YAOUNDE

Praise the Lord! I want to worship God for the grace of this house. After the program in Yaounde, we were called on Monday morning that our neighbour's child is no more breathing. We went there, laid the "Manna Feast" and the ministry banner on the child and prayed. After about 15 minutes, the child came back to life. Secondly, I want to give God the Glory for chapters 2 and 6 of the January "Manna Feast" were of great inspiration to me. I pray the Good Lord will continue to Grace His servant. To God be the Glory!

Sis Evert: 671 50 95 72

praise the Lord! i thank God for His faithful works through the "Manna Feast". My neighbour had serious Asthmatic attack which caused her to fall from her bed with heavy pregnancy. She was almost giving up the ghost a nd the baby in her womb was not moving. I was called by another neighbour and when i went there, I placed the hand in the "Manna Feast" of January on her and prayed. After a while, she struggled and got up from the ground. Today, she and the unborn baby are doing great to the glory of God. Thank you Jesus!

LIMBE

Hallelujah! I give God the Glory for the month of January, the month to "Dig Deep". I want to thank God for what He did to one of the brethren in church. His motorbike was stolen and the mother took the "Manna Feast", opened the hand in it and placed where the bike was packed. The entire church also prayed with the hand in the booklet and to the Glory of God, the bike was recovered. I also give God the glory for His healing mercy and transforming power in the booklet. I used the booklet to pray for a man and he was healed. Then he abandoned the pack of his drugs in church. Thank You Jesus!

Praise the Lord! We are grateful for God's grace and intervention in different areas of life that He has made available for us His children. We thank the Lord for His unfailing love for us. For many reasons, we have been marred during our process and that led us to delay and stagnation which caused vital virtues of our lives to be missing or stolen. But God in His infinite mercy has promised us His children total recovery of all that was once destroyed or stolen and all that will lead to our completeness for His glory. We are called upon to rise get our zeal, faith, love, coupled with knowledge to rekindle with fresh fire. So your prayer and our prayer should be; OH LORD, ORDER MY STEPS TO RECOVER ALL MISSING VALUES. GET MY BARN ENLARGED. HELP ME GAIN NEW GROUNDS AS YOU EMPOWER ME TO FIRE BACK. Thank you Lord Jesus for your awesome love and care. Once more, you are welcome into the era of recovery.

LET THERE BE LIGHT

Psalms 119:130 "The entrance of Your Word gives light; it gives understanding to the simple."

The light of God's Word is what each and everyone needs in order to evolve from nothing to something. From the beginning of creation, God initiated the creation of the earth by declaring the existence of light. God declared the existence of light before anything commenced.

Genesis 1:1-3 "In the beginning God created the heavens and the earth. The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. Then God said, let there be light; and there was light."

The change you may need can only have its significance if it is sponsored by the light of God's Word. But any other change that may be called a change in one's life with the absence of God's light is just a shadow of things void of substance. The light of His light upon your life is what will provoke a

absence of light even in the natural world. Most vital projects in life are sponsored under an atmosphere of daylight. The way to access this developed pattern of living is to open up for the entrance of God's Word to keep having access into your life and making it your menu for living in all aspects. In fact, the more enriched you are with the knowledge of God's Word, the more powerful you become and of course the strength of His Word within you is what will make you scale above your companions. You may never know your true status until light emerges and shines over you. You may never know the true colour of your wears unless you are under the light and much more the light of His Word that is stronger and more powerful than the natural light.

As you embrace the light of the Word of God with all humility, it will give you understanding. You can do well with anything when you have a proper understanding of its existence. What are the things you want to access in life? What are the things you want to sponsor, to realize or to accomplish in life? The topmost thing you need is the entrance of God's Word and with the entrance of His Word, you will be

enable you to understand your true content. In understanding it you will know what to take out of your life in order to better it and what to bring into your life in order to make it go well. There are some things which will not work well as long as you don't have the true knowledge of it. You will not be able to recover in this era of recovery if you are void of understanding, knowledge, wisdom, the fear of the Lord and love of God. There are places you may find comfort in them now because the light has not been shown. But once the light is shown, you will realize that you were not to find comfort in those places and immediately you will relocate to the rightful ground. As the light of God shines the works of darkness and all its agents will automatically cease to exist because darkness only have existence when light is absent. That means the presence of light extinct darkness. Everyone under light over rides and rules every other contra power of darkness. That is why in this era of recovery, let there be light. For everyone that walks in darkness stumbles as the scripture says but he who walks in light knows his ways.

John 11:9-10 "Jesus answered, are there not

of this world. But if one walks in the night, he stumbles because the light is not in him. "

For us to avoid stumbling, set back, satanic entanglement within and without our being, we must walk in the light of God's Word. That light of the Word must lighten our path. Everyone who walks in the light of God's Word must not continue in darkness. For everyone that walks in darkness (walking against the Word of God), such an individual knows not where he/she is going.

John 12:35 "Then Jesus said to them, a little while longer the light is with you. Walk while you have the light, lest darkness overtakes you. He who walks in darkness does not know where he is going."

As the Word of God indwells you, it will help and enable you to identify the things to deal with and the things to nourish. It will help you to access and have the right companion. Your prayer today should be; OH LORD, LET THE LIGHT OF YOUR WORD LIGHTEN MY PATH as written in

and a light to my path.

As you grow in the knowledge and the fear of God, you also increase in the strength of His light and that light will shine to reveal the Glory of God over your life. So let your light shine and shine and shine again unto Glorious days. Be Strengthened! Be determined!.

PRAYERS

1- Oh Lord, let the light of your Word extinct all darkness and its works in my life.

2- Lord, enable me to grow in the knowledge and power of the Word.

3- Holy Spirit, rekindle a fresh fire in me for the Word of God in my life.

4- Thank you Lord for the answers in Jesus Mighty Name.

TAKE WORDS WITH YOU

It is of paramount importance for all God's children to know the will and plans of God for their lives; for them to know and understand the provision of His Word for their wellbeing and preservation. When the knowledge of God's Word is closed to our understanding, it causes our destiny to be under a dark covering which cannot make us to excel but brings us into stagnation. To live a life void of the knowledge of God is a terrible risk. That will automatically give the enemy a mastery over your life. There are things you might have done which are not right but when you understand the provision of His Word, you will be reconciled back to your Father (God) but in the absence of His Word, you may turn to destroy your life when that life would have been built up. Many have fallen from the faith; and for their lack of knowledge, they have remained in their fallen state for somehow they are convinced they can't rise again. Such conviction is a wrong one because it does not agree with the provision of God's Word.

a proper understanding of the open revelation of God and His Word. It will distant you from the deception of the devil. In other words, don't go into any action without verifying the prescription given from the Word of God in your life and the act in question. One of the things that will bring God's attention to your life in opening your understanding to the scripture is to cultivate an attitude of brokenness and humility before Him. There is just one way of returning to God after we have wandered far away and that one way is given in the scripture. Let us see from the Old Testament when God was addressing the backsliding state of the children of Israel and what he commanded He was going to do with them if they returned to Him.

Hosea 14:1-7 "O Israel return to the Lord your God, for you have stumbled because of your iniquity; take words with you, and return to the Lord. Say to Him, take away all iniquity; receive us graciously, for we will offer the sacrifices of our lips. Assyria shall not save us, we will not ride on horses, nor will we say any more to the works of our hands you are our gods. For in You

have turned away from him. I will be like the dew to Israel; he shall grow like the lily, and lengthen his roots like Lebanon. His branches shall spread; his beauty shall be like an olive tree, and his fragrance like Lebanon. Those who dwell under his shadow shall return; they shall be revived like grain, and grow like a vine. Their scent shall be like the wine of Lebanon."

The way out of every form of trouble that befalls you as a result of disobedience to God's Word or as a consequence of a sin committed; is to acknowledge where you sinned, repent from it, confess the sin and denounce the act. Then a provision of restoration from the Lord will be made available for you. You are not to allow that sin end you. If you have fallen into any sin, don't remain in that act. Rather, take Words and go to God for repentance. He will forgive you and abundantly pardon. The forgiveness of God goes along with God forgetting your past, giving you a better today and a glorious tomorrow.

Isaiah 43:25 "I, even I, am He who blots out your transgressions for My own sake; and I will not

backsliding state. So all backsliders and lukewarm Christians are called to take words back to God; words of repentance, words of I'm sorry Lord for having caused you this pain. The Lord will forgive and open your heavens for good. It is not to your good for you to harden your heart and remain in error that you might have seen the masses living in. The Lord expects us to repent each time we fall from the Grace. The Lord expects us to return to where He created us to be each time we wander far away. He expects us to make amendments with Him and our fellow humans; and it should not just be emotional, it should be from the heart.

2 Chronicles 6:38-39 "And when they return to you with all their hearts and with all their souls in the land of their captivity, where they have been carried captive, and prayed towards their land which you gave to their fathers, the city which you have chosen, and towards the temple which I have built for Your name: then hear from heaven Your dwelling place their prayer and their supplications and maintain their cause and forgive Your people who have sinned against You."

you can reason with your Father in Heaven, you can plead your cause with Him and He will always respond for your good. You have no reason as a child of God to remain in error and allow that sin to kill you. Come out of it because there is provision for your redemption. When you walk and pray according to the scripture in the will of God, God who honors His Word more than His name will give attention to you and your life will never remain the same. He has promised us in ***Isaiah 41:21*** that we should come and plead our cause and in ***Isaiah 1:18*** that we should come and reason with Him.

Isaiah 1:18 "Come now, and let us reason together, says the Lord, though your sins are like scarlet, they shall be as white as snow, though they be red like crimson, they shall be as wool."

In any area you have believed God for a change, go for the Word, get the provision of the Word for such a situation to be addressed. As you bring it before the Lord, He will attend to it and turn your life around for good. It is a risk to live in ignorance of God's Word for your life and the world atlarge. Many know God's love but they don't know how to embrace

in the class of people where the scripture says "My people perish for lack of knowledge." So go for the Word and take the Words along with you; plead your cause before the Lord God Almighty and heavens will do great in your life. There are depths in your life that can only be opened because of the knowledge of the Word of God that occupies you. So the revelation of the Word of God brings you into a depth that makes you immovable and unshakable in the contest of life.

Proverbs 3:20 "By His knowledge a depth were broken up, and clouds dropped down the dew."

So the knowledge of His Word is what you should daily equip yourself with. Reasons being that every new day comes with new challenges and the knowledge of the Word will make you go through those challenges. Go for the Word, champion and triumph.

1- Father, thank you for Your Word.

2- Lord, fill me and equip me with the knowledge of Your Word.

3- Lord, help me to positively respond to your demands at all times.

4- Lord, deliver me from the syndrome of lack of knowledge.

5- Lord, fill me with knowledge.

6- Thank You Lord for the answers in Jesus name.

IDENTIFY AND BACK-FIRE

1 Samuel 30:8 "So David inquired of the Lord, saying, shall I pursue this troop? Shall I overtake them?' and He answered him, pursue for you shall surely overtake them and without fail recover all."

Life is full of challenges and one needs to be courageous enough to handle and go through the challenges of life. The ladder to the top is full of many road blocks and obstacles. You cannot be able to handle what you have not identified. There are particular things that even when you identify as a man, it is important to verify your identification through the mind of God. Many feel that misfortunes only befall wicked people. There may be no misfortune to those who love God and serve Him with their lives because misfortune is an act that will end one in depravity, desperation, reproach and shame. There are things that occur to God lovers as a reproach but you will realize that it evolves to deliver an end of Glory. It is necessary for you a champion, an icon, one called to foster and advance to always checklist your life in the context of God's Word. That is to

challenges that God will release to your life to use them to relocate you to the throne room created for you.

For you to overcome challenges there is an attitude that you must possess, there is a way you must train your mind to respond to challenges. This is because challenges will span from different degrees and magnitudes. You can crush minor ones but you should also know there are major challenges that we will be looking at. These are those that hit you from within your person. In the above scripture, David the servant of God had three crucial challenges and if you want to put them in terms of their gravity, you will realize that the first is; they went out for a battle. The second is, after they returned from the battle, the land where they dwelt was burned down by the enemy with heavy fire that ruined the land of Ziklag; coupled with the fact that their wives and children were taken captives. There is a slogan that says "Uneasy lies the head that wears the crown." All these challenges concerned all of them but they all boiled down to settle on David their captain. The last challenge that was worst of all was when his own

challenged from the outside and from the inside by his own people. There is something I want us to collect from this lesson; the greatest challenge in life is when all you were looking up to abandon you on a cross road. That was what happened to David.

There is a step David took when he identified these things and you are also called today to identify before you back-fire. Don't back-fire before you identify, you are called to identify before you back-fire. We can see in ***1 Samuel 30:6*** that these people were about to stone David for the captivity of their wives and children but when this last bullet was fired at David, all he had to do was to apply

Psalm 121:1-2 "I will lift up my eyes to the hills from whence comes my help? My help comes from the Lord, who made Heaven and earth."

Every individual of the generation of champions should have this in mind and expect it to happen; that one day, you may be abandoned on the cross road by your loved ones. But you must act like David acted. A champion is one who, when all have given up on him, he makes sure he does not give up on

identify and back-fire that at the crossroad when all your support have departed from you, encourage yourself in the Lord and He will show up for you.

1 Samuel 30:6 "Now David was greatly distressed, for the people spoke of stoning him, because the soul of all the people was grieved, everyman for his sons and his daughters. But David strengthened himself in the Lord his God."

As humans, it is natural that we will feel hurt when some uncomely things befall us. But as lovers of God, you should know that the things that start uncomely will end up as comely things to decorate your life. David strengthened himself in the Lord and not in himself. You have to be watchful that in the time of rejection, you need to strengthen yourself in the Lord and not in yourself for any attempt to strengthen yourself in yourself will only lead to carnality before God (using human achievement and abilities as accreditation for the future). David did not depend on his strength but on the strength of God. Because of that, he sought the counsel of God and it was revealed to him and prevailed through him. After David had encouraged himself in the Lord,

and God's counsel will appear and prevail for you. Remember, God's counsel was pursue, overtake and recover all. Everyone who will identify what went wrong and cry out to the Almighty God will certainly recover all that was ceased or taken from him/her. David identified what went wrong, back-fired through God and recovered by the Hands of God as we read in

1 Samuel 30:18-19 "So David recovered all that the Amalekites had carried away, and David rescued his two wives. And nothing of theirs was lacking, either small or great, sons or daughters, spoils or anything which they had taken from them; David recovered all."

When pressures are mounted on you, the intention of those pressures released from the enemy's camp is to get you stock in one place or being destroyed by them. God's plan is not for you to stop advancing but for you to mount on those pressure stands and use them as stepping stones though they were designed as stumbling blocks. Until you come to the knowledge that every rejection that will attract God's attention will turn to acceptance, approval, a big and

empower you so that whatever was intended to bring you sorrow will turn to your joy; whatever was designed to bring you setback will be turned to a springboard of your glory. Whatever was designed to make you a reproach will turn for your own glory. Let your mouth not be closed, let your eyes and your hands be lifted up to the heavens for heaven to come down and take charge of all.

Remember that all that was taken from David and his men were their wives and children but by the time they recovered, they had their sons, daughters, wives, and a lot of material possession. The challenges you are going through as a child of God or a servant of God are opportunities in disguise. Let the Holy Spirit give you the revelation of the things that are hidden in those challenges and as they are given to you, rise up and soar. As David encouraged himself, so too God commanded Moses, Joshua and the children of Israel to be encouraged during their exodus from Egypt. As you move through, only be thou courageous and the Lord will grant you success and good success. Shalom!

1- Oh Lord, keep me alive in the days of my challenges.

2- Lord, help me to do well through all challenges I might be facing.

3- Lord, give me the material that will keep me on top as I triumph through the issues of life.

4- Lord, I back-fire all satanic syndromes geared towards my life in Jesus name.

5- Thank you Lord for the answers in Jesus name.

LIVE ABOVE THE LIMIT

Life is a circle that involves different kinds of limits that may tend to affect the potentials of an individual from reaching their peak. But one of the things you should know is; in as much as limits are there, there are always keys to break the opportunities to get the limits broken. No matter the limit at which you may find yourself, discover the opportunity, break the limit and live above it. Opportunities are advantages that come one's way once in a while. When opportunities are well embraced they can turn your life around for the better. Each and every one of us must have discovered before now or now certain limits that have hindered us from excelling in life the way we would have excelled. We would be looking at the various keys and steps that will enable us to live above limits. To live above limits, you have to:

1- Discover the various limitations of your life.

2- Walk with the God of impossibilities.

3- Discover opportunities and rightly embrace

potentials and opportunities.

5- Develop a format or system that will give a standard where limits can no more be an anchor of setback in your life.

In as much as there are natural limits, there are also limits that are created by our ignorance and the kind of association we keep. One of the greatest events that I have seen is when people break natural limits; that is, when they find themselves in situations they never bargained for but nature placed them into. In as much as these people appear handicap, you can see a mind in them that is complete, being powerful and vigorous (physically challenged but with an unchallenged mind). One of such people we see in scripture is Jabez who came in a moment where his family was plagued with pain and sorrow. He was named sorrow but he did not allow his mind to be captured by sorrow without but his inside man was able to break the outside limit placed by human beings. So much is said about Jabez; a child who was named sorrow, soon became prominent, an icon than other children who were not plagued like him. One thing we see of Jabez is that he was a man of a

named after him.

1 Chronicles 2:55 "And the families of the scribes who dwelled at Jabez were . . ."

For a man to have a city named after him is to tell you he was a man who lived above his limit. As a child of God, the Lord has given us all the materials to get our mindsets trained to always respond positive when we are found in the midst of limitation. Jabez came out as a figure named sorrowful but he was more honorable among his brethren.

1 Chronicles 4:9 "And Jabez was more honorable than his brothers, and his mother called his name Jabez, saying, because I bore him in pain."

So to be born with limitations, be it physically or someone whom nature has imposed pressures on you is not an excuse in life. The dynamo (force) for a change in one's life begins from the mind. If your mind is dampened, you should know your destiny and future will be dampened. If your mind is great, you should know your destiny and future will be great. So your mind then becomes a factory for greatness or a factory of weak (feeble) events.

have had limitations being born with physical challenges. But you will realize that most of them that have been able to contact knowledge that changed their minds have turned to be more of a solution to our world than those who are not handicapped by birth. The problem is not the handicap situation, the problem is from their narrow mindedness. For you to come out of this sphere of limitation, you got to train your mind. For who or what your mind is will determine the kind of fruit you will produce. What makes a pig a pig is the mind that is in the pig. If you will take the mind of a lion and give it to the pig, it will act like a lion. If we are able to possess the mind of a great God, we children of God are bound to do great exploits in this present world and in the world to come.

One of the plagues in Christendom today is that we wear royal robes of Heaven's Kingdom but we possess the minds of outcasts. That is why the royal title cannot be of any benefit to us. So what we should be dealing with is to have a royal mind. No doubt the Bible says the mind of Christ should be our mind for He changed His world when He was on

royal robe but with a royal mind will do great exploits.

Another controversial character in the Bible was Jephthah, he found himself in the company of children that were born out of wedlock, children without opportunities. His mindset did not buy the conditions that surrounded him but he overthrew those conditions. He never succumbed to the ridicules that surrounded him. If you succumb to the ridicules that surround you, that will become your person.

Judges 11:1 "Now Jephthah the Gileadite was a mighty man of valour but he was the son of a harlot and Gilead begot Jephthah."

When we look at the description of Jephthah, it depicts the situation that has befallen the human race. There is a valour that surrounds you that the outer circumstances in the world want to swallow. It does not matter how you came, what matters is that you were made in the image of God, God has a plan for you and a project to sponsor through you. It ties with what God told Peter in ***Acts 10*** about Cornelius in a vision. Cornelius was a man of valour surrounded by racial limitations but when he set his affections to

overtaking force that crushed the racial limitations. What is hidden within you, when brought in contact with the Maker of all things, it will break forth to remove all forms of limitations that may surround you.

Acts 10:14-15 "But Peter said, not so, Lord! For I have never eaten anything common or unclean. And a voice spoke to him again the second time, what God has cleansed, you must not call common."

Jephthah, just like Cornelius had to move and live above the limitations that nature by their racial inclinations, and their birth inclinations plunged them into. Getting access to the mind of God was a stand point for them to live above the limit that stopped them from excelling in life. You will realize that if you follow protocol, Cornelius was to move to Peter to get counsel about the things of God. But it was not so, for Peter moved to Cornelius by Divine counsel. In the same way, Jephthah was driven from among his brethren by his household because they said he was the son of a harlot. When he was empowered, it was not just his father's household that went after

after Jephthah.

Judges 11:5 "And so it was, when the people of Ammon made war against Israel, that the elders of Gilead went to get Jephthah from the land of Tob."

When we look at the above story of Jephthah, a household sent him out because of the natural circumstances that surrounded his person, but when he built up his life through the great mindset of his person, a city moved after Jephthah for his potential to be brought back into the country not just to serve his father's house but to serve a whole nation. Jephthah, Jabez and Cornelius lived above their limits. I don't know the limitations that surround you now or that life may have placed on you; build up your minds, and get the full desires as written in the books by God concerning you. The game will all start from you changing your attitude, changing your mind and gaining new altitude. Arise! And I say Arise! And live above the limit. God bless you.

1- Father, thank you for the word of life.

2- Lord, ignite a fresh fire in me to go above every limit.

3- Oh Lord, empower me to serve and not to challenge.

4- Thank you Lord for the answers in Jesus name.

THE CURE FOR CONTROVERSY

The cure to controversy is looking for a way forward to handle certain clauses (questions) that exist within one's vision of destiny. We may have different kinds of controversies or certain debates opposing our opinion for living. When these debates or oppositions are not addressed, they result to unrest within you. So when confronted with controversies don't fold your arms; rather, rise and get materials to get them addressed. The main cure to controversy is result. No matter the controversial issue or situation people may find themselves; if they are able to produce results that will meet their needs, it will silent their arguments. Therefore, if result becomes the panacea to cure controversy, then it is very necessary for us to look at those points that may deliver results in our lives for our controversies to be cured.

The first aspect to enhance result in one's life is for the individual to have a dream or a vision. It is in discovering the in-depth ability of your being that could respond to situations and deliver the expected results. What is your vision or dream? Your vision or dream is the sum total of assignment that you were

have different visions and dreams that are said to attain to different issues of life. If you have not yet known it, you need to strive to discover and know it. You are called to live for something and to occupy a particular lane in life. Something must be primordial in your life. You are called to address something. You cannot address everything in life. So discover that dream of your life for the day you discover it, that is the day you start to add taste to your life. Every given assignment, when fully accomplished or fulfilled, it brings about its expected glory. If you have known the vision, the next point is

Ascend to the peak of that vision or that dream. Avoid living as a mediocre (a narrow minded person). What are the things you need to ascend to the peak of your vision or your dream?

The very first thing you need is to go for knowledge that will assist you get that vision well accomplished. The aspect of knowledge is not claimed but to give yourself to learning and learning the right things with hardwork and a steadfast determination. In other words, you need to till every aspect of your being for it to become productive. The aspect of going for knowledge can't be

knowledge you have gathered. Then, in the same way, you need to apply wisdom in all your endeavors. For example, the scientific tenacity in the 50s that was well appreciated is irrelevant in the 21st century. So being current is a paramount aspect to make progress in life. This will help you apply what you have learnt to be profitable in its maximum. When the above is put into place, the next thing you are going to realize as an outcome of your life will be the manifestation of result that will make you outstanding among other humans. This will draw our attention to the story of Daniel and his fellow Israelites that were taken captive from Judah to Babylon. You will realize the conditions that the king of Babylon gave in order to select people that will serve in his palace. It will be of importance for us to draw inspiration from there.

Daniel 1:3-4 "Then the king instructed Ashpenaz, the master of his eunuch, to bring some of the children of Israel and some of the king's descendants and some of the nobles, young men in whom there was no blemish, but good looking, gifted in all wisdom, possessing knowledge and quick to understand, who had ability to serve in the king's palace, and whom they might teach the

that were called to serve in the kingdom, if you can go in for these qualities as a person, the qualities are able to cure every controversy of your life. A man of knowledge, understanding and wisdom; all those who have such abilities will be able to move to the frontline. The challenge here is the discipline you need to put in place to have these qualities. We have already made mention of some points but we will continue to get the other points that follow:

Wisdom will guide you to be able to have the right companions because one cannot walk through life as an island. You must be able to set criteria and discipline for your living. You are not permitted as one who is supposed to cure controversy to live without discipline. Discipline will help you to know who to walk with and who not to walk with. To be given to discipline is a choice and you will become who you are supposed to be by the choices you make. A rightful path to discipline is to know God and learn His ways. In other words, you must be a worshipper and a lover of God. This will enable you to walk and live in integrity. Your integrity as a child of God will bring forth an ability in your life to respond

to, it will ake you to be the icon of your time. So, controversies can be cured through your good results. You cannot give good results without the Hand of God over your life to trigger favour. In as much as Daniel and his fellows had all the abilities, it was the Hand of God over their lives that helped them to excel.

Daniel 1:9 "Now God had brought Daniel into the favour and goodwill of the chief of the eunuch."

Your relationship with God will commit Him to order your step to that point where you will be able to answer a call to settle your controversy. God ordered the steps of Joseph to answer a call that settled the controversy in Egypt. God ordered the steps of the Hebrew boys (Daniel and his companions) to answer a call that settled the controversy in Babylon. You will realize that all those who settled their controversies did it with knowledge, understanding, and wisdom, coupled with hardwork and favour from God. So whatever the Lord has called you to do, be diligent in doing them for if you are not diligent, though with a vision, you will end up like a mean man.

ground of the poor, and for lack of justice there is waste."

If you are able to till into knowledge, knowledge will teach you to be diligent and the effect of diligence is the abundance to govern.

Proverbs 12:24 "The hand of the diligent will rule, but the lazy man will be put to forced labour."

A diligent man is one who is able to plant his seed in the right season but a poor man will procrastinate and at the end of the day he will given to forced labour with little or no fruits.

Proverbs 22:29 "Do you see a man who excels in his work? He will stand before kings; he will not stand before unknown men."

Diligence at work and a persistent pursuit of your dreams will end you on a good note or good results. The results you are going to produce is what will count as your manifestation. The great manifestation of your life is what will cancel every odds of your life. No matter how your condition might have been, when you rise, your debased condition will be

your debased condition will be forgotten. When Rahab rose, her debased condition as a harlot was forgotten. When Ruth rose, her debased condition as a widow was forgotten. When Joseph rose, his debased condition as a slave boy was forgotten. When Daniel rose, his debased condition was forgotten. I don't know the condition in which life must have placed you in. Are you a widow, an orphan, arise and step out of that debased condition and the earth will celebrate your manifestations. The creation will never stop asking questions until the debased conditions are being removed from your life.

Romans 8:19 "For the earnest expectation of the creation eagerly waits for the revealing of the sons of God."

The creations are waiting for your manifestations so don't allow anything to stop you from being resourceful and relevant. Go for the above and get every controversy settled.

PRAYERS

1- Father, equip me to produce results at all times.
2- Lord, let my results silence my controversies.

ENLARGE MY COAST

The Lord has ordained His children to excel in life. God expects and have endow His sort-out with the ability to do well in life and to also make it well. That is why Jesus said "You are the salt of the earth, you are the light of the world." There is a need for everyone called out by God to prosper. Prosperity is that aspect where your coast is enlarged. I have come to realize that everyone who makes increase becomes a threat to his/her opponent. One of the things that made Jabez to excel was the vision that he embodied. Looking at the vision within him, he prayed a prayer that the Lord should increase him and that his evidence should be relevant.

1 Chronicles 4:10 "And Jabez called on the God of Israel saying, O that you will bless me indeed and enlarge my territory, that Your hand will be with me, and that You will keep me from evil, that I may not cause pain. So God granted him what he requested."

It is important for you to know what is needed and to know how to meet God for your demands. To

God. It is one aspect of God to showcase His glory through His children. It is one of the aspects that connotes the blessings of God over His children. That is why the devil does not relent his efforts to fight children of God so that their coast will not be enlarged. If your coast has been stagnated, you need to pray the 'Jabez kind of prayer' for that prayer is the will of God. When God created man as recorded in ***Genesis 1***, the Bible says God blessed them. One of the aspects detailed with emphasis in the gospel concerning man was his fruitfulness that was to lead to his ability to dominate or to rule.

Genesis 1:26-28 "Then God said, let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air and over the cattle, over all the earth and over every creeping thing that creeps on the earth. So God created man in His own image; in the image of God He created him; male and female He created them. Then God blessed them, and God said to them, be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of

the conclusion that without fruitfulness, it will be difficult for you to rule or govern the things that were made and kept under your control. God has commanded our fruitfulness and it is an aspect that we cannot afford to live without. Living without being fruitful is an act of endangering your God's given life to the enemy. When God told man to be fruitful, the end result we heard was "Have dominion". So your fruitfulness places you on the ground of authority. When you are void of fruitfulness, know that your magnitude of dominion is reduced. You are not to allow anything that will tamper with your fruitfulness to survive. You need to deal with them before they deal with you.

Israel became a threat to other nations because she was not just a handful of nonentities, she became a company of valiant men and women and that gave real threat to all the enemies that were set to face her. You will agree with me that a junior man that is fruitful will be more accepted than a senior man that is unfruitful. A silent man that is fruitful will be more appreciated than a talkative that is unfruitful. Your worth in life can be measured by the fruitfulness that

worthy. It goes beyond material possessions, it enhances both material and physical tenacity and such force becomes too strong for the enemy to reckon with. Fruitfulness is a weapon of war against the enemy. That is why you must go for it. Whatever thing that is good, be fruitful in it.

It was the fruitfulness of the Israelites in Egypt that became a real threat to Pharaoh and the entire Egypt to an extent that he had to pass a decree to reduce them. Pharaoh had to target the arm (strength) of their fruitfulness which was the male gender; that is why he ordered the killing of every male child that was born to the Israelites in Egypt. Child of God, there is an arm to provoke your fruitfulness; guard that arm so that nothing goes wrong with it. If Jabez prayed and was heard, you can also do same and you will still be heard by the same God; for He is the unchangeable Changer. Learn how to develop relevant prayer points from the mind of the spirit and take it before the Lord on the table of demand.

Exodus 1:6-7 "And Joseph died, all his brothers, and all that generation. But the children of Israel were fruitful and increased abundantly,

land was filled with them.

The above scriptures said when the one that brought Israel into Egypt died; the Covenant Word that followed Israel did not die. There is a seed of God's Word that must not die in your being; for as long as it stands alive, your increase will keep on mounting to higher levels. The Bible says Joseph died, but the children of Israel grew and were fruitful abundantly. They grew so exceedingly mighty that they became a threat to Pharaoh and to the entire Egypt. You are called this day to get to a realm where your fruitfulness will be felt around your environment and your generation. Abraham's fruitfulness was felt, Isaac's fruitfulness was felt and Job's fruitfulness was felt to an extent that they were envied by their surrounding Nations. Your coast must be enlarged; it is God's plan that it should be so. Your fruitfulness is going to deposit a positive effect upon your life. Let us see what happened to Abram in

Genesis 13:5-6 "Lot also, who went with Abram had flocks and herds and tents. Now the land was not able to support them that they might dwell together, for their possessions were so great that

the things that start to go on with you is your fruitfulness. Before now we had not heard that Abram's coast was enlarged but when God called him the Bible says he increased and the land could not carry them. You need to increase your barn. For what you don't have knowledge of will never accompany you but what you have knowledge of will accompany you.

- One of the fundamental points that will provoke and enlarge your coast is for you as an individual to learn how to sow good seeds for the future. This is because our reaping will come by our sowing. You cannot expect harvest when there have never been seed time. So sow for the future, work for the future, live for the future in such a way that when you are handing over what was committed into your care, the person receiving it will have it better than how it was handed to you. The Bible says a good man will pass over inheritance to his children's children.

- Secondly, have a strong thought force for creative ideas that will facilitate the living conditions of people. That is also another aspect that will

impossible possible. In other words, be optimistic. Join forces with men of great minds and the right partners that will be able to bring new inventions to better the conditions of your environment.

- Lastly, don't cultivate a wasteful attitude. Make sure values are never wasted but they should be directed to the appropriate quarters. One of the most valuable assets is time; you must learn how to manage time.

With the above mentioned points, I can reassure you your coast will be enlarged. The Good Lord showers you with His favour, grace and ability for a developmental mindset.
