isaac your seed shall be called".

This had to conform to two kings that were all Israelites, one was living for God and the other was just an Israelite by birth. You are not a child of God just because you are naturally delivered or the Christian name you bear, but you are a child of God by giving God a living life. Ahab and Jehoshaphat were all kings born of the seed of Abraham but not all had the very purpose and fear for God. Ahab had little or no fear for God but Jehoshaphat was a God fearing man and he made an error by associating with somebody who had no fear for God. If you are a straight tongued person, don't keep company with crooked tongued people. Go for people of your specie. Uprightness goes with uprightness, purity for

purity, faith for faith. Understand a partner or company before ever opening up to them.

2 ***Chronicles 18:1-3 "Jehoshaphat had riches and honour in abundance; and by marriage he allied himself with Ahab. After some years he went down to visit Ahab in Samaria; and Ahab killed sheep and oxen in abundance for him and the people who were with him, and persuaded him to go up with him to Ramoth Gilead. So Ahab king of Israel said to Jehoshaphat king of Judah, will you go with me against Ramoth Gilead? And he answered him, I am as you are and my people as your people; we will be with you in the war".***

We are not the same because we go to the same church, or because we come from the same womb, or from the same tribe but we are the same when we share a common seed of God in attitude and character. Most of the pains that we go through today are as a result of wrong company made and in most cases, we find our lives being torn apart. Jehoshaphat almost lost his life if not of the mercy of God because of the wrong company he made with Ahab. This is to let us know as Apostle Paul rightly said, not all Israel are Israel. If we don't adjust this, we will invite unwanted pain into our journey of life. Know your specie and go for it, know your purpose and stand by it and go for men who cherish like purpose like you and you will find a smooth fulfillment for ***Proverbs 27:17*** says ***"iron sharpens iron"*** wood can't sharpen iron and iron can't sharpen wood. Let's look at the story of the young prophet in

1 Kings 13

Verse 1-2 "And behold a man of God went from Judah to Bethel by the word of the Lord, and Jeroboam stood by the Altar to burn incense. Then he cried out against the Altar by the word of the Lord and said O Altar, Altar! Thus says the Lord behold a child, Josiah by name shall be born to the house of David and on you he shall sacrifice the priest of the high places who burnt incense on you and men's bones shall be burnt on you. . . . Verse 4 "so it came to pass when king Jeroboam heard the man of God who cried out against the Altar in Bethel that he stretched out his arm from the alter saying, Arrest him! Then his hand which he stretched out towards him withered so that he could not pull it back to himself. . . . Verse 14b-18 "then he said to him are you the man of God who came from Judah? And he said I am. Then he said to him come home with me and eat bread. And he said I cannot return with you nor go in with you! Neither can I eat bread nor drink water with you in this place. For I have been told by the word of the Lord, you shall not eat bread nor drink water there nor return by going the way you came. He said to him, I too am a prophet as you are and an Angel spoke to me by the word of the Lord saying bring him back with you to your house, that he may eat bread and drink water (he was lying to him) . . ."

The young prophet in ***1 kings 13*** also made a fatal mistake. He was a man with a message from God but gave in to the invitation of an old prophet who had no message from God. He was carried in that error by the old prophet. He was deceived and he ended up throwing his message that brought him honour to buy noise from the old prophet. Look for men and women who are in line with your purpose of living. Don't sell God's given message to buy trouble, don't even exchange it. Keep yourself far away from evil associates. Light cannot fellowship together with darkness, neither righteousness with unrighteousness. The young prophet got the light of God and message of God but went to feast with an old prophet whose vision and walk with God was dead. The end of the young prophet was calamity and untimely death. The stomach of animals became his own grave. I pray that this will not be your portion my dear readers in the name of Jesus.

1 Corinthians 15:33 "Do not be deceived; evil company corrupts good habits".

Paul writing to the church was warning them from wrong company. Many are stopped in the journey of life, many are held bound, and many are in lamentation because of the mistake of wrong company. Jesus warned his disciples in ***Matt 16:6*** to beware of the doctrines of the Pharisees which were to lure men in breaking God's word rather than obeying it. So today the very spirit of the old has not died, it is still hovering in the lives of men to see that men still stray as in the days of old.

Paul writing to his son in the Lord, Timothy, warned him of some characters that were in men that were not of God, told his son to keep away from such.

1 Timothy 6:20 "O Timothy, guard what was committed to your trust, avoiding the profane and idle babblings and contradictions of what is falsely called knowledge by professing it some have strayed concerning the faith. Grace be with you". Amen.

Child of God, go for your specie that long for eternity, unite with your specie that keep eternity within them, stamp out what is evil and hold on to that which is good in the sight of God and men and your purpose and person will live to reign till eternity. Don't relent your efforts; jealously guard your purpose and person till Christ returns. Be Blessed.

CHAPTER SIX

GIVING AND SERVING

Giving and services had its origin from God. The Almighty Himself is a great giver of values into the lives of His creation. He created all that He created and gave them the best of His provision, and made all living organisms to procreate and that has put to birth the power of multiplication to all species. So every man or woman born of God must be a giver and given to services both to God and humanity, thereby fulfilling Divine order. Being a giver is a Divine instruction from God. It is also an opportunity for an individual to be called up to serve and to be a giver it is also an act of worship to the Almighty God.

When giving or serving, you do yourself more good than the people you are giving to or you are serving because the word of God says, a man's gift maketh a way for him.

Proverbs 18:16 "A man's gift makes room for him and brings him before great men"

So in giving and serving, you provoke and commit God to open great doors for you to meet great men. But if you remain greedy, with your gift and services, the Lord says you'll be brought down to poverty as long as you are holding what you were to let go to God, his people and the work of God. It is a sin to hold back what God has placed under your custody when God and His people are in need of such value.

Proverbs 11:24-25 "There is one who scatters, yet increases more; and there is one who withholds more than is right, but it leads to poverty. The generous soul will be made rich and he who waters will also be watered himself".

You should count yourself happy and opportuned that God counts you worthy to render a service into His house or his kingdom and with all joyfulness, always do your services for the Lord and His people knowing great will be your reward. You may not expect God to fill your basket to the overflow when you are not prepared to fill other people's baskets to the overflow.

Luke 6:38 "Give and it will be given to you good measure, pressed down, shaken together, and running over will be put into your bossom. For with the same measure that you use, it will be measured back to you".

So your act of giving, sacrifices and services to the Lord is a guarantor for an overflowing blessing and enlargement of your coast. The gift of men and women of old and even in our present generation sky-rocketed them to a place of no lack. Giving to God and to men, you are commanded to give valuable and not invaluable things, to give real service and not invaluable services. Let God see value in your giving and in your services. So each time you are before the altar of God with a gift or you are to give somebody a gift, ask yourself a question; this thing I'm giving, does it have true value to me? If it has value then know value will also be increased in your

life but if it has no value, then no value will also be added to your life.

Cain and Abel the sons of Adam and Eve had to sacrifice the gifts of their substance before God. ***Genesis 4***. We could realize that on the altar of sacrifice, both had gifts ready to be offered to God as sacrifice. But on Cain's own altar, the gift had no value and on the altar of Abel, his own gift had a value with God. When they began their sacrifices, while Abel was blessed because of valuable gifts on the Altar of God, Cain received a curse from God. Bringing a sacrifice to God without value is treating the altar of God with disrespect and it is punishable. God appreciated Abel's sacrifice because of the value of his gifts but rejected Cain's own because it had no value before God and he knew it. ***Genesis 4:1-15.*** Every true gift must be a gift that speaks meaning in the life of the giver. You are not to give to men meaningless things, neither to God.

David the king of Israel halted God's anger upon his life and the people through a gift. True sacrifice can withhold God's judgement and punishment.

1 Chronicles 21:23-24 "But Ornan said to David take it to yourself, and let my lord the king do what is good in his eyes. Look, I also give you the oxen for burnt offerings, the threshing implements for wood, and the wheat for the grain offering; I give it all. Then king David said to Ornan, but I will surely buy it for the full price, for I will not take

what is yours for the Lord, nor offer burnt offerings <u>with that which costs me nothing".</u>

Sacrifice can also open your heavens when values are found in your gift laid at the altar of sacrifice. David says I cannot offer to the Lord that which cost me nothing, that is why every gift that must bring results must cost you something. The king of Moab in the day of Elisha the prophet was combated and beaten by the Israelites in the battle field. He overturned the war by sacrificing a costly sacrifice of his eldest son to the Lord and when he did that, God turned the battle in favour of the king of Moab and Israel was defeated because of a costly sacrifice.

2 kings 3:26 "And when the king of Moab saw that the battle was too fierce for him, he took with him 700 men who drew swords to break through to the king of Edom but they could not. Then he took his eldest son who would have reigned in his place and offered him as a burnt offering upon the wall and there was great indignation against Israel. So they departed from him and returned to their own land"

Your giving and services can overturn your battle. Dorcas was brought back to life by the services she rendered in her days. When the widows gathered round her corpse, God did move His servant to pray her back to life. Many got fulfillment in life and sustenance and blessing untold and prominent position because of giving and services. Rebecca got married to Isaac because of her services to Abraham's servant sent to her. The Shunamite woman got the yoke of barrenness broken because of her giving and

services to Elisha the man of God and his servant. Ruth ascended to prominence because of her services to her mother-in-law, Naomi. The widow of Zarephath crushed the fierce famine of her days because of her services and attention that she gave to Elijah the man of God. There are storms of life and difficult situations that will be overcome by your services and giving to God and humanity. ***Genesis 24:17-21, Ruth 2:3-5, 2 Kings 4:8-37, 1 Kings 17:7-16, Acts 9:36-42, Gen 24:17-21, 2 Kings 4:8-37, Ruth 2:3-5, 1Kings 17:7-16.***

Every giving must be directed by God's spirit and God's word and every sacrifice that must bring results must be on God's altar and not on men's altar. Before laying your sacrifice on any altar, you must have a confirmation that it is God's altar before that sacrifice can speak for your good. So your sacrifice must be on the altar that you have testimony that God is the author of that altar. Don't take your gift or services to the sanctuary of the devil and expect God to reward you for He will not reward you and such services will be null and void.

Isaiah 32:20 "Blessed are you who sow beside all waters, who send out freely the feet of the ox and the donkey".

So lay your gifts on a fruitful ground, for every ground where God is God is a fruitful ground and you shall bring forth your fruits in your season. ***Psalms 1:3***

AREAS OF GIVING AND SERVICES

1. The Altar of God and the work of God. You are commanded to bring your tithes and offering in the storehouse of God so that the Lord will rebuke the devourer for you and open your heavens for blessings.

Malachi 3:6 &8 -15 "For I am the Lord I do not change; therefore you are not consumed O sons of Jacob. Will a man rob God? Yet you have robbed me! But you say, in what way have we robbed you? In tithes and offerings. You are cursed with a curse, for you have robbed me, even this whole nation. Bring all the tithes into the storehouse, that there may be food in my house, and try me in this, says the Lord of host, if I will not open for you the windows of heaven, and pour out for you such blessing that there will not be room enough to receive it . . . "

If you are not faithful with your tithe and offering, a tenth of your income, you are a robber before God and a curse. And you will open door for the devil to devour all good things in your life. All true worshippers are tithers and grateful children of God, worshipping Him for all His benefits over their lives.

2. Giving and serving in the life of the servant of God: There are treasures of God embodied in earthly vessels and these vessels are God sent servants. Your services to them and giving will unlock your doors to blessings and breakthrough. For the Lord said, if you receive a righteous man for

righteousness, you shall receive a righteous man's reward. If you receive a prophet in the name of a prophet, you will also receive a prophet's reward.
Mathew 10:40-41 "He who receives you receives me and he who receives me receives Him who sent me. He who receives a prophet in the name of a prophet shall receive a prophet's reward. And he who receives a righteous man in the name of a righteous man shall receive a righteous man's reward"
The Shunamite woman received Elisha the prophet and the content of the prophet's life brought peace and fulfillment in her family. The yoke of barrenness was broken because of her services to the man of God. The presence of God's servants in your life is the presence of Jesus and the Father in your life. For the Bible says he that receives you receives me and he that receives me receives Him that sent me. Servants of God are carriers of the treasure of your career. **NO MOSES, NO JOSHUA, NO ELIJAH, NO ELISHA, NO PAUL, NO TIMOTHY.** May the Holy Spirit enrich you more and more with Divine information.
3. Your services and giving to humanity: it is an opportunity for you to serve your world and be a blessing to your world by giving and serving the less privileged in the society. Jesus did not only preach to the people, He fed the people. Having taken care of the Salvation of their souls, He also paid attention to the well being of the people's bodies. Know that what ever services you are giving to humanity, know

that you are giving it to the Lord so you should not relent your efforts in serving your world or your community. Mathew 14:13-21

Mathew 25:34-40 "Then the king will say to those on His right hand come you blessed of my father, inherit the kingdom prepared for you from the foundation of the world; for I was hungry and you gave me food, I was thirsty and you gave me drink; I was a stranger and you took me in; I was naked and you clothed me; I was sick and you visited me; I was in prison and you came to me . . . . . and the king will answer and say to them, assuredly I say to you, in as much as you did it to one of the least of these my brethren you did it for me"

So beloved, know that your services to humanity is a direct service to the Almighty God. In your giving and services to humanity, don't expect your reward from people; your reward will come from the Living God. For our God is faithful.

Ecclesiastes 11:1 "Cast your bread upon the waters for you will find it after many days"

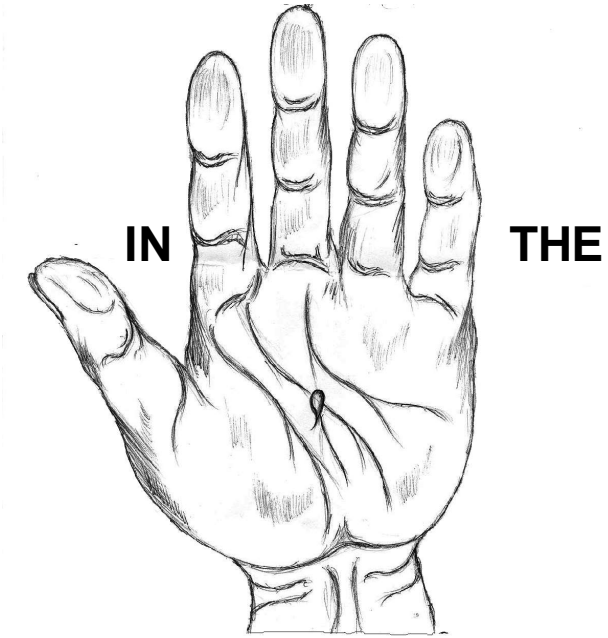

Every work of yours is going into Divine records and one day it shall be revealed. The measure of the fruit of your labour will depend on your services to the Lord and His people.
