PROPHETIC WORD

"ARISE AND RUN WITH THE VISION"

WATCHWORD:

EZEKIEL 12:23 ". . . THE DAYS ARE AT HAND, AND THE EFFECT OF EVERY VISION"

INTRODUCTION

We are heartily grateful to the Almighty God for His ceaseless favour and leading over the years. For peddling us with values embodied with every tick of the clock. Thanking the Almighty God for ceaselessly empowering us with values that provoke and bring to place an unquestionable manifestation of the sons and daughters of God. We are grateful to the works of the Spirit in our lives, thankful to the blood of Jesus that has qualified us to be heirs of eternal inheritance. For taking us into a deeper relationship with our father to daily access the depth of our riches in Christ Jesus. I want to say welcome into another month of focus and determination for what is new again which has been kept away for years past. The Lord says this is the season to bring every vision to its effect.

In this month, our attention is drawn to arise from any form of slumber and run with what we were called to accomplish in life for the glory of God. Being enriched with grace and the power of the Holy Ghost, arise and run tirelessly without looking back until every vision deposited in your life be made manifest for the glory of God. Once more, arise, arise and run through in the Mighty name of Jesus.

CHAPTER 1

UNDERSTANDING YOUR TIMING AND VISION

We have to understand that our walk with God is a walk of faith. Faith is the substance of things hoped for, the evidence of things that are not seen with natural eyes. But when accessed, it brings the invisible to the visible. Your walk with God and even the salvation of your soul is made possible by faith through grace. So come to talk of understanding your vision and your timing, which is made possible through the word of faith that we preach. This is because, what you don't understand, you will not know how to go about with it. The fact that you were created in the image of God carries a significance attached to your life which can be called an embodiment of a vision within you.

We are the offspring of Adam and Eve. In as much as God created Adam and Eve and embodied a purpose (vision) for them to run with and get it fulfilled, that also is applicable in all the down line or the offspring of Adam and Eve. You need to count and depend on the faithfulness of God over your life and the strength of His might working through you for your very good. Each time a soul wanders from God and at the end of the day the individual meets God, He always brings such an individual in remembrance of whom they were created to be. I want you to understand this; the manifestation of your life draws its inspiration from the content of the vision God has placed in you. You can't separate your vision from its timing. Both go hand in gloves.

In ***Ecclesiastes 3:1*** we can see that purposes are attached to timing. What will make the wheel of ones life to keep on rolling can only depend on the life deposited on the individual's vision. From the days of old until today, each time God calls a man, He will bring the man in connection to the vision and the time attached to it. **How do I now understand the vision of my life?**

You can understand the vision of your life through the word of God (Bible). For it is written "I come in the volume of the book that is written concerning me to do your will Oh Lord"

Psalms 40:7-8 "Then said I lo, I come; in the volume of the book it is written of me, I delight to do thy will, O my God; yea, thy law is within my heart"

You can also understand your vision by a given assignment or project that gives a burden in the content of your mind more than any other thing that may be attached to your life.. A strong feeling to get something done is also a mark of understanding of what you are called to do for your generation. This may have to do in a scene where you realize that what may matter to you may not matter to the people surrounding you. You may be in to doing many things, but one thing will matter to you most and that thing carries the core of your vision and your purpose of existence though you may see yourself doing many other things. We will realize that men of old went through this process. For example, Moses unconsciously without former introduction or a direct prophecy or a written word from scripture concerning his life to be used as an instrument of liberation; was carried with such a burden when he came of age.

The vision of your life also may come to your notice at a particular time in life and this vision will take over your passion. You may have it through dreams, vision, and prophecy or through a mentor. Like Zechariah understood the vision of John the Baptist, like Mary the mother of Christ understood the vision of Jesus, like Ananias understood the vision of Paul. Your vision will only be active when your relationship with God is alive and healthy. If not, it could be there but dormant. Every human finds fulfillment and satisfaction when they ride on with their vision. Every true vision of God for a life or an individual, when followed keeps you safe and sound in Christ Jesus. But any passion or anything called vision that turn to jeopardize your relationship with God is not of God. In our world today, some nations are trying to legalize what God forbids. Such nations do things in the name of a vision or an assignment which they are sent on earth to fulfill. Those are diabolic agendas sent forth by the devil. Like the nations legalizing gay marriages, abortion, forbidding children from being taught the ways of God. All such plans are satanic oriented visions.

Your vision from God needs to stare a ground of righteousness for God in your life and to make you grow in the knowledge and the fear of the Lord. There are some that fraud their ages in the name of God to travel abroad with the pretext of going to work for God. Those are terrible errors and deceptions that men are lured into. Every God's given vision gives a sense of purity for its realization.

Visions are embodied within you but there is a set time for its public manifestation. There is always a battle from inception, to the execution and realization of

a vision. The devil does all within this time to get you adulterated with the syndrome (pressure) of impatience, indiscipline and laziness. Each time you feel that you will do something by compromising God's standard for Him to react in your direction and your favour is an error which will never move God for He says I am the Lord, I changeth not. It is on this basis that Habakkuk says every God's given vision is for an appointed time and you are commanded to stay in place and wait for it. We should be able to know the importance of God's set time for the manifestation of every God's given vision. Like God talking to Abraham about timing attached to purpose.

In Genesis 18:14b "At the time appointed, I will return unto thee, according to the time of life and Sarah shall have a son"

So there is a set time for every manifestation and sons of men are obliged to stay true and patiently wait for it. Don't say I'm getting grey hairs, things must happen now for there is no happening until God makes it to happen. For without Him we can do nothing. It is God to move you to do something. Let us take the person of Moses for our illustration:

The birth of Moses and the things he went through to survive was a significance that indicated he was a vision carrier who had the vision of other men attached to him.

Exodus 2:11"And it came to pass in those days, when Moses was grown, that he went out unto his brethren and looked on their burdens;. . ."

From the very inception, Moses was embodied with this vision. Maturity goes with time; when he had grown, he had to miss the palace of Pharaoh to identify with his brethren or in other words men of his passion. The scripture tells us that when he had come of age, he refused to be called with the name he was formerly known by. We realize that it took Moses 40years to identify his vision. And it took another 40 years for God to train him to manage the vision he was born for. Lastly it took him another 40 years to run with the vision. When God is not through with you, you see yourself more qualified; (these are symptoms of immaturity) but when God is through with you, you see yourself unqualified and this is where the strength of God qualifies your inability, thereby making you a tool in His hands to be used.

Moses in his early 40's did not tell us he was a stammer but portrayed his qualification as a deliverer by attacking somebody and killing the person. His immaturity proved him wrong for instead of persisting in his mission, he ran. When he went through God's process, there was no battle he faced that made him to resign from his mission for he ran from a threat of an Egyptian servant but when he was pruned and trained by the process of God, not even the threat of the whole Egypt could make him turn down the mission of God. In those early years He covered his weaknesses. If you can't own up with your weaknesses, grace can't answer for you. For Paul the great Apostle to own up that he was afflicted was a great sign of maturity. For being an Apostle he didn't make himself god in any life. Being burdened with the vision may not be the right season for its execution, for the set time of manifestation is driven by

the power of God like Jesus returning from the wilderness to commence His public ministry. So burden is an indication for you to go for circumcision of the heart and the crucifixion of the flesh, where self and arrogance are crucified and only His presence (God) remains your only surviving factor. For God is not in a haste to use uncircumcised vessels and He is never behind time; God is always in time. So your patience and your diligent waiting on God is a sign of His leading over your life. For Job said "I will wait until my change come" you are not to device any other method with a carnal mind but you have to submit yourself to Divine leading to the realization of who you were called to be and what you were called to do. Therefore understand your vision, patiently wait for it and get empowered to run with it.

PRAYERS

1- Oh Lord, deliver me from the errors of the past and equip me with knowledge.
2- Lord, position me on my lane, to carry my vision in the name of Jesus.
3- Lord, help me identify with men of my passion in the name of Jesus.
4- Lord I break off every drag attached to my vision in the mighty name of Jesus.
5- Thank you Lord for hearing and answering me in Jesus name.

CHAPTER 2

PERSISTENT PURSUIT OF A VISION

There is a slogan that says nothing good comes easy. Values are not gotten on easy grounds. For everything that will make one's life beautiful, there must be a deep search and total hard work with true knowledge and focus. To get what may be long lasting, adequate time and commitment with knowledge must be given to such a value. Reasons being that it takes skills to get something rightly done; like one philosopher said we become what we repeatedly do. All true visions are achieved by men and women that were persistent in their pursuit to get their visions materialized. What you believe in, you can attain, and can actually have possession of it. It takes a knowing mind to generate a believing heart. Let us look at what the word of God says in the book of

Mark 9:23 "Jesus said unto him, if thou can believe, all things are possible to him that believeth" so the possibility of realization begins with true knowledge of the vision you are pursuing and the knowledge will ignite the heart to push forward the expected pursued vision to be realized. Every vision that will make one's life relevant calls for an activity which will make one to spend more time and working hard. History has proven so. There is nothing under the sun that brought about a re-awakening in men's circle that didn't take time for its realization, from the ancient day till present date. For lasting visions that will activate life and restore quality, time must be sacrificed in order to render its birth.

When we look at the story of Noah and the Ark, it came as an assignment from God. Though from God, the Ark was not made for a day or for a year, but years were taken by Noah and his collaborators to get the Ark made. If these men were not persistent, they wouldn't have been able to bring significance to their generation. Commentaries made us to understand that in making the Ark, Noah and his collaborators were mocked and the mockery came as a distraction from their God's given vision. Distractors will preach discouragement and impossibilities when you are in pursuit of your goal. But you should know that your celebration is in fulfilling God's order in your life and not men's desires or comments. That Ark of Noah became a saving factor because he was persistent to God's instructions and not to the comments of those that stood to distract him. I want to let you know that the way through in your vision is in God and while in God, your answer is located somewhere and not everywhere. For there are no two Ananias sent to Paul, there is only one Ananias; there are no two Elijahs sent to Elisha, only one Elijah is sent to Elisha. There is a ground you must locate for your significance to break out. Every child belong to a particular home that has been destined by God.

In having your pursuit fulfilled, you must come to the point of gathering vital information. Facts may help you in your pursuit but only truth will establish you. Therefore you should know that for you to meet up with the pursuit of your vision, there are things you must miss out in order for you to attain to the ultimate of your vision from God. There can't be a vital change of your life without a persistent pursuit of a vision. You can't attain

to significance until you become persistent in your pursuit. This will draw our attention to some Bible characters that portrayed their persistence in the pursuit of their vision.

Elisha wouldn't have become in the fullness of who he was created to be if he was not persistent. You need to be persistent in your pursuit because many are the distractors of your vision than the contributors. In fact in a hundred, you might have 90 percent or more who are there to destroy your vision and only a few who are there to make it up. Even those you may call closed friends may be working unconsciously for the devil. In your pursuit, be diligent enough in order not to lose your focus. This has to do with dealing with idleness and uncalled fellowship that may turn to ruin your vision instead of building it. When you realize more confrontation at a particular season of your life, you should know you are too close to make a significant change. You may realize the pressure of men weighing you down to the extent that you may feel, you are in error. There are some things you need to know in such moments. You need to search the following factors within your life:

- Check out whether you have peace within you.
- Check out whether you have peace with God.
- Check your approach towards making peace with all people.

If the three points can answer on your behalf positively, you should stay calm and focused knowing the Lord is close to answer a situation in your life that will silence your opposition. Let us look at the response of Elisha to

his master and to the sons of the prophets when he was too close to his vision. When your words are too much with men (for justification to win the approval of men), it is a sign of Divine disconnection.

In ***2 Kings 2*** Elisha had to move with his master Elijah on four different grounds. Their journey all began from Gilgal, to Bethel, to Jericho and finally the ground of breakthrough; the crossing of the Jordan. There are some confrontations you may even have with your mentor which may be God's means to test your consistency. This is how it was with Elijah and Elisha, even with Jesus and His disciples in John 6 where Jesus asked them "all have gone, will you also go?" and Peter had to remind the Lord of his testimony concerning Him.

2 Kings 2:2 "And Elijah said unto Elisha tarry here I pray thee for the Lord has sent me unto Bethel. And Elisha said unto him, as the Lord liveth, and as thy soul liveth, I will not leave thee. So they went down to Bethel"

You'll realize that this clause repeated itself in four different occasions but Elisha showed his persistence to his master. Even when the sons of the prophets did likewise on different grounds by asking Elisha the question "Do you know that the Lord will take your master away from you today?". Elisha answered and said:

2 Kings 2:5 "Yea I know it, hold ye your peace" so the knowing mind of Elisha gave him a believing heart that did not create any contention between him and the sons of the prophets. That was a true act of Loyalty in service.

Here comes another situation in John 5 about a man that was bedridden for 38 years.

John 5:5 "And a certain man was there which has had infirmity thirty and eight years. When Jesus saw him lie, and knew that he had been now a long time in that case, he said unto him will thou be made whole?"

For this man being in a situation for thirty eight years, God came at such a time for his healing and addressed his situation. His persistence was a proof of his faith that he will have a change one day and at the end of the day his expectation was met. The man refused to back down his expectation, to give up his goal or vision to a situation that had persisted in his life for thirty eight years. Life will always emerge when hope is in place. On several occasions, the man at the pool had made an attempt to dive in the water after the moving of the water by the Angel but others went in before him. Despite all this he never gave up, he was persistent for a change and he was in pursuit to see his dream come true. This man cannot be forgotten because he got it through persistence but others that got it without persistence, though healed, their case is not mentioned.

Your persistence for the pursuit of your vision will commit God to announce you. God takes delight when His sons and daughters triumph over the resistances of life. Whatever has been weighing you down, making you to divert your vision, don't be discouraged. This message is for you to return to the lane God called you to. For all it takes to triumph are already available in Christ Jesus. Your union with Him guarantees your victory. Don't lose heart, don't give up until every jot of your vision is saddled out for your generation to celebrate God for your life as it is written; in your pursuit you are not alone, God is involved in all you are going through. This is seen in the book of

Isaiah 43:2-3 "When thou passeth through the waters I will be with thee, and through the rivers they shall not overflow thee; when thou walkest through the fire, thou shall not be burnt neither shall the flame kindle upon thee. For I am the Lord thy God, the Holy One of Israel, thy Saviour; I gave Egypt for thy ransom, Ethiopia and Seba for thee".

For everything we celebrate and enjoy from the circular world to the sacred world, it came through persistence. Just like Thomas Edison in his pursuit to come out with the filament lamp, he was persistent, also Michael Faraday, they didn't take their vision lightly. The spiritual bliss we enjoy today is because men never took it easy on their knees by giving God a living life. Never you be tempted to return to your vomit. Stay true and go through. All these tools were achieved through years of toiling and commitment. Their results today are unarguable.

PRAYERS

1- Oh Lord, empower me in my pursuit in the name of Jesus.
2- Lord I come against every form of resistance, known and unknown, standing the way of my advancement in the name of Jesus.
3- Lord, join me to the right company of my life.
4- Lord, equip me with knowledge and determination to keep on forging ahead till all is well done.
5- Thank you Lord for granting my request in Jesus name.

CHAPTER 3

MAKING DESIRES FRUITFUL

Every human celebrates the increase of good things. No one takes delight in having bad results. But often, we may not know how we can go about producing results that will answer for our good. Desire has to do with an aspect of strongly wanting something while fruitfulness is an aspect of producing good results. Every right thinking person develops a strong desire to see good results following them. Therefore, for your desire to become fruitful, you must anchor your mind and your entire being to the right coordination. When your aspiration is not anchored to right coordination, the right or good result will not be achieved. Who then should be our coordination source?

Coordination here has to do with having the right thing to do and doing them at the right time and the necessary follow up to get the expected desires, go through a process and attain a proper destination. In ***Psalms 37:5 "Commit thy way unto the Lord; trust also in Him; and he shall bring it to pass"***

Why do we have to commit our ways to God? He alone is the true source of everything that is good. And whatever proceeds from God to human beings carry the message of fruitfulness (goodness). Let us look at the confession of Jesus about His father who also is our Father; when a young rich ruler came to Him in

Mark 10:18 "And Jesus said unto him, why callest thou me good? There is none good but one, that is, God"

Jesus told the young rich ruler that God alone was good and if we must have our desired fruitfulness, we need to commit our lives, our ways, and our thoughts to the central coordination of our being (God); for Him to direct our path. If on the other hand we commit our lives to a wrong coordination point, our lives will end up being unfruitful. For whatever cannot speak into eternity, we can't term that fruitfulness. There are some desires that men hold on to that will last just for a moment. Such desires are orchestrated by satanic inspiration. It is like answering a name today that tomorrow it will be forgotten. So God is the true source that could make every desire of human a fruitful one and praise worthy in all ages. What we will be looking at now is having made God my source, how do I commence with the fruitfulness of my desire?

- Identify the particular desire or goal you strongly want. More often when God meets people, He asks them "What do you want me to do?" God may actually know what you need but He wants you to show a responsibility of what you want Him to do to you. So your desired fruitfulness is what stands before you as a priority. So you should ask yourself in your desired fruitfulness what is that element which when done you could show case to affect other people's lives positively.

- Haven made the identification; you need to discipline yourself in the pursuit of your desires. There are certain things you desire that if you identify with some kind of people, you may abort that purpose. For example if you desire to be an engineer and you start to yoke with a "buyam sellam" you should not expect to reach your

expected goal. So if you can't attach discipline to your desire, the expected results will never be realized, if you are one that have been born with discipline and you mingle with people who are not discipline, you will abort your desire, if you are one that fear God and you start to yoke with people that are not God fearing or God loving, you may have your desires destroyed for the scripture says ***"Light cannot yoke with darkness, neither righteousness with unrighteousness, nor a worshipper of God with an idol temple" 2 Corinthians 6:14.***

- Go for knowledge that will equip you to gather material to fuel your desire. Locate a ground of fellowship with men of like passion that you can interact with in order to sharpen yourself for effective operation that will issue advancement for fruitfulness.

- Make each idea practical in order to have experience that could facilitate explanations to benefit other people because until your desire is beneficial to the lives of others, it cannot be marketable. And what we call fruitful must be marketable. These are some of the reasons that many may aspire to be fruitful but not all end up being fruitful. For when the expected discipline is not in place, we may turn to live our lives in abstract without true results.

The servant of Elijah, Elisha had the desire to be in the double strength of his mentor Elijah. Elisha identified God in Elijah's life and disciplined himself to follow all

necessary disciplines. At the close of the day, the expected desires and evidences were met. When we talk of discipline, it should not be an act but a habit. For what we repeatedly do, we become. This has to do with hard work by the leading of God and that will release an unlimited fruitfulness. Indiscipline is one of the agents that have killed true desires in the lives of people that were longing for fruitfulness. For any true advancement in life, discipline must have its true course in your life. True discipline calls for sacrifice and pain but the pain you go through because of discipline will crown you with honour. The pain of indiscipline may double that of discipline and its end is that of shame and horrors.

There are great values today that are swallowed up in reproach because of indiscipline. So attach discipline to your desire and grow in fruitfulness. Discipline initiates a quest for an upright living and the seed of uprightness provokes fruitfulness as the scripture says in

Proverbs 14:34 "Righteousness exalts a nation: but sin is a reproach to any people" and

Isaiah 54:14 "In righteousness shalt thou be established: thou shalt be far from oppression; for thou shalt not fear: and from terror; for it shall not come near thee"

For one to initiate a walk of righteousness, discipline is a major factor. It is this uprightness that brings fruitfulness and expected desires to be met. The Apostle Paul had the desire of making it at the end. He told the Corinthian church his act of discipline

1 Corinthians 9:26-27 "I therefore so run, not as uncertainly; so fight I, not as one that beateth the air: but I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway"

For Paul to maintain a lane of a living life, he gave in to discipline in order to escape the future damnation that is preserved for the undisciplined. Many are afflicted with diseases, many have been initiated into cults, and many have gotten their moral distorted because they did not know the peril sponsored by indiscipline. There are many things that are attached to indiscipline; these are Laziness, procrastination, gambling, smoking, drunkenness, idleness, busy bodies, gossip sexual immorality, bribery and corruption, and a lot more. All these will identify with lives that are not given to discipline and their outcome renders reproach and shame. But with Jesus, we could get this yoke broken and be totally free. So take a close walk with God these days and your life will never be the same.

PRAYERS

1- Lord I give you the glory for speaking to me, Lord grace me to be discipline for the fruitfulness of my desire.

2- Lord break the yoke of indiscipline upon my life and give me a heart to cherish discipline.

3- Lord, empower me to possess my life in uprightness in the sight of God and men in Jesus name.

4- Thank you Lord for granting my request.

CHAPTER 4

BEING BORN OF A GREAT MIND

The consciousness of an individual's true person is a strong aspect which somebody must go for and embrace it. That is why there is a need for all those who must manifest the sole purpose of their existence to turn back to the word of God, so that it could define their content, what it carries, and what it can do. What the mind carries can portray what an individual can do or manifest. The mind embodies the content of an individual. We act differently on situations depending on what our individual minds carry. The word of God declares that we were created to be possessors of great mindsets since the creation of man; the enemy has never relent his efforts to subdue what man was created for by using deceptive words. Man was carried with the first deceit of the devil in the Garden of Eden but Jesus Christ came and restored what the enemy stole from man.

Christ's concern for our lives as humans is to see that we know the truth and lay hold on the truth concerning our lives. The restoration has also been accomplished but it depends on us to know and receive it. There is a pertinent story in the scripture in ***John 8*** about a woman that was caught in the act of adultery. The penalty of such an act was death but the accusers of the woman brought her to the author of great mindsets (Jesus Christ). He is the author and the giver of great minds to humanity. They came with a question of facts to Jesus but their accusation was void of truth. Jesus answered them with one word that sprang forth from the fountain of a great mind. It was this question that

subdued a host of people that were ready to silent a destiny. The word from the great mind (Jesus Christ) overthrew the accusers and nullified their judgement. The Bible tells us that when the judgement of condemnation was nullified, the lady received forgiveness, justification and restoration.

It takes one who is born of a great mind to conquer battles of life both seen and unseen. A great mind is one born of truth and of the Spirit of God. Some have this ability in them but they are not conscious of it. ***John 8:32 says "And ye shall know the truth, and the truth shall make you free".*** It was the truth that Christ had in Him that caused the light of life to deliver this woman and to resurrect the value in her that was destroyed by sin and its darkness. Being born of a great mind is your true identity given by God from the inception of humanity. All we see in the world today both great and small proceeded from the mind of God and you are an offspring of God. You were created great and a great mind was deposited in you. How? The scripture declares ***God formed man out of the dust and He breath into man the breathe of life***, ***Genesis 2:7*** so man became a living being. Every spoken word of God upon your life is for your resurrection and becoming.

The Bible tells us how the beginning all started in ***Genesis 1:1-3 "In the beginning God created the heaven and the earth. And the earth was without form and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, let there be light: and there was light"***

We will realize here that the emptiness of the world and its deformation became filled and well formed by the word that came out of the mouth of God. There are situations that you may notice but should be conscious of the truth about your person and about your God. The word of life from a great mind when uttered on situations of life, the situations will follow the order of those words. You have been created of a great mind by God. God addresses the world by a word from His mind and the world has to follow the tune. God has also placed you as a son or a daughter in dominion. He has given you the power to govern and to rule over things that He has created. We should also know that during creation, whatever God said, it was so. In ***Genesis 1:28***, this very mandate was endowed upon man. Verse 27 says we were created in His image and verse 28 says "***And God blessed them***". The great mind God has given you is for you to use it for a blessing. God never gave man an article of dominion but He placed dominion in man and this dominion resides in your mind.

Genesis 1:28 "And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth".

So God placed dominion in you. It is encircled in you and you need to be conscious of it in order to manifest it. Each time God wants to address a situation through men, He makes sure He centers on their mind for if your mind is delivered, your destiny is delivered. If your mind is healthy, your destiny is healthy. You should know that, as a child of God you are embodied with unquestionable dominion. That is why the scripture says in

Proverbs 23:7 "For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee"

Your mind therefore acts like a conflicting zone for both evil and good. When you think negative, you will manifest negativity and when you think positive, you will manifest positivity. So what you think about your life will determine what you will become. It was the consciousness of the great mind David had that gave him victory upon victory to the extent that he confronted a lion and a bear. The great mind told him you can overcome this lion and before he knew it he overcame the lion; and so was the situation with the bear. Let the world of the great mind you were created with break forth these days and manifest for the glory of God.

You may be small in size and you've not undergone any formal education. But with a great mind, you will do great things unlike those who are great and have undergone formal education but they possess a mind of timidity. There are all indications that David did not undergo any formal education as his siblings but the greatness of his mindset did what those who were formally educated could not do. The great mindset of David elevated him from height to height, from one honour to another. Men of great minds are dynamically influential. The greatness of David's mindset could be tied to the letter of Paul to the Corinthians which states that God has used the foolish things of the world to confound the wise.

1 Corinthians 1:27 "But God hath chosen the foolish things of the world to confound the wise; and God hath

chosen the weak things of the world to confound the things which are mighty;"

Every mind connected to God can subdue the highest intellectual on earth. Bravery is a potent gift from God that lifts one's mind to rise above the storms of life and overthrow them. One philosopher said ***"The true sign of intelligence is not knowledge but imagination".*** For David to conquer Goliath, he didn't go through any formal military training as other Israelites did. But his mind connected to his greatness lifted him above the riot of Goliath and the way his mind addressed Goliath, we can see that the manifestation followed suit. With a sling, he brought down the champion and cut off his head. Child of God key to the mindset of your greatness, get empowered and bring this act of your mindset to reality. For God is determined to see that His Divine purpose endowed in you springs forth and put the enemy's head down. Having this in mind as written in

Zechariah 2:8 "For thus saith the Lord of hosts; After the glory hath he sent me unto the nations which spoiled you: for he that toucheth you toucheth the apple of His eye"

Loved one, God is sending you forth and you will make it through as you remain conscious to your commitment in Christ. Speak it and speak it again until every spoken word becomes flesh in your life and you will be able to do exploit in your generation and even the generation to come for the advancement of God's kingdom. Be empowered, advance and keep advancing for the glory of God has risen upon you. Shine and shine forth in Jesus Mighty name. Amen.

PRAYERS

1- Oh God I pray for the consciousness to live in my greatness.

2- Father empower me to manifest.

3- I destroy every yoke of ignorance and arrogance in the name of Jesus.

4- Lord I receive grace for manifestation in Jesus name.

CHAPTER 5

LET MY LADDER APPEAR

In a season where things appear unstable, where help appears more like problems, where the efforts of men can no longer take them further, where the intelligence of men are turned down with no significant effect, where the support men give you seems not to tie to issues of your life; in a season where everything is hunting you to take away your life, where your crafty behavior can't bring you any reward as before, and all efforts put together seems abortive; and your sun have set when you have not arrived your destination; and dark moments remain the only ground facing you, the ground of your person seem to sink with your destiny and you look round, feeling death can be the only remedy; you call out to death but death cannot locate you. Let the wind of His presence blow you to that ground of encounter for you to cry out as the psalmist did in:

Psalms 118:17 "I shall not die, but live, and declare the works of the Lord."

There was a man by name Jacob, the son of Isaac and Rebecca. This young man though created great and embodied with Divine decoration, he was hunted from his home to the outside world. The mother gave him counsel but after executing the counsel it turned against him. Even when the father intervened by laying hands on him and blessing him a second time, it did not change his situation; until the whirlwind of God located him in a place where nature had caused his sun to set, God caused his ladder to appear. Nature brought about his sun set but

the Lord commence his day dawn by the appearing of his ladder. In this season of your turmoil, I join with you to cry out to the heavens, Oh Lord! let my ladder appear.

Genesis 28:12-13 "And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the Angels of God ascending and descending on it. And , behold, the Lord stood above it, and said, I am the Lord God of Abraham thy father, and the God of Isaac: the land whereon thou liest, to thee will I give it, and to thy seed;"

When your ladder appears, the covenant of God that shall be pronounced over your life, no force on earth will be able to contend with it. For at the word of God over your life, the ladder signifies a Divine connection that cannot be altered. It leaves from the earth to the heaven and touches the very throne of the living God; thereby connecting your entire being to eternal substance where God remains the Author and the Finisher through Christ Jesus. The appearance of your ladder in this season will bring about a great happening you have never experienced in life since God revealed Himself to you. No matter the depth of the storm, God is deeper than the storm. No matter its magnitude, God is bigger than it, no matter the height, God is higher than it. Your ladder will carry a message from the throne room of God that will be downloaded in your life which will affect your life and your down line generation.

In this world of evil, there is a dying need for your ladder to appear. For messengers shall go up and down your ladder to supply you with all that will make your life complete. Loved ones, don't be discouraged, take heart.

The devil has done his worst but that is not your end. Only arise and stay true to God. We are also told in the Bible that as the eagle makes use of the highest tempest to soar, in this season, make maximum use of your ladder and mount up like an eagle. For when the young fail and the strong stumble, the whirlwind of God will appear for your elevation and establishment.

Genesis 28:14-15 "And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the West, and to the East, and to the North, and to the South: and in thee and thy seed shall all the families of the earth be blessed. And, behold I am with thee, and will keep thee in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of."

I don't know how you have spent the past years of your life, maybe you went through an acute pain and depression and you have experienced so much weariness within these past years of your life. As Jacob laid down and got connected to his ladder, his strength was renewed. Let the same unction meet you as you go through this very hour. You are not rising to die, you are rising to live. The message you've gotten from the Lord, He declares "I will not leave you until I have done what I have spoken over your life". Let your faith answer to this for all things are made possible through God and He has put in place all you need to peddle through till the end. One thing I want you to know is locate your Bethel (the House of God) and settle in it. For the Bible declares; the name of the Lord is a strong tower, the righteous run into it and they are saved.

Proverbs 18:10 "The name of the Lord is a strong tower: the righteous runneth into it, and is safe."

In Christ, your life is preserved, in Christ, every storm will be stilled and in Christ there is fulfillment of every word sent forth into your life from God. Arise then and shine forth to the glory of God.

PRAYERS

1- Father I surrender all at the altar.

2- Forgive me my sins and cleanse me from all unrighteousness.

3- Oh Lord, restore my fortune and let my day break.

4- Thank you Lord for perfecting that which concerns me in the name of Jesus.

CHAPTER 6

GO OVER THIS MOUNTAIN

Every man sent on earth has a particular assignment to fulfill and this assignment can only be done or accomplished when the sent stay connected to the sender. For every proper job to be done, proper preparation should be given to it. As you go through this lesson, the Lord says go over this mountain. Until we go over the mountain standing before us, we cannot be crowned. This is your season to arise and engage your climbing. Jesus teaches us that climbing the mountain is not an option, it is an obligation, and it is a command. As Zerubbabel faced his mountain in his days so is everyone who is called and sent forth by God. Your mountain can never become a plain until you go over it. These are issues of life that individuals and groups of persons are called to address.

It takes your stand on Mount Zion which is the mountain of your upliftment to subdue and bury the mountain of troubles and obstacles before you. Every man and woman called by God has a mountain to address. That mountain may be any kind of issues of life, may be a family deliverance, family salvation, and nation deliverance, nation salvation, breaking of yokes and taking Christ into the lives of men. To have any of these done, there are always mountains set by the enemy to hinder you. The book of Obadiah tells us that true deliverance is gotten when one is stationed on the mountain of God.

Obadiah 1:17 "But upon Mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions"

For you to subdue other mountains, you must find your way to the mountain of God. For God says in the book of

Isaiah 49:11 "And I will make all my mountains a way, and my highways shall be exalted."

The provisions are already made by God for us to access His Mountain but we can't access the mountain of God with an uncircumcised heart and without abiding to His command. Let us get what the Bible says in

John 15:14 "Ye are my friends, if ye do whatsoever I command you."

When we pay attention to the commands of God, they will yield our lives to His attention thereby showing our readiness to access His Mountain. Prophet Obadiah said upon mount Zion, that is the mountain of God, shall be deliverance and holiness and the covenanted shall get access to their inheritance. But if they are not pruned for righteousness, though covenanted, they may not be able to access their inheritance. It takes a cross-over the mountain of troubles set by the enemy; it takes a cross-over the Red sea and the Jordan for you to access your inheritance. When God was to address Pharaoh, Moses had mountains to climb and the climbing of those mountains subdued Pharaoh and the entire Egypt. When this was done, the snake of Moses devoured the snakes of Pharaoh. As we ascend the mountain of God, we will subdue all other mountains of set back and stagnation.

The highway has been set by God and as we access it, we will go over the mountain and beat it low.

Isaiah 35:8 "And an highway shall be there, and a way, and it shall be called The way of Holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein."

God says even those that are called fools if they find themselves there, they will not even err. In this season get yourself on the highway of holiness and you will run and run and shall not grow weary in the name of Jesus. It took Elisha the crossing of the Jordan to access the Mantle of Elijah; it took Joshua the crossing of the Jordan and the breaking down of Jericho to access the land of Canaan (the promise land) and to establish the people of God. Mordecai went through God and over turned the intention of Haman for the deliverance of his own life and that of his people. When he accessed the throne as the king's Prime Minister, he was established and his people were settled in the kingdom of Ahasuerus.

I don't know the mountain that may be standing before you, is it the mountain of backsliding, falsehood, immorality, the mountain of opposition, laziness, the mountain of murmuring, sickness, whatever the mountain is, God says go over it. As you go over it, you will give rest to your soul. That mountain is a given task for you to answer to and be crowned. Run with certainty and go through with certainty for the Lord is with you. Don't submit your person to the threat of your mountain, rather go through the mountain and be that person you were created to be. As Long as Goliath remained a mountain to the people of Israel, he was a threat to them

but the day Israel subdued that mountain (Goliath), she had rest.

I don't know who you may be in the capacity God has called you to be, you may be that Elijah to terminate the prophets of Baal; that is the mountain you need to answer to; you may be Hazael to stand as king over Syria, the government may be there waiting for you, arise and walk to that throne. You may be that Jehu sent forth to terminate Jezebel in the camp of God's people and sit on the throne to see God's kingdom advance, you may be that Elisha to bring healing and resurrection in the land. Arise in this season and answer for the very capacity that you were created and ordained for. With the eyes of faith I can see those mountains crumbling and God subduing them through you. Arise and let the purpose of God for your generation shine through you in the mighty name of Jesus.

PRAYERS

1- Lord empower me as you did empower Elisha to go over his mountain in Jesus name

2- Lord grace me to delight to serve and walk on the highway of holiness.

3- Lord let my value rise up to raise other values.

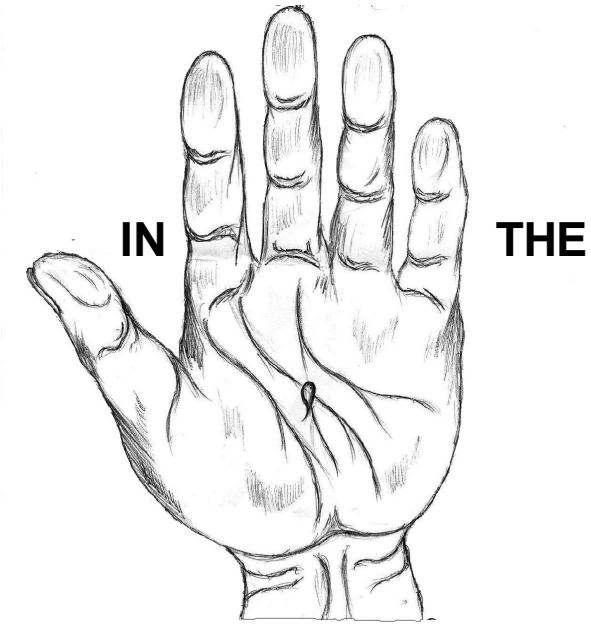

4- Thank you Lord for hearing me in Jesus name I pray.
