MINISTRY TESTIMONIES FOR THE MONTH OF DECEMBER 2025

SANTA

Glory to God! I thank God for what He is doing in my life through the “Manna Feast”. I went and paid for my personal meter from the ENEO office and the light was connected. After some days a different group of people still from the ENEO office came and disconnected the lights, saying that I paid the money to the wrong people. I told the pastor about it and he instructed me to take the “Manna Feast”, place it on the pole that was disconnected and decree that the same people who came and disconnected will be the same people that will come and connect. To the glory of God, few days after, the same people came back and connected the light on the pole. I give God the glory!

Mama Martina:

BABA II

Praise the Lord! I am grateful to God for His hand of healing upon the life of my nephew. He had a mass growing in his brain. I invited him to church and prayers were made for him. After prayers he went for a scan in the hospital and the mass was not found. He was referred to Bafoussam where the scan was done again but nothing was found. I have come to return all the glory to God for His healing power. Thank you Jesus!

Mama Deborah:

INTRODUCTION

Glory and honour to the Most High God who through His mercy and loving kindness has done for us what He alone would have done. The navigation and travail in the pathway of life destined by God is to create in us the pattern of life that is appropriate and befitting for kingdom standard. There is a clarion call for all humans to partake in the royal convocation that is sent forth in this season where God will rule over us as our King, our God and our Father. It is a privilege for us to be part and parcel of the kingdom to experience and manifest the kingdom life which surpasses all other lives out of it. As sons and daughters of the living God, there is a wake-up call for us to arise and heed to the command of God; for the Lord Jesus said it is our Father's good pleasure to give us the kingdom. In other words, it is His good pleasure to make us partakers of the kingdom. As you arise to answer to this call, let the glimpse of the heavenly glory rest upon your life as you walk through the year 2026 in rigour and favour with God and with men. Once more welcome into this season of bliss!

CHAPTER 1

THE KINGDOM LIFE

The kingdom of God is a kingdom of royalty. One of the governing principles we must know about the kingdom life is to have a foreknowledge that God's kingdom is in righteousness and the standard of living that reflects the holiness of God among kingdom citizens. It is this standard of life that makes the kingdom of God outstanding and everlasting. Every nation ruled as a kingdom is being governed by a monarch; so, the Good Lord is the Sovereign Monarch over His creation. As a Monarch over His creation, He owns us and everything that He has created. Therefore, we as sons and daughters of God must live in obedience to Him in order to have access to the kingdom and to bear the fruits that reflect the kingdom life.

Hebrews 1:8 "But to the Son He says: Your throne, O God, is forever and ever; a scepter of righteousness is the scepter of Your kingdom."

The authority of righteousness is the standard tagged for the kingdom of God. That is why whatever we are doing, whatever we are called to do in the house of God or with the things of the Lord, it must be righteously oriented. As scriptures will have it, but there shall by no means enter it anything that defiles, or cause an abomination or a lie, but only those who are written in the Lamb's Book of Life ***Revelation 21:27.***

Another factor of being a partaker of the kingdom life is that you must be set and determined for it. You don't fold your arms to become righteous; you take the decision and take the responsibility to live righteous. It is that step of faith that opens the expression of God's grace upon your life and gives you the enablement to live right in the sight of God and in the sight of men.

Luke 16:16 "The law and the prophets were until John. Since that time the kingdom of God has been preached, and everyone is pressing into it."

You don't make it in the kingdom by being lazy or sluggish; you make it in the kingdom by being determined for it. The above scripture says since the time of John the kingdom of God has been preached, and everyone is pressing into it. People are making their way into the kingdom. Having been informed, you need to arise and make your way into the kingdom. As you do, there will be a rising of the kingdom life and its manifestation over your life. It is in this act of rising that you will find confrontation, persecution and different kinds of trials. This is because the enemy (the devil), who has once been there, will not fold his arms and watch you majestically walk into it. Satan and his agents will do all to see that you don't get there. Jesus will have this to say in the Gospel of *Matthew 11:12* that from the days of John the Baptist until now the kingdom of heaven suffers violence and violent men will take it by force. It takes a ready and a determined mind to be forceful. It is the kingdom life that guarantees the manifestation of the kingdom power.

In our transformation to access the kingdom life, the Holy Spirit of God must have His entrance into our lives to enable us to walk and live in the prescribed margin of the kingdom. There is something that is not the kingdom though it may follow those who are born of God's kingdom. Meat and drink are not the standard that defines God's kingdom. In ***Romans 14:17***, we have the definition and the power of the Spirit and its effect that gives us what the kingdom of God looks like. It says the kingdom of God is not in meat and drink but righteousness, peace and joy in the Holy Ghost. We should not be deceived nor give ourselves to live in deception. If we have not attained to the righteousness of God, irrespective of our ranking on earth, we may never obtain or be partakers of the kingdom of God. So the peace of God must have expression in us, the joy in the Holy Ghost and of course the righteousness of God.

We cannot live unrighteously and deceive ourselves that we will make it in the kingdom. We must lay a foundation of righteousness. The

righteousness of men can never stand the standard of God's righteousness because the righteousness of God is measured in the will of God and not out of His will. So, for everyone to attain the righteousness of God's kingdom, you must figure out the will of God and go for it. In answering to the will of God, you will obey the commandments of God and follow the instruction of God. But watch this; every instruction that is righteous must not contradict the word of God. Extra biblical exercises should be far from us as children of God because the Holy Spirit cannot contradict His word that was written by the Holy Prophets and Apostles of the Lord **2 Peter 1:21**.

1 Corinthians 6:9-10 "Do you know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators nor idolaters, nor adulterers, nor homosexuals, nor sodomites, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God."

So those who are governed by their flesh and their blood will not also be partakers of the kingdom because anyone governed by flesh and blood will be subjected to the lust of the flesh, lust of the eyes and the pride of life. Scripture tells us in ***1 Corinthians 15:50*** that flesh and blood will not inherit God's kingdom, ***Ephesians 5:5***, ***Galatians 5:19-21***.

One of the things that destroy the strength of the kingdom life is sin but when we step into the will or righteousness of God we emerge to manifest kingdom authority as sons and daughters of God. That is why the kingdom of God is not in words; the kingdom of God is in power ***1 Corinthians 4:20***. So the manifestation of power is part and parcel of the acts of God's kingdom. Let us arise and hold on to the kingdom life for it is in it that our right standing with God is guaranteed. Everyone in possession of the kingdom life is also in right standing with the Lord. Those individual live lives of peace, lives of righteousness, love, and lives of oneness that in effect they manifest

the power of the kingdom. Take it today and walk in the lamplight of God's prescription over your life as a son and a daughter. Live the kingdom life, arise in the glory of the kingdom and shine forth the light.

PRAYERS

- 1- Lord I lift my eyes to you, grant me grace.
- 2- Lord empower me with the kingdom life and its virtues.
- 3- Lord deliver me from everything that will disrupt the standard of the kingdom in my life.
- 4- Thank you Lord for the answers in Jesus name.

CHAPTER 2

KINGDOM PURSUIT

The perfect pursuit of God's kingdom can be centered on how much we love God, then the love for the kingdom. One thing that life clearly defines is that what or who you truly love, you can do anything for that thing or person to maintain that ranking of intimacy. The word of God has commanded us the measure of love we must express in loving God. You can't be in pursuit of God's kingdom without manifesting an unconditional love for God and the kingdom. In the gospel, a man came to Jesus in *Matthew 22:36-40* and was asking the Lord what the great commandment is. The Lord Jesus in response said you shall love the Lord your God with all your heart, and with all your soul and with all your mind. The second is like it, you shall love your neighbour as yourself. On these two commandments hang all the Law and the Prophets. Genuine pursuit of the kingdom goes along with

genuine love for God and the kingdom unconditionally. The reflection of God's love in your life will be seen in how you treat your fellow humans.

Loving your neighbour as yourself has to do with what scripture tells us in *Matthew 7:12* where the Lord says "Therefore, whatever you want men to do to you, do also to them, for this is the Law and the Prophets." One of the things that we can draw out from these scriptures is that we can't pretend to love God when we cannot love men. We can't pretend to love God when we cannot stand by people to see that the intended plan of God for their lives come to pass. If I love to be praised, I should learn to praise people. If I like to be honoured, I should learn to honour people. It is wrong for anyone to look low on humans that have been created in God's image as second grade humans. In the kingdom of God, there is no tribal difference, no ethnic difference, no language difference, no racial difference; we are all the same by content. It is just like water is water

irrespective of the container you put it. It is just like you put water in a black container, somebody may call it black but in fact, the water is not black. You may also put water in a white container; somebody may say it is white, but the water is not white. That is why our containers may have different colours but our contents from God are unique. Don't challenge anyone because of their physical looks; because God looks at the inner man of the spirit. When we have this standard as our base, child of God, we will be able to thrive on until we fulfil the intended purpose and plan of God for our lives.

We follow a trend of divine leading not actually based on who is leading us, but we are looking at the God in that vessel leading us. From scriptures, everyone that was set for kingdom pursuit, all of them who ran till the end ended up being dignified. Christ says everyone that has left the father, mother, brother, sister for My sake and the kingdom, in return will receive a hundredfold. As earlier said, no one who is set for the kingdom can end up in

shame. There are things you cannot say and there are things you cannot do because of your pursuit for the kingdom. Elisha in scripture was ploughing when the man of God Elijah met him. From the day Elijah met Elisha, he left all in search of God's kingdom. As we all know, the kingdom pursuit ended Elisha in honour above his peers wherewith onlookers were able to testify that the spirit of Elijah rests on Elisha.

Ruth the Moabite was set for kingdom pursuit. She abandoned everything she had in Moab, friends, property, relatives for the kingdom. In Ruth's life, the kingdom of God was her plan A, B and C. Because of the stand she took for God, even as a widow, when she was set for God, God was set for her. You that have taken a stand for God for 1year, 3years, 5, 10, 15, 20, 30, 40, 50years and above, don't give up. As you diligently walk with the Lord, that will end you in honour as it ended Ruth, Peter, Elisha and the Apostles in honour. Today, the kingdom of God is preached, and honour is attributed to their names and lives because they

were in pursuit of the kingdom. God who is faithful and remains faithful forever will in return wipe away your tears and make you to be celebrated among your peers. Don't give up on the Lord.

Many things will come your way in your pursuit of living a godly life, they may come to distract you; but be faithful till the end and the Lord will honour you. In the days of Ruth and in the days of Elisha, those that accompanied these people made them feel as if they were wasting but they never gave up their faith in God. When the sons of the prophets met Elisha in different geographical location, their approach to Elisha was Elisha it is a waste following this man because he will be taken away from you today. That approach was not to encourage Elisha but to discourage him. But he never gave in to those distractions. Don't serve God with a divided heart, serve him with singleness of heart. What qualifies us as disciples of the Lord is because we serve Him in singleness of heart. In ***Luke 9:62***, the Lord says; no one, having put his hand to the plough, and looking back,

is fit for the kingdom of God. For the creatures are waiting for your manifestation, you cannot manifest by falling back, you will only manifest by going through. You were called and saved to manifest; so, arise and get that project and that divine intention done.

Romans 8:19 “For the earnest expectation of the creation eagerly waits for the revealing of the sons of God.”

There are four things that will guide you in your pursuit to attain the goal set before you.

- You must deny self and buy the Master's will at all costs.
- Walk out of regrets which come because of you comparing yourself with others; your specie and calling is different from that of others and so too is your assignment. This will help you come out of the life of bitterness and regrets.
- Have a good heart towards men.

- Don't allow the virtue of patience to lose its grip on you.

If you watch on these things, blessed are you!

PRAYERS

- 1- Lord empower me with grace to be steadfast till the end.
- 2- Lord help me to stand watchful in order not to be derailed.
- 3- Thank you Lord for the answers in Jesus name.

CHAPTER 3

LOYALTY TO THE LORD

Philippians 1:21 “For to me, to live is Christ, and to die is gain.”

Everyone called to serve in God’s kingdom should know you are God’s steward or God’s manager. Every steward must be accountable. Once you are living by the laid down principles or norms of He who has made you a steward, you must be accountable. Paul says he is not living for himself, but he is living for the Lord; that is loyalty. When you live a life conscious of accountability, you will escape a lot of traps set by the enemy. Seeing yourself being accountable to God and living by that standard will keep you faraway from many of the evil plans of the wicked.

Being loyal will keep you glued not just to a gifting and a mandated assignment over your life, but it will keep you glued to the divine presence of God. We can see from scriptures from various servants

of God even from our Lord Jesus about His loyalty to the Lord which drew the heavens attention to lead wherever He went. Being loyal to God is a call of total surrendering; finding out what is that good and perfect will of God and joyfully embracing it. Many who began well but somewhere along the path they staggered was because they were being deceived by the enemy to feel that they were rendering services to man and not to God. Others took advantage of the people they were leading to trade them for personal gain. Scripture tells us how to live; that is the people leading and those being led in

Hebrews 13:17 “Obey those who rule over you, and be submissive, for they watch out for your souls, as those who must give account. Let them do so with joy and not with grief, for that would be unprofitable for you.”

The above scripture gives the demand on the flock towards the shepherd. It does not end there, the bible also tells us in the book of ***1 Peter 5:2-4***

what is expected of the shepherd towards the flock. Until we can align in being submissive to what God has given to us, we may not partake of the glory that is for those who are loyal till the end.

1 Peter 5:2-4 “Shepherd the flock of God which is among you, serving as overseers, not by compulsion but willingly, not for dishonest gain but eagerly; nor as being lords over those entrusted to you, but being examples to the flock; and when the Chief Shepherd appears, you will receive the crown of glory that does not fade away.”

There are things that we must understand as sons and daughters of God when it comes to total dependence on God. There are things that God expects us to carry responsibility on but those things that we don't have the strength to do for ourselves, God expects us to depend on and trust in Him to carry us through. One of the grounds to enhance direction of loyalty is on the ability to wait on God until He takes the lead for you. Never you allow pressure to make you go beyond your

boundary as a child of God. Learn to maintain your margin as prescribed by the Lord. Many at times learn to speak to yourself for a dishonest life will not make you any better. Anything you are trying to do out of the will of God will only end you in regrets. The most challenging aspect in dealing with the subject of loyalty is pain. Everyone can be loyal if there is no pain and he or she is in their convenience and comfort; but it becomes humanly challenging for a mortal to stay loyal amidst pain. There is a sufficiency of God's presence and His grace to enable us to submit to His will. What will make one submit joyfully even in pain is the amount of knowledge that you have. That is why it is important for you to grow in the knowledge of the word of God for there is no way you can enter the glory without going through suffering or pain. Even in our day-to-day activities, we must labour before we enter rest; we labour before we are rewarded. You can prove the scope of your maturity by how much you can go through pain and still stay humble and submissive to the will of God given to you.

Also, to stay loyal your faith and trust in God counts a lot. We must be watchful to make sure nothing takes the place of God in our lives. Make up your mind to stay true to God irrespective of any situation you are going through. Make up your mind to stay faithful till the end irrespective of the challenges you are facing. There were people that lived in loyalty to God and many of them risked their lives for the Lord by living in total obedience to the will of God. All those people ended up being honoured by the Lord. Joseph in a strange land was loyal to God irrespective of all that he went through in the land of Egypt. We all know the story; he ended up being honoured by the Lord. Daniel and the three Hebrew boys in Babylon were loyal to God irrespective of the king's commands. They did not soil their hands or their garments for fear of the threat of the king but they were bold enough to answer the king rightly in the sight of God and men. Daniel refused to defile himself with the portion of the king's meat. Daniel did not stop

praying even when a decree was passed that no one should pray to God.

A man who is loyal to God will live a life of integrity for the Lord. One of the things you earn by living faithful and loyal is the integrity that will sponsor the dignity of honour upon your life. The three Hebrew boys stayed faithful to God; they did not compromise their stance for the Lord by worshipping the idol of Nebuchadnezzar. At the end of their tunnel, God honoured them. Your steadfast faithfulness will earn you the honour God has ordained and destined for you. Whether you are to be served or are to serve others, maintain your faithfulness in all you do. Live a life of dignity, live a life of accountability, don't live carelessly, don't live a wasted life.

The apostles were faithful unto death. What they went through was not to appease anybody but to appease God and to do the will of God. In the darkest darkness God is watching you and He is the One to reward you. He says in His word that if

He opens a door no one can close it and if He closes a door, no one can open it. A life of faithfulness is a life of integrity, and a life of integrity is a life that will earn honour. The Lord says be faithful unto death.

Revelation 2:10 “Do not fear any of those things which you are about to suffer. Indeed, the devil is about to throw some of you into prison, that you may be tested, and you will have tribulation ten days. Be faithful until death, and I will give you the crown of life.”

Each moment of your life, let your eyes be fixed unto God and stay faithful till the end. It is good to start but the scripture says better is the end of a thing than the beginning. Live a life to end well by staying loyal to the Lord knowing that nothing gets bad in His hands. He is the one to amend and to deliver you out of every limitation. As your obedience and humility counts, God who has promised will never fail. Let the Lord go before you and lead you in the way, so that at the end of

the day, no one will be found wanting. If you suffer for the Lord, you will reign with Him. Walk so well and do well so that at the end of the day you will reign with Him. Watch on these things and do well and the Lord will bless you. Your reverend and submission to God is priceless.

PRAYERS

- 1- Father grant me the grace to stay loyal to you till the end.
- 2- Father give me a working knowledge as I face each day of my life
- 3- Thank you Lord for the answers in Jesus name.

CHAPTER 4

ONE CHANCE TO LIVE

There are thoughts and actions that thrive through the minds of men. When we look at the trajectory of life, her attention and commitment we have the reflection of yesterday, looking at the action of today, and the future tomorrow. We have nothing to do with the reflection of yesterday for yesterday is gone. Tomorrow lies a mystery because tomorrow is not in our power. So, the one chance we have to live ties to the action we are taking now. One chance to live is defined by the action and decision you are taking now. The only chance you have to live is now. The yesterday and tomorrow are not in our power. Giving life the chance to live today, we must be careful on the ground upon which we are making that decision and the effect the decision may bring to us as our reaction is based on our decision.

The Good Book says if you walk with the wise, you will be wise. Of course, the Good Lord is the

custodian of wisdom. Therefore, having a chance to live, make every decision of yours circled around where the will of God takes the lead. Let your decision be overseen by the counsel of God. Let His word, let the knowledge of His person light up in the path of your action being taken or your decision making. The Psalmist will have this to say about that action to be effected in

Psalm 127:1-2 “Unless the Lord builds the house, they labour in vain who build it; unless the Lord guards the city, the watchman stays awake in vain. It is vain for you to rise up early, to sit up late, to eat the bread of sorrows; for so He gives His beloved sleep.”

Wise decisions or actions are taken within the confines of God’s sovereignty and leading. Those who seek counsel for their lives from God will always triumph in the battles of life and those who don’t care about what God’s counsel says, their steps may look appealing and profiting from its inception, but the end of that journey will be sorrow.

That is why proverbs says there is a way that seems right in the eyes of men, but the end of such a way is the way of death ***Proverbs 14:12***. The joy of today is tied to the right decision you took yesterday and of course the future of your tomorrow will be as a result of the decision you will take today. Contra wise, the pain of today may be because of the wrong decision you took yesterday, and the pain of your future may also reflect the wrong decision you are taking today. So, you have one life to live and that one life to live is today. Your today matters most to you as a person than your yesterday and even your tomorrow. This is because today's decision may affect tomorrow as yesterday's decision affected today.

There is a leading of the voice of God over humans and the word of God commands that when you hear the voice of the Lord, do not harden your heart for when you harden your heart you will grieve the Spirit of God. When you grieve Him, your life will be misled and you will go astray.

Psalm 95:7-8 “For He is our God, and we are the people of His pasture, and the sheep of His hand. Today, if you will hear His voice; do not harden your hearts, as in the rebellion, as in the day of trial in the wilderness,”

One of the things that make people to take wrong decisions is the pressure of worries when they fail to cast their burdens to God. There are burdens you don't have what it takes to handle; learn to cast those burdens to God. **1 Peter 5:7** says casting all your care upon Him, for He cares for you. Learn to lay your burden at the feet of the Lord especially those areas and situations you find yourself in and you don't know how to go about them. But the ones you can rightly handle, you can go about with them and do them the right way.

Seasons come when you find men having moments to watch and pray, it is not a show of weakness but a show of wisdom. As you go through life history, you will realise that those who spent time to get the right counsel from God always emerged

victorious. Wise men fear God; they worship God, and they go for the counsel of God. There are instances in scripture like the instance of Isaac and Rebecca when they came together as husband and wife. The word of God says Rebecca was not fruitful. Isaac spent time with God to get that situation resolved by God and of course the Lord answered Isaac and Rebecca took in. Because that came from God, the future of that family was bright because their continuation came through a man who looked up to God for God to build for him. May the counsel of God order your steps to do what is right so that your life will be able to manifest its best in their given season.

In the Gospel of Matthew, Jesus warns the church about anxieties. There is something about worries; whatever worries you is above your strength. Learn to cast those worries to God because there is nothing you can do with your worries but there is something God can do with your worries by turning those worries to testimonies. In all worries

the Lord says look up to Him for He will take care of them.

Matthew 6:27 “Which of you by worrying can add one cubit to his stature?”

In worrying, you can't add anything to your stature. There is something you must do instead of giving yourself to worries. Those who give themselves to worries are those who have not known God. Those things you worry about are under God's control and in their season, God will deliver them into your hands.

Matthew 6:31-33 “Therefore do not worry, saying, what shall we eat? Or what shall we drink? or what shall we wear? For after all these things the Gentiles seek. For your heavenly Father knows that you need all these things. But seek first the kingdom of God and His righteousness, and all these things shall be added to you.”

Your commitment to ensure good days is your ability to seek the kingdom of God and the righteousness of the kingdom knowing that our lives are not defined by the abundance of our possessions but by every word that comes out of the mouth of God. In seeking God's face, you align to know and understand what God has for you. The entrance of that word will light your life. Once our lives are lighted, we can't walk in darkness. If we walk in the light, we cannot stumble by the conflicts and battles of life. In Christ Jesus, give your life the meaning it is worth by living today as if that is the last day for you to live. As you live today for the Lord, tomorrow will continue to speak well for you. Today is in your power, so one chance to live is given to you today. Make the best of your day.

PRAYERS

- 1- Lord thank you for the entrance of your word.
- 2- Oh Lord let your divine word lighten my life.
- 3- Lord I receive grace to make the best out of my days.
- 4- Thank you Father for the answers.

CHAPTER 5

BEING SHARPENED FOR INVASION

The conflicts we go through in life as sons and daughters of God indicate our quest in taking our world and shaping it to suit the standard of the kingdom of our God. There is no way you can expand God's kingdom without going through resistances and challenges. But the content of God endowed in your being is stronger and mightier than any resistance you may come across. There are vital steps that are needed for one to carry out proper invasion of life:

- You must have a survey of your vicinity and get it rightly interpreted.
- You must have the instrument needed for such operation; maybe human resource and other aspects that may be needed for such invasion.
- You must be equipped and come under divine leading or guidance. This will lead

you to have the knowledge of the season that is fitting for each operation.

Having gotten this, we will take our study by looking at the sons of the prophets that lived in the days of Elisha in

2 Kings 6:1-7 “And the sons of the prophets said to Elisha, see now, the place where we dwell with you is too small for us. Please, let us go to the Jordan, and let every man take a beam from there, and let us make there a place where we may dwell. So he answered, go. Then one said, please consent to go with your servants. And he answered, I will go. When they came to the Jordan, they cut down trees. But as one was cutting down a tree, the iron axe head fell into the water; and he cried out and said, alas, master! For it was borrowed. So the man of God said, where did it fall? And he showed him the place. So he cut off a stick, and threw it in there; and he made the iron float. Therefore he

said, pick it up for yourself. So he reached out his hand and took it.”

Looking at the above scriptures, there was a survey that the sons of the prophets took around their vicinity. If they had remained inactive to the situation, there won't have been any confrontation. But their survey was right, and they got counsel of God through their spiritual leader Elisha. Of course they pleaded with their leader to go along with them, and their request was granted.

Most invasions in our time have not worked well because most of the actors in place, once they get a glimpse of their assignment, they break off. You cannot expand in discontinuity. You cannot also expand as an island. Your expansion and invasion must get its connection from where you are coming from, as long as your source remain unadulterated. The sons of the prophets going along with prophet Elisha was a reference and a reverend to their source. The presence of Elisha with them was a mark to show that the word of God and the counsel

of God was there with them. In their process to carry out the invasion, they had a confrontation that their axe head fell into a running stream which of course was river Jordan. But the counsel of God under which they were operating prevailed against the storm that arose. As we know the story, the axe head was recovered, joy returned to the camp and their coast was enlarged. No matter the strength you must have acquired now, you need continuation to remain sharpened to render your effectiveness in the services that God has enrolled you in. Most people fail in life because of ignorance of how the law of the Spirit operates. You can't make it happen out of the counsel that birth you. You can't make it happen out of the source that gave you announcement or recognition. God honours His word more than His names.

The invasion in our generation is delayed because we have fractions that want to work autonomously by their own dictates and not according to the will of God. There is nothing new you are going to bring forth that the elders that lived before you

have not seen. What made Saul the first king of Israel not to continue in his dynasty as a king was because he wanted to live an independent life away from Samuel who made him king. In an attempt to do that, the expansion of Saul's kingdom was truncated, and it came to an end. The word of God that made you who you are today, you must continue with the source from where that word came from in order to guarantee your future's accomplishment. Joshua continued to expand because he continued in the path God handed to him from Moses. Those who could not continue from Joshua were nowhere to be found.

The prosperity of your life will be defined by your continuation and adherence to the word that was given to you from the Lord. We are just extensions of the existing structure that God set from the foundation of the world. Our invasion in this season will work well if we understand the provision of God's word for invasion and expansion. The church of Christ will not grow if the church tries to do something out of what was

handed to her from the Lord. There were people Christ sharpened that came to Him and He made those people disciples. They became vessels of renowned because of what the Lord did to their lives. The Lord told them if you must continue in this great work, you must continue in my word.

John 8:31-32 “Then Jesus said to those Jews who believed Him, if you abide in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free.”

Jesus told the Jews that believed in Him that if they continue in His word, then they are His disciples indeed. Invasion will not be guaranteed if there is no continuation with the source from where you were hewed. Without you continuing, you will be devoid of the truth. When you are devoid of the truth, freedom for invasion will be absent. Most often instead of being invaders, we become victims in the course of us trying to make things work. No matter how healthy the branch of a tree is, if that branch breaks off from the tree,

the branch will dry up. We must discipline ourselves not to preach another gospel but to make sure that the pure word of God passed onto us is passed onto our dying world the way it was given. Jesus commanded the church in ***Matthew 28:18-20*** that as we preach as He has passed onto us, His presence will take the lead.

Matthew 28:18-20 “And Jesus came and spoke to them, saying, all authority has been given to Me in heaven and on earth. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age. Amen.”

With His presence going with us, every resistances we have, we are going to obviously triumph over them and the word of God will mightily grow in our vicinities, towns, cities and nations and it will prevail over lives as it was in ***Acts 19:20***. As we

take on our feet to make disciples for the Lord, the power of the kingdom will be revealed as the Lord told us in **Mark 16:15-18** that go into all the world and preach the gospel to every creature. He that believes and is baptized will be saved; but he who does not believe will be condemned. And these signs will follow those who believe: in My name they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and the sick will recover. With the power of the word in your mouth, arise and take the world for Jesus. Don't allow your axe head of evangelism to go blunt. Sharpen it, arise and take your world, your city, your town for the Lord.

Ecclesiastes 10:10 says if the axe is dull, and one does not sharpen the edge, then he must use more strength; but wisdom is profitable to direct. Get sharpened and become effective as you arise in this season for invasion; for iron sharpens iron.

- 1- Lord make me an instrument of invasion.
- 2- Lord endow me and equip me for effectiveness.
- 3- Lord don't allow me to become a broken branch.

CHAPTER 6

THE GLORY OF THIS LATTER HOUSE

2 Peter 1:19 “And so we have the prophetic word confirmed, which you do well to heed as a light that shines in a dark place, until the day dawns and the morning star rises in your hearts;”

The glory of the latter house is a life that has survived storms, setbacks, in a nutshell a tunnel experience. The first time the Lord spoke to us in scriptures about the latter glory was in the days of prophet Haggai around 520BC when the people had returned from exile from Babylon to Jerusalem. When the children of Judah were taken captive to Babylon, the house of God was destroyed and was in ruin. When they returned, children that were born in the exile did not know how the glory of the former temple was, but the elders knew. There was a great lamentation of the elders who knew how the temple of God was beautiful and well decorated. Because of that devastation, they never had any hope that the

temple of God will ever be erected again. Then the Lord through prophet Haggai gave to the elders the way forward and of course stirred up the spirits of the people to awake from slumber and get the temple built. The Lord gave the people an assignment as He is giving us the assignment today. We should look within us to see what God has given to us and make the name of God in our midst a name of glory and honour even among people that have not known the Lord.

After the return of the men of Judah from exile, every man was trying to build their own edifice while the temple of God lied in ruins. The Lord said in the book of Haggai that you look for much, but indeed it came to little; and when you brought it home, I blew it away. They earn wages and they put it inside bags with holes. This goes to tell us as in scripture that everyone who keeps riches for himself is not rich towards God but everyone who rises to put the things that are of God first will always come to the abundance of riches that is sponsored by the Hand of God. What sponsors

this change is the entrance of God's word as we are receiving it this season. Your formation and manifestation is tied to the declared word of God sent into your life.

As you have survived these long years, it is time to arise by the word of the Lord as you give heed as a light that have survived out of the darkness. Our dawning is what will sponsor the latter glory of the house of God, the latter glory upon the sons and daughters of God. As you have survived this tunnel, the glory of these last days will end you in honour and in dignity. Because of the things you have suffered over the years, you look behind just like the elders in the days of prophet Haggai and you are saying the beginning of my day was more promising than the end of my day. It is just like the former temple was better than this ruin. The things you've been through, the casualties, the setbacks, the rejections and the reproach you've been through, as mortal, you are almost on the conclusion that everything is over. But the Lord has sent me to tell you your day has just dawn and

your day star is about to rise. Just like the elders thought in their days that their glory was over, as God spoke to Zerubbabel; you can put your name there, God is speaking to you now. As He spoke to Joshua, so is He speaking to you now. The work you are rising to do now for the Lord, you will see the Hand of God mightily over that work. It is His hand that will bring about the latter glory that will surpass the former. The Lord spoke through prophet Haggai to Joshua and to Zerubbabel; He asked the remnants. You stand this day as a remnant and out of you the remnant, God is going to bring immeasurable influence. In *Haggai 2:3-9* the Lord asked a question

Haggai 2:3-9 “Who is left among you who saw this temple in its former glory? And how do you see it now? In comparison with it, is this not in your eyes as nothing? Yet now be strong, Zerubbabel, says the Lord; and be strong, Joshua, son of Jehozadak, the high priest; and be strong, all you people of the land, says the Lord, and work; for I am with you, says the

Lord of hosts. According to the word that I covenanted with you when you came out of Egypt, so My Spirit remains among you; do not fear! For thus says the Lord of hosts: Once more (it is a little while) I will shake the heaven and earth, the sea and dry land; and I will shake all nations, and they shall come to the Desire of All Nations, and I will fill this temple with glory, says the Lord of hosts. The silver is Mine, and the gold is Mine, says the Lord of hosts. The glory of this latter temple shall be greater than the former, says the Lord of hosts. And in this place I will give peace, says the Lord of hosts.”

The Lord by His Spirit is the architect and the executor of the latter glory of this house and you are that house where the Lord will be expressing Himself in the way He has never done. This scripture must find fulfilment as declared by the mouth of the Lord. The entrance of His word is bringing upon you an encounter for transformation as your eyes are open to behold what the Lord will be doing as you step into this new year, and

this new season as ordained and destined by God. The dawning of your day star has arrived, to God alone be all the glory. Thank you Lord!

- 2- Lord I arise in your name to walk in newness of life.
- 3- Lord effect my manifestation as declared by your word.
- 4- Thank you Lord for the answers in Jesus name.
