MONTH OF MARCH 2018

YAOUNDE

Praise the Lord! I want to thank God for the hand in the "Manna Feast". My neighbour was having terrible nightmares which made her weak all day. She attended the prayer cell in my house and I used the hand in the "Manna Feast" to pray for her. She was delivered and till today she is fine to the Glory of God.

BAMBILI

Hallelujah! I want to thank God for the month of March, the month to "Stir up Values". During the month of March, I was promoted as a worker in the church. I give God the Glory for His servant that He has been using. I pray that the Good Lord will continue to strengthen and increase him all round in Jesus name.

Sis Judith: 677 14 95 71

Welcome to the month of 'Testimony'. We thank God for His wondrous intervention over the years, the months, and the days, where the evidence of defeat was overturned and victory was given to the sons/daughters of God at last. A Testament was established because a Testator was dead and He is alive. Because He is alive, you are bound to testify as one born out of His loin and created in His image; living and serving Him with your being. The Lord has just started with what you will be walking through in total victory and celebration. This is your season; this is your moment to showcase that which the Lord has done within you. Do not let the word of this prophecy lose its strength in your memory. Let it be rekindled time and again. The last time you wept may be the last time of your weeping and crying just as the Israelites wept at the bank of the Red Sea before ever going across it on dry ground. Why on dry ground? This is because the Lord was in control even when they were crying.

I know you have been crying over the years and it may be difficult for you to believe this text just as the children of Israel found it difficult to believe when they were to cross the Red Sea. But know that the Lord is the same yesterday, today and forever and

GOD'S FAITHFULNESS

Psalm 89:33 "Nevertheless, My loving kindness I will not utterly take from him, nor allow My faithfulness to fail."

The faithfulness of the Lord is steadfast. That is why all creatures especially mankind can joyfully celebrate the kindness and goodness of God. This is because all of His provisions that He has made available are there for us and they will never cease. You are called to come to God confidently, not with a divided heart; but to totally yield your life to Him. What then is God's faithfulness?

It is the commitment that God has taken upon Himself to do His good pleasure in the lives of His chosen ones. God has taken an oath by Himself because there is none other greater that He could swear by. Every promise, every provision that God has pronounced over a life, a nation or a generation, He has promised the Words will not be altered. Whatever thing we celebrate today or enjoy as a church or members of the body of Christ is an evidence of the faithfulness of God. That is why our success in life does not tie to our abilities alone; our success in life got its strength and ability in God's

of your life; "**God's faithfulness over my life is sure and is steadfast".**

When we look at the call of God over Abraham that moved him from a person to a nation, then to father a generation; all that Abraham was able to accomplish in life through the battles he fought, through the lands he occupied and all that the land was able to yield as fruits was an act of God's faithfulness. We can recall that Abraham failed severally by doing the unexpected. His error in life would have led to his doom but the faithfulness of God upon his life sustained him. One thing I want you to understand my beloved ones is to hold on to this one truth; God is not willing to give you up even in your error. His desire is that you should come to your senses, repent and do that which is right.

2 Peter 3:9 "The Lord is not slack concerning His promise, as some count slackness, but is longsuffering towards us, not willing that any should perish but that all should come to repentance."

The faithfulness of God expects us to respond to it by being faithful to the Lord. God through Abraham brought forth the nation Israel and we can see the

vision God told Abraham how they were to be enslaved in a strange land and He said after 400years He will visit them in ***Genesis 15:13-14.*** Looking at what God told Abraham, he died, Isaac died, Jacob died, Joseph died and after 400years, God visited Egypt for the liberation of Abraham's offspring that had been in servitude in the foreign land. The deliverance of the Jewish people never came because they were strong and mighty. It came because of the faithfulness of God upon their forefathers.

Child of God, there are things God has declared over your life. Don't bother about their fulfillment because God has already done them. Stay faithful and remain committed and you will see all that the Lord told you in the days of little beginning coming to pass. If you do, God's part will always be done. That is why God has spoken by an oath in

Hebrews 6:16-18 "For men indeed swear by the greater, and an oath of confirmation is for them an end of all disputes. Thus God, determining to show more abundantly to the heirs of promise the immutability of His counsel confirmed it by an oath, that by two immutable things in which it is impossible for God to lie, we might have strong consolation, who have fled for refuge to lay hold

enemy to destroy you before your fulfillment. Stand on the Word of God that is God Himself, stand on the Word of God that will never change, stand on the Word of God that will never fail and stand on the Word of God that abides forever. The Word of God is the platform of our existence and it is the platform on which we should build our stand as the Word of God declares in ***Matthew 24:35*** that heaven and earth will pass away but My Word will by no means pass away.

PRAYERS

1- Oh Lord, help me to abide by your precepts at all times.

2- Holy Spirit, quicken me at all times.

3- Lord, let my life be built on Your Word.

4- Thank you Lord for the answers in Jesus name.

UNDERSTANDING YOUR SPIRITUAL STANCE

Luke 6:44 "For every tree is known by its own fruit. For men do not gather figs from thorns, nor do they gather grapes from a bramble bush."

Looking at the above scripture, one can only understand whether he is on the right or wrong path by the attitude the individual manifests. If you see a spring delivering fresh water from its source, it indicates that the source is good. But if you see a spring bringing out bad water, it indicates that its source is unclean. Same too in our Christian walk; we are living in a generation where people want to call right wrong and wrong right. Whatever reasons they may give for that, it does not change the truth; for every tree as written is known by its fruit. We thank God for the provision of His Word that is there to correct, to rebuke and to bring to order that which has been in disorder. John in his general epistle declares this to the church

1 John 2:29 "If you know that He is righteous, you know that everyone who practices righteousness is born of Him."

The thoughts and actions of every God's seed or

as follows:

- When you find yourself doing what is uncomely, what is unholy, what cannot be displayed in broad daylight.
- If you find yourself looting, gambling and falsely making gain.
- If you find yourself taking pleasure in lusting of any kind, covetousness, and all unclean things like pornography, lesbianism, bestiality, homosexuality etc.
- If you find yourself taking pleasure in what God frowns at.
- If you find yourself doing what cannot be joyfully exposed or professed.
- If you find yourself in such milieu of whatever is called sin.
- If you find yourself consciously telling lies without being pricked by anything and each time you find grounds for justification.
- If you find yourself losing interest in fellowshipping in prayers and studying the

society.

- If you find yourself coming out with ideas or reasons to keep away from the brethren, that you are not loved or nobody cares about you, those are demonic arrows fired into your mind to get you derailed and misled.

- If you find yourself in the position of betraying others and getting the attention of men towards you.

- Finding yourself in occasions doing things to your personal profits at the expense of the kingdom of God just to satisfy your ego and your flesh.

- Finding yourself in a situation defending yourself and not the course of the cross and of the Lord.

- Any act in which you find yourself that only relates you to temporal pleasure and not eternal rest with God.

Paul writing to the Corinthian church said we should examine ourselves by the fruit we manifest whether we are still in the faith or not. Today it marvels me that people are making their minds a new Bible.

God are doing terrible things and still claiming they are God's people. That is deception.

Think of the fact that you are a brother/sister going to give bribe to pass an exam with no remorse; a brother/sister defiling another brother/sister before rendering help to them with no remorse, you book and pay hotel rooms out of town for all evil practices; you may think you are smart, you can outsmart men and not God. Such evil attitudes indicate you are not even a child of God. You are a master/mistress and the one serving you is under pain and molestation; or a shepherd sent to serve and preserve God's house tend to devour the flocks that are kept under you for protection. The people God gave you to build up for the kingdom, you now use them for self gain and interest. Let us show the light as we have been called and sent forth to do. what you want others to do to you, also do to them. We should stop pretending in the church, we should show forth the life and the light of Christ in all we do. Masters treat your servants with equity and justice; don't use your position to molest them but use it to serve and preserve their dignity. It is rather unfortunate that the church that was supposed to be the light of the world in some cases has turned to be darkness to darken the world.

you not know yourselves that Jesus Christ is in you? Unless indeed you are disqualified."

If Christ is in us, then that which is Christ's should be seen and done in us. So when you don't do righteously, don't tell a lie; you are not of Christ. It is not the name of your church or your position in the church that makes you a child of God. It is the seed of God in you that bears fruits that makes you a child of God.

1 John 3:7-9 "Little children, let no one deceive you. He who practices righteousness is righteous, just as He is righteous. He who sins is of the devil for the devil had sinned from the beginning. For this purpose, the Son of God was manifested, that He might destroy the works of the devil. Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God."

When we sin or engage in the works of the flesh, we lose peace with God and we should not deceive ourselves for we should not continue sinning that grace may abound. Grace is not a license to sin, rather grace license us to walk in the true image of our Father. Christ abolished sin in the flesh so that we

will be classified as workers of iniquity. How do I know my spiritual stance?

Ask yourself this question; can I boldly face God with the life I am living presently? When Adam and Eve had their spiritual stance in tact, they never ran from the presence of God but when they lost it they ran from the presence of God. What the Lord commanded them not to do, they began doing it and the things God commanded them to do they didn't do.

What is that thing that occupies the place of God in your life? Is that what you were saved to do? Move today to the throne room of His mercy and cry out **'O Lord deliver me, take me back to the lane where I was saved to walk'**. when you see believers full of self justification, know they have lost their right stance with God. Adam, Eve and the serpent justified their faults but they never went unpunished. This gives me a reminder of the fact that there are many unbelievers in church with such attitudes. You correct a brother/sister about the wrong they have done and they give you a hundred and one reasons why they are living that way. Repentance is the way forward and not justification. Bearing the right fruits as expected is what will work for us.

Christ did not have that kind of life, He lived as a God man. As God's children, we are not supposed to live a life of justification. I pray today you take your spiritual life to the right stance with God. God bless you!

PRAYERS

1- OH Lord, deliver me from the yoke of deception.

2- Oh Lord, help me to do right and to live right as a child of God.

3- Lord, deliver me not to have comfort in sin.

4- Father, cloth me with your righteousness.

5- Thank You Lord for the answers in Jesus name.

CAPTIVES OF DECEPTION

Captives of deception are groups of people who are held bound by a concept, doctrine, and way of life hoping for a future that will never come to pass. They have been deceptively taken out of the way of the truth. These are grounds which the enemy (the devil) has used over the years to manipulate the destinies of men. This has repeatedly been done from one generation to another. Their leaders always carry swollen promises which they use to stir up their victims. For example, they let them to know that their success in their deceptive maneuver will give them a certain change of life that will make their lives prominent. How do they find themselves under such a plight?

The grounds on which they are always carried off are the grounds of pride, self esteem, the ground to rise and challenge others and as I am talking now, there are many who are busy on this highway of error. Even when they see repeated evidences of failure coming their way, they keep on encouraging themselves with **'things will turn for the better'**. An evil seed will by no means produce good fruit. They create faults and cause people to fall so that they can rise. They pay in their full attention to outward

example of these captives of deception are all those who are living and walking against the commandment of God. They think that their great multitude is a sign of success and victory. Victory is not seen in multitude, it is seen in truth and integrity.

Jezebel hosted a band of these captives we are talking about. Dathan, Korah, Abiram and On also hosted a good number of these captives. What about Absalom? He also played around and hosted a great number of these captives. On their different seasons and timing, they were busy hoping for a lasting promotion that was coming their way. Their captives were all in deception. Anything you get yourself into that lacks genuineness will only end you in deception and pain no matter who encourages you to do it. We are told in the book of ***Numbers 16*** that Dathan, Korah, Abiram and On were able to convince 250 princes and these people were putting in their all hoping that God was going to appear for them. At the end of the day, the glory of God never appeared for them; rather, it appeared against them. Some in this generation are busy hoping that the glory of God will appear for them but it is better for them to change their minds, do the right thing or else they will become victims of satan's captivity. So too was the case of

could not steal the heart of God. You can sometimes influence men in some things but as long as your intentions are evil, you can never influence God. In ***2 Samuel 15:16*** the Bible says in this manner did Absalom to the men of Israel. Deceit or lies is like a pain killer that only subdues pain momentarily but never brings cure; but truth is painful but that is what brings the cure. When Israel was gathering for Absalom, he thought he was winning; little did he know that the gathering of the nation was for his funeral and not for his enthronement.

Man/woman, checklist the gathering before you; you may think it is for your enthronement but it will end in your funeral. Whatever is birth in rebellion can never be of God and anyone under a rebellious movement is under a curse. As there was a rebellious born movement in heaven under Lucifer, all the spirits that joined him became evil spirits and demons today. They were under a curse and they came under damnation being known today as beings of petition. We all know how Absalom ended; in the battle he thought he was to come out as a victor, he died before the people he was leading. He came under the judgement of an oak tree but the one who ran for fear of the one that was seemingly victorious was preserved and the throne returned back to him. That

people, they were those that experienced it on planet earth.

How can you be thinking of liberty tomorrow when the one who lured you into captivity is teaching you that lies' telling is wisdom, fornication/adultery is a means to break marine covenants over people's lives; and impact them with spiritual gifts? That is wickedness, demonic and devilish. They create prophecies and feed their victims with as a means of kingdom enrichment; and they put their victims under fear and threats. Let me tell you; God is watching you and there is a day the last straw will destroy the carmel's back. Their thoughts have become the god people are worshipping; what their mind conceives they say God has said and you are following, thinking that God will appear for you. God will not appear for you. They fabricate miracles, dreams and visions to deceive men to feel they are close to God. You can't be close to God and you are not loyal to His Word or you are breaking His Word. Why they promise their victims liberty, they themselves are slaves to sin. If you are under such spell, let that spell be broken in the name of Jesus.

1 Peter 2:19 "While they promise them liberty,

brought to bondage.

We are called by the Word of God to live by what we preach, not to preach something and live another.

James 2:12 "So speak and so do as those who will be judged by the law of liberty."

The way out of this deceptive captivity is for you as a person who have been captured to be honest with yourself and allow the Word of God to rule the affairs of your life. Start a journey of repentance today; get those misdeeds confessed and your repentance will open the floodgates of heaven for mercy and recovery. Then your liberty will be sure and your future will be guaranteed.

Psalms 119:45 "And I will walk at liberty, for I seek your precepts."

Deceivers will only have temporal excitement; they can never have lasting joy and peace. For those who walk in the precepts of God's Word, their glory rises as the days go by. But those who do not walk in the precepts of God's Word, their glory dies down as the days go by. Child of God, stand on your words and do the right thing. God bless you!

1- Father, deliver me from every satanic hold up.

2- Father, correct that which is going wrong within me.

3- Oh Lord, perfect that which concerns me.

4- Oh Lord, grant me a save end in your kingdom.

5- Thank you Lord for the answers in Jesus name.

BEING DEAD TO SELF

Luke 9:23 "Then He said to them all, if any one desires to come after Me, let him deny himself, and take up his cross daily, and follow Me."

Self denial is a choice but most often, one may never know the right choice to make until the individual is informed of the aftermath of the choice he may be making in life. One thing is certain about life; who to follow and who not to follow, what to follow and what not to follow. It is of paramount importance for an individual to know what he/she is following. So each time a command is given, the first thing you should ask yourself is who is talking and who is responsible for what? Looking at the context of our study, if we have to ask this question, then the person talking was not just an unrecognized figure; the Person talking was God. Therefore, what proceeds from the mouth of the Lord gives an undeniable or unarguable fact that can give a substance to deliver truth for living. This is a statement that is difficult for an onlooker to totally yield to but it becomes the catalyst to enable a metamorphosis (change) in one's life.

Jesus declared; if any man, this includes both disciples and non-disciples. When we look at the person of

will want to be like 'Him', then there is something you must let go which is called 'Self'. It means to become Christ or to become anointed or to become a glory or power carrier, self must die. There is something within the power of your decision which you need to let go. When you let go, there will be a vacuum that Christ needs to fill. He said let the individual deny himself; it did not end there; He said the individual should carry his cross daily, that was something disgusting and shameful. You are not just to carry the cross, He says you should follow Him. It is when you obey these three processes that one can say you have denied self. Luke pointed out a very clear picture; he said it should not be for a particular season but daily. The above description can be given conclusion from two main Christian virtues which every follower must have them birthed within the fabrics of their lives.

It has to do with total surrendering to the Master's Will and Total obedience to the Master's command. Self denial cannot be possible if these two Christian virtues don't have a vital role within one's life. You will realize that among the twelve, many of them followed to an extent but only those who followed right to Mount Olive where Christ ascended to heaven

to heaven. Self denial guarantees your safe landing with the Lord. Following Jesus' walk on earth, He portrayed to the world certain things in respect to His walk with the Father because He also gave up His will; in other words He left His throne to get His Father's will fulfilled on earth. Though self denial is a command, it is a gesture that can be well followed on the platform of a mutual relationship govern with love between the Creator and the creature where the creature embraces that as an opportunity to get the will of the Father done and the Father in return bestows upon the creature His glory. When we look at men like Moses that were covered with the glory of God, there were things that they let go for the Lord and the Lord clothed them with glory. For Elijah and Paul, they did same. Somebody like Elisha abandoned all he had to follow Elijah. Those that drag between whether to forsake or not to forsake, they cannot be effective followers.

For us to experience the fruitfulness and awesomeness of His presence and Glory, like a grain of wheat we must die. Many of us want to be glorified but we want to be glorified alive. It will be difficult to walk with God and be glorified alive. The glory that comes from God comes through death.

be glorified. Most assuredly, I say to you, unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it produces much grain."

This is one of the strongest Christian disciplines where many engage but they never go through. It is this aspect of self denial that made Christ to appear in ***Isaiah 53*** as a Lamb. If self was not dead, He would have fought back. Many at times we make attempt in this journey but as time goes on we fall back. Christ is telling us in John's Gospel that the outcome of glory is unlimited growth but we cannot show forth the effect without effectively going through the process. God in His love and mercy is there to help us go through successfully and to make it and make it well as we were called and ordained to do. The key aspect that will enable us to effectively undergo the process of self denial is not just the quest for glory and power but our love for God. Your love for God will cause you to do anything for Him; even laying down your life for His will to prosper. Those that stay away from sin only do so by the love they have for the Lord.

So make efforts today to deny your self pride, earthly ambitions at the expense of eternal life and yield your

has prepared for them that love Him. Our prayer today is Father let our obedience be a prove of our love for You. Give us the grace to do your good will at all times, thanking God for the provisions of the knowledge of His Word that He has sent to lighten our path and helping us to gain strength in His presence. Our depth with the things of the Lord will tie to how we have let go self to embrace His will. No one goes after God's ways and remain unrewarded. Jesus told us in Luke Gospel when He was addressing the disciples in

Luke 14:33 "So likewise, whoever of you does not forsake all that he has cannot be My disciple."

Let there be a testimony from the heaven to the earth that we are totally and fully for the Lord and at such a time we need heaven's attention, heaven will release to us. Each time God addresses one beloved, you will see God's intervention each time opposition comes his way like Daniel, Moses, and Joseph to manifest His great strength on their behalf. Our cry today should be O God, let your will be done in our lives and your name be glorified in our midst in Jesus name we pray.

1- Father, help me through to totally give up all I need to give up.

2- Lord, let your will prosper in my life.

3- Lord, give me grace to be and remain an obedient child.

4- Lord, deliver me from occasions that hinder one from being fully transformed.

5- Thank you Lord for the answers in Jesus name.

THE MIND

The mind is the pivot, the steering or compass that governs or directs the affairs of our individual lives. When the mind is healthy, the person will be healthy. In other words he/she will act straight when the mind is healthy. When the mind is sick the person will be sick. Every manifestation of a person's life proceeds from his mind or thoughts. A hardworking mind produces a hardworking person and a lazy mind produces a lazy person; a foolish mind produces a foolish person and an intelligent mind produces an intelligent person. ***Proverbs 13:16.*** That is why it is all about your mind which is your person. All this comes as a result of the information that occupies the individual's mind. Nevertheless, the action of the mind only depends on what the mind has accessed. If the mind is opened to right governing information, that same mind would produce a right governing life. Each and everyone can be defined by the bi-product that governs his/her mind. In other words, your thought that delivers your action can define your person. If my mind then becomes the steering of my life and the steering only relies on what lies between the content of the mind, I should therefore be careful of the kind of thoughts and information that gets into my mind.

made it and allowing the counsel of God to form his/her thoughts for better attitude or character. It was on this that when Moses had exit to glory that God commanded Joshua and gave him instructions that was to make him end well as a child and a servant of God. One of the things God gave man to better keep his mind and person was for him to give attention to the Word of God and His commandments. The prosperity of our minds can only be made possible as we pay attention to God's Words and obey them. God told Joshua this Book of the law shall not depart out of your heart or mind but you should meditate on it day and night in order to have good success. The mind needs to be given to discipline for it to totally submit to the counsel of God. What God was telling Joshua and all His children are, feed and guide your mind with divine counsel. If you do, your life will produce its best in purpose and glory.

Psalm 73:24 "You will guide me with Your counsel, and afterward receive me to glory."

We are called to guide and feed our minds with Divine counsel (God's instructions or commandments). There is an attitude that we must discipline ourselves to possess for us to rightly yield our lives to God's

Psalm 25:9 "The humble He guides in justice, and the humble He teaches His way."

What you spend time to invest in your mind, the good mind will at the end of the day produces fruits in your life. As an individual, what are you now working on as your mind is concerned? For what you give in your mind today, you will harvest in the morrow. To be able to give your mind the best, you must learn to build it with right and timely information. The Bible commands us to renew our minds. Once your minds are renewed, its results will lead to your gaining new levels in life.

Romans 12:2 "And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God."

Your mind being renewed will help you to prove what is good and acceptable and what ties to the perfect will of God. This aspect will deliver you from walking or living in error. This will also enable you or give you access to understand the mind of the Lord in everything you are to do. Those that are guided by the Spirit of God cannot fail and cannot faulter. The

yesterday and what we will produce tomorrow depends on what occupies our minds today. You should build up your mind to a point that it will create a strong generating force to make things happen progressively, gloriously, compassed with integrity and honour. A man or woman of integrity with a strong thought force is that individual that can move his/her generation to a higher height.

Trust is scarce among men and women today because men and women of integrity are rare. The absence of integrity brings doubt, fear and suspicion. The devil uses these aspects to destroy the values of people's lives. When you give in to integrity, you will no doubt produce an excellent spirit that will be appealing and commanding.

Proverbs 11:3 "The integrity of the upright will guide them, but the perversity of the unfaithful will destroy them."

Watch over your mind and don't allow any kind of thing to access your mind as earlier said. Be able to stand to the point where your mind can be able to lead you into a deeper fellowship with the Lord and the things of God. As your mind lays hold on Divine treasure, it will form a kind of a flow of that Divine

your life product a new flow of water and oil from His presence. This will lead to an unlimited fruitfulness of your person. The health of your mind will be able to stop many battles that the enemy may want to attack you with from the outside because the good treasure of His Word will always give you a lifting even in the midst of storms. So meditate on God's Word, ask the Holy Spirit to give you fresh ideas, gain revelations, know the needs of the hour, arise and respond to it. The good Lord longs to see your life respond to the purpose for which He created it.

Many people aspire to be successful even as children of God but there are principles one must follow to be successful. For everyman to be successful, you must know the principles of success. Principles are those things that when followed, they will yield the same results irrespective of who is following them. Many believers wonder how they can do to succeed in life but very few go for knowledge to learn the principles of success. I want to give a brief outline that can lead you to a successful living.

- One of the key words for success is to cultivate a mindset of hardwork. In other words, be given to work.

- Discover a need and go for its solution.

- Learn how to manage yourself and personnel.
- Develop the vision and deliver it in the hands of men and women that can run with.
- Get updated as the days go by.

If the above few keys are strictly followed, success will be your portion. Success does not only come by praying, it comes by learning its principles and giving into it. Whosoever follows these principles become successful. Having built your spirit man be opened to hardwork. When your fruitfulness abounds roundabout, it will suspend the enemy's accusation never to settle in your life. There are things that are spiritual and they should be spiritually handled. If you spiritualize everything in your life, you will be an unfortunate person at the end of the day. For even Jesus did not spiritualize everything. The things that were spiritual, He handled them spiritually and the things that were physical, He handled them physically. It is unfortunate that many Christians today spiritualize everything which has led to retrogression among believers. There are things you must study to know and there are things you must work hard to know; you don't claim them. With this, get your minds and

1- Oh Lord, help me to portray a balanced life.

2- Enable me Father to bring the best out of my life.

3- Deliver me from all forms of setbacks.

4- Oh Lord, make my mind the right factory to deliver the right goods.

5- Thank you Lord for the answers in Jesus name.

DON'T BREAK THIS FELLOWSHIP

Fellowship and unions ordained by God need to be well guarded in order to avoid any intruding force of wickedness to bring in breakage. This fellowship spans between man and God, man and fellow man, marital unions, relationships in the house of God just to name a few. As children of God we should make sure we guard against anything that has come to destroy what God has brought together. The Lord has begotten us to Himself and we need to guard this union to see that it grows by day. We have all been brought in fellowship in the House of God and we should make sure that His plans of our coming together grows and stands for the purpose for which it was created by God. The unity of the body must be kept for it to function well and render its true purpose of existence and living. Between a husband and wife, what God has joined together, any aspect of breakage should be forbidden and fought against. We cannot prosper in breaking God's law. We prosper by obeying and keeping the law of God. The bond of brotherly love among believers and ministers should grow. We are told not to break this fellowship. We are told not to walk in discord, rather, we are told to walk in love, unity and holiness.

when our union was established by God to get that union scattered. It is not to the good of any member of the body of Christ to live as an island for you can never function as an island. When you are separated from the body of Christ, you will die quickly. It is not necessarily physical death but spiritual. One man of God said "Coming together is the beginning, staying together is progress and working together is success in team work". We are instructed from God's Word to dwell in unity.

Psalm 133:1-3 "Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious oil upon the head, running down on the beard, the beard of Aaron, running down on the edge of his garments. It is like the dew of Hermon, descending upon the mountains of Zion; for there the Lord commanded the blessing – life forevermore."

Our profiting as members of the body of Christ is in our unity as a church and as a family. Anyone that will not cherish the importance of fellowship and unity will soon suffer a crackdown and if not total loss of his value as a person. Abraham and Lot formed a strong force of progress when they lived in fellowship and unity but when their fellowship break apart, the

people to separate but the Bible commands that we should endeavour to see that our fellowship does not break up.

Ephesians 4:3 "Endeavoring to keep the unity of the Spirit in the bond of peace."

Whatever will make our lives good, we need to work hard to keep it, maintain it and make it good. Each and every member of the body of Christ must learn to carry his/her responsibility in order to keep the body in health and to enable it function well. Paul writing to the Corinthian church was using a picture of how members of the body should do all to be in harmony with one another as we read from

1 Corinthians 12:14 "For in fact the body is not one member but many."

Any aspect of trying to separate what was made to live together will turn to the doom and destruction of the members involved. Most of the people that tend to disconnect from their head end up losing their functions in life from the spiritual to the physical world. Many have been misled by the devil and the deceit of their hearts by trying to pluck themselves off from where they were kept by God. That is what happened between Moses, Miriam and Aaron, it

deception that has never worked and will never work. All those that separated from where they were to stay closed to ended up as vagabonds in life. You should cherish and work hard to keep the unity of the spirit in the bond of peace for that is what will work for the entire body.

When we look at the story of the twelve sons of Jacob, the eleven that conspired to sell Joseph did not recognize the importance of being with their younger brother. When Joseph was taken from them, nothing of substance is said about them for thirteen and a half years. That is why I say separation will make us to lose values. Each time you find yourself parting from the union that God kept you, you are not doing yourself any good. At the end of the day, you will only realize you have been wasted. Many are wandering today because they break this command and they thought they could make it their own way being deceived by their deceitful heart. You will realize that Israel was sustained as a nation in Egypt because of Joseph's presence when the brothers went back and united with him. This led to the restoration of their fortunes. We should value our staying together for nothing is as profitable as that. It is certain that if they did not go back to reconcile

when calamity befell them, they went back to bring him and he delivered them from the crisis that befell them as a family and as a nation. Don't break this fellowship for what you may be neglecting today may be a pillar tomorrow. The Lord says don't break this fellowship. He commanded us in ***Hebrews 13:1*** that let brotherly love continues. Jesus told us in ***John 17:21*** that we the members of His body should remain one, as Him and the Father are One; and in ***Matthew 19:6*** that what God has joined together, let no man put asunder.

Search from scriptures and live in fellowship with your brethren according to God's Word, live in fellowship with the church according to God's Word, the family and the society according to God's Word. Any other thing that we may wish to do out of God's standard will lead to breaking the commandment of God and we will never go unpunished. We have been commanded by God to live as a body in love, peace and righteousness. Once more, don't break this fellowship for if you do, you will be broken down and it will break you down. Let the eyes of our understanding be enlightened and let us put our full contribution to see that the body of Christ moves forward for a healthy church will produce a healthy

righteousness for the glory of the Lord as obedient children, let your life be full with glorious testimonies. Arise and shine forth in Jesus Mighty Name.
