Glory to God! I want to thank God for the month of December, the month of "Greater Achievements". I will forever be grateful to God for His hand of favour upon my life and my family. In the month of December, I was blessed financially and I bless and glorify His name for financial open door. Thank you Jesus!

Praise God! In the month of "Greater Achievements" I was so blessed with chapter 3 of the "Manna Feast" "Glorious Recovery". I have indeed recovered all. My life is not the same any more. Bless God for His servant.

Elder Patrick: 675 38 84 80

Rejoice with me for the Most High is faithful. "Manna Feast" has been awesome in my life. From September 2016 when the first chapter talked of "My First Love", my life changed. I have developed a consecrating habit, studying God's Word and praying. I now have a deep

dry upon His servant in Jesus name!

Ma Immaculate: 673 44 20 40

DUMBO-BERABE

Praise God! A woman in labour was brought to the health center and after being there for a day, she cried out to me to pray for her so that she could put to birth. I used the banner and prayed for her and declared that in 15minutes the battle will be over. She put to birth exactly as declared. Praise the Lord!

Sis Winifred: 691 91 10 86

Hallelujah! We thank God for another new season. The season that has began with a great agenda that should provoke a high degree of expectation to every reader of this publication. Having gone through all the series of this publication for the past three years, the Lord has brought to focus a project that sons/ daughters of God should arise and get themselves engaged. For you to access that which is God's, you must get yourself connected to Him. Being in connection with the Lord, you need an understanding of what it takes for one to manifest after a godly manner or godly kind.

As we will be dinning on the Lord's Table in this season, I pray that the eyes of your understanding will be enlightened and the glorious light of His person shone upon you will be made manifest through you to make the God's given purpose in your life outstanding. For this to happen, these two words must go along with you; CONNECTION and ACCELERATION by Divinity. Welcome into this year of GLORY and GREATNESS.

A CALL FOR CHANGE

Matthew 11:28 "Come to Me, all you who labour and are heavy laden, and I will give you rest."

A call for change is a call that comes from God. Many things may change within ones environment but the transformation within the content and context of one's life is a call that proceeds from God. Absolutely, it may be irrelevant for a creature to look upon another creature for a vital change if not by the Hand of God to sponsor such a change. So a call for change is a call that exists between the Creator and the creatures. We can derive from our text that only the Almighty God has what it takes to guarantee rest in one's life. His absence over your life lures you into bondage.

Nowadays, many claim to be children of God but becoming a child of God is not just a claim. It is an act that goes along with a change of life. All creatures of God are subject to Him but not all creatures are going along the path with a given life that He takes pleasure in. If you are an individual living a life that does not please God, you are just one of the creatures of God and not a child of God, God's children are those that have given their lives to Christ and have located their lives for His will to prosper in them. For example, Lucifer who is called Satan and was formerly called son of the morning which by implication is son of Jesus; (because Jesus is the Morning Star) was created by God but he opposes all that is God's

Isaiah 14:12a "How you are fallen from heaven, O Lucifer, son of the morning! . . ."

So the will of God does not prosper in his life; while other Archangels like Gabriel, and Michael have submitted their lives and everything to do the will of God and for it to prosper in their lives. So they are not just creatures but loyal servants of God.

A call for change is the call where you are expected to let go that which is self and follow that which is Divine. The answer to this call has to do with something more than just a verbal Yes! The word 'COME' physically entails a displacement of an individual from one ground to another. So coming to God has to do with total displacement of who you use to be to who God wants you to be. It therefore becomes a journey because if the Lord has destined you to cover a thousand kilometers and you have taken few steps into the thousand kilometers, you are expected to keep moving until you arrive the expected point. So this change now becomes a journey. For everyone to end well with God, these fundamental rules must be their watchword:

1- Self denial to succumb to that which God alone has approved for you. What is self denial? It is the aspect of going against your wish to get the will of God done. Christ portrays the picture of self denial and in many of His teachings He taught the disciples that they must

Joseph would have gone into woeful adultery with Potiphar's wife but by this time, that which was self in Joseph had died. That is why he rejected the offer of adultery from Potiphar's wife. He only clinged to that which was God and it was in obedience to the will of God that he was sent to prison. God did not forget him but his imprisonment went with a promotion that lifted him above the dwellers in Egypt. Christ in Gethsemane shows a picture that everyone of us must copy.

Matthew 26:39 "He went a little farther and fell on His face, and prayed saying, O my Father, if it is possible, let this cup pass from Me; nevertheless, not as I will, but as You will."

We can learn from the Lord here that to deny self is painful. It is some sort of living a selfless life where God's will dominate your will. Don't expect joy when you are denying self. It is a process that goes with pain but when you go through it successfully, an overwhelming glory will overshadow you.

2- Love: many at times, what we call love is out of the Biblical meaning of love. We at times show our desires on things or people as humans for what we have seen in those things or human beings that could benefit us. Such emotions are not love; it is an act of greed and covetousness. That is why, many at times if another person apart from us show the very concern

other people love my God. If I have true love for my brethren, I should be happy that other people love them as well. I should not be envious and jealous that other people love them as I do. We should have our hearts circumcised from this mindset that other people have interest in what we have interest in. If the first point does not play a role in you, the second point will not also play a vital role in you.

Most often we focus our love towards God and station our lust towards men and things. It ought not to be so. When we look at the Ten Commandments as recorded in ***Exodus 20:1-17*** with its emphasis in ***Deuteronomy 5:6-21***, I will like us to enumerate the commandments and have a conclusion on this issue of love from the letters to the Hebrews. Get the list of the Ten Commandments:

- You shall have no other God beside Me.
- You shall not make idols
- You shall not take the Name of the Lord your God in vain
- Keep the Sabbath day Holy
- Honour your Father and your Mother
- You shall not Murder
- You shall not commit Adultery
- You shall not Steal
- You shall not bear False Witness against your neighbour
- You shall not Covet.

When we look at this list of the Ten Commandments, we

Christian body should go for. If you are ill treating human beings and think that you are walking with God, you are out of lane. This calls for a love for God and a love for fellow humans. We show our love for fellow humans by contributing in their lives not by extracting from them. Your love for humans should not be on the platform that you are being showered with gifts but it should be your contribution to the wellbeing of your brother/sister. As you are at peace with God, also be at peace with your fellow humans.

Hebrews 12:14 "Pursue peace with all people and holiness without which no one can see the Lord"

When we look at this scripture, we will see that, this is not the case with many of us. There are people we have harbored bitterness in our hearts about them and we are not ready to let them go. All we want to hear is one bad thing has happened to them. If you are a child of God and find yourself in this class, you need to go for deliverance. This kind of peace with all men is only made possible when self denial has taken its rightful place in your life. Many will go to hell not because of the money they stole, the adultery and fornication they committed, not because of the idols they worshipped but many will go to hell because of unforgiveness. Know this; Jesus taught us in

Matthew 6:12 "And forgive us our debts as we forgive our debtors"

that offended Him, He prayed for them the prayers of forgiveness. Stephen prayed the prayer of forgiveness as we get the references of their prayers:

Luke 23:34a "Then Jesus said, Father, forgive them, for they do not know what they do."

Acts 7:60a "Then he knelt down and cried out with a loud voice, Lord, do not charge them with this sin."

The Lord is commanding the church to walk out of this grip of darkness that has manipulated many. These were people that were being humiliated, beaten for no just cause. But they were able to let go as God has commanded. Even in their agony, they prayed a prayer of forgiveness for their offenders. Christ preached it and did it, likewise Stephen and that is why their heavens were opened. These are the things we need to put in place to be at peace with divinity. True love will lead to the last point but not the least.

3- Forgiveness: If you can't love, then you can't forgive and if you can't forgive, God also will not forgive you of your sins and with that, there is no heaven for you. Today we talk so much on prayers and anointing and the basic things that are expected of us, have been neglected. As a child of God, have a ready mind at all times to forgive your offenders. These are the virtues that will make us to bear the fruits of children of God. Anointing,

punishment seat of God. Go in for these virtues and get them within you.

The above mentioned aspects will daily grow with you. Our degree of self denial, love, and forgiveness may not be the same but you should grow in the knowledge of these things. Have them done for the more you deny self, the more of God's attention you will draw to yourself on the things that concerns you. The more you love, the more you will be loved by God. The more you forgive, the more you will be forgiven by God. You will only reap what you sow as the Bible tells us in

Galatians 6:7 "Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap."

PRAYERS

1- Oh Lord, not as I will but let your will be done in my life.

2- Father, keep me in consciousness of the virtues you have commanded me to walk in.

3- Lord, grace me to live a life of self denial, a life of love and forgiveness.

4- Father, connect me to yourself and keep me by your side.

GET EQUIPPED

For everyone to be equipped in life, you must have a proper definition of your living and what you are living for. In other words, you must get to understand your person in the Heavenly perspective first and then the earthly. That is to say you are being equipped for the heavenly and the earthly demands while on earth. If this has to be the case of our subject, there will be two grounds of your preparation that will have to embrace the preparedness within your mind. The first aspect is

- Preparation through God: you cannot respond to the course of life without being prepared. That is why it is deception to whosoever will think you can just rise out of nothing to become something. You must create grounds for your formation and when you are well formed, that will enable you to do exploits. What do we mean by preparation through God? This is a spiritual aspect where one connects to God

1 For the salvation of his soul;

2 Making his life a dwelling for God to help him access God's leading.

All this is done by receiving information through God's Word. This is because until God tells you what you were created for, you may never know what to live for. This first part mentioned has to do with the spiritual aspect of

of the things that are coming your way though you cannot see them but you are aware of their existence.

Spiritual preparation is based on God as you set your affection to seek His face. Most often than not, spiritual preparation is always known as the season of silence. It does not mean you are silent as such, you are silent before men and making communication with God. When you have communication with God it calls for silence with men. This aspect is the fundamental issue for one to get equipped. You can't answer well to an issue if you are not well equipped for that issue. That is why all those who were called in scripture always had a moment of silence for them to be equipped to actualize their purpose. For example a man called Enoch. The scripture says he walked with God and was not found. For one to walk with God to an extent that he was not found meant he gave God a prepared life.

Genesis 5:24 "And Enoch walked with God; and he was not, for God took him."

For Enoch to have such records he gave himself to preparation, got equipped with the life that went with God's presence and finally God took him. In other words, that was the man that exit the world without passing through dead. Same with Elijah. Abraham also was prepared in his walk with God. Being called at the age of 75years, he took another 25years to achieve purpose (to father the nation Israel). So in your moment of silence,

As it was with Abraham so was it with Moses, David, Elijah, Elisha and so on. It is rather unfortunate that many because of lack of knowledge drop their golden call because they are too much in a hurry to see things happen and by so doing they escape the route path of preparation. They get offended with God, and start asking questions like; where is my golden call? Where is my vision? That is why ***Habakkuk 2:3*** tells us that everyone who must be in command must go through that course of preparation (waiting upon God for the time appointed by Him).

Habakkuk 2:3 "For the vision is yet for an appointed time; but at the end it will speak, and it will not lie. Though it tarries, wait for it; because it will surely come, it will not tarry."

So preparation to be equipped is an aspect that one should carefully and cheerfully embrace especially when it has to do with waiting on the father (God) for the time appointed that He has set in His own power. During this period God takes you through a process and there are principles you must follow. You may have few of educational words but more of practical exercise which will create provision for you to be moulded, deliver you from human mindset and set your course on divine pathway. It is this process that enables one to have true heart surgery that can be joyful even when tribulation comes. This is because that individual haven being circumcised in heart has a supernatural ability to see

shouldn't give up the faith because of the glory that lies ahead of them. The Apostle Peter had this to tell us in

1 Peter 4:12-14 "Beloved, do not think it strange concerning the fiery trial which is to try you, as though some strange thing happened to you; but rejoice to the extent that you partake of Christ's sufferings, that when His glory is revealed, you may also be glad with exceeding joy. If you are reproached for the name of Christ, blessed are you, for the spirit of glory and of God rests upon you."

The second aspect for being equipped is to be under the guidance of a human mentor, teacher or leader. This aspect appears very wonderful but needs some carefulness. In as much as spiritual preparation goes with timing, even the human preparation goes with timing. This is a situation where the Lord uses the lessons of those that were before you to teach you and for you to diligently follow his instructions. In the human preparation you will be able to understand human strength and weaknesses while in divinity there are no weaknesses. You should know that you are called by a perfect God to serve an imperfect people. As a God man/ woman, this aspect should be groom in you. You cannot interact and serve a people that you do not know how they are, how they feel, you must have an aspect in you to feel like them before you can be able to lead them well. It is just like Christ, who in order to save the world, he

weaknesses of men and he stands in the gap to reconcile both of them. If you are not well equipped, you will misfire and you will feel like your mistakes are right but in the days ahead they will prove you wrong. This will lead to apostasy (wrong belief).

You are called by God in this season to be equipped so that you can answer well for tomorrow's demands. If you shy away from these two aspects of being equipped, you will misfire. When Moses a great leader of Israel, was leading the Israelites during their exodus, they did evil in the eyes of God. God became angry to an extent that He wanted to put an end to that generation. Moses had known the strength of God on Mount Sinai and the weaknesses of his people in the flesh. So he took the weaknesses of his people and interceded for them before the Almighty and God granted his request. But if Moses was not in the flesh like his brethren but was just so spiritual, he would have joined God to condemn his people. Mercy speaks when we have done things that did not merit pardon but compassion speaks when our lives is in the place where pardon can be given attention. So was Jesus. For Him to pray the prayer He prayed on the cross for the sinful world, he partook in the weaknesses of men and knew how they were. So too was Stephen.

This lesson goes beyond just being a vessel to answer to the souls of men. Even in your carrier, you will not be able to answer well to the questions of men if you have not gone through training and you are manlike. Get

PRAYERS

1- Father, empower me to go through my courses.

2- Father, give me knowledge and the grace to assimilate them.

3- Lord, help me to walk well on all the locations you have designed for my moulding.

4- Thank You father for the answers in Jesus name.

RECREATE YOUR WORLD

Being called upon to recreate is a sign that something went wrong or was distorted. Know that all available provisions from the Lord are given to you on the basis of your faith and obedience. This will respond for your recreation that will showcase glory and excellence upon your life as a person/people.

Genesis 2:19-20 "Out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to Adam to see what he will call them. And whatever Adam called each living creature that was its name. So Adam gave names to all cattle, to the birds of the air, and to every beast of the field."

Being called by God, you should know you are a divine project with divine substance within your content; and you have creative power invested in you by the Lord. As God gave Adam this power to name things and they answered to the names he gave them, that same power was given to all the offsprings of Adam. The recreating of the world was what was predestined in God's agenda for man. When you take stock of your life, the things that are not in accordance to your expectation as designed by God, there is word in your mouth that can recreate your world. One of the fundamental points you need to have in recreating your world is the strength of your faith that is within you for a change.

Secondly, how to timely apply God's provisions for

deform their lives. All these take place in the power of the spoken Word. That is why the book of Proverbs says life and death are in the power of the tongue. ***Proverbs 18:21***. When we look at this subject of recreating your world, you need to go in for those projects that will make you fulfill and apply faith to see them actualized. In other words, be trained to use the right words that can protect, develop, and train your person for your becoming. The things you think and say about your life is what your life will become. For the Word of God says as a man thinks so is he. So our prayer should be O God, help me to apply the right thoughts and the right words to my life and to every situation that comes my way.

Whatever has been going wrong in your life, rise, and recreate that thing to work rightly for your wellbeing. I want to let you know that with God you can rise from nothing to something, from nobody to somebody, from a zero to a hero. You need to cultivate a great determination within you for a change. Don't keep your mouth shut, open your mouth and declare the good things that God has ordained for you.

Romans 10:8 "But what does it say? The word is near you, in your mouth and in your heart (that is, the word of faith which we preach):"

This message coming to you is a word of faith that should get into your heart and be spoken through your mouth. Recreate your world to shine enough. In every domain

generation, in your marriage, in your career, recreate your world to shine as a son/daughter, as a father/mother, to shine in your finances, to shine in knowledge, in wisdom, and in power. Recreate your world in getting back everything the enemy ever stole from you. Recreate your world by making new things happen for glory and greatness. Recreate your world by living a righteous consecrated life unto God by making the impossible things by men possible and as you are in this journey, keep on creating new things and your life will always appear new and glorious on the platform of life.

I am here to challenge you that if men who are not worshippers are able to use their creative ability to bring some aspects of admiration in their lives, you who is a worshipper with divine backing can do much more. I have some people I admire in our time who grew up as disable people. One of such is Pastor Nick a young man who was born into a God fearing family without legs and without hands. I want to assure you that Pastor Nick has recreated his world. He didn't get stock because of his disability, in his situation; he got so excited, living as if nothing ever went wrong with him. Though as a young man, he grew up to attract thousands of people who gathered to hear him preach and teach. Today he is happily married with children. He recreated his world. He has about 9million people following him on facebook. If a disabled brother could recreate his world, my brother/sister what are you doing with your own life?

hymns we sing today in church. She became blind at the age of 6weeks but with the substance within her, she recreated her world. I once learnt concerning her that her pastor was praying for her to regain her sight, but she told the pastor to change his prayer point. She wished that when her eyes would be opened, it will only be in heaven and the first person she should see is the Lord in His glory. Sons/daughters of God you are challenged this day; breakforth and recreate your world. A lot more have done so; so you can. Get that value, get on that ground, and trigger your recreation of glory and greatness in Jesus name.

PRAYERS

1- Father I lift up my voice to you for a change.

2- Oh Lord, empower me to recreate my world.

3- Father, help me maximize my fortune.

4- Lord, I overthrow roadblocks and overcome them in Jesus name.

5- Thank You Lord for the answers in Jesus name.

SILENT THE ENEMY

Daniel 11:32 "Those who do wickedly against the covenant, he shall corrupt with flattery; but the people who know their God shall be strong, and carry out great exploits."

You can silent the devil on the platform of your knowledge in Christ. That is why whatever it will take for you to access the truth of the knowledge of God, go for it. Whatever or whoever may be standing against you may not be your creator but the enemy of your soul. You can shut down that enemy by knowing the things you need to know. Christ silenced the devil on all the grounds of his strength by the Word of Truth. For you to silent Satan, you must access strength from God that scales above his own strength. The above scripture says to know God is to access strength which enables you to do exploits.

Many sons/daughters of God are not able to silent the devil because they are too much in a haste to sit down to get the Word of God downloaded into their lives. You can't say you know God when you don't know His Word. Knowing the Word of God is knowing God and not knowing the Word of God is not knowing God. Many have fooled themselves by framing some pictures in their minds as a theophany (a visible manifestation of a deity) of God's Spirit within them. That is terrible deception.

When Christ began His mission, the first thing He did

Matthew, Christ confrontation after fasting and prayer, the devil could not stand each scripture He quoted. It is very important for the church to go in for the perfect theology of the person of God, Jesus Christ and the Holy Spirit. If we get ourselves equipped in this dimension, we will silence the enemy. Let us get the encounter of Jesus with the devil in the gospel of ***Matthew 4:1-11***. Carefully go through these scriptures and you will discover a lot of strength that knowledge offers. The psalmist also tells us that prosperity also follows those who are occupied with the knowledge of the truth. ***Psalm 1:1-3***. Also, when we get to the book of ***Hosea 4:6***, we will discover that there are many children of God while in the place of freedom they are in bondage. I just want to cite one story that took place in one of our branch churches:

A lady was brought to one of my sons in the Lord for deliverance. When this son of mine began conducting the deliverance, the demon in her went into full manifestation and told him he could not break the covenant with the lady because the demon was in full connection with the lady. He told the servant of God that he could do nothing because all the assets of the lady were gotten through diabolic methods from the secret cult. After serious warfare, the case was resilient; my son gave me a call and made mention of the situation. I was not there but I gave instruction from the Word of God not to pray but to quote a scripture and what was the scripture? It was a

Lord's and the fullness thereof ***Psalm 24:1***. But when the devil knows that you are ignorant of this truth, he manipulates you.

There are pains we are going through that just needs knowledge to silent the enemy. That is why there are commands in scripture like ***proverbs 23:23*** which says buy the truth and sell it not. Christ says if you are My disciples, then you shall continue in My Word. ***John 8:31*** Your continuation in the Word keeps the devil always in silence. So rise today and continue in the Word and showcase greatness.

PRAYERS

1- Oh Lord, empower me with the knowledge of the Word.

2- Lord, grace me for continuation in the Word with steadfastness and timely application.

3- Holy Spirit, get me connected with the right words to utter in every given situation.

4- Thank You Lord for the answers in Jesus name.

ACCELERATE IN VALUE

Looking at the word acceleration, God wants to sponsor in you a supernatural speed. That is to make something happen faster than expected by the strength of His grace. This great happening is not compared to any other thing but value of great worth. Such value that will draw the attention of men to salute the heavens for such offer within the circles of human beings. You have to accelerate in value because you have been named by God as the salt of the earth and as the light of the world. So come to think of the speed of a light ray, you got to enhance such a speed to actualize this for the value is already within you as it was predestined by God. ***Matthew 5:13-14***

Whatever talent God has committed into your hands is given you for good and progress. What is called talent is what embodies value. We are told in the gospel of the parable of talents that were given to servants to trade on. There is something I want us to recount out of this gospel

Matthew 25:14-15 "For the kingdom of heaven is like a man travelling to a far country, who called his own servants and delivered his goods to them. And to one he gave five talents, to another two and to another one, to each according to his own ability; and immediately he went on a journey."

The intention of the lord of these servants was to see

commitments to what he gave them. We will realize that there was a time frame given to the servants to actualize a given purpose through the talents that were given them. Two of the servants got a proper knowledge and mindset of their master. So they gave in to work with what was given to them with the right mindset. Child of God, I may not be able to see the capacity of the talent in you but God is commanding you to put the talent to work in order to accelerate value.

To the other servant, putting the talent to work was not his business for he counted it unjust for his master to reap any benefit that came through him. Child of God this should draw our attention to this truth that the fact that someone came before you is an indication that he had something from the Lord to direct you with. You have the responsibility to discipline yourself to look up to him for the God's given instruction he has instock for you. But if you feel at one time that you cannot take instructions from the one that is leading you, then you will end up in the outer darkness. What made him not to work was not the quantity of the talent but the wrong mindset he had towards the master. As we go further in this parable, the attitude of the last servant that received one talent ended him in rejection and thrown into the outer darkness. Note this: that their lord gave an instruction "Occupy Till I Come". The last servant did not respond but he murmured after the master had left. If you are someone that always murmur after your leaders,

led to their rest.

If you are not grateful with what has been given you, you will never be fruitful with it and your unfruitfulness will lead to your rejection and you will end up a castaway.

Matthew 25:19-30 "After a long time the lord of those servants came and settled accounts with them. So he who had received five talents came and brought five other talents, saying, lord, you delivered to me five talents; look, I have gained five more talents besides them. His lord said to him, well done, good and faithful servant; you were faithful over a few things: I will make you ruler over many things. Enter into the joy of your lord. He also who had received two talents came and said, lord, you delivered to me two talents; look, I have gained two more talents besides them. His lord said to him, well done, good and faithful servant; you have been faithful over a few things, I will make you ruler over many things. Enter into the joy of your lord. Then he who had received the one talent came and said, lord, I knew you to be a hard man, reaping where you have not sown, and gathering where you have not scattered seed. And I was afraid, and went and hid your talent in the ground. Look, there you have what is yours. But his lord answered and said to him, you wicked and lazy servant, you knew that I reap where I have not sown and gathered where I have not scattered seed. So you

more will be given, and he will have abundance; but from him who does not have, even what he has will be taken away from him. And cast the unprofitable servant into the outer darkness. There will be weeping and gnashing of teeth."

Having gone through the above scriptures, the first thing we should take note of is learning to know why though all were servants, some were grateful and some ungrateful. The reaction of the person who was ungrateful did not start that day he refused to put the talent to work. This was an attitude of a servant who did not see the reason why he should lay down his life for the wellbeing of others. He forgot to know that if the lord did not trust him, he wouldn't have entrusted value in his hands. If in any way the trust is abused, the one in question will not go unpunished. For the other two servants, they gave in to work because seeing themselves entrusted by their lord was an opportunity. Each time you realize that what has been committed into your hands is not working as expected, judge the intent of your heart, for you might be harboring bitterness against your leader. You may not utter it in words but in thoughts and God draws His judgement from there as

Jeremiah 17:10 "I, the Lord, search the heart; I test the mind, even to give everyman according to his ways, according to the fruit of his doing."

While human beings may be looking at physical works to

attract a reward from Him. It is good for every child of God to get committed to God's assignment and to render your very best. The outcome of all these, when you fail in that which have been committed into your hands, you will fail in God's kingdom and at the end of the day be cast out from among your brethren. Christ said each time you are doing well, you command heaven's attention for good. When you are not doing well you command heaven's attention for judgement. There are two pictures Christ shows us, the fruitless tree in ***Luke 13:6-7*** and the fig tree in ***Mark 11:12-14*** God did not take His time to make a tree that will be fruitless to waste His ground. The problem was not the ground; the problem was not God the problem was not from the vinedresser; but the tree. What could make the tree the problem was the content of what it was carrying concerning the expectation of its master. In ***Luke 13:7***, the master said cut the tree down because it is wasting my ground. As a child of God it is a risk not to live in an increasing or progressive order. There are men and women you can't stop them because they are fruitful in the kingdom and the Lord says touch not. If you touch them, you touch the apple of God's Eyes. So the vinedresser pleaded for the second and last chance.

When you accelerate in value, you command divine attention for supply and an all round assistance. There are things you may never know until it is given to you through revelation. Any attempt by you to misjudge

recount that the fig tree was cursed by Jesus because it was fruitless. But the Lord told the disciples in John 15 what God will do to every value that will keep increasing.

John 15:1-5 "I am the true Vine and My Father is the Vinedresser. Every branch in Me that does not bear fruits, He takes away; and every branch that bears fruit; He prunes, that it may bear more fruits. You are already clean because of the Word that I have spoken to you. Abide in Me, and I in you. As the branch cannot bear fruits of itself unless it abides in the vine, neither can you unless you abide in Me. I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruits; for without Me, you can do nothing."

Beloved, one prayer we need to cry to God is "May the talent of God and value entrusted in us never diminish". Let us get it grow to the joy of our Father and the glory of the kingdom. From the very inception of man, God expected him to use his talents to increase, so too may the work God has committed in our hands not die but live and become fruitful. Get rid of every syndrome that may tend to bar you from excelling or mar you from being progressive. Don't partake into doctrines that do not tie to Biblical principles. Live a life to appreciate God for all those He has brought into your life, for partaking in His vineyard, for serving Him and others for when you do, you are serving in His vineyard.

Don't go for men's appraisal before God's appraisal. Let

appreciated. Life is worth living when it is progressive. Get caution, receive grace in Jesus name.

PRAYERS

1- Oh Lord, help me to grow in value.

2- Every syndrome of setback, let it catch fire and die.

3- Oh Lord, I refuse to be stagnant, I refuse my value to die.

4- Oh Father, let your given provision in my life know an ever increasing growth from today as I face each day of my life.

5- Thank you Lord for the answers in Jesus name.

THE UNCHALLENGED LIFE

Proverbs 4:18 "But the path of the just is like the shining sun, that shines ever brighter unto the perfect day."

The unchallenged life is not a life without challenges but is a life that cannot be swallowed up by challenges. It takes advantage of challenges for pronouncement, lifting and establishment. Looking at the above scripture, there is a word there "just" which I will like us to look at. Another word we could connote to this word is the word "righteous or uprightness". What God is telling us here is a man given to justice, righteousness, upright living is a man licensed to a triumphant life. For that attribute geared towards God and towards the things of God and even the ability of God to respond to such individuals. So if the ability of God responds to the life of an individual, we can draw a conclusion that one that draws the attention of God can boldly say I have the license to live an unchallenged life. That is to say, though patches of darkness can be seen in the absence of light, we all know that the appearance of light takes darkness out of existence totally.

If one becomes formed in the nature of God, then you can guarantee yourself that though the enemy may come like a flood, the God seed in you will raise a standard against the enemy.

accomplish the thing for which I sent it."

If every spoken Word of God will prosper in the way God has destined it, that is to say every word of your person from the mouth of the Lord will stand the test of time at all times as we get from ***Isaiah 59:19***, ***Isaiah 54:17*** then you must live an upright or righteous life. Then you will access all God's provision that license you to challenge the conflicts of life. The question now is; how do I access this provision? You access by believing and taking God by His Word.

Mark 9:23 "Jesus said to him, if you can believe, all things are possible to him who believes."

Every spoken word can be literally seen in manifestation in your life through faith. We can draw our attention to Bible characters like Job who was fought by the enemy. The enemy destroyed his property, the lives of his children, got his body afflicted. But in all these, the Word of God concerning the upright was unbroken. Why? The Lord declares in ***Psalms 37:39*** that even in your trouble days, He will be your salvation.

Psalm 37:39 "But the salvation of the righteous is from the Lord; He is their strength in the time of trouble."

When the Lord shows up for you, you can't be defeated in a battle. If you go through history, in all battles of life that has met men and women on earth, that aspect makes you unchallenged in the conflicts of life. Like the case of

him twice what was destroyed by the devil because the Lord had spoken that He is the salvation of the righteous even in the time of trouble. A righteous man may face challenges but he can't be conquered. Even the things the devil may appear as if he has deprived you from, the Bible tells us in the book of ***proverbs 2:21*** that the upright shall dwell in the land.

All sons/daughters of the living God know that with God's life in you, you have the life of a conqueror. The life of a conqueror is what could connect you to celebrate victory in all aspects of your life. In conclusion, who is the man to showcase an unchallenged life? He is the man that walks with God and lives for God. Who is the one that will live an unchallenged life? He is the one that is consecrated for God and dwells in His presence, he is the one who has not lifted up his soul to vanity nor sworn deceitfully. He is the one who is able to pass across the mind of God to people without adulteration; he will showcase the love for God by laying down his life for God and for his brethren. He will say "not as I will but let your will be done". We see this in the lives of men and women of God who were able to do such great things through God. They won all their battles through God by timely applying these weapons in their way of living. ***Ephesians 6:10-18***

Nebuchadnezzar confessed when he saw the greatness of God through Daniel, Shedrach, Meshach and Abednego

barbarians in Malta confessed that God has come down in the likeness of men. In this year of glory and greatness, every challenge that will meet you, you will come out in glory and victory because the God life in you cannot be suppressed. It may appear suppressed but in the real sense, it can't be suppressed. So an unchallenged life is a life of justice. If you are given to wickedness, you will be challenged until challenges will bury you and you will be nowhere to be found.

Psalm 37:35-36 "I have seen the wicked in great power, and spreading himself like the native green tree, yet he passed away, and he was no more; indeed I sought for him, but he could not be found."

The wicked will vanish but the righteous will arise as we get from the very Psalm of a man who walked with God and is giving his own testimony.

Psalm 37:25 "I have been young, and now I'm old, yet I have not seen the righteous forsaken nor his descendants begging bread."

Therefore make His Word a standard for your life. Seek His face and be led by Him; then you will be able to testify as others are doing and even those who did testify in the years past. Get equipped, be informed and give in to work and get yourself well sharpened in His presence for daily effectiveness. Receive grace as you showcase victory over all challenges or conflicts of life.
