Hallelujah! I want to thank God for His favour over my life in this month of "Divine Sufficiency". I went to police station to be issued an identity card. With the crowd that was there, I did not have hope of succeeding that day but after I took the "Manna Feast" and sat on it I saw the favour of God because the people had to extend their working hours from 8:00am to 6:00pm instead of 8:00am to 2:30pm. To God be the glory I succeeded among others. This is what only Jehovah can do. Thank You Jesus!

INTRODUCTION

Everyone can become what he or she was created for from his Maker. But actualizing the content of your person, there is a vital contribution on your own side that must be in place in order for that content of yours to be made manifest. In this month of "Mounting in Dominion", it is not an agenda of the month from an abstract world but it is a command from God's plans for man from the very creation. There are virtues in life which if you as a son/daughter don't go for, the creatures will never answer to you as an icon of relevance.

Dominion is one of the aspects that God pronounced over human beings when they were in their original state. There is no way you can do as a man without having access to this virtue. Know that anything called virtue calls for determination, discipline and hardwork. Beloved ones, get set for a change as you mount up in this month of dominion.

DYNAMIC DOMINION

In as much as the Almighty is in authority, He made us His children and committed assignment into our hands. There is no way we can carry them out without being in control over the things He has placed under us. That is why the scripture says we were made in God's image and likeness. God's given authority over men is a provision to you. This authority may have different measures and grounds on which it operates. If you were made to be in dominion and you are not conscious of the truth of your becoming, you may appreciate certain aspects in your life but you will realize that consciously or unconsciously, you will feel incomplete

As a carnal or spiritual man, there are lots of things to answer to. The challenging situations that meet you are indications that you need an authority to bring them under control. One philosopher in an attempt to define life said: "Life is problem solving". You can't stand to say you are blessed when you are void of authority to control situations. The works of God's Hand have been committed into the hands of mankind in order that you as a son/ daughter should exercise dominion or authority.

Genesis 1:28 "And God blessed them, and God said to them, "Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every

has to do with action of expansion. You can't expand if you don't have what it takes to overcome the opposing forces of life. You cannot also multiply after your kind if you are not empowered or being in dominion. We will realize in this passage that there are many adjectives attached to you as a son/daughter. If we have to look at the three phrases mentioned; that is, to be fruitful, to multiply, to replenish, we will realize that all these is what brings about an ever changing progress. These three phrases birth the word dominion (power or authority to rule.) For one rules over things; and not under. The Lord has given you dynamic dominion to rule over every living thing plus the devil and his hosts. This is because Satan is among the living things that are roaming on earth for he was casted down to earth. Your staff of authority is one thing you must go for and have it in your possession as a child of God. This is because situations will always arise that will need the authority given to you by God to address it.

Child of God, you need to navigate your spirit and get yourself connected to all grounds of services that the Lord has committed into your hands. Every training from the Lord gives us is to bring us into a place of authority. True authority of God is dynamic because it births a progressive change that reveals glory.

When God called the first human beings Adam and Eve

the messengers went into literal action of anointing the called with anointing oil. Child of God there are offices that God has set for you and your glory and honour begins when you step and start operating in those offices. But you will not do well if you use other means out of God's prescribed means to enter that office.

Genuine dominion comes from God and is approved by Him. In our generation, many people want to be in dominion but they don't want to follow the route to dominion. Your God's given dominion will put you to rest. When Adam and Eve walked right with God, their dominion kept them in rest. One of the keys that will keep you in rest is your right walk with God which will always keep you active. As earlier said, there is a pathway to access dynamic dominion.

First you must understand that true dominion comes from God and through God. For example, when God called Noah, He gave him power to build an Ark to preserve his generation. When God called Abraham, He also gave him authority that was able to silence his adversary. Even when unwanted circumstances met him, he faced them and came out victoriously. The power came over many other servants of God in scriptures and even nowadays to rule. This power was able to keep them, preserve them and also make them to excel. Those who went to access dominion through the wrong way, what

When we take Absalom in our lesson as case study, we will realize that without dominion he didn't have what it takes to be a leader of Israel. But he went the wrong way by blaspheming and blackmailing thinking that by so doing he was going to access true dominion by the support of men and not God. But because the pathway he took was not approved by God, he fell headlong. So those who aspire to posses their God's given power and dominion, if they will not humble themselves and serve God but go through other means or mediums not approved by God, they will be put to shame in the days ahead. You don't get God's dominion by blaspheming or blackmailing people but you get it by living genuinely in the sight of God and in the sight of men. That was not the case with Absalom. Absalom stood against his father without a cause in order to overthrow his father and take over the throne. He did that by using words to turn the hearts of the people of Israel against David making them to feel David's way of administration was not correct as we can see his approach towards the people and his conspiracy towards his father.

2 Samuel 15:2-4 "Now, Absalom will rise early and stand beside the way to the gate. So it was, whenever anyone who had a lawsuit came to the king for a decision, that Absalom would call to him and say, what city are you from? And he will say, your servant is from

anyone who has any suit or cause would come to me; then I would give him justice."

Much more evil did Absalom did even when he heed to the diabolic counsel of Ahithophel in going to bed with his father's concubine. You don't get dominion through sin; true dominion is gotten by righteous process and by right living.

Isaiah 54:14 "In righteousness you shall be established; you shall be far from oppression, for you shall not fear; and from terror, for it shall not come near you."

But the above scripture was not the case with Absalom as we can see his act as recorded in

2 Samuel 16:22 "So they pitched a tent for Absalom on the top of the house, and Absalom went into his father's concubine in the sight of all Israel."

May you never be deceived to live abominably and think with the support of men you will get into dynamic dominion.

In as much as we were all created to access dominion, we must break down in God's pathway in getting it. Looking at Absalom, his beginning to access dominion appeared like he was making it. Though some men took sides with him and of course a gross majority, the heavens were not in the things he was doing. As we all know as

tree as we can see in

2 Samuel 18:9 "Then Absalom met the servant of David. Absalom rode on a mule. The mule went under the thick boughs of a great terebinth tree, and his head caught in the terebinth, so he was left hanging between heaven and earth and the mule which was under him went on."

Follow God's pathway for dominion so that you will not end halfway between heaven and earth. In as much as others did not follow, others did follow and they experienced the dynamic strength that dominion offers. In as much as Absalom failed, David his father made it because he was a possessor of dynamic dominion. He got this as a result of his attitude of submission and loyalty to the authorities that were placed by God to watch over him. When this attitude of David was approved by God, He took David on the hillside and anointed him publicly in the presence of his brethren and his father. He did not have that dominion by chance. He got it through God's ordained and approved procedure. This dominion answered for David on different grounds of life. We all know he killed a lion and a bear with his hands. The next we hear about him was that he killed Goliath with a sling and a stone; the next time we hear David is subduing the philistine and bringing their foreskins hundreds in number. After the death of Saul, he was enthroned king over the tribe of Judah and later on king over Israel. That

and brought it to the place of reverence. He showcased what we term dynamic dominion and today he stands as a legend even in the midst of the present day Jewish people. He gave God both a life of worship and of praise. He also fulfilled the course of God that was committed into his hand.

Nowadays, we are sons and daughters of dominion but we should know true dominion comes by obedience to God. Jesus never gave dominion on the basis of those that ate with Him or followed Him but dominion was licensed on those that continued in His teaching. He only gave dominion to the eleven and many more that believed Him through His followers even as He is still doing today due to their loyalty and obedience. We can see the Lord's proclamation of power over them and the power also went along with instructions in which they were to follow in the days ahead.

Luke 10:19-20 "Behold I give you the authority to trample upon serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you. Nevertheless, do not rejoice in this, that the spirits are subject to you, but rather, rejoice because yours names are written in heaven."

This was dominion that was attached to those that believed and followed Him. They that fell out of the principles of His Word were also deprived of this power

them of His continuous presence with them. That is why He is called Immanuel which is being interpreted “God with us”. This indwelling presence of God with us brings the great power of God at work over all circumstances of life.

You may not be that accurate in your effort to serve Him but that willingness within you to seek and to know Him will always bring His intervention to assist you in perfecting that which concerns you. Just like when he was crucified some of the Apostles who were worried and were carried with fear and kept themselves behind closed doors; He still stepped in their midst and brought light into their dark hours. He perfected and corrected what was going wrong. He has not changed; your willingness to work with Him will release grace to perfect that which concerns you and will birth further promises just as it happen with the eleven that He met after resurrection. Meeting them was to get them grounded with power.

1- Father, I'm grateful for making me your child

2- Oh Lord, help me put to work all that you have committed to my trust.

3- Oh Lord, make me dynamic in my operation for your glory.

4- Lord, give me an obedient heart to follow your ways for the rest of my life.

5- Thank you Lord for the answers in Jesus name.

WHAT SEEK YE?

In life, men are moving up and down either looking for something or following something. It is very important to know the priority of your living before setting out for any pursuit in life. Nowadays, it is rather unfortunate that many have embarked in different kinds of journeys without sitting down to know what should be the first thing that should occupy their lives before others follow. Many have also sold what was to give them lasting credits for temporal pleasures of sin. As a right thinking person, you should come to the juncture where you should ask yourself "What am I looking for and what am I living for? The things I have set myself to live for or go after, how long will I last with those things in respect to eternity?

The world and its action these days look crazier than being normal. Crazy because more than 80% of the crisis of our time which has led to the killing of many is all attached to the mundane things of this world which we came and met and which we will go and leave. Many have had heart failure and different kinds of psychological torture because they have neglected the pathway that proceeds from God and they are chasing the shadow that the devil is showing them. People lived in century past and they took upon themselves to spare out the purpose of their living and they went after it. The question we are asking is "What are you looking for in life? The thing you are looking for is it the right thing and are they occupying

When people migrate from one ground to another, they do so in order to attach their destinies to what has security and to who guarantees security. Leaving from the circular world to Christendom much has to be addressed. As children of God, we have all been taught by the Lord of the importance of truth which stands as a girdle to keep us in place for the Master's use and glory. We also have been taught that truth is a buckler and God's Divine Pearl for freedom. It is rather unfortunate that even today; Christians are not roaming the street or moving from one servant of God to another in search of truth. They are moving in search of one sign that may not last. Child of God, being a worshipper occupying or not occupying a position in the House of God, the Lord is asking, are you a seeker of the kingdom life or you are a seeker of the act of the kingdom? Even men of God today are so serious of activities not because they want to draw men to God but because they have one selfish aim that they want to achieve through God's name. That is why many seminars, crusades, conferences are held in the name of the Lord but the Lords interest is not seen in them. We are just using God's name to attract certain things to suit our egos and ambitions. It is not like crusades, conferences and seminars are wrong but we should ask ourselves; what is God's interest in them?

The rapid migration we see among Christians

that caught and imprisoned John the Baptist were the very men that listened to his preaching. But when John gave them the truth that was to license them to the free gift of salvation, Herod and his followers caught and imprisoned him. The next thing that followed was the execution of John the proclaimer of truth. It is true that the remnants of today are also suffering the same fate that John suffered. You beloved that was once saved by the gospel of the everlasting kingdom, may you not drop this truth and start to follow signs and wonders that are not needed in heaven. The Lord says be faithful till the end and I will give you a crown of life.

Paganism has gradually and swiftly gotten hold on many pulpits. The pulpits that were to deliver truth that will cut men's heart and turn them to God have now become pulpits where sinners are comfortable with their sins in the house called by the name of the Lord. Errors and heresies is gaining ground and the truth is gradually losing its worth in the lives of those that professed Christianity. These are bad signs of the last days that Paul said men would not give heed to in the Word of God.

1 Timothy 4:1 "Now the Spirit expressly says that in later times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons."

The doctrines of the devil exposes people to physical things that have to do with their flesh to fulfill its lusts thereof

lives into errors. The things we call today miracles, are they miracles or they are magical practices. This is because every genuine miracle increases the fear of God in the hearts of men and it draws their attention to look up and depend on God. In fact the first miracle that the church of Jesus should pay proper attention to should be that of conversion; that is, turning sinners to saints, depopulating hell and populating heaven, raising the convert to become a mature disciple to proclaim the gospel of the kingdom to the unsaved. Many have turned down a living life and they are in pursuit of theological qualification without a godly life. Many want to rise by any means, this is the pollution that have arrested and held many destinies in captivity of Satan.

Today, we hear of Christians leaving from one worship house to another from one nation to another nation not in quest for the Word but in quest for one temporal thing which may not birth a lasting relationship with God. The question we ask is; is this movement in quest for the truth? Today, thieves and even prostitutes run to the church to receive prophesies and the prophet never tells them "The soul that sinneth shall die" rather they feed them with words that go in line with their lustful desires. God did not send His only begotten son on earth on the basis of healing, on the grounds of prophecies, miracles, or on the grounds that people were poor, or on the ground of riches or breakthrough for material things,

sin. He sent His son on earth that the world may be delivered from sin and if the world is delivered from sin, they will return to the Eden of the Almighty God.

Matthew 1:21 "And she will bring forth a Son, and you shall call His Name Jesus, for He will save His people from their sins."

If the church of God will not correct this error that is breathing in the house that is called by the name of the Lord, then God will condemn the church with the sinful world. Child of God, what seek ye? Are your worries on the basis that you are not having money, not having a job, not healed, not having a child, not gotten married, not having promotion, or you are worried about having a right life for God. The Lord commands the church to fulfill her mission by giving preference in seeking His Kingdom first and His righteousness then all other things will be added to her.

It is an error to run after signs and wonders; go for the truth for the Bible commands so. Freedom is not by signs and wonders but by knowing the truth and continuing in it. Get the right theology to preserve your soul for God's kingdom; teachings and doctrines of God's Word.

John 8:31-32 "Then Jesus said to those Jews who believed Him, if you abide in My Word you are My

free from sin. We have been deceived and carried by deception because we now follow crowds, not finding out what they are looking for. These are the last days, we better watch out, lest, the good journey we began with the Lord will end us up in last minute error. Child of God, go for the salvation of your soul for you will not be able to forgive yourself if you end up in hell with an unbeliever who has never been to church or as a preacher with an occultist and they will ask you a question, you told us you were walking with God and you ended up with us again?

Let your mind be occupied with the kingdom missions, works and lives. Don't allow the mundane things of the world and the devil to overtake you. Mark what the devil advertised to Jesus. If our Master went through wilderness, we too will also go through wilderness, (trials and temptation), and if He overcame, we too will overcome and much more because Jesus is our overcomer. When we look at Jesus' days on earth going through a tempting period after 40days and nights of fasting, the devil approached the Lord in three perspectives:

The first thing he tempted Him with was the lust of the flesh; when he said, now that you are hungry, if you are the son of God, turn these stones into bread and eat.

for it is written He will give His Angels charge to bear you lest you dash your feet on a stone.

Lastly, it was the lust of the world where the devil asks Him to bow down and worship him and he will give Him the kingdoms and its glory.

Most of the trials we are going through as true sons and daughters of God is based on these three perspectives. That is why the epistle of John says; all that is in the world the lust of the world, the lust of the flesh and the pride of life in ***1 John 2:15*** is not of the Father but is of the world; and the world passed away and its lust. When we seek after the things of the world than seeking after the kingdom of God, the devil reassures himself that he will track us down but when we seek the things of the kingdom, satan cannot access us and that is what makes us overcomers, because he is not part of that kingdom.

PRAYERS

1- Oh Lord, take me by the hand to cling to the truth of your Word.

2- Oh Lord, make me a Word based child in your house.

3- Oh Lord, empower me to be a lamplight.

THE FIGHT THAT BIRTHS VALUE

When we look from the context of God's Word, when it comes to dealing with fights, it will be necessary for us to look into the proper definition of the word fight. Fight has to do with an individual taking part in a war or battle against an enemy. It can also be defined as taking part in a contest against somebody who should be opposing your wellbeing or to stop or oppose something that is bad. We are saying that life goes along with fights but some fighting which does not tie to the content of the real definition of fight will only turn to reduce the values of those concerned. Fight that will bring about value is not a fight against brother or sister, or a home within itself but it is a fight against an enemy.

When members of the same body tend to fight against each other, they only end up reducing their own values. But when they join forces to fight an enemy, such a fight will bring about an increase in value to decorate the members of that body. Spiritual or physical achievement comes in taking back your identity from where it was held bound by the enemy or walking out of the cage and tyranny of your task master (the devil). It could also be breaking limits placed over your life by the enemy or going further to deliver your brethren from the cage of the enemy. These are some of the elements that provoke true fights and Christ said all that came from the Adamic race has one fight or the other to address in

You may have a misunderstanding with a brother but a fight between you as God's people is not permitted. It should be solved amicably following God's principles. It will be wrong for you to fight your own brother, be it in the circle of the family or the body of Christ. Moses in his days in the land of Egypt while residing in Pharaoh's palace, the bible says he went out in one of the days to see about his brethren. Walking among them, Moses realized that there was a fight between brethren and he told them what they were doing as brethren fighting each other was not good as we can see in

Exodus 2:13"And when he went out the second day, behold, two Hebrew men were fighting, and he said to the one who did the wrong, "why are you striking your companion?"

So Moses counseled them and told them what they were doing is not right; that it was necessary for them to join forces and fight the Egyptians. Though his correction spark fire against him, it still went forth to foster the freedom of the Israelites. That was the same thing that happened with Abraham who was a brother to Lot. The Bible says there was a fight between the herdsmen of Abraham and those of Lot. Abraham being a mature man in the things of God called on the attention of his nephew Lot and said a fight between their workers was just like a fight between them and that was not good. As we can

herdsmen and your herdsmen; for we are brethren."

As it was in the days of Abraham that fights were not good among brethren, so too fight is not good among people with the same faith and calling of a future with God. That is why as a child of God, consciously or unconsciously causing discord among brethren, you are looked upon as an agent working for the devil and not for God. This is because by so doing, you are breaking God's command of unity that should exist between Him and His children.

Romans 16:17-18 "Now I urge you, brethren, not those who cause divisions and offenses, contrary to the doctrine which you learned, and avoid them. For those who are such do not serve our Lord Jesus Christ but their own belly, and by smooth words and flattering speech deceive the hearts of the simple."

With the above reference scriptures, we should keep ourselves united as a force and wage war against the enemy and not against each other. If we are to fight the enemy, what are the weapons we are to use? The Bible declares the weapons of our warfare are not carnal. All the fight we have to fight the enemy should be through God and the Lord should be the captain leading us as His army.

2 Corinthians 10:4 "For the weapons of our warfare

battle through God. The next thing we should ask is what are the weapons we need for battle and who is qualified to fight these spiritual battles? The weapons we use for our battle is the Word of God and prayer. For Jesus won the battle on the cross not with carnal weapons but by the Word and prayers. ***Ephesians 6:10-18.*** Every child of God should be able to go for what he knows and have in possession as material for battles not engaging in what you don't have what it takes to fight it. Babies have their own battles to fight at their level, young men have their own battles to fight at their level and old men have battles to fight at their levels depending on their knowledge of the things of God.

Battles always come when we realize what the enemy has deprived us from and has hindered us from becoming. Every battle we go through God will birth new values. For the Bible says we shall do valiantly through God. As a child of God, you should know that as the days unfold you should upgrade your life to embrace new values. Learn the principles, discover the values and get them in place.

In conclusion, you are not permitted by God to fight each other; God has permitted you to fight a common enemy, the devil. In beating him, the treasures of the kingdom will be released to locate you. It was on this basis that the Bible says from the days of John the

daily basis. God bless you as you rise this day to fight the right fights.

PRAYERS

1- Father, thank You for giving me an understanding.

2- Oh Lord, equip me to fight a good fight of faith.

3- Lord, unite me with my brethren to fight the enemy and not each other.

4- Lord, we subdue and destroy every breathing ground of the enemy against our lives.

5- Thank you Lord for the answers in Jesus name.

CONSECRATION THAT TRANSCENDS DESTINY

Psalm 121:1-2 "I will lift up my eyes to the hills – From whence comes my help? My help comes from the Lord, Who made Heaven and earth."

For everyone to go beyond the natural abilities of humanity, such an individual must consecrate. In other words, they must set themselves apart to seek the ways of God for Him to do things through them that natural ability cannot handle. We were made in God's image to live a life beyond the ordinary. It is on this basis that the prophet Isaiah declared when he was making mention of the offspring of God that behold me and the children that God has given me are for signs and wonders. Child of God, you have been called and saved to live beyond the ordinary.

Isaiah 8:18 "Here am I and the children whom the Lord has given me! We are for signs and wonders in Israel from the Lord of Hosts, who dwells in Mount Zion."

For everyone to take his/her destiny above the ordinary, they must learn to wait on God in order for God's ability to take over their weaknesses and do supernatural things for them. Many at times people still consecrate themselves but most often they don't have the expected results. What could be the cause of someone consecrating himself and waiting before God and at the end of the day have no

- You need to become a child of God. What are the Biblical prescriptions for one to become God's child? You must believe in God's begotten son Jesus Christ.

- You must accept Him in your life by faith in the act of repentance and forsaking the old path of life. This should be done by somebody sent by God to lead you to Christ. Take the following scriptures for reference: ***Romans 10:6-11, Acts 13:38-40, John 1:12-13, Acts 10:34, John 3:1-3, Acts 17:18.*** This exercise goes with fruits which enables you to carry the seed of God that makes you a sinner to hate sin and love righteousness; above all giving your life to be ordered by the Word of God and by His spirit.

These are the primary engagements that you need in order for you to consecrate and get results from the Lord. It is this act that makes one's prayer to be pleasing in the ears of the Lord. But if this is not done, your prayer will sound abominable to His ears. Once you are born of God, you are now a citizen of God's kingdom. As a citizen, all the provisions of the kingdom meant for her citizens can work for you just as it is working for other citizens of the kingdom. This calls for faith in God and for you to know He is able to do what He has declared. God declares in

Everything we will do or ask according to His Word, He will hear us. He has committed Himself also to perform that which He has promised us. Just like the book of Hebrews declares that the one who comes to God should know he has come to God for He is a rewarder to any man who diligently seeks Him. Even in the circular world, when men become diligent in what they are doing, they will always take the lead from those who are not diligent in service. The Lord expects us to seek Him diligently. It does not mean that when we start praying, from the very first minute of our prayer is not being heard by God. But some silence is to prove our diligence, how much we can depend on Him without wavering; it is to prove whether if He keeps silence we can create another god for ourselves. Like Jacob wrestling with an angel shows that God was his only source. By so doing, God did not turn down his offer but He answered him because he was persistent. Jacob was bent for a change and on that same day his destiny transcended from Jacob to Israel. If you confess that you are ready for God, He will expose you to situations to prove your readiness on your confession. Stay true and loyal to God believing His Word and do not turn to the devil; praying with all prayer and supplication without ceasing.

Hannah the wife of Elkanah in the book of ***1 Samuel 1*** consecrated her life. When you walk with God,

fellowship with God and the Heavens will be opened over your life to release upon you uncommon treasures. In your consecration to the Lord, there will be resistances but refuse to yield to them. Resist them until they submit to you for the presence of resistances reveals true values under covering. Hannah went to Shiloh with her husband and the maid and they prayed normal religious prayers which could not break the yoke of her reproach. She made up her mind to go deeper into fellowship with God and to stay longer in the presence of God. That giant step Hannah took released an anointing that breaks the yoke of barrenness that had caged her and she was graced to be pregnant with the son Samuel who became the prophet to the nation Israel and a kingmaker.

Child of God, the situation you are going through needs a deeper consecration in God's presence, an unusual sacrifice on the altar of God and I can assure you the yoke of that affliction and reproach will be broken and destroyed. Instead of ashes, you will receive beauty, instead of shame, you will receive praise, instead of dishonor, you will receive honour, instead of a casting down, you will receive a lifting up. You will be crowned with glory from the Lord. All those that did supernatural things, you could get their secrets in their in-depth consecration into God's presence. People like Moses, Elijah, Jeremiah, Daniel waited on God and they produced outstanding results. Even in our present day generation,

the day, you will expire and be rejected. Arise and work out the beauty of your life with God and transcend your destiny of yours to the beauty she was created for as the prophet Isaiah declares in

Isaiah 40:30-31 "Even the youths shall faint and be weary, and the young men shall utterly fall, but those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint."

Get a mindset for a change from the Lord and the Lord will grant it to you and you will glorify His name.

PRAYERS

1- Oh Lord, increase my faith to wait upon you.

2- Lord, give me the knowledge to communicate right desires to you.

3- Lord, let every limit placed around me be broken.

4- Lord, reveal yourself to me and transcend my destiny.

5- Thank you Father for the answers in Jesus Mighty name.

HEIR TO THE THRONE

Ecclesiastes 10:7 "I have seen servants on horses, while princes walk on the ground like servants."

From the fall of Adam, mankind has been into battle of opinion. This opinion is stationed on two grounds; the ground of suppression by the enemy's dictate and the ground to reign in the Creator's mandate given to mankind. In as much as the Garden of Eden ended up not serving well with the humans due to their disobedience, the Lord made provisions immediately man fell from glory to struggle. The Lord declared "the seed of the woman will bruise the head of the serpent". Head in this phase stands figuratively for authority. From the very beginning after the fall of man, God announced that the seed of the woman will bruise the devil. That was God's mandated Word given for the humans and the devil.

The reason why man has still been in struggle, the heirs of the throne are still living like servants or slaves is because man has not been able to believe or act on the pronounced Word of God upon his life. This mindset makes one not to exercise his sonship from the Lord. I want to let you know that there was a first Adam and Jesus came as the second Adam to restore all things that man ever lost in the Garden of Eden. The price has been paid and you are no more indebted if you can just believe. You need to get your mind renewed and your spirit

life-giving spirit."

Jesus Christ came to give us God's life and to every believer that accesses God's life, you can't be deprived as an heir to the throne as

John 10:10b "I have come that they may have life, and that they may have it more abundantly."

Christ Jesus is the life giving Saviour to all mankind. It is this life that graduates your mindset from a slave mindset to a dominion mindset. This is because the Christ life was to access sons and daughters of God so that it will bring dominion for them.

1 Peter 3:18 "For Christ also suffered once for sins, the just for the unjust, that He might bring us to God, being put to death in the flesh but made alive by the Spirit,"

All that Christ went through was to qualify you as a son/ daughter. But if the Word can't have a true entrance in your life, maturity that guarantees enthronement will be absent and though you are an heir to the throne, you will be deprived from it. To access Divine provision, your maturity as a child of God is a necessary act that you must go for it and skillfully and rightly acknowledge the Word of God and absorb it to dwell in you. That is why the book of Colossians command us that let this Word of God dwell richly in us that was in Christ Jesus because the

Milk is given to children while strong meat is for adults. The Word of God says if you are unskillful in the word of righteousness, then you are a babe.

Hebrews 5:13 "For everyone who partakes only of milk is unskilled in the word of righteousness, for he is a babe."

When we look at the word babe from scripture, you will see that as a child of God it is not to your own advantage to remain a baby Christian. if you are a son/daughter of God and you are still carried and ruled by the things of the flesh, though a son, there is no difference between you and a slave. That is why many profess to be children of God but they still suffer the same fate with those who have not yet believed.

Galatians 4:1-2 "Now I say that the heir, as long as he is a child, does not differ at all from a slave, though he is master of all, but is under guardians and stewards until the time appointed by the father."

As you walk by the Word of the Lord and you are being nurtured by it, you will be able to exercise your authority over all the creatures that were made to be subject to you; as we read in

Romans 8:1-2 "There is therefore now no condemnation to those who are in Christ Jesus, who do

You need to daily renew your mind with the Word of God through study and meditation and having a time of worship and prayer in the presence of God. This will bring you into a bond of fellowship with the Father. This fellowship will give you a Christ-like life that will deliver you from the bondage of sin and the flesh. In conclusion, break off the syndrome of a baby Christian and walk out of the works of the flesh by manifesting Christian maturity in loving God, loving fellow humans, in forgiving one another, showing kindness to one another, protecting one another for the purpose of the kingdom, in being peaceable with all men, loving righteousness and living in righteousness and above all glorifying God in all we do and say. These are the virtues that when a Christian manifest, it showcases maturity. The observation of Solomon in Ecclesiastes will be converted to I have seen princes on horseback and slaves trekking.

Arise and grow in the God's given life in Christ Jesus for you are heir to the throne. Stop living as a slave for you are not a slave but a son and a daughter.

1- Lord, grace me to grow as a son/daughter of yours.

2- Father, let your word dwell in me and abide with me.

3- Oh God, eradicate every sin attitude out of my life.

4- Oh God, give me your righteousness.

5- Thank You Lord for the answers in Jesus name.

COMPLETE THE UNCOMPLETED CIRCLE

In life, everyone has been sent to answer to a course. There is no one that God has sent under the sun without an embodied agenda or assignment to accomplish. It may differ from person to person. Child of God, I will want you to understand that there is something you met uncompleted which you need to complete in order to celebrate life with other creatures. Some are called to address an uncompleted circle of events that have not been completed within the family circle, some within the gathering of God's people, some in the society or even breaking certain things that have hindered you as a person. There is a burden that you have had within you and it is like a yoke that must be broken. I want to believe that this is the set time for you to arise in the name of the Lord and get that which was not done, done. You must not end where your predecessors ended. Bring an advanced change, get that vision actualized. Make it complete. It is like Moses taking the Israelites and ending with them on the vicinity of mount Gilboa and half way and Joshua taking them to settle in their God's given Promised Land. Are you the one called in your family to answer to the unanswered questions? You must not fail because the creatures are looking up to you for a revolution. It is the time to win back; forge ahead with all determination. Go extra miles in bringing new events in doing what no one has ever done and establish what was

work you are called to do. Just as the men of old like Joseph, Gideon, Jephthah and many more who caused things to happen for their lives and their generation. As you take a survey today and identify those challenges in your life and generation, let the Holy Spirit empower you to arise and answer them. There is somebody somewhere, there are people somewhere, there is a situation waiting for your arrival for it to move forward as the scripture says in the book of

Isaiah 10:27 "It shall come to pass in that day that his burden will be taken away from your shoulder, and his yoke from your neck, and the yoke will be destroyed because of the anointing oil."

God brought you to Himself at a time like this to use you as His battle axe to handle certain foundational issues and for you to answer to the demands of Heaven as it was in the days of Jeremiah. God told him 'you were brought into the world at a time like this to be used as my mouthpiece to bring judgement to the wicked and hope to the righteous people.' Though he went through a lot of tussles in the hands of the kings who were enemies of righteousness, the anointing that God sent upon his life was there to fight and win for him. Child of God, I want to let you know that no matter what you are going through, the Lord has called you for a purpose and you are a battle axe in His hands. Arise in faith in the volume of the Word

but they shall not prevail against you; for I am with you to save you and deliver you, says the Lord. I will deliver you from the hand of the wicked, and I will redeem you from the grip of the terrible."

We can learn this from Jeremiah's life that from the very beginning of the book of Jeremiah, God told him that He had ordained him as a prophet to the nation. Child of God there is an assignment attached to your life and don't allow that God's given assignment to drop to the ground. It is a vision that God has called you to answer to. Jeremiah from the very beginning was like "God this thing is too much for me". Child of God, God cannot give you an assignment without giving you what it takes to go through the assignment. Don't see things by your human point of view; see them from God's point of view. As Jeremiah answered to the challenges of his time, God is looking for you to answer to that challenge that is going through your community, going through your nation and going through your generation.

You may see yourself as the weakest among your sibling and your brethren, all you need to do is just to make yourself available and the Lord will make His grace to abound more. As His grace abound on men of old and even today, arise and take your rightful position. You may appear the last but as the Hand of God comes upon your life, you will become the first and a voice for the Almighty

all these, the Lord was with him and he lived as a youth taking care of his father's flock. While on the field, the anointing upon his life made provisions for him to complete the uncompleted circle for his life. After that the Lord still used him to complete the uncompleted circle in his father's household. The Lord did not end with him at that level. He was still used by God to complete the uncompleted circle that befell the Israelites during the reign of Saul by confronting and defeating the philistine champion in the name of Goliath. The presence of Goliath with the absence of David kept Israel in total disorder and fear for forty days as we can see in

1 Samuel 17:16 "And the Philistine drew near and presented himself forty days, morning and evening."

David's appearance, though on the basis of giving food to his brethren, he did not know that God had a hidden agenda for him. When he appeared on the battle ground and heard the insults that were poured on his brethren, he made himself available to complete the uncompleted circle that was facing Israel as a nation. I want to let you know my readers that every assignment well done will come with a reward that will change your status and identity. So when assignments come, do not run from them. All the battles David won were as a result of the name of the Lord and he had that as a testimony. All the assignments set before you to complete the uncompleted

javelin. But I come to you in the Name of the Lord of Hosts, the God of the armies of Israel, whom you have defied. This day the Lord will deliver you into my hand, and I will strike you and take your head from you. And this day I will give the carcasses of the camp of the philistines to the birds of the air and the wild beasts of the earth, that all the earth may know that there is a God in Israel."

David got it done in the name of the Lord. All the challenges that God has brought to your awareness, arise and go through them and whatever you are going to do, the possibility of this is by working by faith and not by sight as declared in

Mark 11:22 "So Jesus answered and said to them, "Have faith in God."

The philistine came in the capacity of his physical weapon but David came in the Name of the Lord. The unction that the Name of the Lord carried was what granted David victory all round in all confrontations of life. I don't know the challenges that may be within you, within your father's house or within the family circle, within the society or within the nation, and within your generation. If God has attached a burden in your heart towards any of these areas, child of God you are that person that God will be using to settle some scores in your days and your generation. Arise these days and get this limit broken.

to you. Many were called by God, some to raise altars for God like Gideon in his days who was called to destroy the altars of Baal in his father's house and raise an altar for the Lord; like Mordecai and Esther in a strange land who were to deliver the Jewish people out of Haman's evil plans, like Daniel in Babylon and a lot more.

Child of God, as you engage in this walk, know that there will be resistances. This is because to deliver captives and to change a rule, it takes a fight. But as you rise this day to bind the strong man, as you rise to say No! To the devil and his hosts, as you rise to see the will of God done in the lives of men, the Lord will grant you victory. Whatever the situation may be, go against it in the Name of the Lord. Maybe it is a syndrome of fruitlessness, you will rise in the name of the Lord and prophesy fruitfulness until you see it manifest. Arise and stand in the gap for your family deliverance, family salvation or in whatever domain the Lord is sending you. Arise! Arise! Arise! And go through. God is stronger and bigger than the confrontation you may be facing in answering His course. There are many things to be done, many are perishing that need the salvation of their souls, many are bound that need to be delivered, many are held captive that needs to be liberated, many are shattered that need to be gathered together and the Lord says I sought for a man to stand in the gap. I pray you will be that man/woman that will say "Lord, here am I, send me".
