I advised her to use the hand in the Manna Feast of the month of breaking barriers building and bury a copy in front of the building. When she did, her enemies were exposed and overpowered. Now she is fine. Thank you Jesus

MBENGWI

Praise the Lord! I want to thank God for the month of "Greater Lifting". I was greatly lifted in the area of evangelism. Chapter 3 of the Manna Feast, "Train your Mind" inspired me to preach and many gave their lives to Christ. Moreover, I used the hand in the "Manna Feast" and prayed for someone who was sick and she was healed. Thank you Jesus!

Sister Joyseline:

Glory to God! I want to thank God for the of "Greater Lifting" I have been studying "Manna Feast" for three months now but this month last month I saw God. I used to have serious pain on my leg due to a demonic cutlass pinned behind my house. Thank God for after prayers, I removed it, burnt it and throw it on the main road. Since then, the pain ceased. Secondly, I was blessed by chapter 3 "Train Your Mind". It helped me to understand that if my mind is not trained, I can't do well in the things of God. It also helped me to understand that the mindset I carry will determine my success or my failure. Thank God!

Sister Beatrice:

Praise the Lord! I want to thank God for the month of "Greater Lifting" for it really increased my spiritual life. Praise Master Jesus!

Brother Peace

BAYELLE

I want to honour the good Lord and Father of our Lord Jesus Christ for the Manna Feast and its wide impact. I met a lady at the main market and gave her a copy of the booklet. She confessed that when she placed her hand on the hand in chapter seven, the power of God came. Before now each time she sleeps men will appear and sleep with her vigorously and everything will crumble. This night she placed the Manna Feast on her tommy and slept. The

men came that night but could not penetrate her. From that day she has been completely delivered and her business is moving speedily. I want to thank God for this awesome deliverance and all that the Lord is doing through this booklet. You can trust God for your breakthrough through this Manna. Thanks

Bonekeh Nelson

Praise God. I want to thank God for the Month of Greater Lifting. My sister's son was ill and hospitalized for a week in Ebolowa. He could not eat or drink anything. My younger sister called her on Sunday and she explained the situation the child was going through. On Monday morning, I placed my hand on the hand in the Manna Feast and prayed for the child. Before the mother reached the hospital that morning, the child was asking for food to eat. After eating, he did throw up as usual. That same morning after the prayers, a bag fell from the ceiling with a sign of any hole on the ceiling. On checking the content of the bag, they found the pictures of dead people and other objects which they could not identify. Two days later, the child was discharged from the hospital. Secondly, I was greatly lifted spiritually after the consuming the teachings of the Manna Feast, chapter three "Train Your Mind" and chapter four "My Father's Business" respectively. May the Lord increase his servant from strength to strength. Thank you Jesus.

Deaconess Benedicta

Hallelujah! I want to thank God for the Month of Greater Lifting. The first Sunday of the month, our pastor said God is going to surprise 10 people in church financially. I want to bless God because I was one of the benefactors of that testimony. I was in my business place one morning when one of my customers came and told me that he wanted to go out of the country and he wanted me to replace him at his job site with a salary of 220.000frs. I give God the glory for this is what only Jehovah can do.

Brother Emmanuel

Praise the Lord! I am grateful to God for the Month of Greater Lifting. I bless God for the grace of Evangelism and the wonder working power of the Almighty God. I went to Mile 4 for Evangelism and I met a lady who had a sprain on her leg. The leg was swollen as a result, she could not move. She had a tied a block of ice on the leg and she could stand on the leg. I opened the hand in Chapter of the Manna Feast, placed it on the affected area and prayed. After prayers, she started jumping immediately, she could walk, run and she is fine to the glory of God. Thank you Jesus.

Sister Judith

Glory to God! I give God for the Month of Greater Lifting. I was pregnant and I went for clinic. After carrying out some tests on me, the nurse sent me to the Lab. The lab results proved that I had fungi which has affected my baby and I was asked to start treatment immediately. The pregnancy was 2 weeks overdue. When I came back from

the hospital, I called my pastor and he prayed for me. After prayers, he asked me to go back for another test. I went back for the test and the result was negative. He asked me again when I will like to put to birth and I told him Friday precisely. So he said to me "Let be done to you according to your faith". That same Friday at around 3 a.m., I began having labour pains and it persisted till morning. Before I left the house to go the hospital around 2:30 p.m., the child's road was already opened. I entered the labour room and I put to birth like a Hebrew Woman. All thanks to the Almighty God.

Sister Cynthia

YAOUNDE

Praise the Lord! I want to thank God for the hand in the Manna Feast. In the Month of Greater Lifting, I experienced God in the prayer cell in my house. A new born baby was brought to the prayer cell and she had not stooled for one week. She was only crying. After laying the hand in the Manna on her stomach and praying with her, the child stooled well and she is fine now. Secondly, one of my students in school had an accident for about two years today and his documents had been blocked in the Beneficial Insurance Headquarter in Douala. He came to me in search of a solution and I gave him the principles of the God we serve. He took his own copy of the Manna Feast, placed his hand inside and prayed. A week later, he was called to sign for his payment. Thank you Jesus.

Pa Jonathan

LIMBE

luiah! I want to thank God for the Manna Feast of the Month of Greater Lifting. Chapter Six made me to know that I can handle every confrontation in my life with the potentials that have been placed in me. Glory to God.

Bishop Erick

Praise God! I want to bless for the |Month of Greater Lifting. Chapter 3 of the Manna Feast "Train Your Mind" really blessed me. I learned that when you don't train your mind, there are certain things you can't do. Secondly, if I train my mind with the right information and knowledge, I will be able to manifest fully in my person as a child of God. Halleluiah

Ma Alice

BAMBILI

Glory to God! One day while at home, I felt a sharp pain around the lower point of my right breast. As time went on, the pain increased such that it almost altered my breath. I placed my hand on my breast and prayed. After a while, it persisted. I picked up my Manna Feast, the month of Unstoppable Emergence, opened to the page where the hand is, placed it there and prayed. After a while, it suddenly stopped till today. To God be the glory.

Brother Eugene

Hallelujah! I want to thank God for what He did in my life through the "Manna Feast". A neighbor trusted me and gave me her keys while leaving Bambili on Friday. I entered

this lady's room and found all her things intact. But going into that same room the following day in the evening, I discovered a thief had broken into the house through the ceiling and carried away the lady's flat screen TV set. I rushed to my own house and brought the "Manna Feast", opened chapter 7 and placed it on the walls of the house and made some declarations that let the thief be caught. Breaking the next day, God exposed the thief who has been my neighbor. This young man has been a bandit for a very longtime and he was hiding in church. Nobody could every suspect him because he plays piano and is a CYF leader. Thank you Lord!
Sister Jacqueline

JAKIRI
Praise the Lord. I thank God for using the word in the Manna Feast to address my family and I on a daily basis. I bless God for the word this month. My son had severe pain in his stomach and could not eat. The pain became so excruciating and the child was giving up. I placed the hand in Chapter 7 of the Manna Feast on the stomach and prayed for him. Instantly, he started vomiting, some rounded brownish substances. Immediately, the pain ceased. I give God all the glory for using his word and provisions in the Manna Feast to reach out to us.

Sister Yvonne

Glory to God. I bless God for the provision of the word and prayer points in the Manna Feast. In the month of

Unstoppable Emergence, God delivered my family from a deadly conspiracy which was an answer to one of the prayer points in the Manna Feast. I also blessed Him for His word in the October edition which truly blessed my life. To Him alone be all the glory.

Sister Sivorine

Hallelujah! I blessed God for his word in the Manna Feast, October edition most especially chapters 2, 3 and 5. It brought an all-round restoration to my life, my family, the church and nation. The Lord also manifested supernatural financial provisions, protection and preservation over my life this month. To Him alone be all the Glory.

Sister Adeline

Praise the Lord! I want to worship God for the numerous signs and wonders He has been doing for me and my family, via the Manna Feasts and the grace in the commission. During the month of God's Creative Wonders, my elder brother called my mom and complained to her that he was at the risk of being dismissed from his jobsite. I had read a testimony of someone writing his prayer request on the hand in the Manna Feast and received answers to her prayers. So I also wrote my brother's name on the hand and prayed that he be maintained at his jobsite. Behold two of his colleagues that were recruited at that the same batch (time) were dismissed but he was maintained where he still works comfortably. Secondly, I also want to thank God for the messages he has been using

His servant to drop into my spirit as they have boosted my prayer and study life and also increased my faith. One evening, still in the month of God's Creative Wonders as I was studying the word of God around 11 pm, I heard some funny bird sounds and animal screams at one of the boundaries to the left of the compound and then something fell on the roof at that point. The next day, I discovered blood stains on some stones at that same location and the day after that, I picked up a big dead cat towards the boundary to the right of the compound. I just want to thank God for all He has been doing for my life and family and to pray for more grace upon His servants in the commission and most especially upon the GO

Brother Nde

Hallelujah! I bless God for His timely release of His word into our lives, via the Manna Feast. The devil over the past month had been polluting my mind with some very funny thoughts linked to my walk with God. I bless God my mind was restored by God, using Chapter 3 of the Manna Feast (Train Your Mind). I bless God for the revival and restoration. To Him be all the glory.

Sis Sivorine.

Praise God! On the 10th of November, 2018, I came home and switched on my laptop to do some work, but when it came on, the keys did not respond. It was difficult to input the password. This was not normal. I remembered the previous laptop that had a similar problem and ended up with the technician. I was getting worried but thank God

for the Manna Feast. I read a testimony placing the hand in Chapter 7 and a bad refrigerator and a TV returned to normal functioning immediately. So I placed the hand on the machine and it started working instantly. And it is functioning normally till date. Secondly, I bless God for his great power over my life. I was assigned by my leader to search the scriptures and extract words based on healing, write them down, speak them out and begin to declare them continuously. I did not effectively carry out the assignment, hence I went through a lot of health challenges. For the past two months, I took the assignment in addition to prayers made by my leader and laying the hand in the Manna Feast on me. I have experienced a positive change in my health with crisis experienced throughout this month, despite the seasonal unlike before. I glorify God for his healing mercies over my life and trust Him for perfection. Thirdly, I bless God for the month of "Greater Lifting". My prayer, study and spiritual life was greatly lifted. A greater grace for evangelism also came upon me. To God alone be all the Glory.

Brother Nde:

BAMBALANG

Praise the Lord! I want to thank God for deliverance through the hand in the "Manna Feast". My niece was living with my cousin who is in deep occultism. The son of this my cousin tried to rape my niece but could not prevail over her; so he began beating the child. After this battle, the boy left the house to the road since he was insane, he

encountered some military men who shot him dead. The mother finally sent the girl out of her house. All these happened when I wrote their names on the hand in the "Manna Feast" and was praying against the spirit of death in my mother's house. This is what only Jehovah can do. Thank you Lord!

Pastor Emma:

INTRODUCTION

We celebrate the grace of God for His unfailing provision from the spiritual to the physical that has enabled us to travail and triumph over the years. In this season that was designed as a season for us to "Champion", haven gone through level to level of travails that came in different times and seasons; here comes the still small voice sounding a message; "The set time for Good Tidings." This is your season to embrace good tidings for your entire being.Good tiding is that message that is pronounced over your life by God having been waiting patiently for Him like Sarah did, like Hannah did, like Joseph, Mordecai and a lot more of scriptural legends did. Their season came by the Hand of God where good tidings were released and ushered into their lives by God Himself. It was a proper season for them to breakforth and show forth God's living wonders where those that looked down on them, were prompted by the manifestation of their tidings to look up to them. All you need to do is to believe and have faith for the word has gone out and it will not return void.

Once more, welcome into a new era of recognition, fulfillment and celebration. God bless you as we all stand in awe to say "Lord you are good and your mercy endureth forever." God bless your soul that despite the ups and down, His grace kept you alive. You did not die in the struggle, rather, His grace kept you through the storms of life and today you can gladly say "My God you are Good!"

CHAPTER 1

MY WORD HAS GONE OUT

Isaiah 14:24 "The Lord of Hosts has sworn, saying, surely, as I have thought, so it shall come to pass, and as I have purposed, so it shall stand:"

All declared words, statutes, promises, covenants of God over the issues of life will at all times remain unchallenged from ages to ages. All the forces of men geared by satanic powers that ever stood at all times to challenge the authority of God's word ended up being a vanquished; like men in the days of Noah, Sodom and Gomorrah, like Pharaoh in the days of Moses, men like Nebuchadnezzar, Herod, Hitler of Nazis Germany and many other dictators. They thought they could distort the plan of God but they ended up being disgracefully terminated out of existence. We can see only the strength of God's declared Word prevailing from ages to ages. That is why if you are born by the Word, you end up becoming a hero in the conflicts of life. The declared Word of God that has been sent forth purposefully will never return void.

In the context of our lesson, we want to draw inspiration of what God's Word has mandated mankind and the sons and daughters of God to become. God in His sovereignty is determined to make sure that all declared words come to fulfillment. At the center of issues as you are concerned

as God's creation, you were created with a declared word embodied by God. As God declared to the children of Israel, so is He declaring to the Israel of God today; this is the church of Christ. I want to let you know that every written word from the Bible, every vision, prophecy, and revelation that God entitled to you will come to manifestation. It does not matter what you have been through; what I want you to understand is that the Word of God that have been declared to you will not return void. Are you a pastor, an evangelist, an Apostle, a prophet, a teacher; in whatever capacity God created you to function, the engraved Word of God upon you life is stronger than your odds. That engraved word will bring all your odds to nothing. What is God's plan and purpose for your life? ***Jeremiah 29:11*** declares that to us.

Jeremiah 29:11 "For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope."

This Word is God's framed purpose that you have an expectation from the Lord that shall not be cut off. God is following you up; knowingly or unknowingly to ensure that His intended plans for your life comes to fulfillment. All you need to do is to make efforts to be in place where the heavens can interact with you without contention or friction. God also expects a delightful attitude on our own part in order for Him to vividly showcase His eternal plan

of Glory kept in stock for us. Each time we walk in His pathway, we bring delight to our Father. Each time we walk in obedience, we bring gladness to our Father. It is His goodwill that we should be the heirs of all the glorious promises that He has made known to us even those we have not known yet.

Most of the delay we may have in actualizing God's promises is due to unbelief and disobedience which are orchestrated by the deceitfulness and the wickedness of the human heart.

Jeremiah 17:9 "The heart is deceitful above all things, and desperately wicked; who can know it?

But we can get this circumcised by the Word of God and by the help of the Holy Spirit. You need to rise today, mount up your faith, stand on God's Word, see the Word of God coming to your aid, correcting your mistakes, healing your wounds, bringing restoration, restoring hope to all hopelessness and bringing you to life as a son and as a daughter to reign for God's glory. The Lord has declared that what He has purposed shall stand. The goodwill and the good plans God have purposed for your life, irrespective of satanic attacks, as you believe on the mandated Word of God, that good word shall stand.

Isaiah 45:23 "I have sworn by Myself; the word has gone out of My mouth in righteousness, and shall not

return, that to Me every knee shall bow, every tongue shall take an oath."

Understanding the unchangeable power of God's Word standing ever sure in all generation, you will need to understand that the Word of God is that raw material to stand upon , to believe it and to act upon it, to walk with it to make things happen. Get your faith in place; give in to an upright living as commanded by God. Get your mind renewed in knowledge; confess, profess and embrace your victory. God met a Biblical legend and said to him; I will make you great. This legend is no other person than Abraham called the friend of God. The greatness of one is not tagged on the pillar of material gains but it is tagged on the pillar of human empowerment. That is to say; how many have you groomed, how many have you mentored and made them true leaders that can make other leaders in the future? How many have you met in hopeless situations and gave them hope? You can rise today to better situations of persons. That is what we mean by human empowerment. We can see clearly today that though God met Abraham as nobody, the Word of God spoken over his life became a pillar and a raw material to Abraham and his descendant's lives till date. There were emphasis that God reiterated to Abraham and those emphasis were coined on a one on one ground. For Abraham to maintain a cordial relationship with God it was with the declaration "Walk before me and be perfect".

It came to pass that Abraham was blessed with a son at his old age with Sarah his wife. The coming of Isaac brought hope and life to Abraham. We can see from all the looks of things that wherever the seed of this man entered whether in their land or a foreign land, the evidence of greatness was clear. In the land where Isaac dwelled after the dead of his father, he was known for greatness and his greatness became a threat to the people of his time. So too was Jacob, Esau, Joseph, Moses, David, Esther, Daniel and a lot more. They were known for an excellent spirit, they were known for greatness.

There is also a declared Word of God upon your life; access grace to walk before Him and be perfect. The Lord gave a conclusion of all these in

Isaiah 55:11 "So shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it."

What is that vision, that dream, that word of prophecy, that covenant word that God has revealed concerning your life? The Lord says that Word will be made flesh, it will not return void. For as He did to Joseph in the days of old, He has said the word will not return void. For He followed Joseph everywhere He went and He was determined that what He showed Joseph will come to pass and so it was. It is your season, it is your time, let your faith not grow

weary; rather, let it be empowered. Your case is different. Where others failed, you will not fail there because you are engraved in the palms of His hands. What killed others will not kill you, what stopped others will not stop you. Only believe; for to everyone that believes, all things are possible. You will not end anyhow; God has a plan for you. Stay courageous and determined in the name of Jesus.

PRAYERS

1- Father, thank you for your ceaseless concern over my life.

2- Lord, I stand on your Word; Oh Lord, make my dreams come true.

3- Lord, help me to see and act above the present obstacles.

4- Father in the name of Jesus, I declare myself a winner.

5- Thank you Lord for the answers in Jesus name.

CHAPTER 2

CREATED ANEW

Isaiah 43:8 "Do not remember the former things, nor consider the things of old."

God's engagement with you as a human is to make you a brand new person. Before God ever encountered you, He knew you had a past. Most often, His plan is to deal with your ugly past and pour on you His presence that attracts glory. In our context titled "Created Anew", we will be dealing with how to handle our past horrors. One of the challenges of the pilgrim is the inability to deal with their past. The devil has used people's past to stop their advancement into their future. Most at times the devil uses your past to make you feel condemned and to think that your future cannot be better. This is what the devil uses to delay and even end up destroy the people of God. The devil will use your past to convince you to believe that you are the worst person and he will never allow you to have an understanding that even in your fall, you can rise. He wants to keep you in a fallen state but God says rise out of that fallen state and embrace the new you.

All human beings irrespective of their descend, language, colour or any kind of background you can think of, are concluded under one phrase by God. That phrase is "All have sinned and fallen short of the glory of God" ***Romans***

3:23. This one includes every human born of a woman except Jesus Christ There is nothing like worst sin or great sin; sin is sin. The cure for sin is repentance. So dealing with our past, we must convince ourselves to accept the Word of God that God is calling us to repentance. Once we have repented, our ugly past is dealt with by God and not by humans. So when God has dealt with your ugly past, you need to let it go. Put everything in place to nullify any effect of the past that may affect your present. you should violently put efforts to put an end to any past that tampers with your present, for if you don't do, it may end up to violate your glorious future.

Have you been feeling self condemned even when you have repented of your past? I have good news for you; on the Cross of Calvary, Jesus declared "It is Finished". Do not allow the devil to jeopardize your future. God understood you made mistakes but He still revealed Himself to you. If He had it in mind that you are good for nothing, He wouldn't have revealed Himself to you; talkless of showing you His glorious promises.

Tell the devil each time he tries to make you feel down casted; God knew I was so bad like an ugly caterpillar but He came to my rescue and saved me. His salvation in my life is transforming me to a beautiful butterfly. This conversion will take away my ugly past and give me a glorious future. God knew you were bad; that is why He

sent Jesus to die on the Cross for you. A servant of God had a resistance from the devil because of his past. He never had the capacity to resist the devil but the love of God was in place to save him. Beloved, the love of God is in place to save you and it has already saved you.

Zechariah 3:1-3 "Then he showed me Joshua the high priest standing before the Angel of the Lord, and Satan standing at his right hand to oppose him. And the Lord said to Satan, "The Lord rebuke you, Satan! The Lord who has chosen Jerusalem rebuke you! Is this not a brand plucked from the fire?" now Joshua was clothed with filthy garments, and was standing before the Angel."

The filthiness of Joshua the high priest here had to do with his past. The devil has been using our past to resist us but we can deal with this resistance by embracing the spoken Word of God over our lives and the free gift of life offered by our Lord and Saviour Jesus Christ. The yoke of your past hunting you; in the name that is above every other name, let that yoke be destroyed. Receive grace to start living like someone who has never committed an offence with the consciousness that God has granted to all who have believed. The declaration of God's Word must be accepted as it is without giving it a second thought. The scriptures declares in ***2 Corinthians 5:17*** that if any man is in Christ he is a new creation. Old things have passed

away and behold everything has become new. Created anew has to do with this declaration; "My past is over". It will be an error having made such declaration for you to turn back and begin to do the things you used to do (never you return to your vomit. Keep moving in the new way the Lord has brought you into) In this era, haven disconnected yourself from your past, you will be able to silent the enemy, helping yourself to forget about the past and speaking the Word of God as your life is concerned when the enemy rises to condemn you.

Secondly, you have to do something great now that will release upon you an overwhelming glory. This will cause those who were looking down on you to start looking up to you by the impact of God's grace and glory upon your life. Remember, the Bible declares in the book of Corinthians that God uses the foolish things of the world to confound the wise. Your past looks like those foolish things but God is going to use you, transform you and transcend you into glory and honour. Maybe your past life landed you with a tagged name where people now address you as; you thief, you armed robber, you prostitute, you bastard, you good for nothing and so on and so on. Beloved; if your past have caused you to be addressed in such a way, I have good news for you; you are that urgent vessel God is looking to manifest undeniable glory. Remember! Rahab the harlot as she was tagged because of her past life. She was among the lone survivors during the collapse of the

wall of Jericho who left Jericho and joined the Israelites. From a harlot as she was called, God took over that past and gave her a new beginning. This new beginning was so great that no human could think that a woman who was tagged a harlot could have anything doing in the lineage of the Messiah. She joined the Israelites and finally got married in the lineage of the Messiah. ***Joshua 6:23*** and ***Matthew 1:5***. There was no way her past horror could match make her present glory.

Child of God, start this day to walk in newness of life because as you think, that is who you are. Your thoughts will precede your actions. It is humanly unbelievable that a woman who was a street prostitute could be so transformed by God and carry the Messianic seed of honour. Rahab was that woman. What we see surrounding her was her qualification; she was a foreigner, she was a prostitute but the love of God qualified her. It is just that love that qualifies us to become accepted and honoured by God.

Another person that God turned his ugly past to unfailing glory is Jephthah. A child who was tagged as a bastard was so rejected to the extent that his half brothers had to send him packing out of his father's house on the premise that he was a child of a strange woman.

Judges 11:1 "Now Jephthah the Gileadite was a mighty man of valour, but he was the son of a harlot; and Gilead begot Jephthah."

He was a mighty man of valour with a clause. Whatever clause the enemy is using to hold you back; let that clause be erased from your mind and to everything that pertain to you. This same Jephthah was made anew by God. Haven been driven by his brethren, his value spoke greatness and the same people that drove him went after him because they needed his value for service. The same God that worked for these people is working for you. Get yourself committed and be very focused until your life starts to release an unstoppable greatness that will place men and women at the command of your services. Start to appreciate God for your life, start to thank God for who you are; ask the Lord to open your eyes to see greater values in you. Speak to yourself I am not a mistake, I am a Divine project, I was born debased so that I could be highly lifted, I was born in an isolated place so that I can appear in a palace. I was tagged with an ugly title so that I should be crowned with an everlasting honour. Rahab was tagged with an everlasting honour; so was Jephthah and Saul of Tarsus. Being in Christ Jesus, you are created anew.

You may never have any story to tell if you remain where you are and keep regretting your old past. But you have a story to tell if you emerge in the new horizon of your

greatness. Arise today; declare who you are in Christ to every opposition that may meet you knowingly or unknowingly. Walk daily with Christ and you will embrace your glorious future. This is your new dawn. God bless you!

PRAYERS

1- Father, thank you for your Word.

2- Father, renew my strength and my thoughts to walk in newness of life.

3- Blessed Holy Spirit, daily guide me as I face each day of my life.

4- Thank you Lord for the answers in Jesus name.

CHAPTER 3

THE EFFECT OF PROPER RECOGNITION

There is a benefit that will follow each and everyone who properly recognizes who and what he sees in their proper content as approved and given by God. It is of paramount importance for man to know that we can't bargain or defer the ordained authority of God over men or other created things. It becomes a blessing when we join the heavenly throng to acknowledge or play our rightful duties as humans ordained by God. We become blessed when we bless what God blesses and we are cursed when we curse what God had blessed.

When an individual blesses something that has been ordained and blessed by God, that individual will draw blessings from that ordained entity. But when someone tries to curse what is blessed by God, that individual only attracts the curse of God upon his life. There are situations where men do not understand and why they are not blessed as supposed. God's intention is to see that His good will be made manifest in our lives and the imperfect be perfected in us. It is God's will to see that we are blessed to the ultimate. It will turn to a person's disadvantage if he tries to curse what God has already blessed. There are fundamental facts and truths that cannot be annulled by

any creature. There are four things that these fundamental facts and truths carry:

- When a man is not enlightened or redeemed, he is being propelled by his instincts and we know a natural man is self centered, egoistic, egocentric and will do anything to anybody to ensure that his intended agenda to damage or keep a thing alive be met at all cost. That is why when you see a natural man who is void of the fear of God; he can do anything to keep something in its position. They don't have the knowledge that even if you have certain abilities to control things, God is the one that rules over all.

- Another group of people are those who have had the knowledge of God and have seen His acts but they are not serving Him. They look at God and His things as one they could counteract. When they realize that the will of God is not working with their desire, they will put in their full force to counteract every plan of God that doesn't suit their desires.

- The third state is the group of persons who are ignorant of the will of God but if they are exposed to it, they will willingly do what it requires of them. So we can call the third group the ignorant but willing to know.

- The last of these groups has to do with people who love and cherish whatever God loves and cherishes.

All they want to know is what God wants them to do so they can use their full force to do it. All they want to know is what God has blessed so they can bless it and what God is against so they can join their full force to destroy it.

Having had a clue of our subject with the above illustration, we want now to dwell on the effect of proper recognition. We will dwell on just one of the effects in our study and we will be looking at one of the Biblical figures who got what was in God's understanding, God's making and God's leading to fulfill God's agenda. We will take our Biblical analysis from the book of

2 Kings 4:8-36 "Now it happened one day that Elisha went to Shunem, where there was a notable woman, and she persuaded him to eat some food. So it was, as often as he passed by, he would turn in there to eat some food. . . ."

When we look at the above scripture, it tells us of the shunamite woman who had an understanding of who Prophet Elisha was. It was by reason of proper recognition that she constrained him to pass by her house and have dinner. In the following verses of the same chapter, we are told that the woman in the process of time had to make a confession to her husband that Elisha is a man of God. Firstly, she recognized the Hand of God upon Elisha;

secondly she realized that Elisha was a Holy man of God. With that she provided a room for Elisha. That was proper recognition. She knew Elisha the man of God the way God knew him.

Proper recognition has to do with knowing something the way God knows it, seeing something the way God sees it and acting towards that thing or person the way God wants you to see and act towards it. When this is done, it provokes or brings out an unction to address certain mountains that could not be addressed by human strength or natural forces. When this woman did this, her heavens were opened and God through His servant gave her a blank cheque. Though she was a notable woman, she was barren; but her recognition of who Elisha was as God knew Elisha to be brought a certain breakthrough in her life that the yoke of bareness was broken. In the days ahead, she conceived and put to birth a baby boy according to the word of the man of God. Even when the child grew up, fell sick and finally died, the Shunamite woman did not dare to defer her proper recognition of the man of God who was lodging in her house. The Bible says when the child died; she took the child, went and laid him on the bed that she made for the man of God. She made room for the man of God and in the days of her adversity, the room became a venue where her dead baby was raised back to life. If she never had a proper recognition of the servant of God, she would have acted poorly towards the man of God that was carrying

the keys of her breakthrough. At the end of the story, the boy was raised to life and given back to the mother. That was the effect of proper recognition that drew virtue for resurrection.

Most of the poor results we have today in Christendom between God's servants and the people of God is because there is no proper recognition of the servant of God on the pulpit by the members of the church. Most often than not, the pew or the followers don't have a proper knowledge of who they are following. As a result, they fail to acknowledge the sent in their lives the way God knows them and the way God has made them to be. One of the reasons why Jesus could not do much in Nazareth was because the people of Nazareth did not have and did not even want to have the knowledge of the capacity that Jesus carried. As a result, Christ could not do much in Nazareth because of their unbelief.

Matthew 13:58 "Now He did not do many mighty works there because of their unbelief."

We will come to realize that all those that met the Prophets or God's servants or Jesus Himself with proper recognition of their person as ordained by God left them mightily blessed. In most cases where people have proper recognition of God's servants, they always end up with blank cheques given by God. I will like us to look at persons

who gave proper recognition to servants ordained by God and what befell them:

We will start from our text with the Shunamite woman; when she recognized Elisha in his God's ordained capacity, Elisha gave her a blank cheque as we see in

2 Kings 4:13 "And he said to him, say now to her, look, you have been concerned for us with all this care. What can I do for you? Do you want me to speak on your behalf to the king or to the commander of the army? . . ."

Another example we see is Hannah the wife of Elkanah who was called barren. Hannah had a proper recognition of Eli who was a messenger of God. We all know the story in ***1 Samuel 1*** where Eli accused Hannah of being a drunk. She never shouted at Eli because she had a proper recognition of Eli as a God sent over their lives. She could not have called herself a maidservant of Eli when she said: "Do not consider your maidservant a wicked woman, for out of the abundance of my complaint and grief I have spoken until now"; if not of proper recognition. Eli in his response gave Hannah a blank cheque.

1 Samuel 1:17 "Then Eli answered and said, go in peace, and the God of Israel grant your petition which you have asked of Him,"

Your proper recognition will end you up in a great open door. Another person that had a proper recognition was Elisha who was a follower of Elijah. One of the things we can note here is that people that have proper recognition are always loyal and faithful to God's ordained offices. The steadfast loyalty of Elisha to Elijah also ended him having a blank cheque by God through Elijah as we can see in

2 Kings 2:9 "And so it was when they had crossed over, that Elijah said to Elisha, ask! What may I do for you, before I am taken away from you?"

We can also see the response of Elisha when Elijah was taken up to heaven and he shouted "My father! My father! The chariots of Israel and the horsemen thereof!" That was it with Elisha and his master Elijah.

So also was the Greek woman who came to Jesus pleading for Christ to cast out the devil that her daughter was possessed with. Jesus answered and said it is not right to take children's bread and cast it to dogs. This woman even with the harsh response of Jesus still called Him Lord and accepted the fact that she was a dog. She also said she would be happy if she could feed with the crumbs that fell from the children's table. There are people we have neglected, snubbed and done all kinds of wrong things

because we don't know the God's ordained mission which they are sent forth to carry out in our lives.

Matthew 15:22-28 ". . . Then Jesus answered and said to her, O woman, great is your faith! Let it be to you as you desire. And her daughter was healed from that very hour."

Looking at the above scripture, we will realize that the Lord also gave her a blank cheque. That was as a result of her proper recognition. Your proper recognition of God will give you an advancement that will be unstoppable. Jesus also asked His disciples what people were saying or thinking about Him. The disciples said some said he was one of the prophets, some said He was Elijah and so on. Knowing somebody in the proper sense ordained by God is important. Now he turned to His followers and asked; "Who do you people say I am?" Peter answered and said you are the Christ, the Son of the Living God. The first word that proceeded when Peter made this pronouncement was "Blessed are you Simon". Then the Lord went on to release the blessings, the keys of the kingdom which had to bind and to lose. Our prayer today should be: God help me to know your people the way you know them. God help me to respond to the offices of the people the way you have ordained the offices to be responded to. Pray yourself to know it (the things of God the way God wants them to

be and the things of God accordingly as God has ordained them to be attended to).

PRAYERS

1- Father, I receive grace for proper recognition.

2- Lord, I receive grace to speak rightly and to act rightly.

3- Oh Lord, open my heavens in the name of Jesus.

4- Thank you Father for the answers in Jesus name.

CHAPTER 4

GUARD YOUR DREAM

Men and women of great dreams in life fall prey to the devil because of their inability to guard their dreams. When we are talking about dreams, we are talking of that assignment which you are carrying to empower your life and your world. We have different things within our capacity endowed by God to realize, construct, plant, which may stand in the latter day as our legacy. For every generation, great dream carriers are those vessels that appear on the earth to provoke a revolution for the wellbeing of both the physical and spiritual aspects of human beings. These people are prime targets of the enemy. They are leading forces, they are nation builders, they are people with a burden for a change. They are people with a burden to see things get better. They are people with a burden to see the oppressed free, the bound delivered, the possessed being set free. They are people of few words but with a keen attention and foresightedness. As God empowers people to carry missions on earth, the devil does likewise but it is certain that darkness can never prevail over light.

In our lesson guard your dream, we will be getting some keys and instructions which will enable us to know our capacity, to know what to do in order for the vision or dream not to be killed or short-lived. Every burden that is

divinely ordained is not self orchestrated but divinity brings you into the action to use you as the tool to realize such projects. Some of this revolutionist, great vision carriers, some of their announcement come by angelic beings, some by the prophets, Apostles and other God's chosen vessels. For some, divinity comes into place, meets them and reveals to them the mission that God sent them under the earth to fulfill.

Our magnitude or services of work to realize may differ but you need to know that everyone sent on earth has a purpose, a mission or a duty; for God has never spent time to create anything useless. Some have dreams to affect the nation on the scientific platform; some on human resource empowerment, some on spiritual endowment to showcase the manifestation of God's power over the affairs of life; some to bring about products that will empower the health unit in our society. Some will be men of great thought that will empower other humans in the school of thought. Whoever you may be in your capacity, the devil is against any value carrier that is on a mission to empower lives and he will stop at nothing to make sure their dreams are contaminated. This is because once the dreams are contaminated; they are no more in their original state and cannot do well as supposed. It is better for every dream possessor to keep his dream alive than to live and kill his dream. In other words, it is better for you to die than for your dream to die. This is because if that dream remains

alive, even in your absence, other people will carry the dream and it will still fulfill its purpose in human lives.

The devil is more concerned with our dreams than our body. He is more concern with our dreams than our human structures. That is the more reason why many people are undergoing attacks. This is because the dream and vision of their lives is still living. Once the enemy kills that vision, the attack will cease. Continuous attack is an indication that the vision or dream is still alive.

Martin Luther King Junior in the 20th Century rose in America and he told the Americans "I have a dream". From the day he rose to execute that dream of equality and equity among whites and blacks, his life came under attack. Other blacks that never had a threatening dream like his were never attacked but he was a focal point of attack. One of the last statements of Martin Luther King Junior was "I have seen the promised Land, I may not go there with you but you will surely get there." At the close of the 60's Luther was shot in a rally but one thing the devil failed to know was he killed Luther but he did not kill his dream. Other people rose after him and continued with that vision. In the C21st a black rose up and was sworn in as the first black president of America. For no reason should you allow your dream to die; guard it. The day your dream is announced publicly, stay on your guard because all kinds

of confrontations and attacks will face you. As it happened to Luther, it happened same to Joseph.

Genesis 37:5 "Now Joseph had a dream, and he told it to his brothers; and they hated him even more."

When Joseph declared his dream, the Bible says his brothers hated him the more. It means before this, hatred had been and that hatred was as a result of jealousy. The Bible tells us how jealousy is like in

Song of Solomon 8:6 "Jealousy is cruel as the grave; its flames are the flames of fire, a most vehement flame."

Some are conscious of their dreams but others are not. It is very important for you to be conscious of your dream. Understand the scope of it, get yourself empowered with knowledge, with physical materials, get connected with the right partners to collaborate with, then persistently launch out and never stay out of focus; remain focused. You should not count it strange when you are hated for your dreams or when you are backstabbed for your vision; it is normal. You may die, but the vision that was sponsored by you will never die but live as a legacy. That is the important point and that is why you should not afford to see your vision die.

In conclusion, get these principles to guard your dreams:

1- Guard your dreams against the haters of it. There are people who will never love what you are sent to do; you should know that. Never mind, as long as that vision is pleasant in the eyes of God and empowers humanity, go ahead. Many people who have not yet discovered their purposes in life are instruments that the devil uses to gainsay those who are on the run with their vision.

2- Guard against sight comments that will appear to tell you what you are doing you can never succeed; what you are saying is not possible. You should know that your possibility resides in you endowed by God.

3- Guard against what I call the easy wrong that may glitter from the beginning and grow so dark at the close of the day. In other words, get every step of your life carried out the right way. There are people who will tell you the easy way of becoming like Potiphar's wife who will tell Joseph you are suffering in this house. Just lie with me and I will make you rich. Some will say join the club which of course is an occult club and you get that uncompleted building complete and you buy that new car. Never buy the easy wrong. This easy wrong will be played on different grounds; don't sell your body for jobs, don't sell your body for marks, don't sell your soul for money. Enhance the hard truth and live by it; it will speak for you and speak again glorious days.

4- Guard against people who want to know and kill. These are enemies who come like friends in disguise. They put in keen attention to dig out everything you want to do; your projects and so on so that when they know it, they set out traps to kill it.

5- Guard against laziness, procrastination in the name of waiting for help from a human that will never come. Keep walking depending on God and making maximum use of your time.

6- Guard against modern day philosophy that talks of you are self sufficient without God. The Lord says you can do nothing without Him. At all times make God your pillar, make Him your strength.

7- Guard against people who are only interested in your strength for their personal gain and interest. For example the cupbearer who was with Joseph in prison, Judas Iscariot, Ananias and Sapphira. Know that when they must have exhausted you, they will turn to kill you.

8- Lastly, keep fueling your dream; never allow it to stay on one spot for long. Keep fueling it to grow in size, height and relevance. It is your increase that will make your enemies to give up.

PRAYERS

1- Father, thank you for your word of counsel and strength.

2- Lord, I receive grace to run well.

3- Thank you Lord for the answers in the name of Jesus.

CHAPTER 5

MAKING ALL SEASONS USEFUL

Ecclesiastes 3:1 "To everything there is a season, a time for every purpose under heaven:"

Making seasons useful, there are three fundamental aspects that we must embrace. These have to do with understanding, knowledge and wisdom. In life, we increase in knowledge by understanding how the course of life operates; by understanding the governing principles of life. By so doing, we keep on growing in knowledge. The display of knowledge over situations and persons is wisdom.

Making all seasons fruitful, understanding and knowledge will enable us to know our season and what can be properly applied in its season to bring out maximum profit. It will be of interest to know that for every situation both comfortable and uncomfortable, the carried issues of life that you can draw something useful that will render benefits. So life is made up of both comfortable and uncomfortable situations and you should know they go hand in gloves in their season. That is how the course of life has been made to operate. Life is the combination of the ups and the down; the breaking and the building, the binding and the losing (separation), bringing to life and taking out of life, opening the way and closing the way, making friends and losing friend, planting and uprooting,

a time of pain and a time of joy, a time to be silent and a time to talk and so on. As earlier said, it is of paramount importance for everyone who must make all seasons useful to understand the course of life. For every instance in which you find yourself in respect to the above mentioned points, you need to understand, know and apply the needed wisdom in every circumstance. If you do, you will realize an excellent result that will tend to beautify your actions and you will not find yourself in misusing opportunities that life offers.

But when you fall short of having an understanding of how life is being governed, you only make progress when things are working on normal course. If you are able to have a mastery of how the course of life operates, you can still make progress even when things are not working on a normal course.

For every difficult moment in life, there are always hidden values or opportunities that will take knowledge and understanding to discover them; then wisdom for right application. You cannot talk of wisdom when you do not have understanding and knowledge. When we are able to understand the time, we will be able to understand the true purpose that is being connected to every season. True purpose is that aspect that will bring about our profiting. In the book of

Daniel 1:17 "As for these four young men, God gave them knowledge and skill in all literature and wisdom; and Daniel had understanding in all visions and dreams."

We have to understand from the above scripture that true knowledge, understanding and wisdom is a gift from God. You can access that from God. Daniel did not just come up by his strength alone. The scripture says God gave them these abilities of understanding, knowledge and wisdom. As a child of God, you need to be in possession of an excellent spirit and that is God's gift into your life. The scripture tells us that Daniel had understanding in vision and in dreams. This was the secret of Daniel's life. This understanding came into his life by the knowledge and wisdom he had from the Lord. Of course there were other Babylonian children that were hardworking in the school of knowledge. Theirs was just in the natural sphere but Daniel excelled them all because there was an endowment of God's ability upon him and his fellows. This will draw our attention to their conclusion after they were examined. After examination, the examiner witnessed that there was something uncommon with Daniel and his companions and this was what the king discovered when he communed with them:

Daniel 1:19-20 "Then the king interviewed them, and among them all none was found like Daniel, Hananiah,

Mishael and Azariah; therefore they served before the king. And in all matters of wisdom and understanding about which the king examined them, he found them ten times better than all the magicians and astrologers who were in all his realm."

There was a contest between people who were natural human beings; another group was connected to magical powers while another group was connected to the Living God to obtain an excellent result. On the day of examination where the results were to be given, those that were connected to God were ten times better and wiser in the school of knowledge, understanding and wisdom than those that were connected to magical powers. Just after this test, there was a crisis that befell the kingdom through the king's dream. This crisis needed understanding, knowledge and wisdom to be brought in place in order for the crisis to be resolved. The king's spirit was troubled and needed healing. We are told in Daniel chapter 2 that the magicians, the astrologers and sorcerers were consulted to bring solution to the king's trouble state. There was none among the three groups mentioned that could bring a solution to the king's request. The king in his disappointment with them was coming out with a decree that he will destroy all those who were called wise men in the kingdom if they will not reveal to him his dream and the interpretation. But Daniel who got his knowledge, understanding and wisdom from God was consulted. When

he sought the face of God, the king's dream was given to Daniel and the interpretation. That time was a dangerous period for all the wise men in Babylon but as for Daniel and his fellows, it was a season of lifting, a season of recognition and a season of honour. While the season was not useful to other wise men, the season was useful to Daniel and his companion. The secret was this; Daniel was God fearing and he was a worshipper.

When God says there shall be none barren in the land, it goes beyond bodily fruitfulness. It defies all circumstances that may tend to cause unfruitfulness. To every worshipper and God fearing persons, you are those that will make all seasons fruitful by the reason of God's hand that has endow understanding, knowledge and wisdom upon your lives. We will realize that Daniel was promoted in the midst of crisis. He took advantage of the crisis and became a renoun personality in the kingdom of Babylon. It takes God's leading over a man's life to match time and season to true purpose that will bring benefit and fruitfulness. It is of paramount importance that you as a child of God should always know God's mind and intention for every season. If you do, you will bring out the best in every season.

In the book of chronicles, the children of Issachar are recommended for knowing the times:

1 Chronicles 12:32 "Of the sons of Issachar who had understanding of the times, to know what Israel ought to do, . . ."

When you have understanding of the time, you will tag purposes to the time and your profiting will come. They knew the time and they knew what Israel ought to do. If you don't know your season or time, you may never know what to do. And it is in doing what you are supposed to do that profiting emerges. In the book of Daniel, he also understood time with authority. He knew how authority operates. In ***Daniel 6***, there was a conspiracy against Daniel by his other Babylonian colleagues. As we all know, they pressurized the king to sign a decree which was aimed at destroying the life of Daniel. In as much as Daniel knew the king was the authority of the land, Daniel also knew that his God was the head over all authorities. The content of the decree was: petition should not be made to any other person including prayers except to the king alone for a period of 30days. King Darius endorsed that decree and so it was published. But Daniel knew it was God's perfect will that he should commune with his God every day. So Daniel made up his mind to obey God as the Apostles did in Acts of the Apostles when they said in

Acts 5:29 "But Peter and the other Apostles answered and said: we ought to obey God rather than man."

Godly wisdom explains that we ought to obey God rather than men. When your obedience to man tends to break God's command, godly wisdom says rather defy the commands of men and obey the commands of God because God is Sovereign. So Daniel in his days knew the true authority to remain loyal to and that was the authority of the Almighty God. God can stop the violence of men and demons but men and demons cannot stop the violence of God. Every ordinance you are to obey, make sure they are pleasing to God. If they are not, don't submit to them. We all know that at the end of the day, Daniel was thrown into the lion's den to be eaten by lions but God shut the mouths of the lions. Daniel had godly wisdom and in all situations he applied wisdom to the circumstances that met him. When God is pleased with you, you will bring the best out of every situation just like Daniel brought the best out of the lion's den. In the beginning of his persecution, a decree was made for the whole nation but when he came out of the lion's den, a decree was made for Daniel and his God and that led to an outstanding promotion.

In conclusion, you need to cultivate godly wisdom, knowledge and understanding and to access these; you need to be a worshipper and one that fears God. For you to have divine backing and intervention in the midst of crisis, you must stay loyal to every authority that works in the discipline of God's Word. Any authority set by man or demon that will want to influence you to do things that are

contrary to God's command, defy those authorities and stay true to God's command. At the end of the conflict, God whom you serve will appear for you, break down those authorities and lift you high just as it was with Daniel and the Apostles. God has not changed; all seasons and their glory are under the control of His power. God bless you as you do!

1- Father we thank you for the Word of life.

2- Lord, I submit my life to you; make my season useful.

3- Lord, grant me victory over all conflicts of life.

4- Thank you Lord for the answers in Jesus name.

CHAPTER 6

BLESS THE LORD, OH MY SOUL!

Psalm 68:19 "Blessed be the Lord who daily loads us with benefits, the God of our salvation!"

God's love and sacrifices for our lives on daily basis, year after year commands us to come into His presence acknowledging, praising Him, thanking, and worshipping Him for the benefits He has rendered to us. It is in the place of us God's people to know that our uprising and sitting down is not in our power. Our going out successfully and coming in successfully is not in our power. The health benefit we have whether with medication or without medication, the fellowship that God has given us to work in trust of one another is not in our power. The number of years we have attained on earth is not in our power. For us to sow a grain and harvest much is not in our power. For us to lie down as logs of wood and wake up is not in our power. God has given us a platform of fellowship with Him and daily teaching us His ways and the platform where we can pour out our soul, petitions and intercession and He listens and answers us is not in our power. It is all of God's goodness. At times we only hear that 'A' was interceding for us, 'B' was somewhere trying to see that things work on our behalf, and God have indeed loaded us with benefits. And at the end of the age, from the beginning to the end of time, we have to lift up our hands and say

Lord we are grateful, for peace, joy, salvation, fellowship, progress, increase, expansion, for using us, we are grateful.

When we thought that the enemy had almost killed us, His Mighty hand of deliverance found us out. He didn't allow what killed others to kill us. Some of those who started this race with us have fallen apart but God in His mercy is still fuelling and fanning us so we enter His Kingdom. We want to thank God for the Holy Spirit; bless the Lord Oh my soul is a season of thanksgiving, appreciation and to express our sincere love to the Lord. Many people that were with us which on our own we cannot give an account of what they ever did, they were brutally terminated, some by accident, some by stray bullets, some went to help a situation and ended up being killed. But we are still alive. Bless the Lord Oh my soul should be our anthem in this season.

We should not ask God anything but we should count our blessings one by one, for helping us to escape from dangers that was to take our salvation, how He delivered us from bad company or bad friends that were enemies in disguise. The psalmist says He has daily loaded us with benefits, He has not allow us to go naked or to starve, some are being burnt for their faith, some have no place to lay their heads but they are still serving God. Let His benefit keep resounding in our hearts and let us keep serving, praising and worshipping Him with an attitude of thanksgiving. We

should thank God for the visions, the prophecies and the Word. As the days go by, in the morning, noon and evening, count your blessings, number them. The people that failed yesterday, the ones that died mysteriously, the children without parents, we are not better than them. Father we say thank you, we love you, we are grateful, and we appreciate you as a people, a church, a community, a nation and a generation. Lord, we say Thank you! Thank you! Thank you! In Jesus mighty name.

PRAYERS

1- Lord, empower me with a thanksgiving spirit.

2- Lord, create within me the spirit of a true worshipper.

3- Lord, receive all the glory and honour for the benefits you have given to me.

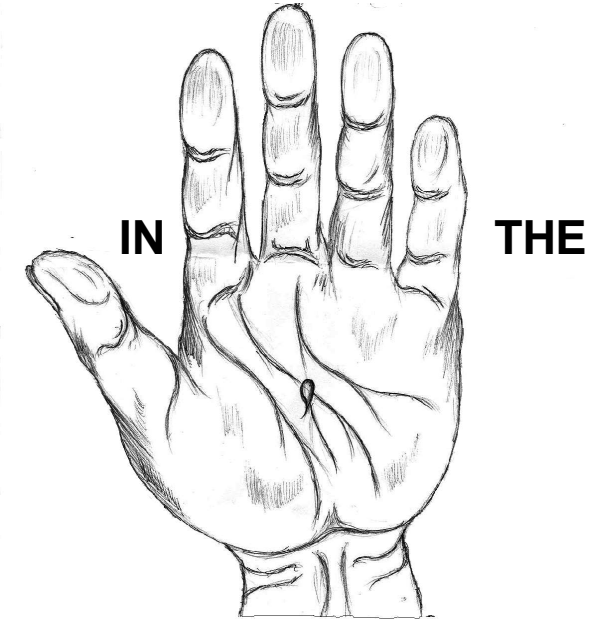

4- Thank you Lord in Jesus name.
