MONTH OF FEBRUARY 2018

BALI

Hallelujah! I thank God for all what He is doing in my life and family. This month I was particular blessed with the teaching of chapter 5 of the "Manna Feast", "The Cure For Controversy". I have been trusting God to show me what to do in His house and this month, God answered my prayers. I also thank God for using His servant to heal my daughter-in-law. To Him alone be all the glory!

Ma Peterma: 679 41 02 46

Praise the Lord! I want to thank God for His healing mercies through the hand in the "Manna Feast". I had an attack on my hand and the hand became stiff. I tried moving the hand in vain. I prayed using the hand in the "Manna Feast" and instantly I was healed. Thank you Jesus!

Bro Francis: 674 51 85 35

MBENGWI

Praise the Lord! I recovered my younger brother who got angry with me because I gave him a piece of advice. I also placed the hand on the "Manna Feast on my younger sister who was sick and she started manifesting. Thank you Lord for your healing power. Hallelujah!

Sis Assumpta: 675 61 85 75

Praise the Lord! I thank God for "Manna Feast" chapter 3

Sister Perculiar: 679 41 86 23

NDOP

Glory to God! I thank God for His healing mercies on the hand in the "Manna Feast". My classmate had headache which made her unable to read. After she prayed with the "Manna Feast" she was healed. Secondly, I had a neighbour who had been troubling me with the burning of charms and cigarette. Because we shared the same building, it really troubled me. I was provoked by this so I took the hand in the "Manna Feast", placed it on the wall that separates our rooms and prayed. He left the house the next day and after a while he came back and packed his things and left for good. I just want to return all the glory to God.

Sis Mirabel: 672 13 99 60

BAMBILI

Glory to God! For His faithfulness in "The month to Recover" My neighbour's child had been for a week without stooling even though she was eating well. The mother was planning to take her to the hospital when I went there and prayed for her with the hand in the "Manna Feast". Before the day went through, the child stooled and till date she is fine. To God be the Glory!

Sister Jacky: 677 81 27 47

BAYELLE

Praise the Lord! On Friday the 23rd of February I was attacked with severe stomach ache which made me to role

which I did. He prayed and the pain subsided and is now gone forever. I thank God for "Manna" from Heaven.

Ma Bonekeh: 677 45 41 50

Hallelujah! I thank God for His timely word in the "Manna Feast" and for His servant that He is using. I had an encounter in 2010 where the Lord opened my eyes to see a large field cultivated. I had tried many businesses to no avail. After the teaching on chapter 6 of the "Manna Feast", "Enlarge My Coast", the Lord took me back to the encounter. I cultivated 3 beds of spices in front of my kitchen and I have been harvesting from there like never before. Even when I take my spices to the market, I sell before any other person can sell. I give God all the Glory for giving me this inspiration!

Deaconess Benedicta: 675 10 25 59

NITOP IV (BEHIND CHE)

Hallelujah! I bless God for the "Manna Feast" especially chapter 6 "Enlarge My Coast". The "Manna Feast" is so powerful, so enriching, so inspiring and capable of taking one from a zero to a hero. I am triggered by the inspiration; the Body of Christ must wake up to this reality. Praise the Lord!

Pst Roland: 675 10 40 40

Hallelujah! Praise the Lord! Welcome to the season to stir up values for function. You were created by God with potentials that must be processed or incubated to speak out purpose. Your distinct abilities lies within the values embedded in your being (person). You need to discover these potentials and know how to go about with them.

In this month, meet God with your life and lift up an anthem to the Heavens; OH LORD, STIR UP MY VALUES TO FUNCTION. Your life will only be worth living or celebrated if the value that was sent to work actually goes to work and to fulfill the divine task that was tagged to it. Oh child of God; it is not time to bow to situations, it is time for your values to address situations. Until you get to God who gave it, that value may remain dormant and ineffective. But as you move to God in faith, the valour of your value will appear for greater works.

In this era where the Lord is determined to do greater things through you and in you, get set for the move of the Holy Spirit and let your days be colored as your value speak out in the mighty Name of Jesus. God bless you as we migrate to profound celebration as our values emerge to give us rest on all sides. Once more, welcome to this long awaited season set

FUNDAMENTAL CHRISTIAN VIRTUES

When we look at the fundamental virtues of a Christian, it will draw our attention to the fact that Christianity has a standard that must be followed to attain its goal and purpose. By so doing, it will enable the individual to be able to manifest the expected Christian character. Looking at the word fundamental, it has to do with a living or rule or law or article which serves as the grand work of a system. The grand work for Christianity and the virtues that attach to it will render an admirable quality in the life of a believer or Christian. So when you are a child of God called by God, falling short of portraying an admirable quality for the glory of God indicates that the fundamental material that will bring in these qualities is absent in your life. You are not just to have a passive knowledge of it you have to be grounded in its fundamentals. Also, it births, a manifestation of moral excellence in a person. What then are these fundamental virtues set forth for Christians to have?

The core of these virtues is LOVE. Love can be best defined by its effects and applications. We can only learn the effect and application of love through God

are, true love is sacrificial, true love is serving, it is to meet something that was going astray and you bring that thing to focus, it gives you a mastery over fear of the unknown and the known; true love brings about peace, it brings salvation, it releases justice and equity and this delivers a righteous and holy living which becomes a pattern of God's Kingdom. We can see scriptures that God have shown to us how love works and how it should work. The very first aspect of the application of God's love was the sacrificial offering of His Son on the cruel tree of Calvary for the redemption of mankind as seen in scripture in ***John 3:16***

John 3:16 "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."

The fundamental virtues of Christianity are mentioned in this scripture which are LOVE, Faith and hope. These are replicated in the following sentences "For God so loved the world that He gave" (Love), "That whoever believes" (Faith), and "Have everlasting life" (Hope). So the love of God came to intercept the dying world from perishing to gain salvation and

another scriptural reference in

1 Corinthians 13:13 "And now abide faith, hope, love, these three; but the greatest of these is love."

In as much as this love is available, the perished must respond to it by faith in believing in God and receiving the offer He has given to us. If you call yourself a child of God or a believer and you are void of love, just know you have lost focus to these fundamentals of Christian virtues. This will draw our attention to the fact that love is the opposite of hate. So he that hates his brother is void of love and does not know God. You cannot say you love God and hates what God loves which are the brethren.

1 John 4:20-21 "If someone says, "I love God," and hates his brother, he is a liar; for he who does not love his brother whom he has seen, how can he love God whom he has not seen? And this commandment we have from Him: that he who loves God must love his brother also."

So love can be best expressed in forgiving people of the wrong they have done to us. It can be best expressed in laying down our lives for others to stand well. It can also be best expressed in working hard

other humans. Anything that we express as love that does not tend to glorify God is not love but a counterfeit of true love.

- True love does not act in pretence; it is genuine and trustworthy.
- True love does not take pleasure in evil; rather, it scorns at it and walks away with denunciation.
- True love goes for the will of God, protects what God protects, cherishes what God cherishes and lives for what God takes pleasure in.
- True love goes for unity and peace.

Much about true love is expressed in

1 Corinthians 13:4-8a "Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails. . ."

ask if we have the seed of love for the word of God declares that 'God is love'. If you are a child of God aspiring to make Heaven tomorrow and you are void of love, you will not make Heaven at last. We are not called to profess love with the lips but we are called to walk in love as Christ also did.

Ephesians 5:2 "And walk in love, as Christ also has loved us and given Himself for us, an offering and a sacrifice to God for a sweet-smelling aroma."

We children of God are called to walk in love. It is not just an option but a commandment that has been given to us; and commandments go with actions. If you fail to obey this commandment, you will fall under God's judgement irrespective of the activities you carry out in the house of God and in the society atlarge; for we are called to love as written in:

2 John 6 "This is love, that we walk according to His commandments. This is the commandment, that as you have heard from the beginning you should walk in it."

Having gone through the commandment of love, others still follow that are connected to love;

Faith is that virtue of accepting and believing God, that is taking Him by His Word. The Bible declares "The just shall live by faith"; having an unquestionable trust in God and His Word. We are also saved by Grace through faith. Faith commands us to accept before seeing; not seeing before believing. The expression of faith can be seen from the Old right to the New Testament. Without faith, you cannot pretend to say you believe God. A faithless person is one who disobeys God's Word and only does what his instincts and ego place as command on him.

Hebrew 11:1-2 "Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good testimony."

Abel had faith in God; that is why he gave God a precious offering. For Cain, he never had faith in God and we can see how Cain went into sin for lack of faith by giving God what he did not need and he ended up as a murderer. But Abel acted in faith and his faith went along with his obedience. One that has faith in God obeys His Word and one that lacks faith breaks God's commandments. So also was Abraham; he walked by faith and his faith was accounted for righteousness. Many people who break God's Word

faith should be steadfast, not wavering. For the scriptures declares; but without faith, it is impossible to please Him. For he that comes to God must believe that He is and that He is a rewarder of them that diligently seek Him. Many got disqualified in the Christian race because of lack of faith in God. If the Israelites perished in the wilderness on their way to the Promised Land, many of them fell because of lack of faith. As for Joshua and Caleb, they were men of faith, so they got to the Promised Land. Men and women of faith are God loving and God fearing. They are law abiding; they are not covenant breakers.

Haven seen the above two virtues, the last is HOPE. A child of God must live an expectant life of glorious change; a life that credits a better tomorrow. It is this hope that stirs your inner bowels to move forward in faith for the move of God to be made manifest in you and through you. You have to be hopeful with a deep sense of expectation. You are not to walk in unbelief; you are not to live for the fear of tomorrow for God is your tomorrow and your tomorrow is bright as long as you keep in to love and faith, you have a glorious tomorrow. Your hope is built on nothing else but on the Lord like one hymn writer says; “My hope is built on nothing less but on Jesus

that the church will be present in the coming of the Lord. That was his hope for the Thessalonian church and even some of the Apostles did same in their epistles to the churches.

1 Thessalonians 1:3-4 "Remembering without ceasing your work of faith, labour of love, and patience of hope in our Lord Jesus Christ in the sight of our God and Father, knowing, beloved brethren, your election by God."

Haven known that you are by election, the Apostle Paul proceeded by exhorting the church of the hope that will always be with them. This hope goes with joy and rejoicing as we see in

1 Thessalonians 2:19-20 "For what is our hope, or joy, or crown of rejoicing? Is it not even you in the presence of our Lord Jesus Christ at His coming? For you are our glory and joy."

As one born of God's love, have faith and be hopeful for a better tomorrow than today. This is because the life of a just man shines brighter and brighter. You are not to go down; everyday is born for your lifting irrespective of the circumstances that you go through each day. Every raging storm will turn to

faith and in hope. God bless you.

PRAYERS

1- Lord, thank you for the revelation of Your Word.

2- Oh God, implant these virtues in me.

3- Lord, make me an instrument of use in your Hands.

STEP UP

The lifting in one's life is by the doing of God depending on how the individual has submitted his life to the will of God. In as much as every right thinking person aspires to be lifted; (for lifting guarantees safety and delivers strong confidence of protection, appraisal with greater admiration from the within to the without of the individual) the lifting or stepping up of one's life comes through a process of understanding the ways of God. This goes by obeying the set principles that have been laid down for one to leave from a lower to a higher level. We can sum this up as the honour that should follow an individual. Every individual will have the response in his life depending on the materials or way of life he has plunged himself into. So for every stepping up in honour and glory, you must give in to work in obedience to God's Word and command. The ability to follow God's command comes from a cultured mind of humility and meekness. God will never lift or step up the proud and the arrogant; rather, He will lift the meek and the humble in spirit. It takes humility in one's life for the individual to yield himself totally to God and to learn from Him.

casts the wicked down to the ground.

Everyone that is not given to loving righteousness is wicked and the Lord has declared that He will cast down the wicked and he will resist the proud. As earlier said, every right thinking man takes delight in promotion, progress, development, and increase because the above mentioned results to what will bestow dominion over one's life. So when you step up, you access ability to do well and go far. Many of us have to know that for every purpose to be realized, it is important to learn the process that is put in place for the realization of the set purpose.

The disciples of Jesus in His days on earth once gathered around Him and were trying to find out from Him who could be the greatest in the Kingdom of Heaven. Jesus never went ahead to give them a vivid response by saying the greatest could be A, or B, or C. rather, He showed them the process that leads to greatness in God's Kingdom. In many of the instances, we can learn from scripture that greatness cannot be claimed, greatness does not come by mere wishes; it only comes through the process that has been put in place. Some desire this greatness and actually knew that Christ could make one great like

get to your kingdom, you should put these my son by you; one on your left and the other on your right hand side" as we see in ***Matthew 20:21***. If we look at Jesus' response to her in

Matthew 20:22-23 "But Jesus answered and said, "You do not know what you ask. Are you able to drink the cup that I am about to drink, and be baptized with the baptism that I am baptized with?" they said to Him, "We are able." So He said to them, "You will indeed drink My cup, and be baptized with the baptism that I am baptized with; but to sit on My right hand and on My left is not Mine to give, but it is for those for whom it is prepared by My Father."

When we look at the above scriptures, the Lord's response was showing them the process for which lifting was possible. Their request was not granted based on the demand that was void of God's process. If you look at this description, it talks about the laid down principles for them to be qualified to be lifted up. It is from this that we say lifting can't just come by claims. For you to be lifted is to humble yourself to go through the highway that the Lord has set for Himself. It was the same thing that Christ

be like a little child. Child of God, it takes determination and discipline for a grown up to take upon the attitude of a servant. What do I mean by this? It is like you have been a man of status and people have been serving you. You are already a mature grain now to break down and start serving others. You can have this done by training and disciplining yourself to take the mind of Christ Jesus. Like a grown up man training himself to take the form of a child, like a master training himself to be a servant for that is exactly what Christ did when He left His throne and came on earth. Looking at this discipline, the disciples of Jesus were all grownups. Many of them were husbands to wives, having children and maybe even servants at home but there was this quest for greatness within them. Christ showed them the pattern of the Kingdom for greatness; that you must become little in your own eyes for the kingdom of God to endorse greatness in your life. Christ used the mustard seed that it is the least of the seeds that grow up to a bigger tree that even the birds of the air lodged in its branches. ***Matthew 13:32***.

Also, Christ presented His response to the disciples as a matter of choice. This means that to step up in life will all depend on the choices you will make for

the same will be great in the kingdom of Heaven. So it is a matter of choice. The Lord still went further to explain to the disciples that anyone that should be the greatest among them shall be a servant to the rest. ***Matthew 23:11***. So when we look at the above prescription for stepping up, in as much as the principles have been laid down by the Lord, we need to:

- Have a true knowledge of the principles.
- Lay down our lives for the principles.
- Start and complete the process. Christ started and completed the process before Heaven announced and endowed greatness over His life.

For all those that ever ascended to greatness in life, there was a point in their lives that they humbled themselves to serve. It was in the place of service that their honour met them. A man who never humbles can never serve well. Even if he serves he will do it with grumbling and complaining. It takes a man with a humble spirit which the heavens admire and love to serve well in order for the honour that is lasting to be bestowed upon him. The scripture tells us in ***Proverbs***

is one of the paramount aspects that lead to stepping up.

It does not end there; you must have a sanctified life and you must follow after righteousness. This is because righteousness alone exalts a nation but sin is a reproach.

Job 22:21-25 "Now acquaint yourself with Him, and be at peace; thereby good will come to you. Receive, please, instruction from His mouth, and lay up His Words in your heart. If you return to the Almighty, you will be built up; you will remove iniquity far from your tents. Then you will lay your gold in the dust, and the gold of Ophir among the stones of the brooks. Yes, the Almighty will be your gold and your precious silver"

You must follow after righteousness and mercy. If you do, you will find life and that life will bring an attitude of honour and glory. ***Proverbs 21:21***.

Another aspect for lifting or stepping up is that you must have the fear of the Lord and respect for the things of the Lord; honoring God with your ability and your substance. ***Luke 8:3***

Proverbs 3:9-10 "Honour the Lord with your

and your vats will overflow with new wine.

If you will put the above in place and go through process not acting as others use to; then the expected results of lifting prescribed by God will be your portion. Many started this journey and never went through the course but expected results. For one to be satisfied, you must go through the process and get it complete. Some went through the quarry but never completed their course in the quarry. This resulted to a stunted growth without any outstanding result for lifting.

We may have different durations to go through the process; it all depends on how we are going to respond when our tests come. The right answer you give to every step helps you to arrive at the winning line in time. Each time a process keeps repeating itself over your life, it means you have been failing each time the test comes. As you build up your mind today to go through what the Lord has said in His Word, access grace to step up, access grace to mount up on the mountain top, access grace to be lighted enough to shine and shine and shine again. Your brightness will be determined by your obedience. Stay strong and step up into honour.

1- Father, I thank you for the knowledge of your Word.

2- Lord, I desire to step up. Give me grace Oh God to go through.

3- Help me Lord not to be wanting in the midst of abundant provision.

4- Oh Lord, I challenge myself to be serious with the things of God.

5- Take me Lord by the hand and order my steps.

6- Thank you Lord for the answers in Jesus name.

DEALING WITH MY PIT-FALLS

Pitfalls are potential problems that could render one useless in life even though embodied with aspects of relevance in the midst of his folk or peers or associates. Each and everyone living under the sun has an aspect in the circle of his life that becomes a stronghold for the enemy to place his attention on so as to ruin the ultimate goals of that individual's life. Pitfalls are areas in your life that makes you vulnerable to become a victim of situations even when you don't bargain for them. Some may call it area of weakness, others may call it the "birth" of their lives and others may call it the canker. Paul writing to the Hebrews emphasized even as an Apostle that believers should be able to identify this danger point that may mar their Christian lives and deal with it.

Hebrews 12:1-2 "Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right

crown in the future. You need to live a life of honesty to yourself and be objective in your judgement in order not to live in deception. Many have pitfalls that make the enemy to have hope in them and they refuse to admit that they have such things in their content. That thing you are trying to deny that exists in you will only make you a fool that will be destroyed in the next minute.

The fastest way to deal with pitfalls is to identify and dismiss them. Go for the cure of those elements and get them dealt with in time. It is foolishness for any right thinking person to try to make what is wrong to appear right; or trying to cover a mess with a white piece of cloth. This is because the mess you are covering today will one day stink and disqualify you in the race of life. The book of Hebrews where we just made mentioned of tells us to put aside the sin that ensnares (entangles) us. You cannot put aside what you don't accept that it exists and you cannot also know the existence of things that you don't know how they operate. So to identify your pitfall, you must know the outcome of their results.

Our areas of weaknesses differ from person to

who have overcome to have a mastery of it. That means what you have overcome, you have mastery over. Any pitfall that you don't have mastery of will govern you, rule you and if care is not taken, it will end up messing you. What are those aspects or characters in your life that when you have the least trigger in those areas, you end up acting contrary to God's standards and ways? Those are the pitfalls you must deal with. We are going to name some pitfalls that are common among us. Some can be controlled by the pitfall of pride. The pitfall of anger, the pitfall of immoral desires, the pitfall of blackmail and slander, the pitfall of bribery and corruption, hatred and unforgiveness, talkative, the pitfall of addictions of various kinds, the pitfall of laziness and prayerlessness, the pitfall of lies telling and exaggeration, the pitfall of bite and blow (craftiness and hypocrisy), the pitfall of gossip or a tale bearer. These are terrible settings that can render a giant useless but thank God for Jesus.

When the Apostle Paul made mention of us putting aside all these things, he said we could deal with them by looking up to Jesus and Him alone who is the Author and the Finisher of our faith and not looking

tell lies. Some have the pitfall of being rude in speech and some could scare the helpers of their lives from reaching out to them.

Having discovered your pitfalls, child of God you are called to rise up, raise a lamentation unto the Lord until your change comes. You will do this by gently following every prescribed step set before you by the Lord or by His servant sent into your life. Most of us have pitfalls with tongue problem; The book of James says if any man offends not in word, that man is perfect. For life and death is in the power of the tongue ***James 3:2***. Most of the war that is killing the Christendom today is the war of the tongue. If we could just allow our tongue to utter seasonal words coupled with grace, we will use that same tongue to do exploits in the kingdom of God. The devil will not concentrate more on you until he discovers the area of your weakness and he will attack you again and again only on that area where you are vulnerable. So dealing with your weaknesses is giving the devil the right lesson of his life but if you fail to do so, you permit the enemy to have hope as your life is concerned.

As earlier said, these pitfalls can be dealt with. We

that we prevent them from getting to such grounds. Don't create any convenience for them; get them exposed by the light of God's Word for they are the parasite to destroy the fruits of glory that are to bear in your life. In ***2 Kings 5:1*** we are told of the captain of the army of Syria by name Naaman. He was a great man but with a pitfall that almost swallowed his greatness.

2 Kings 5:1 "Now Naaman, commander of the army of the king of Syria, was a great and honorable man in the eyes of his master, because by him the Lord had given victory to Syria. He was also a mighty man of valour, but a leper."

All good descriptions were given about Naaman but he had a pitfall. He got his deliverance by meeting the right messenger of his life. There is a message and a messenger to address and deliver any pitfall identified within you. Your messenger may be a non popular man or a popular person. All you need to do is to have the ability to discern God when the messenger appears and hold on to the instructions that he may be sending into your life from the Lord. Don't try to be controlled by your instincts or what your environment may be predicting because the ways

so are the thoughts of God higher than ours. Don't expect to meet the God sent in your life and think that you will tell him what to do. He will be the one to tell you what God has said about your life for you to get your deliverance and breakthrough. Most often, the messenger sent into your life may look very calm, self control with few words but very powerful. You may hardly see them persuading you. They receive instructions and pass the instructions to you. You will know that the instructions are from God when you obey it you see the blessings but when you disobey it, you get the punishment.

The maid of Naaman's wife told the mistress, there is a prophet in Israel. If my master can access that prophet, he will be healed of his leprosy. Naaman's intellect directed him to the wrong source and instead of meeting the prophet; he met the king of Israel. When Elisha heard of the situation, he made a call for Naaman to meet him. When Naaman came to Elisha, he never got out of his tent, he only gave instructions for Naaman to obey and be cleansed. When Naaman went to the wrong place, there was no argument but when he came to the right place where his answer was, arguments arose and he almost missed his healing. I pray for you; let no argument

the pitfall of leprosy in him, he got offended and was comparing River Jordan that had a message and instruction from the throne of grace with the Rivers Abanah and the Pharpar, and the Rivers of Damascus that had no instruction from the throne of Grace.

Using your intellect to compare spiritual things only end you up as a fool for spiritual things can only be compared with spiritual things and spiritual things can only be judged by spiritual things. You cannot judge spiritual things using your intellect or carnal mind. You need to know the difference between the two and work with them as occasion may demand. Elisha did not hesitate to encourage him; it was like Naaman, the choice is yours. You either remain by your condition or you obey divine instructions and be healed. For every satanic hold up in your destiny, there is a highway of deliverance ordained by God. Naaman's deliverance came by him humbling himself and obeying instructions. The Bible says when he did that, he was made whole.

2 Kings 5:14 "So he went down and dipped seven times in the Jordan, according to the saying of the man of God; and his flesh was restored like

of the lessons we have to draw from here is that all manners of pitfalls will be cured by instructions from God's Word and the leading of His Spirit. This will be done by the admission, and confession of the individual's sin that will bring about the forgiveness and restoration by God on the individual and the strength to live above that weakness. ***1 John 1:7-9***. Don't stay silent until you are certain that all forms of shortcomings, loopholes, and weaknesses are overcome. Let the yoke of the oppressor be broken and destroyed. Receive your strength and ability to triumph as the redeemed of the Lord.

PRAYERS

1- Lord, empower me with knowledge to overcome all pitfalls in the name of Jesus.

2- Father, cleanse me from all unrighteousness.

3- Bestow strength and ability in me to overcome all the works of darkness.

4- Thank you Father for the answers in Jesus name.

A CITY NOT FORSAKEN

Isaiah 43:2 "When you pass through the waters, I will be with you; and through the rivers, they shall not overflow you. When you walk through the fire, you shall not be burned, nor shall the flame scorch you"

Everyone born of God needs to possess a consciousness of his identity as God's own choice and God's sought out. The Lord has committed Himself to be in total control over all the saved or the redeemed that have been washed by the Blood of the Lamb and whose names are written in the Lamb's Book of Life. Irrespective of what you may be going through, as the above scriptures have declared, be it through the waters, the fire or any manner of storms of life, the Lord has committed Himself to rescue you. He has declared "I am with you" and My presence with you is mightier and stronger than anything that can appear contrary to you as His child. You are a city not forsaken. Storms of life and challenges of life is not a mark that you have been forsaken but it is God's highway to demonstrate His mark through you and in you for the glory of His name. Tell every devil you meet on the highway that

a glory that awaits you.

Beloved in the Lord, the storms may rage and the waters overflow but they can't overflow you because the Lord is with you. Neither will any of it harm you because the Lord is with you. He is your Saviour, your Father and your Maker. The Lord says you are precious in His side and what is precious in God's side cannot be dampened or marred. As you rise up in glory, the strength of the devil is useless because God is in control and your expectations shall not be cut off. You will surely celebrate because you are not a city forsaken. Situations are not what should determine your acceptance or rejection; it is God's Word that is forever settled in Heaven that declares you have been accepted, your iniquity has been blotted out and He is your provider in times of need.

Psalm 46:1 "God is our refuge and strength, a very present help in trouble."

Child of God, this is your strong confidence; stand and stand tall in your faith for that is the force that will send the enemy to sleep. When the Lord wants to give you a new name, He will cause you to pass through the waters, the fire and through raging storms. But when all these happen, He uses the circumstances

children and He says in everything, He is our all sufficient God.

Isaiah 62:11-12 "Indeed the Lord has proclaimed to the end of the world: say to the daughter of Zion, surely your salvation is coming; behold, His reward is with Him, and His work before Him. And they shall call them the Holy People, the Redeemed of the Lord; and you shall be called Sought Out, a City not Forsaken."

Your manifestation will break forth after the storm that will beat the imagination of men. Whatever pain and rejection you have been going through in the name of the Lord and for the sake of the Kingdom, your reward awaits you. Don't feel that you have been rejected. You are a city not forsaken and sooner or later, the Heavens will announce you. If God has not casted you out as His own, nobody can cast you out. So don't make a mistake to cast yourself out.

John 6:37 "All that the Father gives me will come to Me, and the one who comes to Me I will by no means cast out."

As God's children, you need to walk with an

provisions have been kept in stock for you from the foundation of the world. You will access these provisions by your faith and commitment to the Lord. When we are void of the Lord's provision for our lives, the devil will disguise himself and appear as our provider. He is not and will never be one. Christ commanded us in ***John 14:1-4*** that we should believe in Him and in God because there is a mansion that has been made for you and I in glory. We are also challenged in scriptures when Jesus told the disciples as He is talking to us today that let your heart not be troubled. Don't allow worries to overshadow you for if God has clothed the grass and the lilies that today are present and tomorrow are no more, the Lord says will our Father in Heaven not do much more to us? O you of little faith.

Matthew 6:26-30 "Look at the birds of the air, for they neither sow nor reap, nor gather into barns; yet their heavenly Father feeds them. Are you not of more value than they? Which of you by worrying can add one cubit to his stature? So why do you worry about clothing? Consider the lilies of the field, how they grow: they neither toil nor spin; and yet I say to you that even Solomon in all his glory was not arrayed like one of these. Now if

not much more clothe you, O you of little faith?

No right thinker mind on earth will ever invite guests for a party without setting the banquet table. Most of the things that occupy us as worries in life is what God already took care of from the foundation of the earth. Those things that are unknown to us that are bringing us worries are already known by God; so hold your peace. Before God ever took the Israelites out of Egypt, He already made enough supply for them in the wilderness. That was not known to them but it was known to God. All the Israelites needed to do was to have faith in God. Those things that are known to God are for your good as a son/daughter. The mistake the Israelites did was to worry over things that were in God's control and the devil took advantage of it and wasted them in the wilderness. The miracles in your life are evidence that you are God's sought out. He has declared that you are a city not forsaken. Look at the hairs of your head, they are all numbered and known by God. This means the Lord knows the hairs of the heads of the over 7 billion people on earth.

Luke 12:6-7 "Are not five sparrows sold for two copper coins? And not one of them is forgotten

more value than many sparrows.

Whatever storms you may be facing, keep fear far from you and put faith to work. Your faith will commit God to give you a glorious reward. You are a city of the Lord. Ignite your light and don't allow it to go down; speak positively, act positively and live positively. For as your content is, your light will respond to the content in which you build up. Stay courageous and focused, let the devil know there is no slowing down, there is no turning back but there is lifting up as your life is designed by God. You have been designed for greatness, irrespective of the storms. Receive grace and go through in Jesus Mighty Name.

PRAYERS

WORKING ON HABITS AND CHARACTER

As God's people, habits and character have so much to do with us concerns our day to day interactions with things and people. What is habit? Habits are things you find yourself doing often and almost without thinking. Something that is hard to stop. When we talk about working on our habits and character, it simply means improving or making it much better. Also, our habit is what forms our character. Character therefore is the quality or feature that makes a person. So your character makes up your person. There are particular aspects in life that we have experienced failure; if not complete failure due to the habits we cultivated that formed our character. We got that failure because the character or our features did not portray the qualities to gain success over that test that we were exposed to. There are valuable relations that we have lost due to poor characters. There are also valuable enrichments that would have beautified our lives and make us to manifest a better us and we run short of those provisions because our character was not up to the expected qualities. How then do I improve on my habits that will form a character in my life? The Word

admire something that is pure and genuine. The Word of God is the purest substance that can purify us. The scripture says we are cleansed by the Word.

Ephesians 5:26-27 "That He might sanctify and cleanse her with the washing of water by the Word. That he might present her to Himself a glorious church, not having spot or wrinkle or any such thing, but that she should be holy and without blemish."

What is cleansed and what is sanctified is what is ready to be used for noble purposes. So looking at our habits and character, the fruits or manifestation of it will either make us good or bad people. It will either make us to be useful or useless. So building your habits or character makes the Word of God your standard. Use the Word of God to shape your life. In the Gospel of Matthew, Jesus said a good man out of the inner good treasure of his heart brings forth good fruits. An evil man out of the evil treasure of his heart brings forth evil fruits. The Lord went further to say every tree would be known by the fruits it bears. Every person good or bad admires what is good. It may surprise you to know that even wicked

habits because at the end of the day, it fruits will bring you pain. For example, a murderer will kill people but he does not want to be killed; a thief steals from people but he does not want people to steal from him. So you see that even evil people desire good things. You were not made to be evil; you were made to be good. Go for good and cultivate excellent habits. With you building your life on the instructions of God's Word is one of the provisions meant for humans to enable the humans possess the Godlife which will help you to be lifted above what human ideology could offer to you. It is the source in which its output can guarantee you to possess a glorious tomorrow. So you have the responsibility to make your habit good; reasons being that, we all came from different backgrounds of life. Some of us were not opportune to have a cultured life as children. During our childhood, the people that brought us up introduced what they had. If they had evil characters, it was replicated in us. Those that were opportune to be raised by God fearing parents were able to portray a well cultured life. The habit of a man develops faster from the first to the seventeenth year of his life. If within the first seventeen years of your life, you have been under a corrupt environment, it will influence you to be corrupt. We are what we repeatedly do.

message the brain has received. So what you send into your brain or mind will be what will occupy the mind. This will eventually represent the end product which is the fruit either a good or a bad one. For you to change habit there is something that can be done to work on your habit. If that thing is not done, there is nothing you can do to work on your habit. For you to work on your habit, the first thing you need to work on is

- Define your goal. What do you want to become in life? Once those goals are defined, even if your habit was as poor as what, there are things you can do to change that habit to give yourself a well cultured character. It is possible to attain your goals if you are able to have the right message, the right ground to walk on; and the right people to meddle with. One of the things I want to point out on working on your habit is that it is not going to change automatic. You are to apply little little steps each day of your life. Those little steps should be facing the direction of your goal. Any form of addiction can be broken; you just need to know the right thing to do. I will want to cite an example here; let's say you

yourself discipline to study at least 15minutes in every 24hours. If you are able to follow that routine for sixty days, your brain will adapt to it and it will be a part of you. So long as this routine keeps on repeating itself, it will birth a reward. When the reward comes, the system will want to do it more and more so as to birth a better reward than the previous one. So whatever you aspire to become in life, start from today by taking little actions. Don't fold your arms start by doing something and those little drops will form an ocean.

- Secondly, don't feed your mind with what you don't need in life because if you do, it will occupy the space of who you have aspired to become. The end result of all this is that your life will respond to what you sow in. You can build your mind with good information, righteous thoughts and righteous actions. The sum total of all this will produce a better you tomorrow. Identify with people of your passion and goal and make company with them. Train your life until you become so acquainted in doing just what is the best. Excellence shall not be an act; make it a habit and your life will

have been held bound, identify it and start to disassociate from it. Before you know it, your being will respond to the ultimate goal you set for it. Get quickened, get focused and reach your goal in Jesus name. So get rooted in the things that God has made provisions for you and the highest thing that will sharpen you to prune you today and build you tomorrow is in the Word of God as we see in

Colossians 2:6-7 "As you therefore have received Christ Jesus the Lord, so walk in Him, rooted and built up in Him and established in the faith, as you have been taught, abounding in it with thanksgiving."

PRAYERS

1- Father Lord thank you for reaching out to me.

2- Lord I yield my life to you to help me produce the best of my person.

3- Oh Lord, equip me more and more with the knowledge of the Kingdom.

4- Thank you Father for the answers in Jesus

BE OCCUPIED

When we look at our subject matter in this chapter, be occupied, the first thing that should come to our mind is that if I am to be occupied, it means I have been made to fulfill a task or a mission. If so, I am not permitted to be idle; I am commanded to respond to the very purpose for which I was created. Research has been made and it shows that everything created so far as known to men have a particular role to play in the universe; both living and non-living things. Even the ones we have not understood their roles, I can assure you in the days ahead their roles will be discovered. God in His sovereignty has created everything to play a particular role in life. So each and every creature is to be occupied in his own lane of occupation. When something is present, it is to answer for a duty and when something is absent, it is also to answer to a duty. Having this in mind, is your present situation answering to its duty? Is your life responding to purpose? Do you know you have been sent to solve a situation that you carry a solution to it? Do you know you were not created empty but that you carry a potential that should be released to work?

your life, something vital needs to occupy you or you need to be busy doing something vital. This is what will lead you to contribute in changing your world for the better. To be effective is being occupied in our assignment, we have to know the purpose of time in respect to our task. If you look at the life of Jesus Christ, every instance of His life and the people He interacted with spoke purpose from conception, to delivery, infancy, adulthood, to crucifixion, resurrection and ascending to heaven. The presence of Christ on earth in conception brought an answer to Mary and Joseph's lives; it brought a breakthrough to the family of Zechariah and Elizabeth.

At infancy, Simeon and Hannah got identified with Jesus. I want us to look at something here; all those people that got interaction with Jesus at infancy and the adulthood of Jesus were not idle. They were active in the offices that God set them for. In other words, they were timely with purpose. When Jesus was at the age of twelve, we start seeing Him here taking responsibility and being occupied. When you are occupied with your God's given vision, you will distant from the entanglement of the devil that is sent to entangle your life.

went to Jerusalem, we are told that Jesus did not only end up feasting but He portrayed a commitment towards the purpose for which He was sent on earth. Because of His commitment, He got displaced from His parents for three days. Your God's given duty should consume your passion. After three days, He was found in the Temple with doctors of the law. We can see this in

Luke 2:46-49 "Now so it was that after three days they found Him in the temple, sitting in the midst of the teachers, both listening to them and asking them questions. And all who heard Him were astonished at His understanding and answers. So when they saw Him, they were amazed; and His mother said to Him, "Son, why have You done this to us? Look, Your father and I have sought you anxiously." And He said to them, "Why did you seek Me? did you not know that I must be about My Father's business?"

You will realize that Christ's life was centered on fulfilling the mission of God and the glory of His life was embodied in that mission. In as much as you are to be occupied, identify the purpose and give in totally. Christ says in the Gospel of John that He

kept the faith. "Christ on the cross of Calvary said "IT IS FINISHED". John 5:36 and John 19:30. You cannot get to the finished line of your course without being occupied or hardworking. That ability that God has created inside of you, don't keep it dormant. Put that talent to work; no matter the opposition, don't allow the talent to be dormant. Put it to work.

We are told in ***Luke 19:12-13*** about a noble man who went to a far country to receive a kingdom and to return. The scriptures says he called his servants and to them he gave ten pounds and told them occupy till I come. You need to arise and shine before the glory will be revealed. If you don't put in to work, don't expect a glory. It is by putting in the best of your being that you trigger the best from the throne. It is in putting efforts that you will be able to drive away every form of oppression. One Chinese proverb says "CONTINUOUS DROPS OF WATER ON THE ROCK WILL BORE A HOLE". If insects in their world have been able to do great things because of their being occupied, we can learn a lesson from them. Like the bee, the honey that goes a long way as a medicine to human body, if you look how busy the bees are in their colony to collect juice that produces honey, they make hundreds of thousands

the distance, focus on your result. As the Lord has given you the talent or the energy, put it to work. You will stir your value this month and stir your value through out by giving yourself to consistent hardwork towards your goal in life. You are not permitted to stop at any road block; you are only commanded to subdue every road block until you cross the winning line. Stir up your value, light your world for the glory of God. Be empowered! Be empowered! Be empowered! In Jesus name.

Isaiah 60:1-2 "Arise, shine; for your light has come! And the glory of the Lord is risen upon you. For behold, the darkness shall cover the earth, and deep darkness the people; but the Lord will arise over you, and His glory will be seen upon you."
