MONTH OF JUNE 2018

BALI

Praise the Lord! I want to thank God for His goodness and His loving kindness. I went to the village for a burial and a boy came and kept his bike in my compound. That night the bike was stolen. We used the hand in the "Manna Feast" and made some declarations that the bike will be recovered. After two days it was recovered to the glory of God. Hallelujah!

Pa Fontoh: 677 04 82 30

Hallelujah! I want to thank God for chapter three of the "Manna Feast", "The Unstable Soul". I use to know that I was stable in my walk with God but with this chapter, I discovered that I am unstable. Thank You Jesus for Divine direction.

Sis Siona: 671 98 18 88

Glory to God! I want to thank God particularly for chapter One of the "Manna Feast", "Ancient Word". It took me back to what God showed me some time past of who I am. To God be the glory for reminding me of who I am.

Praise the Lord! I want to thank God for His goodness and for the miracle I had through the "Manna Feast". For about four years now I had been suffering from nerves problem and all this while, I could neither help myself nor my baby. But two months ago, I received my healing through the "Manna Feast" I give God the glory for His servant He is using to provide this monthly "Manna". Thank you Lord!

Sis Paulette: 676 04 33 68

LIMBE

Praise God! I want to thank God for chapter five of the "Manna Feast", "Wake Up" in the month of "Supernatural Evidence". It touched me, blessed me and made me to know that no matter what I am going through, God still remembers me. It also encouraged me to know that I can still make it with faith in Him. I am grateful to God Almighty for His Word.

Sis Rita: 653 76 85 69

Hallelujah! I fell in love with the theme of last month's "Manna Feast", Supernatural Evidence and I prayed to experience the supernatural which I did. On the 24th

unknown to me. With the pedal lock on, he smashed the accelerator and the car moved and broke my neighbour's wall which fell on the car and almost fell on me as I was running towards the scene. I tried to call my pastor to no avail. So I called the mechanic to come and take the car to the garage and he gave me an estimate of 83.000frs which was sent to me by a Divine helper that same evening. I later sent for the caretaker who came and was advised by some people to call the police. Just at the scene, my spiritual son arrived who happened to be a senior engineer in the council. He said the wall was actually built on a council road and that if they didn't allow us to build at our pace, he will serve them a council convocation to break the wall. His intervention ended the argument so we were asked to build the wall as it was at our pace. Thank God for Divine provision and Divine intervention.

Mama Eli: 677 04 22 88

Glory to God! I want to thank God for the month of "Supernatural Evidence". I was particularly blessed by chapter four "Help Me To Stand". It made me to understand that giving correction without gentleness and meekness causes God's anger to rise on you. Thank You Jesus for Divine direction.

of the "Manna Feast", "He Cares". At one point, I felt like nobody cares but after going through the chapter, I understood that God cares for me. Glory be to God!

Sis Emmanuella: 671 99 83 04

Glory to God! I want to bless God for the "Manna Feast" of last month; chapter five which says "Wake Up". I felt like it was being directed to me and it really boosted my faith and gave me assurance that no matter the hurdles and battles I have been through, my faith in God can still turn things around. Thank you Jesus!

Sis Sharon: 670 62 96 95

PINYIN

Hallelujah! I give glory to God for the month of "Supernatural Evidence". I thank God for His healing mercies. One of my neighbours was sick and he came to me for prayers. I was led to pray for water and gave him to drink. After that I used the "Manna Feast" to pray for him and he was healed. Thank You Jesus for your faithfulness.

Bro Jude: 671 09 07 02

Praise the Lord! Welcome to another season of dawn with the provisions that the Almighty ceaselessly makes available for us as His children. Growing in knowledge becomes the cure to deal with known and unknown causes of misfortunes. Not all provisions in life nor all acts or way of life may be suiting to your life as a child of God. Therefore, it is of interest to understand the things that were created for you to enhance your fulfillment as a child of God. In as much as we have been created and called by God, it is of paramount importance for us to grow daily in the knowledge of God as each day comes with its own challenges. But every challenge could be cured if we can access knowledge that will address it.

We were created and ordained to advance in speed and also to increase in all things that pertain to life and godliness. Having gotten the caption of the month, the month of "Speed and Increase", it is therefore very necessary to understand those platforms and materials that will facilitate the manifestation and the design that captions this month. Welcome into this glorious month of "Speed and Increase".

GOD'S PROVISION FOR INCREASE

3 John2 "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers."

All the creatures are the handy work of the Almighty God but there is a difference between a person created by God and not subject to the laws of God and a person created by God and loyal to the ways and commands of the Lord. The platform of increase that brings significance in one's life is the increase that is sponsored by God; not just in the lives of the creatures, but in the lives of those who have been created by Him and at the same time they are worshippers of God. Today, there is a clemency that people ignorantly proclaim and it goes with this common slogan "Since I was made by God, I am a child of God". That statement is wrong in its context. When you are created by God, you fall under the realm of God's creation and in this realm, there is the good, the bad, the ugly, the righteous and the wicked. But the license that you are a child of God is not just on the platform that you were created by God but it is on the platform that you are a worshipper of God. So the ground to access increase that is increase indeed is:

You must be in union and you must have fellowship with your Maker. This is because the fellowship between you

be transformed, be in union with God, and maintain that union on the basis ordained by God. As a child of God, you are tagged by God to prosper. Because you are tagged for prosperity, it is therefore of your interest to understand the various steps which God have ordained for you to make this fulfillment a reality. The provision for your increase is not on other grounds, it is in God Himself. These provisions become yours as your understanding gets open to the scriptures and you apply your life to them. Looking at the various provisions of God's increase in your life as a child of God, it is necessary for you to know the grounds on which you can provoke increase having been saved by God. The first scripture we will look at is

Psalm 92:13-14 "Those who are planted in the house of the Lord shall flourish in the courts of our God. They shall still bear fruits in old age; they shall be fresh and flourishing."

If you are a child of God and you don't take your stance in God's house and in the things of the kingdom, you will forfeit God's provision for you. How does one get himself planted in the house of God? Every child that does not take responsibility in seeing the advancement of God's intention on earth is not planted in the house of God. Anyone that does not take the things of God as a primordial issue is not planted in the house of God. Every child of God that does not conform to the doctrines of the Word of God is not planted in the house of God. Every child that

earthly pleasure is not planted in the house of God. Every child that lacks respect for the things of God, lacks the love for God, lacks the fear of God, lacks the quest for eternity and a righteous living is not planted in the house of God. Any child that does not consult the mind of God before taking any action is not planted in the house of God. Those that are planted in the house of God go in first for the will of God and their own will follows. They can endanger and displease themselves, give up everything to make sure the will of God is done. In fact their lives are governed by the Spirit and the will of God. They discipline themselves to delight in what God delights in, love what God loves and go the ways of God. The Bible calls such 'Blessed'.

Psalm 1:1-3 "Blessed is the man who walks not in the counsel of the ungodly, nor stands in the path of sinners, nor sits in the seat of the scornful; but his delight is in the law of the Lord, and in His law he meditates day and night. He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaves also shall not wither, and whatever he does shall prosper."

As you give heed to and you daily meditate upon the Word of God, it will prune you and form you to produce a character that the Almighty God will delight in. The Lord says; character that will produce a life that He delights in is bound to advance, increase in value and that life will not

will be the city on a hill. God rejoices over the prosperity of His children. You are called to increase; you are called to enlarge. This can only be realized if you allow the will of God to prosper in your life. When we look at the scriptures, those that were called by God to serve increased in their generation because they obeyed the instructions of God. Child of God, Abraham met God and he prospered. The son Isaac served God and he prospered. We are told of Joseph in the house of his father; none of his siblings prospered like him. His prosperity was not by chance but by the Word that governed him from the Almighty God. How enriched you are by the Word will determine how rich you will be physically; ***Colossians 3:16***. The prosperity of Joseph had no limit and we can see this from his confession when he was forced to compromise with sin. He confessed "How can I do this great wickedness to sin against God?"

True prosperity is within the content of our obedience to God's Word. When Moses was about to exit the world, he mentioned to the Israelites the provisions of God's increase and blessings as written in ***Deuteronomy 28 and Exodus 23:25-27***. He told them that it was tied to their obedience and God will overwhelm them with overflowing blessings. So when you violate God's Word and you say you are prospering, such prosperity will only land you in shame and disgrace. Many people start well in provoking increase but when the increase starts flowing, they lack

keep the grace of God working for you and over you.

Exodus 23:25-27 "So you shall serve the Lord your God, and He will bless your bread and your water. And I will take sickness from the midst of you. No one shall suffer miscarriage or be barren in your land; I will fulfill the number of your days. I will send My fear before you, I will cause confusion among all the people to whom you come, and will make all your enemies turn their backs to you."

So being called and saved by God is already a mark for a turnaround in your life. All you need to do is to apply your faith for every provision and great will be your outcome; and everything God does is securely kept by the power of His Word. Arise and increase!

PRAYERS

1- Lord, thank you for the provision of increase over my life.

2- Lord, grace me to walk right and live right.

3- Lord, stir my faith for action.

4- Thank you Lord for the answers in Jesus name.

DEALING WITH ANTI-PROGRESS SYNDROME

Every good agenda in an individual or group of person's lives sounds a signal of threat in the camp of the enemy. The enemy can exist from within to the without. So in as much as every right thinking person quests to make significant difference in life, there is the need to recall that there are syndromes that if not identified and dealt with, they might tend to destroy the good aspects within a person. One of the things that have killed progress is the inability to know the scope of your vision, in other words, the height of it. For anyone to begin and maintain a fruitful walk there is need for proper information that will create awareness within you. It is this awareness that provokes a keen attention for diligent work. When God calls men, one of the things He does is to create awareness for the individual in place to know the scope of what He wants to cover through him or her. When the scope is defined, what follows next is the process that the individual will need to go through.

When the individual is exposed to process, the next thing that follows is precautions because every highway of value is not void of attacks. So when you don't have this material or knowledge within you, the opposite of the above mentioned points may ruin your progress. If we look through the Bible, God created man and gave him a vision of progress; that is in the person of Adam and Eve. After that generation, we come to the generation of Noah, God

mentioned above, we will be able to seek out some truths of what hindered, delayed, and slowed them down and what came their ways and almost led them to frustration and misery. The same anti-progress syndrome that met these people is still available and much more in our generation. Child of God, there are circumstances, and incidents that come our way that are not coincidence, they are divinely orchestrated. You have been called by God to create impact. For every encounter that you experience, note these points and note them well;

- Bold the encounters on the table of your heart.

- Get an understanding of the attitude that was in place before that encounter met you.

- Groom that attitude and make progress in its pathway for where there is an original, there will always be an imitation. The enemy is never happy and will not relent his effort until he displaces you from where God ordained for your progress.

Most often the enemy uses circumstances that surround you to question your stance on the will and ways of God. If you dare make the mistake to create a dialogue of reasoning on the enemy's proposal; you are gone. Many destinies have been trapped on this syndrome. The syndrome where the enemy creates a dialogue will always come and this is how he always places it; he approaches

Many children of God have been caught up in this trap and they are still very convinced they are walking with God. They don't know that another spirit have taken hold of them. The anti-progress syndrome sponsored by the devil comes by giving you suggestions and proposals to question and compete with the authority that has made you who you are. For Adam and Eve to be dismissed from the Garden, the devil used this syndrome to question and compete with the authority of God.

Genesis 3:1-5 "Now the serpent was more cunning than any beast of the field which the Lord God had made. And he said to the woman, has God indeed said, you shall not eat of every tree of the Garden? And the woman said to the serpent, we may eat the fruit of the trees of the Garden. But of the fruit of the tree which is in the midst of the Garden, God have said you shall not eat it, nor shall you touch it, lest you die. Then the serpent said to the woman, you will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."

When we look at verse 5 of the above mentioned scriptures, we will realize that the devil lured man to

- Question the authority of God.
- To compete with God.

if you eat you will not die. That is disapproving, breaking and total disobedience to God's authority.

The second thing we realize in that same verse is the quest for rivalry and to compete with your Maker. The devil said you will be like God and when men yielded to it they were stripped off their fellowship with God. The pattern that led to the fall of the devil from heaven, he is still using that same pattern unto the sons of men. It will be of interest to us to see the pronouncement of the devil that led him out of heaven and he has used that same syndrome to ruin mankind till today.

Isaiah 14:12-15 "How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, you who weaken the nations! For you have said in your heart: I will ascend into heaven, I will exalt your throne above the stars of God; I will also sit on the mount of the congregation on the farthest side of the North; I will ascend above the heights of the clouds, I will be like the Most High yet you shall be brought down to sheol, to the lowest depth of the pit."

When we look at the above scriptures, demons have possessed humanity and this chain of breaking and destroying lives have always had a continuation in various ways. It was this syndrome that led to the ruin of the Noah's generation. They questioned God's authority,challenged it, and it led to their ruin. If we move to the book of Samuel,

under the watchful eyes of Saul, he saw all the decrees that Samuel gave fulfilling word verbatim. The day Saul questioned Samuel, it led to rebellion and the mandate of Saul to stay on the throne with his lineage forever, came to an end. There are many other Biblical figures; people like Judas Iscariot, questioned and competed God's authority in Christ Jesus and it led to his ruin. What about Sapphira and Ananias? They questioned and competed with the authority of God over Peter and it led to their ruin. Any thought that may arise within you and you find yourself acting in the position of challenging the authority that made and moulded you, you should know that is already an influence from the pit of hell to ruin your eternal walk with the Lord. Most of the generation of Israel perished in the wilderness; it was this same syndrome that the devil used. They asked Aaron to make a new god they have never had an encounter with. They forgot the miracles, signs and wonders that God wrought through Moses, when they left from Egypt to the Promised Land.

If we look at this lesson, we will see many Christian brothers and sisters that have gone astray thinking they are walking with God. They have been carried by this syndrome like Balaam, Gehazi, Reuben and a lot more. There is an authority set by God to pronounce words over your life and the devil will always come with an influence to make you challenge that authority because he knows the day you rise to do that, your end has come. Identify

To conclude, Elisha understood his encounter with Elijah and he stayed loyal to the end. As such, the progress of Elisha's ministry was unquestionable. If we study their lives, we will not see any instant where Elisha questioned the authority of Elijah and he ended in progress. I am not saying that you should follow anyone in the name of authority but that authority you have an encounter about, follow and the Lord will help you in the midst of storms. That is why anyone who makes such mistakes will not go without being punished. The Bible says they are without excuse.

Romans 1:20 "For since the creation of the world, His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse."

There is an encounter that God has given each and every one of His followers that identifies where you need to receive instructions and follow. The place of instruction is not by your choice but by God's making. God gives you the instructions by encounters and when you turn not to submit to it, God says you are without excuse. You should decline from every syndrome of anti-progress that the enemy must have lured you into by remembering where you failed in the act of disobedience and rebellion against the authority and the instruction of God that you were to submit to. Go to God in repentance by admitting your fault

the Lord loves, He chastises; so as to bring you back to Himself as a son/daughter. When the Holy Spirit convicts you of where you have fallen, don't be proud; go back to where you offended and say 'I am sorry'. Start to do that which is right and your restoration will be sure. Turn back, do what you are supposed to do and the God of restoration will restore you and your progress will emerge.

PRAYERS

1- Lord, have mercy on me and forgive me.

2- Deliver me Lord from every wrong attitude I have harbored.

3- Lord thank you for my deliverance.

4- Help me to abide in your path for the rest of my life.

5- Thank you Lord for the answers in Jesus name.

THE ERRORS THAT HAUNTS THE FUTURE

Since the fall of man, the sin syndrome has been the cause of all the untold pain and misery that has befallen humanity. No right thinking person plunges into error haven known the effect or aftermath of error. Our futures have been haunted at times as a result of the past errors we committed. This is as a result of the occurrences of memories of the ills that perpetrated our lives.As a result, those ills tend to make us unworthy and hopeless. They become haunting shadows that are being enforced by the enemy to mar the glorious future that awaits us. Nevertheless, there is hope with God; you can be restructured, for with God all things are possible.

Many that fell into error thought they could escape the aftermath but they did not know that what a man sows, that shall he reap. We as humans have all been subject to one error or the other. Some of the errors have gross gravity that their memories always bring about a painful insight. This error can be erased, it can be addressed and it can be nullified with all its effects. Most often, we may never know how to go about with the error that haunts our future and tend to be a nightmare to our dreams and visions. There are two ways that errors are being committed; errors that are committed by omission and errors that are committed deliberately. Errors that are committed by omission can easily be forgiven but when you commit errors deliberately, it will not be easier to forget the pains it brings

their lives. As the slogan goes, "There is no right way of doing a wrong thing." Whatever acts you find yourself into that does not resemble the image of God are acts that will tend to haunt your future tomorrow. Esau the son of Isaac committed an error by selling his birthright to his younger brother for pottage. Esau was one of the figures in the Bible that went into what I call deliberate error. One thing we will realize is that there is always a platform available that influences one to yield to error. If there is no influence, one may never get into error. For Esau, the influence that mounted on him was hunger. I don't know what may be your own influence now but whatever the devil may be using to plunge you into error, loved ones, value the future more than the pressure the devil may be using to lure you into error. Esau plunged his future into error because of hunger as we see briefly what happened in scripture in

Genesis 25:29-32 "Now Jacob cooked a stew; and Esau came in from the field, and he was weary. For Esau said to Jacob, please feed me with that same red stew, for I am weary. Therefore, his name was called Edom. But Jacob said, sell me your birthright as of this day. And Esau said, look, I am about to die; so what is this birthright to me?"

Esau because of a red pottage; sold his future into error because of a present pressure of hunger. There was something that he disregarded and that thing was his

will haunt your future. There are many of the Esau's comments that run through our minds on a daily basis when we are confronted with pressure. This pressure comes to sweep us from our commitment and loyalty to the will of God. Some have given up the faith because they seem not to see the sacrificial offering of Jesus on the cross of Calvary, they seem not to see the importance of the call of God in their lives and they have made up their minds to be shallow in their Christian walk. They are living in compromise because they have not valued the position which the Lord has placed them into. The Bible says Esau despised his birthright and the error he committed haunted him and his downline. If not of the blood of Jesus that was shed on the cross of Calvary, the downline of Esau would still be suffering that same error till today. It was not only Esau that fell into error. Jacob, who was also covenanted, fell into error which plunged him into servitude for 21years. It was after he repented that it became well with him. So you can be covenanted and still fall into error.

Child of God, may you never allow any influence to bargain with the position that the heavens have given to you. We all know that Esau later on sought to get back the blessings of his father but could not. He took a red pottage and in the days ahead, he sought to do everything to recover what he had sold but he couldn't. So we see his error haunting his glorious future. If you want to hear the blessings of the first son, then you will look at the pronouncements of

the scriptures that their errors haunted their future. Gehazi the servant of Elisha committed an error by going after the Syrian captain and touching what he was forbidden to touch. Another figure was Achan that touched what he was not supposed to touch. So what is the error that can haunt our future that we need to guard against?

- Guard against any form of compromise that may show up to dilute God's spoken Word over your life. Somebody who became a victim of such compromise is Samson. The spoken Word over Samson's life was "You are a Nazarene, you shall take no wine, the locks of your hair should never be cut down". Samson's future was to be preserved by following these instructions and when he compromised the instructions, it plunged him into error that haunted his future. Another person that found himself in that situation of breaking God's Word because of fleshly lust, covetousness and valuing the present more than the future was no other than Saul the first king of Israel. He said because of pressure, I forced myself.

1 Samuel 13:10-14 "Now it happened, as soon as he had finished presenting the burnt offering, that Samuel came; and Saul went out to meet him, that he might greet him. And Samuel said what have you done? Saul said; when I saw that the people were scattered from me, and

Therefore I felt compelled, and offered the burnt offering. And Samuel said to Saul, you have done foolishly. You have not kept the commandment of the Lord your God, which He commanded you. For now the Lord would have established your kingdom over Israel forever. But now, your kingdom shall not continue. The Lord has sought for Himself a man after His own heart . . .”

Looking at the above scriptures, this was one of the grievous errors Saul as the first king of Israel committed. The error haunted him until the witch at Endor had to prophesy to his doom. Errors are not things to be taken for granted. To escape from error, we have to give keen attention to the instructions of God’s Word.

Proverbs 4:20-22"My son, give attention to my words; incline your ears to my sayings. Do not let them depart from your eyes; keep them in the midst of your heart; for they are life to those who find them, and health to all their flesh.”

To avoid error, you must treasure the Word of God and the Word of God will keep you in all your ways. When we are already victims of this error, what is the remedy or way out? The first thing you need to do as a remedy of the error that haunts your future is that you must repent of the past and lay hold on the future. In other words, sell the past and buy the future. To have an absolute separation from

it is the enemy that keeps reminding us of our past so he can fight our future but the weapon you need to combat this battle is speaking back to the devil with scriptures. One of the scriptures that is very strong that you should use is the scripture in

2 Corinthians 5:17 "Therefore, if anyone is in Christ, he is a new creation. Old things have passed away, behold all things have become new."

As a new creation, you are to walk in newness of life in Christ Jesus and celebrate the offers that this new life brings. You need also to understand that the sustenance of your victory is not to come by your might or your power. It is already there in stock for you and that is what God's grace has done and will be doing in your life. Having met with Jesus, the Lord has given you a license as a son and as a daughter to appear boldly before His presence.

Hebrews 4:16 "Let us therefore come boldly to the throne of grace that we may obtain mercy and find grace to help in time of need."

With this diligent walk of yours with the Lord, the fruits of it will bring you under open heaven and the fellowship of His presence with you will change you from the status of a nobody to somebody. Develop your faith and grow in grace. Get equipped with the knowledge of the Word and spend time in the presence of God in the place of prayers

live with Him and then you will proclaim 'It is well, it is well!" God bless you!

PRAYERS

1- Lord, receive all the glory for restoring my hope.

2- Lord, help me to grow daily in the knowledge of Your Word.

3- Lord, position me under open heavens.

4- Oh Lord, let my future bury my past.

5- Thank you Jesus for the answers in Jesus name.

DISCOVER YOUR HIDDEN STRENGTH

Each and everyone created have a strength hidden inside of you. It is called hidden because it is there but it needs you to trigger it to work. Put an effort for the strength to be made manifest in its fullness. You cannot discover your hidden strength by staying silent or becoming dormant. Your strength will be discovered when you are given to challenges, and you build up your mind by talking to yourself I have what it takes to subdue these challenges and bring them under control. This determination will produce an ability that will birth a generational expansion to give ultimate results. We will discover that we will be able to do much more if we embrace challenges and face them the way they come.

To discover hidden strength, there are things you need to have; you need to be courageous, hopeful and very determined. You may never know how much you can do until you put in an effort to do what you have never done. The right and proper way to have genuine information about your hidden strength is God and the leading of His Spirit. Most of the great figures in the world today and in the generation past, at first sight, they always appeared weak and unrealistic to purposeful agenda. Their shortcomings are always pronounced to the outside world than the hidden strength within them. They are always faced with shortcomings and failures in a way that if they are not nurtured, they may give up and finally pass unnoticed. Most

discover. Who could believe that a black African could sponsor a revolution in American history in the person of Martin Luther King Junior and he gave quotes which have become a code of inspiration to many lives today? Having a background from a black negro slave.

I have come to the conclusion that people who appear feeble, weak and vulnerable, always have great potentials in them. All they need to do to trigger that potential is to locate themselves on the right ground and getting the right information that will put their substance to work. Luther could do it and that is why in his challenge he could declare "I have seen the land and we will surely get there". He also said; "I may not get there with you, but you will surely get there". That is a man who have discovered what was covered. Once your potential is discovered, you will be restless until the vision is accomplished. What Luther said in 1968 and after declaring the word of his dream, forty years later, a black African ascended to leadership as the first black man to oversee the affairs of America. That was the first black president in the person of Barrack Obama. Something must have gone through the mind of Luther King and that thing was right information. He understood all men are born equal and no man is a second class. The Word of God should be what should direct the affairs of our lives. Information is that thing that will trigger you to leave the place of inferiority to the platform of superiority.

is one of the leading figures of scientific advancement in our generation. So your feebleness will be turned to strength when the right information gets your way, and gets hold of your being.

There are few legends in scripture I will want to cite and most of these people had one challenge or the other. Abraham, also known as Abram was called by God and declared the father of many nations yet his wife was barren. What God was simply saying was, Abraham, the strength within you is stronger than the barrenness people define you by. God did not allow him to adopt a child out of Sarah's womb but the very womb of Sarah bore him a son and through the son, nations have been born; fulfilling the power of the living Word of God. Even at their old age, once they discovered the hidden strength that was in them, everything that was called dead was quickened and Sarah was found with child when she had passed menopause. In fact, Sarah got menopause to a second degree but the hidden strength had the capability to slap menopause and brought out fruitfulness.

Child of God, discover your hidden strength, get it activated and its result will marvel you. Maybe there is one adversary that has been disturbing you. But as you discover your hidden strength, you will chase a thousand of the adversaries. If you find yourself faced with many challenges at a time, it only indicates there is greatness

wanted him to discover. There are many challenges going on within you but God has permitted the challenges for you to discover your hidden strength. Abraham went through series of challenges when he had the call of God and each time he responded to any of them, he overcame and understood his strength had been there. It was just a matter of time for him to understand his strength. One of the battles that he fought that was very significant was in ***Genesis 14*** where kings gathered together and waged war against five other nations and among them was the nation of Sodom and Gomorrah. Before this time, Lot, the nephew of Abraham had departed and was living in Sodom. The Bible says the king of the nation and other kings conquered Sodom and its allies but when Abraham heard this, the Bible says he had grown to the point that he had three hundred and eighteen trained servants. With these servants, he went after the four nations that had defeated five nations. For Abraham to go after them, he had discovered the hidden strength in him. That was what gave him the courage and determination; there, the Lord gave him victory. The victory he had brought wealth and great substance. The wealth could not limit him because he knew God had deposited greater in him than what was out of him.

For Moses to be Moses, he had to free himself from the inferior mindset of being a stammer; and he had to free his mind from Pharaoh. I don't know what the devil has

devil's threat without. Discover it for as soon as you do you will do greater exploits; for greater is He that is in you than he that is in the world. We will all recall that this is the same Egypt Moses ran out of for fear of pharaoh but when God appeared to Moses on Mount Sinai it was for him to discover the hidden strength that was in him. When he returned to Egypt with that same strength, he could deliver Israel from Egypt. There is a hidden strength that God has deposited inside of you and until you discover it, you will always be limited. Don't relent your effort until you discover the hidden strength that is dormant in you. As long as you fail to notice the strength or capacity in you, you will keep on doing right things in wrong places like Gideon, threshing wheat in the winepress.

Judges 6:11-12&14 "Now the Angel of the Lord came and sat under the terebinth tree which was in Ophrah, which belonged to Joash the Abiezrite, while his son Gideon thresh wheat in the winepress, in order to hide it from the Midianites. And the Angel of the Lord appeared to him, and said to him, the Lord is with you, mighty man of valour! Verse 14: Then the Lord turned to him and said, go in this might of yours, and you shall save Israel from the hands of the Midianites. Have I not sent you? "

The Midianites that Gideon was hiding from, when the Word of God came to him by the Angel sent to him, he

Jesus. You carry the substance of greatness. As you believe it, rise with it and you will see the results. Be strengthened!

PRAYERS

1- Father, help me to enhance the fullness of my strength.

2- Father, order my steps to put it to work.

3- Holy Ghost, be my strength, be my teacher at all times.

4- Thank you Jesus for the answers in Jesus name.

UNDERSTANDING THE DREAM WORLD

Daniel 2:19 "Then the secret was revealed to Daniel in a night vision. So Daniel blessed the God of heaven."

Dreams are mediums where hidden secrets are made known to men. These are situations where our spirit beings are given access to the deep revelations of what have been, what is going on and what shall be. For what had been, there is nothing we can do about it; for what is going on and for what shall be, there is something we can do with it. That is why it is not everything we can handle from the dream world. It all depends on which of the lanes the dream is coming from. A dream in its core carries messages that are always figurative. It needs proper understanding of it and rendering a proper interpretation by the Spirit of God. In as much as dreams are spiritual, the devil, being a spirit being also have the ability to invade our spirit and give us dreams that may not be sponsored by the Holy Spirit. There are various mediums which are devilish; they are not godly like all those using zodiac, divination, enchanters, and the abstract world to access spiritual activities. These mediums are not of God. The spirit of the devil masterminds all these.

It is very important for everyone to dream. If you are void of having dreams whether good or bad, it indicates your spirit man is completely under a dark cloud (It is better to

see in the dreamland that may be of importance to your life. When you go through the scriptures, you will realize that few dreams were spoken of by the prophets, kings, priests and children of God. We can number or count the dreams they had. But it does not mean throughout their generation on earth, they did not have several dreams. They obviously must have had other dreams but they were mere pictures which had no significance in their lives. So how to differentiate dreams that have a message into your life or a dream that is connecting you to the future or giving you a message of warning is one of the things we are going to look at in this chapter. We are going to see some Biblical examples of dreams that brought paramount information in the lives of the recipients. Before we get to those people, let us get this outline first:

- Every dream of the night that wakes you up from sleep is not just a dream but a message. You should not allow such a message to wipe off without you knowing the interpretation and how to go about with it.

- Every dream you have and while in the dreamland it was acting like in a real life and you are able to boldly see the activities while you are awake are dreams to get their messages rightly understood.

- Every dream that repeats itself in a similar way is a dream with a divine confirmation and seal or

spirit man is worried; finding it difficult to recollect what you had in that dream, get back to the presence of God in prayers to get it fully revealed and interpreted.

All what we see happening physically in our lives is being programmed in the spirit realm and the dream world is one of the things the spirit of God has given the sons of men to access spiritual activities. To me, true dreams sponsored by God are more authentic than physical activities that surround you. Prayers remain the force to address the dream world. Dreams have more dorminant effects in your life than physical words and actions. We are going to see from scripture how the dream world controls the physical affairs of men's lives. There are battles we have lost; there are new heights we have delayed from attaining because we could not have an understanding of the messages that were given to us from our dream world. As earlier said, most dreams always come in a figurative or parable form and they need interpretation. In having the proper interpretation of every dream, it is not to say when I see a car, it means this one except the Holy Spirit has given you the interpretation. In the dream world, someone can see a chair and it has a different interpretation from another person who saw the same chair. So in actual terms, dreams carry messages with hidden knowledge that could only be interpreted and

belong to us and to our children forever, that we may do all the words of this law."

Most of the children born of God have been given access to understand the deep things of God and dreams is one of the mediums God uses to unveil deep things of the past, present and future. When our spirit man is not free from demonic entanglement, the devil may come between our dreamland to give us laxity on things we were to handle seriously. But when we keep a healthy relationship with God, the devil will not be able to adulterate the messages from our dream world. We will look at the dream of significance that God gave Joseph in ***Genesis 37:5***. For every dream of your life, there is a dream which I call the dream of significance.

Genesis 37:5 "Now Joseph had a dream, and he told it to his brothers; and they hated him even more."

The dream of your significance will attract envy and attacks but you should know the force of your dream is more than the adversary of that dream. We all know what this dream caused Joseph physically; he lost parental fellowship. When the devil scents the genuity of his dream, he did all to terminate that dream. But the force of his dream in the hands of the Lord was stronger than that of his adversary. Despite all the difficulties Joseph went through because of his dream, one thing was certain; he waited patiently for the dream to materialize. In ***Genesis 42***, the dream of

is a ground your dream will prepare for you for its fulfillment.

Genesis 42:6 "Now Joseph was governor over the land; and it was he who sold to all the people of the land. And Joseph's brothers came and bowed down before him with their faces to the earth."

This will remind us that eleven sheaves bowed to him in the first phase of his dream and in the second phase the father and mother did likewise. That was a reminder of his dream of thirteen years ago. The understanding and interpretation of dreams is a gift given to us by the Holy Spirit. One of the figures in the Bible that had this gift is Daniel. He had an understanding of dreams and visions ***Daniel 1:17***. In the book of Judges, we are told of the encounter of Gideon and the enemy that had a dream of the victory of Gideon over the Midianites. We will see that the manifestation of that dream was a prove that the spiritual rules and controls the physical.

Judges 7:13-15 "And when Gideon had come, there was a man telling a dream to his companion. He said, "I have had a dream; to my surprise, a loaf of barley bread tumbled into the camp of Midian. It came to a tent and struck it so that it fell and overturned, and the tent collapsed." Then his companion answered and said, "This is nothing else but the sword of Gideon the son of Joash the man of Israel! Into his hand God has delivered

camp of Israel, and said, arise, for the Lord has delivered the camp of Midian into your hands."

As we all know, as the dream came, in the days ahead Midian was subdued by the Israelites and they lifted up their heads no more for forty years against the Israelites. So we can see that the spiritual controls the physical. It was through the medium of dreams that the Lord warned Joseph not to abandon Mary. It was through the medium of dreams that the Lord asked the wise men not to return to Herod. It was through dreams that God told Joseph to take Mary to Egypt and it was also through dreams that the Lord told them to return back to Israel. So as we conclude this lesson, your spirituality is what guarantees your fortune in enforcing and enhancing your future. When you are spiritual you rise but when you are carnal you diminish. Understand your dream world and make maximum use of it.

PRAYERS

1- Oh Lord, let my dreamland be crystal clear.

2- Lord, deliver me from all forms of adulteration in the dream world.

3- Lord, empower my spirit to understand and implement all the messages given to me in my dream world.

LEAVING A LEGACY OF FRUITFULNESS

Leaving a legacy of fruitfulness, it will be necessary for us to understand what legacy stands for. It has to do with the aftermath of all you've done in life that will accompany or follow the next generation. So what we are into now will eventually affect the next generation either negatively or positively. But everyone will like to be remembered for the good he/she contributed for the next generation. Everyone will like to have a good report in the life after. But leaving a legacy of fruitfulness is a matter of choice and when you have made up your mind to pass on a legacy of fruitfulness, there will be that carefulness to make sure that morals gotten are not destroyed. There are things that one must guard in life if your legacy must positively stand the test of time.

Who you commune with have a lot to do with the formation of your person. When we come into our walk with God, He must have given us dreams and visions which we need to work them out through Him and by the power of His strength with His Word being our watchword. As we must have read in other editions of this publication, you don't fold your arms and expect things to work. You need to do something for something to work. When we look at Jesus' prescription in the gospel in securing a future that will speak again, we will draw a conclusion that for one to pass on a living legacy, that individual must be

Jesus' ministry on earth, He told His disciples many parables which I will want to cite one. In ***Luke 19:13***, He told them to occupy till He comes. When He was to be taken up to heaven, He also gave the disciples the great commission in the Gospels of Matthew, Mark and Luke; and in a nutshell, He was telling them to work. We cannot reach the end of the earth with the gospel by sitting down. We must go out to evangelize so as to reach out to the end of the world. A man that would pass on a fruitful legacy should be a man of vision. One of the things that will make people to work relentlessly is the vision that they enhance and they will desire that everything should work as planned. Each and every one of us saved and called by God has visions that have been committed into our trust. The visions are raw materials that must be nurtured so as to get to full manifestation.

We all know that a proper life that will worth admiration and glory must cultivate the mind of God in everything he/she is doing to see that it is done according to the will of God. The individual must maintain a quest to walk in the ways of God and he must shun evil. Your moral upbringing should not only be the trust between you and God but also between you and humans. It is that trust that will be able to pass on your legacy in worth and in acts with clear cut evidence to the upcoming generation. Without a vision of your life and making it work out, it will be absolutely difficult for you to pass on a legacy of

need to cultivate that will keep you moving without slowing down your speed irrespective of the confrontation that may come your way. This is the core or pillar that if you are able to enhance, your legacy will move on and on and on again. This is the character or attitude to serve and not to be served. To use what God has given you to make a difference in people's lives. You will not make a name by the mansion you built, you will not make a name by the expensive car you drove; but you will make a name by the legacy you left in the lives of humans. Take delight in serving God and His people. Let us see Jesus' description of who should be the greatest:

Matthew 18:4 "Therefore whoever humbles himself as this little child is the greatest in the kingdom of heaven."

There is no one that can be the greatest in God's kingdom without having passed on a legacy of fruitfulness. Each time you are serving, you are planting seeds of fruitfulness. There are people in the world today who did all in their capacity to see that they left a legacy for their generation. Nelson Mandela for example, went through thin and thick to see that South Africa be liberated from Apartheid. He took delight in seeing the betterment of his people. That was a servant. Today, Mandela is no more on earth but he lived to reign as an icon that left behind a fruitful legacy not only to South Africa as a nation but to the world atlarge. He inconvenienced himself to convenience the millions

opportunity God has given you to serve. Serve as if that is the last chance God has given you to serve. Mandela has passed on a legacy to his great grand children to an extent that every right thinking person will want to identify with the Mandelas. That is what we call legacy of fruitfulness.

Matthew 23:11 "But he who is greatest among you shall be your servant."

If you are someone that is waiting for others to labour for you while you become a demi god before them, know you cannot be one of those who will leave a legacy for your future. There are many who have eaten up the legacy of their future; maybe by lack of knowledge, maybe by laziness or maybe they are being hard hearted. What we should challenge ourselves with today is; what will be our legacy when we must have left this world? What shall we be remembered for? What legacy of character or integrity shall we leave for our children and the next generation? This is a call for each and everyone to think twice and amend his/her ways. Are we eating up or destroying the future of the unborn generation by the life we live or the way we live it? As you give in to service, you will not see yourself destroying what you laboured for. But as you labour for nothing, it will not cost you anything to destroy what others laboured for. The scripture tells us that a good man leaves inheritance for his children's children.

stored up for the righteous."

The wealth of the sinner is stored up for the righteous because they don't get wealth by right. It is by corruption; that is why their wealth cannot stand the test of time. We will bring the work of Moses, Joshua, Elijah and Elisha to say that they served their generation relentlessly and they all passed on a living legacy of fruitfulness. Moses served well to an extent that he left a legacy for Joshua. Joshua also served and left a legacy for the children of Israel. So also was Elijah who left a legacy for Elisha. Their government continued from one generation to the other. Elijah, spent days on the mountain to get the mind of God for his people. He wanted to know the express mind of God before he took any step. So too was our Lord Jesus, Paul and many more. Child of God, serve and serve well for on the day of your departure, you will have a welcome address. Well done, welcome thou good and faithful servant. Enter into the rest of your Father. God bless you as you rise this day to leave a legacy for you future generation. Be graced.
