TESTIMONIES OF FEBRUARY PUBLICATION OF "MANNA FEAST"

BALI

I want to thank God for revealing some challenges of my life through chapter 4 of the "Manna Feast", "The Vagabond Spirit", coupled with the workshop in Bamenda during the crusade. I use to think I was suffering from demonic attack but the "Manna Feast" opened my eyes to see that I need to be consistent with one thing rather than doing many things at a time. Thank you Lord for knowledge!

Bro Richard: 676 89 15 24

BAYELLE

I want to appreciate God for chapter 1 of the "Manna Feast" which says "Stretch Out". After reading this chapter, I stretched out and recovered my lost spiritual memory and now I can see and hear God like never before. Praise Jesus!

Sis Rachel: 651 29 95 25

I want to give God the glory for the "Manna Feast". I went to visit my mistress who complained to me that the daughter was suffering from heart problem. She had taken her to many hospitals and finally she was referred to the Shisong hospital. When I laid the "Manna Feast" on her chest and prayed with her, she was fine and she began doing the things she could not do. To God be the Glory!

Sis Judith: 675 52 85 66

BAMBILI

I read chapter 4 of the "Manna Feast" "The Vagabond Spirit" and saw that it was what characterized my life. So I prayed with

the "Manna Feast" and in my dream, I saw myself vomiting worms. I believe that was my deliverance so I just want to give all glory to God.

Sis Regina

I misplaced my HND registration and I did not know how to tell my parents. A day to the close of the registration, I took the "Manna Feast" from one sister and I opened to chapter 5 "Overcoming Trouble Days". After reading and praying with the "Manna Feast" I heard a voice talking to me. The following day, my aunt came to school with my registration. Thank you Jesus!

Bro Felix

KUMBA

When I opened chapter one of the "Manna Feast" and saw "Stretch Out", I knew it was not for me. But by the time I went through it, I really saw the need for me to stretch out and I discovered that sickness that had been troubling me for a long time was healed after my stretch out. I give praises to God.

"

YAOUNDE

I want to glorify the Lord for what He is doing in my family through the "Manna Feast". Since my wife started praying with and taking the "Manna Feast" to her business site, her business has been booming. Praise God!

INTRODUCTION

Welcome into the month of **"Glorious Triumph"**. We want to thank God for the new trend that His Divine provision has imparted into our lives. Thanking God for His leadership, through and by our enabler in the person of the Holy Spirit; for making each season of our lives and walk with Him impactful and progressive. A Glorious Triumph, that is, a season impressive, deserving with great success, achievement and victory, feeling of satisfaction and splendour. Another season of celebration has just emerged where the faithful will have glorious output to celebrate with while the wicked will remain silent, and dormant in their darkness. Once there is celebration in Zion, there must be weeping in the camp of the wicked. This is the month to draw the line and scale the balance.

Once more, get excited for in this season, His lamplight will radiate you and your mouth will be filled with laughter and singing. For an excellent forward march into a realm where God alone has set up for His loved one. Once more, be alert, be very conscious, for indeed this is your hour, this is your day that the Lord has brought you to focus for a glorious triumph. Remain blessed in the most holy place with the Lord.

CHAPTER 1

VICTORIOUS ADVANCEMENT

Life is a journey which has different assignments and the different assignments have a given time to be accomplished. Jesus addressing His audience in the book of ***Mathew 7*** made a comment on two roads or two ways where life's journey could be exercised. He told us about the narrow way and also the broad way.

Mathew 7:13-14 "Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life, and there are few who find it"

In humanity as a whole two kinds of journey is set for them, there are people who are on the broad way that leads to destruction and that broad way may have little or no resistance. This is the way that advertises the works of the flesh and gets it fulfilled. This is the way that harbors careless living and all sorts of immoral life style. Evil and sin is a role model that governs the broad way of destruction and there are many that find themselves on this broad way. They celebrate it as a way of life which indeed only leads to destruction. We can be able to picture this in our natural world that; it is easier to get something destroyed than to get it build up. It is easier to lose value than to gain it, it is easier to descend than to ascend.

You can picture every man that lives a wasted life, from his careless living and untamed lifestyle. Such are people whose destiny is heading for destruction. But for those who want to give their lives a better end, they take their journey on the straight and narrow way which leads to eternal life and the Bible says there are few that find this. These few become figures of attention to

those on the broad way that leads to destruction. If you have no standard for a godly living, you should know your life is on the broad way of destruction but if you have a godly disciplined life, you will know you were not created to do everything, but the things that suit the author and the giver of life "God".

When the Bible talks of a straight and a narrow way, it means those found on this road are people that have gotten rid of ungodly attachment. They are people who have a quest for just and righteous living; they are people whose view and end is with God so they give themselves to the discipline of God's life. We can picture a discipline of God's life ruling all those that ever walked on the straight and narrow path. Their lifestyle was outstanding, uncrooked, filled with the knowledge and the fear of God. And all those that gave in to the discipline ended with God in their journey of life. They actually lost something (the pleasure of sin) for eternal life.

In life, you need to miss something in order to get something. Wayward or careless living can only be accepted on the broad way because what is broad will need no restriction. Men on the broad way are not watchful because though heading for destruction, watchfulness or vigilance has no rule in their lives. It is just like you can't tell a suicide bomber to be careful because he is heading for death. It takes people who have respect for life to watch over it, protect it and give it eternal rest. As God's children, we have been called by God to exercise and demonstrate an act or a pattern of victorious advancement in our journey of life.

When we hear the word victory, it only comes when someone has overcome something. This implies there are things we are born to overcome in order to be victorious in our journey of life. The Lord describes to us the picture of the pathway of victorious living;

- He says the way is straight

- The way is narrow

When you look at these two descriptions, it already gives information in the hearts of the pilgrims of a task to be accomplished. Just as the men of old who were called by God and given a task, so too is everyone that is born of God. They have an assignment from the Almighty God to give in to righteous living. Righteous living may be difficult if you are not born of the seed of righteousness. This is a life far above just being a moralist but the life where the seed of God in your life gives command to your day to day living. Each time men come in contact with God; there is a standard of life from God given to men to live by it. This standard of life becomes a task to keep, to maintain, and to grow to its accomplishment.

When God created Adam and Eve, He gave them a standard of life, so too with Abraham, and Moses. We cannot live this life out of God. This life is made possible for humans that are in Christ Jesus. Victorious advancement calls for an individual to be in union with God and for God's presence to abide with that individual. When God called Moses, He placed him on a life's journey to take His people Israel out of Egypt into the promise land. The pathway of the journey was narrow and straight. When the detailed assignment was given to Moses, he prayed to God requesting for His presence to go with him because he had a foreknowledge of the assignment. The Almighty guaranteed Moses His presence. This implies that without God's presence with us, victorious advancement will be impossible.

Everyone desires and aspires to be victorious but not all end up being victorious. The victorious ones are those led by God and living in God's presence.

Exodus 33:13-14 "Now therefore, I pray, if I have found grace in your sight, show me now your way, that I may know you and that I may find grace in your sight. And

consider that this nation is your people. And He said, my presence will go with you, and I will give you rest"

The victory of Moses' advancement and the Israelites was tied to God's presence with them. You may be resisted as a human by the difficulties of life but with God's presence, you will always come out a victor. Moses' advancement in victory was not tied to his intellect, his age or his background but it was tied to God. For all creatures with their God's given potentials can only resist other creatures but cannot resist a creature carrying God's presence. Moses knew he was going to face resistances with the Israelites. But one thing was certain with him, ***"Lord if your presence will go with us",*** then every resistance on the straight and narrow way will undergo victory.

Victorious advancement is of God's making through us for it is God that leads us to triumph. Being void of His leadership is being void of victory. We should know that God will not strife with us, He needs our willful submission to Him in order for Him to do what we expect from Him. When men submit to God, their submission attracts God's attention and God's attention brings Divine leading over the lives of people for victorious advancement. ***2 Corinthians 2:14 "Now thanks be to God who always leads us in trials in Christ, and through us diffuses the fragrance of His knowledge in every place"***

So our triumph is not in ourselves but in Christ. Our triumphant advancement gains ground in us and through us when we are embodied with the knowledge of Christ spreading all over the sectors of our lives and taking total governance of our person. The knowledge of His person "Christ", makes us Christ also and that is why when the coming of the Messiah was promised, talking about the seed of the woman bruising the head of the serpent. This could only be possible in connection with Isaiah's prophecy which talks about a virgin being with a child whose name will be called Immanuel being interpreted "God with us" in ***Isaiah 7:14.***

So God with you guarantees every needed victory for every battle. It was on this platform that the prophets of old that walked with God triumphed over their enemies. God's presence in the life of a child of God brings the individual into a triumphant living which is tied to the platform of God's own holiness. The expected manifestation of victory may not be noticed by you because of some aspects of immaturity but know that the God seed in you will make you at the end of the day to shout a shout of victory over the enemy. Your process may not carry victory but your arrival over the landmark will bring all the virtues that one who wins can show forth. Know Immanuel is with you. So don't afford to take any steps in your life without the guarantee of God's presence just like God guaranteed Moses His presence.

As Moses heard God's voice speaking to him saying "my presence will go with you", I pray you also hear God saying to you for that presence will bring the expected rest you need. So get soaked in God's presence and celebrate victory upon victory.

PRAYERS

1- Lord prone my life to go along with your presence in the name of Jesus.
2- Father take me by the hands, teach me your ways and lead me by the hand.
3- Lord, uproot out of my life everything that may keep your presence away from me.
4- Lord as I advance, grant me victory upon victory for the glory of your name in the name of Jesus.
5- Thank you Lord for victorious advancement in my day to day life in the name of Jesus.

CHAPTER 2

THE CANKER THAT DESTROYS OUR VICTORY

Victory can be delayed or turned down if necessary measures are not put in place. For every gotten victory, true knowledge for its effects must be in place. The conquest of a life struggle relates information to our minds of an enemy who is always prepared and ready to spread a dangerous influence through persons to affect our attitude or behavior in order to postpone the urgency of our needed victory. The enemy of your life is the sole sponsor of canker to interrupt your victories. That is why the Apostle Peter drew our attention in

1 Peter 5:8 "Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he will devour"

When one is devoured, it implies you've been deprived of victory. So the enemy does all to make sure he deprives the sons of men of their victory over issues of life. We will be looking at some things that are like cankers that delay victory over the battles of life:

1- LACK OF INFORMATION ABOUT YOUR PERSON AND THE TRUE KNOWLEDGE ABOUT YOUR CREATOR (GOD). When you don't know who you are, you may never know what you will become. Because it takes one who knows what he ought's to do and in doing it brings a figure of his identity of his true status. So if you don't know your true position as a child of God, many victories of your life will be delayed. In other words having an adequate knowledge of your person in Christ. For example, if you are a lion and you have the mindset of a dog, though a lion, you will always behave like a dog.

Many things are going wrong in our lives today because of wrong information or misinterpretation of information and the enemy will keep on gaining grounds if the information of our lives are misinterpreted or wrongly applied into our lives. There are people that would have done very well in life but because they are poorly informed, they end up being wanting in all issues of life. As earlier said, you need to know your position and also God's stand and plan for your life. We want to portray a demonstration of the subject which we will be looking at in Christendom and looking the right application for such subjects in our lives. Let us cite the word humility or submission.

As a child of God, you shouldn't be brainwashed on the ground that submission is to be given to every quarter of life. Your submission only brings you a reward when you submit to the right ground. When you submit to the wrong ground, your gesture of submission will end you being devoured by the enemy. When you submit to a shepherd or the bishop of your soul, you increase in value; but when you submit to your enemy, you lost value. So submission is not applicable to all situations. You must know the ground in which you need to submit and the ground in which you need not to submit. It would have been a fatal error for David to exercise submission to Saul, when Saul was in error, because, David's submission to Saul would have cost David his life and that is why there is a call for vigilance.

Each time you are submitting, you submit to increase in value. If your submission will not make you to increase in value, don't submit. Your submission is not to bring you to lose your person but to recover what you lost. Biblical submission has to do with recovery it doesn't do with destruction. Ruth submitted to Naomi and recovered all that she lost in Moab. Elisha submitted to Elijah and took over the prophetic office, his submission did not bring him decrease, rather, it brought him increase. So your submission should not bring you decrease, but

increase. It should end you gaining your person and not losing your person. When the Shunamite submitted to the instruction of Elijah, she didn't lose her person but she gained her person and triumph over the famine that affected the entire Nation. When Peter submitted to Jesus, he was transformed from Simon to Peter. You will realize that the latter days of Peter were greater than his former days.

Hosea 4:6 "my people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for me; because you have forgotten the law of your God, I also will forget your children"

When your submission meets the appropriate quarters, it renders back to the submission protection and preservation and at the end of the day upliftment. That is God's pattern to His children, for everyone that submits to God submits to the right quarters and at the end of the day God lifts the individual up.

2- INADEQUATE TOOL AND WRONG COMPANION FOR THE VISION: for every vision and for every victory that your vision must exercise, if inadequate tool is associated to your vision, you may get your victory delayed and if care is not taken, you will suffer defeat over issues that you were to celebrate victory. We will cite the issue of Saul, the first king of Israel who was anointed by God. Saul was disqualified by God because he walked out of God's instructions and used a wrong pattern in solving a situation and the victory that he was to exercise was cut short because he did what he was not supposed to do; he step where he was not supposed to step into. His victory was not only delayed, it was denied him.

1 Samuel 13:10-14a "Now it happened, as soon as he had finished presenting the burnt offering, that Samuel came; and Saul went out to meet him, that he might greet him.

And Samuel said, "what have you done"? Saul said when I saw that the people were scattered from me and that you did not come within the days appointed and the philistines gathered at Michmash . . . and Samuel said to Saul, you have done foolishly. You have not kept the commandment of the Lord your God, which He commanded you. For now the Lord would have established your kingdom over Israel forever. But now your kingdom shall not continue"

Saul's victory was delayed and denied because of failure to take heed to instructions. The inability to adhere or to give in to God's instructions would keep one long in the wilderness, wandering. Saul was disqualified in the journey of life because of his inability to totally give in to God's instruction. You may be given to disobedience and feeling your excuses for disobedience will stand but such excuses will never stand. For every life journey, let God's instruction take the lead in our lives. Moses had problems too with God, when God told him to speak to the rock, he went out of that instruction and stroke the rock. The Israelites delayed their victory so much in the wilderness because of lack of attention to God's word, using the wrong method to do the right job.

3- DELIBERATE SINNING AND LACK OF SACRIFICE ON GOD'S ALTAR: sinning or deliberate sinning is a canker that will terminate every good journey that began well. The delay and wastage of the Israelites in their journey to the wilderness of the promise land was as a result of their sin and continuous sinning in the eyes of God. Their sinful nature of continuous murmuring brought judgement into their lives and the victory that they were to have over their enemies was turned down. Instead of their enemies to register casualties, the Israelites registered casualties and many of them turn up in a wasteful manner. The Lord says in

Proverbs 14:34 "Righteousness exalts a nation, but sin is a reproach to any people"

Lack of sacrifice on God's altar can also delay or destroy ones victory. Many times, people advance in victory by sacrifice on God's altar and people stop God's judgement also by sacrifice on the altar of God. When David sinned against God by numbering the Israelites in ***2 Samuel 24:10*** and God sent down an Angel where hundreds of thousands of Israelites were killed by the plague of Judgement; but David was able to stop the judgement of God by buying a land and raising an altar of sacrifice.

Also in the book of ***2 Kings 3:26*** when Israel was in battle with the country of Moab the Bible records that the Israelites were defeating the Moabites. When the king of Moab saw that the victory was not on his side he sacrificed his son to God and God turned the battle against the Israelites and gave the Moabites victory.

2 Kings 3:26-27 "And when the king of Moab saw that the battle was too fierce for him, he took with him seven hundred men who drew swords, to break through to the king of Edom but they could not. Then he took his eldest son who would have reigned in his place, and offered him as a burnt offering upon the wall and there was great indignation against Israel. So they departed from him and returned to their own land".

If sacrifices could suspend God's judgement and turn the clock of time to those who were able to sacrifice, then this implies, if the altar of God lacks our sacrifice, it may disturb our victories. Love is love when it is sacrificial.

4- WAITING UPON GOD WITH PREPAREDNESS:

if we embark on an assignment without waiting upon the Lord for empowerment and directives, we may get ourselves messed up. Spending time in the presence of God is a vital issue where pilgrims must give in to. For our strength is being renewed as eagles when we wait in God's presence. It takes a man that

dwells in the secret place of the Almighty God to abide under the shadow of the Almighty God. The psalmist goes on to explain to us what will not happen and what will happen to everyman who dwells in the secret place of the Almighty God.

Psalms 91:1-3 "He who dwells in the secret place of the Most High shall abide under the shadow of the Almighty. I will say to the Lord, He is my refuge and my fortress; my God in Him I will trust. Surely, He shall deliver you from the snare of the fowler and from the perilous pestilence"

So everyone that dwells in God's presence can guarantee himself of God's security and you will not suffer victory delayed or destroyed for no one suffers defeat when dwelling in God's presence. God speaks in the book of Isaiah, with an oath, in ***Isaiah 40:26-31*** and the Lord concludes that they that wait upon the Lord shall renew their strength, they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.

PRAYERS

1- Oh Lord, deliver me from the canker of destruction in the Mighty name of Jesus.
2- Oh Lord equip me with knowledge to always triumph.
3- Lord empower me with the ability to always give heed to your instructions and leading.
4- Lord increase in me a hunger and thirst for your presence in the name of Jesus.
5- Lord grace me to be a sacrificial child of Yours in the name of Jesus.
6- Thank you Lord for hearing and answering me.

CHAPTER 3

A GREAT START BUT A SHAMEFUL END

Many ponder themselves with this question why something start so promising with all Divine backing but just to see a shameful end. Such a lesson like this calls for great attention to every reader. The durability of every substance can be proven with time and services. And for everything that starts great and end up in shame, there is a call to check the inception of the greatness, the process before concluding its end. Some people become great by birth, some by inheritance, and some by work, diligence and labour. We want to cite some figures in scripture that began their life so prominent but we realized that with all the outpour of their manifestation of greatness, the scripture has not given us detail of the process they went through. Those that aspired greatness and does not desire process may never end great. So most of the figures that began so great and ended shamefully were figures that aspired to be great but they did not desire process. Many of the crisis we suffer today even in the body of Christ is seeing men in the aspect of greatness without a genuine, processing. May be your greatness was through birth, but if you do not go through processing, you will turn down that greatness into the mud.

Your process will guarantee your sustainability. We will see great men like Samson that became so great by the pronouncement of their birth. He was a man that came on earth through the utterance of Angelic pronouncement. Let us take an account of how Samson came on earth.

Judges 13:2-3 "Now, there was a certain man from Zorah of the family of the Danites whose name was Manoah; and his wife was barren and had no children. And the Angel of the Lord appeared to the woman and said to her, indeed

now, you are barren and have borne no children but you shall conceive and bear a son"

We are told of the family that was not bringing forth children. And the pain this family went through because of their childlessness taught them a lesson of diligence and watchfulness if a child was to be given to them. In their process they had understood through their childless experience the pain of living childless. Experience has shown that wealth, values of any kind not gotten by a process can easily be lost. What causes you pain to inherit may hardly be lost but what you inherit without pain or process will easily be lost and forgotten. Every aspect of greatness in a man without principle and discipline will vanish immaturely. In ***Judges 13:4*** where we just read, the scripture declares that, there were principles given to the couple for them to follow before the son was born and they did follow it before the son was born. For one to manage greatness, you must know its pathway and must diligently go through it; if not it will be momentary.

Judges 13:4 "Now therefore, please be careful not to drink wine or similar drink and not to eat anything unclean".

The Angel said be careful, greatness is about to break forth, and if care is not taken, that greatness could be marred. Many of us are sons and daughters of greatness but the unfortunate thing is we don't know how to manage it nor do we know the process to maintain and keep it. In verse 5 there was also a discipline and a principle to be transferred to the child in order for the greatness to be maintained

Judges 13:5 "For behold, you shall conceive and bear a son. And no razor shall come upon his head, for the child shall be a Nazirite to God from the womb; and he shall begin to deliver Israel out of the hands of the Philistines"

Greatness has a conception period and also an incubation period and a period where it is brought to the lamplight for service. In all the four stages of greatness from the conception to the

incubation to the public manifestation and fulfillment, the necessary disciplines and principles must be put in place for it to start at greatness and end at greatness. As humans we are born with the Adamic nature and God in His love and infinite mercies has bestowed on human lives substance of greatness. And if you are not well cultured and the sinful nature in you prone off by regeneration and sanctification, and you are brought to prominence, the nature of the old man you failed to deal with will tend to betray you the next minute.

If you are growing as God's child or God's servant with some sinful habits and you are aspiring to one day be prominent without dealing with this yeast of sin, I want to let you know that you may start so prominent but your end will be very shameful. Samson did not pay attention to deal with the yeast of arrogance and pride. He never gave heed to instruction; he was a man who thought he knew all because he was able to do what others could not do. Samson was carried by manifestations and not with a genuine life to live for God.

The manifestation of the spirit is the work of the Spirit and not your work as a man. But a genuine life you live for God and for His glory is what will deposit a crown of glory on your head in the kingdom of the father. Samson hated instructions and if you are a child of God that hates godly instructions, you will end up as a victim to the devil. When Samson had not began manifesting the greatness of God in his life, there was no argument between him and his parents. But as soon as the Spirit of God began moving Samson, he saw himself above the leading of his parents. ***In verse 25 of Judges 13***, the word of God declares that the child grew and the Lord blessed him and the spirit of God began moving him in the camp of Zorah.

Samson has just had a manifestation of greatness without the process of becoming great. Loved one, never you underestimate God's process of becoming great, by going through

it you will keep your soul in tact. As soon as Samson became great, he became a teacher to his parents as we see the link between ***chapter 13 and 14.*** His greatness did not give him directive because there was no genuine life in him. He travelled to the camp of the philistine and there he saw a woman and came home and did not ask the opinion of the parents of what he had seen, but he gave instructions to his parents to get the woman for him. When he was small in his eyes he did not give command to his parents but when he became great he could send his parents on errands.

The parents that had undergone God's process and understood the aspect of living a disciplined life knew something about the woman that Samson did not know. The Bible says the parents knew that the woman was not the will of God for Samson but he could not understand it because he got to prominence with his yeast and uncultured character and that uncultured character led him to his ruin. Finally he got the woman out of the will of God and out of the will of his parents. That was the little leaven that leavened the whole lump of Samson's life. When next we hear about him, he is in a harlot's house with his head on the laps of the harlot.

For every call of God upon you as an individual and for every gift upon your life, you must make sure you go through the necessary process of God in order to safeguard your life. At the close of the day of Samson's life, a man who began so powerfully ended up as an object of scorn and reproach in the sight of God's people and even as a spectacle for the enemies. Samson died shamefully, a man that one thousand armies could not stop, because of uncultured character, a harlot terminated him. It was a terrible situation and too shameful that a man that was ordained a Nazirite from birth ended up in the camp of his enemies and with his two eyes plucked off. Fear God, go through his

commandments, don't despise His pathway and go through His chastisement.

Solomon is another one who also came to prominence with yeast and ended up shamefully raising up altars for strange gods but David his father could not. The bible says Solomon loved many strange women and they turned his heart from following the Lord.***1 Kings 11:1-4.*** Solomon could not manage greatness because he did not know the process to greatness but his father could manage it because he knew what it meant to stand like a shepherd boy before getting in to the throne room. Moses was able to manage greatness because he also went through the process. For Aaron and Miriam they got greatness not by process and that is why they could not manage it.

If you know what it takes to have and maintain greatness, you will be careful to criticize those that are kept to lead you. But Aaron and Miriam did not do that because they did not know what it takes for the heavens to shower greatness on a person. That is why the scripture records in ***Numbers 12*** when Aaron and Miriam rose against Moses God was angry with them, it was mercy that qualified them, it was not because they paid any price but Moses did. You should by no means be deceived that your becoming will be by craftiness but when you go through God's process, God himself will empower you and make sure that nothing goes wrong with it. This is because what is gotten by right will be ruled in righteousness and true dominion.

Jesus being our role model came on earth and did not get His ministry fulfilled over night. He went through the process as God's sent agent to redeem humanity. His process took Him close to thirty years and at the beginning of his ministry, He went to the wilderness to get the process fulfilled for His ministry to commence. In fact He went through every necessary step that was ordained by God for Him. He served the parents as a child, gave His constructive words of knowledge and wisdom among the teachers of the law, interacted with the small and the great, spent time in

fasting and prayers and at the end of the day laid down His life for mankind. Jesus Himself went through the process, that is why He started great, ended great and up till today He is still great. We will only have the access to come before the throne of God if we go through the genuine pathway that God has set before us; as the Bible records in

Hebrew 4:14-16 "Seeing then we have a great high priest who has passed through the heavens, Jesus the son of God, let us hold fast our confession. For we do not have a high Priest who cannot sympathise with our weaknesses, but was in all points tempted as we are, yet without sin. Let us therefore come boldly into the throne of grace that we may obtain mercy and find grace to help in time of need"

Our process will give birth to our boldness but without right, boldness will be nullified. Today Jesus has been crowned King of kings and Lord of lords by the Father. He began great, and is still great and will for ever remain great. God bless you as you turn Satan's deceit into a genuine life pattern for the glory of God. Be determined for grace to speak upon you and carry you through for the glory of God in the name of Jesus.

PRAYERS

1- Oh Lord connect me to the pattern set by you and let it become my pattern in the name of Jesus.
2- Oh Lord I repent from craftiness and falsehood, forgive me I pray in the name of Jesus.
3- Lord connect me with men of like passion like Moses, David and above all to your Divine flow in the name of Jesus.
4- Lord I cancel and destroy every atom of the devil making me to escape my responsibility.
5- Lord Jesus, step in to my issue and make the difference in my life as my God in the name of Jesus I pray.
6- Thank you Lord for restoring me in Jesus name.

CHAPTER 4

THE CHECK LIST

Psalm 119:105 "Your word is a lamp to my feet and a light to my path"

The word of God is our mirror to check and examine us from the spiritual to the physical affairs of our lives, considering every step and approving every action in accordance to the word of God. taking a close examination of our input and output as God's children and taking a survey over our entire being in regards to all God's provision and accomplishment in us and through us. The word of God is a lamplight to correct, rebuke, exalt and empower us in the pathway which God have ordained for us in His word. This is the hour and the moment which is too risky to live in assumption and at the end of the day realize precious days of accomplishment have just been missed. What are we checking?

- We have to check whether our lives is relevant to our season
- Whether our fellowship with God is just religious or yielding a true relationship with God.
- Whether we are conscious of what God wants us to be conscious of.
- Whether we are doing what God wants us to do in the right time, the right place and in the right way.
- Whether our attitudes, and actions ties with the scriptures.
- We have to check the intent of our heart for every action or word we are uttering because to check simply means to examine something to see if it is correct, safe or acceptable. To find out if something is correct or true. Whether things are going the way you think it should be.

There is a call for self examination because without self examination, we may never know what is wrong and what is

correct. Settle down and take an absolute stock of your life step by step and apply precept by precept. Our topic says "Check List", check your fear for God, your love, obedience, loyalty and submission to God, check your study life in the word of God check your prayer life, check your fellowship life with God and the brethren, check your sacrifices of offering, tithing, sponsoring God's project. Check whether your living with God is binding with a pure heart or you are serving God for some fleshly interest as Cain did, and Balaam in the Bible.

A check list of restitution and as many things that pertain to your walk with God, check it with the word of God and get them corrected where correction is needed and get them done where assignment is given. Examine and find out whether you are growing in holy living or you are gradually migrating out of God's standard. Check whether your first love for God still stands. Check and verify whether you are a victim of compromise in areas you could not compromise with yesterday. The Lord says examine yourself and amend your ways.

Jeremiah 7:3 "Thus says the Lord of hosts, the God of Israel; amend your ways and your doings, and I will cause you to dwell in this place"

When we check through the list of our lives there is need for amendment in order for God to secure our lives and to cause us to dwell in the land for the Lord says I am the Lord that makes you to prosper. ***2 Chronicles 26:5***

Deuteronomy 8:18 "And you shall remember the Lord your God, for it is He, who gives you power to get wealth, that He may establish His covenant which He swore to your fathers as it is this day"

As we check, the Lord is commanding us to amend and as we amend, we will remember His statutes and He is the one that will make us to prosper. Check your love for the house of God, for the things of the world, are you a victim of materialism, are you almost backsliding and becoming violent because of

material gain? remember the love of money is the root of all evil. Check a rundown of your activities and get them amended and the Lord will show us mercy. Check your prayer and fasting life.

Take an objective judgement of your life from the spiritual to the physical and seek the face of the Lord for a change that will come only through Him. By so doing you will understand what is wrong and be able to come out of it. All about our physical life is sick at times because our spiritual life is also sick, check the foundation upon which you are building your spiritual life now. This will draw us to the story of a farmer who got the egg of an eagle and he added among the eggs of a hen when the hen was about to incubate. In the course of time, the hen hatched both her own eggs and that of the eagle. And the hen began grooming all the chicks and the eaglet together. As time went by, the little eaglet began noticing some aspects in her that the other little chicks of the hen did not have and the eaglet in a check list understood something was going wrong and she was set to make things right.

One day she heard the sound of the mother eagle in the air and the sound was like her out growing sound. The little eaglet began demonstrating an attitude that doesn't belong to the low altitude; my altitude is right up. As time went by the little eaglet haven crossed examined herself amended her ways by leaving the lower level to soar on a high altitude with other eaglets like her. If this little eaglet did not carry a check, she would have lived a wasted life among chickens thinking that she is a chick.

Don't be brain washed, check your life, amend your ways and your significance will be vital. Check your content and get your person transformed, check your spiritual and physical fruitfulness, take a survey and engage God for a supernatural happening. Without absolute checking, you may never know what is going wrong or right with you.

In 2 Kings 7:3-4 we are told of a great famine that plagued Samaria the capital city of Northern Israel. This famine became so severe that women began eating their children but the Bible tells us in verse 3 about four lepers that were cast out of the city and sitting at the entrance of the gate. It was the step taken by the four lepers that gave them direction for survival. You need to check. They refused to settle their lives anyhow though they were lepers. If you will not take a proper check of your life, your life will end up in a mess though with great expectations. In your life you will know when your life is going wrong and going right. By taking a proper check, these four lepers took an examination of their expectation; at the end of the action they saved their lives and the nation from the famine. Let us get the statement of the four lepers in

2 kings 7:3-4 "Now there were four leprous men at the entrance of the gate; and they said to one another, "Why are we sitting here until we die? If we say, we will enter the city, the famine is in the city and we shall die there. And if we sit here, we die also. Now therefore, come let us surrender to the army of the Syrians, if they keep us alive, we shall live and if they kill us we shall only die"

When these four lepers took a check of their situation, they came out with resolutions. Although both ends had threats of death, one had a better priority of hope as compared to the other one. Their proper check gave them an action for a move and that move break their shell and their limit and they were delivered from the terror of famine. As you examine your life these days and also determine for amendment, let every limitation killing your identity be broken. The four lepers checked and break forth, as you check through your life you will break forth as well. Work on your check list and your life will never remain the same. Moses took a check in his life and refused to be called the son of Pharaoh's daughter and this later made him the priest of Israel.

Every person that check his/her list will keep on adding value to his life because always checking keeps you occupied as Jesus said in ***Luke 19:13 "Occupy till I come"*** so get busy for God.

PRAYERS

1- Oh Lord, thank you for bringing me into the platform of examination.
2- Lord as I check my life, help me to do the right thing and go the right way in the name of Jesus.
3- Father empower me to live doing the right thing and being occupied with the right work.
4- Let every yoke of limitation and shell of intimidation be broken in the name of Jesus.
5- Oh Lord let my day break with a morning light in the name of Jesus.
6- Thank you Lord for hearing my prayers in the name of Jesus.

CHAPTER 5

THE UNCOMMON GROUND

Isaiah 55:6 "Seek the Lord while He may be found, call upon Him while He is near"

Every man that will appear desperately before God and waiting and calling upon the name of the Lord, God by Himself will direct such an individual on what we call on our subject the uncommon ground. It is a ground of encounter, great transformation, a ground that settles controversies, a ground that buries the advancement of the enemy towards you, a ground that created eternal deposits into your being, a ground that causes destinies that were dead to come alive. It is a ground that exits war and violence and brings in peace and tranquility. The uncommon ground of your life is the ground that totally concerns you and your maker "God" and it takes a man that seeks God to find Him. It takes a man that knocks for the door to be opened. And it also takes a man that calls upon the Lord for the individual to be answered.

Uncommon grounds are not easy to access. The enemy does all to keep you away from it and if possible to make you die without accessing it. We are going to see some few Biblical examples of some men that accessed these grounds and the number of years it took them to access it. Each and every one of us has an ordained uncommon ground. But it takes the determined in heart, those hungry and desperate for God to be able to break forth into such a ground.

The man Abram, it took him seventy five years to come in contact with God. That was the battle he found himself into and meeting God was just the inception of his living. Seventy five years ago, he only existed but when God met him that is when true life was made known to him. It was at this age that he began

experiencing true living. But even in his walk or journey of life with God, the devil did not give up. The devil brought a lot of issues to his life to mess him up. He had experienced different blessings of God but there was one that shook the heavens and the earth. It was not the birth of Isaac but it was the sacrifice of Isaac that Abraham laid on the altar of God. It was a difficult task for Abraham to sacrifice Isaac, the uncommon ground of Abraham's life was not just the land of Canaan but the mountain of Mount Moriah.

Genesis 22:2-3 "Then He said, "Take now your son, your only son Isaac, whom you love and go to the land of Moriah and offer him there as a burnt offering on one on the mountains of which I shall tell you. So Abraham rose early in the morning . . ."

It takes sacrifice and determination to let go of that thing that means so much in your life for God before you can get access into the uncommon ground of your life. On such grounds, the heavens will meet you, work with you as a person and ordain you a sign and a voice. Isaac meant so much for Abraham but he didn't withhold Isaac back from God. We see Abraham offering to God like God giving His only begotten son Jesus to the world. We can also recall that when God promised Abraham of having a son, God did not swear by Himself. He only gave the promise in ***Genesis 17*** that He will give him a son. When Abraham appeared determined and desperate for God's will on the mountain of Moriah and laid his only son on the altar of God, God came down with an oath for what Abraham did. As a human being, it is not easy for a man to break up to this level, but the man you love, nothing is too big; nothing is too much for you to surrender to him.

There are sacrifices that one may offer that will open doors for your uncommon ground of encounters. When Abraham was about to slaughter Isaac on the altar of sacrifice, the Angel of God called from Heaven, Abraham! Abraham! And he said "here

I am". On your ordained uncommon ground, God by Himself will direct your ability to you. The Lord told Abraham in

Genesis 22:12 "And He said, do not lay your hand on the lad, or do anything to him; for now I know that you fear God, since you have not withheld your son, your only son from Me"

The heavens testified that Abraham feared God. Your fear for God will lead you to obey Him. A man who says he fears God and cannot obey Him does not fear God. The action of Abraham on Mount Moriah caused the heavens to call him the first time and also a second time with an oath in ***Genesis 22:15-18.*** It is on the ground of this encounter that the seed of Abraham is still ruling and advancing today. Your uncommon ground will turn you around.

Genesis 22:15-18 "Then the Angel of the Lord called to Abraham a second time out of heaven and said "By Myself I have sworn, says the Lord, because you have done this thing, and have not withheld your son, your only son –in blessings I will bless you and in multiplying I will multiply your descendants as the stars of the heaven and as the sand which is on the sea shore; and your descendants shall possess the gate of their enemies. In your seed all the nations of the earth shall be blessed, because you have obeyed My voice"

The uncommon ground with Abraham establishes an everlasting ground with Abraham and his seed, that is why the enemy can't fold his arms and watch you get into your uncommon ground just like that. It takes the determined and the violent to go through God and access it. For Abraham, it was Isaac, for Jacob the grandson of Abraham, it was the hallow of his thigh on the land he named Peniel, for Saul who was called Paul, it was on his way to Damascus. Your uncommon ground will bring a turn around in your life. After Jacob had toiled for 21 years running from his

brother Esau for what he did, it was his travail at Peniel that made him to finally meet Esau, as Israel a prevailer. I pray in the name of the Lord that you will get to your uncommon ground and let God be God over your struggle and your pain; as He was God over Jacob's struggle and his pain. The Bible tells us that Jacob was left alone and he wrestled with a man almost to the dawn of the day. There are some people like Jacob but they don't want to fight their way through. But as for Jacob, he fought his way through.

Genesis 32:30 "So Jacob called the name of the place Peniel: "For I have seen God face to face, and my life is preserved"

Your uncommon ground will bring preservation and recovery and lasting favour. There are many more persons that stepped on their uncommon grounds and their lives were transformed. Though it took them long they were determined and they arrived. It took Moses 80 years before he finally arrived to Mount Horeb where he saw the amazing sign of the burning bush. Then he received a call that was directed to him, he received a mandate and a mantle for the liberation of his brethren that were in captivity. It was his encounter on the uncommon ground of God for his life that brought him to prominence and a role model for his generation. And we can realize that for Moses' 120 years on earth, he did so much with the last 40 years of his life than the first quarter of the 80 years of his life.

Exodus 3:4-5 "So when the Lord saw that he turned aside to look, God called to him from the midst of the bush and said, Moses! Moses! And he said "Here I am". Then He said, "Do not draw near this place. Take your sandals off your feet, for the place where you stand is Holy ground"

It was on this ground that Moses' significance came to the world till today where the supernatural swallowed the natural. Moses began as a wonder, reign as a wonder and died as a wonder. I pray in this season let the Lord meet you in your

common ground and let him lead you as he did with the men of old and your light shall shine and shine for the glory of God. Your common ground may be missing somebody to meet another person, it may be a direct encounter with Divinity, and it may be a deeper revelation of the person of Christ or with the word of God. Your common ground will spell out and define your peculiarity. Lift up your voice, lift up your heart, cry to God earnestly and desperately and the Lord will cause this to happen. Don't relent your efforts until you become in Jesus name.

PRAYERS

1- Lord receive the glory and the honour for empowering me with your Divine words.
2- Lord lead me for an encounter for transformation.
3- Lord deliver me from every yoke of a wandering spirit.
4- Lord station me for an encounter in the name of Jesus.
5- Lord give me a thirst and hunger for you, your word and your presence.
6- Lord let your word upon my life in this season do much better than my expectation.
7- Thank you Lord for hearing me in Jesus name.

CHAPTER 6

ARISE AND SOAR

Having been equipped, empowered and enriched by God, the Lord is expecting us by our enriched content to initiate an upward movement that will rise quickly and smoothly up into His glorious presence. When Jesus had instructed the disciples during His days on earth, He sent them forth having equipped their entire beings. With the lamplight of God's word indwelling us, the Lord is sending us forth to arise from our slumber, from our arrogance, from our ignorance and start to mount up with wings like the eagle. The expectation of the heavens is to see the sons and daughters of the kingdom to maintain and advance with the victory given to them by the death of Jesus and His resurrection. Though the glory is present, if we will not abide from what has been holding us it will be difficult for the glory to identify with us. ***Isaiah 60:1-2 "Arise, Shine for your light has come! And the glory of the LORD is risen upon you. For behold, the darkness shall cover the earth and deep darkness the people; but the Lord will arise over you and His glory will be seen upon you"***

It takes an initiative to arise to make things happen in accordance to God's word and will. If we will not arise, we will suffer the very effect of trouble with the men of the world. The Lord is commanding us in this season to arise and make the difference. To arise in His name, work in His strength, celebrate victory in His presence. The Lord says if we shall arise, He will also arise. Haven been nurtured, start breaking forth and breaking through. In ***Mathew 28*** the significance of the church was to be made relevant by the church responding to the message given to them by the Lord.

Mathew 28:17 "When they saw Him, they worshipped Him; but some doubted, and Jesus came and spoke to them saying; All authority has been given to Me in Heaven and on earth. Go therefore and be disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit. Teaching them to observe all things that I have commanded you; and lo, I am with you always even to the end of the age. Amen"

We are only going to arise and soar by His commandment. Every one that takes God's instructions for granted will not arise; it takes those who heed to His commandments to arise and not to arise for sometime but to the end of the age. In all the departments of life, in any area the Lord has positioned us to serve either spiritually or physically, we are expected to create impact for the glory of God. And our impact is expected to be progressive. Let someone look at your works and see God in that work. Are you a servant of God, let somebody look at you and feel the hand of God and see the fruits of God's works in your life. Let your ministry or ministration reveal and draw men to God. Let your impact be felt as John, Paul and the Apostle's impacts were felt.

Are you a political leader, let your impact be felt for the glory of God. Let somebody see the finger of God in your leadership as it was felt during Joseph's political leadership in Egypt. Are you a doctor, let the impact of your services be felt in the lives of your patients for the glory of God. Let people see the love of God through you. Are you a judge or a lawyer, the Lord says arise and shine. Are you a business man doing business in different capacities, are you a father, a mother, a housewife the Lord says arise and shine. For He is releasing a grace that will make you soar like an eagle. Other birds depend on the strength of their wings but the eagle waits for the wind which makes it soar more than other birds that depend on the strength of their wings. The lord is commanding us to arise and soar, so let us pay attention

to His leading and our lives will bring results round about to affect the ends of the earth for the Lord and righteousness shall never lose its ground in our lives. The Lord tells us in the book of Malachi about all those in the book of remembrance. The people of old that lived by the word of God, today we can trace their names in the book of remembrance.

Malachi 3:16&18 "Then those who fear the Lord spoke to one another, and the Lord listened and heard them; so a book of remembrance was written before Him for those who fear the Lord and who meditate on His name. Then you shall again descend between the righteous and the wicked, between one who serves God and one who does not serve Him"

As we arise in God's strength, the dilemma of mixed multitude that brings about confusion in the journey of life will not be found in our habitation. While the world will be covered with gross darkness, we will be celebrating the light of our rising and the power of God's glory and as we arise to soar God again gives us another promise.

Malachi 4:2 "But to you who fear My name, the Sun of righteousness shall rise with healing in His wings and you shall go out and grow fat like stall-fed calves"

Let the presence of God be felt on His altar and let the altar speak and release the authority of God in the lives of men. Working with God is to allow God work in our lives and to impact the lives of men. This brings us to the story of this God's general by name John Wesley who impacted his world during his studies in the Oxford University. Wesley arose and showed forth the glory of God and manifested the power of His presence (God). A man with such an anointing that addressed thousands of persons without a public sound system and all his audience were able to hear. Child of God, Wesley is still speaking in the British Isle till date because he lived a life for God and God glorified His name in Wesley's life. We cannot count the millions that have been saved

in the Methodist church founded by John Wesley and his brother Charles. They have done their work and gone. The relay is in your hand, the relay is in my hand, let us arise says the Lord and shine forth, standing in the gap to rapture our world for God. As you rise today, may you never fall, keep on rising in the anointing, in grace, in blessing, in prosperity, in love. Shine forth! Shine forth! Till the earth is filled with the glory of the Lord as the water covers the sea in Jesus name.
