ACKNOWLEDGEMENT

I want to heartily thank all the vessels that made themselves available in one way or the other to make this publication of the Manna Feast possible especially those spending sleepless nights to pray for the Manna Feast material, the typist, all those with unlimited financial support and those available for distribution and sales of the Manna Feast, not forgetting printing press of the Manna Feast. The translation team (Ateafac Jude Forlem (672 757 864) email: judeforlem@yahoo.fr, Angyyie Hariet, Zoa Azang Armel and Brother Christian) have been of much help to make sure that this publication is translated into French.

May the Almighty richly bless you and grace you as we all labour in His vineyard. Remain blessed!

The General Overseer.

"THE MONTH TO OVERTAKE"

WATCHWORD:

"ISAIAH 32:15 "UNTIL THE SPIRIT IS POURED UPON US FROM ON HIGH AND THE WILDERNESS BECOMES A FRUITFUL FIELD, AND THE FRUITFUL FIELD IS COUNTED AS A FOREST"

BALI

Praise the Lord! I want to thank God for connecting me to grace. I joined this commission a few months ago and great has been the happenings. I had a promotion at my place of work. My brothers who had been writing the G.C.E, Ordinary Levels for the past five years and three years respectively, both of them made it this year after the servant of God prayed and declared that the yoke is broken. I also want to thank God for deliverance. My siblings and I had been sold to a deity unknown to us. It happened when my mother went to a witch doctor in search of a child. After some enchantments and incantations were done by the witch doctor at 12midnight she was initiated. This has been affecting us her children but thank God for the retreat 2016 with the caption "Arise and Shine in Glory". When we came back from the retreat, the secret was revealed to us by our mother unconsciously. We have been prayed for and now we are free. Thank You Jesus! You are Jehovah Overdo!

Sis Nicoline: 677 21 08 61

Hallelujah! To the Lord God Almighty. I want to thank God for delivering me from spirit husband through the hand in the "Manna Feast" I use to experience spirit husband encounters. A few months ago when I encountered this grace, I took the hand in the "Manna Feast" and placed it on the bed where I sleep. Since then, I have not had the experience again. Secondly, I use to sit in the sitting room

and the banner on all the walls and the floor of the sitting room, I have not had the experience again. To God be the Glory I am free!

LIMBE

Hallelujah! My father was sick of high blood and he could not sleep for two days. He was crying continuously for these two days and could not sleep. I took the case to Papa who asked me to go and pray for him. After praying for him with the hand in the "Manna Feast" he is now fine and sleeps like a baby. This has also birth a prayer in the family. I also bless God for chapters 2 and 5 of the "Manna Feast" that has made me to connect to the overflow of grace. Thank You Jesus!

ALAKUMA

Praise the Lord! I want to appreciate God for His covenant power over the "Manna Feast". We had been experiencing a landslide on a plot my father bought in Mankon (2009). I took some men of God to the land to pray but the slide kept on happening. When I complained to the servant of God, he prayed on a "Manna Feast" and gave me to go and bury in the land. From the time I buried it till date that experience got buried also. I am blessed by this publication. Chapter 3 got me inspired and transformed. More Grace to His servant in Jesus name.

Bro Clifford: 675 95 83 82

Hallelujah! I am so grateful to God for what He has done for me. I went to the University of Buea where I am carrying out my PHD program. My lecturers were very happy exclaiming that I have broken records in the PHD history of Buea. Then I realized the results were out and I was the best with 4(As) and 1(B). To God be the glory because it could only have been God and never me. Amen!

Bro Rogers: 675 30 72 67

NDOP

Hallelujah! I want to thank the Lord for saving my brother's son from the spirit of dead. One night we discovered that the child was cold and had difficulties in breathing. We used the hand in the "Manna Feast" and 15minutes after prayers the child became normal and started breathing normally. To God be the Glory!

Sis Mirabel

KUMBA

Praise God! My mother had severe waist pain and she could not leave from one seat to another. I want to thank God for healing her through the hand in the "Manna Feast". Now she can get up and she can do the things she could not do before. Hallelujah!

Bro Donald: 651 42 31 54

Praise the Lord! I visited my sister in Nigeria and after we had prepared food and eaten together, she began throwing out and suddenly she fell on the floor and became unconscious. I took the hand in the "Manna Feast" and laid it on her. Immediately, she regained consciousness. I just want to give God the glory!

Great! Great! Great! Great! We worship and bless the Almighty God for the love He has bestowed on us. We thank God for giving us a life we did not deserve and decorating us with all the savour from on high that make things good and beautiful. We thank the Almighty God for the daily bread that proceeds from the Heavenly menu. This has kept us vibrant to respond positively to all issues of life that we are able to celebrate victory at last. We also thank God for this month to "Overtake". Having been renewed and lifted, this is a season to Overtake. Those that thought you were abandoned and forgotten, transformation just took place last month and grace is coming over you to overtake. Stay connected to the flow of Heaven as you migrate from strength to strength and from glory to glory. Stay blessed as we move and dine on the Feast table of the Lord. Bless you!

MY FIRST LOVE

Deuteronomy 6:5 "You shall love the Lord your God with all your heart, with all your soul, and with all your strength."

Looking at our topic we were called and saved to show forth our love to the Almighty God. Not just our love but our first love. God is not in demand of a second place in your life; He is in demand of the first place. When we met the Lord, we were ready for Him at all cost. We were willing to obey, willing to work relentlessly, to follow till the end. Even when we were given instructions we followed carefully waiting for more work to be given. Over the years, there are indications that show that activities and worldly passions have adulterated our first love for the Lord. Looking at how one's first love has to react to the Master's will and command, your first love prompts you to lay all on the altar at the Master's command, not counting the cost. Your first love brings down your desire and will and lifts up the will and desire of the Lord. Your first love commits you to distant from the things the Master hates. Your first love commits you to live a life of gratefulness and not a life of ungratefulness and complaints. It commits you to be conscious of the Master's assignment to be done through you. It brings you to an

the gap between you and your God's given assignment. The above cited scripture says you have to love the Lord with all your heart, all your mind and all your strength. Looking at the scripture there is a commitment that is needed on your side as a watchman. If you fail in this command as expected, it means there is an adulteration to your first love.

It is necessary for each and everyone to take stock of his/her life in respect to their first love for the Lord. Having taken such a survey, you should be able to find out whether your first love for God is still in its original state as it was when you met God. If you objectively judge yourself, you will be able to draw a good conclusion which will help you understand whether your first love is still in place or out of place.

When we first met the Lord, we met Him to offer the very best out of our lives in the areas of our worship, our talents, our resources, our time, our obedience. Somehow we realized that as the days are unfolding, the conviction that we had when we first met the Lord is dying down gradually. The things we could not do when we met the Lord, we are going back to them and the things we walked out from we now find ourselves walking into them, if not by thought, by actions and desires. We are returning back to dressing how we used

to return to our vomit. The Word of God is commanding us not to return to those characters and habits we were once saved from when we were still in the world. Being obedient children we should show forth the love of Christ in our words, actions and desires even as the Apostle Peter declares in his Epistle

1 Peter 1:14 "As obedient children, not conforming yourself to the former lusts as in your ignorance;"

In the past, when you went a day without proper hours of prayers, you felt bad within you, you felt guilty when you are out of the place of fellowship when others are in the place of fellowship, you felt bad when you did not witness to people; but today you feel no guilt when you go out of the presence of God. I don't know what might have gone wrong with your first love. There is a cry for you to go back to that first love. Before, you could not withhold anything from the Lord if He was in need of it, you forwent all to make sure that all went well with the project your Father in Heaven has committed into your hands. But is it the case with you today? The Lord could access you before without resistance but today you have resistances not only with the Lord but with His Word and even His servants.

tread upon. If the resistances of the people of old could not stand, today even ours will not stand. There is a call for us to checklist our lives and go back to our first love as before for God is in demand of our first love and not our second offer. We now see all that is commanded from God's Word, as an option not as a command to strictly follow. Many of God's children are into a lot of funny things and even when the Holy Ghost convicts us, we do all to suppress His conviction. Many are into secret sins and they are doing all that men should not discover them in their sin.

Child of God you were not saved by man but you were saved by God through man and that same God will judge you tomorrow. It is unfortunate that we live a life to impress men rather than God; that is why we are being tossed to and fro. What we denied yesterday, we are accepting it today. God asked the church in Ephesus, "where is your first love? If God were to meet you today, will He still meet you under the same theology He kept you or He will meet you under the theology you borrowed from left to right?

Revelation 2:2-4 "I know your works, your labor, your patience, and that you cannot bear those who are evil. And you have tested those who say they are Apostles

I have this against you, that you have left your first love."

When we look at the above scripture, one may be tempted to ask can a committed church with all the above mentioned virtues still be found wanting? They were patient, labored and not fainted but God still said, despite all the above mentioned works of theirs, the Heavens still found an odd against them. That is a serious matter. The question now is what then went wrong with their first love?

A life well lived but not with the consciousness of rendering accountability to God is a life that will render work to God not with a genuine heart but with a heart to gain recommendation from men. A heart with which one labors and feels he has arrived is a heart that will provoke the seed of pride. The leaven (sin) that is unnoticed in the eyes of men is noticeable in the eyes of God. There is a degree of services that you are rendering that when viewed by men, it is ticked correct but God is saying I bestowed in you a capacity that could do more than this. Some may say O man of God, O woman of God you have done excellently well and you still hear the still voice telling you, "You have not started". Having noticed that your first love has been tampered with and your fear for God has

Revelation 2:5 "Remember therefore from where you have fallen; repent and do the first works, . . ."

You could free yourself by either sharing your experience with other loved ones or declaring the decision you have taken to return back to your first love. This decision will act as a sign post to keep you till your change comes. Having acknowledged where you fell, you should act immediately in doing what is expected of you from God. Let your first love help you to pay attention to the still voice of the Spirit. There are many that are inspired by the enemy to appreciate what is not to be appreciated. As you return to your first love today, the Holy Spirit will help you to portray the picture that is expected of you from the Lord. Let the passion for the fear of God, for the Word, to pray like never before, to be in His presence, for evangelism, return to you. Our prayer this day is OH Lord! take me back to my first love. The love that persecution could not stop you from praying, the love that makes you take pleasure in the work of God without murmuring, without comparing with anyone but doing all to see that all goes well in the kingdom of our Lord. If there is one thing that will draw us in a closer walk with God, it should be in this area of our first love with the Lord. Paul says in

is guilt.

Child of God apart from mouth confession, ask your spirit man what are you living for, has the Word of God taken the preeminence in your life as recorded in

Colossians 1:17-18 "And He is before all things, and in Him all things consists. And He is the head of the body, the church, who is the beginning, the Firstborn from the dead, that in all things He may have the preeminence."

In bringing your first love into place with your walk with God, it will bring heavens attention focused on you. Your consciousness towards the things of God and His works will not be a matter of an option, you will take delight in it and you will give in your all. Christ our Master showcased His first love in what He was sent by the Father to do on earth. It was on this basis that the Bible tells us in

Mathew 17:5 "While He was still speaking, behold, a bright cloud overshadowed them; and suddenly a voice came out of the cloud, saying, this is My Beloved Son, in whom I am well pleased; hear Him!"

Jesus manifested this practically in obeying and walking uprightly and when this was done while His agony came when He was in Gethsemane, His first love prevailed as

face, and prayed, saying, "O my Father, if it is possible, let this cup pass from Me; nevertheless, not as I will, but as You will."

With my first love in place for God, I will answer yes to the will of God when things are working for me and when things are working against me. But when our first love is tampered with, we will start giving God conditions for our obedience to be fulfilled. When you start to see people shy away from the responsibilities in the house of God, or giving conditions or excuses to do the work in the House of God, it is an indication that something else is replacing or taking the place of their first love for God. For no reason should anything or person take away your first love for God because when that is permitted, you should know you have opened the door for the enemy to ruin your life. You should never give yourself any reason to sin against God for Satan will give you a thousand and one reasons for you to sin. This idea creeps in and keeps enforcing when other things have tampered with your first love for God. Your first love being in place will keep you burning like a burning light that will radiate heat that no insects will settle.

In any area you must have suffered a setback in your walk with God, arise, get your first love restored and let the will of God be the prevailing factor in your

1- Oh Lord, have mercy and forgive me in Jesus name.

2- Lord, I detach from anything that must have taken your place in my life.

3- Oh Lord, I return back to my first love in the name of Jesus.

4- Oh Lord, empower me to stay true to my first love.

5- Thank You Father for the answers in Jesus name.

RESTORATION

When we hear the word restoration, it means something that has been working failed to work. It could be a system or an agenda that an individual failed to accomplish. This is because they did not give in to proper coordination or submission to the rules. As a result it may lead to a crackdown that stops the system from functioning well. From creation, all humans were God's Divine projects to carry out Divine assignments on earth. Every human can only have satisfaction by fulfilling their God's given projects or assignment. Nothing will give meaning to life if that thing or person lost his functional operation. Many vacuums are in the lives of men today because many are living without fulfilling the reason why they were sent on earth.

A vacuum (emptiness) within you is a sign to let you know something is wrong with your life. In correcting what is wrong, the act of restoration is unavoidable. If you have not found fulfillment in life as a person, you should know there is a need in your life for restoration. Only the Architect and Maker of your being (God) is capable of giving you the plan where the broken system of your life could be restored for you to celebrate. There is no way we can expect that God will put new values in

graciously, for we will offer the sacrifices of our lips."

God has commanded us to take words with us and return to Him. Returning to Him will commit restoration upon our lives. That is restoration of our missing identity, our God's given plans and power to fulfill them. Your life will not go forward on a positive direction without the act of restoration. When you see men roaming from place to place, it is the emptiness in them that pushes them to do such things. If they are restored, they will be stable. The devil takes advantage over lives that have been broken and ruined in sin. For such lives to overrule Satan's intention, they must be able to judge their fruits and their results. They should ensure that the right things are done by taking words of repentance and lamentation to God.

Israel in the days of Elijah was undergoing a period of severe famine and the famine could not come to an end until Israel was restored back to God by a servant of God in the person of Elijah. In as much as the Lord has made provision for our restoration, there is a pathway we must follow in order to effect the restoration. The Bible commands us that when we have a double mind, we can receive nothing from God. The scripture tells us that anyone who comes to God should know that God is a

between two opinions, it will be difficult for you to get restoration. You must make the devil know that God is your ultimate both in your actions and words. Your actions and words will put the enemy to flight. This is how Elijah followed principles that brought restoration to Israel when the land was covered with Baal worshippers.

1 Kings 18:21 "And Elijah came to all the people, and said, how long will you falter between two opinions? If the Lord is God, follow Him; but if Baal, follow him. But the people answered him not a word."

One of the things that will make people to delay their restoration after they must have fallen or gone astray is when they stand between many opinions when it comes to the things of God. The fact that Elijah spoke and got no response was because the people were of many opinions and that act suspended their restoration. For Elijah, serving God was not an option but an obligation.

Psalms 91:2 "I will say of the Lord, He is my refuge and my fortress; My God, in Him I will trust."

Child of God for your restoration to carry lasting results, you must make the Almighty God your only source. He should not be one of your options; He should be your all

but he did not change his commitment in God. This was a ground of faith in which he stood on for the restoration of the nation Israel.

Having done that, the next thing you need to do is to get what was spoilt repaired. That is, bringing what was spoilt into its original state. So take your life as an individual or as a church or body to the original pathway that she was created to be in the eyes of God. When that is done, nothing will hinder you from being restored. Note should be taken that in God's way of restoration, the later is always more glorious than the former. We learnt that Elijah repaired the altar in the order that God commanded it to be and as soon as Elijah's part was completed, the Heavens did not relent in restoring the land of Israel.

Child of God in this season where the Heavens has not relent to restore us, there is need for all kingdom seekers to go back to the old path of life set by God. The effect of your restoration will be an anthem of announcement among the creatures. All you need to do is to return to God and walk in the ancient landmark that was set by our fathers. That is what the Heavens know and that is what will work for us. On the platform of our restoration, every sacrifice that we will offer will provoke the glory form on high to fill the sanctuary of God. The message of His glory also carries a message to the enemy. We are

restoration, none of your enemies will escape. The presence of His glory indicates your victory over the enemy. Loved ones take word with you and get this altar repaired. We want to bless the name of the Lord for His provision given to us to get back all the enemy ever stole from us or destroyed in us.

Once more I say be restored! Be restored! Be restored! And the earth will yield its increase as the Heavens pour down the Glory in Jesus name.

PRAYERS

1- Oh Lord, I lift up my voice to you for a return.

2- Oh Lord, lead me in the ancient pathway.

3- Lord, restore me and let me recover all.

4- Every form of yoke, let it be destroyed now in Jesus name.

5- Thank You Lord for the answers in Jesus name.

BEING IGNITED

You were created to manifest and there is a journey that must be realized before one can get himself ignited for manifestation. You need to come to the place where your entire being will be ignited by the light of God's presence. Without this point of encounter, though called, your fire can't spark out to make you distinct among other people. You will live an ordinary life though you were created for supernatural happenings. Know that there is a price tag for every manifestation that is sponsored by Heaven. For your ignition to be relevant or sponsored by God, haven given God a heart of first love, haven been restored, the next thing you have to do is to come to the ground where you will be encountered by Divinity. Divinity only appears to people who hunger and thirst for its worth and glory. That is what the Heavens declare in the book of

Romans 10:13 "For whoever calls on the name of the Lord shall be saved."

Each and everyone have a responsibility to initiate their sparks from God. That is why you need to be informed of how you need to go about to trigger the fire of your entity sent from above. The Lord says whoever calls on His name shall be saved. So you must take the initiative

is not all about just calling upon God, it is also about waiting upon Him on the grounds of prayer and the Word. The Word will birth an encounter of the outpour of the power of God over one's life by the Holy Ghost. Such power is what will ignite you to break forth in your God's given domain. It will also facilitate and empower you to be in possession of Divine energy to overtake. This is the kind of energy that was released upon Elijah when he was in the place of prayer until his prayers provoked the rising of the cloud like a man's hand.

1 Kings 18:44 "Then it came to pass the seventh time that he said, there is a cloud, as small as a man's hand, rising out of the sea! So he said, go up, say to Ahab, prepare your chariots, and go down before the rain stops you."

Child of God, for your light to break forth, you need to engage into a prevailing prayer on a prayer ground. On the ground of prayers, your consistent remembrance of God's covenant Word over your life and all of God's provisions and blessings will cause you to break forth. So you must get yourself conversant with what He has written about you in His Word for what He has written cannot be altered by any power. You need to know that everyone sent on earth is sent with a volume of books that carries a vision of God's agenda for his life. I want to

through the seed of Abraham.

Genesis 12:3 "I will bless those who bless you, and I will curse him who curses you; and in you all the families of the earth shall be blessed."

You need to know the volume of God's Word that carries the worth and glory of your person. You receive the Word, believe the Word and act on the Word until you see it becoming flesh in your life. As there were scrolls written about Jesus, there are also scrolls written about you His children as seen in

Psalms 40:7 "Then I said, behold, I come; in the scroll of the book it is written of Me."

This kind of encounter when initiated will cause your book to be opened. Jesus got His book opened and His mission got fulfilled after the forty days and forty nights He spent in the wilderness. There is a price tag to be paid by anyone called by God for your book to be opened. The opening of your book is the ignition of fire. May you not live and die without your book being opened. When Jesus was going up to Heaven, He gave a promise to the Apostles and the disciples. They did not just fold their arms and wait for the promise to manifest but they went into the upper room until the fiftieth day when they were

as written in scriptures in

Luke 4:14 "Then Jesus returned in the power of the Spirit to Galilee, and news of Him went out through all the surrounding regions."

There can't be any proper mounting up without a proper consecration and waiting before the Lord.

Luke 24:49 "Behold, I send the promise of My Father upon you; but tarry in the city of Jerusalem until you are endued with power from on high."

When the disciples of Jesus obeyed these instructions in ***Acts 2:1-3,*** their evidence was clear. Even when Paul encountered Jesus on his way to Damascus in ***Acts 9:1-9,*** he spent many days before God for his profile to change. The Lord has not changed. Let us wait before God until the things that are written about us begin to manifest. Provoke today a deeper search in God's presence then you will be able to fire up in greatness.

PRAYERS

1- Oh God, create in me a hunger for your presence.
2- Oh Lord, open my profile with sparks of Your Glory.
3- I break up the yoke of satanic deception.
4- Lord, empower me as I wait in your presence.

GRACE ON PRESSURE

The delight of the Lord upon an individual or groups of persons attract confrontations that may seem to fight His purpose. Most often in life, carriers of destiny go through odds that turn to fight their purpose of existence. You need to know that what you carry from God, you only grow to find the content of that thing. You have an enclosed substance that is to be revealed with time and within this period you need to be careful of the tactics of the devil. Every great star was a star before men ever discovered he was a star. The greatness of your project may look impossible to you as a human but there is an available grace from God that is apportioned to sponsor that project. The Grace is apportioned to stop the opposing pressures available from the enemy by the Architect and Maker of your person (the Almighty God). We have cited that we should be aware of the enemy's tricks and tactics. When the enemy has discovered your God's given ability without you being knowledgeable about it, he will corner you with pet words and temporal delicacies. This is to make sure you find comfort in his camp and not to look forward to the greatness you were made of. God will be convicting us to be conscious of error but the enemy will try to convince us that we are not in error by trying to distract us with his delicacies that will

fulfillment. There is an inner thirst in your life that no matter the sweet words you may hear from without, you find it difficult to ignore. That inner thirst for your greatness is the presence of grace pushing you to your God's given direction. There is a slogan in the world, "If I can't stop him, let me join him". Most at times the enemy joins you because he knows by joining you he can contaminate you. That is why there is need to be conscious of the arrows of the devil. How do we explain this? Let us look at the scene that surrounded Moses' birth. Let us look at the testimonies of the midwives as linked to Moses that he was surrounded by pressures but he never yielded to those pressures.

Exodus 2:2 "So the woman conceived, and bore a son. And when she saw that he was a beautiful child, she hid him three months."

The mother of Moses saw something in Moses that she did not see in the lives of Aaron and Miriam. He was brought on earth at such a time that a verdict came from the palace against all male children. So this was a pressure against his existence. But one thing was certain. The grace that brought Moses on earth was more than the pressure that Pharaoh released against him. We are also told that when the mother hid this child for three months, it was

verdict could not kill Moses, he now brought Moses in the palace to join him. He knew that Moses' continual stay in the palace will thwart the purpose of God in Moses' life. Moses that was born a Hebrew was brought into the palace of Pharaoh to now grow as one of the Pharaohs. What a terrible displacement of personality. Hear what Pharaoh's daughter told Moses' elder sister in

Exodus 2:9-10 "Then Pharaoh's daughter said to her, take this child away and nurse him for me, and I will give you your wages. So the woman took the child and nursed him. And the child grew, and she brought him to pharaoh's daughter, and he became her son. So she called his name Moses, saying, because I drew him out of the water."

Pressure misdirected the source of Moses. Moses was not produced by water but pressure brought a destiny to look like it was water that produced him. Child of God, maybe going through this, pressure has also made you to accept a wrong source. As God corrects destinies in this season, let your own also be corrected. This was not what tied to the source of Moses' coming on earth. He was named not after God's desire but after the desire of Pharaoh's daughter. Any evil hand that named you after their own desire, let their intentions and their plans be destroyed. Despite all what pharaoh and Egypt did to

he was delivered, I pray for you my readers, that no matter the confrontations you have encountered in life, there is a grace from heaven to push out every pressure that has been hunting your well being. Pharaoh's daughter took claims over Moses' destiny as her son. I pray that as Moses came to age and refused what he was to refuse and embraced what he was to embrace, do same today. Let the grace of God be with you for Divine leading and fulfillment. The Bible tells us in

Hebrew 11:24-26 "By faith Moses, when he became of age, refused to be called the son of Pharaoh's daughter, choosing rather to suffer affliction with the people of God than to enjoy the passing pleasures of sin, esteeming the reproach of Christ greater riches than the treasures in Egypt; for he looked to the reward."

For the grace of God to find fulfillment in your life, you must come of age just like Moses did to be able to separate the precious from the vile. In doing this it will incur physical pain and rejection even in your psychology but the glory that this pain will bring about will be great and lasting. Moses lost the palace for the wilderness but when he came back from the wilderness, he could address not only pharaoh but the whole of Egypt. Have you been going through pain as a child of God because of the pressure the enemy has set against you? Know that

to address Egypt but he came by the Finger of God. Any pain you are going through, stay true to the Word and don't let your leg stagger on the lane and the pathway which God has placed you. For every tunnel has its own juicy reward if we can run well and not faint. In fact, without pressure, we will not be able to notice the greatness and power of God at work. As you stand and stand firm, you will see that at the end of the day, every pain that the pressure brought into your life will turn to great testimonies. Remember the Lord says, I will never leave you nor forsake you in

Hebrews 13:5 "Let your conduct be without covetousness; be content with such things as you have. For He Himself has said, I will never leave you nor forsake you."

Isaiah 49:15 "Can a woman forget her nursing child, and not have compassion on the son of her womb? Surely they may forget, yet I will not forget you."

Child of God, do not allow the enemy's pressure to give you direction for if God is for you no one can be against you. If you are not forsaken by the Lord, you will be accepted and if you are accepted, you will be lifted. It is because you have been chosen by God that you are faced

know that through God, you will triumph.

In as much as there are opposing pressures to the grace of God in your life, you have also been heavily imparted by God. Such potentials in you mount up tension that nothing will stop it from being exploded. It is like an enclosed fire in your bones that despite confrontations, the truth dwelling in you must prevail against life's confrontations. This is the pressure that came upon David and Goliath could not stop him until he executed what he was sent to do. There is a pressure from the grace of God upon your life and it is not to quench until the creature see your manifestations as a daughter and as a son. It is like Josiah at the age of eight years taking command over a nation. It is like Nehemiah that could not be stopped by Sanballat and Tobiah; it is like Mordecai that could not be stopped by Haman. Arise and break forth in manifestation for you were created to break forth at a time like this. Arise for you are too loaded and empowered to appear powerless. You have been filled and your vessel is in pressure to break forth. So arise and release it till the ends of the earth hear your echo for God. God bless you as you do.

1- Lord, thank You for the destiny you have given to me
2- Lord help me to be conscious of my God's given person
3- Lord, help me to live by the provision of your Word.
4- Lord, let every pressure I am going through bring me a testimony.
5- Thank You Lord for the answers in Jesus name.

FROM VICTORY TO VICTORY

The conflicting life in which one finds himself on earth is a need for an emergency call that will be able to create victory over the issues of life. There lies one platform where humans can guarantee themselves to exercise victory over one confrontation or another. It becomes a life made with a press down that at the end of the day showcase victory. The life of victory can be showcase by the life the individual carries. God has never suffered defeat so one thing guarantees victory and that is the God's kind of life. To exercise victory, we can personalize it because it comes to whosoever wills. The abundance of something indicates that it cannot be suppressed and victorious living is a gift from God to humanity which can only meet an individual if he is set for it. In as much as the thief the devil comes to take, the Lord Jesus comes to give. The Lord has promised to give us an overflowing life as we read in

John 10:10b " . . . I have come that they may have life and have it more abundantly."

Jesus came to give us the God's kind of life and this kind of life has what it takes to give one victory in all conflicts of life. It was on this basis that Christ told the disciples when He was about to leave the world. It was such a word

Me you may have peace. In the world you will have tribulations; but be of good cheer, I have overcome the world."

Christ overcame by the God life He carried and if we will cling to Him, believe His Word and act on it, that inherent life from the Father will be our portion. It was this inherent life that Nicodemus stood at a distance and saw in Christ Jesus over the issues of life and he said "You are a Teacher from God". So whatever proceeds from God and is living in the will of God has the seal of victory. It was on this basis that Nicodemus said no one live this way unless that individual proceeds from God and is living for God. Even some of the teachers of the law apart from Nicodemus testified about Jesus again in

John 9:16 "Therefore some of the Pharisees said, this man is not from God, because He does not keep the Sabbath. Others said, how can a man who is a sinner do such signs? And there was a division among them."

The God life in us saved us from the power of sin and that is why the Pharisees said sinners cannot access the things of God while they still stay in their sin. God hears us when we become His children by being born again by the act of regeneration as we repent from our sin to serve God in righteousness. So being born of God is to have power over sin.

sin, for His seed remains in him, and he cannot sin, because he has been born of God."

The power that guarantees grace for victorious living is righteous living. When you are a man void of God's own righteousness, no matter how you quest to become a victor, you will never become one. For everyone that is born of God hears and obeys God.

1 John 3:22 "And whatever we ask we receive from Him, because we keep His commandments and do those things that are pleasing in His sight."

Keeping God's commandment commits God to indwell His people and God cannot indwell us and we become victims of situations. During the Exodus, there was no nation that could defeat Israel in any battle so long as the pillar of cloud and fire was with them. For all their needs were met by the indwelling presence of God. They had different confrontations but the indwelling presence of God granted them victory to the extent that they were opportune to eat the Angels food. All that ganged up against Israel died before Israel. As you walk with God, His indwelling presence goes with you and leads you in the way. This leading presence guarantees your victory in all conflicts of life and anyone that dares to rise against you will fall for your sake.

be with you. I will not leave you nor forsake you."

It was on this ground that the Apostle John wrote in his general Epistle as he declares in

1 John 5:4-5 "For whatever is born of God overcomes the world. And this is the victory that has overcome the world – our faith. Who is he who overcomes the world, but he who believes that Jesus is the son of God?"

How does one access this God's kind of life? You access it by grace, through faith in believing in the only begotten son of God. It was this act of faith that made common people to become foundational pillars of the house of God as the early Apostles. For the scripture declares, the just shall live by faith. As you arise to enter your sonship and daughterhood this day, child of God embrace victory to victory, and glory to glory. This will be made possible by you giving keen attention to God's Holy Word and to the counsel provided in His Word.

Proverbs 15:22 "Without counsel, plans go awry, but in the multitude of counselors they are established."

As you pay attention to God's Word and abide by it, the Spirit of God, the Holy Spirit will be your guide and teacher. If you can become a student of the Holy Ghost, you will be a child of wonders and signs. The obedience to God's

Romans 8:14 "For as many are led by the Spirit of God, these are sons of God."

As a son, the Lord has given you the provision to ask and receive because the Spirit of God is there to guide you not to pray amidst but according to the Will of God. The Holy Spirit will give you strength and faith to give God an unquestionable trust and as you do, the Lord says in the book of Psalms that, you will cause your way to manifest.

Psalms 37:5-6 "Commit your way to the Lord, trust also in Him, and He shall bring it to pass. He shall bring forth your righteousness as the light, and your justice as the noonday."

All is said, all is done, live by His instructions and celebrate victory in all life's confrontation maximizing His grace and opportunity given to you. Stay focused!

JOIN ME CELEBRATE

The smile of the day indicates the bountiful fruits that the day brings forth. Those who thought you will not smile; I come to let them know that God has done it again. It is time for the onlookers to join the chorus and celebrate with you for the long awaited moment is over and a new day has just been brought forth, because the desolate place has just become a well of living water. Such an introduction may cause you to wonder but I come to tell you that the Angel of God is wiping your tears and after this encounter you will tell your neighbor, join me celebrate. God by Himself is the one to provoke this greatness of yours.

It is like Sarah, bringing forth her male child at the age of ninety, it is like Hannah being mocked coming back from the temple impregnated, it is like Elizabeth, well stricken in age but bringing forth the messenger to prepare the way for the coming of the Saviour. Like Peter sent to prison awaiting execution but there was a certain tap by an Angel which opened the prison gates. By faith, as you go through this word, start to tell everyone around you, my prayers are answered, join me celebrate because all accusations that stood against you, the Lord has brought you to focus and I can feel His glory, His presence initiating you now for a celebration. This is the day to celebrate that prophecy, the hour to celebrate that dream, the time to manifest that promise. Child of God, I may not know in which domain God stationed you, but I

you celebrate without hitches as the Bible tells us in

Psalms 23:1-6 "The Lord is My Shepherd; I shall not want. He makes me to lie down in green pastures; He leads me besides the still waters. He restores my soul; He leads me in the path of righteousness for His name sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for You are with me; Your rod and Your staff, they comfort me; You prepare a table before me in the presence of my enemies; You anoint my head with oil; my cup runs over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever."

The above mentioned scripture is your portion from the Lord. Claim it, possess it, and manifest it.
