PROPHETIC WORD:

"YOUR MONTH TO RIDE WITH THE CHARIOT OF FIRE"

WATCHWORD:

PSALMS 66:19 "BUT CERTAINLY GOD HAS HEARD ME; HE HAS ATTENDED TO THE VOICE OF MY PRAYER."

INTRODUCTION

Beloved we thank God for the gift of life and the redemption power that has brought us into fellowship with the Lord and the saints. We bless God for the month that has just passed and all His accomplishments through us. We serve a God who is too faithful to fail. His daily provision is to empower us to successfully handle daily task and also His monthly and daily provisions are there to do the same. The endless provision of God's Word upon our life is a manifestation of His love towards us that has birth in us such a God's given life enabling us to be partakers of His Divine nature.

This is the nature of our God in us that we may walk worthy of praise to His Holy Name. Whatever we are in possession of or would be in possession of in the days ahead, portrays the Majestic power of His person so that having done all, glory and power will be given to Him. The previous publications have played a vital role in building your spirit man and taking you beyond your wildest imagination. God's interest in us as we learned in the past publications is centered on two mainstreams, being in His nature and getting to the inheritance which He has given to us. These two factors are designed by God to mankind so that man could access celebration and having a life worth living for the glory of his creator.

You should know that the possession of God's inheritance for your life is unlimited, so having given God a life, you are expected to move forward and possess. We were surveying last month to Takeover this month; we are still in the process of taking over but with an anchor in the spirit that will rise these days not on legs but with Chariots of Fire. As we daily get ourselves equipped with God's Word and be conscious of our inheritance in Christ Jesus, living and moving forward to daily take possession and maintaining an all round victory. That is why there is need for instructions at any level the Lord is taking us to. As you mount on the Chariot of Fire in this month of November, you will transcend to different grounds of operation and God being the leading force of this Chariot as you go through the land, let the impact of God in your life be felt where ever man is found.

Elijah rode on the chariot of fire; his impact was felt in the land of Israel and in the lives of those who were looking up to him. This is another dimension figuratively presented as the Chariot of Fire. The fire in this Chariot is there to address any form of challenge. So mount up in faith and press through as limits are taken from you in the name of Jesus.

CHAPTER 1

THE CANKER THAT KILLS THE GIANT

Victory obtained needs knowledge for preservation. Every victor is crowned after a task or battle is won but many have fallen into pits of failure because of lack of knowledge of the canker that may destroy the good work that you have labored and achieved. One of the greatest cankers that plunges victors or giants into an untimely termination is this aspect of not knowing or proving to know all. We could call this self deception. There are many that began life with God so promising and midway the journey of their prominence, they were greatly afflicted and affected and this made their good journey to end in a failure.

The Apostle Peter in his general epistle cited a word of awareness to the believers or to the church of Jesus. No matter what you have achieved on earth, so long as you still walk on the pathway of life on earth, if you don't watch your life, you may be a giant that may not end up as a giant or a victor. As a child of God, you have to give heed to every instruction written in God's word for your life. For every move, no matter how much it has been appreciated, if that move is not approved by God through His word, such move may never end you on a good note. The devil has never lost hope on anybody who is still on the planet earth and every believer should

have this awareness. In as much as you overcome one battle today, be assured that tomorrow will come with another battle. That is why as a child of God, to maintain the platform of victory, you must be daily equipped with God's Word that is able to keep and direct your path on the platform of victorious living.

Every value carrier (being born of God and living for God) should know you have an enemy that faces and hunts to destroy your well being not on the basis of an invitation from you.

1 Peter 5:8 "Be sober, be vigilant; because your adversary the devil walks about like a roaring lion seeking whom he may devour."

No matter the height you have attained spiritually and the things you have achieved or you are able to do through God, at any time you feel like you have arrived and you may not need much of God but more of yourself; that is a deception that leads people to break connection with God and do things their own way and go by the depth of their heart which is very deceitful and wicked. Such disconnection from God will end you to lie down in soap because of the pain that will be inflicted on you by them. It is an error to feel self sufficient without God. When one is self sufficient, he does not pay attention to instructions and to those that were sent to his life to order his steps in the pathway of God. This aspect of being self

sufficient is an attitude of pride that separates one from the Grace of God and plunges one into a life of arrogance and pride.

When we picture the arrogance of Goliath of Gath, he was known as a champion but he never ended up as a champion. You may be known as a champion today but if you don't guard your steps, you will never end up as a champion. You could guard yourself by total obedience and submission to God. In the book of ***1 Samuel 17*** a champion was hired as stated above in the person of Goliath of Gath. For lack of knowledge he arrogantly insulted God and His people. He didn't know that the other nations he conquered were nations that his natural ability could give him victory over them. For when he was hired, he knew by the dictates of his heart that he will have victory over Israel as other nations that he confronted. His arrogance and pride ended him with a youngster by name David using a stone and a sling to bring down a giant. You may say well that is an unbeliever that is why he was able to die the kind of death he died. Indeed he was because he was separated from God's Word and love. But if you are a believer and you get separated, the very principle applied in you will also work.

Our path of living as children of God is not in the coat we sew and wear but it is in the life we live as God's children. The absence of that life doesn't make us any different from an unbeliever. As a little stone killed Goliath

whom we may term an unbeliever, even when a believer who turns away from the faith openly or secretly he is looked upon in the open world as an unbeliever and the same fate will befall him. In the book of Judges I will draw your attention to a man who was ordained by God, he was great and mighty and he was Samson. He was Samson when he killed a thousand Philistines with the jawbone of an ass (living in God's pathway); he was still called Samson when his head was lying on the laps of a prostitute; an undignified personnel even in the camp of the Gentiles. Delilah was able to bring Samson down because of a coat of a Nazarene, not with the life of a Nazarene. ***Judges 16***

Today many are struggling to wear coats of champions but not with a living life that guarantees champions lives. If you are vigilant to maintain a champion life, you must pay attention to maintain the living life of a champion till the end. But if on the field you have gathered much of knowledge and experience and you start to do things that champions were not meant to do, this canker will end you on a painful note. Whatever the devil can access on earth, every believer should be careful with such things and never allow them to be gods in their lives. Be it humans, money, property and assorted types of what you can imagine, you should always endeavour in your actions that Christ will take the lead before any one's opinion can follow. This may come through the following

medium; the canker that may come through the lust of the flesh, the lust of the eye, the lust of the world and the pride of life.

1 John 2:15-17 "Do not love the world or the things of the world. If anyone loves the world, the love of the father is not in him. For all that is in the world – the lust of the flesh, the lust of the eyes, and the pride of life – is not of the father but is of the world. And the world is passing away and the lust of it; but he who does the will of God abides forever."

The devil uses what is passing away to frustrate substances that were created for an endless glory and each and everyone's glory will be kept and preserved as long as the individual gives heed to the will of God and faithfully doing it. Most of the battles that have terminated values are temporal things that are passing away just as the devil uses arrogance and pride of life to terminate Goliath whom we call an unbeliever but even the one we call a believer in the name of Samson was still possessed with the very seed and he ended up like an unbeliever. So too was Judas Iscariot who was carried by the love and passion for money and he was carried away just as an unbeliever.

When the attitude of a believer turns to act as that of an unbeliever, that believer automatically becomes an unbeliever and what befalls an unbeliever also befalls

such a person. You can battle all these to be a godly man and to be contented with who God has made you to be by giving God a diligent walk as Paul told his son Timothy in

1 Timothy 6:6-8 "Now godliness with contentment is great gain. We brought nothing into this world and it is certain we can carry nothing out. And having food and clothing, with these, we shall be content."

Jude 1:3 "Beloved, while I was very diligent to write to you concerning our common salvation, I find it necessary to write to you, exhorting you to contend earnestly for the faith which was once for all delivered to the saints."

As you get yourself contented with the faith that was once delivered to the saints, you will be able to escape this canker that has killed many giants. Because once the enemy sense that you are no more contented in the faith, he will give you ideas as he did to Adam and Eve in the Garden of Eden and to many who began in the faith and never ended well. You were called to run this race and end up a champion and a victor; not a victim. So be conscious of God's given expectation for your life. Go for it and live for it for God's grace is sufficient for you. Be graced and remain in graced.

PRAYERS

1- Father, give me the grace for vigilance, to be steadfast till the end.

2- Father, deliver me from every hidden canker that may turn to thwart my plans in Christ Jesus.

3- Empower me to gloriously reach my end.

4- Lord, blend me with my passion for living in Christ Jesus.

5- Lord, receive the glory for your leading over my life in Jesus name.

CHAPTER 2

THE SECURITY THAT SANCTIFICATION BRINGS

Sanctification of a vessel that carries the name of God or that is called by God is God's prime objective; for such a vessel to harbor or know the doctrine or teaching of sanctification and to wholly give themselves to it. If you are called by God or saved by God and you do not quest for a sanctified life, your journey with God may not end on a good foot. Our God being a Holy God is attracted to a people who take the responsibility in sanctifying their lives by the Word of God. This is because your security as a child of God or servant of God is based on God's concern and watchfulness over your lives and the things that are connected to you. Sanctified vessels win the interest of God. This interest God has over them brings them into a cordial relationship and fellowship with Him. The act of God fellowshipping with you guarantees your security and spiritual endowment. This brings you on the platform of God's power or authority to work through you there by making you distinct and a peculiar vessel for God with a living life that reflects God's nature.

2 Chronicles 7:16-18 "For now I have chosen and sanctified this house, that My Name may be there forever; and my eyes and My heart will be there perpetually. As for you, if you walk before me as your father David walked, and do according to all that I have

commanded you, and if you keep my statutes and my judgement, then I will establish the throne of your kingdom, as I covenanted with David your father, saying, you shall not fail to have a man as ruler in Israel."

Any vessel called or chosen by God has to undergo the process of sanctification in order to bring in the presence of God into their lives. The presence of God will enable such a vessel to fulfill all Divine purposes with ability or a living life that the enemy will not be able to take an advantage of. Sanctification is not one's ideology but God's prescription for every chosen vessel to go through and this is done by His Word.

Ephesians 5:26 "That He may sanctify and cleanse her with the washing of water by the Word,"

Your sanctification is by the Word of God. It should not come by your philosophy or men's opinion but by the Word. This is done by you following the prescriptions of the Word of God. ***John 17:17 "Sanctify them by your Truth. Your Word is Truth."***

The entrance of His Word into our lives brings in the newness of His person in our lives and is able to cut and circumcise the nature of sin that we were born with. This is because without sanctification the nature of sin will still have dominance into our lives but when we are sanctified we frustrate the strength of the enemy that

penetrates and destroys human destinies by sinful desires. Having being born again there is a need for sanctification in order to have a close and intimate walk with God.

When your body (the Temple of God) is purified or sanctified, you commit God to fill you with His Spirit and the infill of the Holy Ghost gives you the stamina to operate under the supernatural power of the living God. With sanctification experience, your salvation and all the inheritance that pertains to the children of God will be preserved. Sanctification is a process that you give in to and grow with it and every level of sanctification will put to birth a particular output of relevance that will be able to handle spiritual matters in a mature way. So sanctification has levels and you grow in it. The level of sanctification depends on individual walk and maturity in the things of God. For every given task there is a particular standard of living that will be expected for it to attain to its goal. Sanctification therefore is a process that believers embark on till they make heaven. For example, there are particular revelations of God's Word that will meet you today that you never knew of yesterday. When they meet you, you will need a change of attitude to the things and the people of God. As you keep on gaining maturity, you will keep on giving away childish behavior as a child of God as Paul said in his Epistle that "when I was a child, I spoke and acted like a child but when maturity came I gave up childishness". Isaiah as a prophet got an

encounter and in that encounter, he discovered that he was a man of unclean lips and this put to birth another revelation to the things of God.

Isaiah 6:1-5 ". . . so I said, woe is me for I am undone because I am a man of unclean lips, and I dwell in a midst of people with unclean lips; for my eyes have seen the King, the Lord of Host."

This maturity is made possible by the increase of the knowledge of God in an individual's life. You don't get it complete in a day. You can't say I have been sanctified and you begin to live carelessly for having been sanctified the process must continue and keep on attaining higher level of its growth.

Jesus being God declared to His Father in His prayer that He also had sanctified Himself when He came down in human form.

John 17:19 "And for their sakes I sanctify Myself, that they also may be sanctified by the Truth."

As God's children, we should have the hunger for a holy living and this holy living is made possible by the process of sanctification. Being chosen by God is not enough. If you are chosen by God but not sanctified, you cannot be an effective tool in the hands of God. But once you are given to it you have the Name of God for effective results from God's kingdom that will put the enemy under your

feet. This spiritual growth of yours will commit the Lord's presence to give you an establishment and also an enthronement with a glorious future that will never fade away. Therefore, with this in mind, keep the flame of sanctification burning and lighting so bright; to deal with every darkness (sin) that the devil has been working on against you. With your eagerness or quest for a holy living, this will keep you in close fellowship with God in prayer; study of the Word of God and in fellowshipping with other saints. It will give you a boldness that cannot be contended with. This kind of boldness is that which is written in scriptures that the righteous is as bold as a lion. ***Proverbs 28:1b***. It will keep you out of fear of the future, God's judgement and fear of any punishment of a sinful life. That is why the Apostle Paul commended to the Almighty God to give to the church of Thessalonica a sanctified life.

1 Thessalonians 5:23 "Now may the God of peace Himself sanctify you completely; and may your whole spirit, soul, and body be preserved blameless at the coming of the Lord Jesus Christ."

The above scripture makes us to understand that God is a Sanctifier. Our part is to present our bodies to Him and to own up to Him who we are. In our honest presentation, the Almighty by the power of His Word will cleanse our vessels. And what are the things that are to be sanctified? As earlier said, the Adamic nature that we were born with

is the thing that has to be washed by God through His sanctification process.

Ephesians 5:3-5 "But fornication and all uncleanness or covetousness, let it not even be named among you, as is fitting for saints; neither filthiness, nor foolish talking, nor coarse jesting, which are not fitting but rather giving of thanks. For this you know, that no fornicator, nor unclean person, nor covetous man, who is an idolater has any inheritance in the kingdom of Christ and God."

Looking at the above scripture, when we got born again, we repented from all the sins of the flesh. In sanctification, we are no more repenting of it but we are dealing with the desires of those sins. God sanctifying you is circumcising the fore flesh, the desire, the appetite of sinful nature. For total freedom of something is when one turns his back from that thing and is also delivered from the desires of it. For what can't capture your attention can't rule you. But anything that can capture your attention can rule your mind. So the cleansing by the Word is washing away the filths and desires of the flesh there by making you a holy vessel fitting for the Masters' use. This is the kind of life that keeps the enemy and his agents far from God's chosen and sanctified vessels. This is the life that keeps one at peace with God. So take a look at your life and identify those desires of evil (sin) that still draws your attention and carry your

life to God for sanctification. When that is done you will be free from sin. The Lord has promised He will give us total freedom as we yield our lives totally to Him. Let every trace of any besetting sin be it anger, malice, Unforgiveness, dissentions (causing division among people), covetousness, greed, worldly passion, which puts to birth worldliness or being carnally mindedness be brought into His presence for cleansing. These are the things that cause ones love for God to become lukewarm.

But as you go through sanctification, all these will be washed away and refreshes you anew. God bless you as you step into another realm of fellowship with God with a sanctified mindset.

PRAYERS

1- Lord, I come to you, deliver me Lord from every sinful passion in Jesus name.
2- Lord, sanctify me and make me clean in the name of Jesus.

3- Lord, I pray that you open my eyes to identify any besetting sin or desire that can corrupt my relationship with You and Lord get it flushed out by Your Word in Jesus name.

4- Lord, preserve my person in sanctification and a holy living in Jesus name,

5- Thank you Lord for hearing and answering my prayers in Jesus name.

CHAPTER 3

GO BEYOND THIS LIMIT

Everything that keeps one at a stock and causes the individual or group of people's life to live inconveniently stands as a limit, a restriction that hinders your freedom. As humans on earth, we find ourselves on different grounds of restrictions that are not godly ordained. They may be humanly ordained or satanic ordained. The Lord is talking to you in His sovereignty that you were not made to be held back by natural or satanic limitations. Maybe enough facts have been gathered by the particular limitations you are facing in life. Here comes a command from the Almighty God for you to go beyond that limit. It may be spiritual limit, the inability to know the things of God in a way you have wished to know, or to access your inheritance as you would have wished to access it. It may be financial or material. You must have carried an observation and seeing a particular limit anchored to your family tight; the Lord says go beyond this limit.

Limits indicate an injunction that is placed to strain you from gaining new heights or values. We will realize that for a new status to be born, or attained, there is always a struggle. That struggle indicates a presence of limits set by the enemy who does not want to see your

progress. The devil will use every provision possible to place a limit on your pathway of advancement. But being a child called by God with a Mantle and Mandate as it was with Moses and the children of Israel every limit placed on their destiny gave them an unstoppable determination and commitment in their lives and their eyes set on a goal till that goal was attained. The Israelites in the book of

Joshua 1:11 "Pass through the camp and command the people, saying, prepare provisions for yourself, for within three days you will cross over this Jordan, to go in to possess the land which the Lord your God is giving you to possess."

Joshua moved through the camp of the Israelites and took a survey and having taken a survey, a command was issued for them to embark on a process to break the limit of River Jordan to cross over into their inheritance. Your limit point may not be like that of the Israelites. It may come from other grounds. All you need is to identify and embark on a process to get it removed from your highway. New stories are birth when limits are broken. The struggles you are going through today are as a result of limits as was with the Israelites. They had many limits but their goal was not their limit. Their goal was to enter into the promise land. So too, don't allow any limit to become a goal or a stop point to your destiny. Keep pressing on and breaking through them. The

journey of life embodies a lot of limits but every limit broken will bring an experience and put to birth a new history in your life. This calls for a relentless effort in you towards your God's given goal.

As earlier said, limits will manifest in many phases. Every human living, regardless of your age and status, there is something standing before you now that you need to overcome. That thing is called limit. Some people have the limit of spiritual bankruptcy, no matter how much spiritual value is invested in their lives, in some few days to come they realize they are spiritually bankrupt. They are always learning and never coming to the knowledge of the truth. The devil is never comfortable in letting you know that he is the brain behind that spiritual level of yours. And if you discover that you are a victim of such things as these, you need to arise and station yourself on the ground of God's Word declaring all the covenanted words of deliverance that God has prescribed for you. What will make a man start well with God and end up a backslider is as a result of spiritual bankruptcy which the word invested in that individual's life only fell on fruitless ground.

The inability to grow with spiritual nourishment is an act of bankruptcy. With such limits, station yourself on the Word of God and prayer and join companies of men and women of like passion that are determined for vital change of progress. Press on relentlessly until the

expected difference or change comes and this you need to know that no one set for God will remain stand still at one position for God has said in

Jeremiah 33:3 "Call to Me, and I will answer you, and show you great and mighty things, which you do not know."

The result of every broken limit is always mighty and great. This is the reason that you find some persons who got born again with the same pastors, making progress and significance while others are just dwarf. With years spent in church, no relevant impact can be seen in their lives. Such limits can be broken if the individual is determined. With this, you don't stop without seeing the expected results. "So you have to be serious for things to take you serious." Life's goals are not achieved on a platter of gold. So if you become too convenient with abnormal situations, you will live an abnormal life. Let your commitment bring a mark of warning to the devil that you are bent for a change.

Breaking ancestral and generational limits: There are persons who realize consciously or unconsciously that there are particular traits, happenings, characters of their lineage that follow them from one generation to another. For something to exist something must have established it and it needs another thing to disestablish it. Most of what we suffer as generational limits, we were being initiated yet unborn by our forefathers by the evil

spirits they served not knowing they were serving the devil. Some of us yet unborn were being pledged to those powers. We can have a clear understanding of this by what happened between Abraham and Melchizedek. When the twelve sons of Jacob were born there were to give tithes to their brethren but when Abraham gave tithes to Melchizedek, he pledged Levi who was yet unborn to give tithes to Melchizedek.

Hebrews 7:9-10 "Even Levi, who received tithes, paid tithes through Abraham so to speak. For he was still in the loins of his father when Melchizedek met him"

We can look at the mystery of the above verse that Levi was not yet born but he was already performing a duty while still in the loin of his great grandfather. This is where many of us are victims of ancestral limits and these functions in different forms to different individuals tied to different families. Some families have this phenomenon of late marriages, while others have the phenomenon of a particular disease that is predominant, yet others have the limit of abject poverty; others illiteracy, others premature death, others early widowhood; others barrenness, others failure at the verge of any kind of breakthrough, suicidal death, inclined idolatory and a lot more. These are all inherited limits and most of these things were being initiated by our fathers through sacrifices to the devil. It is in line with this that our fathers suffer with their down line up till date. These yokes can

be destroyed by the following steps and if all the steps are applied, you will realize a breakthrough:

- The very first step you need to take is to come in union with Jesus Christ making Him your Lord and Saviour.

- Secondly you need to denounce and disengage yourself from that satanic ancestral lineage and its consequences.

- Thirdly, meet anointed servants of God that could conduct prayers of deliverance upon you and give you sound Biblical teachings to avert all satanic implant deposits.

- The fourth thing to do is to take a sacrificial offering on the altar of God for the same purpose of breaking that limit in humility.

If the above mentioned points are strictly followed, then you must be assured total victory over ancestral limits. This will draw our attention to the king of Moab who was in battle with the covenanted people of God. By covenant, Israel was to win Moab. When Moab saw that Israel was prevailing over their armies, their king raised an altar of sacrifice to God with his own son who was to be king after him and the battle turned against Israel. There is power in sacrifice. The greatness of one's sacrifice on God's altar can define the magnitude of

breakthrough that individual can tap from God. It happened to Abraham and other legends of old.

2 Kings 3:26-27 "And when the king of Moab saw that the battle was too fierce for him, he took with him seven hundred men who drew swords, to breakthrough to the king of Edom, but they could not. Then he took his eldest son who would have reign in his place, and offered him as a burnt offering upon the wall; and there was great indignation against Israel. So they departed from him and returned to their own land."

In our dispensation, we are not permitted to do like the men of old of somebody sacrificing his son because God has already sacrificed His son who has put an end to human and animal sacrifices. We can sacrifice our time and our talents on the altar of God. No more human sacrifices, no more animal sacrifices.

Hebrews 10:9-10 ". . . By that will we have been sanctified through the offering of the body of Jesus Christ once for all."

Every sacrifice wholeheartedly offered on the altar of God will always speak on the behalf of the person who gives the sacrifice. Identify your limits and get it broken and advance your life into purpose and fulfillment.

PRAYERS

1- Lord, thank you for enriching me with your word.

2- Father, empower me to break my limits.

3- Lord, order my steps to fruitfulness and fulfillment.

4- Thank you Lord for hearing and answering me in Jesus name.

CHAPTER 4

THE PATH FOR A SAFE LANDING

There are truths that every pilgrim needs to be equipped with. Being a pilgrim, your flight is made in God's own setting and every provision for your journey as a pilgrim comes from God from the spiritual to the physical all has been made and kept. Therefore, under the New Testament, Jesus Christ is your path; not a prophet, not an Apostle, not a pastor, not an Evangelist. The above mentioned names are tools God may use to equip you as a pilgrim but they themselves are not a path. That is why when all is said and done, the scripture gives us the role of God's servants in the lives of God's people. As a pilgrim, you don't pay attention to people who profess to be God's servant but they are not submissive to the order of Christ Jesus. Turn away from such people.

Hebrew 12:2 ". . . Looking unto Jesus the Author and Finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the Throne of God."

We are not looking to Jesus as a substance or a person without a living and a giving life, the Bible tells us what makes Him the Author and Finisher of our faith. He has life given attributes that every pilgrim to have a safe landing must cultivate. We could find these attributes of Christ from the Old to the New Testament. Every pilgrim

therefore must be able to totally copy the attributes that are embodied in our Lord Jesus. It is these attributes that will make us live in like passion like Jesus. In the above scripture, the Lord is commanding us to look unto Jesus. He had a joy that was set before Him and it was the awareness of this joy that made him to endure the cross, despising the shame that the enemy did imposed on him. When this was done, He got the throne. Even the Epistle of Philippians still points to us this very lifestyle of our Saviour and it has been given us as a command.

Philippians 2:5-10 "Let this mind be in you which was also in Christ Jesus, who being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men. And being found in appearance as a man, he humbled Himself and became obedient to the point of death, even the dead on the cross. Therefore, God also has highly exalted Him and given Him the name which is above every name, that at the name of Jesus every knee should bow, of those in heaven and of those on earth and of those under the earth."

Christ is our pathway that we must follow, you follow to become and if Jesus in human form gave His father these characteristics of a living life, all believers that aspire to have a safe landing tomorrow, this Christ-like life must take lead and rule their lives as the Bible commands us

that now that we have received Christ, we should live and walk in Him. It was this very character that even prophet Isaiah prophesied about Jesus' pathway of life in ***Isaiah 53:1-11*** that did give our Saviour and Lord Jesus a safe landing for the mission which His father sent Him on earth to accomplish for the redemption of mankind. He began well and ended well and if we as pilgrims, haven begun a journey in Christ, if we cultivate all of Christ's nature, it will be a guaranteeing point for our safe landing. But if we substitute the characters of men instead of Christ life in us, we will crash alongside as pilgrims.

All servants of God sent into our lives, their services to pilgrims as they themselves are pilgrims are to build their lives in Christ and do same to other pilgrims. Only Christ alone is our Role Model, our Perfection, our Righteousness is in Christ Jesus. The Apostle Paul writing to the Ephesians told them the rule of the five fold ministries found in the body of Christ.

Ephesians 4:11-13 "And He Himself gave some to be Apostles, some prophets, some Evangelist and some pastors and teachers for the equipping of the saints for the work of ministry, for the edifying of the body of Christ till we all come to the unity of the faith and of the knowledge of the son of God to a perfect man to a measure of the stature of the fullness of Christ."

Looking at the above scripture, the function of the five fold ministries is to equip the saints and that act of being equipped is to birth edification and bringing the pilgrim into a perfect man in Christ Jesus. Therefore if anyone claims to carry a duty among the five fold ministries, that is being an Apostle, a Prophet, an Evangelist, a Pastor and Teacher and is not connected to the Lordship of Jesus, with evident fruits of Christ-like nature, if you as an individual submits to such deceptions, it will be difficult for you to have a safe landing. Being equipped by God's sent servant is for you a pilgrim to manifest Christ's life. So as pilgrims, there are certain things you need to be conscious of as you go through life's journey with the Lord.

- Avoid people that call on God but do not reverence or fear God. These are men like Dothan, Korah and Abiram that lured a company of the Israelites into God's

  Judgement ***Numbers 16:1&31.***

- Avoid the company of men of greed and covetousness. These are people like Balaam, Gehazi, and Judas Iscariot. ***2 Peter 2:15***, ***2 Kings 5:20-27, Numbers 24:15-25, 1 Timothy 6:5-11***

- Take note of those that try to twist the Bible for their selfish interest, trying to put meaning into

the Bible rather than taking meaning from the Bible.

1 Timothy 6:20 "O Timothy guard what was committed to your trust, avoiding the profane and idle babblings and contradictions of what is falsely called knowledge."

- Be conscious of the people that sponsor striving and division in the body of Christ and keep away from them.

Romans 16:17 "Now I urge you, brethren, not those who cause divisions and offenses contrary to the doctrine which you learned and avoid them. And Titus 3:10

- Note those who profess to be believers but are sexual immoral and blasphemers, who take such life as a way of living and avoid them.

2 Peter 2:10 ". . . And especially those who walk according to the flesh in the lust of uncleanness and despise authority. They are presumptuous, self-willed. They are not afraid to speak evil to dignitaries"

If we are able to guard against the above mentioned points as pilgrims and pay attention to all the instructed words given to us to guard us, it will help us to obtain

our goal. You are also called upon to avoid the company of mixed multitude because in mixed multitude, leaven will be unavoidable. This is because in the company of mixed multitudes everybody tries to come out with self empire ideologies which will contradict the will of God in the lives of men and such contradictions cannot give a pilgrim a safe landing into his God's given destination. Paul told the Corinthians that believers should come out of the company of unbelievers, that light has no relationship with darkness and that our acceptance to God will tie to our relationship with Him.

2 Corinthians 6:14 "Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness?"

Your action of faith will play a vital role and your commitment of love to the Lord. Having this in mind that the faithfulness of God abides forever and He who has commanded you to do his will is able to take you by the hand to the end. Associate yourself with men of like passion for the kingdom, men who can provoke you to go deeper in God as the Bible says deep calls for deep. After every fellowship with a person or group of people, be conscious to ask yourself this question, how much do I fear God and how much am I provoked to get into a deeper relationship with God. If your previous is better than the latter, then you better cut off from such

companies but if the latter is better than the previous then you are on the right tract and you should pray to grow more in the leading of Christ. Be conscious of the fruits of the Spirit in the lives of the people that you associate with and not their gifts. For your gifts will announce you; but your fruits will preserve you for the kingdom of God.

Give in to fellowship of God's Word and prayer and in so doing, you will be able to guarantee yourself to possess a safe landing as you walk in this prescribed path of God's Word. God bless you as you do.

PRAYERS

1- Oh Lord, keep me alert and vigilant as a pilgrim in the name of Jesus.

2- Lord, associate me with people that will provoke my relationship with You into a genuine walk.

3- Father, break every yoke of entanglement that may turn to thwart my God's given rest in Your Kingdom.

4- Thank You Lord for the answers in Jesus name.

CHAPTER 5

THE INFLAMED CHARIOT

Horses may be made for the battle but safety is of the Lord as the Preacher clearly said in Proverbs 21:31. When we look at the above scripture, the making of anything that will portray a glorious future, its setting out must depend on God alone. All the efforts of humans put together without God's approval will only birth a start and end in a chaos. Every human has two main courses he lives to answer for on a day to day basis. There is the course of fighting to overcome things in order to be established and have an all round rest and also the ability to sustain and maintain a given obtained status or possession. Looking at God's declaration from scripture to scripture, we will see that a human being is without hope or future without God.

Psalms 127:1-2 "Unless the Lord builds the house, they labour in vain who build it; unless the Lord guards the city, the watchman stays awake in vain. It is vain for you to rise up early, and to sit up late, to eat the bread of sorrows; for so He gives His beloved sleep."

The above scripture brings us to consciousness that anything one is doing without God will suffer loss. A typical example is the builders of the Tower of Babel who ended up in confusion because their foundation was not God.

Genesis 11

Let us cite other scriptures Saint John 15:5 "I am the Vine, you are the branches. He who abides in Me, and I in him bears much fruit; for without Me you can do nothing."

The above scripture is also showing us that your fruitfulness and well being will solely depend on the Lord. That may not sound literally possible but God's will in the lives of His children is to embark on a project that will speak from one generation to another. Literally, men's effort may be able to take them somewhere but it will not be able to see you through just like the men of old in Genesis 11 had the intelligence to raise a building somewhere but their initial goal was to take the building to heaven. Because God was not the Author of that project, their efforts could only take them to a distant. So any project you are into in the name of God when God is not the Author of that project, know that your efforts will only take you somewhere but it will not take you to your expected destination. The reason why people always get themselves victimized in situations is because they claim God when God is not there. Those who work by God's prescribed processes are always looked upon by onlookers as fools. But God who becomes their strength gives them victory in every battle, provision in the times of lack, protection in the time of adversity and comfort in the time of isolation. At the end of the day, their God's

given dreams are been fulfilled because such is sponsored by the strength of the Living God.

Looking at our subject matter "The Inflamed Chariot", these are vessels that have been called, prepared in God's quarry and being ignited with a fire for speed that nature can't contend with. These men whom I call the inflamed chariot are people who appear on the surface of the earth with unprecedented wonders. These are men and women that go through the courses of life unrecognized by carnal people. Their ways of living are always misjudged by people. But the output of their result is glorious and lasting, leaving a legacy that generation yet unborn grows to feel their impact. Such vessels in the scriptures are men like Moses who went into obscurity by the viewing of men but was under the working principle of God's quarry which after 40years of silence, he conveyed an inflamed chariot which was able to convey about 2.5million people to their destination.

God introduced Himself to Moses after 40years of silence on Mount Sinai with the burning bush. The mystery God brings you in contact with automatically makes you a mystery and this will happen to God's vessels that have given up self and are totally living for God. This calls for self denial and total yielding to all God's leading and giving into it without counting the cost. This is the prize tag for every prepared chariot to be inflamed. And once Moses' chariot was inflamed, it was embodied inside

a rod. That rod worked and walked through in the land of Egypt doing wonders, from Egypt to the Red sea parting it for the crossing of the Israelites and closing it back for the destruction of the Egyptians.

This inflamed chariots silenced all threats that met the Israelites in the wilderness. With it, the Amalekites were defeated; with it a rock produced water that was to safe millions of people and cattles. I pray my readers that whatever you are going through don't allow counterfeit fire to be associated with your chariot. Position that chariot of yours and wait upon God to inflame it for a speed which only God and God alone is qualified to give us its velocity (how far you can go with time in a specific direction). This is because every vessel inflamed by God is for a specific mission, given a specific time in a specific direction. You are not inflamed to do everything but you are inflamed to do something that you will be accountable for tomorrow. You can get the various references to see for yourself what will happen to those who walk with God and patiently waited for God's time.

Isaiah 40:30-31 "Even the youths shall faint and be weary, and the young men shall utterly fall, but those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint."

Every inflamed chariot depending on God will run a race and carry a walk that will keep him or her from weariness or being fainted. We are told in the book of ***1 Kings 17*** about a man sent from God in the person of Elijah. He appeared in the scene of life unknown by onlookers but was well prepared and fashioned by God. He appeared in the Northern parts of Israel with Ahab the king by then and his wife Jezebel the daughter from an idolatory background from Sidon that brought a strange god in Israel a deity called Baal. Baal worshippers grew that much in Israel that they had 450 prophets that fed on Jezebel's table and another 400 that were in the groove. The land was ravished by their influence and affluence. But one inflamed chariot of God in the person of Elijah appeared in the scene and silenced the 850 worshippers of Baal, restoring the true worship of God, breaking down the kingdom of Ahab and putting an end to it.

With this mantle and mandate that was enclosed in this inflamed chariot, you could see the fulfillment of Isaiah's word in Elijah's ministry. He was able to raise a successor to sit in his office after his departure to glory. The inflamed chariot moved from place to place doing wonders for God's own glory. There is something I want to draw your attention to: when you are inflamed by God, you will not leave the earth without leaving a legacy. It may look difficult but all you need is faith and patience for its realization. We are told in

2 Kings 2:11 "Then it happened, as they continued on and talked, that suddenly a chariot of fire appeared with horses of fire and separated the two of them; and Elijah went up by a whirlwind into the heaven."

An ignited chariot is a vessel of great happening and wonders that is sponsored by God and it creates an everlasting impartation upon the lives of the sons and daughters of men that live to impart lives to rise from misery into God's own provision of miracles. During Elijah's ascension to heaven, a chariot appeared and he was taken. But something fell from him that was called his mantle. It did not drop dead but it dropped on a living life. Every inflamed vessel like Moses crossing to heaven dropped a mantle of living life upon his servant Joshua. Elijah did the same on Elisha. Their lives birth successors that doubled even their own efforts because whatever possesses life grows and what grows creates significant difference. You will realize that something similar occurred to both successors. When Moses died, Joshua crossed river Jordan, when Elijah went up to heaven, Elisha also crossed the River Jordan.

When you wait on God and finally God inflames your chariot, your successor will cross over every stumbling block with great manifestation of God that will go down history. The Lord is saying; are you waiting for that chariot to be inflamed? Patiently wait for it to be inflamed. Is the chariot already inflamed, walk by its

instructions to keep the fire burning. The Apostles in Acts 2 waited in the upper room for their chariots to be inflamed and on the day of Pentecost, they were inflamed and great was the result for a mighty soul harvest.

PRAYERS

1- Oh Lord, receive the glory.

2- Inflame my chariot as I wait upon you.

3- Lord, I pray that you will cause my inflamed chariot to leave a legacy for my generation for your glory.

4- Lord, let my inflame chariot sponsored by your finger lead me to my destination in your kingdom in the Mighty name of Jesus.

CHAPTER 6

SEEKING THE FACE OF GOD

Each time we set ourselves apart to have a time in God's presence as individuals or groups of persons, such moments are moments where we say we are seeking the Face of God. This is done by prayer of supplication, intercession, or making of petitions before the Lord to invite His attention for action. However, in seeking the Face of God there is a prescribed pattern that if we come to Him out of the context of His Word, we may be praying or calling on Him but the right results may not be realized. One of the things that guarantee your seeking the Face of God is when you identify yourself as a child of God. There is a prescribed manner that every God seeker must possess in order to have answers from God during or after his prayer. Any one that God will reach out to in any situation, such an individual must cultivate the attitude of brokenness, humility, and willingness to submit to any rebuke from the Lord.

Setting yourself to seek God's Face is a kind of sacrifice and an act of faith in God and total dependence on His actions over the affairs that concern you. All genuine God seekers must ponder their mindsets towards God to find out whether their approach in seeking God is approved by His Word or not. If you are seeking God on the basis of seeing yourself more qualified than

others, you are doing yourself great harm because God may never attend to you. If you go in God's presence to seek Him not with the right attitude, if God fails to give you attention, the intruder, (the devil) consciously or unconsciously will give you attention which will drag you into real mess and devastation.

Every right attitude presented before God will bring a healthy result of praise and honour. You must come into God's presence with this prescribed attitude:

Psalms 51:16-17 "For you do not desire sacrifice or else I will give it; you do not delight in burnt offerings. The sacrifice of God are a broken spirit, a broken and a contrite heart – these, O God, you will not despise."

So there is an attitude that if you come into God's presence with, He will not despise you but if you are out of the margin of this expected attitude, God will despise you. Any issue you bring into God's presence, He is more than that issue but most often our characters and the way we approach God with these issues disqualifies us. In the book of

2 Chronicles 7:14 "If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven and I will forgive their sins and heal their land."

If you know you have been walking with the Lord and certain things have been going wrong in your life and you find yourself unable to handle it, the Bible commands us to humble ourselves. It is not the Lord to humble us but us to take the initiative to humble ourselves. A humble man with a mark of humility will not hesitate to take corrections. A humble man will receive rebuke in order to watch his ways and walk upright. With this true sense of humility, as you enter the presence of God in seeking His Face, the lamplight of the Lord will shine for you to know and understand certain things that were covered which gave the enemy an advantage concerning you. When you notice these things, it will move you to repentance in confessing, forsaking and walking out of such attitudes. This may lead you to restitute things that were in your keeping that did not rightly belong to you. It may lead you to go make confession by speaking truth of certain things you exaggerated. It may lead you to go give a financial report that you did not table it rightly, it may lead you to go ask for forgiveness from people you've hurt, forgiving people you find it difficult to forgive thereby keeping you into malice. It may lead you to understand that your thoughts and actions have not been praise worthy before your Father in heaven as His son or daughter.

Seeking the Face of the Lord will bring the wholesomeness of your being and can also keep you in a

wholesome state before the Lord and this also brings you divine directives for divine assignment. If there is an assignment you don't know how to go about with, there is a call to seek the Face of the Lord. If there is a pending judgement against you, in seeking the face of God, that judgement can be averted (withheld).

The house of the Lord is a place of refuge and a solution ground to every human problem for all God seekers. So as a worshipper, you must belong to a house of worship with other saints. There are a lot of encounters and benefits you will have as you set your heart to the Lord and set yourself apart to seek His Face. There are outstanding benefits that will follow God seekers. No matter the trouble you find yourself in, if you can set yourself apart in humility, brokenness, repentance, the mercy of God will always appear and prevail for you. You can see this through the Word of God by many people who turned their night to day and their deserts into a well of living water by seeking God who brought solutions in their lives. The Bible tells us of people who brought their lives before God with their problems and got ultimate solutions from the Lord and we can still feel the impact of their results till today.

People like Isaac sought the face of the Lord for his wife Rebecca for she was barren and after seeking God's Face, they got an answer from God that led to the fruitfulness of Rebecca. ***Genesis 25:21***, Hannah sought

the Face of the Lord for her situation for she was also barren and the Lord made her fruitful ***1 Samuel 1:17***, men like Joshua did the same, Jehoshaphat who had enemies in three different fronts sought the Face of God and God came to their rescue and gave them victory. ***2 Chronicles 20:22***. Daniel also set himself apart to seek the Face of God for the children of Judah who were in Babylon and God came to their rescue.

Child of God if you meet God in the right attitude of seeking His Face, he will turn away your captivity and give you freedom. Right from the days of the Apostles in ***Acts 12*** when Peter was locked up to be killed by Herod, the church sought the Face of God and He sent an Angel who came to the rescue of Peter. God has never changed; He is the same yesterday, today and forever. As a child of God, have this attitude to always keep yourself aside and seek the Face of God in intercession, supplication and your result and encounter will keep you in the faith and give you results that will conquer doubt and fear. Get addicted to prayers, study of the Word of God and fellowshipping with God and other saints (brethrens).

THE IMPORTANCE AND BENEFITS OF SEEKING THE FACE OF GOD

- Everyone that seeks the Face of God obtains favour from the Lord.

- When you seek the Face of the Lord, you commit His mercy and goodness to be poured upon your life.

- When you seek the Lord, you commit His covenant Word for action. ***Deuteronomy 4:29-31 "But from there, you will seek the Lord your God, and you will find Him if you seek Him with all your heart and with all your soul. When you are in distress, and all these things come upon you in the latter days when you turn to the Lord your God and obey his voice (for the Lord your God is a merciful God), He will not forsake you nor destroy you, nor forget the covenant of your fathers which he swore to you."***

- No one seeks God and ends up a vain person. ***Isaiah 45:19 "I have not spoken in secret, in a dark place of the earth; I did not say to the seed of Jacob seek me in vain; I, the Lord, speak righteousness, I declare things that are right."***

- Seeking the Lord enables one to live victoriously. ***Amos 5:6***

- Seeking the Lord keeps you in unity of the Spirit with other believers that are born of God.

- Seeking God keeps your vessels (body) in position for use by God.

As you have gone through the session of this the profiting of this teaching will play a role in your life that will cause your profiting to increase and bless your life. Increase in grace, increase in the anointing as you set yourself in seeking the Face of God. Stand in the gap and God will show you mercy. God bless you
