Praise God! I want to thank God for killing a snake with the banner. I was on my way to fetch water when I saw a snake on my way. I threw the banner on the snake and immediately, it shook and died. When I picked up the banner from the snake, there were wounds on its body. Thank you Jesus! For killing my enemies!

Sis Emerencia

I want to thank God for His blessing through the “Manna Feast”. I was particularly blessed by chapter 4 “Know Your Person”. I thank God for keeping me under His servant. I also want to thank God for keeping me under His servant. I also thank God for the knowledge in the “Manna Feast” that gives me directives in my walk with God. Praise God!

Sis Gladys: 671 64 39 42

Hallelujah! I want to thank God for His favour. My grand child was sick in Ndu hospital and was later transferred to BBH because of the severity of the sickness. We had to transfer her by eli-mission (Helicopter) which was to cost us 400.000 FRS. But by the grace of God, instead of paying 400.000frs, the grace of this house provided an ambulance that was going to BBH and we were taken without paying a dime. Thank you Jesus for favour!

met my child sick with very high temperature. After praying with her using the banner, the temperature suddenly dropped and she is fine. To God be the glory.

Ma Mary Luma:

I want to thank God for His healing balm through the banner. I took my banner to the farm. On my way back I met a man standing with his child sick and unable to walk due to the sickness. I quickly removed the banner and prayed with him and instantly, he started walking. Thank you Jesus!

Sis Felicia:

MBENGWI

Praise the Lord! I want to thank the Lord for delivering me. I have been having sleepless nights for some time. When I complained to my pastor, he asked me to tie the banner each time I wanted to sleep. This is how I was delivered from sleepless nights. I also want to thank God for chapter 5 of the “Manna Feast” “Not By Might”. It made me to know that I cannot prevail by the arm of flesh. Also, chapter 6 “Loyalty, the Key to Greatness” edified and made me to be more humble, obedient and loyal to my leader more than ever before. Thank you Lord!

Sis Beatrice: 670 47 13 19

Hallelujah! I want to thank God for the month of April, the month of “Covenant Remembrance”. This month I was blessed with chapter 1,3, and 5 of the “Manna Feast”, that is “Faith Force”, “Daily Fresh Oil”, and “Not By Might” respectively. May God continue to keep and increase His servant with much grace in Jesus Mighty name I pray. Amen!

Ba Bishop: 674 73 20 16

Glory to God! I was blessed by chapter 5 of the “Manna Feast”, “Not By Might”. It made me to be careful in any work or thing I want to involve in. I want to bless God for His servant and wish that may God continue to keep him for us for he has remained a blessing to me. Thank you Lord!

Ma Alice: 652 02 25 42

Glory to God! I was blessed by chapter 2 of the “Manna Feast”, “Being Engraved by Covenant”. I use to think that the devil is in charge of the earth but after going through chapter 2 of the “Manna Feast”, my mindset changed. This has built my faith to challenge my future for now I know I am in charge. Thank God for His servant.

Bro Obed: 677 21 09 97

Praise God! I am so grateful to God for I am born. Not just saved but located under a living altar like this. Before I repented few months ago, I had been struggling for the past years to bet my arrears from the ministry of education. To God be the glory as I presented it to God, the arrears came out. I am so excited, He answers prayers.

Bro Simon:

You are welcome into the month of “Greater Exploits”. For an individual to do exploits, there are key roles you must know and assimilate. One thing that is certain is that great happenings of honour and glory are spear headed by the Father of all flesh the Almighty God. There is a provision which He has made it possible for mankind to access. If we were left alone to scale within our God’s given ability we will be taken by the shortcomings that reside within us. The grace of God then becomes Divine provision that will convert your inabilities to abilities and your weaknesses to strength. It is also a provision that will turn your misery into a mission. It will give you a better day of lifting. Looking at the month of Greater Exploits, we must anchor to God’s grace, mercy and all of His provisions made available to transform all our shortcomings and weaknesses to strength. This will enable us not to work in the capacity of human strength but in the supernatural.

There is a statement that Jesus made when it comes to possessing Divine possessions. It is a free offer but it can only access individuals that have the attitude to attract grace. In as much as grace is available to everyone, only those who have the attitude to attract grace will access grace. I pray that in this month of Greater Exploits, you will soar with wings like an eagle. Welcome to a blissful month that is engulfed with the five letter word Grace.

WHEN GRACE LOCATES A MAN

Many have attempted to define grace to the best of their understanding but we are looking at the word grace in the context of God's Word. Grace is a provision of God's goodness, delight, pleasure, sweetness, goodwill, loving kindness, mercy, favour made available for men. I use the word available because it could still be there and people fail to access it. Grace is an unmerited favour of God towards a fallen man. Grace does not follow conventional rules laid down by men. For example, the case of David and his siblings; he was the last by birth but in terms of enthronement he was the first. He never got it by luck; he had the attitude that was meant to attract grace in his life (he was a servant). Grace has its application in diverse mediums. It can also be defined as the sustaining strength to influence a believer's life to stay preserved as a Christian for God and for His kingdom. It can also be a special gift imparted upon the humble to access supernatural power to showcase supernatural happening. When we look at the above, we are looking for such a provision of grace to get hold of a man. What is the outcome or expected results of a man when Grace takes hold of him?

You will not only see the above virtues but you will be able to see the fruits and the effects. I want to sound it very clear that the call of God upon one's life is an indication of the release of God's grace upon that individual. If you have been saved, you should know you are already a candidate

this grace?

Grace being a person has a demand of an attitude that can attract its worth to function in the life of the called. If that attitude is not found, though grace is available to all, you may not be able to access it. What are the things that are expected of you if you must access grace and all its provisions? What are the necessary responsibilities you must harbor to access grace?

- A broken and a contrite heart is such that will attract grace.
- A faithful and a loyal heart both towards God and men is that heart that will attract grace.
- A heart of obedience is that heart that will attract grace.
- A heart of commitment and genuine services.
- A heart of faith in God.

For everyone to scale above the milieu of human endeavors, that individual must be a child of grace. Grace makes one appear amazing in the works of life. We will be looking at the provider of grace to humanity. God is the provider of grace to humanity and this grace is carried in the person of His son Jesus. The above five mentioned virtues are all tied in all the Lord has given to us as human beings to carry as

John 1:16-17 "And of His fullness we have all received, and grace for grace. For the law was given through Moses, but grace and truth came through Jesus Christ."

If we look at the above scripture it starts with "And of His fullness have we received grace". It means the absence of His fullness in us hinders grace from taking hold of us. That is why the writer of Philippians cited this out; that in as much as grace is sent forth to enable us live and function well, there is an attitude that the heavens expect from us. When we go into this attitude, the grace will come into us.

Philippians 2:5-7 "Let this mind be in you which was also in Christ Jesus, who, being in the form of God did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men."

The attitude Christ showed to us is the attitude that anyone who wants to access grace must give his/herself to. This is the mark that if we possess, we access grace for grace. Humility is not imposed for if it is imposed, it is not humility but humiliation. There are certain things within a man that if you are not informed, they may stir you up, mis-lead, and mis-fire you. I call this God's created ability that each and everyone made by God plus other creatures possess; that is, self created ability. This is the ability that gives you an identity as a person. This ability makes one to see his/herself

As earlier said, each one of us has a unique ability. Your uniqueness maybe your speed to expression, your ability may come in the world of craft, it may also come in the area of physical strength. It may also come from intellectual, financial, and political strength just to name a few. So we have different abilities that get their distinctions in different lanes of life. If you don't know how to handle the ability, it may trigger pride in you and make you think that you can handle something that other people can't handle. One of the ways to subjugate that aspect of pride is to use the ability in you to serve. Christ had the ability as God but He subjected Himself to serve the will of His Father. To escape the danger of pride that may be sponsored by your ability, use the ability for service and at that point you will be doing what Christ did. He humbled himself. If you don't use the ability for service, you may not escape the temptation of pride that plucked Lucifer out of heaven. When you use the ability for service, you draw God's attention to release grace over your life and that grace comes in to make you a super ordinary being. We shall all excel by grace and not by our natural ability. Grace brings a compliment for values but carnality brings competition with values.

In ***Luke 5***, a man called Simon Peter was located by grace. His self created ability in the domain of fishing ended up his day catching nothing. But when he opened up and prepared himself a ground to attract grace, in the very environment,

zero to a hero, from the rejected to relevant. We should expect a nonentity being given a magnificent identity. It is a matter of choice. If you want to be a child of grace, go for attitude, character and grace will speak for you. Peter left for home that day a fulfilled man not because of his self ability but because of grace. You will only celebrate a fulfilled life not because of your efforts but because of grace. Peter and other Apostles were bi-products of grace and we celebrate their lives.

Someone in this season of Greater Exploits needs connections from God to scale you to the peak. It was this ability that changed the story of Lot the nephew of Abraham but he thought it was his ability. That is why when he walked away, his decaying process began when he virtually lost everything that pertains to life. Your connection to God's grace will change your story for the better. Moses came by law but Jesus came as an author of Grace. Let somebody look at you from this day from afar and sound it to you that you are a child of Grace. When grace finds you in the dungeon, it will take you to the palace and settle you on the throne. As you keep on complying with its rules, you will keep on mounting to the top. To end it, the author of greater exploits is grace. Arise! And let grace speak for you as it did to so many Biblical legends. God bless you.

1- Father, prone my life to access your grace.

2- Oh Lord, make me a child of grace.

3- Oh Lord, connect me at all times to manifest the ability of your grace over situations.

4- Grace of God, preserve me for eternity in God's kingdom.

5- Thank you Lord for the answers.

ASSOCIATION

John 17:9&11 "I pray for them. I do not pray for the world but for those whom You have given Me, for they are Yours. Verse 11, Now I am no longer in the world, but these are in the world, and I come to You. Holy Father, keep through Your Name those whom You have given Me, that they may be one as We are."

Looking at our chapter "Association", it has to do with a united people to achieve a common goal. It is rather unfortunate that what we call unity is not actually unity but it is a form of trying to blend things that cannot be blended (it is like trying to bring a lion and a goat into friendship. These two are not compatible and will never be compatible). True association has to do with true compatibility in focus and purpose. Jesus cited in the above scripture making a distinctive request to God for the people that had worked, labored, following the same course with Him to live and die for it. The only exception was Judas who killed himself as a result of his betrayal of the Lord. History records that even martyrs that took the place (office) of Judas Iscariot also lived for the same course as the other Apostles. They pursued and died for the course.

There is no proper unity in the flesh. Unity is in the spirit. It is like uniting your mind and your soul, binding them together in a body. If an association is formed not on the basis of getting a particular goal achieved, then such is not

know who and what you need and who and what you may not need. You cannot be a man that is bent after the will of God and you go to associate with somebody who carries God's placard but they don't have a living life for God.

Many have suffered shipwreck in life because they lack knowledge and adequate information to coordinate their purpose. For you not to live a wasted life, always ask yourself the following questions before giving in to a union with any person or a group of people. The union can be marital, spiritual, financial or other unions. This is because it will be tragic to take your lone value that has given you an identity from God messed up with wrong association. The following questions must be asked;

- Who am I and who is this person or people I'm about to join forces with?
- Are they living for the same purpose I was created to live for? In other words, are they pursuing the same goal?
- What is the scope of their knowledge in respect to the mission? Are they people of same passion like me?
- How prepared and determined are they to see this said goal accomplished?

The book of ***Amos 3:3 declares that two cannot work***

coming together as facilitators for one another. If it is not on this basis, then such a union is a failure. You should be woman or man enough to stand on your feet to give yourself the right address that will speak for you now, tomorrow and for eternity. The people you may allow into your life without verification may be agents of destruction and not makers of vision.

When we look at Jesus' mission on earth, looking at contemporary people with the same sect or religion without an insight of His person, will be tempted to say that Jesus came on earth and the people He would have worked with were the scribes and the Pharisees who were religious men. His check list proved them wrong for that was not the case with Jesus. He did not associate with the Pharisees. Rather, He made friends with the people that the Pharisees had concluded that they were no people (the commoners with content and thirst for God). That was correct as we can see the fruits His followers brought forth after His death and resurrection. Jesus strongly rejected and abhore everything that was to do with the scribes, Pharisees and Sadducees. They were enemies to His purpose. It would have been tragic if Christ had made a mistake to blend His ministry with such caliber of people.

Many have suffered many things in life because of the wrong association they have made for themselves; martially, ministerial and otherwise. The realization of the error made

them.

Matthew 23:25-26 "Woe to you, scribes and Pharisees, hypocrites! For you cleanse the outside of the cup and dish, but inside they are full of extortion and self-indulgence. Blind Pharisees, first clean the inside of the cup and dish, that the outside of them may be clean also."

Looking at Christendom, we will realize that there are two kinds of Christians. There are Christians that concentrate with the outward appearance like the scribes and the Pharisees and there are also Christians that pay attention with the purity of their inner (spirit) man. The ones that concentrate their lives on the outer are those who are after carnal pursuit, worldly lust, whose aims are to please men and themselves and not God. There are also Christians who center on the inner man. They are not men pleasers, they don't even please themselves but their purpose in life is set for eternal pursuit. Their goal in life is to do the will of God and to please Him at all cost. Both have a common factor which is Christianity but they don't live in the same purpose. So any efforts to make the two groups to live together will only lead to a blackout. How was the Lord's crucifixion carried out? It was the enemy within, a man with the coat of Apostleship that brought external forces within the milieu with the umbrella of Christianity that led to the arrest of Jesus. Because they could not kill Him, they handed Him to the

do the work for Jesus. My prayer today is that let God dismiss the wrong people and bring in the right people into your life.

The inception of unity, from creation was to better one another. God brought Eve into Adam's life to make him a better Adam not in the sight of men but both in the sight of men and God. God brought Adam into Eve's life to make her a better Eve. When you become overzealous without knowledge, it will kill your purpose in life. Get your union with whosoever, guarded with the light of God's Word. It was a mistake for Adam and Eve to bring the snake into their union. The entrance of the serpent into their union led to their dismissal from the Garden of Eden. That brought sorrow and untimely death to humanity because they did not check who they were to unite with before ever coming in union. In as much as association can enhance strength when rightly done, it can also be disastrous when the wrong parties yoke together.

We are commanded by God to love. Loving people is a command but making of friends is a choice. God says love your enemy but He has not asked you to make your enemy your friend. Ahab and Jehoshaphat were all kings under the chosen people of God. One controlled the Northern part and the other controlled the Southern part of Israel. Ahab loved his flesh while Jehoshaphat cherished his love for God. But their friendship could have terminated Jehoshaphat in Ramoth-Gilead if not for the mercy of God because

party because that will only lead to your ruin. Your life should not be conducted by sympathy but it should be led by the Spirit and the Word of God.

Another king in Israel that made a great mistake was Hezekiah. Babylonians came to Hezekiah, sent by their king. Hezekiah out of instincts took them and showed all the house of his wealth, his strength and his might. The heavens frowned at him for making wrong union and intimate fellowship with the gentiles who were idol worshippers. Isaiah pronounced judgement on him for what he did by taking the heathen and exposing God's treasure to them. Hear heavens judgement on him, that for showing them God's treasures, the treasures will be taken from him and will all be given to them.

When you pair with wrong people, they will only extort all the good things of your life and make away with them. And when they are done with you, they walk away and dump you as we can get from ***2Kings 20:10-17***. Child of God, be careful with the people you associate with.

In conclusion, our unity should not be because of property, food, money or the temporal things of this world. It should rather come from our spirit and mind, knit with the Holy Ghost tied to righteousness. Any unity tied to the temporal things of the world will end up in blackout. Let us unite for eternal goal and reward in God's kingdom as the Apostle Paul told the Christians in

Child of God, there may be a crackdown in your spiritual life. I tell you this day, check the person you are associated with whether it is a wrong or a right match and address the situation before you ruin your life. Note the following points: Check out whether your union with persons

- Increase your fear of God.
- Increase your love for God.
- Do they increase or decrease your prayer life?
- Do you run to the altar and cry out for repentance each time you meet them or do you grow spiritually?

Watch out before giving in to any union with whosoever may be called a child of God. The Lord has instructed us to watch the fruits we bear as we go through this Christian journey. Let your association make you and not mar you, increase you and not decrease you increase God's presence in your life and not dryness. Checklist your life and get the right people for fellowship in Jesus name.

1- Father, thank you for your concern over my life.

2- Lord, order my steps to meet the right people.

3- Lord, help me to walk with the right people.

4- Lord, help me to accomplish my mission in life.

5- Thank you Lord for the answers in Jesus name.

THE NARROW MIND

Everyone that will not depend on God for his expansion is one who will be narrowly limited by the scope of his mind. Each time people fail to meditate and walk on God's Word, they get their minds narrowed by the facts and situations of the world and not the truth that created the world. Other people have settled their minds on the little they have been able to achieve in life not knowing there can be much more if they could open up to God and His Word. Who are those that are subjected by a narrow mind? People who believe

- They can't be saved from sin.
- They can't serve God.
- There is no way forward for them.
- That change is an impossible thing.

Whatever you find yourself a prisoner to that you don't have faith to live out of, you have made your mind narrow. Narrow minded people cannot do exploits in life. Their lives are orchestrated by demons and they are not truth abiding. They see truth as an impossible thing to yield to. They are negative to their lives than being positive and optimistic. It is not to your interest as a human being to be one of a narrow mind. They give up at the least resistance in life. They are conscious to complain than testimony. They adhere to failure

Narrow minded people are those who underrate themselves and exalt their enemies. They are recipients of bad news than of good news. When something bad happens, they make up their minds to receive it but when a good thing happens they say it is for other people.

They are naïve and shy to a fault. They submit to things and persons that don't due submission. A narrow minded person can take No for an answer. They are the people who say I can't make it and they always close their eyes to see possibilities of a way forward. Some of the people we call fools, partial mad people, the madness is in their minds (their concept). Their minds have been covered with rejection, unworthiness and their minds are closed to see God's provision for their liberation.

As I view African continent, we are plagued with such a syndrome. If you gather Africans in a nation of a thousand engineers who have done engineering to PHD level and pick them at random to explain how iron could be gotten from iron ore, I bet you, you will not be able to have up to 2% that could practically showcase it. As I look down history, I realize that the African continent have been backdated. In fact we are behind time, spiritually, scientifically, economically, media wise, we have made our life and blend our minds to see everything an impossible thing to do. How?

Iron was processed on the planet earth in the B.Cs.

their technological knowhow without the intruding of the West? The good Lord has to deliver us from being narrow minded. We take pleasure in short term projects because we hate work. African leaders and spiritual leaders should go in for long-term projects that can guarantee the wellbeing of the future generation. Africans take delight in selling rather than buying their future. It will be difficult for the African continent to experience an economic and technological growth if they will not cultivate the mind to buy the future and be patriotic. Our output has made the West to under grade us as second class human beings or third-class if not the case. Our dependence on the West is a taboo that has made us not to have a say in decision making. The church in Africa has the challenge to answer to her dying world from the spiritual to the physical. God has declared in His Word, I am the God of all flesh which means His ability has been given to all humans to work with them.

Jeremiah 32:27 "Behold I am the Lord, the God of all flesh. Is there anything too hard for Me?"

Africans should turn to God her Maker and start to act and live by the Word of God. How will a rich continent like Africa with all the rich mineral resources be indebted now and then? Something went wrong and we have the responsibility to address it. Africa should turn from idolatry because it only helps to narrow one's mind to some non-living organisms and walk out of the realm of impossibilities to become

men have produced and turn to the truth of what the Word of God says. And what is the truth? I have what God says I have, I am what God says I am and I can do what God says I can do.

For every expected or given project from the Lord for us to execute, God has already placed in us what it takes to fulfill those projects. Failure to believe God's Word will terminate all good purposes that were to help us fulfill. This will draw my attention to the Exodus of the Israelites. God called 12 persons out of the tribe of Israel. 10 of them decided to narrow their minds by the circumstances that surrounded them and their narrow minds ended them up as victims and not victors. But for Joshua and Caleb, they opened up to the prescribed Word of God and got their minds empowered.

They did not allow the giants of Canaan to subdue their minds, rather they used God's Word to subdue the giants and God honored their faith. God's Word is truth and the final word to any person or situations. All the Lord has commanded you to do, from the spiritual to the physical, go for material to get them done. God told Joshua what to believe that was going to work for his wellbeing after the departure of Moses. God does not take delight in people who have a narrow mind. God wants you to be a man/woman with a great mind. In ***Joshua 1:1, 3, 5, 7 and 8***, this is the cure to your faith to start doing great things for your world for the glory of God.

to Joshua the son of Nun, Moses' assistant saying;(3) every place that the sole of your feet will tread upon, I have given you, as I said to Moses. (5) No man shall be able to stand before you all the days of your life; as I was with Moses, so I will be with you. I will not leave you nor forsake you. (7) Only be strong and very courageous, that you may observe to do according to all the law which Moses my servant commanded you; do not turn from it to the right hand or to the left, that you may prosper wherever you go. (8) This book of the law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous and then you will have good success."

Mount up on your access table and get your mind empowered for a great change. Meditate on God's Word and work on it for it is the absolute truth for your becoming. Arise and live by what He has declared; for when you walk with God's Word He gives you a guarantee of success. This will empower you from a narrow mindset to an enlarged powerful mindset.

There were many people that became victims because of a narrow mindset. One was in the days of Elisha the prophet that got his mind narrowed in believing what God said. This led to his downfall as we read from ***2Kings 7:1-10***. Another man who was worshipping God but still with a

when he confronted and overcame Goliath of Gath. He thought big, spoke big and acted big until he took the trophy. So let every syndrome of narrowness of your mind be broken in the name of Jesus. Station and fight through until His Word spoken over your life emerges with relevance to your being. God bless you as you do.

THE DAYS OF LITTLE BEGINNING

Looking at the survey of things and how greatness emerges or emanates one will draw a conclusion from the spiritual to the physical that things that will become great start little. That is why from scripture to scripture, and event to event, the Lord has been teaching His children never to minimize when they are to start a journey of greatness in a small way. Every great man starts small. Jesus, pointing to the gospel, drew the attention of His disciples to a Mustard Seed. There are other seeds that are greater than the Mustard Seed in terms of size but they don't produce large trees as the Mustard Seed will do. We have this record of Jesus' explanation in

Matthew 13:31-32 "Another parable He put forth to them, saying: the kingdom of heaven is like a Mustard Seed, which a man took and sowed in his field, which indeed is the least of all the seeds; but when it is grown it is greater than the herbs and becomes a tree, so that the birds of the air come and nest in its branches."

The Mustard Seed is almost the smallest of all the seeds ever known. In fact it is the tiniest of every seed and you cannot pick it with your hands. You can only pick it up by gumming it with your fingers because of the smallness of its size. The lesson the Lord is drawing our attention to is that the journey of greatness begins small. Everyone that aspires greatness in life must learn this discipline of beginning small.

the tiniest of all the seeds grows up to produce the largest tree. The lesson here is if you are able to start small and grow in the process of time and at each stage of growth you learn the necessary lesson and have the needed experience and skills, you will keep on emerging. All those who see starting small as a taboo will live and die without achieving any purpose of evidence in life. Stagnation and retrogression will be their portion in life. God enthrones servants to thrones and not masters. If you refuse to serve, you may never be given your own identity of greatness. It happened with Joseph, Moses, the judges like Gideon, Jephthah, Ruth, David and a lot more. Even Jesus in the gospel thought us by washing the feet of the disciples and gave it as a command that "whatever I do, do it to others." ***John 13***.

It takes the seed of humility in one's life for the individual to serve well. Each time you find yourself serving and grumbling, it is a mark that you are not humble. Whatever must show forth greatness in life must learn from the life pattern of a Mustard Seed. The only thing that I have seen in life that starts from the top to the bottom is the grave. It loses value as you keep digging and everyone who wants to start from the top may likely have the grave experience. In ***Zechariah 4:10,*** the Lord draws our attention not to underestimate the days of little beginning.

Zechariah 4:10a "For who has despised the days of small things?

Being conversant of the days of little beginning, your days of greatness will be great because you will always remind yourself of your days of little beginning, where God took you and how He took you. All the icons we have in life, if you follow their path, they all started small just like the Mustard Seed starts with a tiny beginning that can be trampled underfoot. Something you learn from humble beginning though small, your greatness is enclosed within you and it can only unfold when you start a journey and give in to committed services and work. Just like the Mustard Seed in its form; the big trunk, branches, leaves, roots are all enclosed in the tiniest seed. Even the bark and the other fruits that generate out of it are all enclosed in the tiniest seed. The Mustard Seed is put to work in the process of sowing. When it is been sowed, all kinds of confrontations is bound to meet it because it is sown to the ground. It will receive rain drops or storms of any kind, it will be beaten by the heat of the sun, men and animals may even trample on it. No matter how you look low on yourself, I have a message from the Lord, there is greatness enclosed within you and that greatness will only actualize when you put your life to work and services just like the Mustard Seed. Just get your goal in life and with the immediate resources at your disposal, put it to work and your fruits will surprise you. In the book of

Job 8:7 "Though your beginning was small, yet your latter end would increase abundantly."

or skills. Every gathering that will become a meager church tomorrow must learn to start from one, two or three worshippers. All who made attempts to start great always have a short life span. In summary, every genuine thing will start with a humble beginning and in the days ahead it will showcase magnificent greatness.

The fact that you start small is a mark that you shall end great. Come to talk about human conception. The gem cell that causes fertilization in a woman's womb cannot be seen with naked eyes. It can only be seen through a microscope. But it is that gem cell that grows from its tiniest form to the mature human that we see today that has filled the planet earth and is doing great exploits. So learn to celebrate God in the days of your little beginning and serve Him joyfully because a great future awaits you. All you need is get the seed of the Word, put it to work and you will salute God for the fruits it will produce. We learnt today that the Christian body has about 2 billion followers but it all started with a person to 2, to 10, to 100 people and today it is billions. This is God's pathway to greatness.

Jesus the Saviour of the world came into the world in a humble way. He was born in a sheep house, laid in a manger and no room for Him in the inn. He was humble but He was embodied with a great content. Today, all knees bow in heaven and on earth and all tongues confess that Jesus Christ is Lord to the glory of God our father. Arise! Engage!

2- Lord, help me to embrace my humble beginning

3- Lord, empower me to give in my all as your will for my life is concerned.

4- Lord, give me knowledge and understanding as I grow in the pathway of greatness.

5- Thank you father for the answers in Jesus name.

PATIENCE APPLICATION

Many, consciously or unconsciously have misunderstood the content of patience and its applications. It is of great importance for humans to understand that patience is a vital issue that every constructive being have to enhance. Reasons being that every dream of an individual must be given time to materialize. So the individual needs to exercise patience for the process that the dream needs to undergo in order for it to reach its mature state. Patience is needed by whoever must be in place to run with such a dream. When we look at patience in its context of definition, it has to do with the ability for one not to lose his temper or self control while waiting for his expectations to materialize.

Proverbs 25:28 "Whoever has no rule over his own spirit is like a city broken down, without walls."

In another definition, it is a constant pursuit that goes with perseverance, calmness and diligence. Other words we could connote to patience can be longsuffering, perseverance or forbearance.

When God releases a dream or a burden in your life, you need to understand that dream in its content. Get material that will enable you fulfill it. You are patient with something when there are some changes that need other participants to cause it happen. In life, one is not complete by himself. That is why it is of paramount importance for every human

also patiently waits for the harvest and all this answers with time. Many have made a shipwreck of their lives because of impatience. Some don't even have the right knowledge in applying patience to situations. Patience can be rightly applied in places by

- Having a true knowledge of what he is expecting to happen.
- Putting himself on focus to work towards that goal.
- Avoid sinful alternatives that may come as other options.
- Having faith in what God has spoken concerning the said goal.
- Lastly, patiently waiting for the season that time has put in its power to make it happen.

We can draw this from the book of

Habakkuk 2:2-3 "Then the Lord answered me and said: write the vision and make it plain on tablets, that he may run who reads it. For the vision is yet for an appointed time; but at the end it will speak, and it will not lie. Though it tarries, wait for it; because it will surely come, it will not tarry."

Looking at the above scripture, God says write down the vision and make it plain. You cannot be patient with something

give in to work, commitment with all diligence. Just like a seed has a time to be nurtured to grow to maturity, the verse 3 says the vision is for an appointed time. There is a set time that God has kept in His power to glorify Himself through you and every vision carrier must have enough patience to wait for this set time. Your diligent waiting will speak purpose at the end of the day and it will not lie. In other words, it will not fail. Any effort you put in while waiting for God's time is not for God to reduce the length of days. It is for you to empower yourself not to run short of grace in the place you have been committed to wait for God's timing.

The (b) part of verse 3 says. Though it may tarry, wait for it. The aspect of this been looked upon as delay. It is not actually that it has delayed. It is just because God's ways are not our ways; neither are His thoughts ours. It is in His timing, the Lord says wait for it and it will surely come and without fail happen as it was spoken. For every Divine project to be actualized, patience is an unavoidable substance. God gave Abraham a promise, Abraham waited, got out of patience and got himself and his family into error which has affected his race unto the present day. One thing you should have in mind while waiting on God is that He has sworn He cannot lie and will fulfill all His promises on His children.

Isaiah 45:23 "I have sworn by Myself; the word has gone out of My mouth in righteousness, and shall not return, that to Me every knee shall bow, every tongue shall take an oath."

accomplish what I please, and it shall prosper in the thing for which I sent it."

Every word that has gone out of the mouth of the Lord shall not return without being fulfilled and every obstacle will submit to His Lordship. God told us in ***Hebrews 6*** that He has sworn to bring to the heirs all the promises He sent forth to them. It is a tragedy for the creation to give up on the Creator and a terrible error or mistake. Never give up on God, wait for the time, season which God has kept in His power for your visitation because at the time appointed by Him, all spoken words will be made manifest. Waiting joyfully for who God is for the plans He has for you. Even when things seem not moving, God has a better plan for you.

Habakkuk 3:17-18 "Though the fig tree may not blossom, nor the fruit be on the vines; though the labour of the olive may fail, and the fields yield no food; though the flock may be cut off from the fold, and there be no herd in the stalls – yet I will rejoice in the Lord, I will joy in the God of my salvation."

As He did with Abraham at the age of 99, He visited him, rehearsed His promises and told Abraham that day, "by this time next year". Abraham had to wait for this promise for 25 years and at the time appointed, Abraham and Sarah got their visitation.

Genesis 18:10 &14 "And He said, I will certainly return

you, according to the time of life, and Sarah shall have a son."

God spoke; He visited and fulfilled His promises. All Abraham and the wife were to do was to timely apply patience while waiting on God for Him to do what only He alone could do. We see the manifestation of God's spoken word in the chapters ahead

Genesis 21:1-2 "And the Lord visited Sarah as He had said, and the Lord did for Sarah as He had spoken. For Sarah conceived and bore Abraham a son in his old age, at the set time of which God had spoken to him."

One error the heirs of promise should never commit is the error of impatience, making an attempt to give up on God on the basis of making their desires fulfilled at their own time and place. Such efforts are only going to ruin their lives. What the Lord will do for you, the joint forces of 80thousand people put together cannot do it. Your effort without God is an act of carnality. Let God's will order your desires and plans. Patiently wait for God's timing for things to materialize. One of the aspects that may push one to become a vagabond or a wanderer is when one lacks the virtue of patience to wait till the end. To patiently wait for God's time is not a license for laziness. While waiting on the Lord to unfold things for you, you have to remain focused to your goal with all diligence. Make all efforts to avoid distractions and make sure you are in the place where God kept you to wait so He can meet you

that are within your power to do and the ones that are within God's power to do. One scientist once said "Whatever I have done is due to patience thoughts" Isaac Newton.

Beloved, as your season approaches, patiently wait for it. Don't allow any force of distraction to take you out of the way as it happened to Gehazi who would have succeeded the prophetic office of his master. You are not a child of error, don't go for error and don't live by it. Patiently wait on God for His timing and wear the crown of glory. Paul told Timothy to endure so that at the end he might wear the crown. Remain strong; stay calmed and remain focused so that you may get the crown in the name of Jesus.

PRAYERS

1- Father, receive all the glory for equipping me with knowledge.

2- Lord, grace me to timely and rightly apply patience in all doings of my life.

3- Father any spirit of vagabond, I bind and cast it in Jesus name.

4- Lord, help me to finish well.

5- Thank you Jesus for the answers in Jesus name.

CARRY WORDS WITH YOU

Hosea 14:2 "Take words with you, and return to the Lord. Say to Him, take away all iniquity; receive us graciously, for we will offer the sacrifices of our lips."

One of the things that will make you as a child of God to triumph over the affairs of life will tie to the amount of knowledge you have in the Word of God (Truth). Certain facts in life can be argued and annulled but all efforts to argue truth cannot annul it. When a true story or report is given against a criminal, no matter how brave that criminal may appear to be, he will be shut down or destabilized when the right word is given to him. In these last days, the devil is doing all to corrupt the Word of God. He has done this to the extent that some new versions of the Bible have been printed incomplete and have gone on sale. This is to prove that the devil is working so hard to deprive this generation and the generation to come of the truth that was to come for their salvation, deliverance, and restoration. Of late, the NIV version of the Bible that was published by Zondervan has been sold to another company owned by Harper Collins and this company has been the publisher of the satanic bible and other satanic books like joy of gay sex. This satanic printing press has taken over the printing of the NIV and many have been sent as apps to our handsets and laptops. It is said that over 64.575words from the Bible including Jehovah, Calvary, Holy Ghost, and Omnipotent just to name a few have been excluded from the new NIV published by the

When you try to find out a scripture in a new NIV newly printed, you will discover that some books and verses are completely missing. For example, some verses like ***Matthew 17:21***, ***Matthew 18:11***, ***Matthew 23:14, Mark 7:14, Mark 9:44, Mark 9:46 John 5:4, Acts 8:37*** just to name a few have been removed from the original translation of the Bible. These are the last days and the devil is doing all to make believers to live without the content of the Word. It is a risk to live in these last days without feeling the impact of God's Word. Do as much as you can to have the original hard copy of the Bible. Don't depend on the updated apps that are forwarded to your phones and laptops. It has been reported that there is a group formed, geared towards altering the Bible as we know. The NIV, English Standard Bible and many versions are already affected. The devil is doing all to make abominable things sound normal and to be seen normal in the eyes of humans. That is why nations of the world are going ahead legalizing demonic orchestrated laws in their society and in their communities.

Do you know that the special car that was made for Obama is known as the beast? There is a call for children of God to be filled with the Word so that we can combat this adulteration from hell these last days. The devil will not submit to any child of God who is void of the knowledge of the Word. Every formation of our being was by the Word and every amendment that has to do with our sanctification and other aspects with our dealing with God and other creations has

Ephesians 5:15-16 "See then that you walk circumspectly, not as fools but as wise, redeeming the time, because the days are evil."

Every battle we have to fight, we must have right words as weapons to overcome those battles. If you are not mighty in words, you will not be mighty in deeds.

Acts 7:22 "And Moses was learned in all the wisdom of the Egyptians, and was mighty in words and deeds."

That is why the book of Hosea is telling us to take words and turn to God. This is because if we don't carry the Word, we can speak words disorderly. Be a carrier of the Word of truth. Nothing gives Satan the confidence to fight as ignorance on the part of the believer. Moses met the Red Sea and it could not resist the Israelites from crossing it on dry ground because he was mighty in words. All the legends of old got victory by the Word of God because the Word of God carries the mind of God. We should remember that the Word of God goes before His Act. From the beginning of creation, His Act was sponsored by His Word. Elijah subdued a nation that worshipped idols and the prophets of Baal because he carried the Word. As a child of God, you become a mystery before the nations when your content is filled with the knowledge of His Word. That is why in scripture all those that carry words before situations, get victory. It was in the mind of Elijah to put an end to idolatry in Israel when Jezebel

handedly. The healing of our nation will not be by all the noise that is going on today. It will be by the knowledge of the Word.

As earlier said, take words with you and fight the good fight. It did not end with Elijah; David met Goliath with the Word and it was the power of this Word that brought down the giant Goliath.

1Samuel 17:44-46 ". . . Then David said to the Philistine, you come to me with a sword, with a spear, and with a javelin. But I come to you in the name of the Lord of Hosts, the God of the armies of Israel, whom you have defied. This day the Lord will deliver you into my hand, and I will strike you and take your head from you. And this day I will give the carcasses of the camp of the philistines to the birds of the air and the wild beasts of the earth, that all the earth may know that there is a God in Israel."

David came in the content of the Word and it made provisions for him as written in the book of ***proverbs 18:10 "The name of the Lord is a strong tower; the righteous run to it and are safe".*** If David did not know the provision of this Word, the enemy would have taken advantage of him. The children of Israel were under subjection for forty days until a carrier of the Word appeared and put an end to their battles. You are called by the Lord to live and act by the Word.

It did not only end with David, other biblical figures

were set free. We are commanded by God in ***2Timothy 2:15*** to study the Word of God so that we may rightly divide it to our wellbeing.

2Timothy 2:15 "Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the Word of truth."

James says our prayers are hindered when we pray amidst or live in disorder. Moses did great exploits; the bible testifies he was mighty in words and in deeds. Jesus did great things because He was the Word and onlookers also testified of Jesus. Let somebody see and feel the volume of the Word of God you have. Cleopas, one of the men that met Jesus after resurrection gave his testimony of Jesus in ***Luke 24:19*** and he had this to say

Luke 24:19 "And he said to them, what things? So they said to him, the things concerning Jesus of Nazareth who was a prophet mighty in deed and word before God and all the people."

Get your content enriched by the Word and get all battles conquered through the Word. For indeed, deliverance comes through the Word as Jesus said in ***John 8:32***, you will know the truth and the truth shall set you free. Also know that deliverance is gotten through the knowledge of the Word. So get equipped by the Word for God's glory. God bless you!
