ALAKUMA

Praise God! I want to thank God for the "Manna Feast" of the month of April, the month of "Raising Kingdom Standards". Chapter 4, "Responding to challenges" was a blessing to me. I felt deep peace and lightness after reading it. I laid the hand in the "Manna Feast" on my leg, and a pain I had been feeling for one month disappeared. Thank You Jesus!

PROPHETIC WORD:

"YOUR MONTH TO CONQUER"

WATCHWORD:

ISAIAH 65:24 "IT SHALL COME TO PASS THAT BEFORE THEY CALL, I WILL ANSWER; AND WHILE THEY ARE STILL SPEAKING, I WILL HEAR."

Glory be to the most High God for His wonders and Divine provision upon our lives. We want to appreciate God for the progressive advancement of all the benefits of the cross that He has made us to enjoy and to celebrate. We can never cease to praise Him because all we are and shall be are in His making. We want to bless God for the actions and fulfillment of the previous editions of the "Manna Feast" individually and collectively. We press forth and through to raise up kingdom standards and now comes another announcement with the caption "Your Month to Conquer" thereby taking territories to govern them as expected of us by the Lord.

Many ideas may be running through your mind; what am I to conquer this month? You need to conquer self, (self pride that distant grace from working for you) so that Divinity will takeover. Self is the old wine that has been resistant to go out of your life, habitual or character wise. In this month with all violence, the old wine must spill out for the new to come in. Your waiting in His presence will enable you to be empowered as you address issues within you properly, you will also be empowered to address things without. For what is not addressed, remains unaddressed. (A problem not solved remains a problem)

This month is a month of action where the actors are called upon to take it by force. My readers, you are an actor and not permitted to come back empty-handed but to bring the trophy. Thank you for reading this literature. Stay blessed as you move on the Lord's

THIS GOLIATH MUST DIE

The picture of Goliath presented in this chapter is figurative. It presents situations within or without that may lead to stagnation and progress in one's life and situations not addressed in their season and timing. This might plunge a generation to error and as such may end many destinies unfulfilled. Most Bible scholars are vest with the story of Goliath. This name was first mentioned in the Old Testament in the book of ***1 Samuel 17***. Looking at the picture of Goliath in this chapter, the action that surrounded the covenanted people of God, and the things that followed suit as their wellbeing was concerned was so devastating. I will like us to look at the situation that surrounded them before coming out with the keys to terminate Goliath.

- He was a champion hired by the Philistines to resist and withstand the Israelites.
- His presence posed perpetual threats to the peace and safety of the Israelites.
- His presence neutralized Israel and brought her to the point of numbness (inactive).
- His presence withheld the advancement and the developmental growth of Israel over a period of time.
- It also made Israel appear before her world as an instrument of reproach and scorn.
- His presence made real values in Israel to be forgotten and relegated to the back.
- His eloquence caused Israel to doubt the strength of their God.

remains alive. There are issues in this season that you are facing that can carry the caption the Goliath on your path. There is a need for you to identify those things because the shape and posture of our Goliaths will differ from one person to another. For Israel, they identified their Goliath and sought other means in handling him which failed until the right method was applied.

Child of God, I want to let you know that, no matter the size and weight of your Goliath, the little stone that will enable you to address your Goliath is lying somewhere and you can only assess it by the Holy Ghost . This will only be done depending on your loyalty to Him and His Words. The statements outlined below are a sign of a Goliath standing on your highway:

- Have you realized that in your life, you are perpetually under the threat of an unknown force?
- Have you noticed that you keep on losing values as the days go by?
- Have you come to the point that making progress as your life is concerned is now an issue of the past and not the present?
- Have you realized that you only live in the past glory and no new glory is being born?
- Have you discovered that you can't see far as before?
- Have you discovered that your faith to do exploit is gradually diminishing?
- Have you come to a point of giving up everything and now living as an island?

backup?

- Have you gotten to a juncture where you deny your name and yourself and try to settle on a wrong ground like Naomi did in her days where she virtually lost everything?
- Are you at the point where your present memories only sound to bring your head low?

The intention of this spirit of Goliath is to render an individual useless. But thank God for the Holy Spirit who is there to help us to address the Goliath standing on our highway. Child of God sum up courage as David did in his days as he was about to address Goliath. If you know you can't celebrate life because of the existence of a Goliath, you are not called to manage the Goliath; you are called to kill him. God has placed in you what it takes to kill the Goliath. Sum up faith through God and Goliath who has appeared as a stumbling block, God will used him as a stepping stone for your elevation. Haven watched and surveyed, it is the hour now to engage as written in

Isaiah 62:10 "Go through, go through the gates! Prepare the way for the people; build up, build up the highway! Take out the stones, lift up a banner for the peoples!"

You are called upon to go through the right medium in subduing and killing Goliath. David went through the gate, the set down rules by God; he got himself prepared through God's word. As long as the material of God's word was his formation, God by himself took control of

through, the persistent sickness that has aborted all medical assistance. It is the reason for that financial crisis, family disunity, academic stagnancy, setback, self rejection and any valuable thing rejecting you.

As God trained David's hand to fight, He will do the same for you in this season for that Goliath must not live. For if he lives, his trouble will still pursue you. Get down to the root of the trouble, get it addressed through God. Whatever stones may be on you, stones of compromise, lack of commitment, prayerlessness, procrastination, stones of laziness, stones of stubbornness and rebellion; God says gather them out of your highway for true action to take place that will result to your wellbeing. These are the stones that give Goliath the hope to ruin your life. If you gather them out, you will ruin his advancement and by so doing you will terminate him. It takes God to train you for these things to be dealt with by you and He will train your fingers to war and to fight.

Psalms 144:1-2 "Blessed be the Lord my Rock who trains my hands for war, and my fingers for battle. My loving kindness and my fortress, my high tower and my deliverer, my shield and the one in whom I take refuge, who subdues my people under me."

You have been empowered to fight and you must win the battle God has empowered you to fight. You are not making an attempt, you are rising to win. As you violently go through God, as David did in his days, you will

javelin but I come to you in the name of the Lord of Hosts, the God of the armies of Israel whom you have defied."

Child of God, there is no battle you go through God and you don't come out a victor and there is no situation you address through God and the situation will not be addressed. For Israel spent 40days using the wrong method to kill Goliath but when David came last, he outlined the right method to shut him down. The Goliath of your life will be killed through God and not by your flesh. You cannot use carnal weapon of the enemy to fight him, you must use Divine methods and go through Divine medium to terminate the terminator. Why must Goliath die?

- If he is not killed, you will never have rest.
- If he is not killed, you will live and die as a child of calamity and sorrow.
- If Goliath is not killed, the provision that was to enthrone you may never meet you.

This is your season to wake up from slumber and tell the devil to his face "Enough is Enough" I am taking my possession by force, I am moving to my new level by force. For Jesus said in

Matthew 11:11-12 "Assuredly, I say to you, among those born of women there has not risen one greater than John the Baptist, but he who is least in the kingdom of Heaven is greater than he. And from the days of John the Baptist until now the kingdom of Heaven suffers violence, and the violent take it by force."

Abraham, Isaac and Christ says even in this dispensation, it is the same devil. You have roamed enough, you have toiled enough, it is your season to settle down and you will get your settlement through battles. For Joshua conquered Canaan through battles. The spiritual weapon prescribed in ***Ephesians 6:10-18*** are not for decoration. For this spiritual armour has been given to the church and you as a person to take back your destiny, recover lost territories and possess your possessions. You must not go to heaven empty handed, you must return with a trophy. David killed Goliath in order for him to get a trophy. The Lord has given you all it takes to fight and return with a trophy. I pray that the Holy Ghost will stir up your inner bowels so that you can fight your way through in order to return with a trophy, God bless you as you do.

PRAYERS

1- Oh God, station me to conquer in the name of Jesus.
2- Lord, get me equipped with the complete armour of God in the name of Jesus.
3- Oh God, let the Goliath of this season not survive in my life in the name of Jesus.
4- Father, empower me to empower others until victory is won.
5- Thank You Lord for the answers in Jesus name.

WHAT DISTANCE HAVE I COVERED

Human beings a tripartite have different assignments or projects to fulfill in different domains of life. For your soul, you need to surrender your life to Jesus in order to have the salvation. For your mind, you need a daily devotion with the inspired word of God to renew your mind and to keep it healthy. You need to carter for the body in order to ensure its well being so that you can attend to the physical projects that need to be fulfilled through it. In as much as there are physical purposes to be accomplished in one's life, the spiritual are more demanding because it is eternal. Your distance talks of your progress towards your goal in life.

In our topic we will be looking at evaluating your journey with God and how far you have gone in attaining it. For every successful journey in life, one needs to be equipped with the right materials or resources in order to get every step or assignment properly done. You were created by God to be progressive and progressions get its strength from a mindset that is geared towards developmental settings. That is why each time one comes in contact with God, He engages you with a magnificent vision to run with. For every true start that will end one on a good footing, you must initiate your walk with God to be a prime issue. Every distance you are covering in life out of the scope of God's leading, will be termed wasted years.

When God created Adam and Eve, He gave them work to do. When God called Abraham, He gave him a

Canaan. When the twelve disciples were called, they were given the mandate with this generation to take the gospel to the ends of the world. You may not have a spiritual dominant assignment but you may have a physical dominant assignment. When you look at the scope of your assignment, you need to ask yourself the question, what distance have I covered with the time I have exhausted? This mindset will help you stay awake because the devil always takes advantage of humans when they give in to slumber. I pray that in your area of calling or your domain of work, go for materials that will equip you to better fulfill your God's given project or assignment. Haven acquired knowledge; it will be unprofitable to anyone's life if that knowledge is not pragmatic. So what distance have you covered if you have acquired knowledge in practically putting what you have acquired on the ground of exhibition? There is evidence to prove that we have been too long on one spot and there is a need to move forward. Your certificate acquired without a visible exhibition of the title of your certificate makes you unwanted in your world. It is like being anointed by God without an action. The manifestations of one's life in respect to his assignment can be well expressed in demonstration that is seen and felt. When men fail to concentrate on their pursuit, they tend to blame people for every evil they are going through. I call it evil because it is pain that we generate on ourselves and when the outcome surfaces, we blame others. In the book of

Deuteronomy 1:6-7 "The Lord our God spoke to us in

places . . . "

You are called by God to cover a project and not to be stagnant. If you have discovered your project, what distance have you covered? Your distance will tell you whether you have rightly used your time or misused it; every time not rightly used by a person or groups of persons may end such individuals on a useless note. It is true that one cannot be totally useless but there are some usefulness we may portray that may not be relevant. We are called and commanded by God to arise and make fruitful journeys that may put to birth legacy to stir other values to become valuable. It is in the context of your consciousness that will keep you either hot or cold in respect to the fulfillment of your purposes.

The vision of our lives can be well known or defined as we make sure we do cover its scope at the prescribe time given to it. There was a man of God by name Simeon who served God in his generation and his services to God gave him a prophetic agenda. This man persistently walked through his spiritual path with God until the day the prophecy was fulfilled in his sight. It was then that he spoke saying he has fulfilled his purpose on earth.

Luke 2:25&29-32 "And behold, there was a man in Jerusalem whose name was Simeon, and this man was just and devout, waiting for the consolation of Israel, and the Holy Spirit was upon him. ...Lord, now you are letting your servant depart in peace, according to Your

people Israel."

Simeon was able to evaluate his work and his timing. At this level, he was able to know the amount of energy each season of his life needed to meet up with the expected results. At the close of the day he got his dreams fulfilled. Child of God, looking at the distance you have covered in respect to the vision God gave you, you need to ask yourself, if you continue with the speed you have been running with, will you be able to go through your course in life? If you have not put in a spiritual weight from God, it may be difficult for you to run through. This aspect has to do with knowledge, impartation, power; these joined together will sum up to your speed to get your dream accomplished. In the journey of life, there are some relationships you must forgo and there are some you must tie to. In this season, there will be a need for you to identify those relationships that slow your speed from God and detach from them and those that quicken your relationship with God and attach to them. In other words know the complement you need to fulfill your course in life.

For Simeon, he had to give God a well consecrated life, stationed on a ground of prayer and righteously geared. So too, you need to know the grounds that will help you to run through and manifest. In covering vital distances, there will always be resistance on your way. The resistance you face identifies the values that will meet you as you overcome them. As you sit down to take stock of your life, there are questions you need to ask yourself

- Over the years, how skillful am I in spiritual things as concerns my walk with God and humanity?
- What are the things I have been able to do through God that give Him glory?
- How many lives have God transformed through me that are still standing the test of time till present date?
- What are the spiritual standards I have set to sustain my life?
- What are the evil status that ruled me yesterday that I am able to rule them today?
- What are the evil desires that compelled me yesterday that I am able to subdue them today?
- How far have I freed my mind from the passions of the vanities of the world?

With the above mentioned questions, you need to take a diligent search of your life and challenge yourself to arise and make a speedy change towards your goal in life. If there are things that have been tying you down, these are the days to arise and break camp, and move forward. If there are some characters in your life, ignorance that has made your life to run on flat tyres, get your tyres repaired, get your engine fueled. I repeat, how far have you gone in fulfilling your purpose in life? If what you have been living for as a means to fulfill your purpose does not work, take your life to God so that you will conquer delay and stagnancy.

Don't station your life in hope on a hopeless ground. The relevance of your today can portray the future that awaits you tomorrow, for Paul declares I saw a mark that made

through God. For whatever is light calls attention for attraction. As you quest for value, value will spark out from within you and that will help you to reach your goal in life. Before we round up this chapter, let us see Apostle Paul's approach in covering distance that will lead to fulfillment.

Philippians 3:14 "I press towards the goal for the prize of the upward call of God in Christ Jesus."

Paul was conscious of the distance to cover and he was not to cover it reluctantly .Though the distance for value is actualized through determination and with a life well focused, in as much as he was determined, he was not determined based on his strength but based on God's directives. This is because if we are not building on God's strength, our building becomes vain. ***Psalms 127:1-2***. That is why with all our determination, we run patiently waiting for God's wind to blow for us to move in the strength of the wind.

Hebrews 12:1b "Let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us."

For every fruitful distance covered in life, we should make God our forerunner. As He becomes our forerunner, we will be successful as did Paul writing to his son Timothy of his fulfillment both physically and spiritually. The same grace that worked for Paul in his days is available today,

laid up for me the crown of righteousness, which the Lord, the righteous judge will give to me on that day, and not to me only but also to all who have loved His appearing"

Child of God, as you move with timing to your season, a crown awaits you which the Lord, the righteous judge shall give to the faithful. As the Apostle Paul cited in the above scriptures, his determination and consciousness to his goal in Christ Jesus and giving himself to God's leading by his word and the Holy Spirit ended him up to the confession he passed to the church through his son Timothy. Your prompt action attached to your timing will attract a blissful end in the kingdom of our Lord Jesus Christ.

PRAYERS

1- Oh Lord, make me alive with my Divine timing and purpose.
2- Lord, help me to repair what have displaced me from being relevant with my timing.
3- Holy Spirit of God, be my guide and enabler in the name of Jesus.
4- Lord, fortify me to give an answer that will bring glory to you alone in all circumstances in life in the name of Jesus.
5- Lord, receive the glory as I commit my life in your hands.

IS IT A CARNAL OR SPIRITUAL PURSUIT?

The rush of human pursuit for achievements in life can be classified under two main streams. One is either dominated by a carnal (worldly or earthly pursuit at the expense of the salvation of your soul) or spiritual pursuit. The human was not made by God to live by instincts only animals and other living creatures on earth were made to live by instincts. Man was created for his steps to be ordered by God. God made the commandment for man and not for animal and it is unfortunate that men have reduced their dignity and even others have gone lower than the animal class. You were not created to end like a natural being, you are a spirit being that is why the human race is developmental but the animal race has just a repeated circuit of eating and procreating. A human being is not just living to eat and procreate but he was created and formed to do exploits (that is why there is academic and technological advancement in all ages of human beings). Whether you are on a carnal or a spiritual lane of pursuit can be known by the fruit of what takes control over your life. What does it take for one to be carnal or spiritual? How do I know if I'm carnal or spiritual?

- Any man, whose life is not subject to the word of God with abiding fruits of the spirit, is a carnal man.
- Everyone who is law abiding by God's word and yielding to the leadership of the Holy Spirit, is a spiritual person.
- A carnal man can't please God because he is ruled

such character are Simon, Ananias and Sapphira in the Acts of the Apostles. These men were not just natural, they were carnal because a natural man has nothing to do with the laws of God but a carnal man knows the law of God, but does not abide by it.

Acts 8:9-13 "But there was a certain man called Simon, who previously practiced sorcery in the city and astonished the people of Samaria, claiming that he was someone great, to whom they all gave heed, from the least to the greatest, saying, this man is the great power of God. And they heeded him because he had astonished them with his sorcery for a long time. But when they believed Philip as he preached the things concerning the kingdom of God and the name of Jesus Christ, both men and women were baptized. Then Simon himself also believed; and when he was baptized he continued with Philip, and was amazed, seeing the miracles and signs which were done."

When we look at Simon's past life and present, we can conclude that he had conviction without total conversion. This means, though following the Apostles, the carnal mind within him was still longing for personal gain. This plunged him to demand buying the gift of God with money so that through that he could also sell. Nowadays, there are many wearing the coat of spirituality like Simon but within them, there is no genuine conversion. They use the name and the things of God for profit making. If you are such an individual, it does not matter the title you are

Simon, though in the church, acting, moving up and down, his goals was not eternal life but his goal was to use the gift of God to enrich himself as we see in the following verses. In ***Acts 8:14-25***

Acts 8:18-19 "And when Simon saw that through the laying on of the Apostles hands the Holy Spirit was given, he offered them money, saying, give me this power also, that anyone on whom I lay hands may receive the Holy Spirit."

There are present day Simons. There is a lot of movement today from one end to another end of the country in the name of moving to sow a seed for spiritual impartation. The question I am asking is "Who is who sowing a seed? This is because if we were in the days of the Apostles, we would have accepted Simon's offer as a seed. The church of Jesus nowadays has gone into woeful (terrible) backsliding. Simon was not giving this offer to know God but to access the gift of God so that he could sell to other people. This is because the way a man receives something will determine how he will use it. The spiritual fathers that were there to correct the errors of the younger ones are helping the younger ones to go into deeper error at the detriment of their souls. There are many ministries today that are opened with the spirit of Simon the sorcerer. They give to their authorities in return to receive from their subjects. This sounds like modern days occultism in the church.

But the men that were spiritually driven like Peter

wanted the gift of God for material gain and nowadays many are doing all they can to manifest the gifts even when they don't have in order to access material gain. Let us look at the respond of the Apostle

Acts 8:20-22 "But Peter said to him, your money perish with you, because you thought that the gift of God could be purchased with money! You have neither part nor portion in this matter, for your heart is not right in the sight of God. Repent therefore of this your wickedness, and pray God if perhaps the thought of your heart will be forgiven you."

We are praying to the Almighty God to raise Peters in this generation who will be able to correct the younger ones from this error they are getting themselves into. Today, many are on the mountain of prayer, retreat grounds, not to have a transformed life that will put to birth a transformed generation for the rapture of the saints but they are moving from altar to altar, from one pastor to another because they want gifts; that they can use for material gains or money making and that is an error. We must repent from this error if we must meet Jesus in the air during rapture. It was this same error that Ananias and Sapphira got themselves into and finally died in error and even Gehazi the servant of Elisha, Lot, Abraham's nephew. Carnal pursuit! They were in the church for carnal pursuit, not for the substance of life that leads to eternal life.

There is no way you can free yourself from sin

Romans 8:5-8 "For those who live according to the flesh set their minds on the things of the flesh but those who live according to the spirit, the things of the spirit. For to be carnally minded is death but to be spiritually minded is life and peace. Because the carnal mind is enmity against God; for it is not subject to the law of God, nor indeed can be. So then, those who are in the flesh cannot please God."

A carnal man lives to make a name for himself. He does not live to raise the banner of the kingdom but he only uses the banner to portray his image in the world. The spiritual man uses the banner to hide himself and portray the kingdom of God .A carnal man is conscious of being famous but a spiritual man is conscious of fulfilling his task properly. Jesus being spiritual gave us this quotation

John 4:34 "Jesus said to him, My food is to do the will of Him who sent me and to finish His work."

Spiritual men live a life to meet God tomorrow but carnal men live a life to face men and get recommendation from them.
Spiritual men know their work must be tried by God so they become careful with everything they are doing for the kingdom but carnal men don't do that. There are many nowadays in pursuit of academic approval, theological approval, looking for what they call connection to public figures so that they may also climb ladders to be known.

- A carnal man lives for himself and he does not care what may happen to God's kingdom or the people of God. All he cares for is about himself and his ego.
- A carnal man cannot lay his life for somebody unless his interest is made known to him.
- A carnal man live to impress men and not God. He finds fulfillment in fulfilling the desires of his flesh and not the needs of his soul.

Men that are given to spiritual pursuit are men that are given to loyalty to God and His word. They don't dare to take a step without the approval of God. They make sure they maintain the life God gave them and grow in the order of the God's given life.

They go for inheritance or possession but every possession of theirs they make sure they get it through God. For Peter to reject the offer of Simon was not a sign that he did not need money. For prophet Elisha to refuse gifts from Naaman was not a sign that he was not in need of all those things. A spiritual man gets his inheritance through righteousness. He goes into fellowship to introduce and plant the seed of God in the lives of people. If a spiritual man has to reign, he makes sure that his reign is in righteousness. Material things do not control a spiritual man, wealth or money does not control them but they are in control of all these things. Paul instructed his son in ***1Timothy 6:11-12*** commanding him to follow after righteousness.

Spiritual men do not follow men but they follow the righteousness that they see in people and when they do,

1 Timothy 6:11"But you, O man of God, flee these things and pursue righteousness, godliness, faith, love, patience, gentleness."

Every man called a spiritual man go after spiritual pursuit and the above mentioned virtue should take command in your life as spiritual sons and daughters of the living God that are heading towards eternity.

Romans 5:21 "So that as sin reign in death, even so grace might reign through righteousness to eternal life through Jesus Christ our Lord."

The provision of grace in the church of Jesus is for righteousness to reign and not sin. Many have abused grace by using it to sin. An example of a lady that was in pursuit of spiritual things was Ruth a Moabite who was like the picture of a sinner in the world and left the world to follow after righteousness. She had many reasons that could make her carnal but she refused to live carnally and gave in to spiritual pursuit. At the end of the day, we can hear her still talking today in the seat of David. Orpah her maid was forgotten because she was after her carnal pursuit. So too, anyone who will not make a U-turn from carnality will soon be forgotten.

Ruth 1:16 "But Ruth said; entreat me not to leave you, or to turn back from following after you; for wherever you go, I will go; and wherever you lodge, I will lodge; your people shall be my people, and your God, my God."

PRAYERS

1- Oh Lord, help me to live for eternity.
2- Lord, deliver me from a carnal mindset.
3- Father, fill me with your presence to live for you.
4- Daily Lord, prone me with your word and help me fulfill my course.
5- Lord, I commit my life into your hands; receive all the glory in Jesus name.

LOOKING AT THE LAST DAYS

The last minutes of every game becomes a dangerous minute to every participant or supporter of such game. In a football match, both teams may play with a relaxed mindset at the beginning but the few five minutes to the end of the match is always crucial because any mistake caused at the end of the match may cause great pain of lost to the losers. So too in Christendom, we are drawing closer to the end of the age. Jesus gave a warning of the last days and the disciples did same. For every pilgrim, you need to have a picture and the events that will follow suit on the last day. One of the greatest dangers of the last days is the spread of the anti-Christ message into the temple of God and one of the grounds the enemy is working so hard on in these last days is the ground of apostasy that is men living in the house of God but denying the faith. One of the greatest warnings that Christ gave the church was to create awareness in them against deception. Until one is deceived, he may hardly be a victim. The Lord warned the church against deception of the last days in

Mathew 24:4 "And Jesus answered and said to them; take heed that no one deceives you."

Before Christ ever made mentioned of this the previous verses of this chapter, the disciples were looking at the Temple and its size. To the best of the knowledge of the disciples, they wanted Christ to appreciate the building.

What lesson are we to learn from there?
In the last days, the enemy will use a lot of physical substance to deprive true believers from eternal rest. Many are departing from the faith today to follow the temporal things the enemy has brought their way and is advertising to them. This is because what draws one's attention can easily give the individual direction. Christ told the disciples that this magnificent Temple you are seeing shall be thrown down and no stone shall stand upon another. The Lord having warned them said the devil will only use His name to deceive many. We can see today round the globe that millions upon millions of people are being deceived using the name of Christ. The Lord said many shall be deceived but any one that takes heed of himself shall never be a victim of deception.

One of the first battles of the last days is the battle of the enemy trying to do all to dilute or adulterate the sound word of God from reaching men in its original state. Today we can see persons, religious organizations doing all to twist the word of God to suit their intentions. They justify themselves by showing up the physical things that are temporal that they have in their possession. Let us look at the scripture of some of the attitudes that shall be seen in the lives of those people that are being controlled by the error of the last days.

2 Timothy 3:1 "But know this that in the last days perilous times will come; . . ."

Paul was creating awareness to his son Timothy and the church with the behavior that will follow men with the

disobedience to parents, unthankful, unholy, unloving, unforgiving, slandering, without self control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power. And from such people turn away! For of this sort are those who creep into households and make captives of gullible women loaded down with sins, led away by various lusts."

These are the inceptions that when a church is governed by the above mentioned seed of evil; we should know the spirit of anti-Christ is already at work in the church of God. The above mentioned characters are what we the children of God should have a keen look at before looking at the other aspects that are without. There are a lot of us Christians in these last days that are busy working for God and not having a relationship with God because a lover of money can still build a house for the Lord. A slanderer can still print tracts for people, a gossip can still take care of orphans but all these does not guarantee a relationship with God.

Serving God is not based on your convenient but it is a command. There are many in these last days that prostitute, steal, sell hard drugs, human trafficking but the wages they gather from these sources, they still bring tithes to the house of God. I don't know if such a token is a bribe to God but O man be not deceived! God cannot be bribed. Many are preachers, church workers that are busy in these last days in the church but very guilty. In as much as they claim to be working for God, they keep on

the scripture has no private interpretation. The spirit of error manifest when people start coming with a private interpretation to suit their intention.

2 Peter 1:20-21 "Knowing this first that no prophecy of scripture is by private interpretation, for prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit."

Every private revelation, dream and visions that contradicts God's word is a revelation or dream sponsored by the spirit of the anti-Christ. That is why there is a call for all children of God to stand on their watch. These last days, we can see that men that are calling on the name of the Lord are being carried by the spirit of greed, envy, jealousy. This is because the anti-Christ spirit is at work in them, making them to believe that making gain anyhow through any means is a mark to show that they are right with God.

1 Timothy 6:3-5 "If anyone teaches otherwise and does not consent to wholesome words, even the words of our Lord Jesus Christ, and to the doctrine which accords with godliness, he is proud, knowing nothing, but is obsessed with disputes and arguments over words from which come envy, strife, reviling, evil suspicions, useless wrangling of men of corrupt minds and destitute of the truth, who suppose that godliness is a means of gain. From such withdraw yourself."

error by the miracle done through them by the Lord. They don't allow the word of God to screen them and work through them. But when you justify the word of God by the miracle done through you, you will fall headlong on the last day when books will be opened and ***Mathew 7:21-23*** will be read as it is been written.

Mathew 7:21-23 "Not everyone who says to me Lord, Lord shall enter the kingdom of Heaven, but he who does the will of My Father in Heaven. Many will say to me in that day, Lord, Lord have we not prophesied in your name, cast out demons in your name and done many wonders in your name? And then I will declare to them, I never knew you; depart from me, you who practice lawlessness!"

Child of God, don't use the miracle done through you, material gain in your possession as a mark of a right living with God. Rather, you are called to maintain a relationship daily with the Lord. The gifts are given to us to serve the people of God but what will take us to heaven is the relationship we have had and maintained with God in total obedience to His will and word. The Bible says the gifts and calling of God is without repentance. So miracles, material possession or popularity will never be a mark that one's walk with God is right. You can know within yourself whether you are right with God on the basis of the peace of mind and the justifiable spirit you have before God and His Word.

wisdom that is from above are first pure, then peaceable, gentle, willing to yield, full of mercy and good fruits, without partiality and without hypocrisy. Now the fruit of righteousness is sown in peace by those who make peace."

If you lose your peace on a ground of serving God or doing particular things for the Lord, you should know there is a question you need to address as your walk with God is concerned.

Philippians 4:7 "And the peace of God which surpasses all understanding will guard your heart and mind through Christ Jesus."

A healthy relationship with the Lord is peace abiding. Everything that cannot be made manifest in the light of His Word is satanic; be it action or words that cannot be boldly expressed in the lamplight of God's word. The miracles, the blessings we may receive from the Lord, its essence is to draw us to God and increase the fear of God in us. But when miracles become an act where haven taken place, sinners still in their sins are excited in the house that is called by God's name cannot be qualified as a miracle of God but magic from the pit of hell. For every miracle performed by the Lord draws sinners close to God in repentance. One of such miracles is recorded in Acts 16, Paul and Silas in the prison with the jailer. He came trembling, seeking the ways of God.

Lastly, one of the pollutions that will be dominant

is called spiritual items. The word of God will be little spoken of but activities that will foster miraculous manifestation will be dominant in the church of God. The Lord addresses this through Jeremiah the prophet where He is angry with the shepherd. The prophetic office is an office to bring a stern standard of God in the church. It is not an office to adulterate God's standard and turning the house of God to a club. There is an error going on these last days that must be corrected. Prophets are men of standards that is why the whole scripture was written by them. The question we are asking today is what has gone wrong with our own prophets that sinners celebrate them in their sin? Each time a prophet was entering a city, men trembled but today, sinners celebrate our own prophets.

1 Samuel 16:4 "So Samuel did what the Lord said, and went to Bethlehem. And the elders of the town trembled at his coming and said, do you come peaceably?"

I have a doubt because we may be celebrating diviners in our generation feeling that we have prophets of God. In

Jeremiah 23:9 "My heart within me is broken because of the prophets…"

Prophet Jeremiah had people in his generation that also appeared in like posture or figure like him. But he realized that what he was called to protect as God's kingdom was concerned, the other prophets were destroying it. One of

not go into captivity for 70years but for two (02) years and because of that false prophecy from Hananiah, God terminated him that same year in the seventh month of the year. ***Jeremiah 28:17.***

No matter the ups and down in the body of Christ today, the foundation of God stands sure and God will know those who are His. Child of God, stand on your guard and live a life as God's elect. For you are royal, live as royal. God told Jeremiah in

Jeremiah 23:25-28 "I have heard what the prophet had said who prophesied lies in my name saying, I have dreamed, I have dreamed! How long will this be in the hearts of the prophets who prophesy lies? Indeed they are prophets of the deceit of their own hearts, who try to make my people forget my name by their dreams which everyone tells his neighbor as their fathers forgot My name for Baal. The prophet who has a dream, let him tell a dream; and he who has My Word, let him speak My Word faithfully; what is the chaff to the wheat? Says the Lord"

If the church of Jesus would survive this last day plague, then the church must return to the Word of God which is God. We have to bring the house of God to a Bible base house of worship for all other things will pass away but the Word of God will remain forever. Our anchor should not tie to signs and wonders but our anchor should be on the Word of God. We as a church should go on our knees and cry to God, O God grant to us a Bible based

these last days. So child of God anchor to the Word of God that will bring light to shine in your generation.

PRAYERS

1- Oh Lord, get my feet planted on the Word of God.
2- Father, destroy every breathing ground of satanic works in my life.
3- Father, grace me to be a light to shine in my generation.
4- Lord, empower me to end my race on earth as a victor and not a victim in the name of Jesus.
5- Thank You Father for Your unfailing love shown to me.

IRON SHARPENS IRON

Most of the events that follow humanity in their rising or falling come as a result of those they missed and those they meet. To become a sharpened tool in life, you need to understand the content of whom you are or who you were made to be for you to acquire knowledge to guard your values. You cannot pair a clean oriented vessel with a dirty oriented vessel. Diligently seek out to understand purpose and those who are created to maintain that same purpose. And as value merges together, new values will be born. Every destiny carrier is sent forth on earth as a blunt tool and your process in life is the medium in which God uses to sharpen you. If you shy away from your process or the laid down principles by God, though created great, you may not be able to fulfill much due to the bluntness of your person. The fact that somebody came ahead of you in a particular lane in which you find yourself means that you need to submit to that person in order to attain your elevation. That is why you become a student first before becoming a teacher to lead other people. Even when two irons meet to sharpen each other, one is up and the other is down. For it to have proper sharp edges, one has the content of a stronger material than the other one.

There was a young king in scripture that prospered because he met a man that could sharpen him. Child of God, for you to excel, you need someone to sharpen you; either by leading you, showing you the pathway of greatness and how to attain to its height. There

problem from the very inception. He only became a problem when Zechariah, the sharpened tool sent into his life died. As long as Zechariah was there to sharpen him the Bible says he sought God and he prospered.

2 Chronicles 26:5 "He sought God in the days of Zechariah, who had understanding in the visions of God; and as long as he sought the Lord, God made him prosper."

Child of God as long as we can miss certain things to meet other, there are certain encounters in our lives that makes us to grow in God and we should never miss it for anything. The passing out of Zechariah into eternity plunged Uzziah to have a mark of a curse that ended him a question on the throne rather than an answer. Every God sent into your life is an instrument of blessing. They may be your spiritual parents, fellow brethren but you need to take the responsibility to know who to pair with in order to provoke the growth of your life and who to break off from in order to secure your value. As a matter of fact, when Zechariah was off the company of Uzziah, wrong elements made company with him. For Zechariah taught Uzziah the path of the just and when he yielded his life to work with a man who taught him the path of the just, there was a grace that rested on him to seek the face of God and the Bible says as long as he sought God, he prospered.

When Zechariah died, Uzziah became a victim of situations. He did not go in for the lifestyle that Zechariah

2 Chronicles 26:16-18 "But when he was strong, his heart was lifted up, to his destruction, for he transgressed against the Lord his God by entering the Temple of the Lord to burn incense on the altar of incense. So Azariah the priest went in after him, and with him were eight priests of the Lord, valiant men. And they withstood king Uzziah, and said to him, it is not for you, Uzziah, to burn incense to the Lord, but for the priests, the sons of Aaron..."

When we look at what befell Uzziah, it was because an evil deposit came in and it was not addressed timely. The priest only came after to address the evil deposit when he was already stiff and hardened in it. Today, everyone you pair with that cannot train you in the fear of God, is not doing you good. Every one that encourages you to possess an adamant spirit is not a sharpener to your destiny but is one assigned to blunt you up. Uzziah would have been one of the kings in Israel that would have ended on a wonderful note with God but for lack of right association, he was plagued with leprosy and the people got him dethrone when it was his time to be on the throne. This is how Uzziah lost the value that God sent into his life.

There is a lifestyle which may never sharpen your countenance for a brighter future and a glorious one. There are a lot of such persons we see in scripture, it was not only Uzziah, there were other figures in life that took their values and great destinies and messed them

the wrong mindset they create for themselves. This is one of the things that made Uzziah to feel that he could make it as a king without listening to anybody (Uzziah went beyond his limit.) child of God know your limit and never go above it. Just like Saul the first king of Israel did the same by going above his limit. Uzziah felt he had arrived when there was still a great journey before him. Men born of great minds are men that submit to the order of God, but when you start to see your mind taking your life to a life where you don't respect your elders, your leaders and those that were before you, you should know that you are getting your tool blunt.

No matter how strong you may see yourself to be, let this truth never depart from you. You are not complete at anytime without God (never feel that you are self sufficient). Uzziah ended up disgracefully because he did not anchor to the word and the ways that Zechariah taught and introduced to him. Child of God, the Bible says when the axe is dull, you will put in much and you will realize little.

Ecclesiastes 10:10 "If the axe is dull, and one does not sharpen the edge, then he must use more strength; but wisdom brings success."

Maybe the reason why you are going through some issues is because you have set up a haughty mind between the Lord and His people but you are called to repent lest your own leprosy breaks up on your forehead and you end up worst than Uzziah. You are blessed when

Another aspect where your countenance may also be blunt is by allowing situations give you direction out of God's word. This will draw our attention to a family that was in Bethlehem, the family of Elimelech and his wife Naomi.

Ruth 1:1-3&5 "Now it came to pass in the days when the judges ruled, that there was a famine in the land. And a certain man of Bethlehem, Judah, went to dwell in the country of Moab. He and his wife and his two sons. The name of the man was Elimelech, the name of his wife was Naomi and the names of his two sons were Mahlon and Chilion – Ephrathites of Bethlehem, Judah. And they went to the country of Moab and remained there. Then Elimelech, Naomi's husband died; and she was left and her two sons." Then both Mahlon and Chilion also died."

Child of God, in the case of this family, they were faced with a situation and they yielded to the dictates of the situation out of the Lord's will and instead of maintaining their lives, the head of the family was cut off from them. There are some situations that the Lord allows you to go through for your sharpening and it will not be to your advantage to run away from it but it will be to your advantage to gather strength and go through God. The immediate family bore the famine and survived but he who escaped from the famine lost his life. It is true that at the end of the day, restoration still took place. There are grounds that God may place you as a child of God

used the situation he went through to sharpen him as a leader in his generation. God did the same with Moses. Understand the vision of God, the provision of God for that vision and the process God wants to pass you through in order to actualize that vision.

The last of all, God will use people that He will send in your life to sharpen you. As God used Moses to sharpen Joshua, and God used Elijah to sharpen Elisha and these people became great and well sharpened because they were law abiding to their masters. For example, you can trace Joshua's loyalty to Moses each time Moses was in fellowship with God. He was always the boy at the foot of the hill and the Bible called Joshua Moses' assistance. He paired with the right companion to sharpen his life, and that led to the manifestation of his destiny. Pause for a moment and ask yourself this question, the person you are submitting to, is the God man in you growing or is it diminishing? Is the love and fear of God in your life increasing or is it decreasing? If you don't realize your love, fear and consecration in you increasing then there is need for you to pray and ask God to join you with the right people to sharpen your countenance to meet God tomorrow.

As for Joshua, Elisha, and the Apostles, they submitted and at the end of the day they became greater. Your pairing should be able to sharpen you to become better in the future. Joshua subdued many nations than Moses; Elisha did many miracles than Elijah, for you are paired to be sharpened, to become sharper for effectiveness in service. Anyone you come across in life

mindset and with the right people as seen in

Proverbs 27:17 "As iron sharpens iron so a man sharpens the countenance of his friend."

Beloved ones, does your mindset brighten your countenance before God? The ground on which you have located yourself, the people you associate with, do they help you brighten your countenance before God? it will be uncalled for, for a man who fears God to yoke with people who do not fear or reverend God, it will be uncalled for to yoke a clean vessel with a dirty one for the Bible says if people come to you not in the purpose of your living or with the doctrine of your God, don't even bid God's speed.

2 John1:10-11 "If anyone comes to you and does not bring this doctrine, do not receive him into your house nor greet him; for he who greets him shares in his evil deeds."

We are brethren when we share a common goal. This is not talking about the unbelievers in the world for we must reach out to sinners and preach to them. This goes for people who call the name of God but does not abide in His will and do not obey His commandment. Child of God, go into fellowship with people that will challenge you to deepen your relationship with God and will stir up your prayer life. People that will push you to grow in the knowledge of the word of God. If you do, you will arise and shine like the stars. Do all to reach out to your

you need to identify and walk with.

PRAYERS

1- Father, help me to know your will for everything I do.
2- Lord, help me to abide in your will.
3- Lord, open my eyes to know the person you have sent into my life to sharpen me up.
4- Lord, waste every waster roaming upon my destiny.
5- Help me Lord to arise and shine in purpose and glory.

WAITING UPON GOD

The act of waiting or calling upon God is a vital Christian exercise that every child of God can't make it through in life without complying to. You can wait in fasting or without fasting. Let your duration of fast be led and confirmed by the spirit of God before you ever embark on. Mathew 4:1 or Luke 4:1. In as much as many people have heard testimonies, read stories and events that followed people that waited on God and the outcome of their waiting, there is still a need for the Lord to keep teaching us on how to approach His presence. One waits upon God for Him to address particular issues in his life, for God to empower him to accomplish a particular assignment, for God to bring restoration upon him when years had been wasted by elements of darkness (the devil).

You don't wait before God as a tradition but you wait upon Him to bring forth results that will better your life and bring deliverance and healing where necessary. Great men and women of old that walked with God brought such a transformation upon their destinies and some were even looked upon as Angels because they made the presence of God their acquaintance. You can't arise and make decrees and see them manifest when you are not familiar with God's presence. For you to be that God man or woman, you must develop an addicted life in waiting upon the Lord. Most of the issues we suffer in life, our ignorance spear head it and our adversary the devil takes advantage. But with the light of God and with us dwelling in His presence will cause His light to shine

I approach His throne, how do I approach His presence? The first key in approaching His presence is

- To approach Him with an attitude of praise, thanksgiving and adoration as written in the book of

Psalms 100:2-4 "Serve the Lord with gladness; come before His presence with singing. Know that the Lord, He is God; it is He who made us and not we ourselves. We are His people and the sheep of His pasture. Enter into His gates with thanksgiving, and into His courts with praise. Be thankful to Him, and bless His name."

There is an acknowledgment that you need to come with in the presence of God, He is not only God, He is a Father, a Maker, He longs for your wellbeing and to see you in a place where He can communicate and dialogue with you and such privileges moves us to enter His presence with praise and thanksgiving. This attitude prepares us to meet God. in the Gospel, Jesus gave us the right approach when His disciples ask Him to teach them how to pray as we all know it He said, Our Father, who art in Heaven, Hallowed be Thy name, Thy kingdom come. So we enter His presence with adoration and acknowledgement to Him as our Father. Not waiting for our will to prevail against His will but for His will to prevail over our own will. The second attitude we must cultivate while waiting on the Lord is

- We must appear in brokenness of heart. This will help us lay down our lives before Him and letting Him

attention.

Psalms 51:15-17 "O Lord, open my lips, and my mouth shall show forth your praise. For you do not desire sacrifice, or else I will give it; you do not delight in burnt offerings. The sacrifices of God are a broken spirit, a broken and a contrite heart, these O God you will not despise."

If you look at the picture of the scripture and the parable of Jesus in Luke 18, they have similarities. Looking at a woman of faith being a widow, meeting a judge that do not fear God or regard men; widowhood portrays a broken life that one shows before God. With such attitude, you already prepare a ground to dine with God and when that ground is prepared, you don't wait before God in a haste, you patiently wait upon Him. In your waiting, you make sure that every sin committed is confessed and repented of. This will open the mercy door of God for forgiveness and cleansing. Once this is done, you can now call upon the Lord for the infill of the Holy Ghost to indwell you because the Holy Ghost in you is your great intercessor as seen in

Romans 8:26 "Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray as we ought, but the Spirit Himself makes intercessions for us with groaning which cannot be uttered."

medium to cover your sin but use the ground of prayer to expose every hidden work of darkness. Fellowshipping on the ground of prayer should disconnect you from every hidden ground of darkness.

Proverbs 28:13 "He who covers his sins will not prosper, but whoever confesses and forsakes them will obtain mercy."

When you confess, you don't confess a sin to continue in it, you confess a sin to depart from it. That is a mark of genuine repentance. Anything you confess and remain in you have not repented of it. That is why the scripture demands that we confess and forsake.

Ephesians 5:11 "And have no fellowship with the unfruitful works of darkness, but rather expose them."

You can't approach the presence of the Holy God harboring within you the unfruitful works of darkness. Rather, you reprove them and walk away from them. This is the sole reason why some people get up in the name of seeking God's face and some come out possess and even go mad. Clean your vessel and distant the devil.

Having done the above, you can now pour out your heart before God. Thank God the Holy Spirit will be there to give you a vital booster when the above is rightly done. You ask in faith and every prayer done with the virtue of faith becomes persistent until results are put to birth. Your persistence on the ground of prayer puts to

You can see an outline of what will happen to everyone that makes the presence of God his acquaintance. This is what builds spiritual momentum for one to do exploit in the name of the Lord. When you make His presence your acquaintance, the place of prayer will not more be boring but it will be delightful. It was the delightfulness of such grounds that the Apostles encountered on the mount of transfiguration which led to such blissful atmosphere that they were not ready to quit.

Mathew 17:3-5 "And behold, Moses and Elijah appeared to them, talking with Him. Then Peter answered and said to Jesus, Lord, it is good for us to be here; if you wish, let us make here three Tabernacles; one for you, one for Moses and one for Elijah. While he was still speaking, behold, a bright cloud overshadowed them; and suddenly a voice came from the cloud saying, this is My beloved son in whom I am well pleased, Hear Him!"

When you look at the appearance of Moses, Elijah meeting Jesus in the transfiguration, these were men that waited on God in their generation and brought down great signs from Heaven. Only sin and the devil makes the place of prayer a bore. The grounds of prayers are grounds to address the impossible. So each time you want to make a significant move or change in life, there is a call for prayer and an intense one of course. These men made so much

command but they are prayerless and the devil takes advantage of them. Then others try to be prayerful with a wrong mindset and an improper life (entangled with sin).

Men that wait upon God in prayers are great intercessors and they are always opportune to know the secret things of God. I do pray that whatever yoke or obstacle that has made you prayerless, let that yoke be broken today in Jesus Mighty Name. His presence will purify you from hidden and besetting sin and deliver you from hidden plagues of ignorance as it did with Isaiah in ***Isaiah 6:5*** "

The book of ***Job 22:21-29*** outlines what will happen to any man who makes the place of prayer a delight. You wait upon Him with the knowledge of His word that will guide you not to pray amiss.

Job 22:21-29 "Now acquaint yourself to Him, and be at peace; thereby good wills come to you. Receive, please, instruction from His mouth, and lay up His word in your hearts. If you return to the Almighty, you will be built up; you will remove iniquity far from your tents. Then you will lay your gold in the dust, and the gold of Ophir among the stones of the brooks. Yes, the Almighty will be your gold and your precious silver; for then you will have your delight in the Almighty, and lift up your face to Him. You will make your prayer to Him, he will hear

shine on your way. When they cast you down, and you say, exaltation will come! Then He will save the humble person."

Child of God, to end this chapter, I want to draw your attention to the fact that it takes a determined mind to break every resistance that the devil may put on one's pathway in waiting before God. For resistances are unavoidable for every ground that will birth glory but the Bible says, resist the devil and he will flee. You have what it takes to resist the devil. Be focused until you rain down the desires of heaven upon the earth. Receive grace as you mount up like an Eagle in Jesus Mighty Name.
