PROPHETIC WORD:

"YOUR MONTH TO BE ON GUARD"

WATCHWORD:

1 PETER 5:8 "BE SOBER, BE VIGILANT; BECAUSE YOUR ADVERSARY THE DEVIL WALKS ABOUT LIKE A ROARING LION SEEKING WHOM HE MAY DEVOUR"

INTRODUCTION

As pilgrims on earth, we should be alert and be on guard in order not to be contaminated with the virus that the devil came down with when he was casted down from Heaven. Every second, the enemy is looking for someone to devour but your vigilance and sobriety will keep his agenda against you in suspense, never to be executed. For the Lord Jesus said "The prince of this world cometh but he has nothing in me". We will be able to stir up ourselves as we stay focused and mindful of the life given to us by God. We should know these are the last days and the enemy is bent to devour value carriers. Therefore value carriers should stand on their watch in order to maintain their status, preserve their lives for eternity and to meet the Master with a bright countenance and not with shame.

A cross section of what we are looking in our generation to be success is not sponsored by God. There are many wolves in sheep clothing sent into the world to deceive men. It is not all about activities but giving God a life that is without spot or wrinkles. You are called in this month to be alert and watch over your life in order to keep your garment clean for the Master's coming.

A democratic vote or majority may not make a decision right before God. A total life of obedience onto God ticks the individual right. For example the democratic vote of Israel in the wilderness to go back to Egypt was approved by men and not God and because God

disapproved it let to judgement. But the few that lived by the truth and total obedience to God's Word were approved by God and were crowned with everlasting honour. What made them succeed was because they were on guard and very conscious of the time. The corruption of their day could not lure them into error because of their alertness and consciousness to live for the Lord. Therefore in this month to be on guard, station yourself on God's Word and live in the company of God fearing people.

CHAPTER 1

THE CALL OF FAITH

The journey of God with man gets its ground on the platform of faith. When we focus on faith and its definition, it gives us a foresight of our actual identity as spiritual beings; that is to say, something not seen but with noticeable evidence. It is just like we can draw the heart, and cannot label the soul but we can see the evidence of the soul and mind. It is an invisible substance with effects that cannot be argued. You are therefore called by God to walk in faith. When we look at the Biblical definition of faith, it is awesome in presentation. God takes pleasure in the lives of His children when they respond positively to the call of faith. All that plays between God and humanity and other living creatures is being demonstrated by faith. It is this act that can make us to see, touch and feel today. It is faith that births action and not action that births faith. Abraham responded to faith before action was brought forth and other men and women that have had a walk with God.

Hebrews 11:1-3 "Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good testimony. By faith we understand that the worlds were framed by the Word of God, so that the things which are seen were not made of things which are visible."

What is seen today had its origin from what was not seen and you can only obtain a good testimony as a believer if you positively answer to the call of faith. Not being assured by what is visible but standing on the

infallible Word of God. Your trust in the Lord is when you anchor to His instructions and directives without a secondary thought of unbelief as the Word of God tells us in the book of

Hebrews 3:19 "So we see that they could not enter in because of unbelief."

An unbelieving heart cannot access the things that are profitable from God but every believer should know that God is too faithful to fail. For faithful is He who has called you, who also will perform His promises in your life. As He did for the Patriarch, He remains the same and He will do same to all who trust in Him.

1 Thessalonians 5:24 "He who calls you is faithful, who also will do it."

The faithfulness of God has never failed and can never fail. The call of God or the call of faith is an act to deliver greatness in the lives of those that will respond to it. That is why God's promises will take the receiver of such Words above their wildest imagination. It is but true and obvious that when you are faced with the call of faith, you should have it in mind that to get it fulfilled, you will go through some resistances. There is no one who has attained to the call of faith that went through an easy medium. When answering the call of faith, you need to have this knowledge in you so that when you are going through certain situations, you should not be surprised but know that they come your way to meet with the purpose of God who calls. Only a few are opportune to have a direct contact of this call of faith from God. To every believer or child of God, you are that few and it is

expected of you to get it maximized. Then you will be able to draw value by faith from the invisible to be framed up in the visible as the scripture points to us in ***Hebrew 11:3*** that by faith we understand that the world was framed by God's Word. And that Word of God is the Word of faith. This Word will have its true effect in your life as a child of God when you respond to faith action.

God demonstrates His power through man by the act of faith when men respond to it. When we look at the Patriarch Abraham, he had the call of faith. He was sent to a land he never knew. So also, everyone called by faith will attain a height of glory that he/she has never known. The Word of God is that creative power that carries the weight and worth of faith to answer for every believer. I do pray that the substance of faith will have its true course in your life; for if it does, your relevance will not be argued by any storms. Rather, it will subdue all storms. I want to let you know that the call of faith is the call to greatness, glory, enthronement. As you begin this New Year, know there is a call upon your life known as the call of faith. Get connected to all of God's promises, provisions and start to see it working in you now before its visible manifestation.

If you have been sick, as the Word of faith reaches you now, see yourself healed and claim your healing now for it is the invisible that creates and sustains the things that are visible, and gives command to what is visible. What natural ability can put up in a decade, a proper faith action can use an hour to address it. Just have a picture of how many years the people of Jericho took to build the fenced city and look at the hours that faith put to work used to destroy it. I pray the Lord will give you a

living and active faith that will birth results. As earlier said about Abraham, he left his native land by faith, knowing that He who has called was faithful, who could not lie. As he left his native land in ***Genesis 12,*** he got the promises, blessings of God and he received them by faith. But we will notice that after he got those Words from God, the Lord allow him to face a situation that was to challenge his faith.

Even today, to you as an individual, you may receive a Word, promise or prophecy from the Lord but don't be surprised that after your prophecy, you may have a hit down encounter (harassment). At such a time it is for you to let the situation know that you know your Redeemer liveth. Let us look at the scriptures as concerns Abraham for we are told he is the father of faith

Genesis 12:1-2 "Now the Lord had said to Abram: get out of your country, from your kindred and from your father's house to a land, that I will show you. I will make you a great nation; I will bless you and make your name great; and you shall be a blessing."

The Lord promised Abram that He will make him great and make a great nation out of him. And the last part of verse two says He will make him a blessing. I want us to look at the Biblical definitions of blessing. Blessing from God is an act of safety and abundance but when Abram engaged by faith physically, it was the opposite of what he received spiritually. Know that even when the physical is opposite to the spiritual authority, the spiritual authority is still in command over the physical situation. That is why the Bible says ***"Let the weak say I am strong and let the poor say I am rich".*** You carry that confession

to use spiritual mandated authority to subdue physical, contra situations.

Proverbs 10:22 "The blessing of the Lord makes one rich, and adds no sorrow with it."

If Abram was declared a blessing in the second verse of ***Genesis 12***, what we see in verse 9, seven verses later is contra to what verse 2 says for the Bible says in

Genesis 12:9-10 "So Abram journeyed, going on still towards the south. Now there was a famine in the land and Abram went down to Egypt to sojourn there, for the famine was severe in the land."

An onlooker or a literal person looking at this situation, may generate many questions; why should a man who has been blessed by God be challenged by a famine to an extent that the famine displaces him from his God's given location? This is a sign to let you know that faith is not defined from what is seen but it gets its true definition from the invisible. Everyone who is called by God should be aware that there will be physical challenges that will meet you after God's pronouncement upon your life. These challenges will arise and contradict God's spoken Word upon your life. But if you will stand on the faith of the Word of God, then you will be able to overcome the fiery furnace and shut the mouth of the lion with the given knowledge and the authentic power that is in God's Word. It is on this ground that Daniel made a statement in his prophecy

Daniel 11:32 "Those who do wickedly against the covenant He shall corrupt with flattery; but the people

who know their God shall be strong and carry out great exploits."

The substance of faith is worth its truth and the knowledge of God is to empower the believer to subdue contra powers. But if you fail to know God as you were supposed to, the Lord says you shall be flattered. So everything that contradicts the Word of God upon your life is satanic flattery and you can bury that by applying the Word of God over the intruding forces of darkness and wickedness. Every advertisement of defeat from the devil is flattery and you can overcome them by believing and living the prescribed Word of God into your life. For example, the threat of Pharaoh over the Israelites was a flattery to everyone that knows his God. So was the Red sea, the cold on the Mountain of Sinai and the heat there. The redemption power of Jesus that saved you from the world is stronger and Mightier than every mountain the devil may want to face you with as a redeemed child of God.

I want to congratulate you child of God because you were born to triumph and you have triumphed. If you are reading this booklet and you have not yet given your life to Jesus, this is the time for you to do so. You can do this by repentance from your past sins, confessing Jesus Christ into your life and Receiving Him as your Lord and personal Saviour. For assistance, call the numbers in this booklet and there will be somebody to talk to you. God bless you as you do.

PRAYERS

1- Lord, thank You for saving me and making me Your child.

2- Lord, help me to grow in knowledge and in the revelation of Your person.

3- Lord, empower me to grow and walk by faith.

4- Lord, I decree for every Red Sea to dry and every mountain to sink in the name of Jesus Christ.

5- Thank You Lord for the answers in Jesus name.

CHAPTER 2

PUSH

The promise of God bestowed upon one's life always provokes envy and resistance from opposing forces of the enemy. The value of your life cannot profit you if you cannot address these opposing forces in order for value to be brought forth. Many have desired in life to be frontliners and what you desire following proper procedures, you can become but if you lack knowledge; you may live and finally pass out of this world unnoticed. I want to call your attention to this, that being made in the image of God, there are values inside of you and there are opposing forces suppressing, harassing and oppressing you for you not to bring forth those values. But I have good news for you this day, ARISE AND PUSH!

There is an opposition standing your way and you must not relent your efforts. Arise in Holy anger and let that opposition know that you are determined for a change and will not let go until that change comes. Don't settle at nonsense for you were not made to end up at nonsense. It will be an abuse to the cross of Jesus Christ when all had been done by Him for you to be glorified and declared "It is Finished" that you end your life at nonsense. Every rubbish trying to mess you up, I pray that rubbish be extinct and buried. Arise with determination and commitment and break through. Brighten your world; get your life celebrated as you lay hold on "OPERATION PUSH".

What you've conceived and desired to manifest, force for it to be brought forth. If you don't push, you

will rot. So it is not an option here, it is a command. When God summoned Joshua after the departure of Moses, it was very clear that Joshua and the Israelites that were looking up to him will never have rest because of the opposing forces that stood their way. Though the blessings and promises are yours, you have a part to play for their manifestations. It is just like a pregnant woman; when she is pregnant, everyone knows she is pregnant but as we call it in our local language she can't be called "Mami pikin" until she pushes out the child. This is done through the push action in the labour room. Contraction comes to indicate that all is set for delivery but if the mother will not push, the child will not come out.

In this season, there are a lot of prophecies, projects, dreams, and visions that you are pregnant with and the Lord says you should push and push through. Keep no silence, relent not your efforts until your fulfillment and manifestation are satisfactory. God told Joshua after the departure of Moses that He was going to be with Him.

Joshua 1:5 "No man shall be able to stand before you all the days of your life; as I was with Moses, so I will be with you. I will not leave you nor forsake you." In as much as God gave Joshua a promise that he will live as a conqueror, God made him one but he was not just to fold his arms for all the enemies on his path to disappear. After God promised Joshua His presence, God told him to be courageous and also to anchor on His Word and to live by them. It will take your courage and determination for the Lord to show up for you and see you through. If you become lazy and lukewarm, though created great, you will live and pass out like an ant.

Joshua 1:9 "Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God is with you wherever you go."

Child of God, in this season, you need to take fear, unbelief, and intimidation off your life and let courage rise with danger. It took a push for Joshua and the Israelites to pass through river Jordan and also to bring down the walls of Jericho. For everyone to celebrate good success, you must arm yourself to arise and push. Paul writing to Timothy made a statement in summary for everyone to obtain true value, that individual must arise and fight. Jesus said same in the gospel as we shall be seeing. This is your season to push and push through.

2 Timothy 4:7-8 "I have fought the good fight, I have finished the race, I have kept the faith. Finally, there is laid up for me the crown of righteousness, which the Lord, the Righteous Judge, will give to me on that day, and not to me only but also to those who have loved His appearing."

All provisions have been made by God for us to go through and attain the height that was destined for us. You need to sit down and take a survey of all your privileges that the enemy has robbed you of. In this year of "RECOVERY, AND RAISING OF CHAMPIONS", you must not relent your efforts. Push through the Word of God, push through prayers and fasting, push through with company of pushers. As you do this diligently, your establishment will be guaranteed for your announcement. If you allow yourself to be lured by laziness, you will be meat for the diligent. I pray today be that prudent child, that prudent man and woman. Any message that will

sound in your mind that you cannot do is a deception from the pit of hell.

You can command yourself by calling your name, ***DO IT! PETER, DO IT SUSAN, DO IT PIUS!,*** you have been called and saved by God to be the **"DO IT" GENERATION**. One man said it is too risky not to take a risk, but this is not even a risk you are taking, it is an instruction given by God to advance your life.

Proverbs 12:24 "The hand of the diligent will rule but the slothful (lazy) will be put to force labour."

You are called in this season to respond to the syllabus given. If you postpone it, you will be given to force labour tomorrow without a trophy. I want to salute God for all the men and women that are going through this series in this season and arising to push to become. Let your good understanding of this topic bring to you favour from God that will dismiss shame and harassment out of your dwelling. Christ declared to us in

Mathew 11:12 "And from the days of John the Baptist until now the kingdom of Heaven suffers violence, and the violent take it by force."

Don't relent your efforts; don't keep silent until the brightness of your light do away with every form of odd or darkness. Esau the first son of Isaac was covered with such a depression having sold his birth right, being robbed of his blessing by his crafty brother and he cried to his father whether there was no blessing left of him. The father told him there was no blessing left for him but he instructed him of what to do to bring a change of significance to his life. When he applied this, he still lived

a significant life in his generation though he was deprived of his blessings.

Genesis 27:40b "And it shall come to pass, when you become restless, that you shall break his yoke from your neck."

Let "OPERATION PUSH" make someone restless until the yoke of intimidation is broken. It is not going to be a carnal warfare but a spiritual one that will birth physical greatness as the Bible clearly says in

2 Corinthians 10:4 "For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds."

When Esau discovered he had been cheated and robbed of his father's blessing by his brother, he was restless until the yoke of servitude came down his neck until his brother submitted to him. I pray somebody will rise this season and push. I want to urge you my reader sit down and take a close examination of your life, identify those issues that are making you feel unworthy, list them down and face them through God until you push them out of your lane. Get God involved and your possibilities will be realized for mighty through God, you will pull down every stronghold. Whatever is challenging you, arise and face those challenges with "OPERATION PUSH" and you will be victorious in the name of Jesus.

PRAYERS

1- Oh Lord, empower me to identify the targeted area of my life in the name of Jesus.

2- Oh Lord, empower me to address them and get them off my shoulders.

3- Let every yoke holding me bound be destroyed by the anointing in the name of Jesus.

4- Oh Lord, cause my light to shine in Jesus name.

5- Thank You Lord for the answers in Jesus name.

CHAPTER 3

BEING OUTSTANDING

To be an outstanding figure, you must live an uncommon life in the midst of a perverse and a corrupt generation. What will make one peculiar will depend on the seed that the individual is born of. Jesus the son of God who came down for our redemption portrayed and lived an outstanding life in the midst of a corrupt generation; being brought up in a place called Nazareth which was the center of atrocities. Jesus was an icon and that made His living outstanding. Being a Christian, the same DNA that flows within the blood of Jesus who is the Author and Finisher of our faith, should flow in us for us to manifest an outstanding life.

There is something that God has given to mankind for him to live a befitting life that will distance the enemy from him as far as the West is to the East. If the seed of God that was in Jesus dwells in us, nothing on earth will prevent us from being outstanding. When we talk about being outstanding, it is about you being exalted above the ordinary to live a super life that goes beyond the margin of human understanding. How can we then become members of this outstanding living? It is for you a free moral agent to identify with Jesus, believe in Him and accept Him and His Word to rule over you. The Apostle John in his general epistle wrote this to the church in

1 John 3:7-9 "Little children, let no one deceive you. He who practices righteousness is righteous just as He is righteous. He who sins is of the devil for the devil has

sinned from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. Whoever has been born of God does not sin for His seed remains in him; and he cannot sin, because he has been born of God."

A lot of people desire to be outstanding. They thirst and hunger for it but they look for it on deceptive grounds. Your life will manifest its fruits depending on the seed it carries. If anyone is born of God, that individual will have the seed of God that will put to manifestation the righteousness of God. If you are not born of God, you can't access the seed of God that demonstrates the nature of God. If you are under sinful influence and feels that the fruit of God's upliftment will identify with you, you are under deception. It is on this ground that the Apostle John said in his Epistle that little children, let no one deceive you for he who sins is of the devil.

It takes a carrier of God's seed of righteousness for that individual to do righteously and also it takes a carrier of the devil's seed of sin for the individual to go on sinning and both grounds have fruits and reward that follows them. It is the seed of God that preserves a believer from sinning. Even when a believer falls into sin, he can't remain in the sin because that is not the nature of his Father. It is like somebody slips and falls into mud but gets up immediately without being noticed by anybody or without anybody telling him to get up. If you see people who profess that they are Christians and they still live in sin, they are not Christians and they cannot be relevant. I mean such a relevance that is sponsored by the Finger of God. The purpose of the cross is made fulfilled in the life of a believer, when he/she is given to righteousness.

This is what makes your identity as a believer clear and outstanding in a corrupt world.

What Christ came to destroy in human life is the venom of sin and its seed and once that seed is destroyed, the seed of God is planted. You don't regret living as a child of God; you celebrate the life of God in you. It was on this ground that the Apostle Paul wrote to the Romans that he was not ashamed of the gospel of Christ. To those that were not born of the seed of God, the life of righteousness was a stumbling block to them. Living an outstanding life is carrying the God's life everywhere you are and everywhere you go. Daniel was an outstanding figure; not by birth of his carnal bloodline but by a God's given life. He walked away from anything that defileth, he thirst and longed for righteousness because the seed of righteousness was in him. When the seed of God is in your life, that seed demands and commands you to live righteously and the end result is upliftment for outstanding living.

Proverbs 14:34 "Righteousness exalts a nation, but sin is a reproach to any people."

Honour and respect shall never depart from you when you are given to righteous living. Dominion and control will be placed under your command in the estate of your Father. As it was with Abel in his days; he was commended for righteousness and he became outstanding. So also was Noah, Daniel; that though he (Daniel) was taking steps out of his fatherland, he still kept the standards of God. Today we see believers, location interrupt their God's giving standard. If you take a local avocado seed (pear seed) and plant it in Cameroon and

you plant another avocado seed in Europe it will still grow as an avocado (pear) plant. When people begin to change their standard because of change of location, I doubt the God they are serving because only the devil and his seed can do that. God and His children cannot do it. If you are truly a child of God, location cannot make you to change your God's giving standard of living just like the avocado (pear) seed. The seed of God in you cannot be corrupt; not for anything in this world.

The dominion you aspire that is not guaranteed by God's Word is fake and cannot last. Nebuchadnezzar was a wicked king and the dominion he exercised over Babylon never lasted but Daniel came with an express dominion from the throne of Grace and ruled with four different kings. This is because his dominion was backed by God whose seed of righteousness demonstrated outstanding relevance in the dark and even in broad daylight. In Mathew's gospel, Christ listed the parameter upon which God's seed can be seen with fruits and evidence and all these parameters are attached to blessing. Don't forget that what is blessing is what brings relevance.

Mathew 5:3-11 "Blessed are the poor in spirit, for theirs is the kingdom of heaven. Blessed are those who mourn, for they shall be comforted. Blessed are the meek, for they shall inherit the earth. Blessed are those who hunger and thirst for righteousness, for they shall be filled. Blessed are the merciful, for they shall obtain mercy. Blessed are the pure in heart, for they shall see God. Blessed are the peacemakers, for they shall be called sons of God. Blessed are those who are persecuted for righteousness' sake, for theirs is the

kingdom of heaven. Blessed are you who they revile and persecute you, and say all kinds of evil against you falsely for My sake. Rejoice and be exceedingly glad, for great is your reward in heaven, for so they persecuted the prophets who were before you."

The above attributes can only be made possible by the residing seed of God in a man. Without the seed of God, these outstanding virtues cannot be noticed in somebody's life. It is the total sum of the above mentioned attributes that makes one a salt of the earth with saltiness, and the light of the world that shines and overcomes the strength of any gross darkness. It is on this note that the Lord says you are a city on the hill that cannot be hidden. So your lifting and being outstanding with eternal life guaranteed can only be made possible by the seed of God in you. This is the kind of blessings that comes upon one's life with security and no sorrow can compete with it. ***Proverbs 10:22***

Mathew 5:16 "Let your light so shine before men, that they may see your good works and glorify your Father in heaven."

Good works are the bi-product of God's seed in a man. The Lord says in

Isaiah 62:12 "And they shall call them the holy people, the redeemed of the Lord; and you shall be called sought out, a City not forsaken."

Child of God you have been called to identify with God and walk in the lamplight of His Word to manifest an outstanding life.

1 Peter 2:9 "But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His Marvelous light;"

2 Peter 1:4 "By which have been given to us exceedingly great and precious promises, that through this you may be partakers of the Divine nature, having escaped the corruption that is in the world through lust."

PRAYERS

1- Oh Lord, plant in me Your seed (seed of Righteousness) in Jesus name.

2- I command the grip of corruption to break lose upon my life.

3- Father, empower me to move forward in the name of Jesus.

4- Lord, create in me a quest and hunger for righteous living.

5- Thank You Lord for the answer in Jesus name.

CHAPTER 4

LIVING FOR A BETTER TOMORROW

Proverbs 4:18 "But the path of the just is like the shining sun, that shines ever brighter unto the perfect day."

When we look at the programming of God and setting for mankind and other living creatures, we see that we were created and made by God to have a progressive difference. Looking at the above mentioned scripture, the Bible tells us that there is a path to be followed to guarantee a life approved by God. There is a kind of life that unfolds with greatness and there is another kind of life that unfolds with a diminishing factor or value. When we look at scriptures, in

Psalms 37:35-37 "I have seen the wicked in great power, and spreading himself like a native green tree. Yet he passed away, and behold, he was no more; indeed I sought him, but he could not be found. Mark the blameless man, and observe the upright; for the future of that man is peace."

Every journey of greatness starts very small. It is like the picture of a mustard seed that our Lord and Saviour made mention of. He said, the kingdom of God is likened to a mustard seed that is least among other seeds but when it undergoes the path of its upbringing, it becomes a giant tree than other trees. The tenderness of one's life because of God's nature that is in the life of that individual doesn't portray weakness; but it possesses a supernatural power released upon the individual by God which no force of

darkness can contend with. The wicked may start his journey with great influence but as the days unfold, he will no more be found as the Psalmist clearly says.

Every one who wants to ensure a tomorrow that will be glorious must get his/herself on the pathway of the just. Being on that pathway, the Word of the Lord will be your Guide by day and by night. I want you to understand the infallibility of that Word and the unlimited power it possesses because the Word of God has the beginning of everything known and unknown. It was before everything ever existed as the Bible clearly declares in

John 1:1&4-5 "In the beginning was the Word and the Word was with God and the Word was God. In Him was life, and the life was the light of men. And the light shine in the darkness, and the darkness did not comprehend it."

When we look at the above mentioned scriptures, we are told of the path of the just which is like a shining light that delivers a progressive chain of glorious event in the life of those that walk in it. So a just man grows ever brighter and brighter unto perfect days. That is God's provision for everyone who must have to face or live for a better tomorrow. You must locate your life on the pathway of truth, justice and love that does not fail. The scripture goes on to define to us the pathway of the wicked; that it may start with great influence and affluence but the end result will be a crackdown that will lead such an individual out of the zone of recognition. The Psalmist says he saw the wicked began a journey so influential with a lot of affluence but as the clock ticks, the wicked

keeps on dropping down, breaking until he or she is wiped out.

My readers, looking at the above mentioned point, you should have this in mind that being wicked to God and not obeying Him is of no benefit to you. It is therefore unprofitable for a right thinker to embark on a life that cannot stand the test of time but will end you on the platform of shame. In our contemporary world today, we can picture some few persons that sold themselves to wickedness. They started great but ended up less than an article in the market. The Psalmist says the wicked man began great but after a little walk, he sought for the wicked man but he could not be found. So it is with any man who is given to wickedness. We can cite men in history like Adolf Hitler who sold himself to the devil under what he called the Nazis Movement. Because of his wickedness, he ended up in a regrettable future. No one connected to him can be proud to say "I am of the down line of Hitler". He thought he was great but it only turned him to be a babbler and a noisy gong.

If you are the head of a family, a clan, or a nation and you are given to wickedness, you are only placing harm to your people. Look at the kind of death Hitler ended up in, he did not work with anything that identified with God's worship. But today, the Word of God is advancing and Hitler is no more, forgotten, no one can make mention of any good thing he did. Millions of testimonies are being born out of the power of the Word of God. The Lord says the wicked shall be no more. If they that did wickedly could not last, even today the syndrome of wickedness will follow those who are wicked.

We can also see a French infidel in the name of Voltaire who neither respected God or the people of God. Wickedness turns the minds of people to do things that will discredit them tomorrow. He waged a war against Christianity and the Bible. He did all to challenge the authority of the Word of God but his wickedness only sent him to an early grave. He challenged Christianity with this slogan "Christianity will be swept away from existence and passed into obscurity of history." These were the words of Voltaire against God and His Word but something happened 50years later. After his death, his house was bought by the Geneva Bible society and it was used to print more material for the Bible; the same Bible he mocked. God set an example on Voltaire, Hitler and a lot more like Idi Amin Dada of Zambia, Mobutu of Zaire; because of their wickedness, they ended up shamefully.

Those living today thinking that their wickedness will guarantee a better tomorrow for them will end in deception. No one challenges the authority of God's Word. It is the beginning and end of all things. Wise men heal their lives and get it illuminated with the Word of God. The Word of God is a life giving Word that lightens and uplifts the life of those that are born by it. The Bible clearly states that Jesus the Word of God, carries life that was the light of men and everyone that carried this Word giving life, the light that the Word produces through them shines in darkness and darkness cannot comprehend it. The light of a just man cannot be comprehended by darkness. As one given to just living, you are guaranteeing a better future for your life and paving your way to a lasting celebration.

Abel the son of Adam and Eve lived a life that guaranteed a better future for him. Though dead, he is still celebrated. Joseph lived a life of righteousness that put to birth a better future for him and his down line and today he is still celebrated. So also men like Daniel, Paul, John Wesley, and Susanna Wesley. They cultivated and built their lives on the platform of God's Word and till date the British Isle will live to remember the impact of John and Charles Wesley in the United Kingdom and beyond. They gave in to righteousness and though dead, their light is still shining. Child of God I want to ask you a question, the way you are living this life in the dark, in dead will the life still speak for you? If not there is grace for repentance for you to repent and forsake the evil path.

Psalms 119:11 "Your Word I have hidden in my heart, that I might not sin against you."

Psalms 119:105 "Your Word is a lamp to my feet and a light to my path."

Men that will live to see a better tomorrow must treasure the Word of God in their lives. The Word of God is the highest treasure that the Lord has given to mankind. It is by treasuring this Word that brings about the lamplight of the Word to lighten your path. Great leaders of old, for example men like George Washington gave great credits to the Word of God. Being an administrator, he had this to say when he treasured the Word in his life. He said it is impossible to govern the world without God and the Bible. In fact, the Word of God is the soldier's sword, it is the pilot's compass. It takes the topmost of all issues of life. A great philosopher by name Emmanuel

Khan a German idealist who lived in the years 1784 and 1804 had this acknowledgement in the Word of God "I believe that the existence of the Bible is the greatest benefit to the human race. Any attempt to belittle its belief is a crime against humanity"

Any one that finds this Word finds life and the life it offers to you goes along with a glorious future that each time men think and meditate on, they see it worth relevant. We want to celebrate God and be grateful to Him for enriching us with a life giving Word. When you hide the Word in your life, it will take command over your body and its commanding power will produce a lamp to your feet and a light to brighten your path as clearly stated by the Psalmist. The prosperity of the Israelites throughout their journey with the Lord, they were commanded time and again to anchor on the Word and give in totally to its instructions. Your submission to the Word provokes an overtaking blessing as the Lord spoke to Moses and to Joshua in ***Deuteronomy 28:1-14*** and ***Joshua 1:1-9*** respectively. Whoever you may be, if you are living a life out of the context of God (The Holy Bible), I want to let you know that anything you may call achievement will fly one day with wings.

Proverbs 23:5 "Will you set your eyes on that which is not? For riches certainly make themselves wings; they fly away like an eagle toward heaven."

Many are being deceived with the mundane things of the world; they possess it at the expense of their salvation. But Christ told Martha during His days on earth that her sister was on the pathway which no man can take from her. The better way is to have eternity tomorrow and

this can only happen when you live a life in the fear of God. Wealth without Jesus will develop wings one day and disappear as the book of proverbs tells us. So it becomes foolish to exchange your life with something which will not last with you. Make up your mind today; go the way of the Lord all the days of your life. Walk out of every deceit of the devil, be earthly alive and heavenly focused.

PRAYERS

1- Oh Lord, teach me Your ways in the name of Jesus Christ.

2- Lord, I come to You as I am and I yield my life to You. Grant to me Oh God glorious days ahead.

3- Father, break every yoke of deceit from my life consciously or unconsciously.

4- Father plant my feet in Your Word.

5- Lord, treasure me with Your Word for the rest of my life in Jesus name.

CHAPTER 5

VANITY UPON VANITY

Vanity is the emptiness that takes or replaces eternal values in one's life. Their inceptions appear pleasurable but their end result discredits us. ***Ecclesiastes 3:11&13. 2 Corinthians 4:18*** Most people are overtaken with vanity unawares. Many at times, they only notice the effect when they are already captured as we get the story of Jesus with a family in Bethany in

Luke 10:38-42 "Now it happened as they went that He entered a certain village; and a certain woman named Martha welcomed Him into her house. And she had a sister called Mary, who also sat at Jesus' feet and heard His word. But Martha was distracted with much serving, and she approached Him and said, "Lord, do You not care that my sister has left me to serve alone? Therefore tell her to help me" and Jesus answered and said to her "Martha, Martha, you are worried and troubled about many things. But one thing is needed, and Mary has chosen that good part, which will not be taken away from her."

The word vanity may have different interpretations and meanings to people but looking at God's presentation to the word vanity, it comes between looking at two substances one being eternal and one temporal. Of course as God's people, there are services that we are being occupied with which one day we will be separated from. The development of our world ties to our making as one leader once said that the greatness of a nation is not in the nation itself but it depends on the

dwellers of that nation. In other words, the greatness of a nation is in the hands of the people. It is unfortunate that people don't know how to put the sequence of work or services. There are things that are given to us by God to contribute to our lives. It will be wrong for us to equate ourselves with those things kept by God to contribute to our lives to ensure our well being.

Everything that is passing away is vanity and it will be improper for you to take what is passing away to equate it with your life that is an eternal being. It is good to be busy; it is good to be committed, hardworking, industrious, and wonderfully good. To advance our world is good but anything we are given into at the expense of our soul or the salvation of our soul becomes a great mistake. In everything you are into, let seeking of God's kingdom be your topmost priority. This will draw our attention to the events that happened during Christ's days on earth when He visited the family in Bethany. That was the family of Martha, Mary and Lazarus. We will read the story from ***Luke 10:38-42***. In this story Christ visited the family of Martha and Mary. We will realize that they both paid attention to two different directions. Jesus the Word of God was present. For Mary, Christ, His Word and instructions were her topmost priority. She wanted to get every bit of the Word of life and to be totally involved in the mission of Christ and His kingdom before any other thing could follow. In other words her position was to finish with anything that is God's before any other thing follows. That was not the case with Martha for the temporal activities occupied her most. She was so busy with the physical activities than for the Word of God to

take the first place in her life. The Bible says Martha was distracted with more serving.

Many Christians today are in the position of Martha. They can do everything with their body craftily to get material things at the expense of their relationship with God. At the end of the day, those things only end up to increase their sorrow. Those activities that you carry out at the expense of your relationship with God will only end up increasing your sorrow. The question you need to ask yourself is what is the vanity you are pursuing that is sending out the presence of God from your life? What are you in pursuit of which is sending out God from your life? Are you in pursuit of fame, for people to know you? Child of God for people to know you without a well cultured character for God is a problem. What are you in pursuit of, is it the love for money where you can do anything to have money, blackmail, blasphemy, kill in order to possess material possession, remember it will be unprofitable for you because Cain did the same and it was unprofitable for him as recorded in ***Genesis 4***. It was also unprofitable for Gehazi who forsook the path of righteousness and went through the mundane things of the world.

You could think you are smart, but know you can outsmart men but not God. What are you in pursuit of? Is it an evil immoral life, a life of secret sin, committing fornication and adultery in secret? You can hide from everybody but not from God, whatever a man sows, that shall he reap. For it is written, your sins will find you out. I pray this day, take a survey of your life and ask yourself which vanity has overtaken the value of God in your life? For Gehazi, it was the vanity of material

gain; this is also true for Judas Iscariot. For Solomon it was the vanity of an immoral life, for Martha, it was the vanity of socializing, which vanity has overtaken you? Is it love for money, quest for power or position?, or a lustful sexual immoral urge?, is it the quest for fame? I pray in the name of Jesus that let this yoke of vanity be broken. There is a call for re-examination and a genuine turning back for eternal life as Paul commanded his son Timothy in

1 Timothy 6:11-12 "But you, O man of God, flee these things and pursue righteousness, godliness, faith, love, patience, gentleness. Fight the good fight of faith, lay hold on eternal life, to which you were also called and have confessed the good confession in the presence of many witnesses."

There are things that the enemy have stationed in the world which are within his jurisdiction which he use to peddle the sons of God out of His pathway of eternity. These things are termed vanity. Paul writing to his son Timothy commanded him to flee away from these things. In the Epistle of ***1 John 2:15*** he was writing to the church telling them not to take the love they have for the kingdom and compare it to the mundane things of this world. It will be risky to give the mundane things of the world at the expense of your soul which is an eternal being. He said

1 John 2:15 "Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him."

Whatever is about taking God's place in your life, vomit it out for that is vanity sent from the pit of hell to track you down and hold you hostage for damnation? He went ahead by explaining that for ALL, I mean ALL that is in the world, the lust of the flesh, the lust of the eye and the pride of life is not of the Father but is of the world. And the world is passing away and the lusts of it but he who does the will of God abides forever. The lust of the things of the world displaces one from the will of God and once you are out of the will of God, you are set for condemnation. Jesus made this statement to Martha in ***Luke 10:41 "And Jesus answered and said to her you are worried and troubled about many things but one thing is needed and Mary has chosen that good path."*** Child of God I pray today you arise and take that good path which will not be taken away from you. For every aspiration advertised to you by the devil at the expense of your relationship with your creator is vanity for one day you will be separated from them. Solomon had 700 wives and 300 concubines. The Bible says he took his love for God and gave it to strange women. In the book of

1 Kings 11:1 "But King Solomon loved many foreign women, as well as the daughter of Pharaoh . . . "

The after effect was the breaking off of his walk with God for the Bible says God had commanded the Israelites before then that they should not marry foreign women. He spelt to them the consequences of breaking that law that the women will turn their hearts from seeking God first. When Solomon violated that commandment, it is written that his wives turned his heart away from God. There are some things that the enemy is advertising to

you to take your heart away from God, rise today and say NO! to it for God's grace is sufficient for the journey. It is my prayer that the Lord will deliver you from every vanity being advertised by the devil to switch you off the path of eternity.

PRAYERS

1- Oh Lord, deliver me from every vanity assigned to overtake me.

2- Lord, empower me to lay hold on eternal life.

3- Lord, help me to stay focused for the rest of my life.

4- Father help me never to lost my value in the name of Jesus.

5- Thank You Father for the answers in Jesus name.

CHAPTER 6

DON'T LOSE YOUR VISION

Pressure and calamities, rejections and isolation are tools the devil uses to make one lose focus and vision for life. In as much as pressure has a negative effect in its advancement, when you can view it through God's Divine Word, the opposite will be the case. What do I mean by this? Know that in any pressure that stands the pathway of your God's given vision, there is a present help sent by God to sustain you for it is written in

Hebrews 4:16 "Let us therefore come boldly to the throne of Grace that we may obtain mercy and find grace to help in time of need."

Never lose hope when it seems like all hope is gone. All you need to do is to retreat to God's presence to gather necessary information that will empower you to go through any present situation that may look painful or devastating. Why must you not lose your vision? When a man loses vision, it means he loses existence. But you should know that God is a loving and faithful Father who will not place you in a situation you can't go through. I don't know what you may be going through now. I want to let you know that God is in that matter than you. All He needs is your understanding and cooperation with Him and as you do, help will be sent from above. When one is in need of help, it is a point of acknowledgement that what he knows or have within him can't sustain him. The Psalmist says in

Psalms 121:1 "I will lift up my eyes to the hills from whence comes my help?

No matter the tempest you are going through, look up and looking up will make provision that no other thing will obstruct you from fulfilling your vision. The contra wave is not a sign for you to give up but it is an indication for you to press on. Men and women of value are subject to confrontations but the confrontations are not there to terminate them. Even when they appear as arrow of termination, you should know that God's content in you that embody your vision or what you were created to manifest have all answers to your manifestation known and unknown.

A man in the Bible by name Hezekiah got a message from the major prophet Isaiah that he should put his house in order because God was about to take him. When he heard this message, he was not ready to leave any stone unturned as far as his vision was concerned. He cried and looked up to God and the Lord changed His mind and added fifteen years to Hezekiah to fulfill his vision. He reasoned with God and God added him more years. This was the same thing that happened to Moses in the wilderness. When the children of Israel were to be killed, he stood the gap for them and their lives were spared. There is a height that keeps burning in your heart to attain to but more often, you may realize that many things are standing the way for your speedy advancement.

If Moses and Hezekiah could reason with God and God walked with them, who then is that demon that is standing your way to stop you from fulfilling your God's

given order? Some people are about signing out their vision because of the threat of persecution, misinterpretation of your person, false accusation, misconception and the devil is whispering to you to stop that vision. Arise and tell the devil to his face NOT MY VISION, NOT MY LIFE! I will live to fulfill my God's given vision.

In the book of ***Psalm 118:17***, the Psalmist woke up and realized the spirit of death was assigned to terminate his vision but because he understood the power of the Word, he was committed to fulfill and not to die as it is written in

Psalms 118:17 "I shall not die, but live, and declare the works of the Lord."

You can arise and declare as the psalmist did in his days. Joseph, the 11th son of Jacob had a lot of opposition during his days but he held on to his dreams. He began having confrontation as a child but there is one thing we can learn in his life that despite all what he went through, he remained true to God and to his assignment and God was faithful to him. At the time appointed, what he dreamt of was given to him. Child of God you might have had great dreams and because of the multiple of troubles, you are about losing heart.

You will worship and praise God more when that vision is announced as it was with Joseph. As God sent help from heaven and helped Noah until he constructed the Ark and saved his generation, to Moses, Jacob, Abraham and a lot more he is our God and has never changed. No man is strong enough to pluck you out of His vineyard, and unless you let go the vision, it will remain alive.

John 10:28-29 "And I give them eternal life, and they shall never perish; neither shall anyone snatch them out of My hand. My father, who has given them to Me, is greater than all; and no one is able to snatch them out of My Father's hand."

Child of God, there is a faith you are called to possess today and let the enemy know you are determined, you are unstoppable, and you are unkillable and this will tie to your faith action. There are things you need to know as you advance with your vision. One of the keys to your advancement in the midst of storm is to possess a courageous mind, being focused and sensitive. For Christ says God who has saved us through Christ and given us eternal life, is an embodiment of the vision and no power can stop it. We should not allow ignorance to take over our possession. Confess openly as the Lord declares in His Word that ***"Greater is He that is in you than he that is in the world."*** This should be your confession in the midst of storm as recorded in

John 5:4-5 "For whatever is born of God overcomes the world. And this is the victory that has overcome the world - our faith. Who is he who overcomes the world, but he who believes that Jesus is the son of God?"

Loved ones remain courageous and put faith to work for you are born of God and the Lord had declared you are an overcomer. What you think about yourself is who you will be. We want to close this chapter with the story of a young man born into a wealthy family but he never knew who his father was. The mother disappeared when this young man was still a baby and he lived his teenage life with his grandmother. The uncles were prominent but

death swept half a dozen of them within a year. When they passed away, he was left with his grandmother and no one to sponsor him in school. After a brief stay with the grandmother, she also passed away. So this young man was left at the cross road without human help but with God's Divine help.

Being a teenager, he tumbled on a message being preached by a man of God and watching through the window he surrendered his life to Jesus. This brought him into a supernatural connection with the Almighty God. He was without father, or mother but with a vision. God became his source and everything. God sent helpers into his life who granted him scholarship to the university level. Today he is an icon, the storms of dead couldn't stop his vision. Child of God, I don't know the storm that is making you to sign out, be strong, be courageous, don't lose your vision, stay alive and get it manifested in the name of Jesus.
