TESTIMONIES OF APRIL PUBLICATION OF MANNA FEAST

YAOUNDE

Praise the God of Harvest for this month, I experienced His hand over my nine months old son. One night his temperature was high and as I opened the hand in chapter 7 and placed it on him and prayed, he fell asleep and on waking up he was fine. Praise the Lord.

Secondly, I also experienced the Hand of God over the life of my friend. She slept with me one night and at about 1:00 am I discovered that she was not breathing well, but after she laid her hand on the hand in chapter seven and prayed, she was relieved and slept off. Praise the God of Harvest.

Sis Glory: 78 99 04 07

BAYELLE

Thank God for the month of Harvest. It brought an increase in my spiritual life in that my vision that had been blur became so clear after laying my hand on the hand in chapter seven. Praise the Lord.

Secondly, as I walked along the Commercial Avenue sharing the tracks, a policeman ran behind me and told me that tracks are for children; that I should give him but the book. Hallelujah.

Thirdly, chapter six gave me an intimate relationship with the Holy Spirit as I had a long discussion with Him, after reading this chapter. This happened after I had prayed and gone to sleep. Hallelujah.

Bro Rene: 75 41 49 49

After going through chapters five and six of the "Manna Feast", my conviction for God's Holiness and Righteousness

was greatly increased and it pushed me closer to God. Understanding His leadership and yielding to Him always gave me an experience of peace and joy was my dwelling in the field of harvest. Praise God!

Sis Peaceful N.: 73 48 61 02

Thank God for the month of Harvest. It brought healing on my landlord's daughter. She has been suffering from fibroid and she was booked for an operation. When she came back home and was struggling to raise 200.000 Frs. for the operation, I introduced the Manna Feast to her and just by her laying of her hand on the hand in chapter 7, the fibroid disappeared. Praise the Lord!

Sis Felicia: 70 56 11 17

The month of Harvest was a turning point in Bambili as some brethren from Bayelle and Bambili branch churches went right to the palace and preached the good news about Christ to the Fon and his cabinet members. We thank God for a foundation was laid on that land and it has brought a great impact not only on the life of the Fon but also the Bambili people as a whole.

Pastor Nelson: 75 98 28 75

I want to thank the Lord for Manna Feast of this month. Chapter five in particular made me to identify little foxes in my life and to kill them through prayers. To God be the Glory!

Sis Adeline: 78 62 25 12

JAKIRI

I thank God for the month of Harvest, as there was the Grace of evangelism over my life and the church as a whole. The Lord also saved my father from being beaten by a cobra snake.

To Him be Praise. The Lord also healed me of a sharp pain in my heart as I lay my hand on chapter seven. Lastly, I want to thank God that I am one year old in this Commission. I experienced a remarkable harvest this month. May the Grace and wisdom of God increase upon His servant. May God be glorified for ever. Amen!

Sis Adeline: 77 22 89 67

I thank God for this month of Harvest, l experienced the healing Hand of the Lord over the life of a lady who had been on drips in the hospital. By laying of her hand in chapter seven she was healed and discharged from the hospital. To God be all the Glory!

Bro Elvis: 76 03 89 53

BALI

Jehovah Jireh has done it again! During the April workers meeting, the G.O sort me out and gave me a prophecy that Heaven has stepped into my case. Heaven indeed stepped in, for a man that was owing me money and refusing to pay, called me this month and paid the money. Glory be to God! Secondly I want to thank Him also for the encounters He has been giving me this month. This has really boosted my faith. Let His name be worshipped.

Bro Godwill: 76 37 40 38

April was actually my month of harvest, Behold! I experienced a great harvest as I harvested 22.5 litres of cocoyams just from a single stem. The widow for whom the cocoyams were dug took de stem and in sharing it, a rice bag was filled and half bucket was left. I took de half and was able to replant fifteen places. What an Awesome Miracle. Glory be to God.

Ma Njiforti: 77 32 01 70

Thank God Mightily for this Month of Harvest. Each time I use the Manna Feast and sleep, I see His servant breaking the old foundation in my family and constructing a new one and a solid house on it. I experienced increase in my life all round, that is spiritually, financially, physically and my prayer life.

Mummy Eve: 75 36 63 45

When I took the Manna Feast of April, the first chapter I opened was chapter four which talked about Harvest. After this we went to a farm which took us two days to harvest in that single farm. But after this tedious work, I had serious headache and just by laying my hands on the hand in chapter 7, I was healed instantly. To God be the Glory!

Bro Francis: 74 51 85 35

OKU

I want to thank God for evangelism in Oku. It has been wonderful. The Lord has also blessed the SHARON JONES Foundation with 2 Americans, 1 Cameroonian from Japan, an office clerk, a day watch and a night watch. To God be the Glory!

Ma Margaret: 72 16 36 09

BATIBO

I really want to bless God for the hand in chapter 7. I want to thank God for one Thursday I had an unusual pain at my lower abdomen and I could not get out of bed. I bless the name of God for after laying my hand on the hand in chapter 7 and placing it on my stomach, the pain seem to multiply but after a few minutes it was over. Praise the Lord!

INTRODUCTION

Hallelujah! Glory be to God for the days and months and years that He has set in His power. I Bless God for His timely provision and accomplishment in the lives of His children. I know it's been great going through the month of Harvest with all the wondrous and mighty events that Divinity released on the harvest field on the sons and daughters of men. All encounters and results you did experienced in the Month of Harvest, I pray it will grow as a pillar unto eternity. As you celebrate in your testimonies, let your mouth be filled with ceaseless praises. Knowing this that God's storehouse never knows lack and will never know lack. So help yourself to be in place where God will be happy to see you there. As you celebrate, as the heaven reaches to you, in all its riches and Glory provided just for you, make sure your life portrays Jesus to your world. Then you shall be the child of the Highest indeed.

As the day dawns, and you are moving forward, the Lord is taking you into another season and manifestation which is quite splendid again. Being steadfast and committed as His child, I want to let you know that you are moving from Glory to Glory. And such unspeakable Glory that was rapped up in Christ Jesus is reaching out to you in its season to bring about the prevailing purpose of God for your life which you were destined for.

In this season, God is taking you to a Banquet He has prepared. Banquets are made when missions and purposes are accomplished for new strength to be gathered to embark on other missions. Because He is your shepherd, you should know you are His sheep. And as a sheep you must not dare lose the consciousness of your person. For many are saved but they always carry the consciousness or the mindset of the unsaved, that is why the activity of the unsaved is seen upon

their lives. Once more I say you are welcomed on your banquet table. Key in faith as you walk on this Rhema Word in this season. Be celebrated, be filled with joy for all that thought it was all over for you, my God is doing a new thing in your life in the name of Jesus.

CHAPTER 1

PROGRESSIVE LIVING

JOHN 1:4-5 "In Him was life, and the life was the light of men. And the light shines in the darkness, and the darkness did not comprehend it."

Every time God encounters a person, such an encounter has purposes to play in the lives of the individuals. The engagement of God upon man number one is to enable man have life and such a God given life is different from the natural life that other living organisms possess. The life of God in man is such a life that suppresses and exits darkness thereby making the God man unstoppable by life's problems. So to be progressive, you must become the God's person. So progress will not be progress and life will not be life if God is not totally involved.

The above quoted scripture reads, "In Him was life and that life was the light of men". Light carries a progressive scenario. Watching at the beam of light, you will realize that the rays cut across distant places. That rays carries a message of progress. And these light rays advances even in darkness and say NO! To darkness's intimidation. In this, God's engagement over your life is an engagement of life and progress. The ideology of knowing God or walking with God and being stagnant is deception which any individual needs to walk out of. When you fail to progress and also void of life, you will eventually decay and your end result will be giving out irritating odour. So you were created to be progressive in life's issues.

GETTING ON THE PLATFORM OF PROGRESS AND LIFE.

Genesis 12:1-5 "now the Lord said to Abram "get out of your country, from your family and from your father's house, to a land that I will show you. I will make you a great nation; I will bless you and make your name great and you shall be a blessing. I will bless those who bless you, and will curse him who curses you; and in you all the families of the earth shall be blessed." So Abram departed as the Lord had spoken to him, and Lot went with him. And Abram was 75 years old when he departed from Haran. Then Abram took Sarai his wife and Lot his brother's son and all their possessions that they had gathered and the people who they had acquired in Haran, and they departed to go to the land of Canaan. So they came to the land of Canaan."

The following steps will guard you as you step on your ground of progress these days. From the above scripture, the following points should be closely followed.

-For every true progress, God must be involved. And for God to be involved, you must go for Him and His Word.

- You must be in a place where God can access you and speak into your life. For God to access Abram, Abram got into a place where God could speak to him, and I pray today you move into a place where God will be able to talk to you. The kind of life pattern you may desire or love, may either keep God close or far away from you. Abram for the past 75 years obviously made progress but that progress was insignificant. But I want to believe Abram in his limitation looked up unto God to intervene for him. He did acknowledge that he was limited and he humbled himself and in his humility, the heavens spoke upon him and located him on a journey that was to answer all the questions his struggle and the efforts of men couldn't answer.

God's call upon Abram's life was to make Abram outstanding and the progress of his life was what made him outstanding and a figure to reckon with in all generations. For you to be relocated on the platform of God's progress you must be displaced from what you've been used to, you must let the old you go. For Abram walked out of his country for God to lead. And when God led as Abram was set to obey His leading, the Lord said He would take him to a land and you could call that land the land of progressive living.

Abram's loyalty to God committed God to license greatness upon him. So too as a child of God, your loyalty to the Lord will commit God to turn your life around to greatness and making your name great. And everyone that stands by you when God is for you, God will stand also by that individual and everyone that fights you, God will fight that individual. The mandate of God over Abram's life carried all that was to make Abram progressive in the journey of life. Of course Abram had his ups and down but God's word remained true over Abram's life. It was the progress of Abram that brought envy to the surrounding inhabitants in Canaan land but their envy could not stop God's progress into his life. No power on earth or in heaven will be able to stop your progress as you stand in place with God. God defended and protected Abram in the visible and invisible arena and so shall be your portion in this season.

BEING PROGRESSIVE IS TO MAKE OTHERS PROGRESS

If you can't make somebody to progress, then you are not a progress. The progress of Abram positively affected everyone that was connected to him. If you are progressing just alone, then your progress has a question. Everything that advances is not called an advancement until its advancement affects

other lives to also advance. Being a child of the kingdom you are herebycalled today to advance and progress, not just alone but going along with your generation and your world for God's Glory and in God's purpose.

Gen 13:5 "Lot also, went with Abram, had flocks and herds and tents. Now the land was not able to support them that they might dwell together, for their possessions were so great that they could not dwell together."

In this season, let your progress be outstanding, that others will know progress because of your progress. In the season of Abram, he knew progress and through him, others too did also progress. Let it be so on you all and this generation because God also has not changed.

WHAT MAY HINDER YOUR PROGRESS

Proverbs 4:18 "But the path of the just is like the shining sun, that shines ever brighter unto the perfect day".

1- THE ABSENCE OF JUSTICE.

When justice and righteous living loses its rule in our lives, progress becomes difficult because only the just is mandated to shine like the sun and perfect days only awaits the just. So when justice is overthrown, reproach will be enthroned in our lives.

2- SELF SEEKING

Once you live a self seeking life, the temptations of blackmailing, blaspheming and killing others in order to survive will be unavoidable.

Mathew 26:14-15 "then one of the twelve, called Judas Iscariot went to the chief priest and said, "what are you willing to give me if I deliver him to you?"

Judas because of self ego betrayed the Lord of his life, not minding what will become of him if he would only get what even though at the expense of other people's lives. And the progress of Judas got an immediate termination even before his Lord was crucified, when he hung himself on a tree. Because of self seeking attitude Judas Iscariot lost a noble post of an Apostle, and so too was Cain the son of Adam and Eve who murdered his brother.

3- COVERED SIN:*Proverbs 28:13 "He who covers his sins will not prosper, but whosoever confesses and forsakes them will have mercy."*

Many are dying today in the house of God and many under satanic torture as a result of covered sin. We forget to know that God is not a respecter of persons, and more often they say how can I in my person go to confess this or that that I did, I have this to say that you are nobody until God makes you somebody. Unconfessed sin and unrepentant heart will stand the way of your progress.

4- LACK OF VISION AND KNOWLEDGE:*proverbs 13:23 "much food is in the fallow ground with the poor, and for lack of justice there is waste"* you must dig deep, you need knowledge in your vision to dig deep in order to bring up the hidden treasures to license your progress. Laziness must not be your associate; rather, you are called to be diligent at work. Your diligence will bring about the needed results of praise. When you lack the knowledge and vision of your life, it may be difficult for you to know what rightly belongs to you. The progress of your life is embodied in your God's given vision and is to be directed with God's given knowledge in order to enhance a steady happening and

development that will colour your life and make it worth living.

Isaiah 60:1 "Arise, shine for your light has come! And the Glory of the Lord is risen upon you.

As you dine on your banquet table these days, rise on your horizon and the Lord of all Grace will be with you. As you bring in development, progress, in a steady facet into your generation for the Glory of the Lord. Receive strength and Grace to break forth in progress and virtue.

PRAYERS

1- O Lord stir within me the instrument of progress to be at work in the name of Jesus.
2- Lord endow me with such a Grace that will cause my contribution on my world to be significant.
3- O Lord enlarge my vision to mandate a progressive move that will affect my generation.
4- I break up from all forms of stagnation and backwardness in the mighty name of Jesus.
5- Let my life make a difference as I advance on this journey of life in the name of Jesus.

CHAPTER 2

PASSION FOR HEAVEN

Your passion for a thing or somebody can take control of your entire being. Many on the pilgrim journey are passing through things to meet an eternal destination. Heaven needs to consume our being or in other words our prime goal as God's people is making Heaven at last while all other things can follow behind. Paul, writing in Timothy instructed Timothy in his note

1Tim 6:17-19 "command those who are rich in this age not to be haughty, nor to trust in uncertain riches but in the living God, who gives us richly all things to enjoy. Let them do good, that they be rich in good works, ready to give, willing to share, storing up for themselves a good foundation for the time to come that they may lay hold on eternal life".

Your love for Heaven will also demand your absolute commitment for it. Paul in his Epistle instructed Timothy, a pastor of a local church in his days to teach men and women that had material possession not to become more passionate to their material possession that was fading away but to lay hold on eternal life. Many ended up their faith in ship-wreck or gave up the faith because they had more passion for this present world than the kingdom that God is preparing for them. Many sinful living habits have invaded our world today because of our passion for what we see now and the devil uses this in exchange for our soul. This will draw my attention to a famous story that happened many years ago in the communist world. The church of Jesus was in serious crisis in the communist world because they were forbidden not to preach the Bible to people. All acts of worship were done in the secret, because if done openly, the penalty was death or

being killed by military people. As the people of God were in one of their secret worship services, the military broke into their worship place and a pastor and little girl were found. And they walked in and told them to denounce the Lordship of Jesus. The pastor valuing the present world and what it offered moved ahead quickly and denounced the faith. And the military men turned to the little girl and asked her to do the same but she refused and stood on her confession for the Lord. And the military men were angry at her and shot her dead. And when she died, the military men walked out of the place of worship only to come back in a while to face the pastor. When the pastor got a second knock at the door, he guessed it was the military people again and he screamed I reject Him, I reject him! And the military people responded and said, whether rejecting or not, we are here to kill you because we know you can still change your mind. And they shot the pastor dead while he was on the process denying the Lordship of Jesus even as a pastor.

Between the two, that little girl had passion for God more than her pastor. She died as a saint, while the pastor died as a sinner. There are people today in the House of God who only identify with God when the going is good. When the least trouble comes, they lose a true sense of belonging in the kingdom's matters, they can tell lies and play games for Jesus said "he that will deny me before men, I will deny him before my father in Heaven". And if truly you are passionate for heaven, you can't exchange your passion for heaven for the modern things of this earth. Once more I say be passionate for Heaven.

In matt 16:24-27 "Then Jesus said to his disciples, "if anyone desires to come after me, let Him deny himself and take up his cross, and follow me. For whoever desires to save his life will lose it, but whoever losses his life for my

sake will find it. For what profit is it to a man if he gains the whole world, and losses his own soul? Or what will a man give in exchange for his soul? For the son of man will come in the Glory of His father with His Angels, and He would reward each according to his works".

Every one born of God's kingdom must be passionate for the kingdom. Jesus' love for His father and the kingdom of His father prompted Him to pray this prayer when he was going through a deep agony. And He prayed this prayer, "father not as I will but let your will be done". The same is expected of us today. The Lord says whosoever will make attempt to disobey God will lost his own life. This is the kind of situation that befell the pastor in our story. Let the will of God prosper in your life and your passion for the kingdom will be growing day by day. One thing you need to know is that all that you are and all that you have are God's resources and with those resources, use them to do what He desires from you. Those with passion for heaven will always end their journey celebrating, while those without passion will always end their journey gnashing their teeth and will be forgotten forever. When Ruth encountered Naomi's family, she developed such a deep passion for Naomi and they went to Israel. Her mother-in-law did all to send her away, but her passion for God and the people of God prevailed over the opinion of her mother-in-law.

In Ruth 1:16-17 But Ruth said "entreat me not to leave you, or to turn back from following after you; for wherever you go, I will go; and wherever you lodge, I will lodge; your people shall be my people, and your God my God. Where you die, I will die, and there will I be buried. The Lord do so to me and more also, if anything but death parts you and me".

Ruth's passion for God and His people could not be stopped by any circumstance. She was not making an attempt to serve God, she was certain of her worship for God. Her genuineness was not tied to material things or earthly pleasure, her primary goal was God and His people. What she left in her country because of God and His people, God in return as promised in the Gospel rewarded her ten times than what she left. She became well known and made a generation of greatness while Orpah her maid got missing because of her passion for the world and was never known again in history. As you set for the kingdom of Heaven, God also is set for you. And God's reward for your steadfastness will bring you before a banquet table with noble personalities as it did happen to Ruth in her days. The table before you carries restoration. Let us see the end result of a passionate being for Heaven.

Ruth 4:14 "then the woman said to Naomi, "Blessed be the Lord who has not left you this day without a close relative; and may His name be famous in Israel! And may He be to you a restorer of life and a nourisher of your old age; for your daughter-in-law, who loves you, who is better to you than 7 sons has borne him."

The question you should be asking yourself is how is your passion for Heaven? Because the weight of your passion now will show you how you will end up in your Christian faith. I pray you grow in your passion. Jeremiah and Stephen stood the ground in the midst of terrible persecution. One thing only could be responsible for their steadfastness, their passion for the kingdom. What you have passion for you live for and die for. Christ also endured the cross; despise shame for the joy that was set before Him by the father for the kingdom speaketh better things than what the world could offer. Go for the kingdom and save your soul.

Hebrew 12:2 "Looking unto Jesus, the author and the finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God".

PRAYERS

1- O Lord I'm praying and asking that nothing will ever kill my passion for you and the kingdom in the name of Jesus.

2- O Lord rekindle my fire of passion for the kingdom.

3- Lord bring me into an intimate relationship with the kingdom.

4- Lord connect me up with other kingdom seekers and lovers in the name of Jesus.

5- I bind and destroy all satanic framework set to destroy my zeal for the kingdom in the name of Jesus.

6- Thank you Lord for answering my prayers.

CHAPTER 3

A SET BANQUET

Banquets are occasions made for persons when a desired purpose is fulfilled. All the faithful in the Lord would without doubt have a banquet. Your diligent walk with the Lord is bringing about a banquet for you prepared by the Lord. ***Psalms 23:1-5 "The Lord is my Shepherd: I shall not want. He makes me to lie down in green pastures; He leads me besides the still waters. He restores my soul; He leads me in the paths of righteousness for His name sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for you are with me; your rod and staff, they comfort me. You prepare a table before me in the presence of my enemies; you anoint my head with oil; my cup runs over".***

A table of feasting is a table made by the Lord for His children. Only those that God qualifies as His true sons and daughters are liable to feast in the banquet hall and on the table of honour set by the Lord. Remember the psalmist says "The Lord is my shepherd" he takes his place as a sheep while the master stands over him as the Lord. He went ahead by saying that He leads him. What is led by God is what will be nurtured by God and preserved by God. And anyone led by God cannot turn down the commands of God for any reason; rather he will yield his life to the commands of the Lord. The devil can't be leading your life and you are expecting blessings from God.

When we talk about the banquet of the Lord for His people, we talk of an overflowing blessing. Not just a blessing but an overflowing blessing. The kind of blessing that vessels will run short of carrying it. The psalmist says "He prepares a table before me in the presence of my enemies". There is a

kind of blessing that the enemy can't evaluate, the kind of blessing that the enemy can't intimidate, the kind of blessing that the enemy can't blaspheme, the kind of blessing that the enemy can't stop its flow. More often, when men are blessed, they hide their blessing from their enemies for reason of fear. But the Lord is setting a banquet before you in this season in a public display that the enemy will watch at such a table and have nothing to do or to say but to go into deep silence. The enemy will watch and exclaim because your cup will run over as you feast this month in the presence of God. And fresh oil shall lubricate your face as you beam forth dining on the banquet table.

The increase of God, of His blessings upon your life shall be an all round event, for they shall be shaking together, pressed down and running over. For every prepared banquet, every attendant must be in prepared attire. Children of God I have this to ask, how prepared are you to feast on this banquet table?

In Matt 22:1-13 And Jesus answered and spoke to them again by parables and said; "the kingdom of heaven is like a certain king who arranged a marriage for his son and sent out his servants to call those who were invited to the wedding; and they were not willing to come . . ."

It is indeed as the Lord says that many are called but few will be chosen. A banquet was made but people began giving excuses because they were not set for the banquet. I do pray that the banquet of this season will meet you on the right ground for right purposes to be accomplished. We are also told in the parable that some people forced their way into the banquet hall without the proper attire. I do pray there will be no delay or suspend as your reading this leaflet is concerned. This season of banqueting will occur to people in various ways but all in all it signifies a Divine uplifting and appointment. It may be a sudden promotion that will beat

your imagination and silence your enemies. It may be a sudden long awaited deliverance that will put the enemy in suspense and the enemy having nothing to do. It may be a dynamic family unity; it may be a great open door that will usher you into a rest and celebration. As the Lord has been preparing to honour you in this special way, lift up for joy and break forth in praise.

Know you that you will not go along again with the garment of widowhood, garment of reproach, garment of rejection. Get set to be clothed with a banquet garment. What does that suppose to mean? You must break off from the old and get your mind renewed. Your certainty of sonship or daughter must be sure. Knowing that God who has spoken will manifest His word just as He has said. Looking at the story of Daniel the Jew in Babylon, in ***Daniel 6*** when all was done by the enemy to frustrate the love of Daniel for God, the Lord was working something behind that the enemy didnot know. The enemy conspired against him, raised accusations against him, set traps for him, but little did the devil know that God was at work for Daniel. While they were busy building a wall of destruction for Daniel, God was busy preparing a table for him. And that banquet table was to silence all argument that was attached to Daniel's life. Your banquet will silence your enemy, but don't fail but only stand on your feet till you're being celebrated. For every treasure banquet, there is always a cause for envy, but don't count it strange when you are being envied but know you that the envy of the enemy will not stop the purpose of God. Daniel was envied by his enemy: they made the king to give a decree that was against Daniel and the worship of his God. This unfavourable decree landed Daniel in the lion's den but God was with him. The lions that were kept to eat up Daniel turned up to celebrate Daniel and to keep him. At the dawn of the day, Daniel was taken out of the lion's den into a banquet, a sudden promotion. As he was

coming up, his enemies were going down and the very lion that refused to eat Daniel got his enemies devoured and got their bones scattered. I prophesy in this season, that as you move into your feasting table, all the enemies that surround your lives shall be brought low into the pit and a new decree will be announced to your favor in the name of Jesus.

Daniel 6:24-26 "And the king gave the command, and they brought those men who had accused Daniel, and they cast them into the den of lions- them, their children and their wives; and the lions overpowered them and broke all their bones in pieces before they ever came to the bottom of the den. Then king Darius wrote; to all peoples, nations and languages that dwell in all the earth; peace be multiplied to you. I make a decree that in every dominion of my kingdom men must tremble and fear before the God of Daniel. For He is the living God, and steadfast forever; His kingdom is the one which shall not be destroyed, and His dominion shall endure till the end".

Hallelujah! Praise be the name of the Lord. The God who did it for Daniel will do much more for you for the Lord Jesus is at the right hand of the Father speaking good things about you, for the host of Heavenare around you to celebrate with you the doing of the Lord for your life. Lift up for joy and go about with ceaseless praise, declaring His wonders to the ends of the world and to every creature.

PRAYERS

1- Lord, I bow down my knee in worship for You, an awesome God.

2- Lord, I thank You for the banquet, I receive it Lord with gratitude.

3- Thank You Lord for Your goodness and Your love, I give You all the Glory and Honour in the name of Jesus.

CHAPTER 4

ONE LAW YOU CAN'T BREAK

There are laws that are subject to change but others are not. The strength of every law can be known from its origin. Laws made by men can be broken, but laws given by God cannot be broken by men. Men are only given in to study what has been made while God remains the architect and the creator. Many in time past have looked low into the commandments of God but know ye that what God has decreed, no man, no creature can reverse it.

Luke 16:17 "And it is easier for Heaven and earth to pass away than for one title of the law to fail". The covenant of God's word came over a man's life by name Abraham and this word was for Abraham and his descendants. I want to cite one of the statements of God over Abraham's life. God said all the families of the earth will be blessed through the seed of Abraham. Many got this truth and they fashioned themselves to fight the truth. One of such elements was Adolf Hitler, who did all he could do to eliminate the descendants of Abraham. He gathered the Jew and killed them in a holocaust and granted them a mass burial because of his hatred for the children of God. After this evil act of Hitler, God brought judgement on his nation. And what was this judgement? Germany was defeated in the Second World War, Hitler died shamefully and Germany that was once a super power was broken down into four fractions, destabilizing her power by other nations of the world.

Hitler in his attempt to break God's law, the law ended up breaking him. I don't know who you may be, but I'm sent to give you this counsel, fear God, keep His commandments, follow them and obey them and it shall be well with you and

your generation. It is doubtless but it remains a fact that the world today is greatly influenced by the Jew just as the word of God declared. Let us look at the close mandate of the word of God in the church, and his first born.

Matt 16:18 "And I also say to you that you are Peter and on this rock I will build my church and the gates of Hades shall not prevail against it".

Every church built by God, every house governed by God, is not subject and can never be subject to every device of the devil or of men. The devil can only gain an advantage over a church or a house that is called by the name of the Lord when the Lord is not the Lord of that church or that house. The word that has gone out of the mouth of the Lord shall prosper in a way He God has sent it.

Isaiah 55:11 "So shall my word be that goes forth from my mouth; it shall not return to me void, but it shall accomplish what I please, and it shall prosper in the thing for which I send it".

As intelligent beings we must pay keen watch at the Word of God. When we fail to pay heed to the word of God, we get ourselves into problems. The word of God carries power to fight for itself, and its laws cannot be broken by men. Soviet Union, one of the world's super powers in the past didn't recognize the sovereignty of this word and she broke down to the level that she was begging for food and today the man of that world has come to realize the power in the unfailing word of God. Herod, the king of Judea heard about the coming king and thought he could use his military to break the law of God and his attempt to do that ended him in humiliation and in sudden death but the command of God stood and prevailed. As the word was in the years past, so it is today and forever it shall be in strength and power.

Matt 2:3 "when Herod the king heard this, he was troubled and all Jerusalem with him"

God spoke through Isaiah the prophet about the coming king whose name was to be called Emmanuel. In ***Isaiah 7:14 "therefore the Lord Himself will give you a sign; behold, a virgin shall conceive and bear a son, and shall call His name Immanuel".***

The power of the word of God declared that a virgin was going to be with child and that word also declared the sex of the child being a male. This sounds naturally impossible, but as it did come out of the mouth of the Lord, so it is bound to prosper. After 739 years, this declaration was fulfilled in Bethlehem in Judea in the days of Herod the king that a virgin was found with child by name Mary. What you need to gather here as God's children is for you to know that no power in heaven or on earth will thwart the purpose of the proclaimed word of God over your life. What should dictate your direction should not be men's influence or the devil's influence but let the infallible word direct your path and every mountain will be made low, and every valley lifted up and every crooked path made straight and every rough path made smooth. The release of God's word over your life is your sustainability in all acts of life. For Abraham is not more on earth to fight for Israel but the word spoken upon his life is there to fight. So child of God anchor to the word of God for that is your strength and source for exploits. Jesus left His word to the church and went to Heaven and the power of that word is beating the devil to and fro by the hands of his children. The word of the Lord over your life is that law that cannot be broken, from ages to ages it's still the same. God says His word cannot return the same until it is fulfilled.

Isaiah 45:23 "I have sworn by myself, the word has gone out of my mouth in righteousness and shall not return, that to me every knee shall bow, every tongue shall take an oath". As God declares, so it shall be. He is the God that declares the end from the very beginning, nothing takes Him unawares. Jesus declared in His days, destroy this temple and I will raise it up after 3 days and the Jews exclaimed and said how can this be? And during His arrest and crucifixion he was laid in a tomb on Friday and early on Sunday the broken body was raised to life in victory and Glory. Despite all the efforts of the Jew and the support of Roman soldiers, they could not stop the body of the Lord from rising. The word of God in your hands is the unshakeable law and that is why the psalmist declares ***"forever O Lord, thy word is settled in Heaven" Psalms 119:89.*** Go for the word and the word will sustain you in all issues of life.

PRAYERS

1- O Lord build my faith on your word
2- Lord connect my faith to the realm of possibility in the name of Jesus.
3- Lord empower me with the Grace to grow in faith in the name of Jesus.
4- Lord let my faith dismiss doubt and fear in the name of Jesus.

CHAPTER 5

A GOAL SETTER

Every vessel made of God has a particular goal in life to fulfill in the purpose of Him that made itand every one has its several ability. As a human, you were made to fulfill a particular design, so you are not made for everything, you were made for something and that thing which you were made for is what you have as an assignment in life to accomplish. Your goal is embodied in the vision of your person and true contentment and satisfaction is realized when goals are achieved. And there are situations that God brings you in inorder to activate the goal set within you by Him. God has an order that He has placed man to know that man was made to be a goal setter with Him.

All proper goals in life that will bring a lasting meaning on humans' life must be Godly oriented and Godly linked for because not all goals are good goals. Some people set evil goals which have to be aborted. So when we talk of proper goals we are talking of goals that will bring Salvation, development, progress in human race in all ensuring peace and safety. Every goal setter must come to a place of challenge where that challenge brings them to the point where they stand the gap to answer for it. So it becomes a journey for the responsible to accomplish. When God calls or save a man, even when man was created, yet without sin, God gave man a responsibility to fulfill. Right from the Garden of Eden, man was given the responsibility to dress it and make it beautiful. So what ever talent God has given to you, attach a goal to it and you will see the progress of that talent.

Genesis 2:15 "Then the Lord God took the man and put him in the Garden of Eden to tend and keep it".

In the above scripture God placed a project of responsibility before Adam and as a child of God you should also know that there is a project of responsibility before you, so you are obliged to set out for it.

BECOMING A GOAL SETTER

1- Accept responsibility: it takes a person that accepts responsibility inorder to become responsible. If you donot accept responsibility, then you cannot be a responsible person. And responsibility comes by seeing a challenge and standing in a place to respond to it. Each time you find yourself burdened for something, you should know God needs your positioning in a place where He can encounter you, and equip you with material to answer for the need of the time. This would bring us to the story of the Wright Brothers. These were sons of a pastor. They were groomed and brought up in the fear of the Lord. Not having the privilege to undergo formal education to an extent, but they were burdened to see an object fly in the air with a weight or carrying load. They began their experiment by making flying kite. Even when they succeeded with the kite they were not satisfied and after several years of commitment, they brought to scene the technology of an aircraft that we see today carrying thousands of people all over the world. If they didn't accept the challenge, men would have still been suffering and taking months of travelling from one country to another through the water. These young men brought a solution to the world of aeronautics that is still serving our generation up till today. Men can now travel in space to other countries of the world because some persons stood the gap to answer to the challenges of their time. If they had turned down their responsibility, the world would have still been in a great mess today because the key of that responsibility was embodied in them.

2- Accept the challenge: challenges do not come to kill; they come to mould and to bring you to the place of maturity if well approached properly. The world in which we live in is full of challenges in many bases. And every challenge that meets you is in demand of one thing in your life and that one thing the challenge is demanding is the God potential within you for God can't place you in a thing that you can't answer for. Without a test or an examination, promotion becomes difficult. We are told in the scripture about a vibrant young man by name David.He and his nation were confronted by a man called the champion of Gath, a hired warchampion that was hired to confront and reproach the people of Israel.

1Sam 17:4 & 10-11 "And a champion went out from the camp of the Philistines, named Goliath, from Gath, whose height was six cubit and a span. Verse 10 "And the philistine said, I defy the armies of Israel this day; give me a man, that we may fight together".Verse 11 "when Saul and all Israel heard these words of the Philistine, they were dismayed and greatly afraid".

Each time a man fails to accept his challenges for any reason, you will be compelled to live in slavery and under the torment of that challenge. No matter the excuses you may give to yourself as many are doing these days, your freedom is to overcome the challenges and not to submit to it. So I pray today that any challenges standing before you, in the name of the Lord, face it and overcome it and give celebration to your life. Let not the content of your challenge be seen at any time above the content of your person. Saul and all Israel only saw how great and mighty their challenges called Goliath was but they failed to see the Glorious greatness of God with them and instead of facing the challenges they ran away from it and their running away from it enslaved them under the torture of the enemy.

But David appeared, as young as he was and saw his content above his challenges. Child of God, the God you know is more than the mountain that you see before you. It takes the consciousness of the God you have to activate your faith for operation. Let us see David's word and approach to the mountain that had oppressed Israel for forty days, called Goliath.

1Sam17:26 "Then David spoke to the men who stood by him, saying, "What shall be done for the man who kills this Philistine and takes away the reproach from Israel? For who is this uncircumcised Philistine, that he should defy the armies of the living God?"

While others saw Goliath a substance or a person, David didn't see him that way. David's pronunciation makes us to understand that before David, Goliath was a nonentity and as he pronounced his words he acted by the words and the word became flesh and Goliath was brought down and David was lifted up. The persistences of a mountain get their strength from the way we see them and the way we address them. What you see impossible will remain impossible and what you see possible will remain possible. The way you see your challenges will determine the results you will get. Walk by your mandated person in Christ and all other things will turn for your good.

3- Get God involved:*2Cor 10:4-5 "For the weapon of our warfare are not canal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ".*

The involvement of God is the guarantee for victory. Don't go in your might and your intellect without God's involvement. Goliath was brave, intelligent, but without God.

David went through God and made a public molestation of him, so every mountain that stands before you, get God involved and you will also make a public disgrace of that mountain.

4- Submit to Divine leading: The key to every victorious living belongs to God and until God gives it to you, you can't access them. David did not only involve God but he submitted himself to the leadership of the Lord. Many at times our expectations are cut off because we involve God but fail to yield totally to His leading. After David's pronunciations concerning Goliath, he was led by God to walk towards a brook where he chose for himself five different stones from the brook, and got for himself a sling and with the stone and the sling; the mountain called Goliath was brought low. The leading of God over your life totalize your victory with an endless Glory.

5- Accountability: the fulfillment of a goal can be accessed on the platform of accountability. The difference of a value is known when the end speaks greater than the beginning. It is on this base that we can call a goal successful. Let us look at the account of David's success over the Philistine compared to the king's own as pronounced by the women. You must have an accountable spirit to judge your growth from the spirit realm to the physical realm. For the Bible says you shall give an account, so live a life to give an account. This was the account of the women in;

1Sam 18:7 "So the women sang as they danced, and said "Saul has slain his thousands, and David his ten thousands".

So thespectators were able to give an account of the events of David and Saul. After this proclamation about David another goal was set before him to accomplish and that goal was the goal for him to ascend to the throne as king. As goals

are fulfilled, get to the place for new goals to be set, for as long as you are living, right to the last hour of your life, there is something of your capacity given by God. For the Lord said in

Luke 19:13 "And he called his ten servants, and delivered them ten pounds, and said unto them, occupy till I come".

PRAYERS

1- Lord, thank you for making me a goal setter.
2- Lord, I receive Grace from you today to be an accomplisher of all goals for which I was ordained.
3- Lord, I disconnect from all forms of distractions and sitractions trying to lay hold on my goal.
4- Lord, breathe fruitfulness to accomplish all goals ordained for me in the name of Jesus.

CHAPTER 6

LAY HOLD ON YOUR SOURCE

The limitation and the shortcomings of human beings place the demand for man to look up to God at all times. The wandering of men began when sin separated man from his God. Victimization is impossible as long as man dwells in the presence of God. So our success in life will depend on our dependence upon the Lord. In

Psalms 125:1-3 "Those who trust in the Lord are like mount Zion, which cannot be moved, but abides forever. As the mountains surround Jerusalem, so the Lord surrounds His people from this time forth and forever. For the scepter of wickedness shall not rest on the land allotted to the righteous, lest the righteous reach out their hands to iniquity".

What a man laid hold on gives command to the one he submits to, to control the affairs of his life. Trusting God has to do with an unquestionable trust and dependence on God. And this puts to birth such a Divine protection and defense to the people of God, establishing them on a lasting habitation and ejecting every intruder of wicked devices in their portion of life. As a human, God remains your ultimate source of living and for your life to be worth living, there is all reason for you as an individual to lay hold on God who is your source. Those that depend on their human ability shall short live and abuse their purpose of existence. For only God and only Him alone can lift you up and you remain lifted up but if you do your uplifting without God, know you that as the fall of Lucifer was great, your own fall will also be great.

In the ancient world, Babylon was a great empire. And there was a figure by name Nebuchadnezzar that spear headed

the erection and the fame of Babylon in his days. For Nebuchadnezzar, the greatness of Babylon came in his strength and the strength of the Babylonians, but God proved them wrong. In

Daniel 4:28-33 "All these came upon king Nebuchadnezzar. At the end of the twelve months he was walking about the Royal palace of Babylon. The king spoke, saying, "is not this great Babylon, that I have built for a royal dwelling by my mighty power and for the honour of my majesty?" while the word was still in the king's mouth, a voice fell from Heaven: "King Nebuchadnezzar, to you it is spoken: the kingdom has departed from you! And they shall drive you from men, and your dwelling shall be with the beast of the field. They shall make you eat grass like oxen; and seven times shall pass over you, until you know that the most High rules in the kingdom of men and gives it to whom ever He chooses. That very hour, the word was fulfilled concerning Nebuchadnezzar; he was driven from men and ate grass like oxen; his body was wet with the dew of Heaven till his hairs had grown like eagles' feathers and his nails like bird's claws".

The success and positioning of your person may be your desire, but its manifestation will only be possible by the making of the Almighty God. It was never Nebuchadnezzar's heart to become like an animal. His desire was to become great and to remain in greatness but the positioning of his making was in the hand of the Almighty God. It is what God determines of you that will stand and not what you determine of yourself and that is why there is a need for every human to lay hold on God who is the true source of living and not to trust on some uncertain vanities. Nebuchadnezzar declared "this great Babylon that I built out of my might". He saw himself great and not God and there was an urgent need for

the Heavens to prove him wrong. The Bible declares, while the word was still in his mouth, the Heavens broke opened and judgement was sentenced on Nebuchadnezzar. And at that very hour, he was driven among men and was given the heart of an animal and there and then he began acting and living like an animal until God brought him back to his senses as a human according to the power of His word.

So everyone that is relying on his might and forgetting to depend on God should not be surprised that thy end may be too disgraceful. So once more look unto God for your faces to shine forth with gladness and joy. In that very Babylon, there was a slave boy who held unto God and this boy was by name Daniel. His steadfastness with God led him from the state of nobody to somebody. He became the leading legend in controlling and guiding the affairs of Babylon from the throne down to the peasants on the streets. Every thing Daniel did was embodied with victorious acclamation because he laid hold on the source of every good thing, Jehovah Elshaddai, the Lord our sufficiency. Daniel on daily basis was advancing in all issues of life that made him outstanding in the reign of four notable rulers from one kingdom to another. As you do the same as other figures that walked with God did, you will also experience like results in the name of Jesus. Let no person or thing deceive you not to wait or depend on God for it is written in

Psalms 127:1 "Unless the Lord builds the house, they labour in vain who build it; unless the Lord guards the city the watchman stays awake in vain".

All efforts minus God's involvement ends up in fruitlessness because all things, known and unknown, visible and invisible shall all stand before God for Him to give the last verdict. If they be good they shall all stand before God but if they be bad, they shall be burnt with fire. Today we can see that the strength of Nebuchadnezzar with all the Babylonians that

joined him in his strength and efforts minus God are nowhere to be found today. Even the name Babylon is nowhere to be traced in today's atlas of the world map because somebody trusted vanity than trusting God.**ANCHOR TO GOD AND YOUR SUCCESS WILL BE SUCCESS INDEED, AND YOUR BECOMING WILL BE OUTSTANDING INDEED.**

John 15:5b "For without me you can do nothing".

PRAYERS

1- O Lord with all humility, father I submit myself to you, the source of my life.
2- Grant me the Grace Lord to daily watch in your court.
3- Grant me the Grace to remain loyal to you for the rest of my life.
4- Thank you Lord for your commitment to guide me through this life journey. Receive the Glory and praise.

CHAPTER 7

MEN OUGHT TO PRAY

Luke 18:1 "And He spake a parable unto them to this end, that men ought always to pray and not to faint;"

Prayer is a communication network between man and his creator. Prayer is vital because it brings God's attention into issues that man's limitation can't handle. So as a child of God, there is a call to pray, and praying in the right way and right manner. The talk between God and man is called prayer. The demand and request may be different at different intervals. The best prayer for a man living in sin should be a prayer of repentance and mercy before any other demand can follow. Any request placed with sin reigning in you makes that request abominable before God.

Proverbs 28:9 "He that turneth away his ear from hearing the Law, even his prayer shall be abomination".

As you are holding this leaflet in your hands right now, all the promises and the covenant of God in this booklet may not be for you if you have not yet surrendered your life to Christ Jesus. If you know you are a sinner, and you are still being enslaved by sin, you can invite the Lord Jesus into your life for He was sent from Heaven to save sinners for which you are one. He is capable and willing to forgive all the sins you've ever committed in life and to make you a child of God. And if you are ready, you can get on your knees and humble yourself before the Almighty God and pray this prayer by faith, and you will see Jesus making the difference in your life. Let us pray:

Dear Lord Jesus, I know I am a sinner, Lord and I can't save myself. Lord as I call on you now out of my heart,

hear me O Lord and forgive me my sins and wash them away and come into my life and be my Lord and Saviour for the rest of my life in the name of Jesus. Lord fill me with your spirit and your presence as I disconnect myself totally from my past life of sin. Thank you Lord for accepting me as your child. I am now bornAgain; I am now a child of God.

If you just prayed that prayer, I want to say congratulations, you are now a new creation, old things have passed away and now all things have become new. You can look at the address on your leaflet and call and someone will talk with you and locate you on how to grow with your new life in Christ Jesus. God bless you. You are now an heir of all God's promises and provision, so we can move together now in the school of prayers as you join other saints to pray unto our father in Heaven in the name of Jesus.

Jesus knew the importance of prayers, that's why He prayed and also taught us how to pray. For prayer is the strongest weapon on earth, given to men by God. You just got born again now by just praying, and a life which nothing could transform, the power of prayers just transformed you. That's why we ought to pray. In

Luke 6:12 "Now it came to pass in those days that He went out to the mountain to pray, and continued all night in prayer to God".

It was because of the importance of prayers that Jesus spent all night in praying to God. And if He did so, we too as His children have to do the same in order to experience the power and the fruitfulness that prayer brings. In

Matthew 17:21 "However, this kind does not go out except by prayer and fasting", so there are different moods and models of prayers. There are situations in ones life that can only be addressed by fasting and prayers. And the essence of

fasting and prayer is an attitude of one humbling himself before God and seeking help that could only be possible by the hand of the Almighty. Humility is an attitude that the Almighty God takes delight in. As it is written in ***Psalms 51:17 "The sacrifices of God are a broken spirit, a broken and a contrite heart. These, O God, you will not despise".***

So as we humble ourselves through fasting and prayers, the Lord will do great things in our lives. Below are the reasons why men must pray:

TEN REASONS WHY MEN MUST PRAY

1- Prayer is an act of fellowship and worship that invites a superior power in command over situations.***psalms 55:17, Ps 57:2***

2- Prayer is an act that creates a forum of fellowship that brings your true self before your maker (God).***2Chro 20:5***

3- It commands faith that leads to salvation by acknowledgment of ones sins that lead to repentance.***Luke 23:41-43, Acts10:34***

4- Prayer is the table of demand and supply.***James 5:17***

5- Prayer creates the platform that subdues impossibilities.***Acts 12:5-11, Acts 16:25-28***

6- Prayer is the wheel of strength that brings success and victory over trials and temptations.***Matt 26:41, Esther 6:11***

7- Prayer is the cord that pulls out captives from satanic chains into God's Glorious liberty.***Acts 12:5, Dan 6***

8- Prayer is an act which transforms weakness to strength and inflames the weak on fire for God's Glory.***Luke 24:39, 1Thess 5:17***

9- Prayer elevates one to operate in the realm of the supernatural.***Acts 28:5-6, Luke 4:14-17***

10- Prayer preserves you for greatness and Divine favour (a secret communication that brings a public announcement for greatness).***Matt 6:6, Matt 17:1-8.***

PRAYERS

1- O Lord teach me how to pray.

2- O Lord empower me with Grace to love the place of prayer.

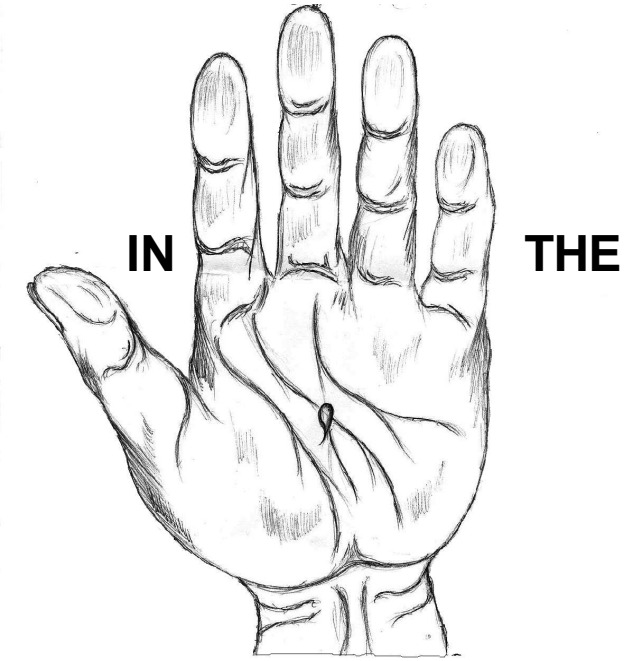

3- Lord make me an addicted prayer vessel in your hand in the name of Jesus
