ACKNOWLEDGEMENT

I want to heartily thank all the vessels that made themselves available in one way or the other to make this publication of the Manna Feast possible especially those spending sleepless nights to pray for the Manna Feast material, the typist, all those with unlimited financial support and those available for distribution and sales of the Manna Feast, not forgetting printing press of the Manna Feast. The translation team (Ateafac Jude Forlem (672 757 864) email: judeforlem@yahoo.fr, Angyyie Hariet, Zoa Azang Armel and Brother Christian) have been of much help to make sure that this publication is translated into French.

May the Almighty richly bless you and grace you as we all labour in His vineyard. Remain blessed!

The General Overseer.

PROPHETIC WORD:

"THE MONTH OF GOD'S WONDERS"

WATCHWORD:

I"ISAIAH 8:18 "HERE AM I AND THE CHILDREN WHOM THE LORD HAS GIVEN ME! WE ARE FOR SIGNS AND WONDERS IN ISRAEL FROM THE LORD OF HOSTS, WHO DWELLS IN MOUNT ZION"

Praise the Lord! For what a Mighty God we serve. His ways as declared in ***Romans 11:33***, are past finding, His might surpassing; difficult for mortals to quantify or consume. His unlimited resources are inconsumable. His blessings over our lives are larger than an ocean. We celebrate Him for all that love and grace has made possible for us to access as dear children of His kingdom. We bless God for the unlimited fruitfulness bestowed upon us by the sacrificial love of His Dear Son on the cross of Calvary. You being mortals must come to the point to know that your well being and fulfillment lies in creating an intimate walk with God in order to enroll in the capacity of His provisions which are there to make our lives better.

When you are at peace with God, you grow in love for God and when you grow in love with somebody, you present yourself in a pleasant way in the eyes of He that you truly love (God). In this month of God's wonders, you will be dedicated to Him for Him to sponsor projects that will have a seal of His working power alone. That is, carrying projects through you that the creature will say this is God's Hand. In this month of God's wonders, the argument you have been into and not been able to address, you will not stand in a contest with the enemy but God by Himself will answer you by His wonder working power. Stay blessed as we navigate into the

GET THIS NONSENSE OUT

The content of our being had its conception by what was spoken or written concerning our lives. This becomes what could be accepted as a concept or a standard of living. Some persons are preoccupied with nonsense and they take it to be a way of life. Whatever makes you meaningful before men and makes you meaningless before God is nonsense. What makes you worthy is that thing that makes you meaningful to your Creator first and to your generation. Don't please the creatures at the expense of your relationship with the Creator. This way of life which is nonsense is not based on what is commonly accepted by men. A group of people can give themselves to what does not make sense but convincing themselves that it makes sense; which of course is false. Whatever is preoccupying a man or person that in the days ahead cannot be gloriously announced is nonsense that an individual must get rid of before it spoils him.

For you to get rid of any information that preoccupies you that is nonsense; you must be able to find your root path back to God to know the engraved history of your existence. In as much as career and other human abilities that are given to serve our world in a better way are good things, if the career will take the place of God in your life, it is termed to be nonsense.

Some people because of their money find it difficult to serve God. That is a junk of nonsense. Some people because of their fame which may come from different domains, be it your title, if that title will make you not to serve God, it becomes nonsense. If your beauty or your handsomeness will make you not to serve God, it becomes nonsense. If your position in the society or that recognized office of yours is making you not to serve God, it is nonsense. It may appear making sense today but in the days ahead, when it meets the Supreme God, it will actually mess you up and make you end in frustration.

Child of God, what is that thing that is making you proud at the expense of your relationship with God? What is that thing that is making you bold at the expense of your salvation? what is that new thing that is making you bold for the exchange of your soul? Whatever you are into that does not keep you in good tune with the Almighty God is the nonsense and you must get rid of. It may be a managed evil relationship that makes your heart beat to beat faster than normal and maybe you are settling it because of foreign currency, or a piece of chicken or a bottle of drink. You must get rid of this nonsense. It may be the nonsense of living a life of hypocrisy where it makes you to possess a dual personality and you know what people know you to be within the content of your being, you are not that thing (walking or living out of the

peacemaker, a lovable man or woman but you know you are a tale bearer (gossiping), one that set discords among men and women. Child of God know that you are in a race that leads you to eternal life.

Are you a Christian under your senior pastor and he is promising you heaven and earth, urging you to defile your life and destiny on the grounds of immorality? Speak to that man to the face and get out of that nonsense. Are you keeping a hotel room with the so-called prophets, pastors, where you sneak by night to commit whoredom with them? These is nonsense that if you don't get out of your life, it will get you out of the kingdom of God. Let no man or thing take the place of God in your life if you must enter God's kingdom tomorrow. Are you a secretary and your boss at work is mounting pressure on you to forge documents or is mounting pressure on you to offer your body to him in order to keep your job? That is nonsense.

Know this child of God, you were sent to the world by God and He is the custodian of your well being. When you keep your integrity with Him, He will honour you. This serves as a warning to you and this present day generation, any game or lifestyle that is not Bible approved or Bible based becomes a game of nonsense which you must not allow to disqualify you on the race to eternal glory with the Creator. All forms of compromise break off from them before they lead to your crack down as

lie, but only those who are written in the Lamb's Book of Life."

If you as a person don't deal with the things that are within you that does not make sense, you will not be able to handle the things without that does not make sense. That is why a proper way of reforming yourself is by working on your attitude and your way of living. For a good mindset will produce good practices and an evil mindset will produce evil practices.

The absence of Christ in one's life makes it difficult for him to deal with the nonsense within. Yielding yourself to the Lord Jesus and His Word is your gateway to freedom and eternal rest. Any other application out of the context of this truth will only place you in a circle of life without transformation. Things that defile do not enter the rest of God but the undefiled are the qualified to enter God's rest. You will say pastor the world is corrupt. If the world is corrupt, it was not made corrupt; it was made good as written in

Genesis 1:31 "Then God saw everything that He had made, and indeed it was very good . . ."

The world was created good. It was man's disobedience to the Word of God that brought corruption into the world. We can use that same Word of God to bring healing into our dying world and this would be done by

The absence of God's Word in one's life leads your destiny to be ruled by darkness or the works of darkness. It is the absence of light that makes darkness to have an existence. If light keeps shining, then darkness will never exist. And only the entrance of God's Words shines to do away with the darkness being within us or out in our surrounding. The recognition of God's Word over one's life becomes a start point for your deliverance.

When the Jews took recognition of God's Word when they were enslaved in Egypt for 430 years; that same day their deliverance started. Are you a child of God under satanic pressure just like the children of Israel were in Egypt under their task masters that so cruelly enslaved them? Are you in a situation that has enslaved you, this is nonsense that must be set out. In as much as the children of Israel were in Goshen, the Bible says they increased in number yet they were still afflicted by their task masters. Their being in Egypt was nonsense. So child of God, if you are celebrating certain things that God has done, I want to let you know that you will not find fulfillment in oppression that is there to destroy anything good that is sent forth to beautify your life.

Egypt and all its provision in the lives of the Israelites was nonsense because the provisions did not guarantee their protection. Go on the ground that will give you a guarantee to your God's given freedom. I don't

nonsense of backwardness, unfruitfulness? Push them out. Whatever nonsense that makes you insecured, by the reason of God's Word over your life, that nonsense must let you go. Don't deceive yourself to find comfort in nonsense for it will never bring rest to your life. But if you rise by faith the Lord will help you to triumph. Rise up this day and fight! Even the nonsense that has not been identified, the Holy Ghost will help you to identify them. When you do, and you get them out of your way, the light of God shall shine upon your path. Don't allow this lesson to end only in words, get it actualize and work in the content of your God's given ability and you will realize that not even the Red Sea will stop you. Be separated from anything that does not make sense in your life.

PRAYERS

1- Oh Lord, deliver me now from everything that does not make sense in my life.

2- Lord, any pattern that makes me act stupid and foolish, let it catch fire and die.

3- Oh Lord, flush me and furnish me in Jesus name.

4- Lord, I disconnect from every nonsense, never to be connected to it.

5- Thank You Lord for my deliverance.

RECOVERING WASTED YEARS

Wasted years are years not well spent. Years that have produced loses rather than progress, whose result makes the consent not able to show forth a life of relevance or relevant recognition. These are years spent without true effect or impact and there is no evidence of success that you can showcase. Be mindful of the fact that you were created to be in possession of God's inheritance. Wasted years make you unable to possess. You are rather dispossessed from God's inheritance that was created and given to you to inhabit or occupy. One becomes wasted because he did not have what it takes to be fruitful or staying in dominion. For us to recover from every past horror that our lives must have incurred, it is necessary to find out the origin. What is the loophole that the enemy gained access to in order to render us wasted or useless in respect to our God's given fulfillment?

Through out the ages, we can sum it that humanity plunged into pain from the day he disobeyed God. Because of disobedience he became separated from the strength and covering of God that was given him to reign in glory and dominion. There are particular things that the enemy uses to make one separated from his Creator. What the enemy uses to separate one person from God may be different from what he will use to separate another person from God. So his approach of separating

hypocrisy that separates him from God. For others, he will use envy and jealousy, for others he will use smoking, drug addiction and alcohol or other hot drinks to separate them from their Creator. For others, he will use greed or covetousness to separate them from their Creator. For others, he will come through the sin of false pretence to induce or put into them a corrupt mindset in order for them to feel comfortable even when they are corrupt. For others he may use the ground of lust or all kinds of immoral practices to separate them from God. For others he will use pride and arrogance that lead to rebellion to separate them from their Creator. For others it is procrastination, and others unbelief and fear

He goes into those things that he knows your flesh can easily yield to and he uses that area of your weakness to track you down. When you are tracked down, there comes now a separation between you and your God who alone is the only true source of your strength and sustenance. So recovering wasted years, you must come to the point of identifying the ground of your weaknesses that has given the enemy advantage over your life to reduce your true value to something less than a piece of bread.

If an illness is not well diagnosed, it will be difficult for the right treatment to be given. Be objective to yourself and be very honest to point out those areas that the devil

of true repentance.

Joel 2:12-13 "Now therefore, says the Lord, turn to Me with all your heart, with fasting, with weeping, and with mourning. So rend your heart, and not your garments; return to the Lord your God, for He is gracious and merciful, slow to anger, and of great kindness; and he relents from doing harm."

There is a kind of wasteful life and years that befell the Israelites and everything about them was ruined. The Lord said the way out was for them to station their lives in repentance and brokenness before God and lift up a lamentation unto the Lord. If you identify your pit fall and you do not repent and walk out of it, recovery will be impossible. Proper repentance is that faith action that a man shoulders in confessing and forsaking his past evil deeds. But if you find yourself unable to expose darkness or the works of darkness, it only indicates that you are still part of darkness. For what you are not part of you confess and forsake. For every true repentance goes with confession not been forced but you take delight in exposing the works of darkness. The book of proverbs gives us a record and an attitude that a man that has genuinely repented must find himself in. That is, the act of not covering his sin but exposing it in the right quarter for forgiveness, and cleansing that will lead to the individual's restoration.

have mercy. Happy is the man who is always reverent, but he who hardens his heart will fall into calamity."

When one confesses something, it is a mark to show that he is not part of that thing but when one fails to confess it is a mark to show that he is still part and parcel of it. Any sinful act that still has a grip on an individual's life, that individual cannot boldly let go of it although; nowadays we have hypocrites who pretentiously preach holy living but are living an unworthy life before God. As someone that must recover from wasted years, have nothing with sinful secrets. If anything must be kept secret within you, let it be righteous and not sinful

Ephesians 5:11 "And have no fellowship with the unfruitful works of darkness, but rather expose them."

So a genuine repentant heart will lead one to walk away from the besetting sin which always entangles him or her.

The other aspect you need to follow in order to recover from wasted years after repentance is to be filled with God's provisional Word for restoration. This means having repented, go to God's presence, pray your mind out of your ugly past in order to escape the accusation of the enemy against you as your past life is concerned. In other words, even as God forgives you, you must also forgive yourself for your life to move forward. If you fail to forgive yourself the devil will always accuse you in

Proverbs 23:7 "For as he thinks in his heart, so is he.... "

When all the above has been done, even in your journey you should know the accuser of brethren (the devil) will always remind you of that past. Each time you have this accusation in your inner mind, don't relent your efforts in rebuking the devil with a backing scripture of cleansing and forgiveness. This is because if you don't know what you ought to know, though forgiven, the devil may still use his tricks to hold you bound. When Joshua the high priest was to be restored in ***Zechariah 3:1-2,*** the devil came to accuse him of his past life. As the angel rebuked him child of God open your mouth and rebuke the devil when he comes to remind you of your past life when you have gone through all the above mentioned points. Here comes heaven's decree for your restoration.

Joel 2:24-26 "The threshing floor shall be full of wheat, and the vats shall overflow with new wine and oil. So I will restore to you the years that the swarming locust has eaten, the crawling locust, the consuming locust, and the chewing locust, My great army which I sent among you. You shall eat in plenty and be satisfied, and praise the name of the Lord your God, who had dealt wondrously with you; and My people shall never be put to shame."

Recovery or restoration is one thing that everyone that

will be taken above your fellows and a standard of living will be set forth for you to celebrate God with. The things that were about to kill you will be killed by recovery, God's trust and men's trust for you will increase as it was with David in ***1 Samuel 30*** when he recovered all. Child of God arise and recover all. Every recovery must go through God. You are not to recover some but you are to recover all. Those who went ahead of you, their recovery was total; for the same God who made them to recover is the same yesterday, today and forever. He is a God that never change. The Bible says in ***1 Samuel 30:19*** that David recovered all. Child of God you can put your name in the place of David's name and let wasted years be recovered in Jesus name. Have this in mind that the glory of your recovery will be more than the past and it will swallow up your shame not to be noticed again.

PRAYERS

1- Oh Lord, I humble myself in repentance.
2- Lord, forgive me from all my sins.
3- Cleanse me Oh Lord and restore me.
4- Empower me Oh Lord to live victoriously.
5- Let my later glory Lord be more than the former in Jesus name.
6- Thank You Lord for the answers in Jesus name.

CAPACITY BUILDING

Understanding capacity is to be fully informed to know and understand the working ability within your content. The worth and weight of any vessel ties to the capacity of that vessel; that is, what the vessel is capable of doing within a period as compared to other vessels. You should know as an individual that you are a God created vessel to be empowered to render or respond to a given assignment. The effectiveness and the good result of your assignment will tie to the capacity you have gathered. That is where our result and positioning before God will have different levels of glory and the capacity within us will stand as a force to actualize our goal in life.

The question now we need to address is what do I need to know in building my capacity? If you don't build your capacity as an individual or a group of persons, you will live an irrelevant life. Child of God from the context of God's Word, one's capacity is engraved by God from the inception of that person. There are laid down principles which the individual must submit to in order to actualize the content of his God's ordained capacity.

Jeremiah 1:5 "Before I formed you in the womb I knew you; I ordained you a prophet to the nations."

Though Jeremiah was ordained from the creation as a prophet to the nations, he did not actualize that capacity

themselves into this process of capacity building. Even our Lord and Saviour Jesus, though being God in the human form was born from the very first day on earth with that capacity of greatness. Though born in a sheepfold and laid in a manger, the hidden ability in Him was able to attract people from far and wide but He underwent a process of 30years before his public manifestation. As earlier said, you must be well informed with the truth of your person in the context of God's Word and plan.

The second aspect in capacity building is you must be open to learning for even Jesus being God was brought up. This entails a spirit of submission and loyalty.

Luke 2:51-52 "Then He went down with them and came to Nazareth and was subject to them, but His mother kept all these things in her heart. And Jesus increased in wisdom and stature, and in favour with God and men."

The ability to be in subjection to His parents teaches us that Jesus Christ as a God man was open to learning and submission to the authorities that God used in bringing Him on earth. Child of God, open up to any God sent authority being used by God to sponsor your rebirth and allow them to train you. Just like Samuel's birth was decreed by Eli the priest and it was this same Eli who trained and brought him up. Same too with Paul that God

addressed him openly as a son. So you must give in to learning and learning the right things in order to build your capacity and also knowing the source of your belonging. There is a ground ordained by God for an individual to render account to.

2 Timothy 2:15 "Be diligent to present yourself approve to God, a worker who does not need to be ashamed, rightly dividing the word of truth."

In capacity building, you must give in to learning.

The third thing for you to do is to maximize your immediate resources for growth as commonly said that "a journey of a thousand miles begin with a step". Do well to maximize the knowledge and possession you have within your content, for it will graduate you to move to a new level. There is something within your ability now, don't stay silent with that thing, put it to work. Make full use of it in any domain you are called to operate. Be able to identify your immediate resources and work on how you can fully maximize those resources within a given time frame. Let us take for example you are talented in business; take a survey of your environment and work to its maximum and see how your business talent can positively affect your environment. It is like a student in an examination room giving the best answer he knows on a question asked.

people. As a scientist, make full use of the scientific knowledge you have by doing all to be practical. All these should be applied in all walks of life that may involve you as an individual. Identify your resources and ask yourself, how do I maximize these resources now?

Paul being a missionary maximized all resources he ever gathered in life for the advancement of the gospel that God entrusted in his hands on his way to Damascus. That is why he began with one soul and ended up planting many churches. He portrays the real icon of a capacity builder.

Give every resource at your disposal a solid ground for preservation. This will guarantee the value of your resources not to be destroyed by any intruder or unwanted element. This aspect will help you not to have an undulating result in capacity building. For every level achieved, you will securely preserve it on a safe ground. In other words, any true value gathered on knowledge, may you never allow it slip out of your control either by deception or laziness. For if the first step remains standing, you will be able to mount the second step on the first and the third on the second and you will mount an increasing order on your capacity that will tend to give a new look to your life and your world.

You can also build capacity in a more profound way by accepting challenges and going for material to

life is not a mark of defeat. I will term it a mark of information to create awareness within your life for vital changes to progress and growth. Don't back down to challenges, access material and let challenges back down to you. For every Red Sea, "there is a Moses' rod for its opening."

Get yourself updated. This is a sense where you are able to compete with other people with worth and weight. For you to make your capacity relevant, you must enforce yourself to the current things that are speaking for the time. This will make your capacity a demanding one by your society or generation and one that must be updated is one given to hard work and commitment. This means you should not relent your efforts in getting yourself informed with latest events of the society. So don't be a land lock to information; be updated as the clock ticks.

Above all, as an instrument of change because everyone who is giving himself to capacity building, whether you like it or not, you will be an instrument of change; change that will leave a legacy in the pages of history. Being a person that is set for such a goal in life, you must do all to keep your mind in soundness for your mind is the factory that will determine the greatness or the weakness of your person. For your mind to be sound, you must be distant from fear and embrace courage. You

mother's womb until you were able to weigh from grams to kilograms. It was the courage you summed up to break the limit of contraction pain and came out as an identity. So in like manner in your consciousness, maintain a sound mind, drive away fear and keep mounting up from strength to strength and from glory to glory. There are virtues God has provided that you need to be conversant with in guarding your mind and your person.

2 Timothy 1:7 "For God has not given us a spirit of fear, but of power and of love and of a sound mind."

So keeping a sound mind will help you maintain a progressive growth in capacity building for your worth and your weight is in the capacity you carry.

PRAYERS

1- Oh Lord, empower me to build my capacity.

2- Oh Lord, help me to maintain a consistent growth in my capacity.

3- Thank you Lord for the answer in Jesus name.

DEALING WITH EVIL PATTERN

Mathew 15:13 "But He answered and said, every plant which my heavenly Father has not planted will be uprooted."

Evil patterns may derive its source from the absence of God's leading over human beings. It is an introduction of a system by the devil into a particular lineage and everything sponsored by the devil has a grievous and painful effect. There are families that have been victimized with this pattern brought into their lineage by the devil.

Looking at the subject Evil Pattern, it is a syndrome that regularly or repeatedly takes place in a family line. Maybe great grandparents suffered the effects, grandparents suffered the effects, your parents are suffering the effects now and you can gradually see it creeping into your own destiny. In dealing with evil pattern, you must have a good knowledge of God as a person or a human race. The black race has a gross effect to this subject:

In the quest for something to worship, the devil made himself available to our forefathers, as a god through the act of idolatory unconsciously. This evil pattern was introduced to them by the devil in their ignorance. Human beings were created to worship just like every other created being was created to worship

down from Heaven the power that was given him in heaven, was not withdrawn from him. So he came down to the earth with the power and his intention was to use the power to separate man from the worship of the Almighty God.

Revelation 12:12 "Therefore rejoice, O heavens, and you who dwell in them! Woe to the inhabitants of the earth and the sea! For the devil has come down to you, having great wrath, because he knows that he has a short time."

The devil was thrown down on earth with great anger to deceive the inhabitants of the earth and the sea. He came with a deceptive spirit and it was through this deception that majority if not all the black race was lured into magical practices and the devil initiated them through human sacrifice. The black race have so much to do through God in dealing with the evil pattern that the devil got them involved in. if you scale from history, you will realize that it was the coming of the Europeans into Africa that the missionaries had to fight to abolish human sacrifice in Africa. This was a blood pact that the devil used to enslave the black race into a pattern of pain and misery. So it is very necessary for us to know the cause of the slowdown of our progress and development. When the devil was manifesting, our fore parents knew that it was God in action and in their ignorance; they served

read from scripture in Africa in the days of Pharaoh and Moses how magicians were hosted by Pharaoh and they were all idol worshippers. That happened in Egypt in Africa. The worship to a strange or an idol god was the root cause of what we now term Evil Pattern. It differs from family to family, clan to clan, region to region, Nation to Nation.

In some families, there is a pattern of untimely death, when they are closed to success, untimely death hits them. Some experience the pattern of poverty; no matter what they do, no one gets rich. Others experience the pattern of asthmatic illness, blood pressure, some early widowhood, some the pattern of difficulties in getting married, some every female must undergo an operation, some the pattern of low intelligent quotient (I.Q), some the pattern of disunity. These are all evil patterns that appear in different lineage. Some have the problem of difficulties in conception.

The second thing you must know after coming to God is using His mandated Word to deal with the idols of your father's house, by dealing with their foundation and breaking down their power through God. We are told in the book of Judges of a great man by name Gideon who became a mean man because of evil pattern and until the Angel of God pronounced great words on Gideon, he would have ended up a slave though created great. The

live under the oppression of the enemy.

Evil altar is the number one spring board that sponsors evil pattern. So to deal with evil pattern, you need to turn to the Almighty God with your life.

- You must destroy the foundation of your father's house that has connection with your destiny. Most of us are suffering what we are suffering today because our destinies were pledged to those demons before we were ever born by our forefathers. God commanded Gideon after He met him that the way forward in his life was to deal with the idol in his father's house and Gideon carried out that responsibility. ***Judges 6:28.*** When Gideon did that, his destiny that was caged by the syndrome of oppression was broken and the people that use to conquer him in life were conquered.

Child of God identify the evil pattern in your life, know the source and when you know the source, destroy through God. For it is written that which was not planted by God will be uprooted and will have no legacy in your life. You will have this perfectly done through an anointed servant of God and through the power of prayer and the Word of God. Once this is addressed, you must dedicate yourself in serving the only true God in joining the company of true believers and worshippers. Station

PRAYERS

1- Oh Lord, empower me in the name of Jesus.

2- Thou evil pattern in my lineage, catch fire and die

3- I command, release the destinies that you have held captive in the name of Jesus.

4- My soul, arise and shine in Glory in Jesus name.

5- Thank You Lord for the answers in Jesus name.

CROSS-OVER

In every vital change in life as you journey through, there comes a moment of a transition or a period where things may seem unprogressive but with such moments you must not lost focus to cross-over to the other side. This present ground where you are standing on makes you unidentified and vulnerable to oppression. God's intention is not for you to remain at that particular ground but to take a journey to cross over. There are things you need to know each time you take a journey that will birth a true transformation of your person and your status. It is like looking at the picture of the Israelites in a strange land for so many years so accustomed to the culture of the land which was not meant to be their dwelling. There was a day for their visitation and the day of your visitation as theirs was is in the making of God over the sons and daughters of God that have given themselves His leading and are serving Him in spirit and in truth.

In as much as many aspire to have vital changes in life, not all will be able to attain because not all are willing to submit to the leading of God and to worship Him in spirit and in truth. True change will only come to the souls who are willing to make a change. The Israelites experienced protection and prosperity in Goshen while in Egypt but their fruitfulness in Egypt was temporal and irrelevant because they were still under oppression. They

to cross over to that land. This is because every change that does not bring rest in your spirit man is not a true change. Israel had changes as recorded in scripture in ***Exodus 1:6*** but these changes never brought them rest because they were still under their task masters. There was need to cross over. There is something we want to draw inspiration from the Israelites, crossing over to Canaan land

For every cross over, God should be the one initiating it because you will meet giants on the way which only the presence of God with you will conquer them. You should also be aware that even when God initiates your cross over, your present oppressor will not be willing to let you go but make sure you stay alive to God's command and put faith to work. From the Old to the New Testament, we can see that for every crossover that God initiated, the people had resistances. The resistances never stopped them; rather they overcame and got the victory. This should be your line of faith and you should remain alive to it. That in every move for transformation, in changing your status; you will always be faced with different kinds of opposition.

Pharaoh opposed the Israelites in ten different dimensions and even when he let them go, he did not lost hope concerning them. That is the reason why he still summed courage and followed the Israelites right into

stop your progress. Israel kept progressing and the enemy kept resisting her progress until the day she finally entered Canaan land. The Lord that has called and empowered you with grace to go through this journey; child of God don't cry for he is commanding you as he commanded Moses. There is something that has been resisting you but don't be afraid for as you rise that thing will die and you will never see it again.

Exodus 14:15-16 "And the Lord said to Moses, why do you cry to me? Tell the children of Israel to go forward. But lift up your rod, and stretch out your hand over the sea and divide it. And the children of Israel shall go on dry ground through the midst of the sea."

The Lord is by you child of God to ensure that you cross over safely. Because you are in the making of the Lord, nothing should stop you from crossing over into your rest. God says in the midst of the resistance, move forward. In the midst of rejection, move forward. In the midst of that sickness, move forward. In the midst of the distracting words from the distractors, the Lord says move forward for Nehemiah crossed over in his days in the midst of all the opposition. Child of God as you are determined, you will make it. The Israelites made it across the Red Sea and you have the capacity in you, to make it across your own Red Sea. In the Gospel, we have two occasions, the occasion where Jesus sent His disciples

Your counsel this day is to stretch out and put in your full strength as you cross over. For the Lord is your way forward out of every struggle of life. The first record in Mathew, Jesus was not in the boat but He joined the disciples later and all we know is that they faced resistances in their crossing. In ***Luke 8:22*** there was still a crossing but this time around Jesus was in the boat sleeping and the disciples still faced resistances. When they put on their full strength and realized they were not getting any better, they woke the Lord up who was lying in the boat and their storm was stilled.

From all the three instances mentioned according to the gospel of Mathew and Saint Luke's gospel, they had their mission accomplished despite all the storms and the resistances they met. They were successful in all the instances because the Lord was their anchor. Child of God, whatever has been resisting you not to enter your rest, arise today, crossover and settle in your Canaan land. There is a project before you that needs to be settled; arise and get it done. Stay focused on God and your mission and give deaf ears to everything that may not contribute to facilitate your crossing over. The strength of God within you is stronger and Mightier than the resistances hovering around you. Tell that Pharaoh, Enough is Enough! Tell that devil, Enough is Enough! Cross over and enter your rest.

1- Oh Lord, distant me from failure.

2- Lord, empower me to end well.

3- Every canker of delay in any form be destroyed in the name of Jesus.

4- Oh Lord, take me by the hand and order my steps.

5- Thank You Lord for the answers in Jesus name.

SHOWCASING THE EVIDENCE OF FAITH

Hebrews 11:1 "Now faith is the substance of things hoped for, the evidence of things not seen."

The journey of God and mankind ties to the substance of faith. Faith stands like a meeting ground of action from God through the human. Everything that has to do with the God faith as prescribed in His Word has to go with evidence. So if our faith cannot produce works and evidence, it is dead. Whatever we have to relay the supernatural move of God over our lives has to tie with the substance of faith. The Grace of God can't access us (God's ability, or God's favour) if we don't show our faith or belief in accepting the written Word in the scripture given to us. The evidence of faith starts with us being saved from sin and the works of the devil. It is only when we had faith that we could be saved that we were saved. Grace will not answer for us if faith is not put to work. Whenever someone is professing faith without evidence, it is not faith but fallacy (falsehood). For everything that is tied to faith produces results and if it fails to, then the faith is dead.

James 2:17 "Thus also faith by itself, if it does not have works, is dead."

If faith therefore becomes a substance that must produce results, then it takes the diligent in seeking the Face of

does not happen, it is an evidence that the substance of our faith is still too small or not in existence at all for the particular assignment. In as much as we want God to respond to our faith, He also wants us to show our faith in obedient to His instructions. I want to let you know that our level of faith or belief ties in the knowledge or growth of the things of God.

When we look at the records of the faith legends in scriptures, we will realize that they showcase their faith by obedience to the Lord as we take a close look into scripture about some of the legends. If somebody says he has faith and does not obey God, that's not faith but a belief. Belief is a kind of faith that may not produce result for every faith that must produce result go along with obedience to the Lord. The Apostle James outlines about beliefs and faith. You can believe in something but you are not part of that thing. If you have faith in something, that thing is part of you and you are part of the thing. That is why James outlines in his epistle that it should not only be tied to our belief but to our faith for even the devil believed but his belief was not tied to faith. If his belief was tied to faith, he would have not rebelled against his Maker.

James 2:19-20 "You believe that there is One God. You do well. Even the demons believe and tremble! But do you want to know, O foolish man, that faith without

earlier said goes with your obedience.

Hebrews 11:7-10 "By faith Noah, being Divinely warned of things not seen, moved with Godly fear, prepared an Ark for the saving of his household, by which he condemned the world and became heir of the righteousness which is according to faith. By faith Abraham obeyed when he was called to go out to the place which he will receive as an inheritance. And he went out, not knowing where he was going. By faith he dwelled in the land of promise as in a foreign country, dwelling in tents with Isaac and Jacob, the heirs with him of the same promise; for he waited for the city which has foundations, whose builder and maker is God."

If we look at the above scriptures, we will realize that these legends obeyed God as He commanded them, they did not give Him condition before obeying. We can see a respond to their faith that was tied to their obedience and love for God and that attitude of their obedience gave them a life that could go along with God. God's presence with them was the working power behind the miracles that the Lord did through them. It was their believe and obedience that birth the miracle and not their seeing before believing. So those who are born of faith believe before seeing, they don't see before believing. When one's faith starts to lost its value, the individual will start

When Rahab the harlot heard about the people of God, she believed in the word and she lodged the spies that were sent to spy the land of Jericho. The result of that obedience was that when the land of Jericho was destroyed, her life and that of her family was preserved. True substance of faith puts to birth a righteous living and righteous living empowers one with courage and boldness. There are a lot of virtues that the evidence of faith within a man's life must showcase.

- It gives one the ability to be still in the midst of a troubled world.

- It gives one peace that surpasses the understanding of men.

Child of God, you have been saved and called by God to put your faith to work; let your stand for God not only be in words, let it be in power. Ask yourself this question, if I am a son or daughter of God, where are the evidence of faith that can speak upon the earth after my departure? We have men that showcase the evidence of their faith by the awesome presence of God that they carried; men like Charles G. Finney, men like E.M Bound and a lot more whose faith literally showcase the glory and presence of God. You are called upon to do the same for our God has not changed.

If you believe God's Word today, the next thing that should follow your belief is putting this Word to action. With the substance of faith in you, you will physically rise from nothing to something so great and God will be greatly honoured by that. Don't live again with a dead faith, arise and showcase a living faith by works and you will have this done by addressing those situations that have been stubborn to submit to your order. You can do it and you can go through it. Stay strong and focused and let your evidence speak results that will put to birth other results.
