BALI

Praise the Lord! I want to thank God for His intervention in my life. I had a dream and something was given to me to drink which I did. When I got up from sleep that morning, I had stomach problem. When I placed the hand in chapter 7 of the "Manna Feast" on my stomach and prayed, I vomited and that was all. I am fine to the glory of God. Thank you Jesus!

Sis Mary Bright: 677 83 58 76

Hallelujah! I want to thank God for His Divine intervention upon my life. My grandson went unconscious after being beaten with a wooden spoon. I took him to the hospital and we were admitted there. Every test carried out on him was negative. I prayed for him using the "Manna "Feast" and after sometime he regained consciousness. He is fine to the glory of God. Secondly, I want to thank God for my phone was constantly having battery problem. I had taken it to the repairer who said it was the charger that had a problem. I bought a new charger but it still did not solve the problem. So I put the phone inside the "Manna Feast" in the page of the hand with the charger on charge and

again. Till this day, the phone is working well. To God be the Glory!

Mama Magdalene: 676 24 59 03

Glory to God! I want to thank God for His Divine intervention through the "Manna Feast". My sister's husband had an issue with his car that ended him up in the police station. He went out with the car and discovered that it had some faults. As he packed the car to check what the problem was, he was taken by the police to their station. He stayed there for the whole day and when I got the news, I asked my sister to use the hand in the "Manna Feast" and pray for him. To God be the Glory, he was released that same day in the evening. Thank You Lord!

Sis Brenda: 677 94 90 19

Praise the Lord! I thank God for chapter 4 of the "Manna Feast", "Discover Your Hidden Strength". I had serious problems with my eyes that each time I struggled to open them, tears was coming out. I did not know that I had a hidden strength in me until I went to see the servant of God and did not meet him at home. So I made some declarations that I am not leaving the house of the servant of God with any problem. After the declaration, I did not

through the "Manna Feast" to know that I could declare a thing and it come to pass. Thank You Lord!

Mama Petema: 679 41 02 46

MBENGWI

Praise the Lord! I thank God for the month of "Speed and Increase". In this month, God increased me from the spiritual to the physical. God also used His servant to increase me by blessing me with a book. Thank you Jesus!

Sis Peculiar: 674 78 55 22

Hallelujah! I thank God for the month of "Speed and Increase". I was blessed by chapter five of the "Manna Feast", "Understanding The Dream World". It helped me to understand and to stand on my dream to the Glory of God!

Sis Beatrice: 680 57 66 71

Glory to God! I thank God for the month of "Speed and Increase". In this month, God increased my courage for evangelism. I thank God for He says the righteous shall be as bold as a lion. Thank you Lord!

Sis Emmanuella: 678 19 13 10

NDOP

Praise the Lord! Thank God for the "Manna Feast". During the outreach this month, I gave a copy to one of my neighbors. She used the hand in chapter 7 and prayed. She was healed of chest problem which was a demonic attack and molestation. This had been troubling her at night. Secondly, we implemented the prayer points of the "Manna Feast" in our Sunday school services since last month because of wrong behavior among the children. The results have been evident to the glory of God. Thank you Jesus!

Sis Mirabel:

YAOUNDE

Hallelujah! I thank God for chapter 4 of the "Manna Feast" "Discovering your Hidden Strength" in the month of "Speed and Increase". I have been having some challenges with my health, my community (Bambili) and the fon's palace. I want to thank God for His timely Word through His servant that gave me the insight into handling the challenges. May God continue to increase him spiritually and physically in Jesus name.

Pa Jonathan: 677 21 96 76

Praise the Lord! I thank God for the month of "Speed and Increase". This month, my wife put to birth a baby girl. When she was pregnant, doctors said she had double fibroids growing in her womb. I want to give God the glory for cancelling the doctor's report after prayers by papa and this month she had our baby to the glory of God. Thank you Lord!

Pastor Nelson: 675 98 28 75

LIMBE

Hallelujah! I bless the name of the Lord for the month of "Speed and Increase". I was following up some documents for an examination and when I went to submit the documents, they got missing. My mother called the General Overseer (G.O) and explained things to him. He prayed and said specifically that the documents will be seen immediately. After placing the "Manna Feast" of the month of "Speed and Increase" on the table where my documents were taken, they were brought back to me. I give God the Glory.

Sis Esther: 673 96 26 67

Praise the Lord! I worship God for chapter 5 of the "Manna Feast" of the month of "Speed and Increase",

enemy. After the teaching, I came to realise that I needed to recover my dream world if I must succeed in the physical. I thank God for using His servant to bless us.

Sis Rita: 653 76 85 69

Hallelujah! I bless the name of the Lord for chapters 2 and 5 of the "Manna Feast" of the month of "Speed and Increase"; "Dealing With Anti-Progress Syndrome" and "Understanding The Dream World" respectively. Chapter 2 made me to understand that when you forget to testify about what God has done for you, you incur an anti-progress syndrome. Chapter 5 brought the awareness that we must battle in the spirit in order to have breakthrough in the physical. To God be the Glory!

Bishop Erick: 673 60 17 70

Praise God! I was blessed by chapters 3, 4, and 5 of the "Manna Feast" especially chapter 5 which was treated on the day I had a revelation about the plan of the enemy against my son. My son abroad was involved in an accident on the 21st of May and on the 22nd of June. I went before the Lord to inquire the source of this battle. I dreamt about a helicopter bringing a corpse from abroad but the casket could not come out of the aircraft after it landed. It flew

pink. I got up from the dream with a song of worship. I was troubled. I got it in my spirit that the enemy meant it for evil but God turned it around for my good. The enemy wanted to surprise me with my son's corpse but because of God's grace upon my life, it was rejected. Miraculously, my son was vindicated. The particular phrase that blessed me in chapter 5 was this phrase "If we control our dream world, we shall do exploits." This brought a reawakening in me. Hallelujah!

Mama Elizabeth: 677 04 22 88

DOUALA

Glory to God! I praise God for the hand in the "Manna Feast". A piece of iron fell on my leg and it was swollen. I used the hand in the "Manna Feast" placed it on the leg and prayed on Sunday morning. By evening on Sunday, the swollen was gone and I returned to work. To God be the Glory!

Bro Bruno: 696 47 59 16

Hallelujah! Praise the Lord! The Lord has done it again. We celebrate the grace of God having taken us through the month of "Speed and Increase". We will remain thankful to the Holy Spirit who has been our Strength, Enabler, and Teacher at all times. We thank the Lord for the revelatory knowledge of His Person and the power of His unfading Word of life. Speed and Increase has evidentially ushered us into a platform of a new era, your season of "Overwhelming Glory". This has been the Lord's doing and it is marvelous in our sight. This means a force that would not be resisted or gain says by any contra spirit. This glory will perpetually put the enemy on his knees as you rise to shower the praises of the Lord to the ends of the earth.

In this season, stay humble and give all glory and worship to the Almighty God. Be focused and remain very determined to resist every effort of the enemy that may show up in any form. For the Glory of the Lord have been revealed and thank God you are part and parcel of this glorious move given for these glorious days. Once more, you are cautioned not to celebrate alone. Let this glory

world for the glory of God. This resurrection is raising an end time army that will shake the earth, shut down the advancement of hell and populate the kingdom of our God, in power, honour and glory. Beloved ones, as you stay stationed, arise and join the joyful throng (crowd) from on high. God bless you! You are no longer the same.

EMERGING IN GREATNESS

To emerge in greatness simply means moving into the scene to be known or to start to exist in greatness. So there are keys we need to understand if we must emerge in greatness as we move forward to looking into the chapter. Greatness is possessing the qualities of being great; that is, taking you beyond the limit and beyond average.

Ecclesiastes 3:1 "To everything there is a season, a time for every purpose under heaven:"

The emergence of greatness can be drawn from one discovering the purpose of time and the purpose of what has been created with time. It has to do with timing and purpose; that is, the purpose you want to actualize must be tied to the time or season (your purpose must carry a relevance that responds to the immediate need of the time or season. The scope of this purpose that emerges in greatness could only be measured by how far it can affect your world positively). So if its span is small, we can't term that great because for one to be great, it means you

the global world. One may never know how to use anything or person without discovering the purpose embedded in the things or persons. It should be very clear to everyone that the Almighty has never created anything common or useless. There is a designed purpose attached to every created thing, known and unknown.

Acts 10:14-15 "But Peter said, Not so, Lord! For I have never eaten anything common or unclean. And a voice spoke to him again the second time, what God has cleansed you must not call common."

The fact that you were created by God and in the image of God as humans take you out of the realm of common or being useless. You were mandated by God for greatness. The greatness that must emerge out of a person will not be possible by a mere claim. It can only be actualized by you discovering the purpose of God for your life. This is because if you fail to discover the purpose of God for your life, it will be difficult for you to know your timing and the location designed for your greatness. You may never know where to go for knowledge that will empower you unless you as a person have discovered purpose. A man or a woman who have not yet discovered his/her

discipline because you cannot answer to all disciplines in life. There is a particular discipline that will mould and make your person. For example; if your purpose is unveiled to you to be an architect, you should know you need to follow a course that will empower you to break forth as a civil engineer. If your purpose is made known to you as a medical personnel, you will pursue the lane to be empowered as a medical expert. If your purpose is unveiled to you as one who could be a custodian of the law of the people, you will follow the lane of a lawsuit. So it is in discovering purpose that you are challenged as an individual to meet up with a target. The sum total of your target or mission is what will sum up to be the vision for which you are living for.

In a nutshell, your greatness will emerge within the framework of the vision that is set before you to run with and to get it fully manifest in its highest point. Our sphere of values may differ depending on the amount of effort we put in at a given time. If you are not diligent in pursuing your vision, you should know you have a little weight of value but if you give in to hardwork, determination and discipline, you are that person that will showcase a great value in life. True value is not only what can be explained

bring vital changes in other people's lives. We should know that values are not claimed; they are worked out. If values are not claimed but worked out, we can conclude that true greatness is not imposed; true greatness is deserved depending on the worth it carries. The journey to emerge in greatness as earlier said is to:

- Discover purpose.
- Learn and understand the use of time and season.
- Get the vision and make it plain.
- Set goals and follow them up.

When the above points are in place, you will discover that no season of your life will be wasted because at any interval, you will have a task to answer to. That task will move you to get material or knowledge to get it done. In as much as the above mentioned points are there, it may not be enough because many may have these before them but one thing that guarantees a successful vision is proper counsel. To know that you are under the leading of proper counsel, you must be conversant with the fruits it produces. Great men of old and great men of today made it and are making it so well because of the counsel that guided their purpose.

Proverbs 20:18 "Plans are established by counsel; by

good counsel. Good counsel will enable you to emerge in greatness. But in the absence of purpose as earlier said, your destiny is in danger and license to crash.

Proverbs 29:18 "Where there is no revelation, the people cast off restraint; but happy is he who keeps the law."

One who is void of a vision is a waster of the provision of time. We are called to be occupied within the content of our vision. You need to endeavour to live within the time frame and margin of your vision if you must emerge in greatness. Every domain in life that others have lived to admire is because the individuals in those domains placed in their topmost best and it produced the excellent results that have brought admiration. What are the visions and goals put in place?

These are to play a role in solving problems and not creating problems. You are called great by the problem you solved not by the problem you created. So if you want to emerge in greatness, gather material to solve problems in your contemporary society. All those that were attributed greatness in scripture had one thing in common; they were called great by the problems they timely gave

those we celebrate today worked so hard to bring solutions in one way or the other to their dying world. What will make you different from your peers is by solving what they could not solve; going through what they could not go through and answering the questions of life they could not answer to.

There is a warrior who lived in the BCs by name Alexander who after conquering nations was given the title Alexander the Great. He brought deliverance to his nation and rendered security to his people. Socrates the great philosopher was a man to look upon in his days because through him, words of wisdom were given out that conducted his generation to have a right sense of living and many other legends that are celebrated today. With the words of Socrates, many dignitaries of his days could send their children to be trained under his tutorship. Child of God, don't allow your destiny to be destroyed by mere wishes. Rise up, discover your vision, and set goals to actualize them. As you do, greatness will not separate itself from you.

We worship Jesus forever more for the great problems He solved from the spiritual to the physical in the human

taking up the journey of greatness.

- You need to have the consciousness of being specific on the particular lane of your passion. When you are too diversified, you may end up at the road junction.
- Cultivate an attitude or a habit of living where your surrounding will be able to know you by your activities. The Apostle Paul before meeting Jesus was noted to be a tent maker and a Judaist follower under the camp of the Pharisee. Even when he was converted by the Lord on his way to Damascus, he was a man of specificity. The outside world could know him as Paul the follower of Jesus Christ or Paul the tent maker. So he was specific.

Get on your lane and have a mastery of it. Once you have a mastery of your lane, child of God, your greatness will speak out. Moses was a great prophet by the problem he solved. So too was David, Mordecai, Peter the Apostle and many others. Be a problem solver. You cannot also be a problem solver if you are not a value carrier and value cannot also be seen in you if you cannot work them out. Your world is waiting for you with the solution God enclosed in you to solve the crisis of your time. Look

in greatness. Stop procrastination, get involved and get to work. The God of all grace has kept all in stock for you to make it and make it well for the glory of His name.

PRAYERS

1- Oh Lord, empower me to lay hold on the lane my life was created for.
2- Lord, I receive grace for immediate start up.
3- Lord, help me never to stop till I reach my goal.
4- Thank you father for the answers in Jesus name.

THE FORCE AND POWER OF INTERCESSION

The act of intercession has to do with one who intercedes or mediates between parties or himself. An intercessor therefore must be at peace with his Maker who is there to grant his request and to do the things which only Him the Creator can do. So it calls for a living life, a living faith, a humble spirit that is fully committed in doing the Master's good pleasure. When we talk of the force and power of intercession, we are looking into the act where one is determined to stand in the gap to see an expected dream or result come to pass. That determination releases the result that follows the act of intercession. Intercession is a vital Christian exercise for everyone who wants to see the supernatural taking over the natural and bringing unprecedented results. God has always looked for a man who can stand in the gap between the heavens and the earth as a channel where the heaven can flow through him/her to affect the earth in the heavenly dimension. He is looking for a man to bring about the act of the heaven in full demonstration on earth. For that to happen, God needs a vessel in human form.

heavens are always and will always be in need of a human being. As earlier said, in our context, an intercessor is a mediator that mediates between two parties; the earthly and the heavenly, between man and God. He is the people's voice before the Almighty God and he is the voice of God before the people.

Ezekiel 22:30 "So I sought for a man among them who would make a wall, and stand in the gap before Me on behalf of the land, that I should not destroy it; but I found no one."

So God is looking for a man who can stand in the gap to plead the cause of the land. In the absence of intercessors, many things if not all will go wrong on earth. Most of the battles we have lost physically or those we have won physically gained their effects from the grounds of prayers. The call to determine results is spiritually worked out and the physical bring about the manifestation. A man who is able to conduct his spirit in the knowledge of the Lord and working by the Holy Spirit can be a vital tool for change in all seasons. The mapping of our lives and the manifestation of our being are all determined from the spiritual realm. As an intercessor, you get into God's

present day that have come to the knowledge of the mystery of prayers don't need anyone to encourage them to pray because they know the power that prayer releases. They know what the force of prayer can do. In my own opinion, prayer is the strongest force on earth.

When we look at what intercession can do, we will realize that all those who emerged into greatness got it on their knees before God. For Jacob to become Israel he got an encounter with the Angel and we are told Jacob wrestled. Intercessors are men and women that can wrestle in the place of prayers. They don't give up praying or interceding until the expected results are seen. When Jacob met the Angel in ***Genesis 32***, his request was to receive the blessing of the Lord. Difficult was the fight but he never gave up on the Angel until his request was granted. Intercessors are people of goodwill with a strong determination in meeting God for a change they are expecting to see. Let us look at Jacob's statement in

Genesis 32:25-28 "Now when He saw that He did not prevail against him, He touched the socket of his hip; and the socket of Jacob's hip was out of joint as He

me? So He said to him, what is your name? He said, Jacob. And He said, Your name shall no longer be called Jacob, but Israel; for you have struggled with God and with men, and have prevailed."

The force and power of intercession is that force and power that delivers results. Jacob was determined for a blessing and he never gave up until he got the blessing. This was the blessing that birth the Nation Israel. So without this wrestling, the Nation Israel that we know today wouldn't have been. I want to let you know that any outstanding result that will stand the test of time and will speak from generation to generation is the product that is birth from a travailing life pattern. You travail until you prevail and when such results are gotten, they will speak and speak again. Note that it was after this encounter that Jacob's life had a glorious tone and all his enemies turned back; instead of chasing him, they began blessing him. May you never allow any syndrome to disturb your prayer life; become a prayer warrior.

When we move forward from the aspect of Jacob, we also realize the event that took place with the Israelites during their period of Exodus from Egypt to the Promised Land. In ***Exodus 17:8-16,*** we are told of the battle between the

determined in the place of prayers. We are told that the Amalekites fought with Israel in a plain called Rephidim and Moses commanded Joshua to select men of war. When those men were selected, Joshua led the war that was fought with the Amalekites. But for Moses, he took his rod and climbed on the top of the hill where intercessory prayers were made. The Bible tells us that it came to pass that when Moses held up his hands, Israel prevailed and when he let down his hands, Amalek prevailed. So the victory of the war was not determined on the battle front but on the hill of intercession. The story continues by saying that Moses' hands were lifted up to the extent that the hands became heavy. Stones were placed under his hands and Aaron and Hur supported the hands on both sides so that the hands remained up steady to the going down of the sun. With the hands of Moses up, Joshua defeated the people of Amalek.

Prevailing prayers are those prayers that come out of the womb and heart of travail. Once you prevail on this platform of prayers, your victory is guaranteed. Note that the devil will do all he can to discourage you not to pray through; never give up. Pray and pray through. It was the force of intercession by Moses, Aaron and Hur that brought

arrest every demonic hold up, and make up of any kind. Daniel became a renowned figure because he understood the force and power of intercession. He prayed to understand the interpretation of the king's dream and that led to his elevation. He interceded and God revealed to him how the end of time will be. David interceded, Ezekiel interceded, and Jesus interceded and God heard them. Jesus brought back Peter to focus by the force of intercession when He told peter in ***Luke 22:31*** that Simon, Simon, the devil has purposed to sift you as wheat but I have prayed for you that your faith fails not ***Luke 22:32***. Peter was recovered by the force of prayers. There are many things that have gone wrong in our lives, families and nation that will only be recovered by the force and power of intercession.

In Gethsemane, Jesus interceded. He travailed in prayers and prevailed through prayers. Child of God, the needed change you have been waiting, get into travailing and prevailing prayers. Don't allow any force of darkness to entangle your prayer force. Pray until you become a prayer addict; for a man who prays is the man who can stand tall and say I have the substance of faith. Prayerlessness is an act that shows you lack faith for men of faith pray. Jesus

of a widow and a judge who neither feared man nor God. But the persistence of this widow could bring answers from a Judge who neither feared God nor man.

Those who wait upon the Lord will receive answers speedily for God has promised that the Lord shall avenge His own elect who cry day and night to Him. Arise! Pray! Don't relent; don't slow down until your heavens are opened. Receive grace to pray. God bless you!

PRAYERS

1- Oh Lord, teach me how to pray.
2- Oh Lord, empower me to pray through.
3- Father, grant to me my expected results in the name of Jesus.
4- Thank you Lord for the answers in Jesus name.

CHALLENGING THE UNCHALLENGED

In this chapter, we will be looking at situations that have stood with resistances irrespective of human efforts being put into place. Situations that have gathered a lot of facts for its existence and many tend to accept and live with them as a way of life. Even in their acceptance to live with them, they still feel uncomfortable, insecure and carried with a lot of worries within their lives. One could be tempted to ask; if one is found in the sphere of a situation that stands before the individual as a mountain, could that situation ever be surmounted or brought down or taken out of existence? Child of God, every uncomfortable situation in your being which have been resisting, adamant to all kinds of application of solutions; for every situation that creates discomfort in one's life, their answers may not be within your reach in your human capacity. But, the Good Lord is in possession of all keys to every door and all answers to every question. He has what it takes to bring what was standing to nothing. Our natural strength and efforts are full of limitations; but those limitations could be addressed when we bring in God's attention or when God gives us His attention.

is He who shall tread down our enemies.

Through God as the scripture have said, we shall do valiantly. In other words, God remains the only source to cure our limitations as humans. That is why we can't excel in life that much if we are not submissive to the ways and the will of God. There are things that your human ability can access; it could be riches, academic excellence, political positions and so on but I want to let you know that the blessings of God upon one's life are more than these things. This is because you could be in possession of riches, wealth; you can be famous but without security, without a shield of protection, and without a heart of rest and peace. For every situation, sickness or calamity that is resistible, you should turn your direction from natural search and tune your antennas towards the throne of God as the scripture says in

Luke 1:37 "For with God nothing will be impossible."

When we look at this statement; nothing means nothing both known and unknown, visible and invisible. God is still creating miracles and events through men that have never occurred since the creation of man right to this day. For

brought down by the finger of God. Pharaoh in the days of Moses stood like the emperor of the world because in centuries past, no earthly entity could challenge the authority of Egypt and that of pharaoh. That is why when Moses confronted him, pharaoh in his arrogance said; who is that God that should ask me to let Israel go out of bondage? Little did he know that God does not conquer with weapons of war but by His declared Word. The declared Word of God that met Moses on Mount Horeb was the Word that brought Egypt on her knees and delivered Israel out of bondage. It was the declared Word of God that challenged the unchallenged attitude that had existed within the dynasty of Egypt for above four hundred years. Child of God, you will bring down the insurmountable in the name of Jesus Christ. The declared Word of God concerning your life is the key and the weapon to bring down every giant that has been persisting on your highway. When we go through scriptures, we will realize that carnal weapons are limited but spiritual weapons through God are unlimited, ***2 Corinthians 10:4***.

That which was from the beginning has the capacity to challenge every stubborn situation that has kept men bound; and that which was from the beginning is God and His Word.

about to challenge the unchallenged?

- The first thing you need to know is to understand God's provision for your life.
- Secondly, you need to know the Authority and the Power of the Almighty God.
- Lastly, you need to know your position in God; get into that position, live in it and walk by it.

There are things the Lord exposes us to and they will only respond to us according to the knowledge we have in the things of God. When your knowledge about the things of God is shallow, you will also experience shallow results in the things of life but if you are rich in the Lord, you will experience supernatural results. You are not permitted by God to bow to any situation sponsored by the pit of hell. You need to stand on your feet as the redeemed of the Lord and declare to that demon and that situation, 'I AM NOT THE ONE YOU WILL MOLEST! I AM NOT THE ONE YOU WILL STOP! I AM NOT THE ONE YOU WILL KILL'! For it is written, the rod of the wicked shall not continually rest on the righteous.

Psalm 125:3 "For the scepter of wickedness shall not rest on the land allotted to the righteous, lest the

Word until it is made flesh or it is made manifest in your life. When Goliath the captain of the army of the Philistine that was hired stood before the Israelites with noise, he appeared like a figure that could not be challenged. The weapon of war brought by Saul and the Israelites; their shields, javelins, swords and all other ammunition that were brought were all limited. But forty days later, a young man in the person of David came to the battle ground not with the weapons of war that were brought earlier by the elders but he came in the volume of the Word of God. It was this Word that challenged Goliath and brought the Philistines on their knees. So to challenge the unchallenged, we must learn to declare and act upon the Word of God with faith. No power on earth or in heaven can challenge God's Word. His Word is the final authority above all things. That is why the Word keeps doing great and new things every day. Goliath of Gath was brought down by the Word of God being declared by David.

1 Samuel 17:43-47 "So the Philistine said to David, am I a dog, that you come to me with sticks? And the Philistine said to David, come to me, and I will give your flesh to the birds of the air and the beasts of the field! Then David said to the Philistine, you come to me with a

armies of Israel, whom you have defied. This day the Lord will deliver you into my hand, and I will strike you and take your head from you. And this day I will give the carcasses of the camp of the Philistines to the birds of the air and the wild beasts of the earth, that all the earth may know that there is a God in Israel. Then all this assembly shall know that the Lord does not save with sword and spear; for the battle is the Lord's, and He will give you into our hands."

When we look at the action of David the servant of God in this scene, he came with faith in God. He thought and acted positively. He believed in the victory before it was made manifest. A man of faith does not see before he believes, a man of faith believes before he sees. So to challenge the unchallenged, faith is the topmost virtue that you must access in order for God to honour your action. If our action goes without faith, God may not back us up. Our actions must be embodied with the faith force. So arise this day, declare the Word of God, act upon it and you will see every Goliath killed, every Delilah destroyed and every Herod destroyed. You will see all mountains surmountable.

Zerubbabel you shall become a plain! And he shall bring forth the capstone with shouts of Grace, grace to it!"

Let your faith be quickened and activated. Let it be backed with your actions to break the yoke of poverty, the power of sin and the devil, the yoke of barrenness and shame, and the yoke of stagnation and rejection. As you do, God is taking you from nobody to a great figure of your time. Get empowered! Arise in faith and act upon the Word of God. The heavens are there to see you through and to get you established. Be Graced!

PRAYERS

1- Father, thank you for the living Word of life.
2- Oh Lord, endow me with a living faith.
3- Father, let all satanic gang up against my faith catch fire and die.
4- I command all mountains and obstacles on my highway to disappear by fire in the name of Jesus.
5- Thank you dear Lord for the answers in Jesus name.

A BETTER YOU IN THE MAKING

Romans 8:28 "And we know that all things work together for good to those who love God, to those who are the called according to His purpose."

Everyone that God identifies with or every individual who identifies with God is on a process to behold a better him/her. This is not in respect to how tough or smooth, deep or high the way may be. The purpose of God embedded in you is not defined by the circumstances that surround you. It is defined by the in-depth love of God for you. There is a call to this awareness that the might of God can only be realized, esteemed, and exalted when those called by God reach the apex of their struggle or the apex of their journey. When life seems like everything is falling apart, when life seems to face its darkest moments, when life seems like all is gone (destroyed), that is when God's might is seen in the life of God's children. That is why the above scripture says all things; I mean all things are working for your good. Is it a painful process, is it pleasurable? Child of God, whatever you are going through today; it may be rejection, persecution, names calling, sickness, lack, delay,

as God's process to bring out a better you. God at all times thinks of you better than you think.

When we look at the scriptures, from the Old Testament to the New Testament, from one actor of faith to another, from one worshipper of faith to another, we will be able to come out with the conclusion that physically, it didn't appear as it was. They were exposed to situations that were not suitable for human life but the agenda of God was found in those situations. The situations led to producing a better them and put to birth an overwhelming glory that overshadowed them. All the challenges you have been into that have made you to walk with your head down, not because of the sin you committed but for the life you have well lived for God, I want to assure you the announcement of the better you is at the door. I want to let you know, you are just a few minutes to your midnight. Midnight in scriptures can be noted as the time where God draws the curtain and brings down judgement in favour of His children. As we move to scriptures, we will realize that most judgments were done at midnight by God.

In ***Exodus 12:29***, before this time, the Israelites had been under the task master but when the plague began, there

that Pharaoh signed a decree for all Israelites to leave Egypt. Midnight cries are not for the children of God but for the enemy and his host. In this season, you will hear a midnight cry in the camp of the enemy and you will celebrate in overwhelming glory. In ***Judges 16:3***, it was at midnight that Samson pulled off the gates of the Philistines. The pulling of the gates was a sign of breaking the stronghold of the philistines. I don't know the strongholds that have been persisting in your life; God will pull down that stronghold and the better you will come alive. In ***Ruth 3:8***, it was at midnight that Boaz got a sensational feeling about Ruth that finally ended her as a wife to Boaz who happened to be the great grandparents of David the king of Israel. Child of God, the midnight is close for a better you to show forth. We are also told in ***1 Kings 3:20***, during the reign of Solomon the king of Israel that it was at midnight that a living child was exchanged for a dead child. When it was day dawn, the living child was given back to its mother. The midnight is a time when the battle look fierce but no matter the fierceness of the battle, the eyes of God is upon you to empower and bring forth what the Lord is bound to do about you as your life is concerned.

came at midnight. They that were ready were qualified and they that were not ready were disqualified. The midnight is a time to separate the wheat from the chaff, the just from the unjust. Your midnight will produce the glorious you. In ***Acts 16:25***, it was at midnight that Paul and Silas prayed and sang praises to God and the prisoners heard them. At midnight, the gates were broken, the midnight praises led to their release, promotion, glory and honour. The keeper of the prison who had pushed them into prison came after the midnight calling them sir and asking them to show him the way of salvation. Child of God, know this and know it well that God's highway and power is made known in the storm. The Covenant of God over your life is stronger than any storm you may face today or tomorrow. The storm you are going through is carrying a message and a signal that a better you is in the making.

Our lord and Saviour Jesus went through storms of life and the Bible tells us in ***Isaiah 53:11*** that after the travail of His soul, He was satisfied and through Him many were justified. All the torture and rejection the Lord went through, was a process to release the glorious Christ we worship today as the King of kings, the Lord of lords, the Alpha, the Omega, the Bright and Morning Star. Without

know that in the course of your journey as a pilgrim, the Lord will not allow the wicked to triumph over you.

Nahum 1:3 "The Lord is slow to anger, and great in power, and will not at all acquit the wicked. The Lord has His way in the whirlwind and in the storm, and the clouds are the dust of His feet."

One thing we should know here is that at the verge of our breakthrough, hell will always break loose of all satanic agents to do all to destroy our labour. One thing you need to do at such moments is to be still and behold the salvation of the Lord ***Psalm 46:10***. We will obviously have different lanes of pressure released from the pit of hell. But no matter the degree of that pressure, we are commanded by God and His Word not to bow or succumb to them. Joseph did not bow to Potiphar's wife's pressure but he kept the integrity of his person. Daniel, Shedrach, Meshach and Abednego did not bow to Nebuchadnezzar's pressure. They kept their integrity as children of the Most High and God showed up for them. Child of God, keep your integrity in place and you will stand tall for the glory of God. The Lord knew that the Israelites were to face a lot of challenges but He told them not to bow to the challenges.

Promised Land. Child of God, no matter the difficulties, challenges, persecution you may be going through, the Lord says you should not bow to them.

Exodus 23:24-25 "You shall not bow down to their gods, nor serve them, nor do according to their works; but you shall utterly overthrow them and completely break down their sacred pillars. So you shall serve the Lord your God, and He will bless your bread and your water. And I will take sickness away from the midst of you."

As we look at the above scriptures, we are commanded by the Lord not to bow to any situations but let every situation bow to us. As Shedrach, Meshach and Abednego did not bow to Nebuchadnezzar but Nebuchadnezzar and his men bowed to their God; you will not bow to death, sickness, poverty and so on; they will all bow to you because faithful is God who has called you and He will not fail you. Emerge in greatness, emerge in glory. The Lord renews you as you face each day in glory. God bless you!

1- Father, thank you for the glorious plans you have bestowed on me.
2- Oh Lord, I commit my life into your Hands; see me through.
3- Father, I pray that no power of hell will abort the better me in the making.
4- Oh Lord, cause the better me to be fully made manifest for your glory.
5- Thank you Lord for the answers in Jesus Mighty name.

THE HOPE OF YOUR GLORY

Colossians 1:27 "To them God willed to make known what are the riches of the glory of this mystery among the Gentiles: which is Christ in you, the hope of glory."

The stability and future of the believer is not found in the created things. They are not found in the creatures. Your hope in life, the prosperity of your soul and entire being is in God our Lord and Maker.

Colossians 1:16-17 "For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him. And He is before all things, and in Him all things consist."

Those that are separated from the worship of the Lord tend to make their stance in the things they see and things that are in their possession. These will never render any guarantee for their future; just like great Empires and people that were famous; today they are no more. Some

Nebuchadnezzar and the Great Babylon, and the Roman Empire just to name a few. Even after these, other Empires rose in the ADs like the British Empire which was the largest the world have ever seen. The Mongol Empire that covered a population of over 110million between 1270 - 1309AD, today they are no more. The Russian Empire that lasted over 200years, highly populated, occupied alone more than 9% of the world's population in its time was brought down during the First World War. The Spanish Empire also stood like a global empire in its days but today it is no more. All those who put their trust in these things shall perish with their expectations but those that stand with God will go through for their strength lies in the invisible that is eternal and powerful. That is why believers are not just hopeful; they have a glorious hope with certainty. The expectancy of a child of God is not just good; it is glorious. God's intention and plan for your life is not just to bring the good things every human being anticipate to see, He is bringing the good things that will bring praise and honour to your life and will make you famous. In a nutshell, when all is said and done, we bow down our knees to give glory to God.

The hope of your glory as a child of God is in Christ Jesus

forever. Therefore, child of God, you need to make your boasting in the Lord for the certainty of your future is guaranteed not by man but by the Creator of the ends of the earth. So mount up with the complex of a prince and princess. The source of your hope of glory should not be in yourself or in material things; it should be in Christ Jesus. That is why Apostle Paul writing to the Colossians said the hope of glory kept for them was not in any other person or thing but in Christ Jesus. This is to help you take a solid stand for your God immovable and unshakeable; for they that have put their trust in the Lord, the Bible says they are like Mount Zion that cannot be moved ***Psalm 125:1-2.***

My dear brethren, you should pause and ask yourselves these questions; in what is your glory? In who is your glory? If you are able to rightly answer to these questions, then I want to let you know your future is glorious. For where you place your hope, that is where your heart will be. What do you trust in? Do you trust in your position? Know the position will not last because the position you are occupying today out of God's will at the expense of your salvation; thousands, if not millions have occupied the same position and they are no longer there today. What

recognition? All these are mere shadows that are passing. But those that are born of God, where their hope is and in whom they have placed their hope which is Jesus Christ will never diminish and will never fail them. The Godlife given to them, no man can take it from them just like Jesus declared to Martha in His days on earth that Mary has chosen the path that leads to eternal life. Choose the path of life; eternal life, which no man can take from you. You can lose everything but don't lose eternal life. Those with this life will live to reign with Him. That is why the book of Psalm says anyone that places his mind on chariots, military strength, and economic strength will one day be brought down.

Psalm 20:7-8 "Some trust in chariots, and some in horses; but we will remember the name of the Lord our God. They have bowed down and fallen; but we have risen and stand upright."

If you trust in the mundane things of the world and make your boastings in them, or you are a child of God serving God and looking at those in the world who are not serving God in admiration, know that all these things will one day fade away. But those that are grounded in the faith shall

that are grounded in the Lord shall abide forever.

Proverbs 23:5 "Will you set your eyes on that which is not? For riches certainly make themselves wings; they fly away like an eagle toward heaven."

Everyone that is planted in God is rich in all good things. Make Jesus the Son of the Living God the Master Pillar of your life at all times irrespective of the situations that you are facing or you may be going through. Everyone who has made the Lord his portion will not serve any other thing than the Almighty God; for the Lord is your portion and your everlasting hope.

Psalm 16:5 "O Lord, You are the portion of my inheritance and my cup; You maintain my lot."

The expectations of those who have made the Lord their portion for life shall never be cut short. They will rejoice and celebrate on the last day. Let nothing become a god or take the place of God in your life. The Word of God says Christ in you the hope of glory. Let Christ be rooted in you, let His will be established in you, let your life be formed in His pattern, don't allow the errors of others to

righteousness and the effect of righteousness shall be peace and the lifting of your soul. That is why the Psalmist says you are my portion. Everyone anticipating for a glorious hope must make the Lord his/her portion at all times. They should rejoice and be grateful for having the privilege to be among the saved of the earth.

Psalm 119:57 "You are my portion, O Lord; I have said that I would keep Your Words."

So everyone that has made the Lord his portion will abide by His Word and precepts for the Lord says if you love Me, keep My Commandments. You cannot declare the Lord is your portion and at the same time you are breaking His Commandments. There is an effect of anyone that obeys the Word. If the Word governs you, you will be rooted in the house of God and your fruitfulness will know no boundaries. Your life will excel and blossom. This is not just to excite you, this is the ancient Word of God that has been given to mankind to build up and sustain a future of honour, grace and glory. As you take commitment in obeying the Lord today and making Him your Lord at all times, He is also committed to tell you "I am your God and you are My people". That is to say, He is in charge and not the situation that is roaming or loitering around you.

Leviticus 20:7 "Consecrate yourselves therefore, and

control over all that which concerns you. No weapon of darkness shall prevail over you for He has declared I am the Lord, I change not. Jesus Christ the same yesterday, today and forever; for He is your hope and not any created thing. Stay faithful and earnestly contend for the faith that was delivered to you. God bless you!

PRAYERS

1- Oh Lord Jesus, thank you.

2- Father, come into my life and take your rightful position.

3- Father reign in my life.

4- Father, you are my hope and glory. Receive all the glory for making me your own in Jesus name.

MANDATED FOR VICTORY

The authority and the authenticity of a word can be well received when the recipients know where such word is coming from (In other words finding out who is speaking). Mandated for victory is not just an imagination; it is a license that God has granted to those who are called by His name. As the scripture rightly declares, the authority of God surpasses every other authority. That is why ***Isaiah 46:10*** declares that He the sovereign God declares the end from the beginning and from the ancient times things that are not yet done; and His counsel shall stand. So everything that proceeds out of the mouth of the Lord is what is and what shall be.

Isaiah 46:10 "Declaring the end from the beginning, and from ancient times things that are not yet done, saying, My counsel shall stand, and I will do all My pleasure,"

The declared counsel of God over your life as a son/ daughter is what will stand and not what you think, not even what the devil thinks. What has the counsel of the Word

world. The victory of this overcoming mandate is anchored to our faith in the Lord and His written Word.

1 John 5:4-5 "For whatever is born of God overcomes the world. And this is the victory that has overcome the world – our faith."

For every conflict or confrontation that may meet you, carry a signal that the good seed created by God in your life is still alive. The fact that the enemy still fights and is confronting you indicates that the good thing in your life is still alive. The enemy does not spend time fighting what has already been destroyed or killed. The numerous attacks and confrontations over your life are indications that your values are still alive.

Being mandated for victory does not mean you will live a hitch free life on earth without battles. It simply means before the battle showed up, God who mandated you a victor from the beginning has already won the battle. There can't be victory without a fight. Every fight of your life is an indication that values are in place. No right thinking person fights aimlessly. As a matter of fact, battles are fought on grounds that harbor values. The confrontation

time you are faced with travail, let your faith be up and speak to yourself, another level of my announcement has just appeared. That is why the scripture says weeping may endure for a night but joy comes in the morning. By the reason of your sonship in the Lord, you are already mandated to win all battles in life. Reject any pressure from hell that will make you feel like you will lose any battle. Your victory precedes your battle and not the other way round. What makes your victory to precede your battle is your faith. The Bible tells us in the book of Isaiah where the Lord was talking about Zion the city of the Lord. He declares, before Zion travailed, she brought forth; before her pain came, she was delivered of her man child.

Isaiah 66:7 "Before she was in labour, she gave birth; before her pain came, she delivered a male child."

Your victory goes before your fight as one born of God. David saw his victory before ever confronting and killing Goliath. With the heart of faith and with your mouth declaring the Word of God, your victory precedes the fight and not the fight preceding the victory as earlier said. This is how you are called to upgrade as one born of God and mandated for victory. You need to see yourself succeeding

to see yourself conquering before you can become a conqueror. The DNA of God that never loses any battle runs through your bloodstream. Christ conquered the grave and death before ever facing the cross and the grave. He declared His victory before ever engaging in the process. That is why He declared to the disciples before ever getting into Gethsemane that they should be of good cheer because He had overcome the world. This was before He was ever arrested, crucified and buried. He declared the victory before the process. Look at that mountain and that challenge standing before you, declare your victory as one born of God who declares the end from the beginning; I have overcome! I am an overcomer! I am mandated for victory. When you engage your process to be announced and crowned, it is true that before the process of your announcement, you may appear weak but there is the God seed in you that forbids failure.

John 16:33 "These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."

When we look at how God works with His children and

told him He was sending him to the nations. Jeremiah told Him Lord I am too young. When the Lord called Moses, He told him He was sending him to Pharaoh but Moses said Father I am not eloquent. Irrespective of their shortcomings, the mandated victory ordained by God to be manifested through them was never annulled. At the end of the day, Jeremiah made it and made it through. God declared the end of His work in his life before Jeremiah ever realized who he was. He was mandated for victory. The same thing happened to Moses and the children of Israel. Your victory was mandated and given to you by God before your conception. At the end of the day, Jeremiah stood before the nation of Israel and only the counsel of God as recorded in Isaiah stood. Only the counsel of God stood with Moses in Egypt as they journeyed through the Red Sea and the wilderness to Canaan as the Word of God gives this conclusion.

Romans 8:29-30 "For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn among many brethren. Moreover whom He predestined, these He also called; whom He called, these He also justified; and whom He justified, these He also glorified."

in the image of His Son. He has given us the power to triumph and to win that even as Christ won, He has made us winners with Him. Rise in faith and declare these words over your life; I was created and mandated for victory. God bless you!
