ACKNOWLEDGEMENT

I want to heartily thank all the vessels that made themselves available in one way or the other to make this publication of the Manna Feast possible especially those spending sleepless nights to pray for the Manna Feast material, the typist, all those with unlimited financial support and those available for distribution and sales of the Manna Feast, not forgetting printing press of the Manna Feast. May the Almighty richly bless you and grace you as we all labour in His vineyard. Remain blessed!

The General Overseer.

"MANNA FEAST" TESTIMONIES FOR THE MONTH OF FEBRUARY

BAMBILI
"Manna Feast" is a great blessing to my soul. I want to appreciate God for the grace upon His servant that is flowing to us every month through this medium. I was faced with a lot of pressure that almost got me confused but after going through chapter 2 of the last edition "Overcoming Anti Faith Pressure" I got relieved and found direction in Jesus name.

Sis Judith: 672 65 39 84

DOUALA
Praise God! There is power in the "Manna Feast". I laid it on my face and prayed against pimples and they dried up. My wife laid the "Manna Feast" on her stomach in prayers and the baby in her womb moved and when she removed it, the child stopped. I want to worship God for such a gift He has treasured us with in the commission.

Elder Patrick: 675 38 84 80

BAFUT
God blessed me with a job, hallelujah! I came to the head office last year seeking God's favour. It had not been easy on my part as I had no job and all struggles to get one were failing. As I met the G.O with my documents anticipating prayers, he lifted up the documents, laughed, thanked God and told me to go and take the job. I was surprised because he did not pray so hard as I had supposed. I then bought the "Manna Feast" and placed the documents on the hand in chapter 7 and kept praying

till the day of submission. I did not only get a job in the public service, but I also got a husband who also got integrated into the public service. Glory be to God!

BALI

I am very grateful to the Almighty God for the past month and His hand upon my family. He preserved and delivered my sister from untimely death. "Manna Feast" was a blessing and a source of outstanding revival to my soul and spiritual life. Thank You Jesus!

PROPHETIC WORD:

"YOUR MONTH OF DIVINE INFLUENCE AND ANNOUNCEMENT"

WATCHWORD:

PSALMS 71:7 "I HAVE BECOME AS A WONDER TO MANY, BUT YOU ARE MY STRONG REFUGE"

INTRODUCTION

Praise the Lord! This is a month designed for Divinity to have influence over your life and for your announcement. Such influence and announcement will go along with visible evidence that will make your person outstanding like Job standing as a figure in his generation. Job was a renowned man from the East, embodied with influence and affluence that was sponsored by the Finger of God. Such a mandate is yours this month. You just need to key in by faith and you will realize and manifest it. This is the set time for the Lord God Almighty to do upon your life and in your life what only He alone can do. Having this in mind, step into this month with a spirit of praise and gratitude to God. Thank Him for taking you this far and thank Him for what He is doing now. For your announcement in this season will fill your mouth with total laughter and will frustrate your enemies. Be colored daily by the Almighty God as you move into the days of this month. God bless you, in Jesus name.

CHAPTER 1

POWER FOR CHANGE

For every revolution or change to take place upon one's life, a society or a generation, power must be at work. This power spans from the physical to the spiritual world. The struggle in human life today stands between the margin of each and everyone striving to have a change for the better or for the worst. Even when one is stagnated, you should know that in that stagnation, something wrong or right may be going on. In other words, you are either losing or gaining value. We will be looking into a study of the force we need that will bring about a Divine progressive change that will fill our mouths with laughter. There is such a power that must be released for you to be transformed. The assignment of God upon your life cannot be realized without you being endowed with power. Information gathered or ideas developed without the ability to actualize it indicates the absence of power. How do we then access and possess power for change?

We should have this in mind that power or authorities are in different levels. If you must oppose contra powers, then you must come in union with Him that the Almighty has invested all authority in. in all religions on earth, men are making efforts to reach to God but Christianity is the lone ground of fellowship or act of worship that God reveals Himself to man. Without His revelation to man, no individual can serve God as expected or know Him as He is. If you study other religions you will find out that most of them are into the business

of looking for God but to Christians, God reveals Himself to them. The revelation of God and His plan to humanity has placed Jesus on the core and the head of all authorities. This has been physically proven that all other religions be it Islam, Baha'i, Buddhist, Hindu both the tradition and African religions, both blacks and whites, all those that came to herald these religions both from the black race or the white race all died and are still in their graves today. None of them show cased the evidence for the future like Christ Jesus. Jesus is the lone Saviour of the world that came in the sovereignty of the Almighty stated the way he was to live and die and none of the words He spoke ever failed. This goes to confirm the Word of God as written in the book of

Colossians 2:9-10 "For in Him dwells all the fullness of the Godhead bodily; and you are complete in Him, who is the head of all principality and power."

Christ is the head of all principalities and powers. Being in union with Christ guarantees one to access true power for change. In other words, any counsel directed by Christ cannot be opposed or stopped by any other power. The scripture declares again in the book of ***Philippians 2:9*** that after the process of the cross, Jesus' obedience was confirmed by the Father and the scripture concludes this as His life and person in authority is concerned.

Philippians 2:8-11 "And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross. Therefore God also has highly exalted Him and given Him the name which is above every name, that at the name of Jesus every knee should bow, of those in heaven, and of

those on earth, and of those under the earth, and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

Coming in union with the Lord Jesus Christ enables one to access power for change. These changes include the change of life, change of status, change of companion and change of direction. You can't meet God without receiving Jesus into your life as it is written in God's word

John 14:6 "Jesus said to him, I am the Way, the Truth, and the Life. No one comes to the Father except through Me."

This can be actualized by you believing in Him and receiving His Word into your life. The Bible declares such an exercise as the act of being born again and the born again experience delivers one from the past life of corruption and gives one the power to live an incorruptible life even in a corrupt world. Incorruption places one in the company of God and this brings about an incorruptible or unquestionable change.

1 Peter 1:22-23 "Since you have purified your soul in obeying the truth through the spirit in sincere love of the brethren, love one another fervently with a pure heart, having been born again, not of corruptible seed but incorruptible, through the word of God which lives and abides forever."

Once the Word of God gains access in one's life, it compels one to mount up in authority and power. That was the case with Adam and Eve in the Garden of Eden when they had not sinned against God. They had dominion over the living things that were created on

earth. So you access power for change by giving into righteous living or an incorruptible life. Each time sin gains control over a man's life, that individual should know he has been stripped off Divine authority. We were created to portray the image of God so that we can stand on the ground of exercising dominion that will bring about progressive changes in our lives. This change is well explained by our Maker, the Almighty God.

Genesis 1:26-28 "Then God said, Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth. So God created man in His own image; in the image of God He created him; male and female He created them. Then God blessed them, and God said to them, be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."

For you to be in dominion, you must access power. For you to be fruitful, to multiply, to subdue, you must access power. All these can be actualize as we return to God to have access and walk in His nature. When you come in contact with Divine power or authority, there are levels you get to depending on how much of His presence you carry and the amount of the knowledge of His word you know. One of the principles of mounting up in power is by waiting in the presence of God in the place of prayer. The more you spend time with God and the things of God are the more you grow in the power of the Holy Spirit. Such an increase of power comes with

great announcement because it brings about changes that make one's life relevant.

Luke 4:14 "Then Jesus returned in the power of the Spirit to Galilee, and news of Him went out through all the surrounding region."

The Holy Spirit being the Third person in the Godhead is the one that carries or releases God's power for operation. Being given to prayer and spending quality time in God's presence and His Word, He will endow you with the power for change. Elijah brought revival in Israel in the days of Ahab when the land was ravished and polluted with the worship of an idol god called Baal. He tapped into power to shut the heavens for three and a half years and when the days were over he also tapped into the power again to open the heavens for the release of the rains. There was power release because there was a man to pray. ***1 Kings 18:45***. You should know that each time you fellowship in God's presence as individuals or as a church, power is being released and without this power release, change will be difficult. It is on this ground we are saying that for every revolution or change there must be power release. Ezekiel in his days experienced power by a vision that

God gave him. In the vision, he saw a valley of dry bones and he was asked by the Almighty God if those bones could live again. At the end of the day, God commanded him to prophesy for his power to be released on those bones for a change. When he prayed, the Heavens released such a power that worked wonder in the valley of dry bones and the bones were raised up as

an army. That was a change and a significant one of course.

Ezekiel 37:4-5&10 "Again He said to me, prophesy to these bones, and say to them, O dry bones, hear the Word of the Lord! Thus says the Lord God to these bones: surely I will cause breath to enter into you, and you shall live. So I prophesied as He commanded me, and breath came into them, and they lived, and stood upon their feet, an exceedingly great army."

The release of power in any generation guarantees a change that will elevate that generation to a height of recognition. As earlier said, both physical and spiritual activities must access power for their realization. For power is needed for one to rise, to walk and to advance. So to access power for change, make yourself addicted to God's presence and the deep things of God will be made known to you. As you know these things, you cannot perish. During Christ's last days on earth with the Apostles, He sent to them the promise of the Father.

Luke 24:49 "Behold, I send the promise of My Father upon you; but tarry in the city of Jerusalem until you are endued with power from on high."

The absence of this power makes us stagnant and retrogressive. You cannot fulfill Divine mission if you are not loaded with power. Today if the church of Jesus is void of power, the prophets of Baal and diviners will invade the church thereby setting confusion into our generation and lure our generation into gross darkness. We are determined that we will not stand with our eyes

opened and watch the enemy ravish our generation to hell. We need this power for work.

Acts 1:8 "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth."

So for the church to move forward, an unquestionable power must be released. There is all indication that the strength of the church is weak but the Lord has told us in His Word what to do when our strength is weak. We need to access the power of God by building our life on His Word, and accessing the power of the Holy Spirit.

Isaiah 40:31 "But those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint. "

When our strength seems failing, we should retreat to God's presence and wait until we are empowered to bring vital changes to our world. Arise and go through, bringing down all the walls and barriers and bring a change to your world for the glory of God. Arise and press on in the Mighty Name of Jesus.

PRAYERS

1- Oh Lord, quicken me and stir me up for a breaking forth.

2- Oh God, manifest a change that will bring relevance to my life and my world in Jesus name.

3- Lord, I pray and command all yokes of intimidation and stagnation to be destroyed.

4- Lord, empower me with a change that will speak into eternity.

5- Lord, grant me grace to stay in your presence until my life receives true meaning from you.

6- Thank you Lord for the answers in Jesus Mighty Name.

CHAPTER 2

BEWARE OF DELUSION

Delusion is an act of believing or accepting what is wrong to be right. In other words, you take a mistake or an error for a correct answer for a situation. Delusion runs from situations to persons. People can impose a false believe on you and use things that are abstract to divert your mind from going through the realities of life. You should know that your life is a gift that God has given you. If you become a victim of delusion, you may not be able to forgive yourself for such an error. Many are into false beliefs expecting a result that will never come their way; they have a wrong impression about themselves. If you are sick and refuse to acknowledge that you are sick, it will not cancel the fact that you are sick. You will only deceive yourself and the sickness will keep eating you up, until it will kill you one day. If something exists and you say it does not exist, this deception you carry does not make the thing cease from existing.

I so much take delight in this statement made by our Lord Jesus Christ. The evidence of a substance can be known by its fruits. Truth may be scarce but it can be accessed. That is why the book of

Proverbs 23:23 "Buy the truth, and do not sell it, also wisdom and instruction and understanding."

We would like to look at certain things that are deceptive by logical presentations of human beings. Something can be brought forth on the platform of delusion as evidence which may carry facts and not truth.

For example, if a robbery attack has just taken place and it results to manslaughter and five persons are caught with blood in their hands; and the truth is that one among the people caught was actually killing a chicken and the blood spilled on his hands while the other four actually killed the innocent soul; the fact will be that all of them had blood in their hands but the truth is, not all of them killed the man. Millions of people are perishing for lack of adequate information. For you to secure your life, go for the truth and live by it. The key to overcome this is for you to believe in the Sovereign Lord and His Word and the bi-product of this Word in your life will put to birth a lasting truth or force. This is the kind of force that Abel who was killed by his brother Cain, portrayed that though dead, the force of truth still spoke even in his absence. That is God's way of handling issues. Ironically that is not the way with man. For man will tell you "show me the evidence and I will believe" but God says "believe Me and I will show you the evidence".

You should be able to deliver yourself, not to be ruled by the false imagination of your mind. Many have lost their helpers because of the false imagination of their person. Some people have false imaginations that they are been envied by people; that is why they are going through what they are going through. It might not necessarily be envy or jealousy but their rebuke of a bad character. Instead of them acknowledging that character and repenting from it, they think that it is jealousy. As such you might lose the glory that was meant for you. Some people also are carried by this deception of being passive by the things of life. That is another delusion. If you were to address a particular situation to the core and

you passively handle it, that situation will rise tomorrow to hunt you down. You should not be passive about things that directly concern you and the future. Get a hold of it and address it properly.

It is true the devil is the number one element behind all acts of delusions that human beings find themselves in. His agenda was first introduced and actualized with the first men sent on earth in the persons of Adam and Eve in the Garden of Eden. Messengers of delusion always start their sentences with questions and not with a direct message. I will point some scriptures to help you out. Such messengers of delusion, their approach is enticing and persuasive. Let us look at the devil's approach to Eve in the Garden of Eden, he began with a statement.

Genesis 3:1b "HAS GOD INDEED SAID YOU SHALL NOT EAT OF EVERY TREE OF THE GARDEN?"

Messengers of delusion approaches one with questioning to test the strength of what you believe in and what you know about the subject he will be using to deceive you. It comes with the approach of placing you on a ground of challenging the ability that he knows you carry. Let us take time now and look at the following scriptures of how agents of delusion appear to those that they were sent to victimize.

Genesis 3:1b ". . . Has God indeed said you shall not eat of every tree of the garden?"

1 Kings 13:14 ". . . Are you the man of God who came from Judah?"

Mathew 4:3 ". . . If You are the Son of God, command that these stones become bread."

The above scriptures portray some of the ways that agents of delusion will use to get you off track from the path set by God. We are called upon to be careful in order not to be their victim. The devil lured Adam and Eve into a terrible mess by trying to make them appear better. Today many are moving into people's lives with the pretext of making them better at the expense of their Creator. These are delusions for one cannot make you better by making you to sin against God. This is what the devil did to Adam and Eve and at the end of the day they were both sent out of the garden. He told them to disobey God and every act of disobedience is punishable by God. The devil will always move to you through you mind or through people with words that look like the truth but indeed it is not the truth. These words will look like they are making your load lighter. Eve thought obeying the devil will make her load easier but at the end of the day, they became victimized. The young prophet thought that by obeying the old prophet, it will make his load lighter. It is only our Lord and Saviour who said NO! And He triumphed over the act of the wicked one.

When you become comfortable with somebody who is breaking the heart of God, you should know you are already a victim of delusion. In the incident that took place in ***1 Kings 13*** between the young and the old prophets, both were called prophets but in the presence of God, one was false and one was true. The young prophet was from Judah and the old prophet was residing in Bethel in a town where the young prophet was sent to go and address a wicked king by name

Jeroboam who had turned the land of God into a land of idolatory. If there was an altar of God from Bethel, God wouldn't have moved a prophet from Judah to go and address a situation which a living altar in Bethel could address.

For God to move an altar from Judah to Bethel when there was an already existing altar there was a mark to let the young prophet to know that the altar was only carrying God's name but was separated from God. For God does not repeat altars; there can't be two Moses', at a time, there can't be two John the Baptists, at a time. If David is rising, it means Saul is falling for God does not repeat altars. There can't be two leading forces at a time for our God is a God of decency and order. All of you walking in the fear of God and in the obedience of His Word, be careful of the old prophets whose god is their belly. As the young prophet turned to listen to the old prophet, he lost his life but the old prophet continued living. So also were Adam and Eve who lost fellowship with God in the Garden of Eden.

The Bible says the devil will always appear as an agent of light in order for you not to notice him and we are commanded to cut off every occasion that will permit them to operate in our midst.

2 Corinthians 11:12-15 "But what I do, I will also continue to do, that I may cut off the opportunity from those who desire an opportunity to be regarded just as we are in the things of which they boast. For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder! For Satan himself transforms himself into an angel of light.

Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works."

The transformation of satanic agents as messengers of God is a long old history that all vessels of God must be careful and go from scripture to scripture to understand their way of operation. Some stand in the temple of God and claim to be God. Some lure other vessels of God by pretending to be like them when they know the lives they live in secret disqualifies them from working with God. We can pretend to be the same when indeed we are not. Let us call a spade a spade and get things done in the right way as Christ did in the days of the scribes and the Pharisees. We are also told in Acts of the Apostles about a possessed damsel that followed Paul and his companions with the intention to lure him into delusion. Thank God for the vigilance of Paul. We can see this in

Acts 16:16-24 "Now it happened, as we went to prayer, that a certain slave girl possessed with a spirit of divination met us, who brought her masters much profit by fortunetelling. This girl followed Paul and us, and cried out, saying, these men are the servants of the Most High God, who proclaim to us the way of salvation . . . "

Agents of delusion, creep into the lives of people by using enticing and persuasive words and giving false promises to people that they can't actualize in real life. Carriers of truth come with a living life with fruits following and a total demonstration of the power of God over life's issues. They don't only dwell with God but their words go with the power of God's kingdom. They portray a life for men's

faith to depend on God and not on them or other creatures. But when men become agents of delusion, they persuade men to look at them as gods to an extent that they even share in the glory of God.

1 Corinthians 2:4-5 "And my speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power, that your faith should not be in the wisdom of men but in the power of God."

When one's faith stays on God, even when men are not around such an individual, he will be compelled to seek the face of God and walk in His pathway. And where God's life is been lived, the kingdom's power is manifested as written in

1 Corinthians 4:20 "For the kingdom of God is not in word but in power."

Beloved, stand on your watch and beware of delusion. Don't let the value of Calvary in your life to be swallowed up by the enemy and delusion. Stand on the truth and guarantee your safety on the truth of God's Word. God bless you, in Jesus name.

PRAYERS

1- Oh Lord, deliver me from every trace of delusion in my life.

2- Oh Lord, any door opened in my life for delusion, let that door be permanently closed in Jesus name.

3- Oh Lord, grant me grace to be watchful.

4- Father, every gang up against my life to make me a victim, let it catch fire and die in the name of Jesus.

5- Thank you Lord for the answers in Jesus name.

CHAPTER 3

DEPART FROM THIS EVIL

Hebrew 12:1 "Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us."

Child of God, our encounter with Divinity creates awareness in us to be conscious of the things that may disqualify us in the race that the Lord has called us into. Christians have been warned not to be entangled with the things that are evil. While we are looking up to the Lord with great expectation for the rapture of the saints, there is a call for all citizens of heaven dwelling on earth to put away every form of uncleanness. We are therefore called upon to take a reexamination of our lives and identify those besetting sins that easily ensnares or entangles us and cry out for mercy and deliverance that we may live a triumphant life of victory and righteousness for the Lord. No one can deliver himself but God will deliver us. Every ground of evil will be judged by God and if one will not walk out of that ground, he will be judged.

We were not called by God to face condemnation. We will be free from condemnation by looking up to Him who is able to protect and save us from evil. Everything we engage in at the expense of other people's well being is evil and we need to walk away from them. Do we take advantage of our brother's well being to better our lives, do we go into blasphemy, lying, cheating, do we live in

immorality (fornication, adultery, incest, bestiality)? The Lord is instructing us these days to depart from this evil. Are you one that has been living in divination, you have been living your life by bloodshed, through abortion, being a hired assassin, are you living on drugs like cocaine, marijuana or weed, that lead to intoxication? The Lord says depart from this evil. Are you running beer parlors where you host men and women to patronize immorality, the Lord says depart from this evil. For as the clock ticks, the day of rapture and the coming of the Lord draws near for it is written in

Revelation 21:8 " But the cowardly, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death."

If we don't depart from evil, the Lord will condemn us. This will draw our attention to the story of Lot in ***Genesis 19***. When the men of Sodom and Gomorrah sinned against God and failed to repent, there was one righteous man among them called Lot. God could not condemn the righteous with the wicked so He instructed Lot to come out of Sodom before He destroyed it. In

Genesis 19:13-14 "For we will destroy this place, because the outcry against them has grown great before the face of the Lord, and the Lord has sent us to destroy it. So Lot went out and spoke to his sons-in-law, who had married his daughters, and said, get up, get out of this place for the Lord will destroy this city! But to his sons-in-law he seemed to be joking."

Most often, when we are warned, we take it for a joke and it is very bad for you to be a case study for people to learn God's judgement. Rather be an instrument that will lift men's spirit for eternal reward. The destruction of Sodom and Gomorrah was swift. In ***Genesis 19:17***, the Angels asked Lot to run for his life. If there are people you are trying to help in the Christian race and all they do is trying to pull you back, abandon them and move on with your life for salvation is personal. The mercy of God will not work for an unrepentant heart, it will only work for a repentant heart as the scripture says; there is joy in heaven over one sinner who repents. ***Luke 15:7***. You will realize that there was a situation that met the men of Sodom which was evil and so it was with the people of Nineveh. Jonah made a proclamation that God was to judge the city of Nineveh in 40 days but when the people turned away from their sins and cried out in repentance, the judgment was overruled and Nineveh was preserved. God's mercy finds a pathway in our lives when we repent. That was not the case of Sodom for they persistently lived in their sin. When you persistently live in sin, you attract God's judgement. There is a call for repentance. If you realize that you have been caught up in evil, God is calling on you to repent and turn from your evil ways. If you will repent, the Lord is Merciful and He will forgive you but if you will not repent, you will be condemned.

For us to aspire to live in eternity, we must depart from everything that defiles for the Lord commands that we should come out from among them and we should touch no unclean thing.

Revelation 21:27 "But there shall by no means enter it anything that defiles, or causes an abomination or a lie, but only those who are written in the Lamb's Book of Life."

The question each and everyone should be asking him/ herself now is with my deeds and actions, is my name written in the Lamb's Book of Life? Only you are entitled to answer that question and if the answer is NO! You are commanded to amend your ways for God's mercy to prevail over judgment. You were not called by God to end up in condemnation. Let us join our voices as a family of God's children and return to God in repentance as Isaiah says in the book of

Isaiah 55:7 "Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the Lord, and He will have mercy on him; and to our God, for He will abundantly pardon."

As we repent, God will grant us the grace to live right and preserve us for eternal rest in His kingdom. But we must first take the initiative by walking away from any act that does not glorify Him for the Lord will respond to those that thirst and hunger for righteousness. It is written in ***Mathew 5:6*** that blessed are those that hunger and thirst after righteousness for the same shall be filled. Being filled by God, the Lord will preserve you from any odd and plans of the wicked to destroy your soul as it is written in

2 Peter 2:9-10 "Then the Lord knows how to deliver the godly out of temptations and to preserve the unjust under punishment for the day of judgement, and

especially those who walk according to the flesh in the lust of uncleanness and despise authority . . . "

The Lord has promised to preserve you as His child and Jesus told us no one can pluck us out of His hand. He has promised to hold us in His hands. Child of God, turn to God with your whole heart and He will preserve you. God bless you as you walk to the Saviour today and He will preserve you for the rest of your life.

PRAYERS

1- Oh Lord, deliver me from besetting sins in the name of Jesus.

2- Oh Lord, wash me with Your precious blood and restore me back to you.

3- Oh Lord, grant me the grace to hate sin just as You do and to depart from it in Jesus name.

4- Oh Lord, preserve me and keep me in the pathway of your righteousness.

5- Thank You Lord for the answers in Jesus precious name.

CHAPTER 4

LOOKING FOR REFUGE

When an individual or a group of people find themselves in desperation that may be as a result of problem(s) or certain contra situations that are not convenient for living. As a result they go for refuge. You run for refuge when your strength cannot support or defend you on the ground where you are confronted. Once a situation becomes uncontrollable it can cause damage to living and it endangers the future. It will not be proper for you to gather courage and remain on the same spot when you know your ability cannot carry you through. As humans, we are limited and our well being is only made complete in the Hands of the Almighty God. The pain you may be going through that may prompt you to run for refuge maybe has been caused by you or not. Looking for refuge is to secure the value in you that must not be allowed to die untimely. Christ Jesus remains the sole ground of safety for all those that are wounded in life, battered, oppressed and depressed, He is the saviour of your life and the lifter of your head. He gives an open declaration in

Mathew 11:28-29 "Come to Me all you that labour and are heavy laden, and I will give rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart and you will find rest for your souls."

Your proper ground of refuge is in Christ Jesus. It is unfortunate that today there are many sons of Sceva sent forth by self instinct and the devil and not by God. They

stand to promise rest in the life of men in the name of the Lord when they themselves do not have rest.

2 Peter 2:19 "While they promise them liberty, they themselves are slaves of corruption; for by whom a person is overcome, by him also he is brought into bondage."

What do I actually mean by this? The fact that one goes to the Bible school or carries the Bible to preach does not mean they have been sent by God to run as His messengers. Just like the seven sons of Sceva who knew about God and Jesus but they were not sent by God. So any effort put in place only ended up worsening the situation. If you have been looking for refuge in Christ Jesus, you must meet men and women sent by God. One of the marks that you must know and experience that will stand as a guarantee and assurance that you have found refuge is the rest that you will find in that place of refuge and peace with God.

1 Thessalonians 5:23 "Now may the God of peace Himself sanctify you completely; and may your whole spirit, soul and body be preserved blameless at the coming of our Lord Jesus Christ."

Colossians 3:15 "Let the peace of God rule in your hearts to which also you are called in one body and be thankful."

If you are located in a house of worship that is been called by the name of the Lord or bein mentored by a servant of God who is called by the name of the Lord, and you discover that despite what is being done on that ground, there is no peace between you and your

Maker, I want to let you know, that may not be your ground of refuge. The Bible tells us in the book of

Deuteronomy 33:27 "The Eternal God is your refuge, and underneath are the everlasting arms; He will thrust out the enemy from before you, and will say destroy!"

Your ground of refuge suspends the advancement of your enemies and frustrates their devices. Running to a ground of refuge is running to God and entering into a Divine covering and protection of God; for His mercy to vindicate you from the offenses you have committed. Looking at the above, it is a compulsory call for all humanity to run to God for refuge because every sin committed has a penalty that follows suit. For you to escape its consequence, you must look for refuge as written in

Proverbs 18:10 "The name of the Lord is a strong tower; the righteous run into it and are safe."

You need to have this consciousness that what you carry as value to honour your life with cannot survive without you taking refuge in God. Your ability is so limited that if you depend on it, that ability will make you vulnerable to every plan of the wicked one. Knowing this will put in you the trust to follow God with your full strength and depend on Him completely. If you make any other thing a god in your life apart from the God that created you and other things, those other things will only turn to be grounds of deception that will bring you down tomorrow. It was on this that the psalmist had this to say in

Psalms 20:7 "Some trust in chariots, and some in horses. But we will remember the name of the Lord

our God. They had bowed down and fallen; but we have risen and stand upright."

In the days of old, with God's walk with the Israelites, they were asked to make a city of refuge that was to rescue everyone that was to be killed by the avengers of blood for the offenses committed to them ***Numbers 35:6***. And if the offender will step his legs into the city of refuge, his/her life was been spared. He was asked to stay there while the high priest lived. It was like a form of discipline but that discipline was to protect them from being destroyed. Child of God, no matter the offenses you have committed, there is a provision from God for your rescue and for your preservation. All you need to do is to repent and turn to God and the answer prepared for your rescue will reach you. Instead of breaking down, you will be lifted up and instead of being forsaken, you will be embraced. What is the trouble you are into? Go to Jesus Christ for rescue for He is the answer to every odd you have ever committed. And the rest that is yours from God, you will experience it.

That ground where you have been and you notice that you can lost your life there and go to hell, the Lord is commanding you in this season, go for refuge and safe your soul. You are not to make any other sinking ground to be your refuge. If you trust in men, chariots and wealth, you will be disappointed. For they that will stand to the end are those that have put their trust in the Almighty God. The psalmist says they that will put their trust in God will rise and stand upright. Let your love for His presence today grow and when it grows, He will embrace you and the strength of the Lord will be your own. For

He is your Rock, your Fortress and your Deliverer, the sole Anchor to your soul.

Psalms 18:1-2 "I will love you, O Lord, my Strength. The Lord is my Rock and My Fortress and my Deliverer; my God, my Strength, in whom I will trust. My shield and the Horn of my salvation, my Stronghold.

Once more, the Lord is your ground of refuge. Believe in Him and forever stay with Him and it will be well with your entire being.

PRAYERS

1- Oh Lord, hear me and safe me from the avengers of blood in the name of Jesus.

2- Oh Lord, restore my fortune and establish me.

3- Thank You Lord for the answers in Jesus Mighty Name.

CHAPTER 5

PROPHETIC PRAISE AND ADORATION

We often get to the ground of praise, worship and adoration as a medium to honour God and to get our spirits enlightened. Praise has been an incense and good smell that ascends the throne of the Almighty God and He takes delight in it. The act of worship and praise is a weapon of war in the camp of the enemy and a channel of blessings in the lives of the children of God. In our lesson, we will be looking at what I term prophetic praise, worship and adoration. This is a kind that the worshipper utters words of praises and adoration for substance to be released from God for action. This is because prophecy becomes a word that proceeds for creative events to follow. It is like a kind of praise, worship and adoration that the wordings become prayer points. It is a kind of adoration that the act releases power from on high for your well being.

This is the kind of act that the wordings uttered are driven by the Holy Ghost and releases power from God to create things of relevance. This is the kind that ordered the steps of the children of Israel in breaking down the walls of Jericho. Such steps are directed by the Holy Ghost. I call that prophetic praise, where you are praising and worshiping to see things happen at instance. This is the kind that Solomon got himself into when he was dedicating the Temple. While in the act of praising, the heavens released fire that descended and consumed the sacrifices on the altar. We have to ascend to a level

where the act of praises, worship and adoration will bring down the wonders of God in our midst thereby silencing our enemies and putting their agenda in suspense. This will result in nullifying satanic efforts. Utterances like these in praises have made the cripple to walk.

Let us see the effect that the prophetic praise and worship will result to when the people praising God are in place to do it rightly. In the book of ***2 Chronicles***, when Solomon offered this kind of praise to the Lord in the Temple, the Bible records that

2 Chronicles 7:1-3 "When Solomon had finished praying, fire came down from heaven and consumed the burnt offering and the sacrifices; and the glory of the Lord filled the Temple. And the priest could not enter the house of the Lord, because the glory of the Lord had filled the Lord's house. When all the children of Israel saw how the fire came down, and the glory of the Lord on the Temple, they bowed their faces on the ground on the pavement, and worshipped and praised the Lord, saying; for He is Good, for His mercy endures forever."

In prophetic praise, worship and adoration, the worshipper must place himself where his total being is consumed by God's presence. As such, every word that he utters in such a mood becomes creative. It sounds like a prayer point. This is the kind of utterance as earlier said that brought down the walls of Jericho. It was a prophetic utterance that came with a shout as recorded in ***Joshua 6:20***. This was the kind of prophetic utterance that Jehoshaphat uttered in the days of battle between Judah, the Ammonites, the Moabites and the people of

Mount Seir that came to battle with him. They only sang praises and God fought the battle. It was this kind of prophetic utterance that Paul and Silas uttered in prison and the chains were broken and the prison doors were opened. All the enemies were being defeated, barriers broken, chains broken and prison doors opened as a result of prophetic praise. This is beyond praising God to entertain yourself. It becomes a high way to defeat your enemy. It means going to the house of God or to the place of worship you must have a mindset not to enter the house of God and come back the same. You are determined to utter words that will bring a change to your life. The mood you get into the spirit of praise and worship will determine the kind of the act of God that will be realized in such worship services as written in

Acts 16:25-27 "But at midnight Paul and Silas were praying and singing hymns to God, and the prisoners were listening to them. Suddenly there was a great earthquake, so that the foundations of the prison were shaken; and immediately all the doors were opened and everyone's chain were lose. And the keeper of the prison, awaking from sleep and seeing the prison doors open, supposing the prisoners had fled, drew his sword and was to kill himself."

Prophetic praise, worship and adoration will bring prophetic results. For every prophetic praise, you will obtain the purpose for which it is offered. This is beyond ordinary singing and fleshly entertainment. To get access to this realm of utterance and dominion, you must give in to sanctification, consecration, and an addicted prayer life in God's presence and being filled with the knowledge of His Word. When your spirit is taken to this realm to

communion with the Holy Ghost, great wonders will be done through the act of praise, worship and adoration. We have learnt in the days of Solomon that in the act of worship, fire came down. The Lord has not changed, we just need to learn His act of worship and He will do wonders in the midst of His children. Get your spirit totally involved when praising, worshipping and adoration and be conscious of the words you are offering because those words will be made flesh (creative).

As you prophetically utter praises, worship and adoration in God's presence, expect great wonders to happen with unstoppable signs. Be empowered, be equipped, rise and manifest. ***2 Chronicles 20:1-4, 2 Chronicles 20:22***

PRAYERS

1- Oh God, license me with grace to reign in the realm of prophetic praise.

2- Lord, make me alive in Your presence.

3- Lord, help me to know more of Your ways in the name of Jesus.

4- Thank You Lord for the answers in Jesus name.

CHAPTER 6

FANNING PURPOSES INTO FLAMES

Everyone sent forth into the world has a purpose or a goal to be accomplished. A goal or purpose in life is an accomplishment that once done, it brings satisfaction and fulfillment in the lives of individuals or groups of people. Fanning your goals into flames, the first thing you need to ask yourself is have you discovered your purpose for living? If you have had a glimpse or known about it, are you certain of running with that purpose and getting it fulfilled? If the above mentioned questions are answered correctly or by you given into it, then you must know this one truth; that goals have a pathway or model that must be followed for their actualization.

If you bring a ship on an earthly ground, it will not play its role in transporting goods or human beings. In the same manner, if you take a vehicle into the water to do transportation, the vehicle also will not play its role in doing such transactions. Likewise, if you display the lane of an aircraft on different ground, it will sound very disastrous. So you have to locate the path for the actualization of your purpose. To do this, you need to bear in mind that every true goal entitled to one's life cannot be void of opposition from the demonic to the physical world. Being conscious of this, you need to sum up courage in order to connect your faith in God for Divine assistance.

We have diversified purposes in life, your purpose may not be mine and mine may not be yours;

but in all, we operate in a common unit to bring completeness into the human circle for a better living. Once you have discovered the path to get your purpose fulfilled as earlier said, you should know there will surely be opposition to that purpose. We want to bring to you the Word of God upon Joshua's life, a man who was not just to walk as a mere man but he got information from God and there was a path that God instructed him to position himself into as we read in

Joshua 1:1-2,7,&8 "After the dead of Moses the servant of the Lord, it came to pass that the Lord spoke to Joshua the son of Nun, Moses' assistant saying; Moses my servant is dead. Now therefore, arise, go over this Jordan, you and all these people, to the land which I am giving to them the children of Israel. Only be strong and very courageous, that you may observe to do according to all the law which Moses my servant commanded you; do not turn from it to the right hand or to the left, that you may prosper wherever you go. This book of the law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous and then you will have good success."

For every human, the Word of God is your life given manual. When you yield your life to its instructions you will have a given purpose that you will be able to drive along with it prosperously. There is a meditation upon God's Word into your life that when you work upon, you remind God of His promises and you commit Him to inflame you to run with that purpose and get it actualized. You should not forget that though there are resistances

in the pathway of anyone with a driven purpose in life, there are also helpers sent to assist you. You cannot fulfill God's purpose as an island (alone); there are men and women sent into your life to get that purpose accomplished. Having located the ground of actualization of your purpose, join forces with the helpers sent into your life by identifying and associating with them.

Proverbs 27:17 "As iron sharpens iron, so a man sharpens the countenance of his friend"

Your goal will be inflamed as you join forces with men of like passion, blend with them and also cultivate the mindset of looking up to those who have been on that pathway before you and are making it well. Learn the pattern they work with and by imitating them, you will be able to inflame your purpose because their experience will give you a bigger magnitude of power and insight that will flame your purpose to fortify its establishment. If you walk with the great, you will be great and if you walk with the wise, you will be wise. Having gone through the above steps, you should know that things or plans are relevant when their timing is tied to their purpose. So to inflame purpose, you must understand the importance of times and seasons. When you do the right thing in the wrong season, you will fail in achieving your purpose.

Many people have aborted purpose because they have not understood the importance of times and seasons. Even the Almighty God worked with time and season. It was on this ground that God told Abraham that He will visit Sarah and according to the time of life, he will get a male child.

Genesis 18:10 "And He said, I will certainly return to you according to the time of life, and behold, Sarah your wife shall have a son."

It takes one given to counseling for such an individual to timely apply a given action at a given time to realize or have the right results.

Proverbs 11:14 "Where there is no counsel, the people fall; but in the multitude of counselors there is safety."

When your life is void of counseling, the scripture says you will fall. So you can't fan your purpose into flames when you are not given to counseling for purposes are established by counseling. Timothy became great because of the counseling of his father in the Lord. Paul was called by God but he had to yield to the Jerusalem counsel in order to become great. Counseling will teach you many things as we get in

Proverbs 20:18 "Plans are established by counseling; by wise counsel wage war."

It is by counseling that the veil that would have hindered your purpose will be taken off. Every nation called great became great because of the counsel that took the lead for her establishment. Counseling will give you a proper address for every agitation on the pathway of your purpose. It is by counseling we understand that great goal achievers in life always go through tough moments. Each time they gather strength to subdue those tough moments, their purpose comes out in flames with new glory. Counseling will teach you that when provoked in pursuing purpose, you should not relent your efforts to give in to positive direction. That is why the scripture

says with wise counseling wage war. All counseling cannot be profitable but wise counseling is profitable. Having received wise counseling, commitment and realization becomes the driving force to fan to flames your purpose.

You are being called to purpose that will make you an identity in your generation. Key to it until you see it established. Do not relent your efforts; remain fueled with wise words from the wise. Be fueled by godly oriented people that will keep you firing up and never getting low. Every process in fanning to flame your purpose births an experience that secures the present and the days ahead. In this season, get back to that vision, get back to that dream, get it fueled up, and get it inflamed for someone somewhere is sitting down because the glory of your purpose has not yet manifested. Someone somewhere is about dying because your purpose has not yet manifested. I don't know how life would have been with the men of Nineveh if the purpose of God for Jonah was aborted on the pathway. His mission was to bring a dying nation called Nineveh back to life by reconciling Nineveh to God and he was the one to bridge the gap. If that purpose of his ended unfulfilled, Nineveh could have been condemned to hell. Child of God somebody needs your inflamed purpose to survive. So wake up from slumber, strife and strife through to fan your purpose to flame so that the people whose destinies are connected to your person will live and not die. Remain consistent until you see your pursuit materialized. Let the God of all grace empower you to actualize this.
