WATCHWORD:

PSALM 27:4 "ONE THING I HAVE DESIRED OF THE LORD, THAT WILL I SEEK; THAT I MAY DWELL IN THE HOUSE OF THE LORD ALL THE DAYS OF MY LIFE, TO BEHOLD THE BEAUTY OF THE LORD, AND TO ENQUIRE IN HIS TEMPLE"

BALI

Hallelujah! I want to thank God for healing my daughter. She had been a sickle cell (SS) patient. Each time we went to the hospital, she took so many infusions. When the servant of God prayed for her, he said we should go back for the test. After doing the test, the result was (AA). To God be the glory!

Sis Becky: 672 447 952

Praise the Lord! I want to thank God for His healing mercy over my life through His servant. I have been suffering from spirit husband for 35years now. When he prayed for me, I was delivered and now I am free. Secondly, I want to thank God His mercies. I was booked for operation for the third time but after the servant of God prayed for me, I went back to the hospital and the operation was cancelled. To God be the glory!

Mama Regina:

Praise God! I want to thank God for His love and mercy over my life. I was not feeling fine, I managed to go to church and the servant of God prayed for me. I started bleeding through my nose and also vomiting clumps of blood. After a while, I was fine, the blood stopped flowing. I thank God for using His servant to heal me.

Sis Edith: 677 33 40 88

but after praying with the hand in the "Manna Feast", I was fine. Thank You Jesus!

Sis Jessica: 679 24 90 30

Praise the Lord! I want to thank God for healing my child through the banner. He was sick and after using the banner to pray for him, I tied it on him and now he is fine. Hallelujah!

Bro Buma: 676 89 15 24

YAOUNDE

Praise the Lord! I want to thank God for the month of Greater Exploits. I did a job for the National Institute of Statistics last December. Because of the high rate of payment since it was sponsored by Americans, they were jealous and refused to pay the rest of our money. So I laid my hand on the hand in the "Manna Feast" and prayed that "Father for my sake, let the people pay our money." Weeks later, I heard that one of the workers took the case to court and a state council officer took it personal. For that reason, we were called to come and sign with immediate effect for the prosecution process to stop. We did and payment was made as soon as possible. This is what only Jehovah can do. Thank you Jesus!

Bro Christian: 677 29 86 24

Praise the Lord! I usually experience my period once every month. This month of May, it came twice which was strange to me. When I placed the Covenant banner on my stomach and prayed, it stopped. To God be all the glory.

Ma Bonekeh: 677 45 41 50

DOUALA

Hallelujah! To the God of this commission. I was so blessed by chapter 5 of the "Manna Feast", "Patience Application". For some time now, I had been wondering about what God spoke concerning my life. But when I read this chapter, it made me to understand that I should apply patience for everything God has spoken will surely come to pass. Glory be to God!

Ma Immaculate: 673 44 20 40

Hallelujah! You are welcome into the month of survey and celebrating the goodness of our God. It will take a moment in knowing your person in Christ Jesus on the high positions that the Almighty God has placed you. This is your month to count your blessings, number them and it will surprise you what the Lord has been doing. As one slogan goes; "One good turn deserves another", as you celebrate God this month, it will birth another celebration. Do not by any means be carried away by distractions but show gratitude to God in all that He has inscripted and made manifest in your life. Don't allow your heart to be carried by deception. Focus on God's goodness and His loving kindness. Let this anthem sound within you "The Lord is good and His mercy endureth forever". Speak and speak to yourself; the Lord has been good to me. Let it resound to the ears of every onlooker and the devil that the Lord has been good to you. God bless you as you enter this month in total praise, worship and thanksgiving. Tell the world of God's goodness in your life, family, nation and the world atlarge. Arise, behold and celebrate. God bless you in Jesus name.

FEARFULLY AND WONDERFULLY MADE

When we look at the act of God in our lives, it will draw our attention to the knowledge of ourselves in the perspective in which we were created. Looking at the above caption, we are the express image of God. This is to enable you as an individual to know the scope and strength of your ability. One needs to ask and get answers to the following questions;

- What does it mean to be an express image of God?
- What does it take for one to be an express image of God?
- What does it take for one to live as an express image of God?

The above three questions have answers which are as follows:

- To be an express image of God is the ability for one to live and express him/herself in the actual purpose of God.
- You can become a member of a kingdom or a

God for you to live as an express image of God. Therefore, you are a good citizen when you abide to the laws and norms of a said kingdom or nation.

God has entitled possibilities in His own side as God and also in the lives of His children as we can see from ***Luke 1:37*** and ***Mark 9:23***.

Luke 1:37 "For with God, nothing would be impossible"

Mark 9:23 "Jesus said to him, if you can believe, all things are possible to him who believes."

One may wonder why this great prescription of happenings in our lives as God's children? All things are possible with God and all things are also possible to every son/daughter of God who carries the seed of the Word in the person of the Almighty God. When you carry the seed of His Word, it will put within you the character of His person. The psalmist says the possibility by your faith will become very evident and relevant because you have been described as gods.

Psalm 82:6 "I said, you are gods, and all of you are children of the Most High."

because the express image of His person dwells in you as His son and as His daughter. This act is made possible by the purging away of our sins and clothing us with the righteousness that is His.

Hebrew 1:3 "Who being the brightness of His glory, and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down at the right hand of the Majesty on high."(KJV)

From the spiritual to the physical world, we can confirm this scripture when we look into our day to day activities. As God is the Creator, His DNA runs through us and we can see His ability in the humans He created. That is why in our world, new inventions keep emerging. That is the wonderful aspect that God invented in your DNA as a human. Being born of God, we are the express image of His person. This image goes along with His brightness and glory to uphold us in an unprecedented honour anchored by His Word. Let us see what the scripture tells us in

Genesis 1:27 "So God created man in His own image; in the image of God He created him; male

connote the Person of God. The Bible says in His image, He created them male and female. As a child of God, be conscious of the fact that God's ability indwells you. The ability of God in you is to make things happen. So when you are stocked in a place, let the consciousness be in you that greatness is enclosed within you that can make things happen with the act of faith. It can be made manifest by what you think and also on the way you act. It is by these three steps that you can make history. For everyone born of God, there is an enclosed greatness in him/her. So discover it, stay alive with it and make it work out. It was on this basis that when the psalmist had gone through all what he went through in life, he made this conclusion in

Psalm 139:14 "I will praise you, for I am fearfully and wonderfully made; marvelous are your works, and that my soul knows very well."

As children of God, we need to be in line and walk with this consciousness:

- We need to possess the attitude of praise and thanksgiving to the Almighty God.

- We need to know we are wonderfully made.

These four points have to play a role in our lives for it will produce praises and a thankful life to the Lord. You will not be able to manifest this if you fail to acknowledge your person from God. That is why the knowledge of the Word of God is a license to your greatness. It also enables you exploit all of God's resources made available for you. As a child of God, you have the fearful side of your life given by God and it has it role. It is this fearful side that enables you to subdue your enemies and take over kingdoms. This was the force of invasion that the Israelites left Egypt with and Balaak the king of Moab was threatened as we see in

Numbers 22:3 "And Moab was exceedingly afraid of the people because they were many, and Moab was sick with dread because of the children of Israel."

So, for you to takeover and possess your inheritance, the fearful aspect of your life has to come alive.

Another aspect we have as God's children is that we are wonderfully made. This makes us to have

perpetually live in favour and promotion. It was this outlook in the lives of the patriarch that kept them on top because there was always a glory that made them different from commoners. In other words you are beautiful, handsome, you are a delight, a sort out, you carry the flavour and the scent of the Rose of Sharon, and you look so smooth and appealing like the lily of the field. This ability makes you seasonal, tasteful, graceful, and always appealing. Get grounded as you form your person in the dimension you were created.

PRAYERS

1- Father, thank you for making me who I am.

2- Lord, enable me to focus on you and the person of my creation.

3- Lord, empower me to show forth your praise by the works of my life.

4- Oh Lord, keep me alive with the truth of the Word.

5- Thank you father for the answers.

LET'S PRAISE HIM

Psalm 150:6 "Let everything that has breath praise the Lord, praise the Lord!"

Giving praises to God is a command to all living creatures. It is an act of gratitude for the creatures to show their praises to the Almighty God in works and deeds. This is an act of worship, honour, adoration and exaltation to the Almighty God. In as much as all the living are commanded to praise Him, sons/daughters of God or all humans are expected to worship God from the hearts of their spirit in righteousness and truth. Such praises will commit God to inhabit His people or to dwell in their habitation. There are three aspects for which praises should proceed out of the heart of a true worshipper:

- The worshipper should praise God for who God is.

Psalm 113:2&4 "Blessed be the name of the Lord from this time forth and forevermore! Verse 4 The Lord is high above all nations, His glory above the heavens."

God, the person of His Person, we have to exalt, praise and worship Him for who He is.

- The second aspect for which the worshipper has to praise God is praising God for His Act, His wonders, His miraculous signs, His goodness, and for the things He is doing. We are commanded in the same psalm to declare His act.

Psalm 113:6 &8 "Who humbles Himself to behold the things that are in the heavens and in the earth? Verse 8 That He may seat him with princes – with the princes of His people."

We praise God for His act and that is why when we look at where He took us, being made from the dust of the earth, it calls for praises to His name. Looking at all that was created and that God made no other thing in His image than man, it calls for our praises. When we look at the benefits that God has entrusted in man, it calls for praises. That is why the psalmist commands; forget not the benefits of the Lord.

Psalm 103:2 "Bless the Lord, O my soul, and forget not all His benefits:"

supersede human praises. It is to the disadvantage of the humans. When the Lord Jesus was on earth in His last days, while entering Jerusalem, the women and children were shouting words of praises and adoration to Him. Some religious leaders in His days stood afar off in envy and told Him to command them not to render the praises to Him. With a short sentence, Jesus responded to them that; if the women and children would fail to praise, the stones will cry out in praises. No matter what you are going through as a child of God or as a human, never allow the praises of God to cease out of your mouth. You are not to praise God on the basis of your convenience but you have to praise God as a command in order to provoke your blessings and lifting from Him.

Luke 19:37-40 "Then, as He was now drawing near the descent of the Mount of Olives, the whole multitude of the disciples began to rejoice and praise God with a loud voice for all the mighty works they had seen, saying: blessed is the King who comes in the name of the Lord! Peace in heaven and glory in the highest! And some of the Pharisees called to Him from the crowd,

keep silent, the stones would immediately cry out."

As a child of God, never you allow stones to take your place before the Almighty God on the grounds of praises. Be a child of praise and live a life of praise to God. It is a command. In everything let's thank God. Thanking, praising, worshipping and serving God is unconditional. If you do these you will see good days. When we look at the works of God, the creatures, the display of His power, it settles us in praising always with all our hearts, bodies and souls.

- The third point is to praise God for His thoughts and plans for our lives for the future. We thank Him for the finished works He did for us from the very beginning of creation. We worship Him for the kingdom He has prepared for us. We praise Him for writing our names in the Lamb's Book of Life. For He alone is our God, Father, Saviour, Redeemer, Restorer, Healer, and Deliverer. He is our All in All. All the works of God are to praise Him and our mouth should never cease to testify of His goodness, mercy

intervention that will speak on the behalf of God's children that praise God at all times. At all seasons, we should show forth our lives as living praises to the Almighty God. When we become instruments of praise, we commit God to take vengeance against our oppressors and our enemies like it was with the children of Israel when they confronted Jericho.

Psalm 149: 5-9 " . . . verse 7&8 To execute vengeance on the nations, and punishments on the peoples; to bind their kings with chains, and their nobles with fetters of iron; . . ."

So it was also with Jehoshaphat and the children of Judah; they praised God and He fought their battles. When we praise God, it becomes health to our bodies. When we praise God, we command our increase to blossom. We commit also God's blessings to abide with us.

Psalm 67:5-6 "Let the peoples praise You, O God; let all the peoples praise you. Then the earth shall yield her increase; God, our own God, shall bless us."

praise God and to praise God with understanding. The above exposé is to make us have an understanding in praising God as commanded in

Psalm 47:7 "For God is the King of all the earth; sing praises with understanding."

When you praise God with understanding, you will commit yourself to praise Him with all your mind, soul and all that is within you. By so doing, you will see praises as an opportunity given to you by the Lord. David is called the sweet psalmist because He praised God with understanding. All the generation that praised God with understanding, were accompanied by the act and wonders of God even as they praised. It happened to the children of Israel in the wilderness after they crossed the Red Sea, Joshua and the children of Israel in Jericho, with Jehoshaphat when the enemy came against him, with Paul and Silas in prison, just to name a few. Child of God, arise and praise God with understanding. We are the works of His Hands and we are commanded in

Psalm 145:10 "All Your works shall praise You, O Lord, and Your saints shall bless You."

the praises of the Lord should continually be in our mouths.

Psalms 145:21 "My mouth shall speak the praise of the Lord, and all flesh shall bless His holy name forever and ever."

Take a survey of His goodness over your life, over the family, in the church and over the land. Render unto God a ceaseless praise of gratification. God bless you as you arise to praise God in a more honorable, appreciable with high level of exaltation and adoration from your spirit man.

PRAYERS

1- Oh Lord, thank You for reaching out to me with the Word.

2- Oh Lord, make me an instrument of praise in your house.

3- Lord, grace me to praise you with understanding.

4- Lord let all that is within me praise you in Jesus name.

GET RID OF THESE FOXES

As children of God, we should know that before we ever met God, we had a past. The way we deal with our past will enable us never to be a prey to the enemy in any aspect of our past. If there was anything that ever separated us from God and gave the devil an advantage over our lives, it was sin. The little foxes in our chapter have to do with those cumbersome characters that tend to give the enemy hope in our lives. The writer to the Hebrews had to inform the Hebrew Christians about this aspect of indiscipline and indecent acts.

Hebrews 12:1-2 "Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God."

or enslave us into the prison of the devil. Having identified them, we are commanded by God not just to pray them out but to confess them in order to have a cleansing, a separation from them and a mind void of offense towards God and towards men.

1 John 1:7-9 "But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin. If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness."

Many have been ensnared and imprisoned by the little foxes of besetting sin because of lack of knowledge and they don't know how to go out of them. For this reason, the Lord has given us laid down principles on how to live a victorious life over the sins that have so entangled us. We may have different grounds of these besetting sins. The name of your own may be different from my own. The question we should ask is who am I if I can't deliver myself from these sins? The Bible says when a person is overtaken by sin; he should call the elders of the church.

the sick, and the Lord will raise him up. And if he has committed sins, he will be forgiven. Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much."

Elders are spiritual authorities placed in the local churches to watch the flock for the wellbeing of their soul. These are not just title holders but elders with fruits of righteousness and the Bible gives us the qualities of such people in

1 Timothy 3:1-10 "This is a faithful saying: if a man desires the position of a bishop, he desires a good work. A bishop then must be blameless, the husband of one wife, temperate, sober-minded, of good behavior, hospitable, able to teach; not given to wine, not violent, not greedy for money, but gentle, not quarrelsome, not covetous; one who rules his own house well, having his children in submission with all reverence (for if a man does not know how to rule his own house, how will he take care of the church of God?); not a novice, lest being puffed up with pride he fall into the same condemnation as

must be reverent, not double-tongued, not given to much wine, not greedy for money, holding the mystery of the faith with a pure conscience. But let these also first be tested; then let them serve as deacons, being found blameless."

The leaders with the above mentioned qualities are those that should stand in the gap for you to be separated from besetting sin. You are expected to confess to such caliber of people for it will be wrong for you to take your sins and confess to another sinner. That will just be an act of sharing ideas to play the game of sin. There is power in confession. Confession is one of the strongest form of deliverance when it comes to sin. When John was baptizing in river Jordan, those that were baptized confessed their sins. When a sinner covers his sins, he provokes God's judgement but when the sinner confesses his/her sins, the mercy of God prevails and righteousness takes the lead over the individual's life.

Proverbs 28:13 "He who covers his sins will not prosper, but whoever confesses and forsakes them will have mercy."

watchfulness in order not to be ensnared by the devil again. One of the things people should know in life is to understand the temperaments that they were born with. All of us have different temperaments and these temperaments have their weaknesses and their strengths. If we can yield ourselves to the Holy Ghost and the Word, those weaknesses that would have given an advantage to the enemy would be polished by the Holy Ghost to our own advantage. Our temperament is what will birth our characters and our characters will determine what our destinies will look like. Character problems are problems which in most cases are more difficult to handle than casting out a demon from a possessed case.

A great philosopher in the BCs by name Hypocrite took a survey to see why human beings have different behaviors and temperaments. In his research, he came out with four temperaments that are found in all classes of human beings. Though in all cases, you may only have one which is predominant in the individual and a minor of all the other temperaments. His conclusion was not final, but we can say what he explained still stands till today. From

out with four major temperaments which he named:

- A Sanguine
- Melancholy
- Choleric
- Phlegmatic

He tried to differentiate these four major temperaments in humans. For the sanguine, they have the ability to be inquisitive and good talkative. So they are sociable. They can commit many mistakes because of their flippancy. Their strength is; they can easily make friends and bring people together.

For the melancholic, they are people who are given to perfection, and they have leadership abilities or skills because their quest for perfection can cause people to look up to them. They have a shortcoming that they are good critics and most at times, they may find it difficult to associate with people.

For the choleric, they are stern decision makers. It is difficult to twist them when their decisions are made. They tend to be good leaders because they are

people from associating with them.

For the phlegmatic, they are people who are too naïve and selfless but this naïve attitude of theirs can make them at times to take No for an answer.

The above characteristics are just some of the traits of the various temperaments and this is what makes up our characters. Without the knowledge of the Word, the weaknesses in us can give a strong holdup to our lives and destinies. We have to honestly admit and acknowledge them, go for the Word of God prescribed to cure those temperaments and make them praise worthy. Bringing the Word of God in place for our circumcision will call for watchfulness and vigilance not to cover the weaknesses but to deal with them. You can get to the depth of these by being watchful in prayers and study of the Word.

Colossians 4:2 "Continue earnestly in prayer, being vigilant in it with thanksgiving;"

Being in the place of prayers should go along with the Word

1 Corinthians 16:13 "Watch, stand fast in the faith,

worth of your shame. Settle down these days, identify those little foxes that are about to mar you through your character and get rid of them. You may have traces of arrogance, traces of nagging, traces of laziness, traces of unforgiveness, lack of self control, a quarrelsome spirit, a disloyal spirit, you live in exaggeration. All those things that are not praiseworthy, have a look into your character, take them to God in prayers and God will circumcise you. When this is done, you will be that child that is fit for the Master's use; for what you don't deal with will end up dealing with you. Don't allow negativity to destroy you before you cry out had I known! Paul with a crooked character was transformed; so too was Peter and other disciples. You can't be exempted. You will win this battle by involving God and making a difference.

1- Father receive all the glory and honour.

2- Oh Lord, I commit my life to you for transformation.

3- Lord, transform me and make me a praiseworthy vessel.

4- Lord, deliver me from every canker deposited in my character.

5- Thank you Lord for the answers in Jesus name.

GET RESTORED

God in His infinite love and mercy has made provision for the restoration of the fallen man. All what God created was very good. It was the act of negligence that led to disobedience and made man to destroy almost all the good of his being. Our God been a merciful God made provision for the restoration of man. Child of God, it may never be to your good if you turn down obeying God. Your blessing is in obedience and not in disobedience.

In as much as the fallen man longs for restoration from God, restoration is only possible when the individual realizes that he/she has fallen and is willing to return to the old path that was made for him. Therefore, there must be that willingness on the part of the individual to return to the old path. When a righteous man goes through pressure, it turns to his glory but when a sinner goes through pressure because of his sins, it turns to his shame. In as much as the Lord has promised us restoration to all our wasted years, it is necessary for those seeking restoration to know and follow the prescribed principles for our

us to be restored. The sin of disobedience to God and to His Word is the canker that caused us humans to be driven out of God's presence and glory into a life of horror and shame. Many at times, we justify ourselves to partially do something, not rightly doing it promising ourselves that it will all be well. We may say we did it wrongly because of external pressures from men and internal pressures of lustful desires of sin within us. When we are caught up with these lustful desires, there is always a way forward for restoration.

The way forward for restoration is for everyone who needs restoration to turn to God with a broken heart and not giving yourself excuses by allowing situations to give you direction. As earlier said, God has made provision from the first book of the Bible and through scriptures to restore us. The provision for our restoration is already made available by God as written in scriptures in

Joel 2:25 "So I will restore to you the years that the swarming locust has eaten, the crawling locust, the consuming locust, and the chewing locust, my great army which I sent among you."

name named by God carry significance. This will draw my attention to the family of Elimelech who lived in the days when the judges ruled Israel. Let's get the story as we go through the book of

Ruth 1:1-5 "Now it came to pass, in the days when the judges ruled, that there was a famine in the land. And a certain man of Bethlehem, Judah, went to dwell in the country of Moab, he and his wife and his two sons. The name of the man was Elimelech, the name of his wife was Naomi, and the names of his two sons were Mahlon and Chilion – Ephrathites of Bethlehem, Judah. And they went to the country of Moab and remained there. Then Elimelech, Naomi's husband, died; and she was left, and her two sons. Now they took wives of the women of Moab: the name of the one was Orpah, and the name of the other Ruth. And they dwelt there about ten years. Then both Mahlon and Chilion also died; so the woman survived her two sons and her husband."

The above scriptures tell us of a family of four that left Bethlehem Judah because of famine and went down to Moab to settle there. Bethlehem Judah was

head of the family within him thought of the glimpse of fruitfulness that was to be in Moab and he displaced his family out of God's will. In his effort to escape the famine, his family was plunged into deeper sorrow as the plague of sudden death stroke them from the head of the family to the two sons of the family. Looking at the Biblical meaning of Bethlehem, it means the "House of Bread". The house that was called the house of bread was plague with famine. Leaving where God kept them led to the decay of the entire family. That is to say, it is better for you a child of God to suffer famine on the ground where God kept you than to displace yourself to a land you see fruitful where God has not planned for you. This is because the fruitful land in your eyes may lead to your destruction and this fact goes to confirm what the scripture says in

Proverbs 16:25 "There is a way that seems right to a man, but its end is the way of death."

Elimelech lost his life and the lives of his children because he allowed situations to take him out of the path that God had set before him. What made this family to go off path was the information that influenced their mind. That is why we are commanded

mind, be sober, and rest your hope fully upon the grace that is to be brought to you at the revelation of Jesus Christ;"

Many at times we ask questions upon questions; why should I be a child of God going through this and through that? Why have the prophecies spoken upon my life not been able to manifest or come to pass? No matter the magnitude of your anointing, you should know as a child of the kingdom that; there are seasons that your faith must be tried just like Abraham being a friend of God, his faith was tried. Moses' faith was tried; David's faith was tried, Daniel and many others. Don't count it strange when some trying moments hit you as a child of God. In your trying moment is a time for you to stand firm and show your steadfast love and obedience to God. For Elimelech, he missed the way but there was provision still from God for the rest of the nation during the famine. The question any onlooker will ask is why should Bethlehem the house of bread be the house of lack? One thing you should know is God is more in anything or situation that meets you as His child than how you are into it. But if all you have in your possession have been ruined for lack of

acknowledgement of your fault, total repentance and return to the Almighty God.

I want to draw our attention to the fact that God could not restore Naomi's fortunes in the land of Moab. Her restoration and that of her family was waiting for them in the land of Bethlehem Judah. This was also the case with the prodigal son. His restoration could not take place in a far country but in his father's house where he had left. Many of us aspire for our fortunes to be restored but we are not willing from our hearts to return to the old path of life that was set before us from the Lord. We are told in the same book of Ruth that when Naomi took her journey back to Bethlehem Judah with all brokenness, restoration commenced immediately. Child of God, I may not know what have gone wrong with you but God is commanding you to return to your Bethlehem Judah and every fortune that the enemy took from you will be restored. Whatever caused you to migrate from the truth of God's Word, return to it and God will bring a sudden glorious happening on your pathway. IN TRAVAIL

Ecclesiastes 1:13 "And I set my heart to seek and search out by wisdom concerning all that is done under heaven; this burdensome task God has given to the sons of man, by which they may be exercised."

All humans in their proper order of creation are in travail in order to have a specific goal in life met. Some sets are going through travail just to achieve a temporal goal or a temporal excitement for a set time; while others who are born of God's seed are digging deep to access the goal of eternal rest in God's kingdom thereby provoking other temporal related values to follow the first choice of eternal life. Some are in pain today not because of God but because of some fleshly desires and some are in pains today because they are resisting the devil and his advancement at all cost to see the name of the Lord exalted in their lives.

Child of God, to access true satisfaction in life, travail is an unavoidable exercise. That is why Job declared; man born of a woman is of few days and full of trouble. It is the troubles of life that births the world's

will not only bring satisfaction to the flesh, it will bring satisfaction to your body, soul and spirit. This is the travail that those born of God are going through and this will bring your reward. Jesus that was born for the redemption of mankind had a prophecy as King of kings and Lord of lords. The greatness of the prophecy was embodied with a travailing life as we see this written in the book of

Isaiah 53:1-3&11 "Who has believed our report? And to whom has the arm of the Lord been revealed? For He shall grow up before Him as a tender plant, and as a root out of dry ground. He has no form or comeliness; and when we see Him, there is no beauty that we should desire Him. He is despised and rejected by men, a man of sorrows and acquainted with grief. And we hid, as it were, our faces from Him; He was despised, and we did not esteem Him. Verse 11: He shall see the labour of His soul, and be satisfied. By His knowledge My righteous Servant shall justify many, for He shall bear their iniquities."

Christ's travail came over Him while He was in the process of doing the will of God. This is the kind of travail that will put into one's life everlasting results of

problems in this planet. That is not true. From the fall of man in the Garden of Eden, the earth became a battle ground.

Revelation 12:9&12 "So the great dragon was cast out, that serpent of old, called the devil and satan, who deceives the whole world; he was cast to the earth and his angels were cast out with him. Verse 12: Therefore rejoice, O heavens, and you who dwell in them! Woe to the inhabitants of the earth and the sea! For the devil has come down to you, having great wrath, because he knows that he has a short time."

This is why trials and temptations in the Christian race are unavoidable exercises. The Apostle peter had this to say in

1 Peter 4:12-16 "Beloved, do not think it strange concerning the fiery trial which is to try you, as though some strange thing happened to you; but rejoice to the extent that you partake of Christ's sufferings, that when His glory is revealed, you may also be glad with exceeding joy. If you are reproached for the name of Christ, blessed are you, for the Spirit

But let none of you suffer as a murder, a thief, an evildoer, or as a busybody in other people's matters. Yet if anyone suffers as a Christian, let him not be ashamed, but let him glorify God in this matter."

God uses trials and temptations as ladders of glory to all the faithful. So both believers and unbelievers are in travail. While the believer will end up with a lasting substance with Christ and the kingdom, the unbeliever will end up with a non-lasting substance which will be taken away from them. Many people for lack of knowledge and true information are making boastings of earthly information. I believe the right address for every pilgrim is to know you don't own an earthly estate. You are just a custodian for a particular time you live on earth. The only thing you own is your soul and the life God gave you. Any other thing we possess on earth, we become owners just for a short period of time as compared to eternity.

You may be occupying a piece of land or even a well constructed building with a title land certificate in your name; you are just a custodian because that place you call your own today, somebody decades past also claimed possession of it. Tomorrow, that place

barely custodians. Jesus in the gospels gives us profound lessons in respect to the travails of life. This will draw our attention to the parable of the rich fool who spent all his years in travail to accumulate wealth for himself and forgot to go to the Lord for the salvation of his soul. At the time he thought he had crowned it all on earth, the heaven was giving him an exit card out of the earth. You may be a man/woman who has turned your heart away from God and by the time you are done, you may be given an exit card by the heavens out of the earth. The question I will want you to ask yourself is where will you spend eternity? Will you spend eternity in heaven or in hell? I will like us to get the story in

Luke 12:16-21 "Then He spoke a parable to them, saying: the ground of a certain rich man yielded plentifully. And he thought within himself, saying, what shall I do, since I have no room to store my crops? So he said, I will do this: I will pull down my barns and build greater, and there I will store all my crops and my goods. And I will say to my soul, soul, you have many goods laid up for many years; take your ease; eat, drink, and be merry. But God said to

provided? So is he who lays up treasure for himself, and is not rich towards God."

On the day of judgement after all the travail on earth, the heavens will not ask you about your bank account, your political achievement, your academic achievements, the Lord will require of your soul. To get your soul saved, in as much as we need the things of the earth to go through in life, the Lord has given us a prescribed pattern to follow in

Matthew 6:33 "But seek first the kingdom of God and His righteousness, and all these things shall be added to you."

As earlier said, in pursuit of the kingdom the Lord says you will have persecution. In pursuit of the earthly things, you will also have resistances. But you should not labour for the temporal at the expense of the eternal. I don't know the travail you are into at the moment. If you are in travail to become Christ like then happy are you. But if you are in travail to become satanic, then most miserable are you. Paul told the Galatians Christians that he was also in travail to see that Christ be formed in his children in the Lord as we read from

in birth again until Christ is formed in you;

I stand to congratulate all the sons and daughters of God who are in travail going through persecutions from relations and friends, famine and fasting to be fully made in the image of Christ. Beloved, I am here to encourage you; don't lose heart for your travail will birth glory from the throne of God. I also want to assure you that for every journey, there is enough grace from the throne room of God for you. I want to tell you, you will celebrate and celebrate and celebrate when the king of glory will tell you well done thou good and faithful servant and welcome to the throne room of God. Enter into your rest in your father's Kingdom. Congratulation! In advance. God bless you.

PRAYERS

1- Father, I give you all the glory in the name of Jesus.

2- Oh Lord, keep me focused on the things that are from above.

3- Lord, I ask for the grace to triumph over all resistances of life.

4- Thank you Father for the answers in Jesus name.

ACQUINTANCE WITH GOD'S PRESENCE

Acquaintance to with God's presence is that urge within a pilgrim that makes him take delight in the things of God and in waiting in the place of prayers before the Lord. Your acquaintance with the things of God will breath upon your life innumerable benefits and rewards from the Lord. It is the will of God for our lives to dwell in His presence as we can see the effect of those who take delight to dwell in His presence.

Psalm 91:1-4 "He who dwells in the secret place of the Most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress; my God, in Him I will trust. Surely He shall deliver you from the snare of the fowler and from the perilous pestilence. He shall cover you with His feathers, and under His wings you shall take refuge; His truth shall be your shield and buckler."

Your continuous acquaintance with God's presence or in fellowshipping with the Lord will bring a covering and leading over your life that is sponsored by God.

make Him to forbid mishaps over your life and it will commit Him to respond when you cry out.

Psalm 91:14-15 "Because he has set his love upon Me, therefore I will deliver him; I will set him on high, because he has known My name. he shall call upon Me, and I will answer him; I will be with him in trouble; I will deliver him and honour him."

It gives a kind of rest, fortress, lifting, a kind of glory and grace that may be difficult for human words to express. It goes with discipline and determination for the devil is there to fight anything that will make you good and stand upright. Your closeness to God will give you stability in the days of storm and it will make you answer rightly to every question and struggle of life. You should have in mind that the greatest battle of humans is the battle of the mind. That is why as a child of God, you fortrance will tie to the Word of God for it is the anchor to your soul. As you get yourself equipped with the Word of God, it will give you a lead way to release vital answers that will help you emerge from values to values. Such right answers will give to you congratulation messages from the throne room of God.

Most High are the people that the heavens will give a speedy respond to when they call out. God also promises to satisfy them with long life and His salvation. It was this intimate fellowship that made Job a figure in his days and he became outstanding in all walks of life from the spiritual to the physical. He was the richest in the East and even his children were icons because he was God fearing and law abiding to the Word of God. His right walk with God influenced the lives of his children positively. You can't make yourself a friend of God and at the same time you offend Him by sinning against Him. I will like us to look at the intimacy of Job with God before the enemy attacked him

Job 1:1-3 "There was a man in the land of Uz, whose name was Job; and that man was blameless and upright, and one who feared God and shunned evil. And seven sons and three daughters were born to him. Also, his possessions were seven thousand sheep, three thousand camels, five hundred yoke of oxen, five hundred female donkeys, and a very large household, so that this man was the greatest of all the people of the east."

It was this godly content in Job's life that made him

God you become rich. When you walk with a Holy God, you become holy, when you walk with a blameless God, you become blameless; when you walk with a righteous God, you become righteous, when you walk with an upright God, you become upright, when you walk with a peaceful God, you become peaceable, when you walk with a loving God, you become loveable, when you walk with a Merciful God, you become merciful and forgiving. It is of paramount importance for all heirs of salvation to get themselves intimate with God, His ways, and His presence. The book of Job had this to tell us in

Job 22:21-24 "Now acquaint yourself with Him, and be at peace; thereby good will come to you. Receive, please, instruction from His mouth, and lay up His words in your heart. If you return to the Almighty, you will be built up; you will remove iniquity far from your tents. Then you will lay your gold in the dust, and the gold of Ophir among the stones of the brooks."

Looking at the above scriptures, it is a command that your acquaintance will bring you into peaceful coexistence with the Almighty God and His goodness

scripture says if righteousness takes the lead into one's life, true establishment becomes inevitable. Because of your walk with God at close range, gold shall be laid up as dust and material things will be running after you. Our completeness is in Christ, so we need to go for it, live for it and manifest it. We must do all to access this glorious life that keeps us above satan's entanglement. Awake from all aspects of slumber and get yourself revived by allowing the Christ like life to get hold of you. Manifest the glorious expectations of the sons of God in power, in glory and righteousness.

This life should not only end with you. Pass it by preaching the gospel to other lives that are not saved. Get equipped with the knowledge of the Word of God and prayers. Give into fellowship with other brethren for the Bible tells us that "As iron sharpens iron, so a man sharpens the countenance of his friend." Live an updated life to manifest the resurrection power of Jesus over all situations and get busy for the kingdom. Say No to distraction as we join forces as heirs of the kingdom to depopulate hell and populate heaven. Be graced and press on and on to the head. God bless you.

1- Oh God, give me a thirst for your presence.
