## **MINISTRY TESTIMONIES FOR THE MONTH OF JULY 2026**

### **NDOP**

Praise the Lord! I thank God for the “Manna Feast” of the month of June 2026. I was instructed by the servant of God to study the booklet and after studying the first four chapters, I got up to pray and I received a new infilling of the Holy Spirit such that I began speaking in some new tongues. I received the baptism of the Holy Spirit, and my body began to shake without control. Also, I spoke in new tongues from 10pm to about 1am. Since then, I had another view of God and His manifested presence. My spiritual ears and eyes were opened to hear and see things in the spirit realm. I thank the Lord for spiritual sensitivity. Hallelujah!

*Ma Claudine Kome:*

### **DOUALA**

Glory to God! I am thanking God for His intervention over my life. I was afflicted on my legs at my jobsite in the ship because I work as a marine officer. I struggled and found a boat that took me to the shore. I felt serious pains on the legs and I couldn't put the legs down. It felt like water was inside the legs and I could only manage to walk on crutches. Hospital

report said it was yeast cells but I was in terrible pains. I was led to Christ and the servant of God used the hand in chapter 7 of the “Manna Feast”, placed on the legs and prayed for me. After prayers, I could put the legs down and I began moving. I thank God because since then the legs have never remained the same. I can walk now very well to the glory of God. Thank you Jesus!

***Brother Elvis:***

## **NITOP IV**

Glory to God! I thank God for the “Manna Feast” of the month of July 2026. I am so touched by chapters 1 and 2, “Hope in the Lord”, and “Guard your Peace” respectively. After reading these two chapters, I felt relieved of my situation and I trust God for peace. To God be the glory!

***Sister Kusona:***

## **JAKIRI**

Praise the Lord! I am grateful to God for the lives He has been touching through the “Manna Feast”. I went to one village and came in contact with a woman who was feeling pains on her legs. I gave a copy of the “Manna Feast” to the woman who laid on her legs and prayed. She slept and in an encounter of the

night, she saw something coming out of the legs. She shook and discovered that the pains she was feeling on the legs were all gone. Secondly, she went to the stream to wash dresses the next day and her little son took the booklet and was praying with it saying “Manna Feast” protect me! She took the booklet from the child and kept it down where she was washing dresses. By the time she finished washing the dresses, she forgot it on the ground and went home. It rained heavily that night and she knew that the booklet had been destroyed. Very early in the morning, she rushed to the stream where she was washing dresses to get the booklet and to her surprise, everywhere was wet but the “Manna Feast” was dry. That’s when she knew that the “Manna Feast” is no ordinary booklet. She wants to return all the glory to God!

### ***Mama Memuna:***

Hallelujah! I came in contact with a woman who have been having terrible nightmares. When she came in contact with the “Manna Feast”, she prayed with it the first night. After prayers, she slept off and getting up in the morning, she discovered that a bird had died beside her bed. Secondly, I see the Lord doing great things in the land, the response to the gospel in

the land is great and I thank the Lord for touching the hearts of the people. Thank you Lord!

*Sister Mirabel:*

## **SHILOH PRINTERS**

Praise the Lord! I am grateful to God for the “Manna Feast”. The word of God in the booklet has always met my needs and I am grateful to God for this timely word. I was particularly blessed by chapters 1 and 5, “Hope in the Lord”, and “The Family Value” respectively. Two of my siblings once did something to me that I was terribly offended. Because of that I took a decision that I will never have anything to do with them again. I made up my mind not to talk to them or associate with them. But when I studied the “Manna Feast” chapter 5, the Spirit of God spoke to me directly. I saw how much I had been opening doors for the devil into my family and I went back to God in repentance. After doing this, I resorted to calling them and talking to them and I realised that I felt peace that I can’t explain. I thank God for using His servant this endtime to transform lives. I pray that the Lord will continue to grace His servant and that the oil on his head will keep increasing in Jesus name. thank you Lord!

## INTRODUCTION

Blessed be the name of the Lord who has brought us to Himself and for His glory. To Him alone be all the glory and honour for taking us this far into His splendid purpose. In this month of Mediation, we need to wake up to outweigh weaknesses with purpose and bring into place the fulfilment of divine agenda which commands us to mediate, settle, understand, take every odd out of the way and bring in the mission of God to reign in our midst.

In this month, all forms of differences that have kept us asunder should be settled for the riding force of Grace to keep us united. Let us settle as one man and join forces to advance the kingdom of our God. The Lord Jesus, being in the portrait of our rising, we will be endowed by the Holy Ghost, and guided by divine presence. Let us therefore arise and walk in love and singleness of heart. Once more you are welcome into this season of mediation; get it done for the glory of God!

# CHAPTER 1

## GOD'S HOUSEHOLD

The household of God is that family born of faith in Christ Jesus. What is expected of this family is seeing Jesus and Him glorified. Paul the apostle in his letter to the Corinthians made it emphatically clear to the Corinthian church when persons were in the church and not knowing why they were in church. While in church they were still implementing the doctrine of men who had a reflection from their background of origin by the flesh. When Paul wrote to the Corinthians, he made it clear to them that they were carnal though they were professing to be children of God. In the Corinthian church, there was division because they were not fully rooted in the knowledge of Christ. When the family of faith lacks sanctification, division and confusion will not cease from gaining grounds in their midst. Paul writing to the Corinthians in *1 Corinthians 2:1-2* said when he came to the Corinthians, he did not come with excellence of speech or wisdom of men. He said he did not determine to know anything in their midst except Jesus and Him crucified.

As God's household, we are not just to proclaim Christ, we must endeavour to see that Jesus Christ is

glorified in our lives. The household of God is that household with the godlife and she needs to be responsible to bear the fruit of the Spirit. We are not in Christ to live for ourselves, we are in Christ to live for God and God alone. We must take pleasure in living for the Lord, and walking daily in His pathway. The baptism we got when we gave our lives to the Lord Jesus, we were not baptized for ourselves; we were baptized for the Lord. If we were therefore baptized in the Lord, we must live for the Lord.

***Galatians 3:27 “For as many of you as were baptized into Christ have put on Christ.”***

We have to put on Christ in all we say or do for we were baptized into Christ. If Christ therefore is our message, then our message must be unique. But we will have different messages if we use the name of the Lord Jesus Christ and behind it, we are portraying our own agenda. As earlier said, we became children of the household of God by our faith in Christ Jesus.

***Galatians 3:26 “For you are all sons of God through faith in Christ Jesus.”***

The traditions of men must not override our faith in God. The traditions of men should not also equal our faith in Christ. In the household of God, God is the Lord over all and in scriptures there are things

that do not prevail in God's household. We are going to look at some of the things that should not gain ground in our midst or within the household of God. In Christ, racial differences does not stand. In Christ, neither Jew nor Greek stands; in Christ, what stands is the image of Jesus in the lives of the believers.

***Galatians 6:15 "For in Christ Jesus neither circumcision nor uncircumcision avails anything, but a new creation."***

What prevails and should stand within the household of God is the new creation found in God's image in the person of Jesus. When we came to Christ, certain characters that we were born with that could be traced to our roots had to be dealt with. This is because those characters did not reflect Christ's image in us; neither did the characters reflect God in our lives. We should also know as humans that the adamic nature in us gives license to sin. To prune the adamic nature will cause us pain or discomfort. Paul the apostle writing to the Galatians had this to say in

***Galatians 4:19 "My little children, for whom I labour in birth again until Christ is formed in you."***

When Christ is formed in us, there is a liberty that we obtain in Him that frees us from the bondage of sin. Within the household of God, Jesus remains the picture forever. Your gender as a male or female is not what prevails in the kingdom, what prevails in the kingdom is Jesus Christ in the life of the believer.

***Galatians 3:28 “There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus.”***

When the life of Christ is found in us, the acts of God will find full expression in our midst. The expression of God’s acts in our midst is not for our self-glory; the glory must be given back to God. The household of God is a place that embodies and preaches the truth of God’s word, where the love of the brethren and the love for God stands tall than any other thing – with our faith in Him. The scripture tells us that the house of God is the pillar and ground of truth.

***1 Timothy 3:15 “But if I am delayed, I write so that you may know how you ought to conduct yourself in the house of God, which is the church of the living God, the pillar and the ground of truth.”***

Upon the ground of God's household, our destinies are made known to us and the visions are revealed for us to arise and run with. It is therefore commanded from the Lord for us not to stay or handle the things of God's house with light hands. The household of God is not a building; the household of God is you and me. When we live in accordance to God's word and standard, the Lord says He will build us and the gates of hell shall not prevail against us.

The household of God is a structure born of God and a people living in the will of God. From there, God will command His blessings upon our lives. If you disrespect the house of God, the blessings of God will never have an expression in your life. The blessing of God is what makes life worth living without regrets. You are the house of God, I am the house of God, and we are the house of God.

***Psalm 133:1-3 "Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious oil upon the head, running down on the beard, the beard of Aaron, going down to the edge of his garment. It is like the dew of Hermon, descending upon the mountains of Zion; for there the Lord commanded the blessing – life forevermore."***

From the household of God, the blessing of God is released. Let us live and walk as a family born of God, loving one another as the Lord has loved us, knowing that the purpose of God for our lives will stand and let God's purpose prevail against all odds.

## **CHAPTER 2**

### **VISION AND CORE VALUE**

Everyone sent on earth is designated to accomplish a particular task. That task is coined within the vision in the life of the individual to fulfill or actualise or bring it to manifestation. For everyone to fulfill their visions, one of the things we should understand is that all true visions have core values; and values can be kept and grown by discipline. We must be given to discipline; to accomplish our and we must safeguard it from being destroyed. Caution is always needed for values to be kept from being destroyed. Whatever earns value brings honour; and everything of honour attracts both enemies and friends. It therefore calls for you the custodian of the vision to know the value that is within your confine.

It is unfortunate that there are many value carriers living carelessly because they have not been able to secure what has been handed to them by God. There are incidents in scriptures that men messed with and only realised later that their visions were given to them for their preservation, when that vision was already destroyed. Your assignment and fulfilment is within the confines of the vision that God has imputed in you. One of such incidents we got in the lives of the

first people that lived in the persons of Adam and Eve. God gave them an assignment to fulfill, but it is like they didn't understand the vision and the core value of that vision. They took things for granted and at the end of the day they lost the vision. For no reason should you allow your vision or core value to be strangled because once the vision or its core value is strangled, it becomes worthless. There are conditions to be followed to maintain the core value of a vision. That is why the prophet Habakkuk wrote it in plain language that we should write the vision and make it plain on tablets, that he who reads it may run with it. You must understand the content and context in which your vision and its core value operates. In ***Habakkuk 2:2*** the carrier of a vision must understand how much of the vision they carry, and they must also protect that vision and write it down, so that anyone that reads it should run with it.

***Habakkuk 2:2 “Then the Lord answered me and said: write the vision and make it plain on tablets, that he may run who reads it.”***

It is important for us to look at the fundamental core value for every vision:

- The truth about the vision, the truth on the vision and the truth for the vision.

- Integrity, any vision that loses integrity has got to its end.
- The consistency and demand on the value.

When the above core values are met, it will earn the custodian of the vision trust. Whatever is in demand will keep growing until it gets its fulfilment to the fullest. All carriers of vision must set boundaries for them to protect the worth and the integrity of the vision. That is why for every assignment given by God, there are conditions tagged to it.

When we look at Joseph with the core value of his vision, he set boundaries. Those boundaries were to help him live a life of integrity. Moses also set boundaries and so too was Daniel. The boundaries they set helped them to live lives of integrity. As long as their core values were in place, they were always in demand in their contemporary time. The same principle if applied in our generation today will produce the same results.

When Samson refused to set boundaries for the vision that was handed to him, he ended his life and carrier in ruins. If you are one that your core value has been destroyed by your negligence, there is hope

of restoration from God. These are the things you must be able to do in order to recover from a fall:

- Acknowledge and admit your fall.
- Assess the damage or evaluate it.
- Then repent and make a U-turn back to your source.

If you do these things, just like the lost son in the gospel of Luke was restored, you will also be restored. The lost son in ***Luke 15*** acknowledged or admitted his fall, evaluated the damage and repented from it. As a result, he was restored.

***Luke 15:21 “And the son said to him, father, I have sinned against heaven and in your sight, and am no longer worthy to be called your son.”***

When you walk in the lamplight of God’s word and stay under his watch, you may never lose the core value of your vision. Get the vision empowered per day through knowledge and instructions. So long as the core value of your vision stays alive, you will remain relevant throughout the ages; for one is only relevant where he or she is useful. You are entitled and honoured by your worth. Live for value and grow to maintain the value in the context which God has

given you. Make sure you give in to discipline that will keep your vision within the confines of its value.

Never you allow the consciousness of the value of your vision leave you. Your life is worth living because your vision is demanding. Stay watchful and keep your light burning.

## **PRAYERS**

- 1- Lord thank you for the word of knowledge.
- 2- Lord help me to set boundaries that will protect the values of my vision.
- 3- Lord help me to stay alive with the worth of my values.
- 4- Thank you father for the answers in Jesus name.

## **CHAPTER 3**

### **THE MYSTERY OF DIVINE SUPPLY**

The mystery of divine supply is tagged to our walk with God in obedience to Him. Divine supply is an act where God walks with us beyond our human enablement to prove His sufficiency. Where our limitation is being overshadowed by His presence; in essence, we can't even recognise that we are limited as mortals. It has to do with the supply of God's grace upon our lives to keep us consistently in the image of Christ. Our Lord Jesus portrayed a walk that we must be in possession of as believers. One of the factors Christ pointed out was that He was not on earth to foster His will but to foster the will of His Father that sent Him. His loyalty to the counsel of the will of His Father gave Him the sufficiency He needed in all aspects. If we look at the supply of Christ during His walk on earth, that is the dimension that the heavens want all sons and daughters to walk into.

Christ came and lived on earth according to the plan and will of God. Because His life was centered around the will of God, divine supply became His portion even as the godman on earth. Divine presence is what sponsors divine supply. The supply of divinity is not

tied only to physical things; it spans from the spiritual to the physical. Anyone being led by the Spirit of God is that one that is able to walk on the premise of Divine supply. Jesus told us about the perpetual presence of His Father with Him. He told us that He was never alone, His Father was always with Him.

***John 8:29 “He that sent Me is with Me. The Father has not left Me alone, for I always do those things that please Him.”***

Divine presence sponsors divine supply. In birth, He was with the presence of God and all He needed as supply, even the wise men from the East travelled to meet up with His needs. All that He needed was supplied, the wise men leaving the East with gifts that could only locate the palace or throne room because of divine presence, those gifts went right to the sheepfold where Jesus was born. Divine presence can command divine supply in any location even out of the world. In His walk on earth, because of divine presence, there was never a day He became stranded or despaired. Both His spiritual and physical provisions were all met. Divine presence enabled Him as the godman to live above sin and sin was never found in Him. When there was need for people to be restored, to repent, to be saved, to be healed, to be fed, divine presence made all those provisions from

the marriage in Cana, to raising Lazarus back to life, feeding the hungry, paying taxes and so on. The mystery of divine supply is divine presence.

This presence made all the Israelites needed through their walk in the wilderness. The book of Nehemiah tells us in *Nehemiah 9:21* that forty years You sustained them in the wilderness; they lacked nothing; their clothes did not wear out and their feet did not swell. The fundamental mission of Jesus Christ was to reconcile us back to God and to keep us within the premise of divine presence. Jesus said He is not alone and that His Father is always with Him because He does the things that please His Father. When we start to find ourselves as children of God being stranded, we should know that we are in scarcity of divine presence. The scarcity of divine presence will bring about murmuring, complains and all kinds of evil works. The words of Jesus marched with His actions because of divine presence. Because of divine presence, every word He sent forth was being accomplished; none returned without fulfilment. When the Lord takes delight in a person, His presence will always go with that person, and His presence becomes their sufficiency. In *John 11:41-42*, the Lord prayed a prayer at the tomb of Lazarus. Such prayer did not linger but manifested its worth.

***John 11:41-42 “Then they took away the stone from the place where the dead man was lying. And Jesus lifted up His eyes and said, Father, I thank You that You have heard Me. And I know that You always hear Me, but because of the people who are standing by I said this, that they may believe that You sent Me.”***

When Jesus offered prayers at Lazarus’ tomb, the heavens did not hesitate but answered the prayers. The reason was that the ways of the Lord was pleasing to the Father. Our obedience is our cleansing detergent. What made the children of Israel in the wilderness mysterious was divine presence and supply. In the book of ***Nehemiah 9:21***, scripture says yes 40 years did the Lord sustain them in the wilderness that they lacked nothing,

In ***Deuteronomy 21:1-14***, the Lord gives us all the benefits that will follow those that will hearken to the voice of the Lord. As one redeemed by the Lord, we should know that we are redeemed by Him and to live for Him. In ***Colossians 1:15-18***, the presence of God tells us that in our obedience we are the image of the invisible presence of God just like Jesus.

***Colossians 1:15-17 “He is the image of the invisible God, the firstborn over all creation. For by Him***

***all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him. And he is before all things, and in Him all things consist.”***

As we live and walk in the lamplight of God’s word and submit our lives and will to His pruning, as the presence of the Father was with the Son who is the firstborn, the same presence will go along with us. For God is able to do exceedingly abundantly above all that we can ask or think according to the power that works in us ***Ephesians 3:20***. So the presence of God with us is our sufficiency; it will give us all that pertains to life and godliness.

## **PRAYERS**

- 1- Oh Lord empower me to prevail in your will.
- 2- Lord endow me with you presence to lead me in your ways.
- 3- Lord give me the grace to totally yield to you and your will in all seasons.
- 4- Thank you Lord for the answers in the name of Jesus.

## CHAPTER 4

### THE REALM OF SONSHIP

We were born as children to reign as sons. In the realm of God's kingdom, children don't reign, only the sons reign. You may not need much power to be called a child of God because you become a child by birth. It takes power, courage and knowledge to be transformed from a child to a son. You need power and determination to graduate from childhood to sonship.

***John 1:12-13 “But as many as received Him, to them He gave the right to become children of God, to those who believed in His name: who were born, not of blood nor of the will of the flesh, nor of the will of man, but of God.”***

Children have a degree of responsibility that they take towards themselves while sons take a responsibility for the kingdom and advancement of the kingdom. Children take responsibility towards the things that will benefit them as individuals while sons take responsibility for the kingdom and its advancement. When Paul was looking at the spiritual growth of the Corinthian church in **1 Corinthians 3:1** going down, he said the carnality that the Corinthians portrayed was as a result of the fact that they were children. He

told them that children are bound to manifest carnality while sons are bound to manifest spiritually. They strive for things that sponsor their self-aggrandizement while sons strive for things that are spiritual and eternal for the advancement of the kingdom. Sin may have dominion over children, but sin does not have dominion over sons. Paul wrote in

***1 Corinthians 3:1-4 “And I, brethren, could not speak to you as to spiritual people but as to carnal, as to babes in Christ. I fed you with milk and not with solid food; for until now you were not able to receive it, and even now you are still not able; for you are still carnal. For where there are envy, strife, and divisions among you, are you not carnal and behaving like mere men? For when one says, I am of Paul, and another, I am of Apollos, are you not carnal?”***

Children work for their self-interest while sons work for kingdom interest. Children spend for their self-interest while sons spend for kingdom interest. Children submit for their self-interest while sons submit for kingdom interest. Children obey for their self-interest while sons obey for kingdom interest. It takes knowledge, discipline, love, faith, brokenness, meekness, longsuffering, patience for one to be called a son. The realm of sons is for those who have come

to maturity that the Holy Ghost can walk with them without constraint. They don't select scriptures to obey, they don't use scriptures to protect their shortcomings, they are called sons because they can lay down their lives for others to rise. You don't become a son by your power, you become a son by the power of God, the mercy of God and the grace of God. Sons take delight in the kingdom wellbeing; children take delight in their own wellbeing.

When Moses was born in Egypt, he lived his first forty years in Egypt as a child, and he lived in pleasure of his own life. As a child is born to his mother and father in the physical world, that is the same way children are born in the kingdom. But at the age of forty, Moses stepped into the realm of sonship. Scripture tells us that Moses denied the pleasure of Egypt (the pleasure of sin), and he chose to suffer affliction with the people of God. When it comes to sonship, refuse the pleasure of sin. He rather chose to suffer reproach with his brethren. Children take responsibility to satisfy their self-aggrandizement but when we get to sonship, we take responsibility for kingdom agenda and advancement.

***Hebrews 11:24-26 "By faith Moses, when he became of age, refused to be called the son of Pharaoh's daughter, choosing rather to suffer***

***affliction with the people of God than to enjoy the passing pleasures of sin, esteeming the reproach of Christ greater riches than the treasures in Egypt: for he looked to the reward.”***

When we come of age as sons and daughters and not children, we will disconnect ourselves from childish attitudes and take responsibility for change. We will not be angry because our personal demands are not met, and we will not be at rest when kingdom standards and kingdom demands are not met. Looking at the life of Moses in Pharaoh's house, the first forty years of his life was about him and that gave him no issues or challenge as far as he was concerned. When Moses came of age, he saw things in the kingdom perspective, and he acted in the kingdom perspective. Anyone who have come of age will suffer pains because of the kingdom. In their reproach, they don't carry grudges, but they count it joy because they partake in Christ's sufferings. Moses agreed to take the step he took for his people. When he took that step, it took another forty years to build Moses as a son to render kingdom services, knowing that the reward of Christ upon his life for such a reproach was worth it.

There were many sons that manifested in that dimension in scriptures. If we look at Paul's writing,

Paul acted and lived in kingdom perspective with kingdom mindedness. What makes you a son is that you endanger yourself for the wellbeing of others joyfully. For children, they don't labour for anything unless they have their personal interest in that thing. The realm of sonship is the realm where you take responsibility for kingdom advancement. All the apostles lived for the kingdom, suffered for the kingdom and died for the kingdom and they left a legacy that is speaking till today. Jesus our Lord lived for the kingdom and not for Himself. He died for the kingdom and not for Himself. Your reward for the kingdom will not be given you for what you did for yourself, your reward will be given you for what you did for the kingdom.

So as a child of God, are you a son or you are still a baby? When you measure your labour and attitude in the kingdom are you a child or a son? As earlier said, children are born in the kingdom but only sons reign in the kingdom. As long as you remain a child, you will not reign in the kingdom. For the scripture says the heir as long as he remains a child does not differ from a slave but will remain under tutors and governors until the time appointed of the father ***Galatians 4:1-2***. Children do not have reward, only sons have reward because they take responsibility for change. Sons will contend for the faith that was

delivered to the saints, they will be steadfast till the end but children at times will stagger and may even deny the faith when things do not favour them. Walk in the realm of sonship so that you can be trusted with divine values.

God does not entrust values in the hands of children; He entrusts values in the hands of children that have grown to sonship. So let us rise like Paul will say to Timothy, rise like a son and a daughter and fight a good fight of faith and as the scripture tells us in the book of Revelation, Christ is coming quickly and His reward is with Him to give to everyone according to their works. Let that assignment God has given to you grow in kingdom pathway.

## CHAPTER 5

### THE EFFECT OF GRACE

***Titus 2:11 “For the grace of God that brings salvation has appeared to all men.”***

The primary effect of God’s grace upon humans is the salvation that it brings. The strength of God’s grace is to bring us to the saving power of His grace. Other factors will also follow this pathway of God’s grace. One may ask this question: if the power of God’s grace is to save men, why then are all men not saved? Before we get to the body of this word, it is important to understand that attitude that one carries may either attract the grace of God or refrain him or her from the grace of God. Salvation can be available for everyone but not everyone can be ready to get it based on their attitudes. In the general epistle of Peter, Peter wrote in ***1 Peter 5:5*** where he was writing to the church the attitude that could attract the grace of God and this is what he wrote: likewise, you younger people, submit yourselves to your elders, yes, all of you be submissive to one another, and be clothed with humility, for God resists the proud, but gives grace to the humble.

Men and women that are full of themselves will be resisted by God. God cannot resist you and at the same time you find grace to have salvation. It will be difficult for men who are full of themselves to access the power of God's grace. God's grace responds to the broken hearted. David in his Psalm of repentance in ***Psalm 51:17***, he cried that the sacrifices of God are a broken spirit, a broken and a contrite heart – these O God, you will not despise. The effect of God's grace over your life is that God's ability will work for you and sustain you over the affairs of life. Another word for grace is favour, earning a reward at the expense of God's sacrifice for your life. Anybody with attitude or character can be raised by God's grace from nothing to something. An example of someone who rose by the grace of God was Ruth the Moabite. What gave Ruth that grace was not her beauty, nor her stature but her attitude. She manifested what peter wrote in ***1 Peter 5:5***.

When our submission to God's given authority is conditional, and we do it at our convenience, we may never maximise the grace of God over our lives. Submission to God's will is not based on our convenience, it is based on our obedience.

Ruth was able to rise to prominence because she submitted to every instruction that was given to her

by Naomi and every other person in Bethlehem that she came across with. If the Spirit of Christ lives in us, we will not find it difficult to submit to God's will. Ruth did not just follow Naomi, she submitted herself to the instructions that Naomi gave her joyfully. It was these instructions that led to her lifting in Israel. To let us understand this, there were Israelites in the days of Ruth that could not be lifted to prominence because of their attitudes. But grace worked for a stranger with attitude. For God's agenda and plan for His kingdom, He is looking for men whose attitude will match with His agenda irrespective of their race or colour. Somebody we call an unbeliever, if he or she has an attitude, God will reveal himself to them and will not reveal Himself to you who call yourself a believer. Like in the case of Cornelius in *Acts 10*, Cornelius was a Gentile who had an attitude and that attitude attracted God's attention upon his life that led to the salvation of his soul and perfecting God's plan for his life and family. So, God can find a Gentile with an attitude and work with that Gentile than somebody who is religious without an attitude. That is why in scripture you find the Lord calling the king of Assyria, Cyrus and the king of Babylon, Nebuchadnezzar His servants. God will appear to everyone with kingdom mindset and kingdom attitude, and He will reveal His purpose through them.

Through the studies of scriptures over the years, I have come to realise that God meets people with attitude. Sarah's submission to Abraham was enough for God to open her womb at old age. Joshua's submission to Moses was at its best for God to transfer the mantle from Moses to Joshua, so too was Elisha with Elijah. Elisha was at his best for him to take the mantle of Elijah. Elisha did not only see Elijah as a prophet, but he also saw him as a father, even when he passed on, Elisha still saw him as a father.

If you look at Hannah in the temple with Eli, Hannah was a woman with a broken heart, grace responded to her and her womb got opened. All the other figures that rose in the strength of God's grace, there is one thing that we find in them, they were humble. Severally, Sarah called Abraham lord, not out of pressure but from her heart. Hannah also Reverend Eli, Ruth did the same with Naomi, David did the same with Saul, Joshua did the same with Moses, Elisha did the same with Elijah and all these men ended well. Grace will help you to end well. You don't only start well but it helps you to end well. Submission and brokenness are the fuel to keep you under God's grace. This same attitude was in Jesus Christ. Those without the attitude for grace, whatever thing they do, they do it for striving and vainglory which ought

not to be so with God's children. The bible tells us of the submission of Jesus Christ in ***Luke 2:51-52*** how he submitted Himself to the parents.

***Luke 2:51-52 "Then He went down with them and came to Nazareth and was subject to them, but His mother kept all these things in her heart. And Jesus increased in wisdom and stature, and in favour with God and men."***

The effect of grace over your life is for your preservation and for you to fulfill your divine task without struggle. When you are under the grace of God, men and the heaven will look for your wellbeing but when you are out of grace, you will be calling on men to attend to you.

Naomi stood by Ruth to become the woman of a noble class. Even Esther had a noble heart, it was her submission that led to her becoming queen. The level of your brokenness will determine how far and how high you can rise. Grace impact upon a man's life reflects preservation, honour and a generational blessing. It brings you to the place of honour and gives you the ability to fulfill all divine assignment passed unto you. Walk in grace and be at peace with men and with God.

## CHAPTER 6

### GET IT SETTLED

***Hebrews 12:14 “Pursue peace with all people, and holiness, without which no one will see the Lord:”***

As children of God, we must learn to live in peace with people at all costs. Living a holy life among ourselves and in the community in which we find ourselves. It is a commandment passed unto us that we should follow peace and we should repent from every attitude that makes us to cause offense. If you are one that causes offense among God's people, you will not go unpunished. Many at times we need to go through the word of God for scriptures cannot be broken. The Lord tells us in Matthew's gospel that men that bring peace are children of God but men that cause trouble are not children of God unless they come to repentance. Jesus gave us an outline of teaching in settling every misunderstanding and living at peace with your brethren in

***Luke 17:1-4 “Then He said to the disciples, it is impossible that no offenses should come, but woe to him through whom they do come! It would be better for him if a millstone were hung around***

***his neck, and he were thrown into the sea, than that he should offend one of these little ones. Take heed to yourselves. If your brother sins against you, rebuke him: and if he repents, forgive him. And if he sins against you seven times in a day, and seven times in a day returns to you, saying, I repent, you shall forgive him.”***

Looking at the above scriptures, the Lord Jesus says we are living in a world that offenses will come. In other words, we cannot stop offenses from coming. He says curse is the one that allows himself to be used to offend the church of God, to offend the children of God and to offend the body of Christ. Offense is a great sin in the kingdom of God because the Lord went further to say a man will be hung with millstone around his neck and he'll be thrown into the sea if he causes offense. Such a punishment is what will be meted on one who causes offense. The Lord says you should take care of yourself not to become an instrument of offense to people. He went ahead to say if your brother sins against you, rebuke the brother, don't treat him with malice in your heart. Tell that brother this thing you've done is wrong and if the brother repents, forgive him. He said if your brother sins against you seven times in a day in a

straight and seven times again he comes to you and repents, the Lord says you should forgive.

Forgiveness is an act of maturity and forgiveness is an act of strength and not weakness. Unforgiveness and bitterness are vices that the enemy is using to retard the growth of believers. The one who is mature forgives and let go. Many at times we say we have forgiven but the effects show that we have not forgiven. You cannot forgive somebody and at the same time you are still bittered with the person. Being bitter shows that you still have odds against them. When Joseph forgave his brothers, he was committed to see their wellbeing when they came to buy corn in Egypt. When the Lord forgave the apostles, He was not bittered with them after forgiving them. Remember He rebuked Peter but still walked with him. You cannot be bittered with people and say you have forgiven them. You are a believer, and you don't talk with your brethren, that is malice. There is no way you can carry the Spirit of God and still live in malice. In this season settle every differences you have with your brethren and siblings and every odd you have against anyone. In the gospel of Matthew, Jesus taught us to how to handle the subject to settle differences as we see in

***Matthew 5:23-24 “Therefore if you bring your gift to the altar, and there remember that your brother has something against you, leave your gift there before the altar, and go your way. First be reconciled to your brother, and then come and offer your gift.”***

The Lord Jesus says if you bring your gift to the altar and there you remember that you have odds with your brother or sister, He says do not offer that gift, leave it at the altar, go and make peace with that brother or sister before you can come and offer your gift. We know as the Lord says that scriptures cannot be broken. It means that living in peace with your brother is more important than the gift you are coming to offer; for, if you cannot make peace with your brother whom you see, how can you live in peace with God whom you have not seen? The integrity of the church can be defined by our forgiveness for one another, our love for one another and the unity of our Spirit as sons and daughters of God.

***Mark 11:25-26 “And whenever you stand praying, if you have anything against anyone, forgive him, that your Father in heaven may also forgive you your trespasses. But if you do not forgive, neither will your father in heaven forgive your trespasses.”***

Many believers may miss the rapture because of the seed of unforgiveness, so get it settled this moment as this word of God is coming to you. Don't say you will do it tomorrow for tomorrow may be too late. The Lord says when you stand praying forgive for if you cannot forgive other people's sins, God will not forgive your own sins. If you are not forgiving, it means you are not a child of God. God forbids that we should find ourselves among people that will be rejected on the last day who will say we prophesied in your name, healed the sick in your name and casted out demons in your name. The Lord will tell them depart from Me, I never knew you, you workers of iniquity. And then it will be too late to repent.

***Matthew 7:22-24 "Many will say to Me in that day, Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name? And then I will declare, I never knew you; depart from Me, you who practice lawlessness! Therefore whoever hears these sayings of Mine, and does them, I will liken him to a wise man who built his house on the rock."***

The word of God says on the day of Judgement, many will come to Him and say Lord have we not prophesied in Your name, cast out demons in Your

name, and done many wonders in Your name? the Lord will tell them I never knew you; though they did works in the name of the Lord. Let us live by the standard of God's word and not by our instincts. Let us be washed by the word of God and let us build on the word of God. In *Ephesians 4:26*, scripture says be angry and do not sin. Do not let the sun go down on your wrath. When we get this word from the message Bible, it reads thus:

***Ephesians 4:26 “Go ahead and be angry. You do well to be angry—but don’t use your anger as fuel of revenge. And don’t stay angry. Don’t go to bed angry.***

Get settled in this season and be prepared for the rapture as a saint. God bless you!
