MINISTRY TESTIMONY FOR THE MONTH OF SEPTEMBER 2018

BALI

Hallelujah! I thank God for His timely intervention in my life and family. My sister did nursing in school and after the program, her attestation was not given. All her efforts to get this document was not fruitful until when she used the hand in the "Manna Feast" to pray. After prayers, she went back to the school and the attestation was given to her. All glory and honour be given to our God.

Sister Glory 674309641

Praise the Lord. I want to thank God for healing mercies through the hand in the "Manna Feast". My sister had eye problems and as a result, the eyes were always watery. She went to the hospital but all efforts proved fruitless. But when she used the hand in the "Manna Feast" and the servant of God prayed for her, she was healed and she is now fine to the Glory of God. Thank you Jesus!

Sister Brenda

Glory and honour be unto the God of our salvation. I want to thank God immensely for backing the word of His

servant in the Manna Feast. "Manna Feast" is a blessing to my life. I used the hand in the "Manna Feast" to pray for a child who was bedwetting. After the prayer, he no longer bedwets. I also want to thank God for healing a sister I prayed for who was suffering from severe stomach ache. To God be the glory, after prayers she is fine. Hallelujah to Jehovah Rapha.

Bro. George. 676279825

MBENGWI

Praise God! I want to thank God for the month of "God's Creative Wonders" because I was really blessed by all the chapters. I also want to thank God because during the ten days fasting and prayers in our branch church, I had some health challenges in my lungs but when the servant of God placed the hand of the "Manna Feast" on my stomach and prayed, I was healed to the glory of God. Thank you Jesus!

Sister Beatrice: 680 57 66 71

Praise the Lord! I thank God for the month of "God's Creative Wonders". I use to have encounters and when I wake up, I will forget everything. But since I stepped my feet in this commission and started studying the "Manna Feast", I have never forgotten any of my encounters. Thank You Lord for restoration!

Sister Marceline: 672 67 23 78

Hallelujah! I thank God for opening my eyes to see things before they happen. I had an encounter where I saw the person who use to give me "Manna Feast" was encouraging me to study it well. After the encounter, the pastor called me physically and was encouraging me. I just want to give God the glory!

Sister Glory: 674 16 40 77

To God be the glory, I want to thank God for His healing hand upon my life through the "Manna Feast". I had waist pain and after praying with the hand in the "Manna Feast", I was healed. Praise the Lord!

Sister Olivia:677 60 71 74

Glory to God! I thank God for chapters 5 and 6 of the October "Manna Feast", "God's Compensation" and "The Rest You Must Embrace" respectively. I use to help people and I use to lend money to people but to pay back was a problem. Instead they will mock at me when they had their stand. I had learnt my lessons and decided that I will never lend money or help people again until this statement in the October "Manna Feast" chapter 5 changed my mindset; "God's compensation will meet you on what you have" and chapter 6 which says that I must learn the ways of God and the attitude I need to attract God's attention for rest. Thank you Jesus for transforming my life.

Sister Victorine:

Praise God! I thank God for the "Manna Feast" especially chapter 4 "Either The Second Birth Or The Second Death". It enlightened me to know more about the ways of God. I also want to thank God for the hand in the "Manna Feast". I had serious stomach ache but when I used the hand in the "Manna Feast" and prayed, it stopped to the glory of God. Thank you Lord!

Sister Priscillia:

YAOUNDE

Hallelujah! I want to thank God for His timely intervention in my life. I work at the SCB Bank and I had a shortage of a hundred thousand francs. I took the "Manna Feast", opened the hand inside, placed my hand on it and began to pray and declare there shall be no lost. To the glory of God, a miracle happened that I did another transaction the next day and somebody gave me the sum of one hundred and ninety-thousand francs. I was able to pay back the money and I still had some balance for myself. Praise the Lord!

Sister Lydia: 679 71 41 03

Praise the Lord! I thank God for making me a sort out. As a student of the University of Yaounde I, part of my result was not published and I was to repeat Level I. This was the situation that a good number of us were facing. After

receiving the prophecy for the month, I believed God for a miracle. To the glory of God, I was singled out and my case was regularized meanwhile the people who had the same problem with me are still in Level I. I am now in Level II to the glory of God while my mates with the same complain are repeating Level I. This can only be the doing of God.

Brother Elvis: 678 74 77 36

Glory to God! I was greatly blessed by chapter 4 of the "Manna Feast", "Either The Second Birth Or The Second Death". This message was preached in our branch church and brethren were highly convicted. I could see the heart of men yoked together after a message like this. The church was revived and brethren encouraged. Personally, my life was touched, my fear of God and my commitment for God increased too. I want to worship God for the grace over His servant and what the "Manna Feast" has been to us. Hallelujah!

Pastor Belmond: 676 43 45 15

LIMBE

Hallelujah! I want to thank God for Divine provision through the "Manna Feast". I was particularly blessed by chapter 4 of the October "Manna Feast", "Either The Second Birth Or The Second Death". It made me to

jealously keep my salvation. Also, chapter 5 "God's Compensation" helped us to be focused and work for God without eye services. Hallelujah!

Bishop Erick: 674 73 20 16

BAFOUSSAM

Praise the Lord! I thank God for the monthly provision of the "Manna Feast". I had been going through challenges in my business until I came in contact with the booklet. I use to mark back races, send to my sister-in-law who lives in China. She will sell them and in turn buy things from there and send for me to sell. After sometime, she started behaving funny. I stopped sending the back races. When I started reading the "Manna Feast", to the glory of God, she started calling me to send even more than what I use to send initially. I give God the Glory!

Sister Evangeline: 675 52 95 06

Hallelujah! I want to thank God for delivering my brother from demonic attack. My brother was farming on a land given to him by one of his friends and according to the tradition of the land, a man is not supposed to go to farm on a man's plot if the owner is dead. So when the man that gave him the land died, he still went to farm on the man's land. He was possessed by a spirit on the land and his neck became stiff. I used the hand in the "Manna Feast" and

prayed for him. To the glory of God, my brother is fine. Secondly, I had wick low on my toe and praying with the "Manna Feast" it disappeared. I also want to glorify the Lord for saving me from an accident along Ekona road in a car that fell brakes. Thank you Jesus!

Mr. Awa: 678 00 86 58

Praise God! I had a dream that I was burying a leaf and making declarations but I did not know the kind of leaf I was burying. When I called the servant of God and told her, she told me that books are made from trees, so she told me to take any copy of the "Manna Feast" that I have and bury it at the exact spot where I saw myself burying the leaf and make the declarations I was making in the dream. When I did, something came up like an explosion (gunshot) but it did not affect me. I use to be sick but since then I am healed. Secondly, one of our sons in the family was taken by the Amba boys to go and join them. After praying with the "Manna Feast", he was released to the glory of God. Thank you Lord!

INTRODUCTION

Glory and honour be ascribed to the Almighty God for His goodness and love shown to us and for the manifestation of His power in our midst. We bless the name of the Lord for the price fully paid for us on the cross of Calvary by our Lord and Saviour Jesus. When we look at the splendor of His glory and the joy it brings to our soul, we can gladly say "Oh Lord, You alone are God". You did it all for us and you brought us to celebrate eternal and glorious life that is all from you.

We will be glad in this season to hear more of what the Lord has kept in stock for us. Having manifested His glory in our lives with the seasonal meal that carried the caption "God's Creative Wonders"; wherewith the strength of the Lord delivered the helpless and brought them into their safe haven. In this month, the Lord is calling on us to be in possession of what is required of us; from where we were to a higher altitude of lifting and of all heavenly good pleasures. Having done this, be in position where you will be able to win the attention of the Almighty God in all you think, say and do. Once more, you are welcome into this season of "Greater Lifting". Stay blessed as we move to see what the Lord has kept in stock for us. God bless you!

CHAPTER 1

THE TARES AND THE WHEAT

Many humans who are in right thinking order always cultivate or harbor a good mindset to do things that will better their living. Most often than not, we are not very conscious of the infiltration of the unwanted element from the camp of our enemy that tends to disrupt and destroy the good intention that we have for our lives and also in our services for mankind and the Lord. In the gospel of Matthew, the Lord Jesus pointed out a story to His followers and audience and this story was given in a parable. The Lord likened the story to how the Kingdom of Heaven is like. There is no one with a balance mind that will ever wish to sow a bad seed. The Lord says a man sowed good seeds in his field but while men slept, the enemy came and sowed tares among the wheat and went his way.

Matthew 13:24-25 "Another Parable He put forth to them, saying: the Kingdom of heaven is like a man who sowed good seed in his field; but while men slept, his enemy came and sowed tares among the wheat and went his way."

Every individual embarks on a journey with the intention of having good results at the end of the day. Most often,

we lost consciousness of our original intention which of course is always good. Once we lost consciousness of our original intention for the good project of life we embark on, the enemy immediately takes advantage to adulterate our plans and the end result tends to be what we least expected. The Bible tells us where we just read that a man sowed good seeds in his field. It also says while men slept; what does it mean by while men slept? When you lack precaution to guard your vision, you are sleeping and the enemy will take advantage of that. This precaution may be in terms of you being focused; having the right people and the right material to work with; having the right tool for protection, the right tool for grooming until you reach your destination. You need to know what to keep and what not to keep. Always go along with the consciousness of that vision or that project and be accountable. Make sure that you are not delayed and you are not wasting time but do all to see that growth comes on and on and on again.

Many who started well did not end well because they got infiltrated by the enemy unnoticed. Instead of growing with the seed of God, they are now growing with the seed of the enemy. If you grow with the seed of God, you will end up with the wheat brand that will be taken to the barn of God for the Master's Glory. But if you are groomed with

the seed of the enemy, you will end up as chaff that will be burnt with unquenchable fire.

Luke 3:17 "His winnowing fan is in His hand, and He will thoroughly clean out His threshing floor, and gather the wheat into His barn; but the chaff He will burn with unquenchable fire."

All humanity just like the tares and the wheat are in the process of life. If you are corrupt, you will end up as chaff just like the tares. Then the good seed ended up as wheat. So when you examine the activities of your life, are you in process as wheat or in process as tare? When you judge yourself, you can make a decision by embracing the good seed which of course is the Word of God that will bring you to a good end. But if you continue to live a life that does not tie with God's commandment, then you shouldn't be deceived; you will end up as chaff. If you are living a life as a sinner and certain things are moving well with your life when it comes to the temporal pleasures of this life, you should know God is exercising patience with you so that you may come to repentance. This is because it is not His will that any should perish, but that all should come to repentance. It is in the process of repentance that you can be changed from the bad you to the good you; the rejected you can become the accepted you, the abandoned you to the celebrated you by the grace of God and by His

saving arms. It is the repented soul that got a value before God. Every unrepented soul is subject to consumable and unquenchable fire.

2 Peter 3:9 "The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance."

For the repented, you provoke a celebration in heaven once you make up your mind, repent of your sins, surrender to Jesus and making Him the Lord and Saviour of your life. You immediately provoke a celebration in heaven.

Luke 15:7 "I say to you that likewise there will be more joy in heaven over one sinner who repents than over ninety-nine just persons who need no repentance."

As you go through this write-up, the decision you are taking in making peace with God; you may be that one the heavens will be celebrating for taking the right decision with God. The Lord declares that come unto Me all you that labour and are heavy laden, and I will give you rest. Also, in ***Romans 10:13*** the Lord declares that whosoever shall call on the name of the Lord shall be saved. Looking at our lesson, we will have this in conclusion; there are two kinds of people living under the sun. Some are in the process to end up as wheat and some are in the process to

end up as chaff. This is irrespective of your physical state in life which has to do with fame or not being famous, rich or not being rich, educated or not being educated, bodily healthy or not being healthy. What makes the difference is not your possession, but the condition of your heart before your Maker.

Are you an educated sinner? Without repentance you will end up as chaff. Are you rich; are you famous, are you having high societal recognition or recommendations? Without repentance you will end up as chaff. Even if you are a beggar, a poor man without repentance, you will end up in hell. The core of the issue here is making your life right with your Maker and by so doing, you will have what I call the greatest gain in a man's life which indeed is the salvation of your soul.

Mark 8:36-37 "For what will it profit a man if he gains the whole world, and losses his own soul? Or what will a man give in exchange for his soul?"

Looking at your life and the process you keep seeing repeating itself in you; the question you should ask is "Where will I spend eternity?" Arise this day and be in pursuit of eternal life for that is your portion in Christ Jesus given by God. Let all satanic infiltration be flushed out and let the original intention of God for your soul stand

tall. Live a life as the good wheat that yields to the Master's expectations. Stay blessed!

PRAYERS

1- Father, thank you for the riches of your Word.

2- Lord, deliver me from the error of the enemy's infiltration.

3- Lord, let my process in Christ end me up as wheat and not chaff.

4- Grant me grace to do well in Jesus name.

CHAPTER 2

PRAYER FAITH FORCE

Many will wonder why there are little or no answers to prayers made by them; when God have commanded us to ask, and it will be given to us; to seek, and we shall find and to knock and the door will be opened to us ***Matthew 7:7***. The prayer faith force will give answers to some of the questions that have been running through the minds of some sons and daughters of God. You don't claim the ways of God, you learn them. In learning the ways of God, you understand the will of God that will help you to do His goodwill. We should be able to understand one thing; what is the virtue that one needs to possess in order to attract God's attention and how can one access the virtue that will bring into place an attitude that is acceptable before God?.

When we look at the life of Jesus, we will be able to draw a conclusion about the attitude that He portrayed before His Father. There were virtues that made Him portray that kind of attitude. These were the virtues of meekness, humility and brokenness of heart towards God. For an individual to reach out to heaven and the heavens reach out to that individual he/she should have these prescriptions which I call, the meekness, humility and brokenness prescription. These qualify one to stand before

God to intercede, make petitions and of course draw heaven's attention to that individual. Jesus; being God, appeared on the planet earth as a Lamb before His Father. He came with such humility that we may lack words to describe. This humility was prophesied in the book of ***Isaiah 53*** where the scripture says He shall grow up as a tender plant out of dry ground.

We may say well that was Jesus the God man but I want to let us know that the Bible gives us a blueprint record of Moses in possession of this virtue. God spoke to Moses as a man with his friend. What was the secret of Moses and Jesus as the God man? Their secret was that, they possessed the virtues of meekness, brokenness, love towards God and love towards humanity (longing to see humanity in the best of his person in the sight of God).

Numbers 12:3 "Now the man Moses was very humble, more than all men who were on the face of the earth."

Isaiah 53:2 "For He shall grow up before Him as a tender plant, and as a root out of dry ground. He has no form or comeliness; and when we see Him, there is no beauty that we should desire Him."

Humility is the virtue that enables one to possess a teachable spirit. He is easily entreated and given to corrections. With this, you commit God's attention

towards you. Once God's attention is given to a man it becomes therefore easy for that one to know what the will of God is. Humility does not threaten God's given authority; rather, it attracts God's authority for their wellbeing. Once you know the will of God, you will know the right way to say and to do things. The general epistle of James tells us the reason why our prayers are not answered. As earlier said, one of the reasons is the wrong attitude we come with, in the presence of God. The second is not knowing the will of God and praying out of the will of God.

James 4:3 "Yet you do not have because you do not ask. You ask and do not receive, because you ask amiss, that you may spend it on your pleasures."

The Word of God makes us to understand that prayers may not be answered because we pray and make requests out of God's will. God will not answer prayers that are made out of His will. Jesus was in agony in Gethsemane and He was doing all through prayers, seeking the will of God to take the lead. Any prayer prayed out of God's will will never bring answers. So to pray and to also receive answers, you must pray in the will of God and in the right attitude before God.

The third force about the prayer faith force is having faith. Our faith is in measures but the greater your faith, the better for you. Those with greater faith have big mindsets and they can operate with the faith virtue in greater ways. For us to elaborate on this aspect of faith, we need to know who we have believed. We need to have a firsthand knowledge of God's sovereignty over His creation. We can know this through knowledge in the things of God, by encountering the act of God. He is the God of signs and wonders. He is the unlimited God; know Him as the God of all flesh who possesses answers and solutions to human problems. Know Him as the God of all impossibilities; He is the Almighty God, the Omnipotent, the Omniscience and Omnipresent. Your faith in God grows when you see and encounter His awesomeness over the affairs of life.

Even somebody you may call an unbeliever will start to have faith in God when he experiences the work of God in action. Rahab the harlot had faith when she harbored the spies. She must have heard of how the Israelites crossed the Red Sea on dry ground. She must have heard of how God drowned Pharaoh's armies in the Red Sea; she must have heard about the provision of Manna for the children of Israel in the wilderness, the defeat of the Amalekites and the disarmament of Balak's plot through Balaam to curse the children of Israel and a lot more. That built her

faith in God and she wanted to know more about that God. To know is to become.

In ***Mark 9:23*** and in ***Luke 1:37***, there are two statements being displayed; one declared by the Angels and one declared by Jesus. One says "For with God, all things are possible." In other words, when God is involved, possibility shows up in all domains of impossibilities irrespective of the circumstance. The second statement says "To him that believes, all things are possible." So knowing the might of God kindles your faith to work. A prevailing prayer is that prayer that will bring answers from God to meet the need of the time. The Bible says that prayer should be made in faith.

James 1:6-7 "But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind. For let not that man suppose that he will receive anything from the Lord; he is a double-minded man, unstable in all his ways."

Last of the prayer faith force recipe is persistence and commitment in the place of prayers. Of course, it is your faith that will make you committed and persistent in your pursuit for God to answer you.

John 16:23-24 "And in that day you will ask Me nothing. Most assuredly, I say to you, whatever you ask the Father

in My name He will give you. Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full."

The Lord says we should keep asking as long as we are asking in His will till our request is granted. Jesus spoke to the disciples in ***Luke 18*** and showed them the persistent widow who never gave up until her request was granted. The Lord commended that widow. We are also asked to cultivate that same habit; we should not give up asking, seeking or knocking until our expectations are granted by the Lord. The Lord expects us to be diligent and steadfast until our expected results are given to us. It is an error for us to give up praying. Elijah prayed fervently that it should not rain for three and a half years and it was so. He prayed again earnestly that it should rain and the heavens gave rain. That is why the book of Hebrews which is known as the hallmark of faith records in ***Hebrews 11:6*** that God rewards every act of faith.

Hebrews 11:6 "But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him."

In conclusion, the above mentioned points and ways of life should be coordinated and driven by the Spirit of God.

You should be able to wait upon God as the Holy Spirit leads you to; be it in hours of prayers, days, and weeks of prayers. As you do, fresh revelations of prayers will be brought to you and they will come to pass. You must be an embodiment of love for God and humanity. This aspect will make you a true tool for prayers. Get equipped; let your prayer faith force bring evidence from the throne of God into your life. Get committed!

PRAYERS

1- Father, endow me with the ability to do well in the school of prayers.

2- Holy Ghost, cultivate my prayer life to bring true results.

3- Lord, take out of me every road block standing the pathway of my prayer life.

4- Lord, make me a prayer addict in Jesus name.

CHAPTER 3

TRAIN YOUR MIND

Your mind is the engine room that determines your actions and your actions describe your person. So looking at our subject. Train your mind has to do with bringing in the right information into your minds and allowing that information to form your person. One's thoughts proceed from his mind. In other parts of the scripture, you can hear what comes from the heart; what the Bible means here is what comes from the mind. You will realize that what comes from the mind can either qualify or disqualify you. When the Lord says circumcise the foreskin of your heart, God is saying you should circumcise your mind. You should allow your mind to access the beauty that it deserves by submitting it to the will and ways of God so that it will portray the honour that will bring joy into your life.

Deuteronomy 10:16 "Therefore circumcise the foreskin of your heart, and be stiff-necked no longer."

The circumcision of our hearts is what portrays the beauty of our minds in the presence of God. Once our minds are beautified, it provokes the abundant good fruits of our lives to bear.

Matthew 12:35 "A good man out of the good treasure of his heart brings forth good things, and an evil man out of the evil treasure brings forth evil things."

We are called to train our minds because if our minds remain untrained and uncircumcised, it will eventually bear evil fruits which will lead to our destruction. It is of paramount importance for us to train our minds with the good provision of God's Word. The book of ***Matthew 12:33***, declares that make a tree good and its fruit will be good and make a tree bad, its fruit will be bad. So we are responsible for the training of our minds that will help us portray a cultured attitude. Before we get into knowing how to train our minds, it will be important for us to know the medium through which our minds can be positively or negatively influenced.

- Our mind gets negatively or positively influenced by what we hear. This is the topmost of all the mediums.

- Our minds get negatively or positively influenced by what we see.

- Our minds get negatively or positively influenced by the thoughts we cherish and nourish.

- Our minds also get negatively or positively influenced by the company we make and the company we keep.

These are the mediums through which our minds could be good or corrupt. To identify what is bad for the mind and what is good for the mind; the Word of God stands as the lone pillar of truth to demarcate between error and right.

John 17:17 "Sanctify them by Your truth. Your Word is truth."

What the Bible declares good, you should know it is good and go for it but what the Bible says is bad is bad and don't go for it. Don't allow your mind to be built by men's philosophy or ideology that contradicts the prescription of God's Word.

Colossians 2:8 "Beware lest anyone cheat you through your philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ."

Doing that, you will lure yourself into excruciating pain. It is said and of course true that what occupies a man controls the man. You are alive today because of the content of life that is within you. If life leaves you, of course you will be dead. The Lord has commanded us to

be filled with the person of the Father, Jesus and the Holy Spirit. If all these takes hold of us, they will become the engine of our lives and we will shine forth. We are commanded in scripture to lay the Word of God in our hearts as our treasure.

Deuteronomy 11:18-25 "Therefore you shall lay up these words of mine in your heart and your soul, and bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall teach them to your children, speaking of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. And you shall write them on the doorposts of your house and on your gates, that your days and the days of your children may be multiplied in the land which the Lord swore to your fathers to give them, like the days of the heavens above the earth. For if you carefully keep all these commandments which I command you to do – to love the Lord your God, to walk in all His ways, and to hold fast to Him – then the Lord will drive out all these nations from before you, and you will dispossess greater and mightier nations than yourselves . . ."

As you give in to the Word, treasure it in your life and that will keep you from violating or breaking it as declared in

Psalm 119:11 "Your Word I have hidden in my heart, that I might not sin against You."

You should train your mind not to pay back evil with evil; allow God to take vengeance. Don't get yourself into the place where you will be fighting God's fight. When Cain attacked Abel, he allowed vengeance in God's hands. When the ten brothers of Joseph conspired against him, he allowed vengeance in God's hands; for vengeance is Mine, says the Lord.

Romans 12:19 "Beloved, do not avenge yourselves, but rather give place to wrath; for it is written, "Vengeance is Mine, I will repay," says the Lord."

Lastly, discipline your mind to respond to the things which you have been taught by the Word of God. One of the two major things which you should know is your love for God, your fear of God and the things of God. The second is you need to apply the golden rule which says do to others what you want them to do to you. This will enable you not to be weary in doing good.

Luke 6:31 "And just as you want men to do to you, you also do to them likewise."

Having being equipped with this knowledge of the Word, pray your way through until your life becomes part and

parcel of the prescriptions of the Word. Great will be your manifestations and your life will become a life of praise, glory and honour.

PRAYERS

1- Father, I yield my life to your Word.

2- Oh Precious Word of God, circumcise my life and make me holy.

3- Lord, daily help me to equip my mind to manifest your glory and honour.

4- Thank you Father for the answers in Jesus name.

CHAPTER 4

MY FATHER'S BUSINESS

When we look at God's perception from the creation, God commanded all He created to multiply after their kind (human after human kind and animals after animal kind etc). That is why from the human to other creations under the sun, there is a multiplication of every specie after its kind. It is on this platform we are looking into the topic "My Father's Business" to see that what God has committed into our hands as workmen and women in His vineyard are increasing in their specie as the heavens stipulates. It is rather unfortunate that the true business of the Kingdom that we were supposed to be mindful of, we have abandoned and are mindful of the earthly, devilish and fleshly business that puts the devil and his agents at the helm (or incharge). We will realize that instead of the spiritual growth of the godlike nature that needs to embody the house of God, the reverse is the truth. There is a scripture we need to convert to prayers and cry out to God and the scripture is no other than:

Psalm 69:9 "Because zeal of Your house has eaten me up, and the reproaches of those who reproach You have fallen on me."

This scripture was manifested by our Lord Jesus Christ during His earthly ministry. It came to pass that the house that was called the house of God to further the Kingdom business was busy furthering the business of the flesh thereby bring men to materialism. People were no more calling on God to get His will and plan done. They were using the means and plan of God to enrich themselves at the expense of other's wellbeing and the salvation of their soul and at the expense of God's purpose for humanity. What is the core of the Kingdom business today? The end time army of salvation equipped by God should arise and correct the errors of our time. This is because all we hear preached on our pulpits today are new cars, new houses, new cathedrals, and so on which of course end up in breaking off. The souls of men which are supposed to be healthy being nourished by the Word of God has grown so pale. We suffer the starvation of the Word of God than the starvation of normal food as one of the prophets described in his days.

Amos 8:11 "Behold, the days are coming, says the Lord God, that I will send a famine on the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord."

When we look at the above scripture, Christ in His days on earth went to the Temple during the Passover feast. He

noticed that the opposite of what was to be done was being done by leaders and those who appeared to be the custodians of the word. The scribes were known as men that got a mastery of the scriptures. It is rather unfortunate that during the Passover feast; (the feast of the Jew that began during the Exodus; where the firstborns of the Egyptians were killed and the Israelites were embarking on God's will and God's ways towards their rest to Canaan land) such a feast in the days of Christ was to replicate the people working in God's kingdom to follow the ways of the Lord. The people of God were leaving Egypt to embark on a journey for the salvation of their lives but unfortunately, the remembrance of this feast during Christ's days on earth, instead of people doing the will of God and going God's ways, they were marketing in the house of God that was built to be called the house of prayers.

The church of God is a venue to prepare men's soul for the rapture, to prepare men's souls for the kingdom of God and to vehemently stamp out evil. It will take men and women zealous for God, set to build back the broken spiritual walls of our churches; to rise in Holy anger and declare the truth to our dying world. God is calling for someone somewhere to arise and embark on this Kingdom business. We are busy looking for titles, busy looking for fame, busy trying to enrich ourselves while the world is

languishing in sin and hell has opened her mouth so large to swallow its victims. Today preachers are busy after people's bank accounts and pockets and not after the salvation of their souls. Jesus had no mission with people's bank accounts and pockets but He had a mission to save the lost. That mission was handed to the church to continue in it and every true living church must do just this.

John 2:13-17 "Now the Passover of the Jews was at hand, and Jesus went up to Jerusalem. And He found in the temple those who sold oxen and sheep and doves, and the money changers doing business. When He had made a whip of cords, He drove them all out of the temple, with the sheep and the oxen, and poured out the changers' money and overturned the tables. And He said to those who sold doves, take these things away! Do not make My Father's house a house of merchandise! Then His disciples remembered that it was written, Zeal for Your house has eaten Me up."

Why was the gathering of the temple site a selling of articles? It was just an indication of men using the name of God to enrich themselves at the expense of the salvation of people's souls and God's intention for mankind. The buyers and sellers did not care who buys or who sells; all they were interested in was making money. That same desire has eaten up our generation where churches are out

to make money at the expense of the salvation of people's souls. We are far from the purpose of Christianity which has to do with converting a sinner to a saint, converting the Saul to Paul and departing from the highway of destruction to the highway of eternal life. Where are those days that men will come to church because of their love for God and not because of what they want God to do for them immediately? Once they get what they need in the house of God, they ceased from being worshippers. You can only see them next in church when they have a problem and need God's intervention.

My reader, get this and get it clear; the house of God is not a herbal center where you consult it when you are in problems. The house of God is a place of worship where the worshippers are there to display their gratitude and thankfulness to their Creator at all times and in all situations. Someone somewhere must arise as earlier said and address the wrongs going on in the body of Christ. Those born of God should be able to multiply the seed of righteousness that will qualify us to meet God as a Father and not a judge. Today, it is difficult to differentiate who is a preacher and who is a pop dancer. We are trying to join everything together. In our efforts and in our error to join everything together, they will never end together for God says "I am going to separate the wheat from the chaff."

There is nothing wrong for a child of God to be wealthy, drive good cars, wear good dresses, and worship in a good constructed house of worship. But everything will be wrong with the above mentioned points if the church will access these at the expense of God's truth (deforming or diluting God's Word to achieve the above) or perpetrating with the gospel of "It doesn't matter" in order to amass wealth and fame. Wealth must be gotten in the right way, sponsored by God's grace.

When we look at the activities going on in our present day houses of worship, we will clearly say there is famine of the Word. Let the truth return back to our pulpits and let someone rise to correct the errors of our present day generation. The gods of the world has entered the church and are producing after their kind at the expense of God's plan for mankind who was supposed to produce after His kind for multiplicity (in God's image). What is then the goal of the church and what is the standard set for the church to produce and multiply after its kind?

- Reaching the world with the Gospel of salvation.
- Losing captives that have been held bound by the enemy and establishing them in the Kingdom of God.

- Enriching the saved to live a triumphant life; a life above sin at all times.
- Bringing our world closer to God.
- Setting a godly standard in our generation and the generation to come.
- Stopping the devil not to penetrate the lots of the righteous at all cost and keeping the lamplight of the Lord shining till the bridegroom comes.
- Bringing the reality of heaven on earth in full demonstration of the power of God over all situations.

This will be done with a cultured life carrying the presence of God at all times that will challenge the mountains and all odds set by the devil, manifesting the power of God on earth as Jesus declared in ***Luke 2:49*** I am after My Father's business on earth.

Luke 2:49 "And He said to them, why do you seek Me? Did you not know that I must be about My Father's business? But they did not understand the statement which He spoke to them."

This will bring an end to the fragments we see among believers fighting among themselves. We will see

ourselves as brethren fighting a common enemy; the devil where contribution in one's life is not to kill but to make the individual better, feel alive and hopeful. There is something somewhere God is leading you to correct. Arise and do so with humility and you will be blessed by the Father.

2- Lord, grant me grace and strength to go after my Father's business.

3- Lord, make me a prepared vessel to go after your Kingdom.

CHAPTER 5

SUCCESS EQUATION

Proverbs 24:3-4 "Through wisdom a house is built, and by understanding it is established; by knowledge the rooms are filled with all precious and pleasant riches."

Knowledge is the force behind success equation. This is a mathematical language which has to do with learning how one could be successful in planning his life and having a developmental and progressive life pattern. Most believers are conversant with waiting in the place of prayers for success which is not bad. It is quite wonderful but the inspiration that you can have in the place of prayers or waiting before the Lord only gives you a revelation which has to be embodied with the knowledge to put words to action. I want us to have a look at what I mean by revelation merging with knowledge and matching words with action. We will draw inspiration from the scripture about the dream which pharaoh had. That dream was some sort of a revelation that was tied to the days ahead. Pharaoh had to get an understanding from somebody who was also a worshipper and it was in the person of Joseph as we see in the book of

Genesis 41:1&8 "Then it came to pass, at the end of two full years, that Pharaoh had a dream; and behold,

he stood by the river. Now it came to pass in the morning that his spirit was troubled, and he sent and called for all the magicians of Egypt and all its wise men. And Pharaoh told them his dreams, but there was no one who could interpret them for Pharaoh."

In the above scripture, we realize that a king had a dream. He was held up by it because there was no one who could interpret the dream for him. That dream needed somebody to decode it. Many believers are unsuccessful in the issues of life because they also have had dreams and revelations of their lives which are still undecoded. Because of that it is difficult for them to showcase a visible success life to their world. They possess a righteous mindset, possess the fear of God but they are unable to discover that their circle is still uncompleted. Because of this, they stand before the onlookers of their world as day dreamers even though in possession of the glorious gospel that brings redemption to the souls of mankind. It is on this note the Lord says in

Hosea 4:6 "My people are destroyed for lack of knowledge."

Many of us as believers had dreamt big and spoken big when we surrendered our lives to Jesus because there was a conviction that the Lord deposited in our spirit. But days

are running to weeks, weeks running to months, months are running to years the realization of our success is still covered. Though we appear like happy with our salvation, there is a conviction that runs in us that we would have done better. The fact that you are troubled in your mind indicates that something needs to be done to make you fulfilled as a son and as a daughter. So Pharaoh could not move ahead with any other issue until that dream or revelation was interpreted. He was in search of whoever could interpret that revelation or dream of his life.

Many of us have had revelations or the visions of our lives that have been interpreted but the interpretation alone does not make our lives complete. Having had the first hand information of that dream, you need to apply the success equation on how to handle it, run with it and fulfill it. We will realize that Pharaoh did not relent his efforts in seeking the interpretation of his dream even when all his astrologers and magicians had failed to interpret it. He was restless and his restlessness break his yoke. No doubt, Isaac told Esau that your restlessness will break the yoke. That means you don't just fold your arms with the vision or the great revelation that you have and expect that things will start to happen. That dream came to wake you from slumber and to put you to work. After Pharaoh's dream he got up from his slumber and got to work. He was not

contented with his position as king. He wanted keys that could get him to work and that key was the key of knowledge.

Knowledge is your license to a successful life. So if you lack knowledge, your prayer alone will not make you successful in life. When Joseph was brought to Pharaoh, he decoded the coded dream of Pharaoh. There is something interesting which Pharaoh said to Joseph and every successful man must be able to do same as Pharaoh did. In the ***Genesis 41:33***, Joseph commended that Pharaoh should look for a man discreet and wise and set him over the land of Egypt. Joseph was releasing to pharaoh the key of knowledge to survive in the trouble days ahead. With the counsel Joseph gave to Pharaoh, he could not take the good counsel of Joseph and hand it to people who do not value knowledge. He said Joseph your counsel is good and he asked his servant who is wiser than Joseph that could handle the affairs of the land? The servant said no one.

And then Pharaoh said Joseph I bring you into place to manage the affairs of the kingdom so that the kingdom will not suffer loss but gain. Now Joseph took over to take the open vision to work. There were decisions that were made and followed that saved the world in Joseph's days. On the bunch of your dreams, visions, revelations,

there is a literal work you must give into in order for success to be relevant. This work must have appropriate coordination; in other words, create a bar chart that will enable you to take each step accordingly until the success equation is relevant and visible. There are few steps in summary that you need to put in place:

- You need to make the right decisions. There is this slogan which goes thus: "We are the product of our choices. What we are able to manifest came from the decision we made yesterday". In decision making, there are people you must not entrust values to them because if you do, you will waste those values. Jesus made this clear in ***Matthew 7:6*** that it is not good to give your costly pearls to swine because it will only trample it underfoot. The dream of pharaoh was like pearl that he could not entrust in the hands of those who could not manage it.

Matthew 7:6 "Do not give what is holy to the dogs; nor cast your pearls before swine, lest they trample them under their feet, and turn and tear you in pieces."

The above scripture is like a father handing a treasure to a child or a servant who lacks knowledge and does not know the value of that treasure. When he has squandered the father's resources, he will turn again to attack the father

for being the reason behind his failure. Most successful people fail from being successful because they commit values in the hands of people who do not know its worth. So you must be able to identify the right partners, the right managers before ever committing trust or values into their hands. If you take your dream and hand it to the wrong people, they will only destroy it. So in decision making, you must know who to take out and who to bring in. Do not deceive yourself when you have discovered a weakness in somebody and you begin to pamper him in it thinking he will change. There are people that will never change. They celebrate their dumbness and whatever you say becomes an idle or useless talk to them.

- The second point in the success equation is for you to buy the future. Work hard today in order to have rest tomorrow. Those that buy their future are not given to laziness; they are given to hardwork, caution and they know how to feed the storehouse to respond well in the rainy days. Many have eaten everything plus their future. You buy the future by making plans that will daily make each day better than the previous one. The secret here is hardwork, embodied with divine directives. With this, it will lead you to the third point which has to do with

- Crediting the future. A man that has worked that well will end up crediting his future. The Bible calls such a person a good man.

Proverbs 13:22 "A good man leaves an inheritance to his children's children, but the wealth of the sinner is stored up for the righteous."

So you need to have a mind that you will not only buy the future but credit the future. When we look at the western world, they have credited their future even for their unborn children and the generation to come. That is not the case with Africans. Most Africans have eaten up into their future. We need to have the culture of giving and be delivered from the mindset of receiving. Put yourself in a situation where you can be able to better a situation, somebody's life and even a generation. Then last of all:

- Give everyday a task to fulfill. In other words, come out with a 'To Do' list and discipline yourself to work by it. Stop being an eye servant to yourself and to your authority. Every eye servant is already a failure to himself and to the world. Challenge yourself to always be a solution and not a problem and ever making what has been given to you better than how you met it. When you think of the generation to come and think about their wellbeing, you will do well to secure that generation and that future by giving in to the above mentioned point. God bless you!

PRAYERS

1- Father we thank you for your Word.

2- Lord, give me grace to be hardworking.

3- Lord, make me successful.

4- Thank you Lord for the answers in Jesus name.

CHAPTER 6

RELEASE YOUR POTENTIALS

Proverbs 14:23 "In all labour there is profit, but idle chatter leads only to poverty."

Everyone born of a woman carries an in-depth potential within their being. Most often we are exposed to challenges so that those challenges can provoke us to ignite our potentials to come alive. By so doing engaging work to see the results it may produce at the end of engagement. Some of our potentials will be triggered by us not waiting on anybody to pre-inform us to get to work but by us initiating the act to take up the challenge. Most great men and women are those set of people that are not waiting to be informed before they do something. They quickly notice a challenge and they rise to take up that challenge. You may never know what you are up to until you wake up to take up a challenge and to rightly address it. So all these aspects of taking challenges, the Bible calls it labour or travail. The Bible concludes that in all your labour, there is profit.

Many want to earn honour, respect, recognition, recommendation and a reward at the end of the day but they don't want to go through the highway of doing the right thing by answering to the task they were sent on earth

to answer to. They want to get the above through a cunning and crafty move but the heavens say son/daughter you don't get it this way: you get it by being responsible, by making things to work that were not working. In the midst of challenges, in the midst of turbulent issues, that is the highest time you need to refocus and be determined for things to happen. It is at such moments that your relevance will be noticeable and highly recommended. If you don't answer to a course, nobody will know you. So your presence in a place kept by God is for you to respond to a course and do it well. One thing you need to know and be convinced of is that when God exposes you to a particular challenge, you should know there is a potential within you to rightly handle that challenge. So you should arise and put your faith to work. Most often, in releasing your potentials, it calls for a lot of courage and determination.

When we look at our contemporary world today, Apollo Eleven got a challenge of how one could exit the planet earth and access another planet. They worked relentlessly and at the end of the day they did their first venture. Today, millions of people in different domains of life are also embarking in ventures to credit their society. That act is an act of releasing their potential for work. At the end of the day, when they become successful in their venture, they will be able to speak within themselves; so this is how far I could make things work.

I pray today that you will discover within your life; even in your destitute situation, you will make things that were not working to work. It is like Jesus and five thousand men with Him in the wilderness for days and these men felt hungry. What Christ did was to release the potential that was within His content to answer to the challenges of hunger in the lives of the people that were with Him in the wilderness. When He gave them the loaves of bread and they ate to their fill and were able to fill twelve baskets with the fragments of the bread, the end result was like Whoa! What an awesome God! Let the outcome of your least potential today make someone somewhere to exclaim Whoa! What a daughter of the Most High, What a son of Zion, and what a servant of the Almighty God. Each time you answer well, your status is bound to change. Like Gideon who was never known when the Angel of God spoke to him by bringing to his consciousness the man of valour he was; he took responsibility. He answered to the challenges that befell his nation Israel when they were severely impoverished by the oppressors of Midian.

Judges 6:12 "And the Angel of the Lord appeared to him, and said to him, the Lord is with you, you mighty man of valour!"

When Gideon summed up the challenges and the many things he was to answer to, he had to sum up courage to do

the undoable. Today you will do the undoable. A man who was in hiding ended up being a judge for the nation. So the respect he had, he earned it and not only claimed it. It is wrong for you to claim respect, you need to earn it and you earn it by responding to challenges. Your being alive today is to do what only you could do. So arise and get it done. Stop waiting for someone to come do it for you because that someone will never come. You were ordained to do it and just you. The things you see chasing you today like the Midianites chased Gideon, when you shall arise by this spoken word, you will chase them out and have your rest. Train yourself today to repeatedly do what is relevant for we become what we repeatedly do. Get in to repeatedly do what will increase your status, mount up your potential and take you to the platform of solution and lifting. Wake up! Wake up! Release that potential that was engulfed in you by the Almighty God from the day your inception was announced. How far you can see is how far you can go. God bless you!
