INTRODUCTION

Praise the Lord! We thank God for a gracious moment that we have spent before the Banquet table of the Lord. A table which could only be possible by the finger and the making of the Almighty God. All the flocks in the sheep fold of the Lord have gotten the celebration and will be celebrated as long as the Lord remains Lord and shepherd over their lives. Come to reflect on "The Month of the Set Banquet" you are filled with all Divine nutrients to propagate and manifest the Glory of God in your generation. With the overflowing provision of the Banquet table, there is an outbreak of a ceaseless joy and praise as your cups did run over and your heads anointed with the oil of gladness. Ensure that the goodness and the mercy of the Lord is your companion as you journey into this month of "Gaining New Grounds". The energy you've received from the banquet table of the Lord has given an unquestionable trust and faith in God, that will announce and guarantee your success in this month of gain where lost is forbidden.

Get a survey with the mirror of God's words and take every step or move at the master's command. I pray this month of Gaining New Grounds will bring about a significant enlargement into your God's given inheritance as a saint. Get into the armour house and get yourself equipped because for every true value to be born, confrontation and opposition is unavoidable. Whereby, put on the whole armour and press forth and possess and get your coast enlarged.

What you should be expecting is a fast advancement into new distinct values. Receive power from the throne of Grace for successful living which will bring about

recovery; maintaining every form of excellent results that will bring about the confidence and assurance to your walk with the Almighty God. Get mingled in the place of prayer and fellowship with God until the redeemed you rise to fall no more. You were born to win, you were created a winner, you were made a success and you are ordained a conqueror. With Jesus, you can laugh, and laugh, and laugh again, because the end with God is known from the very beginning and your end speaks better things than your beginning. God bless you as we drive into the month of **"GAINING NEW GROUNDS".**

CHAPTER 1
GET THE VISION OPEN

Vision is an embodied structure within the human content. Every one created of God and born of God is embodied with a vision. It is the manifestation of one's vision that makes him distinct among other people. Once an individual's vision is closed up consciously or unconsciously, it will put to birth an agent to kill true values embodied in the vision. When you hear people, nations, kingdoms lamenting, it's because the lives that were to work in such places with open visions, are present there with closed visions. When one's vision is closed it can only lead to destruction and not construction to his world. All those given to terrorism and other forms of human destruction, these are elements that contribute negative impact on humanity because visions are closed and not opened. These cannot bring our planet into an atmosphere of serenity and peace; without the presence of an open living vision, we find ourselves in abject pain and agony. The prince of Peace Jesus Christ has done it all for us, all the world needs is to accept his Lordship to govern and reign over our world and that will bring an end to our endless sorrow.

We are told in the book of ***1Samuel 3:1*** how a nation that had great potentials was in torments because the leaders and the inhabitants of the land were living with a closed vision of their lives. A vision given and not open cannot profit the carrier of it. It is like moving with a closed book and unable to open to know its content. Everyone with an embodied close vision is bound for stagnation,

for worries, pain, hardship and that is why there is a need in this season for every closed vision to be made open and plain so that the carrier may run with it and manifest it.

The greatness of every nation is embodied in the lives of persons who dare to open up their contents for the well being of others. If Adam Smith didn't break up the content of his economic policy, our world economic system could have been in chaos. So for our world to be a place of joy and peace, our God given vision must not remain closed but open.

1Samuel 3:1 "Now the boy Samuel ministered to the Lord before Eli. And the word of the Lord was rare in those days; and there was no widespread revelation". "And the child Samuel ministered unto the Lord before Eli. And the word of the Lord was precious in those days; there was no open vision" (KJV)

Every God leading life is that true instrument that can better the well being of the world. The nation Israel in the days of Samuel was under subjection to their enemies. This is because those who were to lead the nation never gave in for the word of God (the opener of all living visions) to lead their lives. The scarcity of God's living word leading your lives as an individual or groups of persons will license damnation into your life but if opened, it will colour those lives for good. The Bible says; in the days Samuel ministered before Eli the priest, the word of God was scarce and there was no widespread revelation. This implied that the absence of a revelation was the absence of a revolution and the absence of a revolution is the absence of elevation. If you were born to be great, embodied with a great substance, that substance

cannot manifest until the vision of that substance is open up.

Israel a covenanted people of God were under the oppression of the Philistines in the days of Eli. The Ark of covenant or Tabernacle of the church was there, the priest and the pastors were there and other church attendants were there, yet with closed visions. For your vision to be closed is giving an advantage to your enemy's weapons to destroy you. We need the likes of Samuel in this generation that will stand in the gap to make sure that the word of God has a fruitful ground in the lives of men so that our world could manifest its worth for the Glory of God. You can't succeed in your world with a closed vision. Any battle fought without God's leading is a battle fought with closed vision and any achievements gotten without God's leading is achievement gotten with a closed vision.

Saul the first king of Israel and all Israel faced Goliath with a closed vision mandated by their flesh and David the son of Jesse faced the same Goliath with an open vision mandated by the spirit. There can't be any self confidence in an individual's life unless the content of that individual's vision is opened. Your advancement and progress in this season will depend on how clear and open your God's given vision is to you. As soon as this is done, I want to assure you, you will trample on snakes and scorpions and you will feel no harm, you will speak to the enemies out of the gate. This will take us into the book of Judges to look at the value that was endangered yet equipped to take over a land but not knowing because the vision of his life was closed. Get the knowledge of the

finished works of the cross. Walk in the true sense of your persons.

Judges 6:6 "So Israel was greatly impoverished because of the Midianites and the children of Israel cried out to the Lord".

There are questions today in the minds of people, why should children of God live in perpetual poverty and hardship? Questions again like why will the saints or God's people be looked upon as last grade people? And a lot more. The Israelites were faced with this same situation and the Bible says Israel sinned against God and what was within them to make them up became dormant. They were impoverished and the way out for Israel was for her to listen to God and follow His instructions. The cause to all these is sin, and ignorance, as the evil ground behind all what the sons of men are suffering.

In the midst of Israel's misery, there was a great value in their midst by name Gideon. But Gideon himself did not understand his content or vision and because he didn't know the things he was supposed to know concerning his life from God and he was caught up by the satanic arrows of fear and defeat. I do pray that as the Angel of God spoke to Gideon for the content of his person to be opened, He will do the same in your life today in the name of Jesus. God is sending a word into your life today and that word is to bring about a change or turn around for things to happen in your life for good.

Judges 6:11-12 "Now the Angel of the Lord came and sat under the terebinth tree which was in orphrah, which belonged to Joash the Abiezrite, while his son Gideon

thresh wheat in a wine press, in order to hide it from the Midianites. And the Angel of the Lord appeared to him and said to him "the Lord is with you, you mighty man of valour!"

What a tragic situation for a man of valour not knowing he is a man of valour. When a man misses the true sense of his person, he paves the way for his enemy to conduct his life. Most in the body of Christ are suffering today because they have lost the sense of their person and they are given in to do all kinds of non-valuable things and entertainment words from the devil. Gideon being a man of valour having lost a true sense of his person was living in a house that was controlled and governed by an idol god. You will see that he who has a closed vision and he who has nothing may have no significant difference. Get the vision and get it open. Having a vision and not getting it opened is a dilemma that has plagued many sons and daughters of God today. The openness of your vision will give you strength for its fulfillment. The openness of your vision is the springboard to open all miracles that belong to your life.

When Gideon's vision was given to him and opened, he understood clearly that he was to deal away with the idol temple that was in his father's house. For the Bible says Gideon threw out the altar of Baal that the father had and cut its grooves and immediately raised an altar for the Lord. From this moment henceforth, Gideon's life was ruled by the Lord. From a hiding man for fear of the enemy, he rose up in strength and got his enemy defeated and brought victory to his nation. When you see a man arguing the scriptures that is an evidence that he is under

closed vision. When there is no quest for growth and value in a man's life, that's a sign that he is with a closed vision.

When you see a man exchanging Christ's inheritance in his life for the pleasures of the world, that is a man with a closed vision, and all those desecrating the altar of the Lord with the syndrome of "it doesn't matter" because of present fleshy pleasure are people with closed visions.

The vision of your life will keep you on focus and will help you to forbid entanglement. The vision you carry would make you keep the integrity of your person, as it did in the lives of other vision carriers like Moses, Joseph, and Daniel etc. They all had integrity and they anchored to their God given vision. Loved ones live a life of integrity, and you will be empowered by the LORD to fulfill in Jesus name. The absence of that vision brings in things of no value to lead your life. ***Proverbs 29:18 "For where there is no vision the people perished".*** Gideon without vision was endangered with his nation and they would have all perished if the Angel of God did not activate his vision. You are called these days to lay hold on your vision, get it opened, make it plain, run with it, and you will celebrate your life. ***Habakkuk 2:3-4, Psalms 40:7-8.***

1- O God of my life, I worship you for the Glorious vision you have given to me in Christ Jesus.

2- I pray my vision to be opened and made plain in the name of Jesus.

3- I disconnect myself and my vision from all vision killers.

4- I command the yoke of stagnation and delay to my vision to be destroyed by fire.

5- O God, empower me to manifest your Glory

6- Receive the Glory and honour as I pray in Jesus name.

CHAPTER 2
DEALING WITH FEARS AND WORRIES

Fears and worries are agents of torment and destruction. It is of no good to entertain things that are not of the well being of your life. Don't create any avenue or place for them to lure you into a crack down. Both of them do not make your life any better but rather they tend to bury and bring an object of molestation over your life. This will draw our attention to the gospel and teaching of the Lord in;

Mathew 6:25 "Therefore I say to you, do not worry about life, what you will eat or what you will drink; nor about your body, what you will put on. Is not life more than food and the body more than clothing?"

The Lord is passing a command that we should not worry. He says do not worry because most of the things that give worries in our lives are things that are already in God's control and even if we place our attention to it, our capacity as men can't bring them under our control because what you can control can't worry you.

Fear is another force that brings threat to lives when there are no true reasons for such threats. Through out the scripture the Lord keeps on telling us not to fear. On a daily basis there is an echo from the throne of Grace saying **"Fear Not", "Fear Not".** What brings worries and fear is what the literal man will call the unknown and what may not be known to you is known to God. If it is known to God, all you need to do is to anchor to Him and His strength will do it for you. The value you carry as a son or daughter

from God is the reason for God's commitment to watch over your life. Knowing God fortifies you to bring down and trample upon the unknown. The revelation of His person in your life makes you a fortified city. It takes a man with a close walk with God to distant fear and worries from his life.

Your intimate walk with God will give you a clear understanding of His person. Knowing God is knowing power. Knowing God is knowing possibilities in the midst of impossibilities. Knowing God is celebrating victory on a day to day encounter as it is written; ***"they that know their God shall be strong and do exploit"*** for what you know will enable you to understand its working principle. Your profound knowledge for God and His encounter with you as a person brings a marked difference to settle arguments in the midst of controversy. Let's have a close look at the encounter of Elisha and his servant being confronted by the Syrian armies.

2 Kings 6:8-23 ". . . Therefore the heart of the king of Syria was greatly troubled by this thing; and he called his servants and said to them, will you not show me which of us is for the king of Israel? And one of his servants said none, my Lord, O king; but Elisha, the prophet who is in Israel, tells the king of Israel the words that you speak in your bedroom. So he said go and see where he is that I may send and get him. And it was told him saying surely he is in Dothan . . ."

The Syrian king was greatly troubled because there was a man of God in the land of Israel that knew his God. While Israel and their king were troubled, because of the king of Syria. There was a man in the land that

knew his God, he was far from worries and fears and he was in place to give directives to the people of God. Your leadership skills will become ineffective when you are compelled with worries and fears. The king of Israel as a leader was not effective because of his worries and fears. But Elisha's leading was effective because of his knowledge as a child of God and servant of God and for who God was. So too was Jesus; in every confrontation while others were troubled, He was still. In the gospel, while the disciples were worried about the raging storm, the Lord was asleep and when His consent was brought to the scene, with one word He stilled the storm. Live and walk in the knowledge of what God wants you to know as a son, as a servant concerning His commitment for your life and His sovereignty over circumstances. Let's proceed with the story of Prophet Elisha;

Verse 14-18 "Therefore he sent horses and chariots and a great army there, and they came by night and surrounded the city. And when the servant of the man of God arose early and went out, there was an army surrounding the city with horses and chariots. And his servant said to him, alas my master what shall we do? So he answered do not fear, for those who are with us are more than those who are with them. And Elisha prayed and said Lord, I pray open his eyes that he may see. Then the Lord opened the eyes of the young man and he saw. And behold, the mountain was full of horses and chariots of fire all around Elisha. So when the Syrians came down to him, Elisha prayed to the Lord and said strike these people I pray with blindness"

When the king of Syria noticed that Elisha was the pivot God was using to sustain Israel, he prepared weapons of war to attack the man of God. But because the man of God knew what he ought to know, his knowledge brought the fulfillment of ***Psalms 125*** that states: ***"They that trust in the Lord shall be like Mount Zion that cannot be moved but abideth forever"*** Your knowledge of God will build a strong faith in Him. Elisha was not moved by the advancement of the Syrians, but rather his knowledge and his faith committed God for action that was beyond human comprehension. He was able to transmit the same encounter to the servant that was carried with fears and worries by what his naked eyes beheld by a simple word of prayer. When the servant was enlightened with knowledge and encounter, the agents of fear and worries were killed and he was freed from the harassments of ignorance.

You should know what is within your reach to handle and what is within God's reach to handle. So take your portion and give God's portion to Him; don't shoulder both. Elisha told the servant not to be afraid and he prayed to God to open his eyes. Here you see division of labour, there is something you can do and there is something you cannot do which only God can do it. In the book of Genesis, God spoke to Jacob concerning his presence to go along with him, to guarantee his safety. The very God that spoke to Jacob and to many other worshippers is speaking the same to you. The consciousness of God's presence with you will stop the advancement of fear and

worries. Let the devil know you are conscious of God's presence with you.

Genesis 28:15 "Behold, I am with you and will keep you wherever you go, and will bring you back to this land; for I will not leave you until I have done what I have spoken to you".

IN DEALING WITH FEARS AND WORRIES GIVE IN TO THE FOLLOWING;

1- Walk in the knowledge of God.
2- Walk in faith.
3- Be alert to the leadership of the Holy Spirit.
4- Pronounce His covenant word in your life over every situation.
5- Be very courageous and determined.
6- Be conscious of God's presence with you.
7- Possess a winning mindset.

PRAYERS

1- Father deliver me from the syndromes of fears and worries.
2- Equip me with true knowledge that comes from you.
3- Build my faith and make it strong.
4- Receive the Glory in the name of Jesus.

CHAPTER 3

DON'T TURN BACK

You've been called by God to keep moving forward and not to turn back; you've been given an inheritance to possess and not to turn back from that inheritance. Many because of life's confrontations fall back to do those things that they once destroyed. Where God took you from, you should never fall back to that mess. For whatever God separated you from, you should know the things were not good for your life. God came down to Egypt through His servant Moses for the Exodus of His people because the state of Egypt and its affairs were not suitable for His plans for His people. And so the oppression of the Egyptian on the people of God called for Divine intervention. They were called out of sin into righteousness to be a people that will radiate the light of God on the planet earth. They left Egypt as people of true substance and they went through one confrontation to another. And in all their confrontations, they were warned never to turn back. Any attempt of turning back was a disqualifying factor to their entering the rest of God. The initial word of God spoken into your life, you should be conscious of it and always remain conscious of it no matter the degree of the storm. For the content of His word is what controls the affairs of life.

Many may have reasons for turning back or backsliding, but why should you buy reasons that tomorrow will not propagate your well being? Go for reasons and a purpose that will propagate your well being.

The very energy you would have used to turn back (backslide) from the mission of God, you could still use that same energy to fulfill the mission of God and be crowned with a reward. Even Lot when he was sent out of Sodom by the Lord, he was told with his family not to look back.

Genesis 19:17 "So it came to pass when they had brought them outside, that he said, escape for your life. Do not look behind you nor stay anywhere in the plain. Escape to the mountains lest you be destroyed"

There was a period of time in the life of a family man by name Lot. Lot was of the lineage of Abraham whom God called to use as a vessel in his generation. And Lot being with the servant of God, Divine virtues were connected into his life which of course brought the attention of God over all that concerned Lot. It came to pass that Lot found himself in a city called Sodom and this city was given to evil. The malpractices in Sodom could not suit the intention of God for Lot's life so there was the need for God to take Lot out of Sodom with his family. The word of God says that the Angels of God brought them out and they were commanded not to turn back or look back to those things they were separated from. I want to let you know that the mind of God over your life is for good and not of evil to bring you to an expected end. Any deviation from God's original intention for your life will obviously end you in pain and regret. The sin you vomited out yesterday and the bad life pattern you forsook yesterday, say no! to them and remain distant from them until you cross the winning mark.

The act of backsliding or turning back, begins with a thought. When Lot and the family left Sodom, the wife left together with them; and all of a sudden, a strange thought of turning back drove through the mind of the wife. But remember the Lord told them not to look back. So when this strange thought came, it was the place of Lot's wife to denounce it and reject it. But unfortunately, she bought the thought, and turned back and she became a pillar of salt. Backsliding will bring a sudden termination of your person. **It is only the thought or ideas you buy that will control the affairs of your life.** What you don't buy can't control you. When Lot's wife bought the thought of turning back, that thought controlled and destroyed her destiny, but others refused to buy the same thoughts. *"**The future of your person is tied on the forward direction and not the backward direction".***

Once the children of Israel were taken out of Egypt, their destiny was anchored before them and not behind them. The way you see the future will describe the way the future will respond to you. Moses made a statement to the Israelites at the bank of the Red Sea saying that ***"The Egyptians you see today, you shall see them no more" Exodus 14:13b.*** Looking at this scripture, what you have been delivered from, you are mandated by Divine order never to see those things again, be it bad habits, be it sin, and all kinds of things that does not protect your person. God does not want to see you back into the vomit or mess that He took you out from. Moses said the Egyptians you saw, you shall see them no more forever. Are there some Egyptian properties which the devil is still trying

to corner you to behold, child of God walk out of them for you are commanded not to be with them, not to fellowship with them, but to have a clear-cut demarcation with all such sin oriented living. Receive Grace from the Almighty God as you press on to enter your rest.

In Numbers 13 God commanded Moses to select twelve leaders from the twelve tribes to spy the land of promise and they did. They went to the promise land and saw it a wonderful and a fruitful land. They even brought some of the fruits from the land on their return. And when Moses summoned the congregation to hear the report from the twelve spies, the reports of ten of the leaders were so terrible. We can sum their reports in this one sentence (we can't make it). But the other two said we can make it. Those who saw themselves not making it ended up not making it but those who saw themselves making it, ended up making it. So you are called in this season to see yourself making it in Jesus name.

Caleb of the tribe of Judah and Joshua of the tribe of Ephraim were men of substance, men of focus, men of strong determination, men that believed God's words than the giants they saw, men that knew that God was true to his word and faithful. You were not born again to be condemned tomorrow. You were not saved by God to end up with the devil. I do believe that these two men had this kind of mindset and we can call them the **DO IT GENERATION.** Dear pilgrim you are called to do it and make it till the end, receive Grace. For the other ten, they fell back and they are still back till today. This is not your portion. **Stand on your feet and walk as a soldier of the cross, paying attention to the master's command.**

PRAYERS

1- O my God I disconnect myself from setbacks.

2- I reject failure and embrace victory in the name of Jesus.

3- O my soul you were not saved to be condemned. I disconnect you from condemnation in the name of Jesus.

4- O Lord, empower me with Grace to do your will and make it at the end with you in the name of Jesus.

5- Thank you Lord for hearing me.

CHAPTER 4

CRY OUT TO GOD

Crying is a sign that signifies the end of one's strength and that may call for the intervention of a superior power. Cries have messages that could bring results either negative or positive results. You should know when to cry and who to cry to. Jesus journeying through Jericho heard of a man who has been yoked with blindness. As he heard of Jesus, he cried out to him.

Mark 10:46-52 "Now they came to Jericho. As He went out of Jericho with his disciples and a great multitude, blind Bartimaeus, the son of Timaeus, sat by the road begging. And when He heard that it was Jesus of Nazareth, he began to cry out and say, Jesus, son of David, have mercy on me! Then many warned him to be quiet but he cried out all the more, son of David have mercy on me! So Jesus stood still and commanded him to be called. Then they called the blind man saying to him, be of good cheer. Rise, He is calling you. And throwing aside his garment he rose and came to Jesus. So Jesus answered and said to him what do you want me to do for you? The blind man said to him Rabboni that I may receive my sight. Then Jesus said to him go your way your faith has made you well. And immediately he received his sight and followed Jesus on the road"

From the above scripture, here is a man who had come to the end of his strength. Apart from just coming to the end of his strength, an attitude could be denoted from the life of the man that was blind. He did not just

cry out in arrogance, Bartimaeus cried out in humility. Weeping in arrogance will not help you and will not bring any fruitfulness in your life, but weeping in humility will attract the attention of the Lord to positively answer to your needs. Any weeping that goes along with self justification is an arrogant orchestrated weeping and such an outcry can not yield any profit to the individual, whether human or other beings. Many at times, men even in the presence of God cry and weep in pride. At times they are not crying for the evil they did, they are crying because their evil has been exposed. A cry in humility will accept all of God's instructions joyfully and such persons will receive such instruction and use it as remedy to their situation to make things and put things right.

Bartimaeus has been waiting for this day and I believe he began beckoning on the Lord with a soft call but the Lord's attention was not given to him. He was blind and there were a multitude. That was an opportunity which he could not afford to miss that day. We could also be mindful of the fact that that was the last day the Lord was passing through that road of Jericho and after that he never did until He went up to heaven. Many people are in trouble today because they find it difficult to breakdown and to cry to God because of self and pride. But that was not the case with Bartimaeus. So many reasons why people don't cry to God is because of lack of faith in God, but for Bartimaeus, he had faith in God. Bartimaeus raised his voice, what he needed was an answer from the Lord. The Bible says the crowd stopped him not to cry out but he persistently cried out. Reasons being that he needed the master's word and the master's

touch. While others, who could not follow the attitude of Bartimaeus, went home untouched, Bartimaeus received the long awaited answer to his situation. Child of God being ashamed of crying out to God may not be of help to your life. There are situations you are going through and you are called to humble yourself and cry out to God in this season. It will be very difficult for those who know too much to cry and their knowing too much will help the devil to hold them bound.

The fact that the expected results for your life are not forthcoming is to tell you that your applications are wrong. Men that cry rightly always return with joy. ***Psalms 126:5-6 "Those who sow in tears shall reap in joy. He who continuously go forth weeping, bearing seed for sowing shall doubtless come again with rejoicing, bringing his sheaves with him"***

The good Lord that stilled the cry of Bartimaeus and answered to his problem, putting a smile on his face and joy in his heart will do the same as you approach the Lord with like attitude. Let your morning not break with another weeping, but let your morning break with joy. Let your expectation not be cut off, cry out until God feels your heartbeat. Many in scriptures do not make the mistakes that we are making today. Many in our days today spend hours weeping at the table of men. If you could transfer those hours to the table of the Lord, your answers from the Lord would go beyond your widest imagination. A widow of a prophet, whose sons were taken for the debts her husband owed, never went to any kind of man but she went to the man of God. For men of God, I mean true men of God, are solution carrier for

every generation. So the widow of the prophet went to a man of God, called Elisha

2 kings 4:1-2 "A certain woman of the wives of the sons of the prophets cried out to Elisha saying, your servant my husband is dead, and you know that your servant feared the Lord. And the creditor is coming to take my two sons to be his slaves. So Elisha said to her what shall I do for you? Tell me what do you have in the house? And she said, your maidservant has nothing in the house but a jar of oil"

Many in our generation are held bound because of arrogant approach to the altar of the living God. Some even think they can buy over the servant of God or the things of God with their money or material possession. Some think God can be moved because of their anger; but they are mistaken. For one thing will move God; a contrite heart and a broken spirit.

Psalms 51:16-17 "For you do not desire sacrifice, or else I will give it; you do not delight in burnt offerings. The sacrifices of God are a broken spirit, a broken and a contrite heart. These O God, you will not despise".

So the widow woman in the days of Elisha the man of God met the prophet with all brokenness and humility willing to get instructions and follow not to get instructions and question. Many at times before we go for counseling, we've taken our minds before a law court; you versus the servant of God and most often we call that wisdom. Such wisdom is devilish. That is why most often the results they give us is always a dull countenance, but the wise are called to shine. The widow woman with her obedience and submission, the Almighty stepped into

her situation and the little she had, God engaged with a multiplying power of His supply. At the end of the day, her little oil gave her so much to pay her debts and to sustain her family. Child of God break down and cry out. Some of the things we go through and say is the devil resisting us, God himself is resisting us because there are things we are expected to cry out but we prove tough and suspend our colourful success.

Psalms 30:5 "For His anger is for a moment, His favour is for life. Weeping may endure for a night, but joy comes in the morning"

In this season fulfill your joy by having the right mindset towards God and towards men. The disciples with the Lord Jesus while sailing in the Lake of Galilee were confronted with a raging storm. They did all they could do to empty the boat of the water that was entering the boat to no avail, but when they brought in the master's attention, he calmed down the raging storm; their joy was fulfilled and their faith boostered.

Luke 8:22-24 "Now it happened on a certain day that he got into a boat with His disciples. And He said to them let us cross over to the other side of the lake. And they launched out. But as they sailed, He fell asleep. And a wind storm came down on the lake and they were filled with water and were in jeopardy. And they came to Him and awake Him saying Master, Master we are perishing! Then He arose and rebuked the wind and the raging of the water and there was a great calm" (Mathew 8:23-26).

Even in your waiting on God with prayer and fasting, you must be clothed with humility. When Jephthah

cried to God in humility, God answered him and brought him to the throne. When Hannah did in humility, even when she was wrongly approached by the priest of God rudely, she did not answer back but in her humility she left the presence of God blessed. As you break low to cry out to God, let the Heavens attend to you.

CHAPTER 5

GAINING NEW GROUNDS

It takes a survey and stock of what is on the ground and the evaluation of the strength that exists within your content in order to set a proper move for a new achievement. Science has proven that for every kick off for a higher height, there is need for momentum. So how far you can go and how far you can make it will depend on the momentum you gather. Looking at the word momentum, it is the ability in place that enables one or something to keep increasing or developing and it takes proper virtue (moral excellence) to be in place for development to take place. Looking at God's provision for a setforth, the word of God cautions us to put on the complete amour of God. Putting the complete amour and maximising it will propel you to speedy and accurate advancement. Let's see the amour:

1. **Lois girded about with truth: Eph. 6:11-17**: you must arm yourself with honesty and truth
2. **Breastplate of Righteousness:**Righteous living must rule your life. That is sin must be far from you.
3. **Feet Shod with preparation to preach the Gospel of peace**: You must be ever ready to proclaim the good news, fulfilling the great commission.
4**. Shield of Faith:** Absolute trust without reservation in God should be your life style.
5. **Helmet of salvation:** You must ensure your salvation is in place, less you are making noise like a gong on no foundation.

6. **Sword of the Spirit:**The word of God must rule your life, you must not be a biblical novice.

When Moses the servant of God had passed into eternity, God brought His servant Joshua to focus.

Joshua 1:1-3 "After the death of Moses the servant of the Lord, it came to pass that the Lord spoke to Joshua the son of Nun, Moses' assistant saying Moses my servant is dead. Now therefore, arise, go over this Jordan you and all these people to the land which I am giving them- the children of Israel"

God told Joshua after the death of Moses to arise. Joshua was commanded by God to arise in strength and in courage. For it takes strength and courage and a leading knowledge to gain new grounds. In your pursuit, you should be conscious of the scope of your mandate (goal) and the strength of your mantle (war weapon). When the above is done and put in place, the third thing that should follow should be the mandated word of God to carry you through the journey. You should always remain alive, strong and very courageous with His covenant words. Let's look at the covenant words which God placed on Joshua before he could gain new grounds for himself and his people.

Joshua 1:3-5 "Every place that the soul of your foot will tread upon I have given you, as I said to Moses. From the wilderness and this Lebanon as far as the great river, the river Euphrates, all the land of the Hittites and to the great sea towards the going down of the sun, shall be your territory. No man shall be able to stand before you all the days of your life; as I was with Moses so I will be with you. I will not leave you nor forsake you"

Before Joshua could ever engage to possess the territory that was apportioned to him and the Israelites, God led him to know that his success will depend on His presence being with Joshua. The scope of the land and its boundaries was spelled to Joshua. The Lord told Joshua that no man shall be able to stand before him. It means men will obviously appear, but they will not be able to stand. Situations will appear, both visible and invisible but will not be able to stand. And the Lord said no opposition will hold Joshua bound because of His presence with Joshua. The Lord also made it clear that He will not fail Joshua nor forsake him. To every child of God, His Divine provision for you is to make increase and to develop.

The strength of your invasion into gaining new grounds will tie on your day –to –day meditation on the word of God to observe and to do according to all that God has commanded. ***In Joshua 1:8 "This book of the law shall not depart from your mouth, but you shall meditate in it day and night that you may observe to do according to all that is written in it. For then you will make your way prosperous and then you will have good success"***

It will be difficult for any individual or groups of persons to succeed if they dare walk out of the ways of God, for God is your provider and your present help in the times of need. In Joshua's journey into gaining new grounds, there were lots and lots of confrontations that met him but the substance of God's word was his secret to victory. With the whole armour of God in place in your life, your advancement is sure.

In every confrontation of Joshua's journey, there were Divine released keys to subdue his confrontation. Let's look at some of them; the pathway to gaining new grounds is a narrow pathway filled with thorns and thistles of life. Moses brought Joshua and Joshua ended with him at the banks of River Jordan. There he was faced with a challenge to cross about 2.5 million people across the Jordan. So river Jordan was the first challenge before Joshua but God gave him victory by simple instructions and the key to open Jordan this time was for the priest to step into it with the ark of God's covenant and the water opened so the children of Israel stepped into it on dry ground. Here we can say that with God, it's not a copying of a system but a released Divine command or order.

After Jordan, Jericho was before them, they were faced with the wall of Jericho and another Divine command was issued. This time it took a walk round the wall of Jericho and the men of war were to do this for six days. On the seventh day the priests were to join with trumpeters to move round the city seven times and the wall of Jericho came down at the blast of the trumpet as commanded by the Lord.

After this they were faced with the country of Ai and having defeated Ai, they were faced with the king of Jerusalem. The king of Jerusalem joined forces with other five kings making six nations in number to battle with Joshua but this time around the Lord changed the system again. This time, Joshua was in the battle ground with his enemies and at the hottest battle, God answered the man in a way He had never done before.

In Joshua 10:10-12 "So the Lord rooted them before Israel, killed them with a great slaughter at Gibeon, chased them along the road that goes to Beth Horon, and stroke them down as far as Azekah and Makkedah. And it happened, as they fled before Israel and were on the descent of Beth Horon, that the Lord cast down large hailstones from Heaven on them as far as Azekah, and they died. There were more who died from the hailstones than the children of Israel killed with the sword".

The Israelites fought and as their enemies were running, God took over the battle with hailstones and killed them more than what they did with their swords. I pray for you, that in this season of gaining new grounds when your strength fails you, the Lord will take over to do what your strength couldn't do in Jesus name.

Verse 12 "Then Joshua spoke to the Lord in the day when the Lord delivered the Amorites before the children of Israel and he said in the sight of Israel; sun stand still over Gibeon and moon in the valley of Aijalon"

In winning new grounds you should be watchful to see that the lord goes along with you because if He doesn't go with you there are times that your strength will fail but if He goes with you, His strength will take over and do what your strength couldn't do.

Mathew 11:12 "And from the days of John the Baptist until now the kingdom of Heaven suffers violence and the violent take it by force"

What called for stronger fights is because the new ground you are possessing already had people occupying it. But the Lord who sent is the maker of all. Therefore

this calls for courage and determination knowing that He who is with you is more than he who is with them. Your Glory awaits you in Canaan, not in Egypt or in the wilderness. God bless you as you press on into gaining new ground for this is your season set by God. Be strong and be very courageous for your prosperity is guaranteed by the Hand of the Almighty God. Be Blessed!

PRAYERS

1- O Lord my commander, keep me attentive O God to your command in the name of Jesus.

2- O Lord, give me the spirit of courage and determination.

3- O Lord, train my hands and my fingers to fight and to win in the name of Jesus. ***Psalms 144:1***

4- Lord thank you for granting me the victory in the name of Jesus.

CHAPTER 6

DON'T COME DOWN

More often a walk of life is a journey which has a definite direction aimed at achieving a definite goal. Each time God engages you, you should know you are into a life's journey. You are being displaced by God from a common ground into an uncommon ground. And the force of this displacement is masterminded by God's sovereignty over your life. God working with you is not an issue of God intruding into your life but is a matter of your joint cooperation with God, your genuine submission to Him and obedience brings His agenda into your life. This agenda takes you to a progressive and meaningful life pattern. It is this meaningful life that God gives to a person that invites people to contribute to the purpose of God in your life and it also invites people to destroy the same purpose. There are people that will join God to see that you are taken to the peak and there are also people that will join the devil to drag you into the pit. While others are sent to contribute to your God's given purpose, you should be aware that others will come to destroy the same purpose. So in this sense, you a carrier of Divine purpose, be aware of your content. Jealously guard your content and know who to associate with and who not to associate with. Many are victimized because they walk with the wrong kind of people. Walk with men of like vision and passion.

Looking at the context of our study, and the revelation of His mind in our life, we will study the

character of the man Elijah. There were stages in Elijah's life that he was only known as Elijah. There was a purpose spoken over his life and there were times that he had to manifest that purpose. Where you are coming from may not be important as compared to what you are carrying and where you are going to. Elijah came from the town of Tishbite but being a man from Tishbite was not the importance of his person. What spelled out the importance of his person was what the content of his person carried and of course the manifestation of that content was the peak that spelled out the strength of Elijah's mission. ***1 kings 17:1-2.*** **EVERY PURPOSE HAS A MENTOR AND AN ENEMY.**

In the case of Elijah, Obadiah and other God fearing men were there to see that God's purpose succeeds while Ahab, Jezebel and a host of others were there to see that God's purpose in his life does not succeed. There is a wholesome truth I want you to get today; the spoken word that came over your life when you were born of and called by God is that spoken word that is supposed to keep you through life's journey. Never you allow any threat which I call baseless threat by the enemy to separate you from the spoken word of God that came over your life as a child of God, a man of God or a woman of God for that is your anchor to silent your enemy.

The content of your spoken word from God or prophesy carries the very peak value of your existence. So never you allow it to be messed up for any reason. People's figure can be better seen when they take the journey in an upward direction to reach their utmost height. Elijah was to settle an argument in Israel in the days that

Baal's worship influence was dominant. He went up to Mount Carmel he never descended but ascended to have adequate positioning to address the enemy of his purpose. There is a goal set before you that you must press on until you get the goal within your control. Your control panel is placed on your upward position. Your horizon will speak the best of life destined for your person. You will not bargain with the devil when you are at your horizon, rather, you will pass decrees that will be established. The top of Carmel was the horizon for Elijah to handle what has been pending and keeping his generation in bondage. I pray today, ascend also to your horizon. At your horizon the creatures will listen as you receive command from God to direct the affairs of men in your secret dwelling place with the Lord. ***Psalms 91:1-2.*** Press on until you dwell in sweet fellowship with the Lord.

Philippians 3:14 "I press towards the goal for the prize of the upward call of God in Christ Jesus"

You are called upon to press forward and forward until you are endowed with a grace unstoppable, with a fire unquenchable and with a zeal and knowledge beyond intimidation. As other legends became, so you are also to become for the Glory of God. Elijah climbed Mount Carmel and there he silenced 850 prophets which were looked upon as gods to the people of his time, which were no gods. Receive power and authority to settle controversies in the name of Jesus Christ.

1 Kings 18:19-20 "Now therefore, send and gather all Israel to me on Mount Carmel, the 450 prophets of Baal, and the 400 prophets of Asherah who eat at Jezebel's

table. So Ahab sent for all the children of Israel and gathered the prophets together on Mount Carmel"
The command of God through your life to your generation will not be altered by any power when you stand on the mountain of the Lord. Elijah gave a command and Ahab had to obey though an enemy. We are told in ***verse 40*** of chapter ***18 "And Elijah said to them, seize the prophets of Baal! Do not let one of them escape! So they seized them and Elijah brought them down to the brook kishon and executed them there***". The anointing you need to stop the advancement of the enemy will come from the mountain of the Lord and so too your distinction. Moses' distinction came when the Lord met him on Mount Sinai and Elijah's distinction also came when the Lord met him on Mount Carmel.

Any threat around you from the camp of the enemy should move you to get into God's presence, not to go out of His presence. The level you have ascended the enemy's plan says come down, but God says go up. Never you allow the enemy to influence you to come down at his dictate or proposal. If you yield to the devil's proposal, your significance will be swallowed in the pit. No matter the pressure of the devil to bring you down, the grace of God upon your life is mightier than any pressure of the devil. So stand and stand on your feet. In ***2 kings chapter 1*** Elijah sentenced Ahaziah with the judgement of God and after doing that he climbed up the mountain. Ahaziah sent threats to the man of God while he was on the mountain, by sending a host of his armies. This was to influence Elijah to go out of the positioning of the Lord. You are reminded again; don't come down, for if you come down, you will lose your person and purpose.

2 kings 1:9-10 "Then the king sent to him a captain of fifty with his fifty men. So he went up to him and there he was, sitting on the top of the hill. And he spoke to him man of God, the king has said, come down! So Elijah answered and said to the captain of fifty, if I am a man of God, then let fire come down from Heaven and consume you and your fifty men. And fire came down from heaven and consumed him and his fifty"

One truth I want us to gather from this text is Elijah climbing the mountain was ordered by God and he could only go down by the very order from God. The question you need to ask yourself today, on the platform where you are serving God, whose counsel governs your affairs? Elijah could not come down at the command of the king because it was not the king that sent him up. I have this question to ask, the standard God gave you as a person or as a mission body, are you still keeping that standard, or you have walked out of it and come down from the hill of the Lord? Your Heaven may remain closed if you walk out of God's order and come down from the position that God expects you to be. Walk and maintain an upright life. Be men and women of God. Don't adulterate the word of God nor His standard and you will celebrate an all round victory in the Lord your God. Stay in place and the Heavens will pay attention to you. Receive Grace in Jesus name. Amen.
