TESTIMONIES FOR OCTOBER PUBLICATION OF "MANNA FEAST"

MBENGWI

Hallelujah, I experienced the "Effect of Counselling" in my life this season. I had a bill issued with SNEC that have lasted a year now. They sent a bailiff to me with respect to that. With close counsel from my pastor, the issue became resolved and all I spent was 1500 Frs. for my bill. They realized I did not owe them thanks to divine counsel that I cued into.

Ma Asah: 77 60 71 74

Praise God, for many years I have served God, yet with lots of satanic loads. Thanks to the "Effect of Counselling" and prayers, I got delivered from anger, bitterness and arrogance just as I joined this commission. Thank you Jesus!

Sis Beatrice.

Chapter six of "Manna Feast" the "Effect of Counselling" increased me this month. I was faced with tough times that I wanted to borrow oil, but my pastor counselled me to trust in the Lord and not to borrow. Glory be to God the Lord provided for me and I got a drum of oil. My neighbor who never wanted to see me blessed me with palm that still yielded 10 litres of oil. Hallelujah the effect of counselling showed me divine favour and provision.

Sis Lucia

ALAKUMA

Praise God, when I read chapter one "Inheritance by Righteousness" conviction came upon me so heavily that hidden things were exposed. Before giving my life to Christ,

as a seamstress I use to sew peoples dresses and own the remaining materials. Even as a church secretary, we will count God's money and steal some. God convicted me of these things in my past life and I repented. I feel more at peace now and my foundation is clean and sure. Amen!

Ma Deborah: 77 59 14 28

JAKIRI

In this month of "Watch and Pray" the payment of my fees was seemingly an impossible mountain to climb. But glory to God he provided miraculously and I went back to school after being driven back for a while. Thank you Jesus!

Bro Elvis: 76 03 89 53

Praise God, in the month of "Watch and Pray" the good Lord stopped a bike accident that would have taken my daughter's life away. We still cannot explain how the bike skipped over her and she was untouched. To God alone be all the glory.

Sis Honorine

Praise God, the Lord healed my son from high fever this month using the hand in "Manna Feast". I laid it on him and prayed. He is now fine.

Praise God, in this month of "Watch and Pray" chapter four of "Manna Feast" "The Danger of Unforgiveness" brought perfect deliverance from the Spirit of unforgiveness in my life. Now I can face people who hurt me and it sound as though they never offended me even though I remember what they did. I want to thank God for Papa and the vessels used in this publication.

INTRODUCTION

Praise and worship be to the Almighty God who through out ages has been our everything that makes life beautiful. Having had a moment of fellowshipping with the Lord and the people of God this past season of watching and prayers, without doubt, I know there have been a great stirring up from the within of you to the without. This has brought about necessary amendments in the area where ignorance and error were gaining grounds in your life. An act of stir up reveals unwanted elements and characters and will give to us necessary provisions to eliminate them out of our lives. All the malpractices that we've been in to this month of watching and prayers was God's provision for us to get rid of them and plunge into the perfect will of God. Having prepared a ground for the Lord with a repentant heart, God by Himself is taking us to the realm where His Grace will work for us thereby bringing us on another agenda. In this season in putting full use and maximizing the grace of God which had to do with Divine favour that will produce Joy, in the sight of God and men of like passion. All of God's provision to your life this season, He is telling us to maximize it. Let none of His values with us remain dormant, but let all come out and be used for the glory of His name. Once more, welcome to the ground of maximizing grace in the name of Jesus.

CHAPTER 1

THE ESSENCE OF GRACE

Grace is God's provision for the stray humans who were subject to confusion without any sense of direction. The provision of grace was given to men to deliver them from sin and its consequence. It was also to grant them salvation, thereby giving men the chance for God's ability to answer for their weaknesses and limitations. Looking at the word Grace from its root word, it comes from a Greek word "Charis" and the Hebrew word "Chesed" which is interpreted loving kindness, Divine favour, good will, which denotes God's own character. The provision of grace, which has to do with favour, talks about God's free gifts to humans and gives an end result of joy and liberty to humanity from the yoke of sin. Thereby setting man free from the guilt and the consequences of his past sins and giving man the ability to live right.

When we are looking at the word grace or the essence of grace in our lives, we are talking of the most important qualities or provisions of "Grace" that makes grace what it really is. There are many encounters that we have had in life which in most cases, grace steps in to work without us knowing. It is the essence of grace that qualifies a sinner to step on the ground of receiving salvation from God. It is also the essence of grace that brings justification on crimes we once committed that could end us being condemned. It is grace that brings a sinner to a platform of fellowship with the Holy God. It is also the essence of grace that condemnation license for us are reversed for our upliftment to be accepted by God. It is also the essence of grace that makes a mortal man appear in the strength of the living God and operates as if he was God. If grace be absent in our lives, we will be

people of no value in the presence of the Holy God. Grace came by Christ Jesus. When we were dead in sin, it was the provision of grace that brought us alive into God's own righteousness with Christ Jesus.

Ephesians 2:1-5 "And you He made alive, who were dead in trespasses and sin"

When you come in contact with the grace of God your inability is swallowed in it there by quickening you in the sight of God. We should know as humans that any life under subjection in sin, is controlled by the course of wickedness, in the sight of God such a life only exists but is not living. For every living life is a life that is embodied with God's grace and having God's own seed. But if your life is void of God's salvation that comes through grace as a human being, you should know that you are only existing and not living. That is why sinners are condemned without mercy by God when they fail to repent and turn to God. While those who are saved are led by the spirit of God, those who still remain in their trespasses and sin are governed by the devil, called the prince of this world.

Ephesians 2:2 "In which you once walked according to the course of this world, according to the prince of the power of the air, the spirit who now walks in the children of disobedience"

Everyone not saved by grace is compelled to walk by the course of this world and this course is masterminded by the devil. The propagation of this course license disobedience to God and such disobedience only brings those who are under its course into judgement from God. We may want to ask what is the course ordered by the devil? This has to do with disobedience to God's instruction, and yielding our lives to the lust of our flesh and the desires of our mind, thereby putting to birth diverse moods of wickedness. By the reason of the lust of our flesh and the desires of our mind, the following will have a full course of operation among us and

into our lives; hatred, greed, malice, jealousy, quarrelling, lies, pride, Unforgiveness , fornication, adultery, masturbation, envy, killing, idolatry, bribery and corruption, drunkenness, smoking, snuffing, gambling and taking delight in things that defiles the mind. With all these, without the mercy and grace of God, a human being can't deliver himself. But when you locate grace, it will walk you out of this mess and place you on a victorious ground above its schemes.

It was because of this above life of misery in sin that Paul wrote to the Romans with great groaning when he thought of the past molestation that sin placed him in. many of us are being tormented in like manner not knowing that God has already made provision for us. Just like Paul too never knew until he met grace (Jesus) on his way to Damascus. And from that day he became a changed person till he passed unto glory celebrating victory over sin. ***Acts 9***

Romans 7:22-25 ". . . O wretched man that I am! Who will deliver me from this body of dead? . . ."

Paul was entangled and he could not help himself because he was also dead in trespasses and sin until a day that grace met him on his way to Damascus, when Jesus upload the power of the prince of the air (Satan) over his life.

The appearance of grace becomes a matter of choice to whosoever wills. This is because the Bible declares that the grace of God has appeared to all men including you as some of us today will also be seeing the essence of it. That grace has its content to deal with ungodliness in the lives of men and to establish man on a godly platform.

Titus 2:11-12 "for the grace of God that brings salvation has appeared to all men, teaching us that denying ungodliness and worldly lust, we should live soberly, righteously, and godly in the present age"

As you make yourself available to the grace that is in Christ Jesus, the yoke of sin, enslavement of any kind can be broken, be it idol worship, drunkenness, smoking, the yoke

of homosexuality, incest, bestiality, occultism, witchcraft, lesbianism. As you call upon the Lord today through Jesus the son of the living God who is the way, the truth, and the life, such yoke of bondage will be broken and you will be free. For it is written, whosoever shall call upon the name of the Lord shall be saved

Romans 10:13 & Jeremiah 33:3 "whosoever calls upon the name of the Lord shall be saved" and "Call to me and I will answer you, and show you great and mighty things which you do not know".

As you make up your mind and take decisions to turn to God your maker, there is a free salvation waiting for you and this can be done by you taking the following steps:

- You must acknowledge and accept that you are a sinner cut off from the grace of God.
- Confess your sins to the Lord and ask Him to forgive you.
- Ask the Lord to come into your heart and be your Saviour and your God.
- Ask the Lord to wash away your sins with His precious blood, fill you with His grace, power and with the Holy Spirit. This power will keep you not to sin against Him.
- If you just did that from your heart, you are now saved and you are a child of God. Congratulations! Old things have passed away and behold all things have become new. You are a new creation now, so walk in the newness of life.
- Join any living church to fellowship with other believers in order for you to grow in your faith with Christ.

Having done the above, you should know God has placed your feet on the pathway of recovery and the pathway of restoration. This restoration is made possible based now on your walk with God and your daily commitment to His will and His instructions to your life. By so doing the platform of His words in your life will cause you to shine brighter and

brighter unto perfect that day. Thereby making you the head and not the tail, the first and not the last in all issues that appears praise worthy and glorious. With His presence with you, His covenant of blessings shall rest upon you, which states "blessed will be your going out and your coming in, when any enemy rises against you in one way, in seven ways they shall flee, and what ever you touch shall prosper. Once more celebrate your new life with the King of kings and Lord of lords. Maintain a good relationship with the Lord in prayers and in studies of the word of God (Bible).

PRAYER

1- Lord thank you for saving my soul, Lord help me work my salvation from day to day in the name of Jesus.
2- Lord empower me to grow in grace and favour with you and with men.
3- Lord, I discard all deposits and road blocks of the enemy on my journey with you in the name of Jesus.
4- Thank you Lord for hearing me in the name of Jesus Christ.

CHAPTER 2

OPERATING UNDER GRACE

We want to thank God once more for grace. We need to understand that Grace is a person. The person of Christ is the person of grace. And that's what makes the unqualified, qualified when he comes in contact with grace. God's riches are unveiled in grace that is through Christ. The riches of this grace are given to men to excel in their destinies that are embodied in Christ. For the scripture says in Him (Christ) all things consists and without Him was nothing made that was made. So our originality and the magnitude of our person can only be known when grace locates us and we submit to it. That is why when men contact grace, strange things of greatness are bound to happen with them. When Peter contacted the carrier of grace, Christ Jesus, he heard words that he couldn't believe he was created for such a volume words or content of greatness. Peter by name was born and called Simon meaning unstable. When he found grace or came in contact with grace, grace named him Peter, meaning a rock. From unstable he became stable and from a wanderer he became a vision carrier. If we take a close look at Peter's relationship with grace, there are things we will come out with that will enable one to walk in grace.

To walk in grace or under grace, one must cultivate an attitude and that attitude is being loyal to grace. We are told in the gospel that when Peter met with grace, he left all he knew and had and abided under that grace.

Luke 5:11 "So when they had brought their boats to the land, they forsook all and followed him".

Walking under grace needs total submission, not for a day, a month, or a year but through out your life because grace grows with men. When you come in contact with grace, you must witness outward signs and wonders. As you submit

daily to grace, it will start to work from the outside to the inside of you. It is a kind of correspondent that migrates from the out to the in and in to out with both inward manifestations of your being and outward manifestations. Without the submission in Peter's life, he wouldn't have known grace in its maximum.

James 4:6 "But he gives more grace, therefore he says God resist the proud but He gives grace to the humble" Grace is multiplied upon the lowly in heart. In ***Matthew 5*** when Christ climbed a mountain and began to exhort the people. He used two verses of ***Matt 5*** that expands the ingredient of grace that should operate in ones life ***"Blessed are the poor in spirit for theirs is the kingdom of heaven" and again "Blessed are the meek for they shall inherit the earth"***. Now being poor in spirit and being meek, they are synonyms and they declare that people of such passion will access greatness into heaven and on earth. men like Moses, who were so renoun on earth and even after their departure from the earth he still appeared again under the dispensation of the Lord Jesus. Our loyalty to grace will command grace to operate to its maximum in our lives. In ***2 Peter 3:18*** we are commanded to grow in grace in order to beautify our well being. The measure of grace we may attend to will depend on our attitude towards grace. Our attitude can lay hold on the riches of grace or distant us from it. Going back to the walk of Peter with the Lord, Peter had different intervals of interactions and revelations from the Lord concerning his person and his assignment.

Let us look at the Biblical analysis of Peter's loyalty and walking and operating under the grace. In ***Luke chapter 5:11***, Peter forsook all and followed the Lord. In ***Matthew 16:17***, Peter's level of grace revealed the hidden potential in him when he got a new address and the keys of the kingdom were given to him to bind and to loose. In ***Acts 2***, grace had grown with Peter and he became a voice and such a voice

was far above intimidation. Here Peter converged people to transmit a living word that became living water in the lives of his audience that turned 3000 men into God's kingdom. That was grace working in the life of Peter through the power of the Holy Ghost. In ***Acts 3,*** Peter in his growth in grace brought healing to a man that was born crippled, desperately lying at the gate of the temple. The hopeless crippled became hopeful because of grace that was upon the life of Peter. And in ***Acts 4,*** opposition rose against the grace that was in Peter's life, but this grace silenced this opposition. In ***Acts 5,*** the grace that Peter carried was highly demonstrated and falsehood could not gain grounds. in the case of Ananias and Sapphira. Grace kept growing with the apostle to an extent that healing was no more of laying of hands but shadows began doing great works. I pray somebody will grow in grace today.

Acts 5:15-16 "So that they brought the sick out into the streets and laid them on beds and couches, that atleast the shadow of Peter passing by might fall on some of them. Also a multitude gathered from the surrounding cities to Jerusalem, bringing sick people and those who were tormented by unclean spirits and they were all healed".

So we could see how Peter kept on advancing in grace to a point that in a vision or in a trance grace led him to receive directions from heaven in areas of his life that were covered with ignorance. In ***Acts 10*** he was sent for the salvation of Cornelius and his family who was a commander of a hundred armies. But there is something we want to draw here about Peter's walking with the grace of God and growing and increasing in that grace. This will help us control our modern day's error and that we may have a proper sense of cooperating with a given grace under an individual as well as a commission.

Every mission body or individuals called out by God and commissioned are given a mandate and a grace to work

with. If you as an individual or group of persons find yourself under such a mandate or grace to work with, you are called to submit under the instruction which the bearer of that grace given by God is giving out. Many are into error in our generation even as it was in the generation past, consciously or unconsciously. We will notice that Ananias and Sapphira were all saved by God to work under the grace that God commissioned under the Apostles. Ananias and Sapphira being disciples of the Lord submitted under the grace to an extent but not totally. They thought they could make something new for themselves, thereby bringing a new grace as many of us are trying to invent today. When you find yourself as an individual, criticizing instructions from your authority or disobeying instructions from your authority that you have testimonies that he is Godly oriented and approved, you should know that the very error of Ananias and Sapphira is knocking at your door.

Ananias and Sapphira were called to obey the voice of the grace that was upon the Apostles. They were not allowed to bring in a new thing which the Apostles did not approve. The whole church was asked to sell their possession, bring everything and lay at the Apostles feet. But Ananias and Sapphira did not submit to that instruction and their refusal to submit landed them into falsehood thereby bringing the wrath of God upon their lives.

Each time you are under a commission with a grace, if you turn to criticize, condemn, while still in that commission, you provoke the grace of that commission to fight you. Many are into this error today. From the very fountain you drink and into the same fountain you throw stones and you expect things to go well with you. Things can't go well with you because God's word cannot be broken. It was this error that befell Miriam and she was struck with the plague of leprosy as she turned to criticize Moses whom she was called to walk under Moses with Aaron. Joshua who

was from a different tribe became a mantle carrier because of his loyalty and submission to the grace that Moses carried. A great grace cannot rest upon you when you are not submissive to it. Joshua from the tribe of Ephraim grabbed the mantle that was from the house of the Levite. Grace will answer to everybody irrespective of the race, tribe or tongue if that individual will submit and remain loyal and of course the individual will operate in the maximum of what that grace carries.

Gehazi's refusal to submit to grace landed him to a punishment for he knew Elisha was ordained by God but he didn't see himself submitting to the instructions which Elisha gave. So too was Saul the king of Israel and Judas Iscariot one of the disciples of the Lord. I pray this season that you should learn the ways of God and submit to its authority. The grace of God will answer for your good for it is like a two edged sword. When you understand these things, the spirit of grace will rest upon you and you will live an extraordinary life for the glory of God.

Zechariah 12:10 "And I will pour on the house of David and on the inhabitants of Jerusalem the spirit of grace and supplication then they will look on me whom they pierced. Yes they will mourn for him as one mourns for his only son, and grief for him as one grieves for his first born".

As we understand grace and yield to it, it will help us to understand what we have been destroying unknowingly to yield to it and cherish it. This will release on us the spirit of intercession which will keep us in an intimate relationship with God, thereby keeping us from errors. Your intimacy with God will keep and maintain you in grace and fellowship with him ensuring that what the Lord has started through you and destined for your life, he will successfully enable you finish your assignment with that faith. This will result to bringing down every mountain of obstacles and will also give birth to an accurate spirit to start and complete God's project within

you without failing. I pray our lives will be shaped to allow grace operate to its maximum thereby giving us a good end with our God.

Zechariah 4:6-8 "So he answered and said to me; this is the word of the Lord to Zerubbabel; not by might nor by power but by my spirit; says the Lord of Host. Who are you o great mountain before Zerubbabel you shall become a plain! And you shall bring forth the cape stone with shouts of grace, grace to it! Moreover the word of the Lord came to me saying; the hands of Zerubbabel had laid the foundation of this temple; his hands shall also finish it then you will know that the Lord of Host has sent me to you".

When grace has its rightful course in our lives and increase in us, what the Lord used us to start, that very grace will see that the assignment of God will be accomplished gloriously. Once more grow in grace, walk in grace and by so doing there will be no course for alarm in any district of our walk with God. Shalom!

PRAYERS

1- O Lord, give me a submissive heart in the mighty name of Jesus.
2- O Lord make me wise and help me to walk among the wise in the name of Jesus.
3- O Lord let wisdom and true knowledge dismiss ignorance and foolishness out of my life.
4- Lord help me to grow daily in grace.
5- Lord empower me to victoriously and gloriously accomplish my God's given assignment in the mighty name of Jesus.
6- Thank you Lord for holding me by the hand and for seeing me through in Jesus name.

CHAPTER 3

DEALING WITH LAZINESS

Laziness is a yoke that could make one who could be significant end up being insignificant. Laziness in its sense is an attitude that one can cultivate and it becomes a lifestyle. Those who give in to it only do so when they refuse to think right and count the cost of the damage that it could render to their destiny. Until we have an adequate knowledge of the danger of laziness, we may not deal with it as supposed. As earlier said, laziness will reduce you to a piece of bread before the eyes of those that are committed or diligent to work.

- Laziness will make your living short-lived.
- it will end you at the mercy of situations
- Laziness is a destroyer of values.
- Laziness abuses the true meaning of time.
- Laziness displaces one from the true output that would have resembled his living.
- Laziness will back date the growth and development of a life, society or a generation.
- Laziness is abortive to development.
- It is a waster in the life of those that are committed.
- Laziness renders insecurity.
- It is the agent of want in people's lives.
- Laziness is the agent of stagnation and infirmity. If not treated, laziness can become a virus to ruin even those that were not a part of it.
- It brings no profit to ones life but deficit in all aspects of living.
- Laziness is a demonic breath that fosters decay and discomfort to the life of the committed.
- Laziness is an eye servant.
- Laziness enrolls people in the school of pretenders.

- It also enrolls people in the school of complainers.
- Laziness is the school master of poverty and disgrace.

Every adjective that could be attributed to laziness is not worth mentioning because it could only bring rottenness to the bones. Looking at the above consequences, we have to draw a margin and declare war against laziness in our lives, our society and in the church. There are many intelligent people that were born into this world that have ended up as dull insignificant entities because they were carried by the demonic spell of laziness. Laziness has made great people to be numbered among mean people. Many have fallen prey to the evil spirit that license laziness into our lives, even many have gone to hell because of the spell of laziness. Because of laziness they even procrastinate the salvation sent by God into their lives.

Procrastination is an agent embodied in the sphere of laziness. It takes away the labour of today that was to yield the fruit of today and send it into two years advance labour thereby wasting useful days. Most at times it is sponsored by sleep and idle talking. Let's turn to the word of God

Proverbs 6:6-11 "Go to the ant, you sluggard! Consider her ways and be wise, which, having no captain, overseer or ruler, provides her supplies in the summer, And gathers her food in the harvest. How long will you slumber O sluggard? When will you rise from your sleep? A little sleep, a little slumber, a little folding of the hands to sleep- so shall your poverty come on you like a prowler, and your need like an armed man"

If God is using the ants to challenge laziness in the life of men, that implies a busy ant is worth living than a lazy man. With all determination, with the knowledge of the word of God and looking at the gross consequence that laziness could play into ones life, we have to discard and walk out of the sphere of laziness. The ant has no ruler, no king, but being a creature, committed to work and labour, she is able to gather

food to preserve life against the days of drought. If the ants is so conscious of time and purpose, we also could deal with laziness by bringing purpose and drawing agenda to be fulfilled with timing thereby making each day of our living productive by giving in to work. ***LAZINESS IS A SIN FOR THE LORD SAYS IF A MAN WILL NOT WORK LET HIM NOT EAT AND IF YOU DON'T EAT YOU ARE ON A SUICIDE MISSION.***

We must access to make sure that work done is relevant to the time given and our timing and our activities must be able to meet with the rightful season that will bring about the right results. In dealing with laziness, we must

1- Be conscious and identify those areas in our lives that laziness have brought in a scar.
2- We should get information that will convert idleness to vital activities
3- Make sure that every activity is done within the given time.
4- Let creativity to be driven on the platform of perfection and excellence.
5- Let every life propagating assignment be excellently and accurately carried out.
6- Don't allow the syndrome of "I can't make it" to overshadow your hidden agenda of greatness.
7- Take one step at a time, diligently do it and follow it up to the finish.
8- Iron sharpens Iron, get acquainted to people that are given to labour and their labour has proven successful in the course of time.
9- Give a task for each day; let no day go by without you doing something lucrative.
10- Be conscious of values and go for them.
11- Make sure you add value to your life whether by knowledge or by physical commitment.

12- Make sleep a rest, not leisure.
13- Avoid idleness in the name of rest.
14- Cite your horizon and daily press on to get it fulfilled by the grace of God.
15- Cultivate the attitude of a contributor in the lives of others and not a receiver.
16- Get yourself sharpened with new ideas that would render development.
17- Disassociate from sluggards that are not willing to change.
18- Give quality time and attention to every given task.

You must give in to your God given identity. The Lord declares in the book of ***Deuteronomy 28*** that you shall be the head and not the tail, you shall be the first and not the last. You will agree with me that these scriptures have turn to be the opposite of what we manifest as God's children. What we are saying is, has God changed? For the Bible declares in ***Malachi 3:6*** that I am the Lord, I changeth not and ***Hebrew 13:8*** says Jesus Christ is the same yesterday, today and forever. As God's children, His status and plans in our life must stand in all generations. if it doesn't, then His covenant over our lives has been manipulated as a result of lack of knowledge and true information or we being the cause.

We cannot become frontliners by being lazy or idle but it takes labour and knowledge of God for one to spring to the place of prominence ordained by God. The Lord says in the book of ***Proverbs 13:11*** that wealth gotten by vanity will diminish but he who gathers by labour will increase. There is much in our tillage. So as we till deep we shall be deep in substance, and as we also stretch out, we shall also spring forth. And all these will come as a result of hard work and commitment in the knowledge of God. For every thing to be quality, commitment and hard work is unavoidable.

There is a scientist by name Sir Isaac Newton. the inventions and discoveries of this man in the science world was not by luck. All came by hard work. History states that

Isaac Newton got committed to his research in such a way that he lived his life as a single till death. He was so carried by the passion of his career because he wanted to create an impact in the circle of his career of which he did. His theory and inventions is still impacting the world till date. So too was Thomas Edison, the Wright brothers and Michael Faraday who laboured hard for six years to come out with the ring transformer which could be seen today in the Museum in Britain.

Hard working people unlike lazy people don't give up when confronted with resistance. Men that brought out values that gave credit to their lives were not subject to laziness but were determined in the vision that was embodied in their lives until they made it a reality. The Bible says the labour of the righteous leads to life. ***Proverbs 10:16*** and Jesus said "occupy till I come". Hard work will increase the value of your person while laziness will bury your value. So there is a project embodied within you, it must not die without you accomplishing it. Go through it and the name of the Lord will be glorified. To be busy or to be occupied is a pattern of life that every potential carrier must cultivate. Break the yoke of laziness and idleness and speak greatness into your life, prophesy into your destiny, cite your horizon and get yourself there. For your profit is waiting for you as you get involved into hard work, not ready to stop at any resistance, but going through and making resistance stepping stones for fulfillment.

Get totally committed in your area of calling until you draw out the goal and the splendour of your career like no one ever did. Pray it, profess it and live it. God bless you. ***Luke 19:13, proverbs 13:11***. You can cultivate a habit by taking a step today to be committed and hard working.

Proverbs 22:29 "Do you see a man who excels in his work? He will stand before kings he will not stand before unknown men".

God is commanding us to be diligent at work in order to excel and by so doing we will credit our lives. So child of God you are called in this season to bring credit to your life for the glory of God.

PRAYERS

1- Lord I pray myself out of the yoke of Laziness in the name of Jesus.
2- Every spell of laziness upon my life be broken and be destroyed.
3- Lord energize my spirit into hard work and true commitment to service.
4- Lord connect me with men and women of like passion
5- As a youth, grace me to mount up to affect my generation and bring credit to my life for the glory of your name.
6- I destroy the syndrome of "I can't make it" and I plunge myself into the "Do it" generation.
7- Thank you Lord for granting my request.

CHAPTER 4

THE UNITED FORCE

Unity had been God's pattern from the very creation of the world. There is an output that united force could produce that could marvel the imagination of the human. Man created of God is equipped with a potential that can make things happen in a very dynamic way. Every created living organism had their place of unity that makes their race outstanding from the animal world to all other living organisms. We want to talk about the force that could break forth if we will be able to understand God's mandated word for humanity. God had never appreciated the fact that an individual should exist only within what he has given to the individual. But God has always instructed that individuals should come together and let their forces be joined together for an output that will speak for their own well being. God has created us as humans to be united so that we can better exploit the world.

The reason why God united the man from the very beginning with a partner called the woman was to get their forces united. They could do well as separate entities but they could do excellently well as joint entities. A situation where both potentials joined together could multiply their efforts for greater achievements. It is always a common slogan that no matter how large a tree may be, it can't be called a forest. But many trees joint together carries the name a forest, which makes it distinct in its diversities. The devil knows what the force of unity can do and that is why at all ages he always fights to put men in discord or in division.

The Godhead is crowned with an unbeatable splendour because of a united force and we being God's offspring, such splendour could also be seen and made manifest among us. In the book of ***Genesis chapter 2:18,*** God said it was not good that the man should be alone. He

said I will make an helpmate for him. In our subject, we will be looking at something beyond just being a man married to a woman but looking at God's provision for a united force at a wide range. We have to know from these days that whosoever God brings into our lives, is to complement us. The aim of this is to bring about an outstanding record and each time also we dare to live in disunity, we lost the value of progress. Our complement as human beings is to bring forth a radiating and outstanding outbreak of value.

We can take an example of Lot and Abraham. When they left Mesopotamia in ***Genesis 12*** as a united force, they went through some challenges but at the end of the day, their value of unity overcame all their challenges. They subdued the land and became so wealthy but when the enemy came in and they separated, values were lost. With our unity in Christ and in God our father through the power of the Holy Ghost, we will beat the enemy to and fro and send him to flight. Let's look at the word of God in

Ecclesiastes 4:9 "Two are better than one because they have a good reward for their labour".

Every wise man does not play with humanitarian, managerial skills. Individuals can be stopped, but a united force with a God's given vision embodied as a unit will always reach their ultimate. Most products we enjoy in our days is as a result of a united idea that has merged together to give the product a name that serves in various domains. The effectiveness of every project cannot be accurate or perfect without a united force from different sectors of life. The members of our body portray a government system. They have different names and functions but they are united to make the body what it is. The word of God declares two are better than one, He said they have a better reward for their labour. Don't try to live as an island as a child of God, unite yourself with the members of God's family who are serving God in Spirit and in truth.

The idea God has given to you, don't make it an island, bring it on the table of other ideas let them be joined together to form a substance of value that could bring about better results to all the participants. When we look at a vehicle, we realize that it is the combination of different ideas from different persons that make up a vehicle that facilitates mobility to humans today. If the tyre manufacturer got the idea to manufacture the tyre and didn't bring up the idea on the table of other ideas, the idea of tyres would have been limited in sales and in use today. So also, the cabin manufacturer of the car, if he also kept his idea and refused to bring it to the table of other ideas, the cabin today would have been looking as a monster without use. So too the person with the idea of producing the engines and other parts, if they kept their ideas it wouldn't have benefitted them as it is benefitting them today that they brought the ideas together. This has formed a unit that has put their product on high demand in the market.

Your ideas will not profit you on a selfish platform but it will be profiting to you and to others if they are put together to bring about results that will better serve our world and humanity. In the house of God, your contributions, and your talents which are God's engraved values in you are needed. The Bible tells us that if we could know our God and His ways and the rock of our salvation in ***Deuteronomy 32:30,*** then we will be able to understand that one will put a thousand to flight and two will put ten thousands to flight. I pray we will understand the importance of a united force so that we could jealously go for it, keep it and maintain it.

Deuteronomy 32:30 "How could one chase a thousand and two put ten thousands to flight, unless their rock had sold them, and the Lord had surrendered them?"

So our united force will put our father in heaven at work to subdue our enemies. This will go well when we start to appreciate the God's given ability in others lives and long

to be associated with it and this has to be reciprocal. Not looking at ourselves as mountains when we are not mountains and those who were to complement us, we see them as good for nothing. This will take us to the story of Mordecai and Esther in the word of God. we are told in the book of Esther of the reign of king Ahasuerus the king of Persia and Media how a lady by name Esther was brought into the palace of the king and she became a queen while Mordecai her cousin was a gateman to the king's palace. When Esther became queen, the Bible tells us in the book of ***Esther chapter 3*** that a man came up who was the king's top official by name Haman and wanted the Jews to pay homage to him as a deity. But Mordecai refused to compromise his faith by paying homage to a man. This brought about a total hatred in Haman's life for Mordecai and all the Jews that were in the kingdom of Ahasuerus. So Haman was determined to eliminate Mordecai and all the Jews at the king's permission. Haman pledged to pay a huge sum of money into the kingdom's treasury if the king would permit him to terminate the lives of all the Jews that were in the kingdom, and the king did.

In chapter 4, when the king's decree was signed that all the Jews should be killed, Mordecai got the news and was depressed and angered but he never gave up seeking for a solution for the king's decree to be reversed. Mordecai did not stay as an island, but he united himself with Esther the queen to make both their labours to give them good reward and Queen Esther also united with Mordecai and all the other Jews.

Esther 4:16 "Go, gather all the Jews who are present in Shushan and fast for me; neither eat nor drink for three days, night or day. My maids and I will fast likewise. And so I will go to the king which is against the law; and if I perish I perish!".

When they joined their forces, it worked for them and the destruction that they were to face, was reversed to their deliverance and salvation. Our joined forces will take us from the gate to the palace. The Bible declares the decree of the king against the Jew was reversed, their enemy was killed and Mordecai was promoted and was clothed by the enemy (Haman) to parade the town in great honour. Their united forces turned their mourning to dancing. As we unite as a body, our stumbling blocks shall become stepping stones.

Esther 8:15 "So Mordecai went out from the presence of the king in royal apparel of blue and white, with a great crown of gold and a garment of fine linen and purple; and the city of Shushan rejoiced and was glad.

We can rightly see what united force can do to us collectively and individually. All the other Jews became known in the kingdom and they became special people. Other tongues, tribes and nations got themselves naturalize to become Jews. This was because the reason of the glory that came upon them as a result of their united force brought about by Mordecai and Esther against their enemy. When Mordecai was a single force, he never became great, but when he joined forces he became a great man. As we join forces today, great values will be born to decorate our destinies.

Esther 9:4 "For Mordecai was great in the king's palace and his fame spread throughout all the provinces; for this man Mordecai became increasingly prominent"

Our Lord and saviour before leaving the earth commanded the church on the force of unity and he did not only teach us, he took it as a prayer point to his father. So we should endeavour to keep our unity in Christ and we will excel from victory to victory and no power will be able to shut us down.

John 17:11 "Now I am no longer in the world, but these are in the world and I come to you. Holy father keep through

your name those whom you have given me, that they may be one, as we are".
Ephesians 4:3 "Endeavouring to keep the unity of the spirit and in the bond of peace"
Our united force will bring to us a greater profiting and facilitate our advancement without sweating.

PRAYERS

1- Father season us to maintain the force of unity in the name of Jesus.
2- Let our united force bring an impact in our generation for your own glory alone in the name of Jesus.
3- O Lord keep us alive to work and fulfill your mandated mission that our unity has to produce as God's people.
4- Father we overthrow every yoke of division and confusion that has kept us wasting in the name of Jesus.
5- O Lord, cause our fruitfulness to manifest and let other lives be converted to serve you as in the case of Mordecai.
6- Lord receive all the glory and the honour as we ask in Jesus name.

CHAPTER 5

PROMPT FAITH ACTION

Life in its sense has many things that are attributed to it, things to let go and things to embrace. Character to let go and character to embrace. Looking at the word faith, it is an embodied treasure created in man by God. It has a governing power though invisible, to make things happen. The measure of faith within your content will determine the magnitude of what you can handle or do. From the Biblical point of view, faith is not in the past or in the future but it speaks of the present. Each time you are confronted with a situation, there comes a demand of faith to stir up other organs to get the problem solved. Looking at the word faith from the scripture, many became great, conquered nations, got captives delivered through their faith. Every human have a measure of faith within himself that without the assistance of any person, he can make little things happen within the strength of his human faith. The little human faith can be impacted by a faith gift that comes through the knowledge of the word of God. There by making your faith great, to handle great things hence depositing a virtue of greatness upon your person.

There are things we understand and can do through faith and there are portions we can become or occupy through faith. For faith to be activated for operation that must render expected results, it must be quick, without delay and connecting with an attitude within you to have something done so as to accomplish a purpose. Wherever a person is today, he first saw himself through faith before becoming. If you can't see yourself through faith to access or to become, you can never attain. Even if somebody pulls you into the position, you will still lose that position.

Hebrews 11:1-3 "Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good testimony; by faith we understand that the worlds was framed by the word of God, so that the things which are seen were not made of things which are visible"

Every visible project today was framed by faith in the invisible before it got its manifestation to the visible. The first human being that sailed round the world, his faith spoke to him that he could go round the world and that is how he got round the world. So what your faith eye can perceive, know you can become. But this could not be possible if you conceive and do not apply what we call prompt action on your faith. The action must be quick and timely in order for faith to manifest itself and bring forth the expected results.

The Berlin wall was built in people's mind or on people's faith before it could ever be seen with human eyes. The realization of it was by a prompt action on the faith they had that a wall like that could exist and the wall finally existed. Many are not able to do it today because they don't have the faith that they can do it. If your life is void of faith, whether you like it or not, you will end up being a mean person. With my faith, I may start small but with prompt action on that faith, I will end up great. Faith went to the moon and came back before human beings ever visited the moon physically. Faith saw you saved before you became saved. It saw you a miracle worker before you became one. In any walk of life you may find yourself, the faith in you saw it first before you ever became. So faith is God's divine provision to make up and bring forth the strength embodied within you.

You will come to see this true life history that some people were physically strong without faith and ended up no people while some people were physically weak, but with faith they ended up making great names for themselves. When ones faith stands firm, that individual must stand firm and

when ones faith fails, that individual must fall. That is why for the devil to humiliate and make humans weak, he targets their faith first and makes their lives to settle at nonsense. But when faith becomes living in you, every dead substance in your being will be revitalized to receive life. The faith within you becomes vital when it does not depend on itself but you commit God into it who is the author and perfecter of faith.

Hebrews 12:2 "Looking unto Jesus, the author and finisher of our faith, who for the joy that was set before him endured the cross, despising its shame, and has sat down at the right hand of the throne of God".

Your faith will grow and become great and do great works when you walk in God's instructions and allow the Holy Spirit to govern you and order your steps. Your human faith can get certain things done but it cannot preserve the salvation of your soul but when connected to Jesus it will preserve your salvation. That is why the Bible says we should look up to Him the author and perfecter of our faith. We are told of the story of blind Bartimaeus who was resident in the town of Jericho. Bartimaeus was blind, but he had faith and he knew his faith by itself without connecting to the master could not bring the expected results. The scripture says when he learnt that Jesus the author of his faith was passing by, he cried out in acknowledgement and in total surrendering. That was a prompt action in Bartimaeus to make a purpose accomplished in his life. When he cried out, the Lord paid attention to him. But before the Lord could pay attention to him, he also faced resistance from people who wanted to stop him not to get his faith connected to the Lord. This also teaches us that we will also get resistance when we want to get our faith connected for the Lord to do things in our life. Just as Bartimaeus did not give up, we too should not give up in our work of faith.

At the end of the day, Bartimaeus led himself to his house because his faith got connected to the Lord and his request was granted. I pray today that there will be a prompt action into your faith that will release a celebration into your life. You can get the entire story from ***Mark 10:46-52.***
Mark 10:52 "Then Jesus said to him, go your way, your faith has made you well. And immediately he received his sight and followed Jesus all the way".

The Lord told blind Bartimaeus that it was his faith that made him well just like the scripture says ***"the Just shall live by Faith"***. So your life will be worth living by the realization of your own faith living by His own expectations. ***Romans 1:17***

There was also a man who manifested a prompt faith action by name Zaccheus. In the book ***of Luke 19:1-9***. Zaccheus was a chief tax collector and of course a sinner. He was not bodily sick but his soul was sick because being controlled and enslaved by sin there was an affliction in his soul. He had a broken relationship with God due to his sins. But when he learnt that Jesus the author of his faith was passing by, he believed that with Jesus the yoke of sin upon him will be broken. The word of God said Zaccheus sought to see Jesus and could not see him because of the crowd, reasons being that he was a man of little stature. He didn't allow his situation to stop him from achieving his aim of being saved. He could not access Jesus while with the crowd but he ran ahead of the crowd and climbed a sycamore tree so that he could be seen or he could see Jesus. This prompt faith action of Zaccheus made Jesus not to pay attention to the entire crowd that was following him faithlessly, but he paid attention to the one that looked at him in faith.

As a child of God, if you are following God without faith for a change, you may not attract the attention of God to address things that your life may depend on. Serve God with

great expectation in your faith for a change for the better. The 6th verse of ***Luke 19*** says Zaccheus' faith gave him prompt action and the long opportunity he had been looking for, he acted promptly when it came. Your faith will bring results into your life that will cause men to murmur. And your faith will move God and bring the presence of God to guest with you always. Zaccheus' life received a turn around from the Lord Almighty and he became a true child of God, God bless you this season as you walk in faith for a turn around in your life. God bless you.

PRAYER

1- O Lord help me activate my faith to work.
2- Lord grace me to be alive with my season of change.
3- I break all obstacles standing my way to shut down my faith in the name of Jesus.
4- Thank you Lord for granting my request in the name of Jesus.

CHAPTER 6

MAXIMISING OPPORTUNITY

Every one created by God is given opportunities at certain intervals of their lives. More often than not, many people do not realize when their God's given talents to make things happen for their good come. As a result they end up their lives in regrets and pain. Opportunity must be godly oriented. That is why you find in life, some people so small advance very high because they were able to know their time of opportunity. But you find other people so promising and they end up having nothing to show for it. The scripture has this to say, it takes a God seeking, God loving and God fearing person to get opportunity and maximize it. To maximize simply means to make the best use of something or to increase something as much as possible while opportunity is a chance for progress and profit.

Since it is God that provides time and chance for everyone to maximize opportunity, one could make the best use of opportunity in God and not out of God.

Ecclesiastes 9:11 "I returned and saw under the sun that the race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favour to men of skills; but time and chance happen to them all".

To maximize opportunity as a child of God, you should be very conscious of timing and season. If you come behind an opportunity, you may not reap its worth. If you go before an opportunity (before its rightful timing,) you may not also reap its worth. You should be alert in order to be alive with the timing of your opportunities and when you get it, get it maximized. Many people may have opportunities, but not many are conscious to get it maximized. There was a widow in the Bible that got one of such opportunities. She was not just in the opportunity but she got it maximized. And Ruth was this widow who came from an idol background but an opportunity was given to her that she found herself married to a family that was connected to the Living God. So meeting

a man who is connected to the living God is an opportunity.

The Bible tells us that a man by name Elimelech and Naomi with their two sons migrated to Moab where they settled there. In the course of their stay in Moab, two families of Moabite women were opportune to get married to the sons of Elimelech who came from Judah the tribe that was destined to hold the Sceptre of righteousness among the sons of Jacob. When Ruth encountered the God of the Hebrew through her father and mother-in-law, she made up her mind to be a worshipper and not just a bread seeker or a miracle seeker. Knowing the living God was a great opportunity for Ruth and she knew with God she could change the story of her life. It is true that when she got married, along the line her husband died. So too was the husband of her mate. But Ruth knew that being with God though without a husband, she was still under the periphery of God's grace and opportunity. This stands like a great lesson to all of us. That you might lost all relationships but not your relationship or walk with God. This is because with God your fortunes will be restored and even multiplied. When the mother-in-law of Ruth and Orpah persuaded them to leave her because she was childless, Orpah retreated but Ruth persisted in her pursuit for God. Ruth's eagerness was to go deeper with God and as she did the seed of God which was the seed of submission to divine instructions got hold of her. Ruth had this word and she made her mind known to her mother-in-law though a widow.

Ruth 1:16 "But Ruth said; entreat me not to leave you, or to turn back from following after you; for wherever you go I will go; and wherever you lodge I will lodge; your people shall be my people, and your God my God. Where you die I will die and there will I be buried. The Lord do so to me and more also, if anything but death parts you and me".

Your God given opportunity is one thing in life that must not bypass you. Two people were given the opportunity, one person held to it and the opportunity bypassed the other person. This is to teach us that even when opportunity comes

your way, people that you know may even help to push you out of that opportunity. So as an individual, you must take the initiative to hold on to your opportunity. Naomi their mother-in-law told them to go back, to break off from their opportunities. Opportunity cannot be gotten everywhere, it is only gotten somewhere. Ruth understood this and that is why she laid hold on that opportunity, but Orpah never did. And when Orpah walked away from her opportunity, from that day, nothing is said about Orpah, nothing is heard about her till today.

You should know that Orpah kissed Naomi and departed to be forgotten for life, because it was easier for her to part than to press forth. We are also to learn that the place of opportunity is the place of battle and argument. But they that have a foresight of their opportunity, they lay hold of it until their opportunity settle their controversy. There is a pathway of life which I may term "the pathway of your opportunity" which will keep your identity to be mentioned on day to day basis. But if you walk out of that pathway, people will only know that you once existed but there will be no credit or impact attributed to your life.

As long as Ruth walked on the pathway of this opportunity, she was graced by God to maximize this opportunity to a point that a stranger and a widow like Ruth became a mother in Israel. I do pray that as Ruth did maximized the opportunity given to her, you my reader do the same and decorate your life as she decorated her own life. The advancement of the church of Jesus today is still a link up connected to what Ruth initiated. Her opportunity got to maximum and she got linked to the covenant lineage of the Messiah and it will speak till the end of the ages. Once more identify the place of opportunities, get it maximized in the Mighty name of Jesus. Don't be a mediocre in your God's given opportunity.

Heaven will hold us responsible if we remain mediocre in the opportunity God has given to us. This will draw us to a king who was given such opportunity and he acted foolishly. This was no other person than Joash the king of Israel in ***2 kings 13:14-20***. This is the story of the king of

Israel who met the dying prophet on his bed by name Elisha. The prophet told Joash to take a bow and arrow which was a weapon to secure Israel's deliverance from the hands of the Syrians. The prophet commanded Joash to open the window while he laid his hand on him. That was an opportunity for continuous victory that the Lord gave Joash but he could not maximize it. Because as many times that he was to strike the arrow determined the number of times he was to maintain victory over his enemies. He did not maximize that opportunity and the prophet of God was angry with him for smiting the arrow just three times.

You can maximize your opportunity and in so doing you secure the destiny of children yet unborn. But if you fail to get it and maximize it, you may cause a generation that committed no offense to settle your debts and your errors before looking into their lives. Get your opportunity maximized in order to avoid unseen trouble.

2 Kings 13:18-20 "Then he said, take the arrows so he took them. And he said to the king of Israel, strike the ground; so he stroke three times and stopped and the man of God was angry with him, and said, you should have stroke five or six times, then you would have stroke Syria till you have destroyed it. But now you will strike Syria only three times. Then Elisha died and they buried him"

It will be a bad thing for you not to know what you need to know in order to better off your life. Today many of us are into opportunities and because of ignorance we don't know those are opportunities God has given to us. I pray God will open our eyes to understand our opportunities so we can maximize them in our nation, our families and even in the generation to come. Be wise and be fulfilled.

PRAYERS

1- O Lord take me to the place of my opportunity and establish me.
2- Father empower me to maximize my opportunity all round.

CHAPTER 7

STANDING ON THE GROUND OF GOD'S WORD AND PRAYER

Every spoken word of God upon a man's life becomes his legal ground or platform for operation. There are many people that have had opportunities from the Lord, where they come into a place with God and God impart words into their lives and they don't know that it is their standing. The force released into their lives by the word of God is to keep their person and manifest their purpose. There is a general call of God to all humanity but when we attend to the call of God, there comes a time of your walk with God that God will address you as a person thereby bringing you into a covenant with Him.

We are told in Exodus about a young man who was Moses' aide by name Joshua ***Exodus 24:13.*** And we are also told of a young man who also followed Elijah and was an aide to him. This young man's name was Elisha ***2 Kings 3:11.*** Before these two young men met these two veteran men of God, God was already in covenant with the veteran men of God. There were words that God spoke in the lives of Moses and Elijah that were pillars in their lives. It was this pillar word that God spoke over Moses' life that as long as he stood on the pillar of those words, all his enemies were bound to submit. Moses stood by these words despite the resistance he got in Egypt, the pillar word of God subdued Egypt until he brought the Israelites out. Your prophecy is your pillar word. It is as powerful as God who gave it into your life.

Exodus 3:7-12 ". . . come now therefore and I will send you to Pharaoh that you will bring my people the children of Israel out of Egypt. But Moses said to God, who am I

that I should go to Pharaoh, and that I should bring the children of Israel out of Egypt. So He said I will certainly be with you. And this shall be a sign to you that I have sent you; when you have brought the people out of Egypt, you shall serve God on this mountain"

Every written or spoken word from God upon your life are your grounds of standing for operation. When you stand on those grounds, pray, meditate, sing those words and by so doing, the power of the word will fulfill its course in the mission that God have assigned to be done through your life. The word of God in your life is stronger than any visible war weapon or race of human beings that are not serving God. when God called Moses and sent him to Pharaoh, Moses didn't see himself qualified and that is why he had to look low on himself and ask the Lord who am I that I should face Pharaoh. What was in Moses' mind was Pharaoh has the money, I don't have, Pharaoh has the army with amours that he never had, Pharaoh was a voice in his time, the world knew him but Moses was not.

Child of God, it does not matter who was before you or who had what you don't have, whether you are known or you are not known. What matters is when you come in contact with the word of God for your life, it will empower you more than those that were before you by the arm of the flesh, the word will announce you, it will overtake those who were ahead of you, and the word will fight and conquer for you. Moses never had an army nor war weapon, but he had a word from God that fought for him and delivered the people. Child of God, focus on the word. As you read through scriptures, let the scripture read through you. The word of God upon your life will bring in place all that is needed in all situations and will answer and bring victory. The weapons of Pharaoh could not rescue his army from the judgement of the word of God, neither

his army nor his fame. So child of God station on the word and break forth in prayer.

This word provided the Israelites with all they needed from the physical to the spiritual. Other sources may not have what it takes as the word, lay hold on it and live in it. Joshua walked with Moses and he saw how God worked with his master. And when Moses had passed to glory, God mandated Joshua under this same word again in ***Joshua 1:1-5.***

Joshua 1:1-5 ". . . no man shall be able to stand before you all the days of your life; as I was with Moses so I will be with you"

So all Joshua the man of God was to do was to station on this word in prayers and the word worked for him throughout his journey with the children of Israel. It happened same with Elisha. The very River Jordan that Elijah parted and they walked on dry ground, Elisha also parted it by the mandated word. So too was Joshua in ***Joshua 10:13*** when he confronted the king of Jerusalem and his environs God Himself fought for Joshua by releasing weapons of war from heaven to defeat his enemies. There were more in number than the Israelite army but the word of God over Joshua's life was stronger than the population of their army. For God honours his word. As a child of God take your rest in the word of God and don't allow situations to move you. With the word of God in your life, God himself will fight for you, for he honours his word more than his name.

Joshua 10:10&12 "So the Lord rooted them before Israel, killed them with a great slaughter at Gibeon, chased them along the road that goes to Beth Horon, and stroke them down as far as Azekah and Makkedah. Then Joshua spoke to the Lord in the day when the Lord delivered up the Amorites before the children of Israel, and he said

in the sight of Israel; sun stand still over Gibeon; and moon in the valley of Aijalon"

The hand of God and the word of God upon your life with a fellowship in prayer will bring your enemies to their heels no matter the situation at hand. Don't allow any situation to handle you, rather handle every situation with the word of God that you carry and you will celebrate through victory as other men and women did celebrate. Come to talk of a man from Uz named Job, the Bible talks about this man that he feared God and was far from evil. Though being a man of integrity, the devil took permission from God to afflict Job in order to test his faith. In all that Job went through, he knew that he was an embodiment of the word of God. And the word of God answered for Job. The Lord says in the book of ***Job 8:6-7*** that if we are pure and upright, he will await you and make your habitation prosper and the Lord continues by saying though the beginning of a righteous man may appear small, but his latter end will definitely increase. Those are your covenant word, and in the times of trial, speak them. Despite all what Job went through, he kept on speaking the word of God into his life. Job understood this and spoke in ***Job 14:1&14*** that a man born of a woman was of few days and full of trouble. After acknowledging in ***verse 14,*** he still encouraged himself that he will not be moved by those situations until his change come. He said he will call on God and God will answer him and he will have the desires of the works of his hands. He went ahead to encourage himself in ***Job 19:25-26*** that he knew his redeemer liveth and will not abandon him. Child of God station on the word, stand on the word.

Job 19:25-26 "For I know that my Redeemer lives, for He shall stand at last on the earth; and after my skin is destroyed, this I know, that in my flesh I shall see God"

What Job professed in the beginning of his trial was fulfilled at the last days of his life which the Bible declares the latter days of Job was more fulfilled than his beginning. ***Job 42:12*** so the Lord blessed the latter days of Job more than his beginning confirming the word of God in ***proverbs 23:18*** that the expectations of the righteous shall not be cut off.

Even in the days of the Apostles in ***Acts 6*** when some troubles came about material things the Apostles committed themselves into prayers and to the word of God in order to access grace needed to overcome every situation that was to face them and the ministry.

Acts 6:4 "But we will give ourselves continually to prayer and to the ministry of the word".

As you give in to the word according to ***Psalms 1***, you shall be like a tree planted by the rivers of water. So loved ones stand on the word and give in to prayers and your fruitfulness will excel.
