BALI

Praise God! I want to bless the Good Lord for the well of knowledge and Divine impartation found in the "Manna Feast". I was greatly blessed and transformed by Chapter 3 "Get Rid of These Foxes" and chapter 2 "Let's Praise Him". I am so blessed and transformed. Praise God!

Sis Lena Lilian

Hallelujah! I want to bless His name for instant healing upon my brother who fell from a palm tree. He was admitted in the hospital; unable to move his hand and with a sprain on his waist. I ministered to him using the hand in the "Manna Feast" and the banner. Instantly, he was healed; he began walking and moving his hand. Secondly, I want to thank God for a sister in the prayer cell with menstrual cramp and irregular menses who got delivered as well after using the hand in the "Manna Feast" to the glory of God. Also, this sister had a growth and was already booked for an operation. After prayers, the operation was cancelled when she went for check up. To God be the glory.

Bro George: 676 27 98 25

on Sunday the 2nd of April as the Papa prayed for me. I had a lump in my breast which was giving me severe pain. As he prayed, it disappeared. Till today, I have not experienced it again. Thank you Jesus I am totally free.

Sis Beatrice: 661 28 58 17

ALAKUMA

Glory to God! I reaped the fruits of a land that the Good Lord redeemed from a demonic landslide. A brother came to me about a year ago and complained about this land that there was always landslide on the land. The people in the locality termed it "the gods are washing the land". I instructed him to bury a copy of the "Manna Feast" there. Others experienced the landslide but his own ceased for about a year. He brought a big bunch of plantains to me from that land this month. Hallelujah!

Pst Roland: 675 10 40 40

BAMBILI

I want to bless the Good Lord for restoring my menstrual flow that ceased since seven years ago because of ill health. As I was going through chapter

His face for restoration and behold I was restored in Jesus name.

Sis Judith: 677 14 95 71

NDOP

Praise God! My brother's son was attacked by malaria. I was instructed to pray for him with the banner. So I used it alongside the hand in the "Manna Feast". He became fine and healed few hours after that. Thank you Jesus!

YAOUNDE

Glory be to God! Towards the end of the month of "Greater Exploits", I was awarded a diploma from the Ministry of Public Works and salary increment that took me from category 5A to 6A. In the month to "Behold and Celebrate God's Goodness", I was given yet another increment of 4 Echelon and this landed me at 6E. I am so grateful for the Lord is good to me. Amen!

Pa Jonathan: 677 21 96 76

Hallelujah! Welcome to the month of "Stopping your Stoppers". Envy and attack is an inevitable act that must meet all living and true carriers of value. A thief can't be attracted to an empty and useless vessel. Only vessels of treasure can come under the attack of the enemy. In order for one to stop his attackers, he must be in possession of stronger weapons than his enemy. The only stronger weapon is the leading of God over a man's life. No good man in life places an invitation for enemies to attack him. But even without an invitation, the enemy will valiantly do all to find their way in, in order to steal, kill and to destroy. But with the Hand of God and the Godlife within you, you will arise this month with holy anger in your heart to say No! To that nonsense of the enemy; for you were not given value by God to be intimidated by Satan. You are the value to fulfill God's agenda and purpose.

As you lift up your hands to the Heavens, get identified by God and access a Divine location by His leading to silence every advancement of the enemy on all their strategic road paths. Get them stopped before they ever stop you. Leave no stone unturned, take possession of all Divinity has made available for

WHY HE CAME

John 10:10 "The thief does not come; except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly."

When we look at the above scripture, from its context and way of presentation, we have a conclusion to make that such a presentation is an act of restoration to the willing soul for a change. This is because the (a) part of that verse speaks of the thief and his purpose. The (b) part speaks of the life giver in the person of Jesus to the willing soul that will dare believe in Him. His purpose is to redeem. Looking at the word and the act of redemption, it simply means bringing back into originality what was being displaced and deformed. If there be anything that could give the enemy power over the humans that were created in God's image, it is the act of disobedience that led to the fall of man.

Looking at the word 'life', it is the opposite of 'death'. If Jesus is saying that they might have life, the word "might" is conditional. It will be interesting for us to find out the conditions needed in

godlife.

John 1:12 "But as many as received Him, to them He gave the right to become children of God, even to those who believed in His name."

When we look at the above scriptures, the license of life that comes from God is for the individual to receive Jesus into his life. This is done by believing in Him and receiving Him into their lives by faith. This is done through the act of confessing with our mouths and believing with our hearts.

Acts 8:37 "Then Philip said, if you believe with all your heart, you may." And he answered and said, "I believe that Jesus Christ is the Son of God."

Looking at the various scriptural references in accessing life from the Lord, we can also look at ***Romans 10:10***. These are all scriptural references given by the Lord in order for us to be partakers of Jesus' life or the God's life.

Romans 10:10 "For with the heart one believes unto righteousness and with the mouth confession is made unto salvation."

life back to man. For we were created by God from the dust according to the scripture; then, the Lord breath into man the breathe of life. Man became a living soul. The enemy got his way in destroying the original purpose of God in man's life through the sin of disobedience that man committed.

Genesis 2:17 "But of the tree of the Knowledge of Good and Evil, you shall not eat, for in the day that you eat of it you shall surely die."

Looking at the above scripture, when man disobeyed God by eating the forbidden fruit, he did not die physically but spiritually man was dead because the godlife was taken out of him. What is that godlife? It is the life that God gave man for him to produce godly fruits that had to do with righteousness, obedience, faith, peace, love, meekness, longsuffering, self control just to name a few. When man sinned against God, the inherent nature of God that was supposed to be in man was taken away. The fallen man only had information of God but he did not resemble God in his attitude any longer. We were reduced to the classes of other animals. So the coming of Christ was to take us back to God's original purpose for our creation. How then can we

impossible.

1 Timothy 2:5 "For there is one God and one Mediator between God and men, the Man Christ Jesus."

There are no mediators, we have a Mediator; the man Christ Jesus. That is why

John 14:6 "Jesus said to him, I am the way, the truth, and the life. No one comes to the Father except through Me."

When we look at this, Christ has not spoken about ways, He spoke of a way, He has not spoken about truths, He talks of truth and a life. He is the provider of the above mentioned criteria for man to return to God. You cannot pretend to have the knowledge of God or don't be deceived that you have God's knowledge or you are serving God when you are out of the way that is Jesus Christ. The devil has fought many out of the way and when you miss the way, you will miss the truth. When you miss the truth, you will miss the life and when you miss the life, there is no way you can respond to the purpose why He came. Many people today profess to be serving God

devil when they gave the Roman soldiers bribe to tell lies that Jesus did not resurrect but the disciples came and stole His body by night. ***Matthew 28:11-15***. While they called on God's name, their manifestation and the works of their lives was that of the devil.

Child of God, if you have not yet accessed salvation from the Lord that delivers from sin, and gives you righteousness, you should know you have not yet known nor answered to the purpose why Jesus came. The Bible has painted it in bold letters the purpose of His coming was to give man the god's life thereby delivering him from sin. Once an individual accesses the life of his Maker, every plan and purpose of the devil will be ruined and totally destroyed in the life of that individual. If the gene or the seed of sin is not dealt with in your life as a person, know that the works of the devil in your life are still living and standing strong. Once you access the God's life, know that satanic works are destroyed.

1 John 3:8 "He who sins is of the devil, for the devil has sinned from the beginning. For this purpose, the Son of God was manifested that He might destroy the works of the devil."

battling with the effect of sin and not the sin itself. What are some of these effects that have been making men to run helter-skelter? Sickness is an effect of sin, satanic oppression, depression, demonic possession, poverty, discord, madness, backwardness, stagnation, lack of peace, lack of love, lack of unity are all the effects of sin. We spend time and energy dealing with the effect rather than dealing with the cause. The cause of all the pains, heartaches we may find ourselves in today is as a result of sin. If we deal with sin, the effect will not be noticed. So you can get the works of the devil destroyed by receiving Jesus into your life as your personal Lord and Saviour. Failure to do so, you will just be beating the air with the effects and not the cause.

There is an outstanding dominion, power and authority that will work in and through your life by the Hand of God over you as long as you walk in the lamplight of God's Word. As God told Abraham, Moses, and Joshua, so is He telling us today; we should be bold to speak as the Psalmist did in

Psalms 119:105 "Your Word is a lamp to my feet and a light to my path."

As the Word becomes your lamp and your light, every

every work and purpose of the enemy will be destroyed. Go for the life, walk and live with the life that has been given you by God and you will never have any course to regret. In fact, you will beat the devil to and fro. What gives you dominion and power is the amount of God's Word you have in you and are living by it. Once more beloved, let His purpose and redemption that is to bring you back in the nature of your Creator have access to your life as we see in the book of

2 Peter 1:4-8 "By which have been given to us exceedingly great and precious promises, that through these, you may be partakers of the Divine nature, having escaped the corruption that is in the world through lust. But also for this very reason, giving all diligence, add to your faith virtue, to virtue knowledge, to knowledge self control, to self control perseverance, to perseverance godliness, to godliness brotherly kindness, and to brotherly kindness love. For if these things are yours and abound, you will be neither barren nor unfruitful in the knowledge of the Lord Jesus Christ."

As the godlife resides in you, the expected

delight over your life. Go for it and live for it.

PRAYERS

1- Father, make me a partaker of Your Nature and Your Kingdom.

2- Lord, help me to live by the standard of Your Word.

3- Father, empower me to manifest my God's given dominion in all areas of life.

4- Thank you father for the answers in Jesus name.

UNDERSTANDING AND DEALING WITH MANIPULATION

Looking at the above chapter, it calls for a keen look and proper attention to be given lest your expectation becomes the unexpected. To manipulate simply means to control or influence somebody or something often in a dishonest way so that they do not realize it. I want you to mark the word “often”; this implies you cannot be manipulated all the times when your five senses are in order. But when manipulation gains control over one’s life, you may only understand that you were under manipulation when your execution is already announced. As such, you may find it difficult to escape it. That is why information is sent into your life to correct certain threats of men that may tend to endanger the future of your life. Many have been manipulated on different grounds like; spiritual and physical manipulation; but the worst of the two is the spiritual manipulation. This goes a long way in endangering your soul into eternal doom.

To understand and to deal with manipulation, we must know that the power of truth is the only source and remedy through which one can be free

it will be difficult for one to understand whether he has been manipulated or not. Also, without knowledge, it will be difficult for one to deal with manipulation and the manipulator. If knowledge therefore becomes the substance through which we can handle manipulation, it implies that, going for knowledge should not be an option but an obligation for everyone who must live and see good days. Whatever cannot be displayed in the light carries manipulating influence. For example, getting into an issue with somebody and the person is vehemently telling you to let nobody know about it. Whatever is good should have a broad way for its announcement.

In life, one has to be careful with the things that carry temporal influences but do not look into eternity. This is like spelling out your personal gain at the expense of your relationship with God and the wellbeing of others. These are the syndromes the enemy has used to land people into occult sects, scamming and the like.

Proverbs 18:1 "A man who isolates himself seeks his own desire; he rages against all wise judgement."

You should also note that it is not all who celebrate

who always speak good, good, good about your life even when you know that you are not good enough. Mark those who always speak evil, evil, evil into your life when you know you are not that evil. These two extremes are all manipulators aimed at making you their puppet in the days ahead. That is Satan's nature. He either traps you by fanning you with good words so that you lost consciousness of your person or he furnishes you with bad words to send true companion away from you. But true companion are people with a right mindset to contribute to your life and to help you face a better tomorrow. They are people who will praise you when you do well and rebuke you when you do wrong. To have fans that can fan you in all weather are not true fans.

You should realize that when people want to get from you on the grounds of exploiting you, they will give you all good names on earth. Those are manipulators; for when they are done with you, the anthem of praise they sang to you will automatically change to an anthem of rejection and blasphemy. These are some of the signs you can be able to dictate as a man. In the generation past, this had been happening. The people that sang Hosanna to Jesus

He fed with bread were the same people that pulled His robe of righteousness and clothed Him with filthy robes. If Jesus could make such caliber of people the pillars of His church, there wouldn't have been Christendom today. Christ was able to discern and deal with His manipulators. The Bible commands us to gird our loins and let our light keep burning.

Luke 12:35 "Let your waist be girded and your lamps burning:"

What are we to gird? It is our mind; the loin here stands for our minds. Let our minds be bound together with the knowledge of God's Word. This will enable us to go on with our God's given assignment quickly and freely without satanic interruptions that are always there to slow us in our ignorance. The above mentioned points are to help us identify the manifestation of physical manipulations and the manipulators but the spiritual becomes more sensitive and delicate. These are the kinds that God says are wolves in sheep clothing. They have quoted sheep character but in reality, they are the wolves. They may appear as holy angels, smooth tongued but within, they are embodied with dangerous assignments from hell. This is the kind that Christ

were Bible carriers who could not identify him until Jesus entered as the light of the world. Then that dark cloud could not be hidden again but expose. How can I be able to understand and deal with manipulation that has little or no evidence and that natural brain can't dictate?

The first thing to do here is; darkness cannot make any greater difference with darkness. Only light can extinct darkness. So to identify hidden manipulation which may not be noticed by natural abilities, you must have light enough in your spirit man. You should also know you are a spirit being. If your spirit is connected to the light of God's Word, when somebody who is connected with the darkness of the devil comes to you with smooth tongue, your spirit will not agree with him though his word may be sweet and appealing.

Proverbs 20:27 "The spirit of the man is the lamp of the Lord, searching all the inner depths of his heart."

When your spirit is born of God, it will have that God's ability to discern other spirits and give right judgement of them. But if your spirit is not born of

with the spirit of divination that met Paul.

Acts 16:16-18 "Now it happened, as we went to prayer that a certain slave girl possessed with the spirit of divination met us, who brought her masters much profits by fortune-telling. This girl followed Paul and us, and cried out, saying these men are servants of the Most High God, who proclaim to us the way of salvation. And this she did for many days. But Paul, greatly annoyed, turned and said to the spirit, I command you in the name of Jesus Christ to come out of her. And he came out that very hour."

Looking at the above scripture, there was nothing physical one could see in the life of this girl which looks satanic or fake. Though her prophecy and message was correct and accurate, Paul was grieved in his spirit. The spirit of Paul was lighted enough and he could discern immediately that it was a contra spirit speaking right words. For this to happen, in the sphere of the satanic kingdom against the church of Jesus, they did all to stop Paul and his companions from spreading the gospel of the kingdom in the lives of men. As it happened with Paul the Apostle, so did

The joining was to turn people's hearts away from the truth. Child of God, if you are filled with the Word and the Spirit, you can easily discern that if somebody laughs with you and it grieves you, then that person has a contra spirit. You should know who you are. When you come to encounters like this, don't be emotional but spiritual and be sure you speak under the leadership of the Holy Spirit.

A Christian brother paid me a visit and I didn't know he was possessed. I have a custom in life where I wake up to have a time of communion with God. So we all were up to pray and we were praying individually. As I was deep in the spirit, I got an odd sound and I understood it was a demonic manipulation coming from that brother. So I asked the spirit who are you. The spirit answered and said "You can't cast me out". So I asked him again; who are you? He told me he was the spirit coming from the seven gates of Mount Kilimanjaro. To discern spiritual manipulation, you need to be spiritual enough; in words, a living life and in deeds. Do all to possess a healthy mind, bound and guided by the scripture and the Holy Spirit. Make sure your strength is constantly renewed spiritually and in so doing, you will be able to say NO! To manipulation and NO! To

adversary the devil walks about like a roaring lion seeking whom he may devour."

You have to be spiritually and physically sensitive. Avoid taking things and people for granted. Take a search before giving in, have a testimony before opening up. As we round up this chapter, give in to prayers, watch and change your prayer points as occasions may demand. Grow in skill, experience and in spiritual things.

In conclusion, if you are a victim of manipulators, keep away from them. You will prove that by their behaviour towards you. If they were calm towards you before, they will become too hot making sure that they kill every good that was still in possession of your life. Go into prayer and ask the Lord to lead you to a Bible believing church where you can make children of God your companion for lasting results. ***2 Corinthians 6:16***.

1- Father, breath in me a spirit of discernment.

2- Lord, empower me always to know and deal with manipulations of any kind.

3- Lord, any spell of manipulation over my life, let it be destroyed in the name of Jesus.

4- Help me Lord to guide my path with the knowledge of your Word.

5- Thank you Lord for the answers in Jesus name.

ACTUALISING GOD'S PROMISES

A promise is an oath or a vow or an affirmation which has to do with parties. Looking at our subject, when an oath is taken, its execution is not immediate. It has a minute, an hour, a day, a month, years, decades or even centuries for its fulfillment. There is a call for work in the path which you were created in. for God to promise you, it means there has been a meeting point between you and God. You can't have a promise from God when there is no meeting point, no union, or fellowship with the Lord. A promise comes into one's life by God when the individual comes in contact with God on a ground of fellowship. That ground of contact sponsors a union where God will say I will do this. God in His sovereignty will always do what He said. Most often we realize that promises by God were fulfilled by those who received the promise while some were not fulfilled.The question we will want to ask is "how then do we actualize God's Promises"?

To actualize God's promises, you must maintain a walk with God in the lane where He met and placed you to live in. if after receiving a promise from the Lord and for some reason you displace

promise began with man and God when man had not sinned against God. It is still going on today between God and His people. God makes promises with His children and not with vagabonds or stray children out of His pathway. Most of the people that received promises from God, some were delayed not because they were meant to be delayed but the recipients of the promises for some reasons found themselves compromising God's standard for their lives. These are some of the things that cause delay in promises.

I want to draw your attention to this; there is no God's given promise without His spelt out conditions. Don't only be anxious or curious about the promises but endeavour to get its condition and to fulfill them. This is because when the conditions are not met, those promises may never be actualized or realized. These are some attitudes that anyone who must actualize God's promises must go in for:

The promises of God goes with the will of God and most often the will of God does not tie with our mortal nature. It is just like the Lord says "My ways are not your ways". It therefore implies that any individual that must actualize the promises of God must first give in to the spirit of humility and

to take over the affairs of your life. We can see this evidence in Jesus' life when He prayed in Gethsemane; when He was to see that God's promises given to Him for the redemption of mankind was fulfilled. We will realize that He was dealing with His will and you cannot manifest the will of God if you are not broken.

Matthew 26:39 "He went a little farther and fell on His face, and prayed, saying, "Oh my Father, if it is possible, let this cup pass from Me; nevertheless, not as I will, but as you will."

When we look at the countenance of Jesus in this scripture, for one to kill his will and embrace God's will, the individual has to undergo pain in order to breakdown. To let go your will, you must incur pain. So don't count it strange when you are going through pain in life because you are giving up your will. Without letting down your will, it will be difficult for the promise of God to be made manifest in your life. The book of Philippians also spells out in bold letters commanding all heirs of God's promises to go in for the characters that Christ had. If these characters dwell in us, it will enable us to fulfill God's promises over our lives.

Philippians 2:5-8 "Let this mind be in you which

dead on the cross."

Christ fulfilled the above condition of humility. We will realize that humility goes hand in globes with obedience. You can't say you are humble when you are not obedient. Christ was humble and obedient. The next verse announces God fulfilling His promises upon His life for God is not a man that He should lie. Every heir of the promise of God must learn these things and give themselves completely to them as we see God's commitment to actualize His will and plans over Jesus' life in

Philippians 2:9-11 "Therefore, God also has highly exalted Him and given Him the name which is above every other name, that at the name of Jesus every knee should bow of those in heaven and of those on earth and of those under the earth and that every tongue should confess that Jesus is Lord, to the glory of God the Father."

Since actualizing promises has to do with process, process has to do with different stages. It is therefore important for the heirs of promise to get their minds trained and enriched with the knowledge of the Word of God. By so doing, when certain manifestations

who will actualize God's promises.

Another key that follows the one mentioned above is for the heirs of promise to give themselves committed to the services of the Lord. For every work to be done, while waiting for your reward, you should know that there will be oppositions but stay true to God and to yourself. On every high way of actualizing God's promises, there are giants. So, you should arm yourself to be very courageous and fight through. The fact that God is with you is not a guarantee that He will not allow you to be tested. The children of Israel were promised the land of Canaan as their possession from the Lord. Though they were on the pathway prescribed by God, they still had afflictions. This is because the Lord says many are the afflictions of the righteous but He will deliver them out of them all. The Lord, not the Angels, bishops, not pastors, not elders but the Lord will deliver them from them all. If you are committed and humble but not given to service, you may not actualize your promise as a child of God. Your commitment will put to birth strong determination and courage and determination will put to birth good success.

On the pathway to actualize your promises as

to get you deviated. Moses, though anointed by God, as they were moving through the Promise Land, there were moments that he was exhausted (tired). That is why they will move and camp; move and camp (rested). When you are exhausted, make sure you maintain the lane in which God kept you and let nothing take you out of the lane. During the moment when you are exhausted, there are things you endure. Paul told Timothy that when such moments come, he should remain watchful to endure the afflictions that may come his way. You should give yourself to sound doctrine that will be able to preserve you during this moment. ***2 Timothy 4:3***

Hebrews 6:13-15 "For when God made a promise to Abraham, because He could swear by no one greater, He swore by Himself, saying, surely, blessing I will bless you and multiplying I will multiply you. And so after he had patiently endured, he obtained the promise."

As an heir to promise, as you move into your promise, you should be aware of the fact that trials of diverse kinds will meet you. But God is faithful, and He will not allow you to be tested above your strength. So during trying moments, you must put in place the

make you to destroy all efforts you have made over the years.

The last thing you need to put in place is faith force. With faith force, you will be able to quench all the fiery darts of the wicked so that no situation will give you direction from that which God expects you to hold on to.

Ephesians 6:16 "Above all, taking the shield of Faith with which you will be able to quench all the fiery darts of the wicked one."

You need to have a thought of faith, you need to speak out faith, you need to act by faith and you need to live by faith. Some people got themselves committed but without faith like the 10 out of the 12 spies Moses sent to spy the Promised Land. Joshua and Caleb acted by faith and they inherited the Promised Land while the other ten spies because of lack of faith, they died in the wilderness.

Let faith force come alive and remain alive in you. Keep speaking it, keep acting it and keep living by it for it is to every man according to their faith. When your faith says you are able, you will be able but when your faith says you are not able, you will not

saying, according to your faith, let it be to you.

Romans 1:17 "For in it the righteousness of God is revealed from faith to faith; as it is written, the just shall live by faith."

With the above mentioned points, you can get your promises actualized. Know that, faith goes with prayers and the Word.

PRAYERS

1- Father, thank you for your Word.

2- Lord, equip me with all the virtues to actualize promise.

3- Lord, help me to break down my will for your will to be done in my life.

4- Father, increase my faith and put it to work.

5- Thank you father for the answers in Jesus name.

BEWARE OF COVETOUSNESS

We are warned by the Lord not to be victims of covetousness. It will be important for us to look at the definition of the word covetous. It has to do with an improper desire, excessive eagerness to obtain and possess things especially money. Covetousness is an attitude that is sponsored by an unclean spirit that overwhelms one's passion at the expense of his soul. A covetous mind is one of those characters that make one dirty before God. That is why as a believer, the Lord has painted this in bold letters that godliness must go alongside contentment. One of the forces to fight covetousness is the force of contentment.

One carried by the spirit of covetousness will find himself fighting and dying for something that his life is not in need of. He/she is just carried away by the passion of want and not need. As a child of God, the supply we need in life is not the supply of wants but the supply of needs. So for you to escape the dangers of covetousness, child of God define your needs and God will meet those needs. Each time you switch off from needs to wants, the devil is very happy because he knows on such platforms; he can handle

life does not depend on your wants. We can see this from scriptures in

Luke 12:15 "And He said to them, "Take heed and beware of covetousness, for one's life does not consist of the things he possesses."

A man possessed with the spirit of covetousness is a man who wants to have things of general interest to be named after him. Before Jesus gave this warning to the disciples, a man approached Him and was requesting Him to speak to his brother to divide an inheritance which maybe was a family inheritance.

- When you start to see yourself only showing interest for things that personally concerns you and when it concerns the interest of others your interest drops, you should be careful for that is a covetous mind.

- When you see yourself trying to get things anyhow, not minding the ways you get them, that is an indication of a covetous spirit.

- When you find yourself with an unlimited quest to go for things you have never dreamt of how you will use them, it is an indication of covetousness

material things at the expense of a godly relationship, it indicates the spirit of covetousness.

- If you find yourself trying to run somebody down because you see that by so doing you raise personal gains, it indicates covetousness.

Covetousness is a spirit and very dangerous. It makes you ungrateful and never satisfied with whatever goods you may have in your possession. A covetous man can set a house on fire because of personal gains. He can set friends at loggerheads because of personal interest. When you find yourself as a child of God not having a spirit of contentment for the salvation God has given to you and you are becoming so upset because of material gain, you should go for deliverance. When you find it difficult to spend on others and even on the work of God you should know you have been caught up with the spirit of covetousness.

Many have fallen headlong in the Christian race because of covetousness. Covetous people are never satisfied; they are always ungrateful. The Lord declares that one's life does not consist of the abundance of things he possesses. All the people who does all to

into. He killed Abel so that at the end of the day all may belong to him but the end result was that he became a vagabond with a mark of curse placed on him by God. Covetous men can sell their soul to the devil for material gain. It is this seed that has plunged many into secret cults in the quest for money and the devil has blinded their eyes to the truth that naked they came and naked they shall return.

When you run after earthly sufficiency, you will never go guiltless or unpunished. Many people have denied the faith though in church because of the spirit of covetousness. This spirit dealt with Cain, Judas Iscariot, Sapphira and Ananias, and many others. A covetous man gives preference to temporal things in his life than eternal things. These temporal things may never be the needs of his life as prescribed by God because every need of our lives, God has promised to supply them as we see from scriptures.

Philippians 4:19 "And my God shall supply all your need according to His riches in glory by Christ Jesus."

God has promised to supply our needs and He challenges our faith that we should look at the lilies of the field how they are clothed and the birds of the

you will know. Being contented in Christ is great gain to every believer. Today, we have all kinds of fake things happening in churches; the name of the Lord is used in vain because people want to feed their ego at all cost. A covetous pastor can easily change his message to gain access into people's pockets and bank accounts. When you are a child of God and for some reason you find it difficult to rebuke somebody of an error because of the material advantage you want to get from him, you should know you are a victim of this spirit. If Balaam the prophet ended shamefully, it was because he was covetous. He wanted the gain of unrighteousness but at the end he fell headlong into God's judgement. This seed made Balaam to live in error and it created a bad mark to his life and to his generation.

2 Peter 2:15-16 "They have forsaken the right way and gone astray, following the way of Balaam the son of Beor, who loved the wages of unrighteousness; but he was rebuked for his iniquity: a dumb donkey speaking with a man's voice restrained the madness of the prophet."

Everyone carried by covetousness will end up with a

a covetous infiltration into your spirit man. When you are worried over many things, it is a bad seed. The book of Jude 11 warns us, still pointing out the error of Balaam

Jude 11 "Woe to them! For they have gone in the way of Cain, have run greedily in the error of Balaam for profit, and perished in the rebellion of Korah."

A covetous spirit will take you from one level to another until you finally find yourself in Satan's doom. You can overcome the spirit of covetousness by being contented and satisfied for who you are in Christ Jesus. Thanking God and praising His name knowing that His thought for you are thoughts of good and not of evil to take you to an expected end. Paul wrote to Timothy in

1 Timothy 6:10 "For the love of money is the root of all kinds of evil, for which some have strayed from the faith by their greediness, and pierce themselves through with many sorrows."

Everyone who is covetous will have a sorrowful end like Cain, Balaam, Gehazi, Judas Iscariot just to name a few. The devil always points a deceptive picture in

with their material possessions they can show people that God is with them. Men of corrupt mind can crook people to have material things at the expense of their soul. They can use material things to crook people that God is with them but let's get what the scripture says in

1 Timothy 6:5-6 "Useless wrangling of men of corrupt minds and destitute of the truth who suppose that godliness is a means of gain. From such, withdraw yourself. Now godliness with contentment is great gain."

We are commanded by the Lord to flee from all forms of covetousness and greed and give ourselves to godliness. We should embrace characters that will make us to spend and be spent for others so they can have a good end. that attitude that will make you to lay down your life for the wellbeing of others and that attitude that will put God first in your life. Paul commanded Timothy in

1 Timothy 6:11 "But you, O Man of God, flee these things and pursue righteousness, godliness, faith, love, patience, gentleness."

In as much as we need material things in this world

pursuit and this ties to the word of God in ***Matthew 6:33***. In seeking the kingdom, you will free yourself from the yoke of covetousness. God bless you as you do.

PRAYERS

1- Oh Lord, free me from covetousness.

2- Lord, let the kingdom forever and its righteousness be my pursuit in life.

3- Thank you Lord for the answers in Jesus name.

TRUST THAT BRINGS RESULTS

Working together needs a level of trust in what we identify with or we are to work with. To some level, it is trust that can make us to entrust certain values in a person. But we cannot entrust all values to what is uncertain. We only entrust values to what we have a degree of certainty on. Expected results can only come from things or persons that are reliable. If we want to look at things or persons that are reliable, we cannot give such credits to humans. Humans are caught up with a lot of limitations that can be within themselves and out of themselves. These limitations could be physical, spiritual, financial, communication limitations just to name a few. Limitations they don't bargain for at times come their way and hinder their purpose. So trust for results can only be made possible in God and through God.

For love, some children have loved their parents and vice versa but you will realize that at certain times your loved ones may not be available when you need them most. The failure may not be of their making but situations may come their way that is beyond their reach to handle. As such, they may tend to turn your expectation down which may not

on his way home. They may be expecting the father but he gets involved in an accident that may lead to his death. Also, a man may promise you financial assistance only to get to his office and discover that he is fired. These are situations beyond human control and that is why it is an abomination for you to put your trust in man.

Jeremiah 17:5 "Thus says the Lord: curse is the man who trusts in man and makes flesh his strength, whose heart departs from the Lord."

If God is to be available for you at all times, no circumstance can hinder you. The scripture tells us where to put our trust at all times and when we do, we will have results.

Proverbs 3:5-6 "Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your path."

For anyone who have to trust, you are commanded to trust God with all your heart. You are not even permitted to trust yourself with all your heart but God. It is by doing so that God will bring the expected results intended for your life and for your good. The

give total trust in themselves will fail in the days ahead but they that put their trust in the Lord will reap the appointed results as the scripture tells us in

Psalms 20:7-8 "Some trust in chariots, some in horses; but we will remember the name of the Lord our God. They have bowed down and fallen; but we have risen and stand upright"

There is no one that will give his trust to the Lord and at the end of the day God will not honour his faith with the expected expectations. Any trust you give to any other thing or person out of God, expect a heartbreak and disappointment. The fact that something has been working for you out of God is not a guarantee that it will always work for you. Pharaoh in the days of Moses had trust in his magicians. He gave them this trust because they were able to meet up with certain things but he never knew that there was a council of the Almighty God that nothing could contend with. He trusted the might of Egypt but it could not give him the expected results when they were all drowned in the Red Sea. The Jews who trusted God without any strong economy; their trust in God brought them to their desired haven (a place where you are protected from danger and

on the Lord, you will never end up a disappointment but a praise. People may mock you when you are dependent on God but don't be distracted by their mockery, stay true to God. We can see this in the book of Nehemiah when he was building the broken wall of Jerusalem. He was mocked but he never gave up on his assignment. ***Nehemiah 4:1-5.*** When you read through that book, you will see Nehemiah fasting, praying and waiting on God for the restoration of Jerusalem. Nehemiah was mocked by Sanballat and Tobiah but he stood still and at the end of the day, his expectation from the Lord was not cut off, the Lord lifted him above his expectation. ***Nehemiah 5:14.*** Everyone that trusts in God shall not be moved as we see in scripture

Psalms 125:1-2 "Those who trust in the Lord are like Mount Zion which cannot be moved but abides forever. As the mountains surrounds Jerusalem, so the Lord surrounds His people from this time forth and forever."

Nehemiah trusted God and at the end of the day God established him; so was Esther. ***Esther 4:15-16*** and Hannah the mother of Prophet Samuel who

Samuel. ***1 Samuel 1:9-20***. Child of God, I don't know what you maybe trusting God for in this season. I am sent as God's servant in your life to tell you that for no reason should you give up on God. Trust in Him for He is a God who never fails. Keep trusting until your result be made visible. Never! I say never give up on God. That miracle you are trusting God for, I may not know for how many months, years, decades you have been trusting God for the miracle. Be still in your faith and God will honour you in that situation for a breakthrough. We are commanded to be still even in the midst of storm.

Psalms 46:10 "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth!"

So what is the degree of trust God expects from you? God expects total trust from you, the kind an eaglet has for its mother, the kind of trust a baby has for its mother; God needs such from us. An unquestionable and unseasonal trust; If you can give God such trust, even when men question, you will respond as Shadrach, Meshach and Abednego responded to Nebuchadnezzar that Our God is well able to deliver but even if He does not, we will not bow. ***Daniel 3:16-18***

do it. He didn't fail the elders and predecessors of faith, He will not also fail you. He is a God that never fails. These days, take a commitment of trust in God and don't allow your faith to waver. As your faith is strong, through you, many shall be converted. Ask the Lord to help you so that your faith does not fail just like Jesus prayed for Peter in ***Luke 22:31*** saying I have prayed for you that your faith may not fail and that when you come back, you will strengthen your brethren.

Elisha trusted God in Elijah and despite all distractions, Elisha's trust did not move. Elisha's trust for God in the life of Elijah brought the expected result into Elisha's life. ***2 Kings 2:1-17***. I pray that you will not pass on without portraying and manifesting your long awaited expected results. Be alive with your faith in the Lord. Elisha did, Joshua and many other sons of God even in our present generation. God has never turned down but He has always honored the faith of His children.

One of the things that destroy the power of trust is double-mindedness; that is, having an alternative from the Ultimate. Don't have any

Ultimate, you will timely receive your promises from the Lord. ***James 1:6-8.*** Stay true to the Lord with your spirit lifted to Him at all times. Be empowered, be equipped, manifest that expectation that the creations have been waiting to see.

PRAYERS

1- Lord, help my faith to stand till the end.

2- Father, keep me on focus to actualize my dreams.

3- Father, let the syndrome of faithlessness be killed in my life.

PROVOKING A BETTER TOMORROW

For every harvest, there must be seed time. If one has to face a future full of goodness, then the individual should be careful of the kind of seed he is planting today. In order for one to expect a better tomorrow, he should go for a good seed or a good life pattern today. If you live an unworthy life today, you will have an unworthy tomorrow.

Ecclesiastes 11:1 "Cast your bread upon the waters, and you will find it after many days."

The bread here figuratively stands for what your life depends on and the water stands for the ways, the will and the Word of God. For anyone to provoke a better tomorrow, the life of that individual should be propelled by the instructions of God's Word and allowing God's Word to prone you (character and attitude). All those in scripture that ever had promises of glorious days had the glorious days actualized when they gave themselves to be ordered by the Word of God. If the kind of seed you are planting now is not approved by the Word of God, it will bring you shame tomorrow. We all know that the future of the wicked is a dark one; it is only the future of the

pillar of living. My life has to be governed by the love for God, the fear of God and a thirst for His will to be done in my life.

Everyone who quests and desires a better tomorrow must go in search of God and His Word. These are the people that will mount up from grass to grace, from zeros to heros, from a nonentity to an identity. There are things in life you must start to deal with in order to anchor to all that which is God. There must be preparation. Any preparation towards the things of God already entitles you a blessed man as seen in

Psalms 1:1-3 "Blessed is the man who walks not in the counsel of the ungodly, nor stands in the path of sinners, nor sits in the seat of the scornful; but his delight is in the law of the Lord, and in His law he meditates day and night. He shall be like a tree planted by the rivers of water that brings forth its fruit in its season, whose leave also shall not wither; and whatever he does shall prosper."

To provoke a better tomorrow, there are certain lifestyles that you are called to walk away from. We can see this from the experience of a chief publican from the gospel in Luke 19. It tells us of the story of Zaccheus who was a chief tax collector and had made

his tomorrow cannot be better by the reason of his bank account. His tomorrow can only be better by having a life for God. Zaccheus prepared and provoked a better tomorrow by the promises he made to God. He admitted that he had been in error and he was bent for a change. He took the change forcefully. You can provoke a better tomorrow by giving out and giving up something now for the Lord.

Luke 19:1-3&8 "Then Jesus entered and passed through Jericho. Now behold, there was a man named Zaccheus who was a chief tax collector, and he was rich. And he sought to see who Jesus was, but could not because of the crowd, for he was of short stature. Verse 8 "Then Zaccheus stood and said to the Lord, look, Lord, I give half of my goods to the poor; and if I have taken anything from any one by false accusation, I restore fourfold."

Zaccheus here was provoking a better tomorrow for his life. The things he got through falsehood, he was ready to let them go for they were a hindrance to his future. Zaccheus embarked on restitution without a former teaching from the Lord to endorse that. The end result was the salvation of his soul. Child of God,

them dealt with. Lay them at the foot of Jesus. Zaccheus was honest to himself and his honesty brought God's redemption and salvation for his life. Having made those commitments, Zaccheus provoked a better tomorrow and we can get the response of Jesus to Zaccheus in

Luke 19:9a "And Jesus said to him, today salvation has come to this house."

Salvation of your soul is the guarantee to everyone who is saved to embrace a better tomorrow. Zaccheus' repentance gave him salvation and a future with God. So also, you can make it right with God in order to access a better tomorrow with the Lord. Many other people like Nicodemus in John 3 left certain things to provoke a better tomorrow for their lives. Child of God, if you are not yet born again, this is your season to become one. You become by repenting from your sins and surrendering your life to Jesus. For everything you will do without repentance will make you a man/woman most miserable (for salvation is not possible without repentance; that is, turning away from your old path of life to serve the Lord in spirit and in truth). Zaccheus realized that money and material things were taking

in his life. I don't know what might have taken the place of God in your life and you are giving Him a second place and treating His things with disrespect. For you to meet glory, you must miss the canker of glory. You must separate yourself from it for it makes you separated from God through sin.

If the righteousness of the Lord becomes yours, the Bible says you shall be like a tree planted by the rivers of water. Your soul cannot be saved and you are subjected by poverty and misery. The salvation of your soul is what initiates true prosperity.

3 John 2 "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers."

True prosperity of your soul starts at salvation level. If you are not saved, don't count yourself a prosperous person. For everyone with material possession without salvation shall be cut like grass and wither like green herbs.

Psalms 37:1-2 "Do not fret (weary) because of evil doers nor be envious of the workers of iniquity. For they shall soon be cut down like the grass, and wither like the green herb."

devil. Whatever God does not value cannot stand the test of time.

Psalms 37:35-36 "I have seen the wicked in great power, and spreading himself like the native green tree. Yet he passed away, and behold, he was no more; indeed I sought him, but he could not be found."

In as much as the wicked is cut off, they that walk with God are called perfect as the 37th verse tells us. I do pray that this will be your portion as we read from

Psalms 37:37 "Mark the blameless man, and observe the upright; for the future of that man is peace."

If your life is upright and blameless, I want to assure you my reader, you have just provoked a better tomorrow and the creature will watch to observe you celebrate in glory and honour. Live and maintain a standard of life for God and don't allow anything to derail you (take you out) of it. Stay focused on your dream for glorious days await you.
