ACKNOWLEDGEMENT

I want to heartily thank all the vessels that made themselves available in one way or the other to make this publication of the Manna Feast possible especially those spending sleepless nights to pray for the Manna Feast material, the typist, all those with unlimited financial support and those available for distribution and sales of the Manna Feast, not forgetting printing press of the Manna Feast.

May the Almighty richly bless you and grace you as we all labour in His vineyard. Remain blessed!

The General Overseer.

PROPHETIC WORD:

"THE MONTH TO SOW"

WATCHWORD:

JOSHUA 3:10A "AND THE WORD OF THE LORD WAS BEING SPREAD THROUGHOUT ALL THE REGION."

NDOP

Praise the Lord! I want to thank God for His healing hand upon my life. I went to church one Sunday and I was attacked with itches on my stomach. I took the hand in the "Manna Feast", place it on the stomach and prayed. Five minutes later, I was healed to the glory of God.

Bro Frankline: 683 40 36 72

Praise God!, I want to thank God for the G.O for giving his life for God to use him. He is our own Moses that God had given us through this Manna. I am eating it like food. I pray that God should increase him in Jesus name.

Ma Bonekeh: 677 45 41 50

Glory to God! I want to thank God for impartation through the "Manna Feast". I gave one of my neighbours who testified that after reading the book she was ministering in the choir when the presence of God overshadowed her and the whole congregation. I also used the "Manna Feast" to pray for a woman who had headache and fever and she was healed. Hallelujah!

Sis Mirabel Fai: 672 13 99 60

Praise God! I want to bless the name of the Lord for giving us the "Manna Feast". This month, I was particularly blessed by chapters 3 and 4; "Don't look Back" and "Guard your Tender Plant" respectively which empowered me

May God continue to bless His Servant.

Sis Evert: 671 50 95 72

Praise the Lord! "Manna Feast of this month and last month really met my needs and that of my family not leaving out the church. So fascinating to be going through real life situations only to open the "Manna Feast" and to get all the answers and directives we needed. Also we were blessed visiting some of the past editions of the "Manna Feast". The Lord bless and empower His Servant with more Grace and revelation.

Pst Tabi Lewis: 675 93 94 47

Hallelujah! I thank God for the "Manna Feast". In the month of January, I was particularly blessed with chapter one "A Call for Change" which gave me the fundamental rules for a change. After going through this chapter, I discovered I find it difficult to forgive someone who offends me. I always thought I had forgiven but each time I see the person, the offense comes back to my mind fully. I want to glorify God because Chapter one of January Manna Feast delivered me. Thank you Jesus!

Bro Frankline: 683 40 36 72

Praise the Lord! My sister was attacked with stomach ache and she was not able to stand. After using the "Manna Feast" and praying with her, she slept and by the time she got up she was fine. To God be the glory!

Sister Mirabel: 672 139 960

the Glory of God I bruised the head of the enemy. The pain lasted for five days but I want to thank God for giving me the power to bruise the enemy's head for the pains did not stop me from conducting the monthly all-night prayers and Sunday service. Thanks be to God for His Word through His servant.

Elder Patrick: 675 38 84 80

KUMBA

Hallelujah! I thank God for Divine healing through the "Manna Feast". Each time I am on my menses, I always experience severe menstrual cramp that last for about a week. This time, I laid the hand in the "Manna Feast" on my stomach and prayed. To my greatest surprise, the pain disappeared. I am so grateful to God.

YAOUNDE

Praise the Lord! I want to thank God for His favour upon my life. I applied for a job with the Americans and out of 2500 people who applied, they needed just 250workers. I hear ministers had sent in names of their candidates but i believed God had given us a provision that is above the wisdom of men. So I laid my hand on the hand in the "Manna Feast" and I kept making a declaration that my name must be there. As I contiinued to believe and declared, the list finally came out and my name was among the selected few. Even some of the names brought by ministers were not selected. This is what only Jehovah can do.

Congratulations! Welcome to the month to release on a fruitful ground the seed of God's Word that has been within your content. You are called upon to be stirred up and step out to sow a seed of the Word. The Word invested in you can only make you relevant as you get it multiplied by sowing or reaching out in the lives of men. Make sure each step of your move is ordered by the Lord through the power of His spirit for this is your season to sow.

You are called upon to apply in all aspects what it will take for the world to receive the light of the gospel through you. The Hosts of heaven are waiting, the Lord is looking at you and you can hear from the spirit GO! I am with you to defend my Name and to be exalted among the nation. Don't say I can't go because the Lord is your ability and your strength. All you need to do is to make yourself available and all will be made possible by His Grace, the power of His spirit. Once more, you will be remembered tomorrow for what you sowed today. So arise in this season in reaching out the gospel to the dying world. Get it spread throughout your regions and you will realize and manifest an untold power of His presence. Know ye as it is written, the gates of hell shall not prevail. It is mandated and it is sealed. You will prevail by fulfilling this Divine assignment. God bless you as we move through the days and the weeks of the month. You are welcome!

WHEN THE WIND BLOWS

Winds indicate a sudden move that will take our generation unaware. Such wind always come to scene when you must have been through issues. The blowing of the wind indicates the gathering of the cloud and the clouds gathers to release an outpour of rain to cause what was hidden in the earth to rise in its nature and ability.

Acts 2:2 "And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting."

Before this particular incident took place with the Apostles and the disciples, we all have a background knowledge that the church had just been into torture, humiliation, rejection which led to the cruel death of the Lord Jesus at Golgotha. It was like all hope was gone but child of God this reminds me of the scripture that God spoke through the prophet Nahum when the people in his days were going through a lot of issues in life. Their situation was just like that which happened to the followers of the Lord. It looked like their end had come but that was not what was in God's agenda for Nahum and the people of his time. God proved to them that He is a jealous God and a God of vengeance who will never allow His people end in a shameful mode. That everyone takes advantage of you as His son/daughter because of your comely meek attitude; the Lord declares He will be an enemy to your enemies (Exodus 23:22) . In the midst

you, a sudden wind is released.

God has never and will never make a mistake. There are some things that you have been into that onlookers will feel that your God has made an error and has forgotten something about you. Know that He is called an Omniscient God. Let us see what the Bible says in

Nahum 1:3a "The Lord is slow to anger and great in power, and will not at all acquit (hold guiltless) the wicked."

Looking at the above mentioned scripture, the Lord had declared He will not hold the wicked guiltless. So every wickedness men hold against your life because of the mark of God upon your life, the mark of the whirlwind and the storm will surely avenge for you. Whirlwind is a mark that the Lord is about to do a new thing in your life and through you. It appears as if the enemy's attack has almost render you voiceless, made you to appear as an object of scorn and your initial favorable coat of many colours being taken away from you. Your testimony of old almost taken away from you, loved ones the heavens are opened and the wind is about to blow. As the wind blows, the wicked will not go unpunished.

Proverbs 11:21 "Though they join forces, the wicked will not go unpunished; but the posterity (future generation or offspring) of the righteous will be delivered."

mandated their deliverance and preservation and it is sealed. As He did with Abraham, so is He doing with you today. The Word of God stands and will forever stand. The whirlwind will sink and bury your enemy but its effect upon your life will bring an announcement of dignity and promotion. The Lord uses the whirlwind as a medium to separate the wheat from the chaff; He uses the whirlwind to identify and eliminate a mixed multitude among His people. There are people that walked into your life that were not part of your life. As the whirlwind genuinely passes, it will blow them off your life and affliction will not rise again.

Nahum 1:3b "The Lord has His way in the whirlwind and in the storm, and the clouds are the dust of His feet."

It is by the reason of the whirlwind that the Lord told Nahum that as the whirlwind blows, affliction will not rise a second time.

Nahum 1:9 "What do you conspire against the Lord? He will make an utter end of it. Affliction will not rise a second time."

It was the effect of the whirlwind that happened with the early church that brought such a massive release of God's presence which had to silence the enemy in darkness and those that were held bound were released and exposed to the light of the gospel. For the first time in life after the

received the baptism of fire. That is why there can't be a birth without travail. The satisfaction of one's soul can only be actualized through travail. The Apostles travailed from different courts of judgment, humiliation and intimidation. Little did the workers of the enemy know that the God of vengeance was at work.

Whirlwind comes along with travail and struggles but it is unfortunate that some die in the struggle while others travail through the struggle. My joy is; with your garment unspotted is an indication that you have travailed and triumph through the storms and the wind. The prophet Isaiah tells us that true satisfaction only comes by a life of travail.

Isaiah 53:7&11 "He was oppressed and He was afflicted, yet He opened not His mouth; He was led as a Lamb to the slaughter, and as a sheep before its shearer is silent, so He opened not His mouth. Verse 11 He shall see the labour of His soul, and be satisfied. By His knowledge my righteous servant shall justify many, for He shall bear their iniquities."

The travail of your soul as a son/daughter of the Lord is a pathway laid down by God for you to enter your rest and to be satisfied with the fruit of your labour. Both the righteous and unrighteous are given to travail but one will have a glorious end while the other will have a shameful end. That is why the scripture tells us that Zion will not put to birth children unless she undergoes her

be hated but the Lord says He will glorify Himself in your life. He will appear for your glory and the people that took advantage of you shall be ashamed.

Isaiah 66:8-9 "Who has heard such a thing? Who has seen such things? Shall the earth be made to give birth in one day or shall a nation be born at once? For as soon as Zion was in labour, she gave birth to her children. Shall I bring to the time of birth, and not cause delivery? Says the Lord. Shall I who cause deliver shut up the womb? Says your God."

God remains the Author of the inception of your value. Before the inception, He has made all provisions even without your knowledge for that dream, vision, and plan to be actualized. His wind blows to span your scope from your fellows. The blowing of the wind indicates the gathering of the clouds and the watering of the earth. We could see that as the Apostles did travail, their clouds gathered and there was an outpour of the rain of revival. For the very first time, Peter the Apostle became more eloquent, explicit and effectual than when they had not gone through the storm while with the Lord. But after the storm proceeded, their evidence was relevant such that their words cut through the hearts of men and they submitted in the hands of Peter and the other Apostles.

Child of God, let the travail you have been into bring you rest in this season. As Peter sowed the Word and brought a great harvest, this is your portion in this

season, your affliction will not rise again. Arise and shine!

PRAYERS

1- Father, I give you all the glory for my timely season.

2- Oh Lord, blow away every chaff in my life.

3- Lord, let my travail bring an evidence in my life.

4- Oh Lord, take me by the hand and order my steps.

5- Endow me with a daily fresh encounter from your throne.

6- Thank You my Father for hearing me.

THE LONG AWAITED CALL

The long awaited call brings me to an incident that occurred during my elementary studies. We had a custom in our school that during the third term, we always wrote what we called the promotion exams. In this said year, we were all stocked in class and we were told that when you are called you will leave the class to the next class. We were all gathered. I knew that I did not do well during the examination sitting and I had mixed feelings. The way our school was built, we hadn't ceilings but just partitions that shared the classes. Our teacher began reading the results and we were made to know that a good number of the pupils were going to repeat that class. As the custom was in those days, they will start by "the first in this class is…." and there will be dead silence. Only the ones that had made it will be shouting and moving to the next class. I was not even among the first ten. As the pupils were moving to the next class, my heartbeat kept increasing. The worst moment came when one of my closed friends was called before me. He did something I will never forget in life. When he moved to the next class, he mounted the bench and waved me with a sign of bye bye. I almost melted and it was like my end had come. So I was just like let me make up my mind but all of a sudden, as the teacher was about rounding up, I heard the sound of my name. I don't think I actually walked; I dived into the next class. So I had to join the class of promoters and a good number of pupils repeated. To me, the pass of that year

a pass in an examination on earth. It has to do with the call to fulfill destiny.

Exodus 3:4 "So when the Lord saw that he turned aside to look, God called to him from the midst of the bush and said, "Moses, Moses!" and he said, "Here I am"."

Everyone that have had an encounter with the God of his salvation, there is an impression, a burden that resides within your being. Though all humans may be occupied with many things, you will realize that among many of the assignments you are called to carry out; there is a predominant one which you frequently become burdened about. There is a question that keeps ringing in your mind how will this happen? Because in the framework of your ability, you don't seem to be in possession of what it takes to actualize it. This call is a kind of call that the heavens have to step into the earth to elevate or take up what could not be handled by mere human ability. All called by God who are still in transit are carrying nights of prayers, fasting, retreats, seminars, going to counselors just to access the root path to be connected to the long awaited call. It is like living without realizing this call, it was better you were not born at all. I don't know how many of my readers are having these yearning thoughts. I was sent to tell you; the heavens will soon echo your name to your hearing.

Moses the deliverer could never find fulfillment in anything he was doing; not even in the palace of Pharaoh

Egypt. Before now, Moses had gone through a lot that could make him give up in life and everything he has ever had as a burden to see his people delivered. In one of those days, he was turning around the mountain in desperation having spent forty years in the palace of Pharaoh, forty years in the land of the Midianites making eighty years. So the question any right thinker will ask is can a man at eighty still answer to the course of life and fulfill it? The world has intoxicated us and some of us have allowed this intoxication to ruin our faith in God with slogans like "if at forty, you have not done this or that as a man, then you will never become anything again (a fool at forty is a fool forever)". **CHILD OF GOD**, I come to tell you, the Author of life proved that wrong. That at eighty years a man was able to receive from the Lord the long awaited call. Such call is not just an ordinary call; it is a call to greatness and relevance. From the day Moses was called by God, his person was never seen in a timid form but he reappeared in Egypt as a voice and as a deliverer.

We have been predestined by God to be called to fulfill destiny. Know that at any instance that this call will meets you, what was embodied in you will be realized, actualized for there are mechanics going on within your life that you may not know. But God is in the forefront for you were ordained for this mission before you were ever born. Don't walk away because things look stagnant, unprogressive to the best of your knowledge. I want you

is for God, how fresh and strong is your love for God? How much do you distant from what God hates and go for what God wants you to embrace?

If the fear of God, the love for God and the hatred for sin is still evident in your life, I want to assure you, you are on the right tract. These are the marks that tells you a child of God that despite what you may be going through physically, you are still in His purpose and plans.

Romans 8:28-30 "And we know that all things work together for good to those who love God, to those who are called according to His purpose. For whom He foreknew He also predestined to be conformed to the image of His Son, that He might be the firstborn among many brethren. Moreover whom He predestined, these He also called; whom He called, these He also justified; and whom He justified, these He also glorified."

Child of God, you have been predestined to answer to a call and as you answer to the call as Moses, Abraham and a lot more did, you shall receive justification from the Lord and your justification will give you glorification. There is one encounter you need and I call this encounter the long awaited call that will turn the page of your life and will make your dreams come true. As you rise in this season to stretch out, let the heavens meet you with such encounters that you will tell people; this is what I saw years behind, this is what I have been living to see. It will be an act for a turn around. It is like Joseph

imprisonment? What has become of the frame up of Potiphar's wife? It is like Joseph being crowned and in his royal robe seeing the ten brothers that sold him going on their knees and calling him "lord your servants have come''.

Child of God, the heavens are watching to see you celebrated in the volume of your God's given dream. I guess at the back of Joseph's mind, he watched the ten on their knees and he remembered thirteen years ago when he had a dream where their sheaves bowed to his own. And the dream had finally come to pass. This will happen on three conditions

- Hear the call
- Answer the call
- Follow the pathway of the Lord

As you hear the call of the Lord today, walk in it relentlessly. Each and everyone predestined is summoned to answer to this call for all about the beauty, glory and preservation is embodied in this call. Don't allow anything to hinder you as you anticipate hearing it echo, it will happen. As Moses received his at the age of eighty and Abraham at seventy five, the Lord will meet us at different times and seasons but all I have to tell you is get ready for the long awaited call from the Lord, vindication from the Lord, celebration from the Lord, the long awaited

PRAYERS

1- Father, thank you for your Word.

2- Lord, take me to be on the ground to hear when you call.

3- Lord, help me to answer rightly.

4- Father, cause the embodiment of my calling to be made manifest for your glory.

5- Thank you father for the answer in Jesus name.

KNOW THIS SEASON

Every event is tied to a season. People that missed a season for a particular thing they needed to be done in their lives will always live to suffer the effect. When you look at the globe, you will understand that it takes knowledge to know in order to have proper organization with provisions to make things go right. Like in the West where they have four seasons, there are things that when you labour to sow during winter you will not reap. So the people have given in to know the seasons. So during their seasons they have the knowledge of which particular occupation will fit which season and that makes both their lives and economy progressive. I have this quote to say "it takes a knowing mind to make things happen rightly". It is deceptive for you to think or feel that everything can be rightly addressed at any time in any order. When God encountered the children of Israel concerning their salvation, deliverance, restoration, all these events were attached to time. Even in the circular world, at times people may be in hurry because they know the time and they may see themselves behind time. If you don't know the season, you will be carried away by error.

There are particular signs that the scriptures have indicated and those indications are tied to time or season. So when we look at our subject, it is of importance for us to know the season in which we are living. These are not just the last days; it is the last hour of the last days where

with lying words and making everything for it to appear normal even in the church. People that were trusted have tend to betray their trustee; the things that were to be exposed, people are doing everything at their reach to cover them up. Jesus warned the church and it is important for us to understand what is expected of every child of God who wants to make heaven. This is because the fact that many people approve a wrong thing doesn't make it right. There can just be one right man and that right man is approved by God. That is why we can draw an insight from Noah and his generation that just eight persons were saved on earth. What is wrong is wrong; if it escapes the punishment of men, it will not escape the punishment of God.

Just like David committed adultery with his servant's wife, got her pregnant, got the servant killed indirectly in the battle front. David escaped man's punishment but months later the punishment of God still met him and he could not escape the consequences. The fact that men still use human's word to make things normal will never change evil in the eyes of God to appear good. Christ warns and is still warning the church today by His Spirit that when we behold the abomination of desolation spoken by Daniel the prophet, it is not for us to move into compromise; it is for us to walk out of compromise and station on the most Holy ground.

Matthew 24:15 "Therefore when you see the

We can see this desolation actualized in our days and standing on the holy place. And which are these holy places where abomination and desolation resides. There are churches that were built to proclaim God's Word and to reveal the mind of God to the people but today, the contrary is the case. How? Sinners now make their boastings on holy ground without any fear or remorse for the sins they have committed. We now see people kill on holy ground, shedding innocent blood; today, people of same sex can stand before the pulpit to receive marital blessings; Men with men and women with women. Today, a church has been opened where the antichrist has showcased himself and people are busy inscripting themselves with the mark 666 which is the mark of the beast; as seen in scriptures in ***Revelation13:18.*** Today, there are churches where men, women and children go to church naked; these are the abominations residing in the holy places. But for the remnant, the Lord says, walk out of them and be ye separate; ***2 Corinthians 6:***14 Child of God know the season!

We are living in an era where people go to Bible school and get their graduation for service on the altar of magical powers to draw crowds and to enrich themselves. There are a lot more of satanic event that have penetrated houses of worship that was called to reverence God. This will draw my attention to a case that I handled that was brought in an insane condition; a lady.

she went to the secretariat of this prophet and met a crowd of people on a line to see the said prophet. When it was her turn to see the prophet, she was ushered by the protocol to the prophet's office. As she reported to me, when the prophet set eyes on her, the spirit of lust and immorality took control of that office. The prophet told her that he will have sex with her in order that he could transfer power to her so she could see and act like him. The girl left that place possessed and insane and her deliverance took days of prayers before the yoke was broken.

Every man/woman of God that will step into your life by caressing or romancing you in the name of deliverance is an agent of darkness from the pit of hell. Many more of such wickedness is going on in this season where pastors rear human beings as table birds to feed their ego and pride; where nothing is being spoken of heaven, hell or the pending judgment of God. Most of them are prayerless but full of activities. Child of God, know this season. I have prayed and delivered men of occult and they have openly confessed to me that they have pastors and preachers as their members. They come for demonic powers so that they can hypnotize their victims. We are in an era where people say something else, and within them they mean something else. They advertise something different and manifest something different. You should not play with the only soul you have for if it is condemned, you will never have anyone

Paul writing his last words to his son Timothy vehemently warned him to guard his life, his purpose and stay focused to his goal of eternal life as we read in

2 Timothy 3:1-5 "But know this, that in the last days perilous times will come: for men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power. And from such people turn away."

Looking at the above mentioned points, we are not far-fetched from its effects. Run for your life and save your soul. Jealously guard your purpose and go into a fellowship with God loving people. Don't get your life messed up with the syndrome or the message of "It Doesn't Matter" for it is written he that does righteously is righteous even as He is righteous.

1 John 3:7-8 "Little children, let no one deceive you. He who practices righteousness is righteous, just as He is righteous. He who sins is of the devil for the devil has sinned from the beginning. For this purpose the Son of God was manifested that He might destroy the works of the devil."

In this season to sow, the fruitfulness of your harvest

will suffer labour lost. Remember, there is a landmark that God gave to Adam in obedience to His Word and the violation of that landmark led to evil and punishment. We are also called to sow and live in righteousness that is why the book of proverbs says we should not remove the ancient landmark which our fathers set.

Proverbs 22:28 "Do not remove the ancient landmark which your fathers have set."

We are also instructed that our establishment and our future have its stronghold or guarantee in righteousness. ***Hosea 10:12*** gives us a command on how to work and how to sow a seed that will give us a great future.

Hosea 10:12 "Sow for yourselves righteousness; reap in mercy; break up your fallow ground, for it is time to seek the Lord, till He comes and reigns righteousness on you."

As we all know, righteousness exalts a nation but sin is a reproach to any people. ***Proverbs 14:34***. As you give in to know the season, you have to be watchful and vigilant in order for the adversary or the devil not to make you their prey or victim. God bless you and be strengthened in grace for a great future awaits you.

1- Father, deliver me from all last day pollutions.

2- Lord, keep me away from the error of this hour.

3- Lord, plant me in your righteousness.

4- Grant me grace to remain steadfast till the end.

5- Thank you Lord for the answers.

ONE KIND OF DECEPTION

Proverbs 22:29 "Seest thou a man diligent in his business? He shall stand before kings; he shall not stand before mean men." (KJV)

In life, there is an up and down movement and if you have to search the thoughts of men, all such movements is to either achieve something to give their lives a progressive change. Most often very few sit down to learn the laid down principles that could bring progress and development in their lives and society. Each time you are into a journey, it is very important for you to judge the fruits or the outcome of that journey after a mile of walk. The inception of anything goes along with its evidence as the days unfold (e.g child conception). If you are one that has embarked on a journey and you are not able to realize evidence that should portray an image of your goal, then you should know you are on the wrong footing. That is why life could be addressed by taking stock and carrying out evaluation in different intervals after taking some steps. You need a proper understanding if you must increase in capacity as an individual. Let us see how the Word of God addresses men that are void of understanding.

Proverbs 21:16 "A man who wanders from the way of understanding will rest in the assembly of the dead."

When you stray from what you were supposed to know,

while living people increase in value. Change will not come until you are given to work. From the spiritual to the circular world, one factor is common among men that are making progress in life. They are given to **hardwork**. It is total deception for you to rise up in the morning and fold your arms till evening and feel that the days ahead will birth increase and honour in your path. All renown men and women were given to work and something is common among those God ever called. God met a cross section, about 80% of them when they were at work. Each day of your life that is not attached to work is ruined with its value. Many are fooled up in this deception and they believe one prophecy or one dream to be made manifest in their lives. If you are in such category, you need deliverance because you are already in the company of dead people. You can't be outstanding in life if you are not given to work. That is why the scripture says your increase is by labour. To be an effective preacher, you must be given to work both in prayer and in the knowledge of the Word.

Proverbs 13:11 "Wealth gained by dishonesty will diminish, but he who gathers by labour will increase."

If you are a scammer, a dupe, an armed robber or any other form which is not by labour, if you gather wealth through those sources, don't expect to see an increase tomorrow. They will all vanish like vapour but he that gathers by labour will increase. This is because in

numerous churches he established in different nations, he raised sons/daughters and planted them as pillars in the house of God. He did not achieve this with a weak hand but he achieved through hard work. He confessed to his church in his day the reason why his ministry was outstanding.

1 Corinthians 15:10 "But by the grace of God I am what I am, and His grace towards me was not in vain; but I labored more abundantly than they all, yet not I, but the grace of God that was within me"

If the grace of God given to us cannot lead us to hardwork, then we should know we have abused grace. The grace of God does not sponsor laziness, because laziness is sin. Paul wrote in his epistle that if a man does not work let him not eat because only dead people don't eat. Paul being an Apostle was a man given to work. He did not use his position and title as a ground for excuses for not doing what he was supposed to do as supposed. In as much as he was preaching, he also owned a tent making company. That made Paul a man that one could emulate (copy from). The works of Paul still speaks till today not because he was lazy. He was focused and hardworking and this brought relevance to his life. Many aspire to have glorious changes in their lives but they are not ready to work. Every resistance they may have, they amplify it so that they may have reasons for not working. If you allow yourself in such situations, you are killing your future,

The Apostle Paul spoke so much on labour and its fruits. You may not exercise boldness over an inheritance you didn't labour for when its rightful owner is still alive. But you can always exercise authority over what you have labored to achieve. No true labour goes in vain.

1 Corinthians 15:58 "Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labour is not in vain in the Lord"

There is no one who is diligent at his work that will not have good fruits to show forth. You know a true worker by the fruit he produces. Every promise or covenant you are into given by God you must work it out. It is like a man enrolled in the primary school. The First School Leaving Certificate is only awaiting you at class 6. So if you can't walk through class one to six you can't achieve the certificate in that academic circle. Hardwork with Divine understanding is the capital force for success. All those playing games with time, their fruits will prove them wrong in the days ahead. How do you engage yourself in the right lane for work? You are not called to do everything. There is a particular lane that your talent and the knowledge acquired can better address. So you must find out the area of your ability in knowledge, in talent and put that ability to work so that it could answer to the needs of other people. When that is properly done, the resources and the ability within you will mount up on

as a child of God, you need to answer this question "What do I have to offer into my life, the society and the house of God that in return, I may reap the fruits of my labour? So as earlier said identify the areas of your strength and knowledge and put them to work. The scripture says the lazy man will desire something but he will never have it. Many lazy people desire great things and they will die without seeing any of those desires if they don't change.

Proverbs 13:4 "The soul of a lazy man desires; and has nothing; but the soul of the diligent shall be made rich."

Many lazy people have sky scrapers in their thoughts, they have luxurious cars in their thoughts, have doctorate degrees in their thoughts but they are living in slumps to die in their slumps one day. Let the lazy move to the bees and the ants and learn a lesson. You will not change your world or recreate it in laziness; you will do that by hardwork. The Bible commands in proverbs 6:6 that go to the ants and let the ants be your teacher. It is a bad lesson for an insect to be a teacher to human beings. So all those with weak hands, arise and stop deceiving yourselves.

Proverbs 6:6 "Go to the ant, you sluggard! Consider her ways and be wise."

The ant is a generation of insects that are not strong but they are so committed and given to work that they are able to preserve food for themselves and their young

on the frontline of leadership.

Proverbs 30:25 "The ants are a people not strong yet they prepare their food in the summer."

Looking at our lesson, hardwork need to be applied in all works of life in order to guarantee a successful end. Many of us admire the way God worked with some of the men of old. God is not looking for a lazy man to anoint but a man who is diligent and hardworking. There are lessons that we can draw inspiration from in the scripture. It was until Saul went out to work before he met Prophet Samuel who anointed him to become the first king of Israel. David was also given to work. We know that among the sons of Jesse; all were at home except David. The heavens are looking for people who are hardworking, to release more of grace upon their lives to enable them excel. Every genuine impartation will rest on those who are given to work. Those that labour in prayer, in evangelism, in studying that they may be able to rightly divide the Word of truth. We are told in the book of Kings that Elijah met Elisha when he was ploughing the yoke of oxen. Then Elisha began following Elijah. He did not take over the mantle by chance but by hardwork. He labored to have the mantle of Elijah. God will be there to back whatever thing you got by right and not by deception. Elisha followed hard behind Elijah for the mantle and that hardwork enabled him to access the double portion of Elijah. For the glory to cover Moses, he labored in the

to work.

PRAYERS

1- Father, forgive me for being lukewarm.

2- Oh Lord, let the yoke of laziness over my life be broken.

3- Lord, I receive grace for work.

4- Thank you Father for the answers in Jesus name.

VALUE FOR ETERNITY

Value can be referred to as the quality of a thing, how useful it is or the importance attached to it. Eternity has to do with an endless existence or living. Many have argued and are still arguing about the authenticity of the believe of eternal life or life after death. Your life left on its own with its occurrences can answer that question. What is that thing in me that makes me living and what is that thing that goes out of me and makes me dead or inactive. If the thing that makes me living will be in me, it will make my body live forever. I call it thing because you may be one who does not believe in eternity going through the chapter. I pray you have a thought and get your mind settled for you will spend eternity either with God or with the devil in hell. Whatever a man values, he will live for it and what you don't value, you will not live for it. So everyone has a choice for you were made to either decide to live for eternal values or for a temporal pleasure of sin.

The Bible stands as an inspired historical book that if one diligently gets into its knowledge, many questions that are in suspense in people's minds will be answered. From the days of Adam and Eve to Noah, Abraham, Moses, Elijah, Isaiah to our Lord Jesus and the early church till today, you will find the power of God in control over all issues of life. All those that lived for eternity in subjecting themselves in obeying God's Word, their descendants have emerged in different generations with outstanding

historical events in the Bible, the locations mentioned and some of the things that were written in scriptures thousands of years ago have been discovered today by archeologist like the Ark of Noah, the statue of Lot's wife that became a pillar of salt. Some manuscripts discovered in caves, the patches of Isaiah's writings and a lot more. Moses lived in his days and there is a scripture in ***Deuteronomy 34:1&5*** that Moses died in Mount Nebo and his remains were buried by God. Thousands of years later, the very Moses was seen on the Mount of Transfiguration with Elijah talking with Jesus. This is telling you that the Moses that died thousands of years ago is still living till today. The men that were also in the days of Moses that did not value eternal rest will also resurrect and be in union with the person they were serving. Moses was able to commune with Jesus because he was the servant of Jesus' Father.

There are two things that humanity will pledge their lives for either to be a slave to sin or a slave to righteousness ***Romans 6:13***. Whether black or white, rich or poor, literate or illiterate, the whole world are on these two courses either to be a slave or servant of sin or a slave of righteousness. Jesus on His days on earth came with the mandate of life for humanity. Being God, He overcame the power of the flesh and death for all believers. He let the people of His world to believe that there was life after death and that is why His Word went ahead of His action. The world did all they could to violate

and I will raise it after three days". After crucifixion and burial, He rose from the dead the third day. He died not because He was subject to death but He took the human form in order to resurrect us from the power of the grave and the power of death. Jesus did not die because of Himself but because of us. To everyone that has believed in Him and received Him in their lives, the godlife that was in Christ is also in them. Other people died and they are called late Mr./Mrs. But Jesus was never called late. We are told that the saints that died came out of their graves after His resurrection not in an invisible form but in a visible form like Moses and Elijah.

Matthew 27:51-53 "Then, behold, the veil of the Temple was torn into two from top to bottom; and the earth quake, and the rocks were split, and the graves were opened; and many bodies of the saints who had fallen asleep were raised; and coming out of the graves after the resurrection they went into the Holy city and appeared to many."

Having gone through this, you can become a child of resurrection by surrendering your life to Jesus. If you have already given your life to Jesus, make sure you don't fall back to your old life of sin. The value you attach to eternity will be seen the way you will live for eternity. Those that must have eternal rest in God's kingdom must hold the things and the life of the kingdom as their prime reason for living. The kingdom life must get hold of your

and the righteousness of the kingdom.

Matthew 6:33 "But seek first the kingdom of God and His righteousness, and all these things shall be added to you."

When we look at this scripture, we will have to conclude that the kingdom and its righteousness is what is in command over everything that is visible and invisible. In other words, the kingdom life when accessed command other good things to identify with you. Child of God, what should preoccupy you before any other thing should be the value you have for eternity. For the Lord says "What shall it profit a man if he gains the whole world and loses his own soul?" though it is not possible for an individual to gain the whole world, the Lord says even if that is possible, eternity still have more worth than to be a temporal owner of the things of the world which will soon pass out like vapour. Many believers have been overtaken by the things of the world and these have jeopardized their love for God. Many are broken in the church on grounds that since they gave their lives to Christ, there is nothing to show forth. They forget to know that they have eternal life which is the greatest gift. The greatest gift is that which cannot be taken away from you but any other gift can be taken from you. The greatest gift that should be cherished is eternal life from God before riches, marriage, education and other things come in. A believer like Martha the sister of Mary who made commitment

Luke 10:41 "And Jesus answered and said to her Martha, Martha you are worried and troubled about many things. But one thing is needed and Mary has chosen that good path which will not be taken away from her."

All other things could be taken from you by men but only you can let eternal values go. You are called today as a believer to value your salvation and jealously guard it. Let no human or demon deceive you at anytime like Judas was deceived and he let go eternal life for thirty pieces of silver. Child of God, there are things you need to know in keeping your relationship for eternity alive. A strong fellowship in prayer with God, a strong fellowship in studying and living by the Word of God, a strong fellowship among other believers and a strong commitment for the work of God's kingdom like Jesus rightly said in

John 9:4 "I must work the works of He who sent me while it is day; the night is coming when no one can work."

We can also see another instruction from scripture about how you need to pray.

Luke 18:1 "Then He spoke a parable to them, that men ought always to pray and not lose heart."

And also in

We are also commanded to be enriched by the Word, Colossians 3:16, 1 Timothy 4:13&15, Hebrews 10:25

Colossians 3:16 "Let the Word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord."

1 Timothy 4:13&15 "Till I come, give attention to reading, to exhortation, to doctrine. Meditate on these things; give yourself entirely to them, that your progress may be evident to all."

Hebrews 10:25 "Not forsaking the assembling of ourselves together, as is the manner of some but exhorting one another and so much the more as you see the day approaching."

Looking at the above scriptures, every believer that must live a healthy spiritual life must give in to the prescription of these scriptures and wholly live by them. From here you will be able to stretch out as the light of the world and as the salt of the earth. May you never turn back for any reason from pursuing eternal values. To guarantee the salvation of your soul for heaven and earth shall pass away but the Word of God shall not pass away. As earlier said, your salvation is the lone gift that has been given to you by God and no man can take away from you but for other things men can take from you. Prepare! Prepare! Prepare! to meet the Lord. God bless you as you do. See

1- Father, give me a consciousness of the kingdom.

2- Lord, empower me to live for the kingdom for the rest of my life.

3- Oh Lord, help me cherish my salvation and to keep it.

4- Oh Lord, I lift my voice against every advancement of hell against my soul.

5- Lord, preserve me under your bosom in Jesus name.

THE ANOINTING

The word anointing comes from a Greek word ''chrismal'' and a Hebrew word ''messiah'' which is being interpreted Christ or the anointed one. In our study, we will be looking at the role and importance of the anointing over the life of a believer. Every believer needs the anointing in order to serve well in the Vineyard of God. The anointing over a believer is a must because it is the presence of the anointing that opens a page to fulfill your divine assignment. Reasons being that a believer has a lot of conflicts and battles from the demonic kingdom whose intention is to see that the purpose of God on earth be destroyed. God's purpose on earth is heralded by God's children. Being called to serve is one thing but receiving the anointing to serve is another thing. Many have been called to serve but they have never really spent time to wait for the anointing to serve.

When you got born again, you accessed the indwelling presence of God and that is what makes you a child of God. A believer needs the anointing to answer well in his jurisdiction of service just as a soldier needs authority to go for war. You pray and wait for the anointing; Jesus taught and showed us that. From the prophecy of Isaiah concerning Jesus and those that were to be His followers or disciples, emphasis has been made about the anointing. The anointing of service is your weapon of war which every believer must go for. For

is the impartation of the Holy Ghost upon a person.

Isaiah 10:27 "It shall come to pass in that day that his burden will be taken away from your shoulder, and his yoke from your neck, and the yoke will be destroyed because of the anointing."

The anointing is a burden remover and a yoke breaker. It is a weapon. To see another important scripture that ties with the anointing and to see how it is committed to service. Your service cannot be effective if you are not endow with the anointing. Great men have done well in services because of the anointing as we see in Isaiah 61:1-3. You will discover here that all that the anointing is given to, is for service and effectiveness, in order to establish divine plans on ground that were never established. Let's read through;

Isaiah 61:1-3 "The Spirit of the Lord God is upon me, because the Lord has anointed me to preach good tidings to the poor; He has sent me to heal the broken hearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; to proclaim the acceptable year of the Lord, and the day of vengeance of our God; to comfort all who mourn, to console those who mourn in Zion. To give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness; the planting of the Lord, that He may be glorified."

every New Testament believer to know the importance of the anointing and to go for it desperately. The anointing facilitates one's work and announces him/her. Everyone who must have a genuine anointing from the Lord must prepare his/her vessel to receive it. Jesus in Luke's Gospel spent 40days of waiting in prayer and fasting and in verse 14 of chapter 4, the Bible says Jesus returned in the power of the Holy Ghost and His fame went round the region. So the anointing announces. Every believer is commanded to wait for this anointing before you can go into public manifestation of God's power and wonders. Christ's public ministry began with the outpour of the Holy Ghost and power and anywhere He passed, there was a spark and a release of power and glory. This was the power upon Christ that opened the eyes of the blind, raised the dead, cleanse the lepers, healed the sick and delivered the oppressed and the gospel preached to the poor. One thing we should learn from the Lord's ministry is that, genuine anointing comes by consecration. That is, setting yourself apart to spend time in God's presence.

Without the anointing upon the church, the gospel may never reach the ends of the world in its power and glory. The gospel will affect the ends of the world by the power of the Holy Ghost (the anointing).

Luke 24:49 "Behold, I send the promise of My Father; but tarry in the city of Jerusalem until you are endued with power from on high."

like a shield of protection for the believer, it acts as an energizer in your spirit man. We can see this from the Old Testament that each time God was to sought an Israelite for service, that Israelite must be consecrated and anointed. We can see that between Miriam and Aaron. The consecration Aaron had, Miriam did not have it. That is why the plague of leprosy that befell Miriam could not befall Aaron. Aaron had a shield from the anointing he had from consecration. The vessel to be anointed must be righteous and holy as we see in the Old Testament from the material that was used to anoint the priest.

Exodus 29:1-3 "And this is what you shall do to them to hallow them for ministry to Me as priest: take one young bull and two rams without blemish, and unleavened bread, unleavened cakes mixed with oil, and unleavened wafers anointed with oil (you shall make them of wheat flour). You shall put them in one basket and bring them in the basket, with the bull and the two rams."

When we look at the above material mentioned in scriptures, it emphasizes on unleavened and without blemish. So for the anointing to work for any individual, that individual must cultivate his/her life to walk in righteousness and true holiness. The anointing will not work well with you if your vessels are unclean. It may become judgmental as it was with Balaam. This anointing we are talking about is needed on earth to enable us carry on with the kingdom work on earth in God's supernatural

the mount of Hor, He told Moses to strip Aaron of his garment and immediately the garment was taken off, Aaron died.

Numbers 20:28 "Moses stripped Aaron of his garment and put them on Eleazar his son and Aaron died there on the top of the mountain. Then Moses and Eleazar came down from the mountain."

This was the very anointing that Samuel, Saul, David and many others received and it all worked for them and announced them. Once it comes over your life, you are changed to another person that physically people could notice that this is not the person we use to know. In the New Testament we are joined with Christ the anointed and we share the same anointing that was in Jesus Christ.

1 John 2:20 "But you have an anointing from the Holy One, and you know all things."

The anointing comes from a Holy God so the recipient of the anointing must be holy in order for the anointing and the anointed not to have a constrain. As earlier said, you need to prepare yourself to receive such an impartation from the Holy Ghost in total humility, obedience and cleansing from everything that is unclean.

Your sanctification will keep away every unclean device or spirit far from you. Don't aspire the anointing in sin because an unclean spirit could invade you. But once your

life, every lesser power is bound to bow. The genuine access you give to the Holy Ghost gives Him access to reveal secret things to your spirit. Like the Apostles they were holy vessels and that is why the Holy Spirit was able to communicate deep things into their spirit man. And communication brings perfect results. Other men pretended and joined the Apostles as disciples but they were sought out by the Holy Ghost and the anointing dealt with them. An example of such is Simon the sorcerer in

Acts 8:7,18-19&22 "For unclean spirits, crying with a loud voice came out of many who were possessed. And many who were paralyzed and lame were healed. Verse 18-19: And when Simon saw that through the laying on of the Apostles' hands, the Holy Spirit was given, he offered them money, saying, give me this power also that anyone on whom I lay hands may receive the Holy Spirit. Verse 22: Repent therefore of this your wickedness and pray God if perhaps the thought of your heart may be forgiven you."

Another one was Elymas who pursued the Apostles to turn men's heart from the Spirit

Acts 13:6&8-12 "Now when they had gone through the island to paphos, they found a certain sorcerer, a false prophet, a Jew whose name was Bar-Jesus. Verse 8: but Elymas the sorcerer (for so his name is translated) withstood them, seeking to turn the proconsul away

the devil, you enemy of all righteousness, will you not cease perverting the straight ways of the Lord? And now, indeed, the Hand of the Lord is upon you, and you shall be blind, not seeing the sun for a time. And immediately, a dark mist fell on him, and he went around seeking someone to lead him by the hand. Then the proconsul believed, when he saw what had been done, being astonished at the teachings of the Lord."

Without the anointing upon the anointed, the work would have ended on a very bad note though the messenger had a good intention to spread the gospel. So there are things the anointed must know in order to be alive with the anointing. When you go through scriptures from Acts 2 to the last chapter, you can see the Act of the Holy Ghost working upon the lives of the anointed. We could see many battles that were being won without stress because of the anointing. Arise and get anointed; if you are already anointed, grow with the anointing because there are levels of the anointing. As a child of God, as long as you are on the planet earth, you should know there are different levels to grow with the anointing.

1- Oh Lord, order my feet to the ground of waiting.

2- Oh Lord, endow me with power as I wait in your Presence.

3- Oh Lord, make me a vessel to carry your presence.

4- Holy Ghost, release upon my life an impartation in the name of Jesus.
