MINISTRY TESTIMONIES FOR THE MONTH OF APRIL 2025

BABA II

Praise the Lord! I want to thank God for the “Manna Feast” of the month of April. I was blessed by the booklet especially chapters 3 and 4, “Take it to the World and Don’t fill my Well” respectively. After going through chapter 3, it increased my zeal for evangelism and chapter 4 made me to be conscious of my walk with God. These two chapters helped me to stand firm in the Lord. I give God the glory!

Mama Deborah:

Glory to God! I thank God for His healing hand upon the life of my grandchild who was afflicted on her arm. She was afflicted and I took her to the hospital, tried several other methods to get a solution but none of them helped her. Then I remembered that I had the “Manna Feast” which I used to pray for the hand and she received her healing. Thank you Jesus!

Madam Bibian:

Hallelujah! I thank God for fighting and winning my battles for me. I have been having problems at the level of my family and I lost some of my children mysteriously. This time, the Lord fought for me and I became victorious in my dream world. Secondly, my son was locked up for some months and during the crusade program in Baba II, the church prayed and declarations were made that he would be released. To the glory of God, he has been released and he is serving God. I want to return the glory to God!

Mama Judith:

MBU

Praise God! Hallelujah! I am thanking God for His healing hand upon my life. I had been suffering from toothache for some time and despite the medications I took, none was of help to me. But after the servant of God prayed for me, toothache disappeared. For more than five months now I have not felt the pains again. I thank God for I am healed; I can chew, I can eat everything I could not eat at first. I have come to return all the glory to God! Thank you Jesus!

Sister Ukeria:

PINYIN

Glory to God! I thank God for His touch upon my life. I attended the prayer cell in Pinyin and there the Lord encountered me. I received a touch from the Lord after the servant of God prayed for me and I believe my life will never remain the same again. Thank you Lord!

Brother Prayer:

Hallelujah! I am grateful to God for the “Manna Feast”. The servant of God blessed me with a copy of the “Manna Feast” and since I began praying with it, the Lord has taken sickness away from my family. Secondly, my prayer life that was down has been revived and thirdly, I was delivered from spiritual husband molestation. Thank you Lord for this timely provision!

Sister Vanessa:

HOUSTON TEXAS

Praise the Lord! I thank God for the “Manna Feast” of the month of April 2025. The “Manna Feast has been a blessing to me and my family and I give God the glory for this provision. I pray the Lord will bless

the G.O and his team. I was blessed by all the chapters of this edition particularly chapter 2, “Keep Watch”. This chapter has empowered me with the ability to keep watch and I am watchful in every aspect of life. I thank God for knowledge. To God be the glory!

Pa Solomon:

BAFOUSSAM

Praise the Lord! I thank God for healing my son. He had a growth on his right side breast for a long time and the servant of God used the “Manna Feast” to pray for him. After prayers, we discovered the following day that the growth has completely disappeared. Thank you Jesus!

Sister Juliette:

Glory to God! I thank Him for healing my grandchildren. One of them had eye problems while the other had swollen jaws. I used the “Manna Feast” and the banner to pray for them and they both received instant healing. I give God all the glory!

Mummy Juliette:

Hallelujah! I am most grateful to impossibility specialist for what He has done in my family. My younger sister was betrothed to a chief when she was still small and her bride price was already paid. When she grew up, she was not interested in the marriage and she has been married three times but none of them was working. All attempts to refund the bride price to the chief proved abortive. I took the “Manna Feast”, opened the hand in chapter 7 and made some declarations. After the declarations, my mother called from the village to tell me that the chief is now ready to receive his money. I want to return all the glory to Jesus!

Brother Chrisantus:

Glory to God! I thank God for healings. My elder sister who is pregnant has not been feeling fine for sometime. When she went to the hospital, she was told that the fetus in her has a large stomach. The servant of God used the “Manna Feast” to pray for her and the stomach returned to normal. To God be the glory!

Sister Clara:

INTRODUCTION

We are welcome into this season of mounting up with strength through God to dismantle strongholds. We have to understanding that He who has called is the enabler of all who will be able to forge through in this season. Have faith, call on Him and press through in the name of the Lord.

Dismantling strongholds has to do with disproving a discourse that the enemy has been making use of; nullifying the effect of satanic structures in place. The primary assignment is to get them identified; then, deplore all weapons for spiritual warfare to nullify their effects in their various platforms of operation, silencing every effect of satanic maneuver. So whatever has been giving the enemy an advantage, here comes the divine tag for this season to get them addressed. We should know fully well that our walk with God has their various segments and God will be engaging us to get things done in the rightful way and in their seasons; so that, we can be able to answer well in all aspects of life when duty calls.

The strongholds will span from within to without. This will have to do with dealing with ignorance within us that gives an advantage to the enemy; knowing well that the antidote of ignorance is knowledge and

knowledge will stir up the power within us. The power within us will bring forth a revelation to breakdown and pull off all that which the enemy has done. So get your axe head sharpened for you are God's battle axe in this season. As you wake up, know this; that, He is the God that gives the power to will and to do His good pleasure. God bless you and welcome into this season of manifesting God's power and dismantling strongholds.

CHAPTER 1

ENCOUNTER AND IMPARTATION

One of the key factors that will trigger encounter from the Lord will be measured by your quest and desire for change. Encounter may be very rare to come by in the lives of giants that are lazy or sleepy. Your quest to recover values for your life is what will trigger encounter and of course every God's given encounters go along with an impartation. The intensity of your hunger and thirst or quest for change matters a lot when it comes to you longing and striving for an encounter with divinity. You will only possess what you have quest for; not just quest, you must be so desperate for it. Looking at the Sermon on the Mount from the Gospel of Matthew, the Lord said about people that hunger and thirst that they will be filled in

Matthew 5:6 “Blessed are those who hunger and thirst for righteousness, for they shall be filled.”

For you to be filled and endowed in all good things, you must be intentionally driven with a righteous mindset. When righteousness takes the lead in all you do, every other good thing will follow. So in your pathway to be equipped, to be endowed; for God to sponsor a transformation of a lift in your life, verify to make sure the lane of your pursuit is right. If the

lane of your pursuit is right, you will eventually start well and end well, lifting up a trophy.

Another virtue that you must consciously be driven by is meekness and humility. Meekness is not stupidity and it is not weakness; it is the highest standard of God's strength in operation in a man. When you possess a meek spirit you draw the attention of divinity to fully take charge in you and for you. The virtue of meekness is important for you questing for a change of honour because there are vessels that God have endowed to release what you need. If you are not humble or meek enough, they may bypass you even though you long for an encounter. When you upgrade your mind to be equal with the one who has to empower you, you should know you will never be empowered by such a person. This phenomenon has kept many vessels that were to be empowered to be at a standstill because in their ignorance, they equaled themselves with those that God sent into their lives to empower them. When you find yourself in that realm, you may never go well and you may never also end well. You must be meek enough before those that God has appointed for your lifting and inauguration.

Looking at the encounter that Saul the son of Kish had in **1 Samuel 9 and 10**, we will realize that to

obey the instructions of his father, Saul manifested two virtues which were obedience and humility. His persistence in looking for the missing donkey for over three days tells us how Saul was determined for recovery. Many at times we want to recover but we are not determined for our recovery. His persistence opened his spirit to meet the vessel that was ordained by God to engage the encounter he needed for impartation. Whatever you are seeking wholeheartedly on a right path, you will never be disappointed by God, you will have it. But if you are casual in seeking something, you may never get what you are looking for. You must be well determined for what you are looking for.

Another aspect we saw about Saul when he met Samuel is that he gave in to instructions that were passed to him first from the father, to his servant and to Samuel the prophet of God. When Saul went to meet Samuel, he did not go to Samuel as a rival but as a servant seeking for help. When he met Samuel, he was humble before Samuel. That is why all the instructions passed unto Saul, he obeyed them wholeheartedly. The encounter of Saul with Samuel gave Saul a turnaround in his life. If we go through the book of *1 Samuel 9 and 10*, we will be able to draw out all the activities that went on between Saul and Samuel the prophet. When Saul encountered

Samuel, he began doing what he could not do. He was anointed as king over Israel. Divine encounter will sponsor a rapid transition in your life. In ***1 Samuel 10:1-2***, the bible tells us that Saul was anointed by Samuel to become the captain over the children of Israel. The prophet went ahead and told Saul what will happen to him after that encounter. All what the prophet told Saul came to pass in their season. Samuel told Saul he will meet a company of prophets, and when he meets them, he will prophesy with them; that was impartation. When that start to happen, he said he shall be turned to another man.

1 Samuel 10:5-6 “After that you shall come to the hill of God where the Philistine garrison is. And it will happen, when you have come there into the city, that you will meet a group of prophets coming down from the high place with a stringed instrument, a tambourine, a flute, and a harp before them; and they will be prophesying. Then the Spirit of the Lord will come upon you, and you will prophesy with them, and be turned to another man.”

Looking at the above scriptures, Saul did not dictate to the one who was leading him; rather, he paid attention to the servant of God to know what was expected of him for every step he needed to

accomplish what his encounter with Samuel was designed to address. Without humility or meekness, arguments and strife will always be but if one is humble, the aspect of strife will be farfetched. This will bring us to *Acts 9* about Saul of Tarsus' encounter with the Lord.

Acts 9:3-5 “As he journeyed he came near Damascus, and suddenly a light shone around him from heaven. Then he fell to the ground, and heard a voice saying to him, “Saul, Saul, why are you persecuting Me?” and he said, who are You, Lord? Then the Lord said, I am Jesus, whom you are persecuting. It is hard for you to kick against the goads.”

Saul of Tarsus on his way to Damascus had an encounter with the Lord and that encounter birth a transformation in Saul's life and he became a child of God, a servant of God in the rank of an apostle that is God sent. The encounter that Saul had with Christ transmitted into Paul's life a Christ life; so Jesus became the message of Paul by that encounter. That encounter also brought an impact in Paul's life as a servant of God. if you realize and get the response of Paul in that encounter, he said “Lord”; that is humility, that is brokenness. I want to know what you want me to do; that is opening his mind for

obedience and of course the intention of the encounter was never abused; the intentions were all met.

The Lord instructed Saul to arise and go into the city and He would tell him what to do. Saul obeyed the instruction and there Ananias came and imparted Saul in the name of the Lord.

Acts 9:17-19 “And Ananias went his way and entered the house; and laying his hands on him he said; brother Saul, the Lord Jesus who appeared to you on the road as you came, has sent me that you may receive your sight and be filled with the Holy Spirit. Immediately, they fell from his eyes something as scales, and he received his sight at once; and he arose and was baptized. So when he had received food, he was strengthened. Then Saul spent some days with the disciples at Damascus.”

Every true impact that is birth by genuine encounter is filled with unarguable evidence and manifestation. Take a walk these days on the ground where encounters will be provoked for impartation over your life. With that you will be able to do well on the path that God has set before you to bring out the very best of His desired intention for your life. If what we call encounter cannot bring an impartation that befits

God's agenda for your life, such encounters are questionable and not genuine. You must reflect the lives of God and of Christ that encountered you and if you do, their missions will be fulfilled in their seasons through you. Go for it and get it done!

PRAYERS

- 1- Lord, let me find grace in your sight to walk with the right spirit.
- 2- Oh Lord let my quest for you bring about the expected results.
- 3- Lord, break the stronghold of a shallow life within me.
- 4- Thank you Father for the answers in Jesus name.

CHAPTER 2

THE GOD LIFE

We have been called by the Lord to have access to the God life. This life is given to us by His grace, through faith; like the scripture says, we are saved by grace through faith. The humans have had the privilege to access the creature life and the Creator life. Throughout the history of man and his Maker, man is the only creature among other creatures both terrestrial and celestial beings that had the privilege to have been made in the image of God. The manifestation and confirmation of this was seen in Christ; born of the virgin Mary, lived among people, laid down His will and life for the Will of the Father and the life that was in His Father was what empowered Him to fulfill the will of God on earth. We have also been called and saved by God to fulfill the His will just as Christ did. As earlier said, we have access to this life by our faith. In the gospel of *John 3:15*, we are told that

John 3:15 “That whosoever believes in Him should not perish but have eternal life”.

Without Jesus in us, we have the creature life; the life that every other creatures have. But when we believe in Him, we have access to the Creator life; the inherent

life of God which comes along with the nature of God. That is why the fruit of our lives will either tell us whether we are having just the creature life or both. That is why salvation is not in any other but in Christ Jesus.

Acts 4:12 “Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved.”

It is falsehood for people to believe that they can have the Godlife through prophets or through other medium within the human circle or angelic circles. Jesus is the only way and out of Him, you can't have access the Godlife. In the Old Testament, the elders spoke by the Spirit of God having witness of the Spirit of Christ but under the New Testament or the New Covenant, Christ came bodily to fulfill what was said in the Old Testament.

1 Peter 1:9-11 “Receiving the end of your faith – the Salvation of your souls. Of this salvation, the prophets have inquired and searched carefully, who prophesied of the grace that will come to you, searching what, or what manner of time, the Spirit of Christ who was in them was indicating in them when He testified beforehand the sufferings of Christ and the glories that will follow.”

Even in the Old Testament, the prophets got the life of God by the Spirit of Christ that dwell in them. This grace of God has appeared to all men; in other words, the provision of everyone's salvation has been made possible in Christ Jesus. Only those who have faith in this provision that God has made for all of us in Christ Jesus will be saved. That salvation earns you the credit of possessing the Godlife. The life of God in us is what gives us the ability to do that which God has intended for us to do without fail. The steering aspect to this life is binding on our faith. Failure to have faith in God, it will be impossible for this life to find entrance or expression in us as humans. John says he that believes in Him has passed from death unto life. Your faith in God is one of the premium things you must cherish and guard for it not to falter, for it not to be adulterated but for it to be living, quick and powerful.

The promise of God over our lives is activated on the ground of our faith in Him. If our faith withers, that promise will remain in suspense. It is just like the children of Israel received the promise of God in Egypt to migrate to the Promise Land. The Promised Land given to the Israelites is a picture of the rest believers have been given in Christ today; because, more of God's promises over our lives is stronger and more honorable than the hitches we go through

as process or pathway into His promise. As scriptures will have it, many of the Israelites did not make it to the Promised Land because of lack of faith. The scripture tells us in the book of Hebrews that many did not enter into His rest because of their unbelief.

Hebrews 3:19 “So we see that they could not enter in because of unbelief.”

The activation of our faith is vital in possessing the Godlife. With the life of God in us, what could not stop Christ cannot stop us; not even death, or the power of the grave. The devil knows this, that is why his battle is centered around our faith. If the devil succeeds to crumble our faith, he will crumble everything the Lord has ever promised us. Your faith is the sustaining pillar to keep you riding on the highway of the Lord. Jesus on earth looking at Apostle Peter told him Simon! Simon! Satan has desired to sift you as wheat but I have prayed for you that your faith will not fail.

If your faith will stand till the end, then your salvation is guaranteed. Don't allow your instincts to become your watchword; rather, let the Word of God stand strong in you to become a standard of your living. There are reflections of the Godlife in us; the life God has given us is the life of power and authority.

It is the life of righteousness; it is the life of peace. It is the life of unity, it is a life that shun down intimidation and timidity. It arouses boldness in you; just as we heard earlier, when this life has proper dwelling in you, anything that cannot stop Jesus cannot stop you. That life gets its survival by the written and spoken Word of God. Like Christ will tell the devil man shall not live by bread alone but by every Word that proceeds out of the mouth of God. When we have this life, the Word of God will have full expression in us ***Matthew 4:4*** and ***Deuteronomy 8:3***.

Moses returned to Egypt with the intro of this life and we can hear what God told Moses in Exodus; He said you will stand before Pharaoh as a god and Aaron will be your prophet.

Exodus 7:1 “So the Lord said to Moses: see, I have made you as god to Pharaoh, and Aaron your brother shall be your prophet.”

The life of God within a man sponsors the fruit of the Spirit and also the acts of the Spirit. The fruit of the Spirit preserves you in the state of God's indwelling presence with you while the act of God advances you in doing exploits for the kingdom. This goes hand in gloves. You must walk both in getting maturity to bear fruit as a child of God and also to

tarry until you are endowed with power from on high. With these within you, you will be able to conquer from the spiritual to the physical. The evidence and the relevance of God's mark over your being as a child of God will be outstanding. The Godlife is called eternal life; it is called abundant life. The treasure of this life can't be measured. It carries the radiance of God's presence and whenever it appears to any ground, the creatures pay allegiance to it. Carry the volume of this life and spark light to your world.

Few men and women that walked with God made a clear cut manifestation of this life. Abraham got access to this life as a patriarch under the Old covenant. Abel, Enoch and Moses got access to this life. What could stop others could not stop these people. Paul the apostle got access to this life that on the Island of Malta, the Barbarians testified that God had come down to us in the form of men. These were men born of women like us; but with faith and certainty in what God provided for them, they were able to bring the reality of God's word on the platform of expression.

Philip the evangelist in *Acts 8* showed a clear manifestation of this life. The believers in Antioch manifested this life and onlookers called them Christians. Our generation awaits you to bring a show

prove of this life that God has encountered you. They were unstoppable in the move of God and they radiated the nature of God. In our generation there is a common aspect, we are conscious of the move of God and not the life of God but both must go together. While we think and talk about the supernatural move in our time, we must also possess the life of God which is holiness, righteousness, and love. The bible says love does not work evil to his neighbor, love is patient, love is kind. Love does not keep record of wrong.

Many of us are tagged before the screen of heaven as murderers because of the hatred, bitterness envy and malice we keep against people. Let God's life speak in us, let God's life be made manifest within us and let the picture of Jesus be shown through us to our world. The greatest assignment of the church is living in the nature of God and bringing the world to the lamplight of the nature of this Godlife. There is a clause that brings about the picture of God in Acts of the apostle

Acts 4:32-33 "Now the multitude of those who believed were of one heart and one soul; neither did anyone say that any of the things they possessed was his own, but they had all things in common. And with great power the apostles gave witness to

the resurrection of the Lord Jesus. And great grace was upon them all.”

PRAYERS

- 1- Lord, having been born of you, grant us grace to live in one mind, minding the same thing.
- 2- Lord we receive grace to manifest your nature and your act in our lives.
- 3- Lord every yoke of besetting sin, let it be destroyed!
- 4- Thank you Lord for the answers in Jesus name.

CHAPTER 3

THE IMPACT OF THE VISION

All God's given visions have missions to be accomplished. The carrier of the vision must have a mastery of what he or she is sent to fulfill. That vision may never have a true effect until the carrier of it has a full understanding of it. As children born of God, we all have peculiar assignments of fulfill. The ability to have a true content of that assignment is what is lacking in getting the assignment done. You may never run well with the vision you have no clear understanding of. So visions have been tagged over your life but God cannot hasten that vision to fulfillment because you have not yet have understanding of what you need to fulfill. Like the call of Jeremiah into the office of the Prophet; God told Jeremiah who he was and whom He has made him to be. Many of us have received words and assignment from God like that but we have not yet grown to that point where we can pick spiritual signals and interpret them rightly. Because of this, it will be difficult for God to fulfill what He told us. This is where growth matters.

God must have told you I am going to make you great, prophet to the nations; through you I will save

many people; that information still has a long way to go to see its accomplishment. This is because the Lord will be following your activities to prove your growth and maturity. In ***Jeremiah 1:10-12***, these are fundamental principles to evaluate what God will do in respect to what He has told you as a person.

Jeremiah 1:10-12 “See, I have this day set you over the nations and over the kingdoms, to root out and to pull down, to destroy and to throw down, to build and to plant. Moreover the word of the Lord came to me, saying, Jeremiah, what do you see? And I said, I see a branch of an almond tree. Then the Lord said to me, you have seen well, for I am ready to perform My Word.”

Looking at the above scriptures, God told Jeremiah what He had planned for him. But for God to effect what He told Jeremiah, it will depend on the report he will give God on what God knows He has set before him. So if the interpretation of what you see does not meet with what is on the ground that God knows, it will be difficult for God to hasten that Word to get fulfilled. It is like in the Gospel, Jesus opened the eyes of a blind man and asked him what do you see? He said “I see men as trees”. That was a mark to let the Lord know that this man was not yet ripe to be sent on an errand. If he is sent on an errand when

he does not give the right interpretation of what is on ground, he will mislead his generation. When he was able to see men as men, he was sent. The ability to pick divine signals and interpreting them rightly is vital in effecting the call of God and the assignment of God over your life. This will draw our attention to know what is required of us to get spiritual sight of interpreting things rightly.

The first criteria in gaining maturity in spiritual things and having proper interpretation that will mark you right before God is the amount of the Knowledge of the Word of God you carry. God told Joshua this book of the law should not depart out of your mouth ***Joshua 1:8***. Jesus told the disciples if you continue in My word then you are My disciples indeed ***John 8:31***. Colossians will tell you let the word of Christ dwell in you richly ***Colossians 3:16***. The sharpness of Moses' walk with God was that he was mighty in the Word of God ***Acts 7:22***. It will earn you accuracy in discerning the things of God rightly. Jesus disapproved the Pharisee with his knowledge of the word for He was the Word. As one called by God, don't relent your efforts in growing in the knowledge of God's word. The indwelling presence of the word and knowledge of His word will earn you that accuracy in discerning between right and wrong, light and darkness.

Having had the quest in growing in the knowledge of the word, another aspect of effecting is to wait until you are endowed or empowered. That will open your spirit man for elevation and revive within you the strength you need to run with the vision. Isaiah will say they that wait upon the Lord will mount up with wings as eagles, ***Isaiah 40:31***, Like Jesus said tarry ye in Jerusalem until you be endued with power from on high ***Luke 24:49***.

Having been sharpened with the knowledge of the word, the ground of intimacy with prayer where our spirit can be in total communion with the Holy Spirit is vital. You stir up energy within you when you wait on the Lord. There will be an unprecedented outbreak of the anointing of the Lord upon you when you spend time with the Lord, praying and seeking His will for your life. There will be power released and the availability of power licensed work done.

The next point is to be mentored by those God have set over you to watch you. This is like Samuel being mentored by Eli, like Ruth being mentored by Naomi, like Timothy being mentored by Paul, this will also hasten God's word to fulfill. Samuel would have spent more time waiting but when he went to the mentor, he was able to tell him how to respond to situations like that.

Last of all is for you to understand that every vision that will see the light of the day must understand principles and disciplines that must be followed strictly; knowing what to do and what not to do, where to do and where not to do what. This discipline must be intentional because you know the worth and the outcome of that vision. This vision will make you to understand the assignment God has committed into your hands. Following the provisions above, the impact of that vision will be heard and felt because God will watch over you to bring the formation of that which God needs to see in you in order to hasten His word as the Prophet Habakkuk will say write the vision, make it plain that he that reads it may run with it and in the time appointed it will speak and not lie. Diligently go through that which God has given us in this season and bring that vision into manifestation and let the impact be felt for the glory of glory.

PRAYERS

- 1- Oh Lord grant me grace to diligently walk by the precepts you have set before me.
- 2- Lord endow me with grace to earn maturity.
- 3- Thank you Lord for the answers in Jesus name.

CHAPTER 4

O THOU MOUNTAIN!

Ephesians 3:20 “Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us.”

Breaking strongholds is not being done by your might alone as a vessel. What is expected of you as a vessel is your availability in the hands of God for Him to work through you. You must understand that the mountain is not going down by your might but by the Spirit of God. The consciousness of your source is very important in overcoming battles. When we look at the walk of the patriarchs, we will realize that in every season God met a servant of His that He was to use to address issues that were stronger than their own might as humans, He would always refer them to their source; and God is our source. Your victory is not about your ability; your victory is about God being your ability. When Jacob was running away from his brother Esau in the book of

Genesis 28:13 “And behold, the Lord stood above it and said: I am the Lord God of Abraham your father and the God of Isaac; the land on which you lie, I will give to you and your descendants.”

Looking at God speaking to Jacob, there was an inheritance that Jacob was introduced to; of course, there were mountains that were to be addressed through Jacob. There were the challenges he had with his brother, the challenges with the darkness on his way, the challenges in his uncle's house and a lot more. For him to access that inheritance, bringing down the mountain was a primordial aspect. Judging by his ability as a human, he would not have been able to bring down the mountains that were to be brought down in order for him to access the inheritance given to him by God. For all God's given inheritance in your life both in this world and in the world to come, there are mountains that must be addressed because for every carrier of values, your values will attract both celebrants and enemies. Some will come to fight the mission, some will come to help fulfill the mission but one thing you must know is to rehearse what Elisha told his servant; there are more with us than with them. Greater is the God that is in us than he that is in the world. That is why in bringing down that mountain, one of the things that you must do as an agent of change, a carrier of vision, is that you must be able to separate yourself from mixed multitudes like Nehemiah will do with the builders and the enemies that came in disguise like Sanballat and Tobiah. Don't join the builders and

destroyers in the same camp, “separate the sheep from the goats and the wheat from the chaff” for if you don’t it will waste your energy and may even end up strangling the vision and its carrier. Have proper discernment not to fit enemies in the place of raising subjects that will enable you to fulfill what you were called by God to fulfill.

To get all these rightly done, you must anchor to God who is your source, who knows everything, sees everything and has the power to do everything through you. That giant will go down because as you have knowledge of your source, your source will confront the giant for you. Moses says Lord if you will not go with us we are going nowhere but if you go with us, all the giants we meet will submit to us through you. In the above text, God is referring Jacob to anchor to Him as his source. As long as Jacob stayed glued to God, that land that looked impossible to be inherited; with God, it will be made possible.

The state of your spirit man seeing God at work for you is a great weapon of success in your journey to get into the inheritance of God set before you. When you see God at work in you, your spirit will be at rest. The servant of Elisha was troubled because he didn’t see God at work for them but Elisha was at

ease because he saw God at work for them. One of your cry and prayers should be O God open the eyes of my understanding to see you at work for me. Every mountain set before you by the devil, let that mountain face your source who is God. Your victory will not come because of you, your victory will come because of God who is your source. When God appeared as the source of the Israelites in Egypt, the Egyptians were subdued and they walked out of Egypt. When God stood as the source of Elijah, all the prophets of Baal were executed and Elijah stood out. Let that mountain face the wrath of your God while you triumph in victory.

In my years of walk with God, many have asked me how I survived the storms that have come my way; the secret of my victory is not about me; it is about my source, it is about the God who called and mandated me. As your eyes of understanding are enlightened as you see God at work in you and for you, I see that mountain giving way. In Jacob's walk with God, he would always consult where God met him. Be conversant on the ground of your encounter with God; don't allow any power to shift you out of it because that will be a testament for you. At the end of the day all the mountains that were before Jacob went down and God's word came to pass over his life. That mountain may seem immovable,

insurmountable but with God; with Immanuel, the mountain will become a plain. This is your confidence, your hope and your strength as a called out vessel. The consciousness of this will license your victory.

In the book of Esther chapters 3-5, from the conspiracy to the execution of Haman, the counselors of Haman and his wife were not afraid of Mordecai and Esther but they were afraid of their source. The wife told Haman we have searched out and know the history of these people. People that are connected to this race you don't win them. What made them unbeatable is their source. Any battle you engage with them, they will win you in the battle. So have the consciousness of God as your source. Zeresh told Haman boldly and clearly in

Esther 6:13 “And Haman told Zeresh his wife and all his friends everything that has befallen him. Then said his wise men and Zeresh his wife unto him, if Mordecai, before whom you have begun to fall, is of Jewish descent, you will not prevail against him but will surely fall before him.”

Watch that these men were all slaves, they were war prisoners in this kingdom but their source was never enslaved. At the end of the day they governed and

they ruled not by their power or their might but by the Spirit of God. Every mountain you have seen or will see is for God to show up on your behalf. In the book of Zechariah, we are told as is being said about Zerubbabel in

Zechariah 4:6-7 “So he answered and said to me: this is the word of the Lord to Zerubbabel not by might nor by power, but by My Spirit, says the Lord of hosts. Who are you O great mountain? Before Zerubbabel you shall become a plain! And he shall bring forth the capstone with shouts of Grace, grace to it!”

The project of God before Zerubbabel was to be sponsored by the Spirit of God, he only stood as a tool that God was to use to perform His counsel.

God’s commitment over you is to bring to place what He has set before you for His glory. Know that with God, you will certainly triumph. Rise up today to subdue the insurmountable mountains in the name of the Lord.

PRAYERS

- 1- Lord make me alive with your presence and with your spirit.
- 2- I stand in the name of the Lord to subdue all mountains.
- 3- Oh Lord carry me into my place of rest.
- 4- Thank you Lord for the answers in Jesus name.

CHAPTER 5

DETERMINED DISCIPLINE

Luke 4:16 “So He came to Nazareth, where He had been brought up. And as His custom was, He went into the synagogue on the Sabbath day, and stood up to read.”

Determined discipline has to do with a developed lifestyle that will end one on the pathway of progress. There are things that by creation, God has committed them into our hands to design them, form them, and make them to render results that will benefit us as humans. There are things that God will not do them for you because He has committed them into your hands as humans to take charge. We were not made by God as puppets; we were made by God as responsible beings and our lives are worth living when we give ourselves disciplines that will enhance developmental growth and the goodwill of God prospers in us.

There are things that we permit that will have expression in our lives and there are things that if we do not permit will also have expressions in our lives. In the above mentioned scriptures, the bible says Jesus had a discipline and following that discipline actually ended Him up to fulfill all He was sent on earth to

accomplish. You must develop spiritual discipline that will keep your spirit man in health in your walk with God and other spiritual assignments that you will need to accomplish. You must also keep to discipline that will keep your mortal body in soundness, and discipline also in your social life while on earth; discipline towards your financial or family life. All these values will not only be gotten on the ground of prayers; some of them will need physical implementations. For all these mentioned, there are different aspects of knowledge you must go in for in order to have them rightly implemented. Their various grounds of implementation are going to sum up the health and wellbeing of your entire life.

There are some things that we inherited due to the way we were brought up and those are the reasons why we cannot grow progressively in life. It will actually take discipline to break off from those habits; that is why our subject says determined discipline; you must be determined for it. For a system to work for you, you must have a mastery of that system. You must go in for the things that are needed in that system. Acquire the materials and deliver them in their said time. There was a discipline that men in the days of old gave into before they were able to earn the worth that we see and celebrate today. Without discipline, it will be difficult for you as a person to

earn and sustain true worth in life. It was the life of discipline that earned men of Old the honour they had at the end of their journey on earth. You must know how to keep what will preserve your dignity and not allow situations or circumstances to destroy them.

Jesus had many disciplines. Out of just being sent to save the world, He was also a carpenter; the bible tells us that. He was also under the tutorship of His parents; the bible tells us that. And the discipline He gave Himself to ended Him in wisdom and stature and favour with God and men.

Luke 2:51-52 “Then He went down with them and came to Nazareth, and was subject to them, but His mother kept all these things in her heart. And Jesus increased in wisdom and stature, and in favour with God and men.”

In this season, you must observe and take stock of those things that add value to your life, develop a discipline for their growth and sustenance. Because of lack of knowledge and negligence on our path, many good things that were supposed to enhance have bypassed us, if not almost bypassing us. There are things that you have come across maybe intentionally or unintentionally and you realize that

those things trigger values to work for you. Mark those things and cultivate a discipline for their growth. You don't get things done anyhow to have a consistent result. Anything that must produce consistent results is being governed by principles and discipline. There are structures that you must arise to put them in place and give yourself into those structures so that your system will become acquainted to them. It will become a lifestyle and you will realize that the worth of your being will keep moving on a progressive lane.

You must be able to identify those things that do not meet up with your purpose of living and disassociate from them. In this life you cannot meet with the needs of everything and the needs of everybody. So, hold on to what defines your ultimate purpose in this life and deplore structures that will be able to better that ultimate purpose of yours. In Acts of the Apostles, after the Pentecost, there was an influx of disciples that repented and they were zealous for God. The apostles realized other things that were not in their program started coming in like taking care of those who were impoverished and could not take care of themselves. They began opening financial and administrative grounds to manage the affairs of the church. As earlier said when the church was growing other things came in but the apostles made a statement

that was so powerful. The apostles were mindful of the discipline they gave themselves into before that breakthrough came. There are breakthroughs we have had also in life but many at times we lose sight of what we did to trigger those breakthroughs; but for the apostles, they never did.

Acts 6:1-4 “Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitudes of the disciples and said, is it not desirable that we should leave the word of God and serve tables? Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; but we will give ourselves continually to prayer and to the ministry of the word.”

If the apostles were not vigilant enough, the growth of the church that came as a result of them waiting on God would have been thwarted. They brought in the structure to manage the growth while they kept stirring up their spiritual bowels for spiritual strength and fortitude of the entire body. One of the things you must master here is, don't allow the extension

of your growth to defy or devour the source that birth that growth. So the apostles were guarding the source because something was coming called complain because of material things and if they were not smart enough, that issue would have defied their very essence of existence. The nucleus that triggered the growth must be well catered for. They were able to look at men that became a product of what they were living for; they did not bring foreigners to come and manage things that they were never conversant with. They said men filled with the Holy Spirit, with wisdom. You can't deplore carnal men to sponsor spiritual things; they will destroy it. When a pathway is defined as good, strength is expected to be deplored on such ground as often as possible. Being consistent and possessing a mindset to define all odds or opposition is also an aspect of discipline because without you having that determined mind to go through, every other thing may take you off path. Many have chosen good path but they were not determined to go through it; and the least resistance they had, they gave up. Don't expect to be pampered or cajoled when you are in pursuit of true values in life, you must learn to take responsibility. Learn to encourage yourself when there is nobody to encourage you. The opportunity God has set before you, righteously maximize it. In **2 kings 13:16-19**, the king of Israel was opportune to meet Elisha.

2 Kings 13:16-19 “Then he said to the king of Israel, put your hand on the bow. So he put his hand on it and Elisha put his hand on the king’s hand. Then he said, open the East window and he opened it. Then Elisha said shoot; and he shot. And he said, the arrow of the Lord’s deliverance and the arrow of deliverance from Syria; for you must strike the Syrians at Aphek till you destroy them. Then he said, take the arrows, so he took them. And he said to the king of Israel strike the ground, so he stroke three times, and stopped. And the man of God was angry with him, and said, you should have stroke five or six times; then you would have stroke Syria till you have destroyed it! But now you will strike Syria only three times.”

Looking at the above scriptures, the king of Israel was given the platform to structure the future for Israel and for himself. That was in his power to maximize the opportunity God gave him. Because he failed to maximize it, he became the reason for his limitation. That is why the servant of God Elisha was angry and exclaimed that God gave you a platform but you did not make use of it. There are many sons and daughters of God today; what they need to do to enlarge their coasts, they are waiting for God to do it for them when God has already opened the door for them. There are things you must rise to get them

done when God has given you the platform. You need to be well determined for that change you dream of or long for.

As earlier said, in your pursuit for values, don't expect men to pamper you; you must be mature enough to get it done. Your celebration will not come in the course of your process, it will always be at the end of the tunnel when you lift up the trophy. So set platforms and start to work hard on those platforms for those them to produce results that will enhance your wellbeing. Be consistent in whatever you are doing like the scripture tells us in ***Proverbs 22:29*** that a man who is diligent in his business will not stand before mean men, he will stand before kings. Being determined in every discipline you are into will earn you a heavy weight of honour. It was the determination of Joshua that ended him in the office to take over from Moses, it was the determination of Elisha that ended him in the prophetic office. It was also the determination of Ruth that ended her being married to the royal family. Even the apostles, they were determined. So as a child of God, be determined. God bless you!

PRAYERS

- 1- Lord endow me with courage to press through.
- 2- Spirit of God daily guide my steps as I gain new grounds.
- 3- Thank you Father for the answers in Jesus name.

CHAPTER 6

THE STRONGHOLD OF IGNORANCE

The absence of knowledge is the presence of ignorance. What overcomes ignorance is knowledge. When you are to be informed and you fail to be informed, you will end up being a victim of situations. Truth revealed teaches us that all we need and shall ever need had been provided by God from the foundation of the world. It takes the ladder of knowledge for each and everyone to mount on its steps and layhold on what he or she needs at every season of demand. Ignorance has lured men and women into unprecedented pain which knowledge would have brought lasting solutions to those situations. The highway of information will form true substance within you as a person and among us as a people. When you despise knowledge, you will suffer or incur a lot of casualties. The very first person to despise or reject you when you don't value knowledge is God. Ignorance is defined as being uninformed or uneducated, lack of knowledge or information. God rebuked the Israelites in the days of prophet Hosea for their lack of ability to go for knowledge and to go for truth.

Hosea 4:6 “My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; because you have forgotten the law of your God, I also will forget your children.”

There are many things we may suffer in life if we neglect the aspect of knowledge or being empowered with information. The contributions of persons with virtues into your life will empower you as a person and make you stand tall. This is because when people contribute virtues into your life, they only come to add to the existing virtues in your life.

The Lord says if we reject knowledge, He will reject us. We should carry the mindset of continuous learning and it will enhance our betterment as sons and daughters of God. What you are informed of, you master it but what you are not informed of masters you. God says ignorance destroys; He says “My people are destroyed for lack of knowledge”. The entrance of knowledge will convert a lot of things in us; thereby making us sound in our day to day life. The word of God tells us in the book of

Proverbs 23:23 “Buy the truth, and do not sell it, also wisdom, and instruction, and understanding.”

Our strength of invasion can be measured by the volume of knowledge we have access to. Knowledge will teach you to know how things work but ignorance can't. Knowledge will help you to understand seasons and their demands; ignorance can't. It is the will of God for us not just to have knowledge but to grow in knowledge. The increase of knowledge gives us ease in our day to day life; in fact knowledge facilitates our living. Without instruction that will render understanding, the strength of knowledge may never have expression in our lives. I come to realize years behind that most of the pains we go through is because we never had proper information. Certain things we look at as abnormal, in real life, if we are well taught, we will not see them as such. For example, a man void of knowledge sees challenges as a problem to flee away from but a man with knowledge sees challenges as an opportunity and takes advantage of it for growth and progress. A man void of knowledge runs away from challenges, not knowing that what you fail to address today will only appear tomorrow as a greater monster in your life. That is why in life there are times we consult persons that have mastery of particular disciplines than you. For example, there are times you can take ill and you may go to the hospital and after check, they may give you little of what you expected to have because

the right diagnosis have been done. Knowledge will teach you what to do, when to do it and how to do it well. Years ago, malaria was a threat to the world when knowledge had not opened doors for its treatment but when treatment came, it was no more an issue.

Years ago, different ailments which are treatable today were nightmares to the population but today it is not so. Same too, there are things from the spiritual to the physical that if we can grow in knowledge, those things will come under our control. As a matter of fact, knowledge brings things under our control but the absence of knowledge will cause situations to control us and determine our fate. Knowledge today has facilitated visual and audio communication and things that have lesser information have been relegated. The knowledge that surpasses all is the knowledge of the glory of God. It comes with treatment that answers to the body, soul and spirit. God has made provisions for that because it is declared in scriptures.

Habakkuk 2:14 “For the earth will be filled with the knowledge of the glory of the Lord, as the waters cover the sea.”

There is a knowledge that goes along with glory and the knowledge proceeds from the Lord. Our quest for it will open to us the highway to possess them. But if we are void of knowledge, transformation will be difficult. In ***Matthew 13:15***, the Prophet gave a prophecy to the children of Israel because they were dull of hearing and conversion was a challenging issue.

Matthew 13:15 “For the hearts of these people have grown dull. Their ears are hard of hearing and their eyes they have closed, lest they should see with their eyes and hear with their ears, lest they should understand with their hearts and turn, so that I should heal them.”

When knowledge gets an entrance conversion is possible and conversion brings recovery. Through knowledge you can recover all. Paul instructing his son in the Lord Timothy told him to study to show himself approved. In other words Paul is telling Timothy grow in knowledge so that you will be approved. If you fail to grow in knowledge you will not be approved.

There is no capacity building we can claim to access if we are devoid of knowledge. Overcome the plague and destruction of ignorance by walking in the light of truth. This will enrich and empower you to usher

a better view of your world in the lamplight of God's word. By seeking God's face and walking in the fear of the Lord, wisdom and knowledge will have true expression in us. Many that excelled in different reigns of people that matter in the days of old and even today were men given to absolute capacity and the bible says about some of them like Daniel that an excellent spirit was found in him.

You can't afford to neglect or ignore an embodiment of knowledge. Today men fear people of knowledge, not people of muscles. Rather, men of muscles fear men of knowledge. I spoke with the king of a land some time ago and the king told me our forefathers fought with their muscles but in this generation we fight with the power of the ink.

So get yourself developed and be endowed with the power of the ink; being endowed with divine inspiration that will spark unstoppable glory and honour over your life. Have a quest for it; daily grow in it, and your life will reflect the worth you have never dreamt of.

PRAYERS

- 1- Oh Lord take not the key of knowledge from me.
- 2- Lord equip me with the key of knowledge and let me grow by it.
- 3- Thank you Father for the answers in the name of Jesus Christ.
